Faculty Application Questionnaire

Carson-Newman is a Christian university, affiliated with the Tennessee Baptist Convention, that seeks to recruit faculty who are active scholars in their fields, excellent teachers maintaining academic rigor in their classes and intentional about Christian reflection and discovery with students.

Founded on the twin pillars of academic excellence and Christian commitment, Carson-Newman maintains these principles and does not see them as mutually-exclusive but as part of an integrated life of learning. Our mission is to offer a Christ-centered, liberal arts-based education in an environment that encourages open intellectual inquiry and deeper spiritual maturity. The historic Baptist distinctive of religious liberty, personal responsibility and compassion for others create a community that fosters a sense of belonging and purpose in God’s calling. The cultural heritage and geographic beauty of the Appalachian region enriches the Carson-Newman experience, and the University contributes to the environmental preservation and economic development of this national treasure.

We appreciate your interest in Carson-Newman University and thank you for taking time to complete and sign this questionnaire as part of our application process. When appropriate, you may refer to your curriculum vita.
