Organization Advisor Commitment Card

As the Advisor of ________________________________, I am committed to the success of both the organization and its individual members. To this end, I will invest myself in:

• Developing productive mentoring relationships characterized by mutual respect
• Maintaining an awareness of the organization’s activities
• Participating in such activities when possible
• Providing an active source of accountability and communication regarding all facets of the organization’s life and work
• Modeling and encouraging members’ development of basic leadership skills and practices
• Facilitating seamless transitions among organizational leaders
