Instructions and Conditions for the
Howard & JoAnn Chitwood Freshman Mathematics Scholarship

Instructions

1. Read the conditions set forth below for this award.
2. Fill out the application following this page (please print legibly or type).
3. Sign and date the application.
4. Return the application by **March 1** to the following address:

   Chair, Mathematics and Physics Department
   Carson-Newman College
   P.O. Box 72037
   Jefferson City, TN 37760

Conditions for the Award

1. The scholarship is awarded to the most outstanding entering freshman mathematics major as determined by the selection committee.
2. The scholarship is a one-year award of at least $1,000.
3. The scholarship is awarded in two equal installments, one for the fall semester and one for the spring semester.
4. The recipient must register as a full-time student (at least 12 hours of course credit).
5. The recipient must declare mathematics as his/her major.
6. The recipient will enroll in Calculus I in the fall semester and Calculus II in the spring semester. If prior college credit has been received for either of these courses, the recipient will enroll instead in a course offered in the mathematics department for majors and approved by his/her advisor.
7. In order to receive the second installment, the recipient must have an overall GPA of at least 3.0 on all college work attempted and must have earned at least a B in all courses listed in #6 above.
8. Failure to adhere to these conditions will result in the scholarship being revoked.
9. The scholarship may be renewed annually, up to a maximum of three renewals (the renewal amount can vary with earnings on the college investments), provided the recipient meets the following conditions:
   a. Is a full-time student
   b. Is a declared major in mathematics
   c. Is making satisfactory progress in the major field
   d. Has an overall GPA of 3.0 or higher, and a GPA in the major of 3.2 or higher
