Published annually by Carson-Newman University, Jefferson City, Tennessee 37760

Carson-Newman University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, specialist, and doctorate degrees. Questions about the accreditation of Carson-Newman University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

This publication is intended as a description of the academic programs and activities of Carson-Newman University. It is not an offer to make a contract. It is sometimes necessary or appropriate to change the programs offered. Carson-Newman University retains the right to terminate or change any of its policies, programs, requirements, course offerings, instructor assignments, and all other aspects of its educational programs and cocurricular activities at any time without prior notice. Carson-Newman University defines the academic year as beginning with the fall semester and concluding with the end of the summer session in the subsequent summer. The Carson-Newman Graduate and Professional Studies Catalog, although released in the summer, becomes effective with the beginning of the fall semester and is in force during the above defined academic year barring any addendum and revisions. The course offerings and requirements of the Graduate and Professional Studies Program at Carson-Newman University are continually under examination and revision. This catalog presents the offerings and requirements in effect at the time of publication but is no guarantee that they will not be changed or revoked.

In addition to regional accreditation SACSCOC, Carson-Newman University is accredited by and/or holds membership in the following educational associations and agencies:

1 - Attendance Verification:

Eligibility for federal student aid is, in part, based on the student's enrollment status for the semester in which they are enrolled. Verification is based on the completion of an academically related activity. Any student whose attendance cannot be verified by the last day to add/drop a class during the start of the term or session will be administratively dropped from the class for non-attendance. Please refer to policy in academic catalog for more information.

2 - Census Roster:

After the add/drop period and once the Registrar's office has completed all the add/drop request forms, faculty will submit and confirm a final roster. This is called 'CENSUS ROSTER.' No one will be added to the class after the census roster has been submitted.

3 - Application for Degree:

Students must complete a graduation application. Students who complete the application for graduation after the stated deadline may not be processed for graduation. See "Application for Graduation" policy in the academic catalog for more information.

4 - Conferral Date:

Conferral date is not the same as graduation date. The graduation date is the date of the ceremony at Carson-Newman. The conferral date, is the reported graduation date for students which is also the end date of the semester.

CARSON-NEWMAN UNIVERSITY

Carson-Newman University, a Christian, private, liberal arts institution, is located in Jefferson City, 25 miles east of Knoxville. Carson-Newman offers a campus of stately white-columned buildings on rolling, grassy hills close to Cherokee Lake and near the Great Smoky Mountains.

Carson-Newman has been named to the President's Higher Education Community Service Honor Roll, the highest federal recognition a college or university can receive for its commitment to volunteering, service-learning and civic engagement. Carson-Newman has also been recognized by Washington Monthly as one of the top ten liberal arts colleges in the nation. The University's reputation is born from its commitment to Christian excellence and academic rigor as manifested through 50 undergraduate majors and graduate programs in applied theology, business, counseling, education, and nursing.

MISSION

Our mission as Christian educators is to help our students reach their full potential as educated citizens and worldwide servant-leaders.

VISION

We will be the Christian liberal arts-based university of choice in the Southeast for education and service.

UNIVERSITY IDENTITY AND VALUES

Carson-Newman accomplishes its mission by integrating academic excellence and Christian commitment within a caring community. We believe that faith as well as learning make the whole person and are dedicated to developing both the spirit and mind of each student. The university is a community of learners committed to academic quality and personal growth by encouraging *selfless service, excellence, learning, and leadership*. These core values form the basis of our identity as an institution of higher learning and provide guidance to members of our organization. Devotion to these values helps us to achieve our mission and guides us toward fulfilling our vision as a university.

CARSON-NEWMAN IS COMMITTED TO:

Preparing servant leaders by providing men and women of character and intellect to serve with and among others. Our graduates will be equipped to occupy places of leadership and will use their God-given talents in service to others.

Working toward excellence in all that we do by developing individuals who are better able to live out their faith as educated citizens, promoting an attitude of stewardship for God's creation, and fostering an appreciation for truth, beauty, and goodness.

Providing access to higher education to students through additional, flexible educational opportunities outside the conventional course delivery model.

Promoting the wholeness of life by recognizing the inherent value of self as well as others and welcoming a diverse population to share in the pursuit of excellence.

Being an integral part of the Appalachian region by providing multifaceted resources, opportunities, and community engagement

programs. Confronting and addressing the challenges of the future by providing its graduates with the capabilities to be lifelong learners.

CARSON-NEWMAN UNIVERSITY HISTORY

In the early 1840s, several Baptist leaders in East Tennessee desired to offer better prepared ministers to area congregations. The East Tennessee Baptist Educational Society, which was comprised of two groups with a common interest, applied in 1850 for a charter to establish an institution of higher learning. Afforded the use of a local church building, Mossy Creek Missionary Baptist Seminary opened to students in the fall of 1851. The Tennessee Legislature granted the school's charter in December of that year.

The 1889 merger of men's and women's institutions made Carson-Newman an early entrant in coeducation in the region. Throughout its history, the institution has instilled a deep commitment to service in its students. The fruits of its labor, its alumni, have filled schoolrooms, courthouses, hospitals, boardrooms, pulpits, and mission fields the world over in spreading the lessons of Carson-Newman's motto of Truth, Beauty, and Goodness.

Servant leadership programs abound on campus. Carson-Newman's Bonner Center annually oversees some 40,000 hours of community service by students. Since 1984, Appalachian Outreach and its volunteers have performed hundreds of home repair projects throughout the region. Each year Baptist Campus Ministries sends out more than 300 fall and spring break volunteers to serve not only across Tennessee, but also nationally and internationally. Because of such efforts, Carson-Newman was recognized in 2012, earning the Presidential Award in the President's Higher Education Community Service Honor Roll, the highest federal recognition a university can receive for its involvement in community service.

Global education and broadening students' horizons are staples of the Carson-Newman experience. Scores of international students' study at Carson-Newman each year while others travel from campus to study abroad. In 2021, the University announced a 5-year strategic plan called "Acorns to Oaks: Pursuing God's Preferred Future." The strategic plan entails thoughtful and purposeful alignments of policies and procedures with the University's Christ-centered mission and an ongoing commitment to balanced budgets. This includes work to reduce dependency on tuition through innovative programs and entrepreneurial pursuits designed to develop new revenue streams.

"The plan is at its core an academic plan," said University President Charles A. Fowler. "Carson-Newman is a Christian university dedicated to a rigorous and Christianly formed education. We are blessed with an incredible teaching faculty. This plan provides facilities, technology, and programming that will complement the educational enterprise at C-N, position us for even greater excellence, and extend our reach to new student markets."

ADMISSIONS

Carson-Newman University seeks students who have demonstrated the ability and motivation to gain full benefit from a challenging program of graduate study in a Christ-centered context. Students are considered for admission based on their academic credentials (coursework and grades attained, relevant test scores), references, and other requirements established by each academic program along with additional factors that demonstrate probability of college success at a Christian institution of higher learning. Carson-Newman University does not discriminate on the basis of race, color, gender, national origin, disability, age, genetic information, or veteran status in provision of its education policies, programs, and activities.

To be considered for admission, applicants must meet academic requirements and other admission criteria established by the University. The University reserves the right to deny admission to applicants who do not possess adequate academic preparation and/or those who fail to meet other admission criteria. Students who are admitted are required to abide by university policies and regulations. Program directors for each graduate program evaluate all applications and applicable references, test scores, interview results, and transcripts before making an admission recommendation. When a decision is reached, the applicants are notified of their admission status. Admissions may be granted to begin in fall, spring, or summer depending on the specific program. Please refer to individual academic programs for admission deadlines.

ADMISSION APPEALS

Each completed application will be reviewed and evaluated within the appropriate academic department before making an admissions recommendation. The applicant will be notified when an admission decision has been made. Graduate applicants will be notified as to which admission category he/she has been assigned (see categories of graduate admission). If an applicant wishes to appeal an admission decision regarding admission requirements, categories of admission, independent study, time limits to degree or other concerns, he/she must submit a written letter of appeal to the appropriate department for consideration. Graduate admission appeals may be sent to the appropriate graduate academic department.

ADMISSION REQUIREMENTS FOR ALL PROGRAMS

Completed application for admission.

One official transcript of all undergraduate and/or graduate programs of study. Also, one official graduate transcript showing courses which are being transferred to Carson-Newman University to apply toward the Master's, the EdS, or the EdD degrees (maximum of 9 semester hours for the master's and EdS degrees and 12 semester hours for the EdD, completed within the last five years).

Official test scores as required by individual graduate programs.

Note: See specific graduate program for additional admissions requirements.

ADMISSION REQUIREMENTS BY PROGRAM

GRADUATE BUSINESS

The MBA program at Carson-Newman University has a competitive admissions policy. Selection of candidates is based on several criteria evaluated by the MBA program director. Applicants to the MBA program must meet the following minimum qualifications to be considered for unconditional admission to the program:

- Complete online application.
- Hold a bachelor's degree from a regionally accredited university and have a minimum overall undergraduate grade point average of 2.5 (or 2.75 on the last 60 hours of the baccalaureate program)
- Professional resume

Other factors that may be considered in the admission decision are:

- A demonstrated record of achievement
- Breadth and depth of work experience
- Leadership - demonstrated and/or potential
- Outstanding interpersonal and communication skills
- Extracurricular and community involvement
- Interview

When the director of the MBA program has evaluated an applicant's application form, references, test scores, transcripts, interview results, and other listed criteria, an admission decision will be made by the director and/or the program admissions committee. When a decision is reached, the applicant will be notified of his/her admissions status. (See Categories of Admission.)

Conditional Admission

Students not satisfying all requirements for admission may, in exceptional circumstances, be conditionally admitted to the program. The MBA program director may impose additional acceptance requirements such as completion of additional undergraduate course work, completion of preparatory materials provided by the university, required acquisition of resources or software, and statements of commitment to the academic process. Students admitted conditionally may only apply the first 9 graduate credit hours toward the MBA degree. Upon completion of nine (9) graduate credit hours in the program with a "B" or better average, the conditionally admitted student will be granted unconditional admission. Students not satisfying conditional admission requirements will be dropped from the program for one semester, after which the student must petition for readmission.

Qualifying Seniors in an Undergraduate Degree Program

Rising seniors in Carson-Newman's residential undergraduate program are eligible to apply to the MBA program for conditional acceptance. Students must be classified as a senior (90 credit hours) when taking graduate MBA (500-level) courses, must enroll full-time as an undergraduate (at least 12 credit hours from 100-400 course levels) and must have a cumulative 2.5 GPA. An undergraduate student in the MBA program may take no more than 6 credit hours (two courses) during their senior year and no more than one (1) graduate course may be taken at a time. Students can include these graduate credit hours in their semester load of up to a maximum of 17 total hours and not pay

additional tuition. MBA courses may not be used to satisfy the requirements for the bachelor's degree. A student must complete a bachelor's degree before they are fully admitted into the MBA program. Additional stipulations apply, please see the application for graduate credit for all criteria and requirements.

GRADUATE COUNSELING

Applications for admissions to the MSC tracks are accepted for the fall and spring semesters. Requested application submission dates are **February 1 for Fall, and October 1 for Spring.**

Applications received after those dates will be considered as space in the program concentrations are available. In addition to the common admission requirements, the requirements for a student who wishes to pursue work leading to the Master of Science in Counseling are:

- Complete online application form.
- Resume
- Written statement of purpose and vocational goals.
- Two recommendations required: one from an academic source and one from an employment source. A third character recommendation is recommended.
- An official transcript from all institutions where undergraduate and graduate study was completed. This includes the official graduate transcript(s) showing courses which are being transferred to Carson-Newman University to count toward the master's degree (maximum of 9 semester hours taken within the past five years and approved by the Graduate Studies in Counseling program director).
- Successful completion of an interview for the purpose of assessing candidate qualities in the areas of motivation for professional development, communication skills, self-awareness, confidence, and potential for working with diverse populations.
- A bachelor's degree from a four-year regionally accredited college, showing a minimum GPA of 3.00 (on a 4.00 scale) overall undergraduate GPA.
- Background records check submitted directly to Carson-Newman Department of Education and Counseling: no second-party background records checks are accepted.

GRADUATE EDUCATION

Common Admission Requirements for Graduate Programs in Education. The Graduate Admissions and Appeals Board evaluates all applications, references, test scores, interview results, and transcripts before making an admissions recommendation. When the Admissions and Appeals Board has acted, the applicants will be notified of their admission status (See Categories of Admission).

Individual degree programs in education have specific admissions requirements listed under each degree, but all candidates for admission to any graduate program in education must meet the following requirements for admission:

- Complete online application
- Official transcripts from all institutions attended are required.
- Grade point average as specified by individual programs.

MAT Specific Admission Requirements

In addition to the common admission requirements for the master's degree programs in education, candidates for the MAT degree must meet the following requirements:

- A bachelor's degree from a four-year, regionally accredited college
- One of the following: A minimum overall GPA of 2.75 or a GPA of 3.00 in the most recent 60 credit hours
- Evidence of satisfying a TN-approved online literacy workshop. (Please email adult@cn.edu to determine which workshop is required for your admission.)
- Evidence of satisfying content knowledge for the licensure area sought. (*Content knowledge* is defined by the TN State Board Policy for licensure.) As these requirements often change, please contact adult@cn.edu to ensure what is required for your admission. (Conditional admission allowed for the following areas up to 12 credit hours as content knowledge is earned within the program: Special Education, English as a Second Language, Integrated Early Childhood)
- Background records checks submitted directly to Carson-Newman; no second-party background record checks are accepted.
- Interview (with passing score) with Education department faculty and local K-12 faculty for the purpose of assessment of dispositions, as required by the Council for the Accreditation of Educator Preparation
- Submission of three (3) recommendations

Admission Evaluation

Tennessee State Board Policy outlines standards, which must be met before licensure can be granted. Each applicant's undergraduate transcript will be evaluated to ensure the mandated standards are met, and additional coursework may be required. In most cases, passing scores on the appropriate content knowledge exam(s) for licensure will be required prior to admission; all applicants will be evaluated on an individual basis. Special education and ESL content knowledge are provided at the graduate level. Candidates for all other licensure areas must satisfy content knowledge prior to admission. Prior to student teaching, candidates in all licensure areas must satisfy content knowledge exam requirements for licensure.

MAT-ESL Specific Admission Requirements

In addition to the common admission requirements for the master's degree programs in Education and the MAT degree, candidates for the MAT-ESL degree must meet the following requirements: Tests for International Students:

- Minimum computer based TOEFL score of 210
- TOEFL iBT score of 79 or IELTS score of 6.5
- Applicants scoring between 170 and 209 (computer based TOEFL), and 60 and 78 (TOEFL iBT), or 5.5 and 6.4 (IELTS) may be admissible but must complete TESL 560, TESL 563, and TESL 564 in addition to degree requirements.

Applicants without the required English language test score may be admissible but will be tested for English language proficiency upon arrival and may be required to complete additional English language study in the Carson-Newman English Language Institute before

beginning full-time graduate studies. International students who have earned an undergraduate or graduate degree at a United States college or university or who have successfully completed study in the Carson-Newman English Language Institute are exempted from the TOEFL/IELTS requirement.

MED (Alternative Pathway with Job-Embedded Experience)

Specific Admission Requirements

The practitioner with job-embedded experience is Tennessee's alternate pathway to licensure. C-N only offers this program in high need licensure areas. Candidates for this program must be employed at a school within a 50-mile radius of our campus in Jefferson City.

The practitioner with job-embedded experience is Tennessee's alternate pathway to licensure. C-N only offers this program in high-need licensure areas. Candidates for this program must be employed at a school within a 50-mile radius of our campus in Jefferson City.

Admission Requirements Specific to the Job-Embedded Practitioner Licensure Program Carson-Newman University collaborates with school systems who have hired individuals on practitioner license with job-embedded experience. This license is available to individuals who have not completed a traditional teacher education program. In addition to the common requirements for admission to the master's degree programs in education, the specific requirements for admission to the job-embedded practitioner program are:

- A letter of intent to hire from the school system.
- Verification of having met the content knowledge criteria as defined by the TN Department of Education.
- One of the following: A minimum overall GPA of 2.75 or a GPA of 3.00 in the most recent 60 credit hours.

An individual on the alternative pathway to licensure must be currently employed and complete all licensure requirements within three years in order to be marked as a program completer. Students must obtain passing scores on the licensure assessment edTPA, and any other remaining required content area exams, for successful completion of the course EDUC 663. Successful completion of this course is a requirement for completion of the license. Advancement to the professional license after this is determined by TN State Board Policy. For further information about the Tennessee State Board Policy relevant to the alternate pathway to licensure, please consult the TN Department of Education website.

MED-Curriculum and Instruction Admission Requirements

In addition to the common admission requirements for master's programs in Education, candidates must meet the following requirements:

- Complete online application
- A bachelor's degree from a four-year, regionally accredited college
- One of the following: A minimum overall GPA of 2.75 or a GPA of 3.00 in the most recent 60 credit hours
- Background records check is required except for persons currently employed in a P-16 setting that requires a background check. The employment recommendation form will be used to verify current employment in a P-16 setting that requires the background record check.

Admission Requirements Specific to the Instructional Leader License Specialization

The following requirements are necessary for admission into the Instructional Leader License Specialization in addition to the application materials necessary for other desired graduate degrees. The admission portfolio requirements are completed during the student's first semester in EDUC-FOLIO.

- Complete online application.
- Verification of two years of P-12 teaching experience in an approved school setting.
- Completion of the admissions portfolio. The requirements for the admissions portfolio are communicated to candidates by the program director.
- Approval of admissions committee meeting report.
- The applicant must be at least 18 years old.
- At minimum, the applicant must hold a bachelor's degree from a regionally accredited college or university with a minimum overall GPA of 2.75 or a GPA of 3.00 in the most recent 60 credit hours.

Admission Requirements for the Ed.S. and the Ed.D.

Programs In addition to the graduate admission requirements for all programs in education, the requirements for a candidate who wishes to pursue work leading to the Ed.S. and the Ed.D. in Educational Leadership are:

- Submission of Graduate Record Exam (GRE) score is optional.
- Master's Degree graduate GPA of 3.3 or higher on a 4.0 scale.
- Scholarly writing sample
- Choice 1: Thesis or published writing (preferred and accepted as is)
- Choice 2: Response to writing prompt given by graduate admissions.
- Professional experience in an educational environment (3 years minimum)
- Teaching license
- Other proof of experience if from a non-licensed environment
- Two references (professional and academic)
- Candidates may choose the Administrative Leadership Concentration or the Curriculum and Instruction Leadership Concentration. Ed.S. candidates complete the same courses as Ed.D. candidates, but the Ed.S. program requires only mentored residency and professional portfolio, rather than the dissertation. Candidates may choose to complete the dissertation and the Ed.D. degree, after having completed the Ed.S. degree. Administrator's License (ILL) - Ed.S. and Ed.D. Level Specialization can be taken concurrently for students seeking administrative licensure.

GRADUATE NURSING

Admission Requirements for Family Nurse Practitioner Program for students desiring a master's degree in nursing:

In addition to the common admission requirements, the requirements for a student who wishes to pursue courses leading to the Master of Science in Nursing degree are:

- Complete online application.

- Current unencumbered active registered nurse licensure.
- Current unencumbered advanced practice nursing licensure if applicable.
- Letter of personal goals and aspirations.

Accepted applicants will provide:

- Completion of criminal background check within 45 days of first day of class.
- Completion of drug screen prior to first day of class in NURS 507.
- Additional requirements as needed for clinical sites.

Graduate nursing application deadlines:

Fall admission – July 15

Spring admission – December 1

Summer admission – April 15

For provisionally admitted students to be eligible for full admission into the Family Nurse Practitioner program, the candidate must have a minimum overall GPA of 3.00 prior to second semester of study. Once the candidate has met the requirements necessary for full admission, the application will be re-evaluated, and the student will be notified of his/her new classification.

Admission Requirements for DNP Program

In addition to common admission requirements for the University, the requirements for a student who wishes to pursue courses leading to the Doctor of Nursing Practice degree are:

- Completion of the online application.
- A master's degree or post-master's earned from a nationally accredited program (CCNE, NLN, COA, ACME) as an advanced practice nurse (nurse practitioner, nurse anesthetist, nurse midwife, or clinical nurse specialist) with current advanced practice certification.
- Official transcript from all previous post-secondary course work.
- A minimum overall GPA of 3.0 or higher on a 4.0 scale for all graduate work.
- Current unencumbered active registered nurse licensure and advanced practice registered nurse licensure in the state where practice will occur.
- Résumé or curriculum vitae.
- Three letters of recommendation (online recommendation request form).
- Academic – Waived if MSN completed greater than 3 years prior to application.
- Employment – Obtained from direct supervisor.
- Character
- Submit an essay that communicates your professional goals. Incorporate how the DNP will help you obtain these goals and how you plan to integrate the rigors of full-time doctoral study into your current situation given that this typically requires a minimum of 25-30 hours per week. This essay should be 2-3 pages, 11- or 12-point font, double-spaced.

Accepted Applicants to the DNP Program

Accepted applicants must complete the following with instruction provided by the Department of Nursing:

- Completion of criminal background check submitted directly to Carson-Newman within 90 days of admission. No second-party background checks are accepted.
- Completion of a drug screen prior to the first day of the DNP Introductory Seminar.
- Additional requirements may be necessary based on individual clinical sites.

Application Deadlines for DNP Program

Fall admission – June 1

Spring admission – November 1

Summer admission – March 1

GRADUATE BIBLICAL AND THEOLOGICAL STUDIES**MAAT Specific Admission Requirements**

In addition to the common admission requirements, the following are minimum standards for acceptance into the proposed graduate program:

- Complete online application
- Graduation from a regionally accredited four-year academic institution with a bachelor's degree
- Minimum grade point average of a 3.0 or a GRE score of at least 290, or, if the applicant has more recently graduated from a regionally accredited law, medical, business, or other professional, graduate, or doctoral academic program, the equivalent class ranking or grade point average at such professional school.
- Letter of affirmation from the applicant's pastor, or similar written reference from an academic dean or Program Director, M.A.A.T. if the candidate for admission is a ministerial student.
- Interview with and written acceptance by the Program Director
- Students not satisfying either the grade point average or the GRE requirements may be conditionally admitted to the Master of Arts in Applied Theology degree program at the discretion of the Program Director. A student who completes the first three courses of the graduate program with an average of "B" or higher will be granted full admission. A student who fails to satisfy this conditional admission requirement will be suspended from the program for a year and then may petition for readmission into the program.

MDiv Specific Admission Requirements

In addition to the common admission requirements, the following are minimum standards for acceptance into the MDiv:

- Complete online application
- Graduation from a regionally accredited four-year academic institution with a bachelor's degree (demonstrated by the submission of official transcript)
- Minimum grade point average of a 2.75 (on a 4.0 scale) or a GRE score of at least 290.

A student who completes the first three courses of the graduate program with an average of "B" or higher will be granted full admission.
- A student who fails to satisfy this conditional admission requirement will be suspended from the program for a year, after which the student may petition for readmission to the program.
- Reference form completed by the applicant's pastor/church.
- Interview with and written acceptance by either the Director of Graduate Theological Studies or the Dean of the School of Biblical and Theological Studies

CATEGORIES OF GRADUATE ADMISSION

Note: Admission to the program does not guarantee completion.

Admitted – Degree Seeking Student

This category means that the candidate has met all the specified requirements for admission into the degree program and that the candidate may take all the course work leading to the degree program to which he/she was admitted.

Admitted – Non-Degree Seeking Student

This category is for those individuals who want to take courses in the graduate studies program but who are not working toward any graduate degree at Carson-Newman University. A copy of an official transcript showing graduation from a regionally accredited four-year baccalaureate program and/or master's program is required before graduate credit can be issued. The transcript must be from the institution that granted the baccalaureate degree. For the MSN degree, individuals will be admitted on a space available basis. A maximum of 12 graduate hours with C grades or better, taken before being admitted into a degree program, may be applied toward the Master of Arts in Teaching degree, the Master of Science in Nursing degree, and the Master of Science in Counseling degree.

Admitted – Non-Degree Certificate-Seeking Student

This category is for those individuals who want to take courses in a graduate studies program to earn a certificate rather than a graduate degree at Carson-Newman University. Admission would be determined by individual graduate program and the type of the certificate.

Conditionally Admitted

This category is for those who have not met all specified requirements but have been permitted to begin taking courses in a degree program. The conditionally admitted candidate will be sent a letter from the graduate studies program outlining what must be completed before being fully admitted. A maximum of 12 graduate hours with C grades or better may be applied toward the Master of Arts in Teaching, the Master of Science in Nursing, and the Master of Science in Counseling degrees or in the dual degree in Master of Science in Counseling/Educational Specialist in Counseling. A student can take no more than nine (9) hours as a conditionally admitted student for the Master of Arts in Applied Theology and the Master of Business Administration degrees. A maximum of six (6) hours with a C or better may be applied toward the Master of Education. Conditional admittance is not applicable to the Educational Leadership Licensure program, the Educational Specialist in Education, or the Doctor of Education (Ed.D.). Conditionally admitted students can only receive financial aid for the limit of their allowed conditional credit hours until they are fully admitted.

Not Admitted

This category means that the completed application has been reviewed and admission has been denied based on failure to meet one or more of the admissions criteria. The applicant will be notified in writing that admission has been denied and provided with the reasons for denial. If for any reason the graduate faculty decides that a graduate student should not continue in the program, he or she may be required to withdraw before completion.

EXAMINATION REQUIREMENTS

Graduate Record Examination (GRE): The Graduate Record Examination (GRE) is one option students may choose to meet admission testing requirements for certain graduate programs. For information and scheduling, call 1-800-473-2255. The GRE code for Carson-Newman University is 1102. For students conditionally admitted into a Graduate Studies in Nursing program, the GRE must

be completed, and results received during the first semester of enrollment. For students conditionally admitted in Education, the GRE must be completed within the first 12 hours of coursework.

INTERNATIONAL STUDENTS' GRADUATE ADMISSION

In addition to the admissions criteria specified for individual graduate programs, international students must meet the following requirements:

1. Tests for International Students: Minimum Duolingo English Test score of 101, computer based TOEFL score of 210, TOEFL iBT score of 74 (undergraduate) or 79 (graduate), IELTS score of 6.0 (undergraduate) or 6.5 (graduate), or PTE academic score of 53. Graduate applicants scoring between 90 and 100 on the Duolingo English Test, 170 and 209 (computer based TOEFL), 60 and 78 (TOEFL iBT), 5.5 and 6.4 (IELTS), or 44 and 52 (PTE academic) may be admissible but must complete TESL 560, 563, 564 in addition to degree requirements. Applicants without the required English language test score may be admissible but will be tested for English language proficiency upon arrival and may be required to complete additional English language study in the Carson-Newman English Language Institute before beginning full-time graduate studies. International students who have earned an undergraduate or graduate degree at a United States college or university or who have successfully completed study in the Carson-Newman English Language Institute are exempted from the Duolingo/TOEFL/IELTS/PTE requirement.
2. If deemed necessary, undergraduate transcripts from non-U.S. institutions must be submitted for a professional credential evaluation from an agency that is a member of the National Association of Credential Evaluation Services (NACES).
3. All international students must submit proof of proper immunizations and health status prior to enrollment. The University requires proof of immunizations for measles of all incoming students. A doctor's office record confirming the disease, or proof of measles immunization since 1980, is needed to satisfy this requirement. Any questions or appeals due to extenuating circumstances related to immunization requirements must be filed with and approved by the Health Services University Nurse prior to the student's enrollment. Immunizations can be obtained from a family physician or a local health department. A physician's examination report is required. For significant health problems or those that would limit participation in physical activity courses, a physician's report is also required. Appropriate forms are provided by the University.
4. International students are required to purchase insurance through a plan approved by the University. International student accounts are charged during the fall semester for six months of coverage and during the spring semester for the remaining six months of coverage. See the Tuition, Fees, and Payment section for current rates.
5. Confirmation of Financial Support: This form must be completed by the individual (student and Parent or sponsor) affirming the availability of financial resources to pay for the student's expenses while attending Carson-Newman University. To verify the support noted on the Confirmation of Financial Support, each individual providing support (parent, sponsor or student, if self-funding) must request a letter from their bank to verify account

status and amount available. Bank letters must be written on bank letterhead, including the bank name and location, be currently dated (within last 6 months) and written in English. Furthermore, the bank letter should list of the name of an individual bank customer, not a company, should state how long the individual has been a customer of the bank, list of average amounts available in accounts and amount currently readily available, in local currency and U.S. dollars. The official bank letter should be signed and dated by a bank representative, with their name printed legibly beneath their signature.

6. Form I-20 will be issued only after acceptance for admission to Carson-Newman University has been approved and the University receives the enrollment deposit of \$500.00, and a current (6 months) certified bank letter.
7. International Student Application and required document submission deadlines:
 - Fall Semester: May 31st
 - Spring Semester: October 31st

NOTE: Please refer to the Financial Information section for a breakdown of expenses. All tuition, fees, and charges are payable on or before registration. Carson-Newman University will assume no liability for any expenses incurred by international students.

READMISSION TO THE UNIVERSITY

Students who have been enrolled in Carson-Newman University previously but who have not attended Carson-Newman for a semester or more may apply for readmission. To reapply, students must complete the Online Application located at <https://admissions.cn.edu/apply/>. In order for readmission to be granted, the student must be in good academic, disciplinary, and financial standing with the University. Federal Direct Stafford Loan Exit counseling (if applicable) must be completed prior to departmental evaluation of readmission. The deadline to apply for readmission is two weeks before the semester begins.

All students applying for readmission must clear any previous holds or issues with Carson-Newman University before they are eligible to be re-enrolled. Applying for readmission will automatically result in all of the relevant offices in the readmission process being notified of the student's intent to return so that they may make the admission staff aware of any potential issues that the student may need to resolve. Students who have not attended any other institution after ceasing to be enrolled at Carson-Newman and wish to be evaluated for readmission must submit an online Readmission Application Form. The priority deadline for applying for readmission is one month before each semester begins. International students applying for readmission are required to apply at least one month prior to the beginning of the next enrollment term. Students who have been readmitted may contact the Office of Admission for class registration information.

*Students who are re-admitted to the University after Academic Suspension will be automatically placed on Academic Probation (see Academic Standing).

COSTS AND TUITION

The following is a list of the major expenses which a student can incur at Carson-Newman University. Tuition and fees for full-time students cover the basic costs (excluding special course fees). The University reserves the right, beginning any term, to change its charges for tuition, fees, room, and board without advance notice prior to such a change.

DAMAGE TO UNIVERSITY PROPERTY

When damage occurs in the residence hall or elsewhere, the student or students responsible for that damage must pay the cost of repair or replacement.

PAYMENTS

Tuition, fees, and all other costs for the semester are payable by the first day of class. For students with definite commitments of funds from the Financial Aid Office, the difference between the total cost for the semester and the financial aid commitment is payable by the first day of class. Payment of the difference between enrollment charges and financial aid can be made by cash, personal check, DISCOVER CARD, VISA, MASTERCARD, or through the payment plan. Information on the pay plan can be found at <https://tuitionassistant.com>.

By enrolling, the student agrees to pay all expenses incurred by Carson-Newman University to collect any outstanding debt, including attorney and collection agency fees. Carson-Newman University reserves the right to report the status of any outstanding indebtedness owed to credit reporting agencies.

Students must settle their account for the current semester, including library fines, traffic fines, and wellness center charges, etc., before being eligible to enroll for a subsequent semester or before a transcript of their academic record can be released by the Office of the Registrar.

Tuition Refund Schedule for Withdrawal for students in the traditional 16-week semester:

If a student drops a course that has been verified, then the following tuition refund schedule will be followed.

Tuition Refund Schedule for Withdrawal for students in the traditional 16-week semester:

During first week of semester	90%
During second week of semester	75%
During third week of semester	50%
During fourth week of semester	25%
After four weeks	0%

ACCELERATED COURSES AND SUMMER TERM REFUNDS

An accelerated course is a course that is shorter than a full term and does not span the entire payment period of enrollment. Accelerated courses fit with the regular academic term. Still, they will range from four weeks (May-Term, FST, and GST), seven weeks (Sessions A and B), and ten weeks (TST).

If a student drops a course that has been verified, then the following tuition refund schedule will be followed.

Tuition Refund Schedule for Withdrawal for students in an accelerated course:

During first week of class.....	90%
During second week of class	No refund

For students with federal student financial aid, the portion of federal assistance earned and the balance that must be returned to the federal or state program will be determined by the Financial Aid Office

REGISTRATION AND TUITION CHARGES

Students who register for courses incur tuition charges. The student will be responsible for payment of tuition charges for course registration unless the Office of the Registrar is notified by the student to cancel his/her course registration prior to first day of the term.

Payment for tuition and fees is due prior to the day classes begin. If, by the end of registration, a student fails to make arrangements for payment of his/her student account, the student's registration may be cancelled. If a student makes arrangements for payment of tuition and fees after being dropped from course registration and class rolls, reenrollment must be approved by the Student Accounts Office and the University Registrar. If re-enrollment is approved, the student will be subject to late registration and re-enrollment fees.

WITHDRAWALS AND REFUNDS

Dropping a class/Not withdrawing from school

A refund will be given to those students who drop a course but remain enrolled by the last day of the drop/add period during a regular semester. To receive a refund for a course in an accelerated module the student must drop the course **before the course begins**. Dropping a course may affect financial aid.

Withdrawing From School

If a student elects to withdraw after beginning attendance, the student must contact the Financial Aid Office to initiate the formal withdrawal process. Any situation where all classes are dropped is considered withdrawal from the University. The date of withdrawal used to compute refunds is determined by the date the student is considered withdrawn from the University.

Students registered for any class offered in an accelerated session (see academic calendar) are considered enrolled in the semester. Students who do not plan to continue enrollment in the next session scheduled after the session of current enrollment must notify the Office of the Register by noon on the business day preceding the start of the next session to avoid charges. Students who choose not to continue enrollment in any session within the semester may be considered withdrawn for the semester and must contact the Financial Aid Office to process a withdrawal. Financial Aid recipients withdrawing or discontinuing enrollment may not earn all financial aid which may result in a bill due to the University.

If a student with federal (Title IV) financial aid withdraws, drops out of school, or is dismissed from the University, the Financial Aid Office will determine the portion of federal aid earned and the balance that must be returned to the federal or state program. Federal assistance is earned based on the student's days in attendance. It has no relation to the tuition refund percentage computed above. For specific questions concerning the computation of earned federal aid, please get in touch with the Financial Aid Office.

During each semester's drop-course period, a student may voluntarily reduce or cancel a commitment for room and board (i.e., a meal plan). Charges for both are computed to arrive at the amount refundable. After the semester's drop course ends, room commitments are considered non-cancelable. However, an alternative room assignment can be authorized by the Carson-Newman University Residence Life Director, and a meal plan can be changed, but only to one that offers more meals per week.

If a student withdraws from the University, moves off campus after the semester's drop-course period ends, or is dismissed from the University for disciplinary reasons, no refund will be granted for any portion of room charges. If a student withdraws from the University or moves off campus with the permission of the Carson-Newman University Residence Life Director, the student will receive a prorated refund of his or her board charges only up to midterm.

If a student withdraws from the University or moves off campus without the permission of the Carson-Newman University Residence Life Director or is dismissed from the University for disciplinary reasons, no refund will be granted for any portion of the board charges.

Charges for a meal plan commitment that a student voluntarily reduces during the semester's drop-course period or subsequently cancels by withdrawing from the University or by moving off campus with the permission of the Carson-Newman University Residence Life Director

are recomputed based on the ratio of whole weeks remaining in the semester to total weeks in the semester. A refund is credited accordingly up to midterm. No refund will be paid for a partial week. Any unused portion of the declining balance (Eagle Bucks) account is not refundable.

The unused portion of a student's declining balance account will be transferred from the fall to the spring semester only if the student continues to have a meal plan that includes a declining balance account. At the end of the spring semester, the unused balance of a declining balance account is forfeited. It is not refundable and cannot be transferred to any subsequent period.

DIVISION OF STUDENT SERVICES

The Division of Student Services encompasses student life outside the classroom. It provides leadership for a well-balanced co-curricular program and utilizes the Wellness Model with its six areas as a foundation for student growth and development. The six areas include: spiritual, social, emotional, career, physical and intellectual development. The co-curriculum is designed to support the mission of the University. The Student Services Office is located in the Maddox Student Activities Center. The office phone number is 865-471-3235. Student Services offers a wide variety of programs and services under the supervision of the Vice President for Student Services. These services include Student Conduct, Campus Ministries, Residence Life, Student Activities, Recreational Services, Counseling, Health Services, Public Safety, First Year Experience, Conference Services, and Appalachian Ministries of the Smokies.

Carson-Newman University also provides a variety of Academic Support Services to assist students in maximizing their success in the classroom, in their personal lives, and in preparing for the future.

ACADEMIC COMPUTER FACILITIES

General access computers are located in Stephens-Burnett Library (main floor) and available during open library hours. Many departments have computer labs available for students majoring in particular disciplines. Contact the academic department offices for more information.

COMMUNITY SERVICES

APPALACHIAN MINISTRIES OF THE SMOKIES

Appalachian Ministries of the Smokies (AMOS) is a poverty relief ministry sponsored by the Student Services division and the local community. This ministry includes a home repair ministry, Samaritan House, and AMOS. AMOS also includes the following mission outreach programs: food distribution, used clothing ministries, educational programming, recycling, children's ministry, firewood distribution, and partnerships in disaster relief missions and international poverty relief work.

BAPTIST COLLEGIATE MINISTRIES

Student-led, volunteer organization including worship, Christian growth groups, outreach teams, mission's experiences, and fellowship. Contact the Director of Campus Ministries.

CENTER FOR COMMUNITY ENGAGEMENT

The Center for Community Engagement builds partnerships between the University and local community agencies and nonprofits by sharing knowledge and resources, supporting faculty service-learning programming, hosting campus events, recruiting volunteers, and encouraging political participation among students, faculty, and staff. The CCE also offers several scholarship opportunities: Bonner Scholars Program, Faith and Justice Scholars Program, Community Connections, Service Corps, and Eagle Engage. With support from the Bonner Foundation (Princeton, New Jersey) and the CCDA (Christian Community Development Association), the CCE helps

fulfill Carson-Newman's mission by empowering students to become active members of their communities, mindful servant-leaders, and dedicated agents of social change. Contact the Director of the CCE for more information.

SAMARITAN HOUSE

The Samaritan House is a temporary shelter for homeless families and single women. This ministry includes clothing, furniture, and feeding programs, counseling, worship, and Bible study ministries. The shelter is a ministry of the Student Services division in partnership with the local community.

SPOTS TEAMS (SPECIAL PROJECTS OTHER THAN SUMMER)

Short-term mission projects over fall and spring break. Contact the Associate Director of Campus Ministries.

SUMMER MISSIONS

Opportunities for summer missions service through local, state, national and international agencies, organizations, camps, and churches. Contact the Director of Campus Ministries.

CENTER FOR BAPTIST STUDIES

The Center for Baptist Studies hosts two annual lectures, the Carlyle Marney Lecture (fall semester) and the T. B. Maston Lecture (spring semester). In addition, the Center for Baptist Studies oversees the Oxford Studies program, which places two students at Regent's Park for Trinity term (late April-June). The purpose of the Center is to promote and nurture Baptist identity and heritage to student, faculty and staff, alumni, and friends of Carson-Newman. For more information, contact the Department of Religion.

LOUIS AND MARY CHARLOTTE BALL INSTITUTE FOR CHURCH MUSIC

The Louis and Mary Charlotte Ball Institute for Church Music has edified congregational worship for some three decades through conferences and scholarship. The BICM is committed to promoting, conducting, and publishing scholarly research in sacred music. In addition to nurturing scholarly studies, the Institute provides a growing collection of piano and instrumental literature, offers workshops for music ministers and worship leaders, and commissions new works. For more information, contact Dr. Clark Measels, Director, Ball Institute for Church Music, Carson-Newman University, Department of Music.

CENTER FOR GLOBAL EDUCATION

The Center for Global Education leads the University to strengthen its international and intercultural dimensions through curricular and co-curricular programs. The English Language Institute (ELI), study abroad, the development of international institutional relationships, and International Student Services comprise the on-campus programs of the Center for Global Education. For additional information, contact the Dean of Global Education.

CENTER FOR WELLNESS

The Center for Wellness provides health education and promotion through campus activities, classroom lectures, and health campaigns. The Wellness Committee is composed of faculty, staff, and students

who are committed to enhancing a healthy lifestyle across the campus. For more information, contact the Wellness Chair.

COUNSELING SERVICES

Counseling Services' mission is to support all Carson-Newman students in defining and reaching their full God-given potential academically, emotionally, socially, and spiritually. We will connect with, care for, and comfort students in a Christian environment to enhance their success and well-being. Counseling Services offer at no cost to the Carson-Newman student individual/couples/group counseling, crisis intervention, educational programs, and referrals to student support services on campus along with referrals to community resources. While providing these services, Counseling Services strives to promote a holistic, nurturing, and spiritual environment to address the developmental needs of Carson-Newman students. Each year Carson-Newman students seek help to succeed with relationships, stress, sadness, anxiety, adjusting to school and other reasons. To set up an appointment, please call 865-471-3350 or email counselingservices@cn.edu. The offices of Counseling Services are in the Kathleen Manley Building, located directly across from First Baptist Church on the corner of Russell Avenue and Ken Sparks Way, next to Burnett Hall. For further information please visit the Counseling Services webpage at www.cn.edu/academics/academic-resources/counseling-services.

DISABILITY SERVICES

Carson-Newman University seeks to provide reasonable accommodations to "otherwise qualified" students. To request accommodations, contact the Director for Students with Disabilities and Case Manager, David Humphrey at dhumphrey@cn.edu or 865-471-3268.

EAGLE GUIDE

Eagle Guides are peer mentors that assist freshmen as they transition from being dependent to independent. Eagle Guides participate with LA 101 classes and plan campus wide events.

HEALTH SERVICES

Health Services promote the wellness of students through clinics, individual care, and health programs. Health Services is located in the Kathleen Manley Building, next to Burnett Residence Hall. The phone number is 865-471-3350, and the email is healthservices.cn.edu. Health Services is open from 8:00 to 4:30 Monday through Friday during the fall and spring semesters following the university administrative holidays. All incoming students are required to use Med+Proctor to submit medical immunization forms in compliance with the State of Tennessee requirements for college students. (These requirements and registration information for Med+Proctor can be found at [Immunizations | Carson-Newman University \(cn.edu\)](http://www.cn.edu/immunizations)). The baccalaureate prepared registered nurse treats minor illnesses and injuries and can schedule student patients to see the clinic nurse practitioner or physician as needed. All clinic services are free of charge. Tennova Hospital, located at 110 Hospital Drive is two (2) miles from campus and provides care 24 hours a day.

INFORMATION TECHNOLOGY SERVICES

Use of the computing facilities is a privilege available to faculty, staff, and students of Carson-Newman University, subject to compliance with

certain principles designed to assure that all users have reasonable access to the system and that the action of any one user will not adversely affect any aspect of the work of computer usage of another. In accepting this privilege, users are expected to abide by the rules of conduct. Compliance with the rules will be monitored.

For the complete Information Technology policy, please consult the [Eagle Student Handbook](#) [Student Handbook | Carson-Newman University \(cn.edu\)](#) and search for "Information Technology."

INTERNATIONAL STUDENT SERVICES

The Office of International Student Services plans activities and co-curricular programs for international students. Some of the services provided by this office are part-time staff coordinator, airport service at the beginning and end of each semester, assistance with checking into campus housing, international student orientation, assistance with opening bank accounts, periodic shopping and sightseeing trips, and assistance in integrating into the University community. Information is available about holiday tours which include homestays. Contact the Coordinator for International Student Services.

MILITARY SERVICES

The Military Services Office is the central point that connects all student veterans, service members, and veteran dependents with academic and personal support resources, both on and off campus. Our goal is to support your academic and personal endeavors from acceptance to graduation to successful employment. This office facilitates the enrollment certification for those students using Veterans Education Benefits. The office is in the Baker Building and within the Fite Building. Located in the Baker Building is the Dr. Randall O'Brien Veteran Center. The veteran center serves as an area for veterans and service members, both students and Carson-Newman staff, to study, socialize, and build community. The veteran center includes a lounge, study area and computer access. For more information about Veteran Educational Benefits and Academic Credit for Military Service, please contact the Director of Military & Veteran's Services at militaryaffairs@cn.edu.

STUDENT CONDUCT

Carson-Newman strives to help students become responsible in all aspects of their lives. In situations where students exhibit irresponsible/disruptive conduct or violate university policy, disciplinary action may be implemented. Student conduct is governed by policies set forth in the Eagle Student Handbook and the Guide to Residence Life. When a violation occurs, students are afforded rights outlined by those documents. Infractions may be handled in a variety of ways depending on the severity and frequency of the violations. Please consult the Student Rights and Responsibilities section in the Eagle Student Handbook. The Division of Student Services reserves the right to contact a student's parent or guardian as appropriate in the event of problems associated with psychological concerns, health related problems, or other areas covered under the Student Services umbrella.

PUBLIC SAFETY

The Department of Public Safety is located at 2209 Branner Avenue. Office hours are from 8:00 a.m. to 4:30 p.m., Monday through Friday, except for lunch. The office phone number is (865) 471-3559. DPS has security officers on duty 24 hours a day and all officers are licensed by

the State of Tennessee. Officers may be reached at any time by calling (865) 548-9067 or through the LiveSafe® mobile app. DPS also maintains a private protective service license through the State of Tennessee. The Jefferson County E-911 office should be contacted for life-threatening emergencies by dialing 911. The department works in concert with the local police, fire department and other local emergency responders to maintain a safe campus and ensure that all crimes are reported immediately and investigated. A daily crime and a fire log are available for review as mandated by both state and federal laws. Both the daily crime log and the fire log may be viewed at [Department of Public Safety | Carson-Newman University \(cn.edu\)](#)

CAMPUS ALERTS

Carson-Newman University has partnered with LiveSafe® to provide notification to students, faculty, and staff in the event of an emergency. Every student is encouraged to sign up for LiveSafe®. This system will be used for emergency notification in the event of severe weather warnings and other campus emergency information. In the event of a campus emergency, a text message will be sent to the phone and email address of students who sign up for the service.

STUDENT ID CARDS

New students are encouraged to use the online form for student ID card registration at [ID Card Registration \(wufoo.com\)](#). Replacement ID cards are \$15.00 and may be paid for in cash or charged to the student's account.

VEHICLE REGISTRATION

All personal vehicles belonging to students, faculty or staff members must be registered with the Department of Public Safety within three (3) days after they are brought on campus. Students must request a parking decal at the office during normal business hours. All vehicles must have valid insurance coverage to be brought on campus. To register a vehicle, the student or employee must provide the vehicle's make and model and the state license plate number. No vehicle may be registered that does not belong to the owner or the owner's parent or legal guardian. The link to register a vehicle is [Carson-Newman Vehicle Registration \(wufoo.com\)](#). The campus parking regulations may be found on the department's website [Revised-2022-Parking-Regulations.pdf \(cn.edu\)](#)

TITLE IX POLICY AND GRIEVANCE PROCEDURES

The University maintains the following policy on sex discrimination and sexual harassment in compliance with Title IX of the Education Amendments of 1972 and the Title IX regulations in 34 CFR Part 106. The University provides notice of this policy to applicants for admission and employment, students, and employees to the extent required by law.

DISCRIMINATION ON THE BASIS OF SEX

The University does not unlawfully discriminate in its programs and activities on the basis of sex and complies with state and federal laws prohibiting sex discrimination. The requirement not to discriminate on the basis of sex applies to admissions, except undergraduate admissions as provided by Title IX. As a non-profit Christian institute of higher learning, the University exercises its rights under state and federal law to use religion as a factor in making employment

decisions. Some regulations issued under Title IX relating to discrimination on the basis of sex are not consistent with the University's religious tenets and do not apply to the University (34 CFR § 106.12(a)).

Questions or inquiries about the application of Title IX to the University's programs and activities may be addressed to the University's Title IX Coordinator, Shelley Ball, Assistant Vice President of Student Services and Dean of Students, Maddox Student Activities Center, Office 2009-C 2130 Branner Avenue, Jefferson City, TN 37760, (865) 471-3238.

For the complete Title IX Policy, please see the **Eagle Student Handbook**.

GRIEVANCE PROCEDURES

In accordance with our mission as a Christian University, Carson-Newman has established a General Complaint and Grievance Policy as well as procedures to assist students in resolving student complaints and concerns which are of a general nature, and which are not covered by other University policies and procedures. Complaints or grievances regarding academic/grade appeals, discrimination/harassment, sexual harassment, or student behavior/discipline are addressed by other institutional policies and procedures. For the complete policy and procedure for complaints and grievances, please see the appropriate section within **Eagle Student Handbook**.

The University maintains a policy on sex discrimination and sexual harassment in compliance with Title IX of the Education Amendments of 1972 and the Title IX regulations in 34 CFR Part 106. The University provides notice of this policy to applicants for admission and employment, students, and employees to the extent required by law.

FINANCIAL AID

Carson-Newman University offers a comprehensive financial aid program that includes federal, state, and institutional resources of aid where applicable. The Financial Aid Office at Carson-Newman University is available to assist students in completing the steps that are necessary in applying for aid. Students wishing to apply for federal assistance must complete the Free Application for Federal Student Aid (FAFSA). The FAFSA must be completed if the student is requesting federal aid evaluation. In addition, to receive assistance from federal student aid programs, students must also be U.S. citizens or eligible non-citizens; be admitted into a degree program; and continue to make Financial Aid satisfactory academic progress (FASAP) every semester.

Carson-Newman University offers graduate students the following types of assistance: Federal TEACH Grant, Federal Loans, State Special Education Grant, and Graduate Assistantship Employment. These types of assistance may be awarded individually or in combination depending upon the needs of the student. Notification of assistance will be in the form of an email and will be available for viewing via MyCN in MyCN at the student's convenience. New students must first apply and be accepted for admission to Carson-Newman University before financial aid can be offered. Continuing students need only to complete the FAFSA each year and maintain satisfactory academic progress. For additional information on any financial aid or scholarship program, please contact the Financial Aid Office or view online at [Financial Aid \(AGS\) | Carson-Newman University \(cn.edu\)](#)

APPLYING FOR FINANCIAL AID

1. Complete the FAFSA online at www.fafsa.ed.gov. If a paper application is needed, students may request one directly from the U.S. Department of Education.
2. List Carson-Newman University with our federal code: 003481.
3. Once all forms have been received, a financial aid counselor will review the file for eligibility for financial aid, and an email notification will be generated to direct students online to MyCN to see their financial aid offer.

NOTE: Federal and/or state regulations governing the application process and awarding of financial aid may change. These changes may impact the awarding and renewal of financial aid at Carson-Newman University.

Student responsibility in completing necessary forms and returning them to the Carson-Newman University Financial Aid Office- as quickly as possible cannot be over emphasized. Information and forms are available on the C-N Financial Aid website at www.cn.edu or may be obtained by writing or calling:

Financial Aid Office
Carson-Newman University
 1645 Russell Avenue
 Jefferson City, TN 37760
 (865) 471-3247 or 1-800-678-9061
financialaid@cn.edu

NOTE: No aid is automatically renewable; all aid requires application each year. For further information, please e-mail the Financial Aid Office at financialaid@cn.edu or consult our website. More detailed information is also available in the Financial Aid Handbook, online.

COURSEWORK TOWARD PROGRAM OF STUDY (CPOS) POLICY

For federal aid to pay for a course in your academic program or other degree requirement, it must be part of your approved Course Program of Study (CPoS) and must count in the evaluation of your approved program using the degree evaluation tool. You need to make sure all courses count when you meet with your academic advisor and plan your schedule for each semester.

It is essential that your academic program and any emphasis is officially declared and noted in your student record. If you have been planning to declare or change your program but have not yet done so, you should consult with your academic advisor immediately to make the official declaration. Financial aid offers are based on the assumption that graduate students will enroll at least half-time in eligible coursework during each semester. If students do not enroll at least half-time to meet that assumption, the Financial Aid Office will be required to adjust or deny your aid per your enrollment status and federal cost of attendance.

Remember that dropping or not attending your courses can negatively impact your eligibility for current and future aid. It is important that you discuss your Course Program of Study with your advisor when you enroll for next semester's classes. If your current coursework is not correct, work with your advisor to make the appropriate changes to your program of study. See the Financial Aid webpage on CPoS for more detailed information and contact the Financial Aid Office with questions.

DISBURSEMENTS

All financial aid will be credited to your student account each term. For traditional semester attendance, disbursement is scheduled approximately three weeks from the start of the term, upon confirming the student has begun attendance in each class anticipated. Until the aid is disbursed to the student's account, aid will be pending. Award amounts will be based upon the student's actual attendance in each class. For instance, if a student registers for 12 credit hours, but only begin attendance in 9 credit hours, the award amounts will be recalculated for 9 credit hours. It is important to begin attendance and have your schedule finalized by the last day to make a schedule change without a fee (Census date) each term. Disbursement dates for module classes are scheduled for approximately 1 week after each census date during each module of anticipated enrollment.

ELIGIBILITY FOR FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS (FASAP)

- Initially, to be eligible to receive financial aid, you must be admitted into an eligible program. Financial aid is considered renewable up to 150% of the approved program of study, provided you satisfy the standards of Financial Aid Satisfactory Academic Progress (FASAP) as outlined below.
- You will be considered as making satisfactory progress in receiving financial aid provided that you are eligible to re-enroll at Carson-Newman and that you are making progress at a rate not less than demonstrated by the following qualitative and quantitative scales:

Qualitative				
Number of cumulative credit hours attempted	1-11.9	12+		
Minimum cumulative GPA required	2.75	3.0		
Quantitative				
Number of attempted credit hours	30	24	12	9
Number of credit hours a student must earn	20	16	8	6
67% of attempted credit hours				
Number of required credits to earn degree	33+ (program lengths vary)			
Maximum number of cumulative attempted credits	150% of program length			

SATISFACTORY ACADEMIC PROGRESS EVALUATION PROCESS (FASAP)

1. REVIEW EACH TERM

Review for FASAP will be conducted at the conclusion of each semester, including summer. The FASAP review process is a federally required process that evaluates students' cumulative academic scores, including transfer and withdrawn hours within a student's grade level. A student's FASAP calculated GPA may not be the same as the University calculated GPA. Students who are determined to be ineligible for further aid will be notified. It is the student's responsibility to ensure that lost eligibility is restored.

2. WARNING STATUS

Students will have one semester of WARNING on the first instance of a failed FASAP calculation. Warning notice will be sent to the student's C-N email account directing them to see their status and scores online via MYCN.

3. UNSATISFACTORY STATUS

A subsequent calculation failing FASAP will result in Financial Aid UNSATISFACTORY standing (suspension), and students will be ineligible for financial aid without a successful appeal. Unsatisfactory notice will be sent to the student's C-N email account directing them to see their status and scores online via MYCN.

4. APPEALS FASAP

Students may appeal an unsatisfactory status for FASAP calculation. Appeals must be made by the deadline given in each notification. Students not approved on appeal must regain eligibility by meeting the stated satisfactory standards.

5. PROBATION STATUS

Students that filed a successful appeal from an unsatisfactory status will be granted probation in which they will be eligible for financial aid. After the probation, students must meet the standard satisfactorily to continue aid eligibility.

6. W, F, OR I GRADES

All grades of F, W, WP, WF, U, or I will not count as hours earned but will count as hours attempted.

7. REPEATED HOURS

Repeated hours will count towards attempted hours but may not be countable in enrollment status for the term depending upon the number of times repeated for a grade. For example, if you earned 3 hours with a grade of "D" twice, and you decided to repeat the course to earn a better grade, the repeated 3 hours will not count in your enrollment status for the term that it is a second repeat. Hence your enrollment status for the term will be calculated as: registered credit hours - second or more repeated credit hours = enrollment status for federal financial aid purposes. This is subject to change as Federal Regulations are subject to change. All attempted hours will count against your 150% of degree credits limitation.

- TRANSFER Credits:** Transfer credits accepted by Carson-Newman University for credit will count in attempted and in total earned hours.

STUDENT ATHLETE AND SATISFACTORY ACADEMIC PROGRESS

Carson-Newman University holds membership in the South Atlantic Conference (SAC) and the National Collegiate Athletic Association (NCAA). The University conforms to all regulations adopted by this organization which stipulate that:

- Athletes must be in academic good standing and be making satisfactory academic progress as defined by the University, South Atlantic Conference and NCAA.
- Participants in intercollegiate athletics must be enrolled in a minimum of 12 semester hours (full-time) during the term of participation.
- Additional requirements relating to test scores, credits, GPA, and various other issues are stated in regulations published by each of the organizations. Consult the coach and/or the Athletic Director.

SUMMER SEMESTER SAP

All of Carson-Newman Satisfactory Progress Standards will apply to the summer semester as well as to fall and spring. Our review to determine Satisfactory Progress will affect distribution in the summer.

FEDERAL GRANTS

The **Federal Supplemental Educational Opportunity Grant (SEOG)** is for Federal Pell Grant recipients only with the highest level of exceptional need as determined by the FAFSA EFC. It is a grant that does not have to be repaid. This award has limited funding. SEOG is awarded

based on the availability of funds. Renewal from year to year is not guaranteed.

The **Federal TEACH Grant** is not a need-based award. This grant is for students who are pursuing teaching credentials in high need fields of study. The student must agree to teach for four years in a high need field and high need area. The student can either score above the 75th percentile on a college admissions test such as ACT, SAT, or GRE or graduate from high school with a cumulative GPA of at least a 3.25 on a 4.0 scale and/or have a cumulative GPA of at least 3.25 on a 4.0 scale on college coursework to be eligible to receive the TEACH Grant for each subsequent term. Students who choose to accept the Federal TEACH Grant will have to complete annual TEACH Grant paperwork of Entrance Counseling and an Agreement to Serve on studentaid.gov. For more information, go to <https://studentaid.gov/understand-aid/types/grants/teach>. Should the teaching requirements not be fulfilled, the grant retroactively converts to an Unsubsidized Direct Loan with accrued interest. Please use your best judgment when deciding to accept this award or not.

FEDERAL PROGRAMS

Teacher Education Assistance for College and Higher Education (TEACH)

The TEACH Grant is a non-need-based award. This grant is for students who are pursuing teaching credentials in high need fields. The student must agree to teach for four years in a high need field and high need area, must score above the 75th percentile on a college admissions test, or have a cumulative grade point average of at least 3.25 on a 4.0 scale for an undergraduate degree. For more information go to www.teach-ats.ed.gov/ats/index.action. Should the teaching requirements not be fulfilled, the grant retroactively converts to an Unsubsidized Direct Loan.

Federal Direct Stafford Loans

A Federal Direct Stafford Loan is a federally guaranteed loan, and therefore does not require a credit check. Graduate students are eligible for the Federal Direct Unsubsidized Stafford Loan. The Federal Direct Unsubsidized Stafford Loan is a non-need-based loan that begins to accrue interest upon disbursement. The student borrower is responsible for repaying accrued interest and principal. The Free Application for Federal Student Aid (FAFSA) is required to determine eligibility for this program. The FAFSA may be filed at www.fafsa.ed.gov with Carson-Newman University's school code of 003481. The annual limit for graduate students is \$20,500 but may be capped at a lower amount when the cost of attendance for a particular program is less than the annual borrowing limit. Additionally, students must not be in default on prior student loans and have a remaining aggregate limit available for additional annual loans. Students are eligible for federal student loans if they are enrolled at least halftime in classes required for their degree. More information is available at www.studentaid.gov.

First-Time Borrowers

Students who wish to participate in the Federal Stafford Loan program must accept the loan online via MyCN. Students can accept the full amount awarded, or they can request a loan reduction. Typically, students are awarded the maximum amount of Stafford loans which they are eligible to receive. First-time borrowers must also complete

Entrance Counseling and sign a Master Promissory Note (MPN). The MPN is a serial promissory note that allows the student to borrow for up to 10 years on the same note without signing another promissory note. Entrance Counseling and MPN may be completed online at www.studentaid.gov.

Previous Borrowers

Students who wish to continue participating in the Federal Stafford Loan program must accept the loan online via MyCN. Students can accept the full amount awarded, or they can request a loan reduction. Typically, students are awarded the maximum amount of Stafford loans which they are eligible to receive.

Direct Federal Grad PLUS Loans

Federal Grad PLUS Loans are available only to graduate students. Often a graduate student's cost of attendance is covered through other federal loan programs. Any graduate student interested in this loan should contact the Financial Aid Office for eligibility. Federal Grad PLUS Loans are available via application only at www.studentaid.gov. This loan application is based on a credit check and has a higher interest rate than the Federal Direct Stafford Loans.

Private Loans

Private loans are consumer-based education loans that are not part of the federal government programs. Private loans are more expensive than the federally guaranteed loans and should only be used after all other forms of financial aid have been exhausted. If you determine that a private loan is needed, please research your options carefully. Each lender has different fees, interest rates, and repayment options. Most private loans require a co-borrower. Maximum loan amounts vary depending on the amount of other financial aid you are receiving. Some lenders may defer repayment of principal and interest until student ceases to be enrolled at least halftime. Once you have selected a lender, please complete the application on the lender website or call a lender to request an application. You will also be required to complete a Private Education Loan Applicant Self Certification form. This is available on our website or from the Financial Aid Office.

GRADUATE ASSISTANTSHIPS/SCHOLARSHIPS

Any student may apply for available graduate assistantships. Preference will be given to fully admitted, degree-seeking graduate students. Awards will be made based on the following criteria: need, commitment to the profession, and ability to work 10 or 20 hours per week in the appropriate department. Applications may be obtained by contacting the department chair of the program in which you plan to enroll.

Lucile R. Anderson Scholarship

Scholarships available to graduate students in education are funded through an endowment established by Dr. Lucile R. Anderson. Award is made on the basis of Christian commitment to teaching. The number of scholarships and amount to be awarded will be determined each semester. Applications may be obtained by contacting the Teacher Education Office. The application deadline is the first day of classes each semester. The recipient(s) will be selected by vote of the Graduate Studies in Education faculty.

STATE PROGRAMS

For application, full award rules, and application deadlines, see www.tn.gov/collegepays.

Tennessee Math and Science Teacher Loan Forgiveness

The participant must be a resident of Tennessee at least one (1) year prior to application deadline; attend an eligible postsecondary institution seeking an advanced degree in math or a science or certification to teach math or science; agree to teach math or a science in a Tennessee public school system two (2) academic years for each year funded provided by the program; and sign a promissory note that stipulates the cash repayment if service obligation not met. Awards shall be two thousand dollars (\$2,000) per academic year and shall not exceed ten thousand dollars (\$10,000) for all years required for the teacher's program of study. The applicant must reapply each year.

Graduate Nursing Loan Forgiveness Program

The participant must be a Tennessee resident, hold an unencumbered Tennessee Registered Nursing License, be enrolled in an eligible Tennessee college or university in a program leading to a master's degree in nursing education. The candidate will incur an obligation to enter a faculty or administrative position at a college or university in Tennessee in a nursing education program and sign a promissory note that stipulates the cash repayment if service obligation is not met. The award is renewable up to four years of full-time enrollment and based on funding. The applicant must reapply each year.

Tennessee Rural Health Loan Forgiveness

The participant of this program must be a Tennessee resident for one (1) year prior to application deadline, sign a promissory note stipulating the cash repayment if employment obligation in a health resource shortage area for one (1) year for every year of funding received is not met, may not accept any other financial aid that carries with it a service obligation, and must be enrolled in the Nurse Practitioner Program at Carson-Newman University. The award amount shall not exceed twelve thousand dollars (\$12,000) per academic year, or the cost of tuition, mandatory fees, books and equipment, whichever is less. The applicant must reapply each year.

STUDENT STATUS

For purposes of Financial Student Aid (FSA), the university defines full-time course load for graduate programs as 9 credit hours and halftime is defined as 4.5 credit hours per semester.

For the purposes of **Veterans Administration Benefits Eligibility**, the university defines full-time course load for graduate programs as 9 credit hours per semester and 6 credit hours as three-quarter (3/4) time. For graduate programs taught in non-standard terms (less than 15 weeks in length), the following definitions apply: *For programs taught in 7- or 8-week modules: 4.5 credit hours is defined as full-time, 3 credit hours is defined as three-quarter time.*

For purposes of **NCAA certification of eligibility**, students must be enrolled full-time per semester. For programs in modules, students must be enrolled in each module within the standard semester. For final semester of enrollment (the semester of graduation), special

eligibility conditions may apply, for more information contact the NCAA Compliance Officer.

For purposes of **SEVIS Certification for international students**, students must be enrolled full-time per semester. For programs in modules, students must be enrolled in each module within the standard semester. For final semester of enrollment (the semester of graduation), special eligibility conditions may apply, for more information contact the Designated School Official.

UNIVERSITY GIFT AID CAP POLICY

University aid is considered the last gift dollars applied to the student charges. The University reserves the right to reduce, modify, or cancel awards when aid limits are exceeded, and/or the University determines at any time you are no longer eligible for the assistance. No cash credit balance refunds will be generated from university funds as the last resource.

WITHDRAWAL FROM THE UNIVERSITY

Students ceasing attendance from all classes before the close of the semester are considered withdrawn and must officially withdraw by contacting the Financial Aid Office. It is imperative to complete this process in order not to jeopardize future financial aid and to understand the earned financial aid calculation. The Financial Aid Office will process the withdrawal, regardless of whether a student has officially withdrawn or unofficially left, to determine the amount of financial aid a student has earned. Unearned financial aid will be returned to the appropriate program. Returning unearned financial aid may result in a balance due to the University. The process is completed by the Student Accounts Office, where tuition refunds are given as outlined under **Refunds** in the **Costs** section of this catalog.

A student who officially withdraws before the last date to drop with a W will be assigned W grades. A student who officially withdraws from the University after the last date to drop with a W will be assigned a grade of WP for courses the student is passing or WF for courses the student is failing. The grade of WP or WF will be determined by faculty evaluation of the student's performance up to the day the student is considered withdrawn from the University. The official withdrawal date is based on the date of notification of the withdrawal.

A student who ceases class attendance in all courses before the end of the semester and does not officially withdraw is considered to have unofficially withdrawn and will be administratively withdrawn from the University. Students who are administratively withdrawn from the University will receive a grade of WF for courses registered for during the term of administrative withdrawal. The date of withdrawal for unofficial withdrawals is the midpoint of the semester. Exceptions to the midpoint may be reviewed on a case-by-case basis if appropriate documentation is provided by the professor. Using the midpoint may result in unearned financial aid being returned to the appropriate program. For information on how withdrawal from the university will affect financial aid eligibility, contact the Financial Aid Office.

MILITARY AND VETERANS' EDUCATION ASSISTANCE

C-N MILITARY & VETERAN SERVICES

Any covered individual will be able to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website - eBenefits, or a chapter 31 authorization) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

In compliance with Section 103 of Public Law 115-407, Carson-Newman University will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

BENEFIT PROGRAMS

Carson-Newman University has been approved by the Tennessee Higher Education Commission to provide programs and courses of instruction to current military members, veterans of the United States Military and/or their dependents who are eligible for educational benefits through the U.S. Department of Veterans Affairs (USDVA). The primary entitlement programs administered by the Military Services Office:

- Montgomery GI Bill® - Active Duty (MGIB-AD) Educational Assistance Program [Chapter 30]
- Vocational Rehabilitation & Employment (VR&E) Program [Chapter 31]
- Montgomery GI Bill® - Selected Reserve (MGIB-SR) Educational Assistance Program [Chapter 1606]
- Post 9/11 GI Bill® - Harry W. Colmery Veterans Educational Assistance Act [Chapter 33]
- Survivors' & Dependents' Educational Assistance (DEA) Program [Chapter 35]
- Veterans Work-Study Allowance Program
- Tennessee Support, Training and Renewing Opportunity for National Guardsman (STRONG) Act of 2017
- Federal Tuition Assistance

Carson-Newman University has been approved by the USDVA to participate in the **Yellow Ribbon Program**. Veterans or dependents of veterans who qualify for the Post-9/11 GI Bill® (Chapter 33) must be 100% eligible to participate in the Yellow Ribbon Program. For

information on current policies for the Yellow Ribbon Program, contact a University School Certifying Official or the Office of Military

& Veterans Services. **GI Bill®** is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>.

MONTHLY VERIFICATION

Post 9/11 GI Bill® (chapter 33)

In order for Post-9/11 GI Bill® (chapter 33) beneficiaries to continue collecting a monthly housing allowance (MHA), they will need to verify their enrollment status on the last day of each month in which they are enrolled. Failure to verify for two consecutive months will impact their MHA and/or kicker payments.

There are two ways in which a student will be able to verify his/her monthly enrollment. Students may call the Education Call Center at 888-442-4551, or they may opt to receive monthly text messages asking them to confirm their status. If a student replies "no" by phone or text, VA's processing office will contact the school for additional information on the student's enrollment.

MGIB Selected Reserve (Chapter 1606) and MGIB-Active Duty (Chapter 30)

MGIB-Active Duty (Chapter 30) and MGIB Selected Reserve (Chapter 1606) beneficiaries must verify their enrollment on the last day of each month in which they are enrolled. This can be done by using the Web Automated Verification of Enrollment (WAVE) website at <https://www.gibill.va.gov/wave/index.do> or calling the VA toll free Interactive Voice Response (IVR) telephone line at 1-877-VA-ECERT (1-877-823-2378).

Enrollment verification update: New "44354" number to verify enrollment. Post-9/11 GI Bill students who opted into text message enrollment verification will now receive enrollment verification texts from the number 44354. Getting texts via a short code means you'll receive them faster and more consistently than ever. Since short-code senders are verified by mobile carriers, you can trust that it's VA contacting you! Please be on the lookout for messages from the new number and continue verifying your enrollment as usual.

GI Bill® is a registered trademark of the Department of Veterans Affairs (VA).

POLICIES AND PROCEDURES

Federal guidelines and regulations are specific regarding eligibility to receive veterans' educational benefits. Official decisions on eligibility are made by the VA or the appropriate government office and not the C-N Office of Military & Veterans Services.

To receive educational benefits, eligible recipients must be accepted for admission to the University. The application for VA Educational

Benefits must be completed and submitted to the Department of Veteran Affairs by the student recipient. The Certificate of Eligibility (COE) or Notice of Benefits Eligibility (NOBE) must be submitted to the School Certifying Official. Recipients who have received VA educational benefits at another school and plan to transfer to Carson-Newman University must also complete and submit a Change of Program or Place of Training Application (VA Form 22-1995) to the VA. Official transcripts from all colleges and universities attended must also be submitted in order to determine prior credit.

All veterans, National Guard, and Army Reserve recipients must submit a copy of their DD-214 and a copy of their Joint Services Transcripts or official transcript from the *Community College of the Air Force (CCAF)* to the Office of the Registrar for evaluation of transfer credit. See “Academic Credit through the Military” in the Admissions section for more information.

The Carson-Newman University online Veterans/Military Educational Assistance Packet including the **Recipient Statement of Understanding Agreement and Acceptance of Responsibilities** must be completed and submitted to the School Certifying Official before enrollment certifications will be processed. For additional information concerning Veterans Educational Benefits, please contact the Office of Military and Veterans Services or the School Certifying Official.

Enrollment certifications are submitted by the university’s School Certifying Official after the eligible student has completed the registration process. Applications and all supporting documents should be submitted at least eight weeks before the start of the first semester of enrollment for first time recipients. Certifications for first time Chapter 35 beneficiaries cannot be submitted until after the first day of class attendance of the first term of enrollment.

Students receiving VA Educational Benefits are responsible for notifying the School Certifying Official of any change in enrollment (drop, add, withdraw, etc.), as these changes could affect receipt of educational benefits.

STANDARDS FOR PROGRESS

Eligible recipients of VA Educational Benefits must be pursuing an educational objective, which is defined at Carson-Newman as leading to an associate, bachelor, master, or doctoral degree. Recipients must be degree seeking students and designate an approved major and program of study. Recipients of educational benefits must work closely with an academic advisor to make certain that courses taken are part of degree requirements for their chosen academic program.

Excessive elective or repeated courses in which a passing grade (D or above) has been earned will not be approved for certification (except for courses in which a grade of “C” or higher is required for the major). **Dropped courses** which result in either no credit or no punitive grade will adversely affect VA benefits from the beginning of the term and can create an over award/repayment situation for the student. A course for which a student received an **Incomplete grade (I)** must be graded within six weeks of the course’s final meeting or the beneficiary will be subject to retroactive adjustment in the semester’s training time, which in turn may result in an overpayment and recovery of benefits.

Satisfactory attendance, conduct and progress, as defined by the University, must be maintained in order to continue receiving benefits. VA Educational Benefit recipients who are placed on academic probation must meet academic progress standards in order to continue receiving VA educational benefits. To assure progress, the record of each student receiving VA Educational Benefits will be subject to review at the end of each semester.

POLICIES AND PROCEDURES

ACADEMIC CALENDAR

The academic year at Carson-Newman University includes a fall and a spring semester and several accelerated terms offered during the summer. Fall semester begins in August and ends in December. Spring semester begins in January and ends in May. The summer session includes several accelerated terms which commence after the conclusion of the spring semester and end before the beginning of the new academic year.

Graduate programs include modules within the semester, comprise the full length of the 15-week fall or spring semesters, and accelerated modules in the summer depending on program. Please consult the academic calendar for term dates. Full-time enrollment differs by graduate program. Please see minimum enrollment requirements under student status for full-time requirements by graduate program. The official final exam schedule is made available to students prior to the end of the semester.

ACADEMIC DISHONESTY

Academic dishonesty may include, but is not limited to, the following: giving or receiving aid on tests, plagiarizing papers, assignments, book reviews, removing and/or copying test questions from office files. The course instructor will address any incidents of suspected dishonesty. After hearing the student and considering all the evidence, the instructor will levy sanctions if guilt is determined after conferring with the Program Director. The instructor will report these actions in writing to the Program Director. The Program Director shall report the incident to the office of the Provost, who may levy sanctions more severe than the loss of course credit. Academic dishonesty may result in sanctions including, but not limited to, an F and loss of credit for the course, and/or removal from the academic program.

Additionally, the effect of these sanctions on the student's GPA may impact financial awards. Gross dishonesty or a recurrence of academic dishonesty may result in expulsion from the University. Any student who receives an F in a course due to academic dishonesty will not be allowed to drop the course even if the F is assigned prior to the last date to drop a course with a W. The student may appeal a finding of academic dishonesty and the resulting sanction first to the Program Director, then to the department chair, with further recourse to the Provost. The student has until the end of the semester immediately after the class in question to submit the appeal (i.e., if the appeal involves a class in the spring term, then the student has until the end of the summer semester to file the appeal).

ACADEMIC STANDING

A minimum overall GPA of 3.00 is required to remain in academic good standing. A grade of C or better must be made in all courses applying to a graduate degree. A maximum of 6 credit hours with "C" grades may be applied toward the MAAT, MBA, EdS and EdD. A maximum of 9 credit hours with "C" grades may be applied toward the MAT, MED, MSC, and MSN. Further details about academic probation, suspension and dismissal for graduate programs is as follows:

GRADUATE BUSINESS ACADEMIC STANDING

Academic Good Standing in the MBA program is the status of a student maintaining at least a cumulative GPA of 3.00 in the program. When a student fails to maintain the required GPA, the MBA Program Director places the student on academic probation and provides the student with written notification of the change in academic status.

Academic Probation

During probation, the student must work with his academic advisor to devise a plan to regain good standing. Once on probation, the student may complete nine additional semester hours to raise their cumulative GPA to 3.0. If, after nine hours on probation, the student fails to meet the requirement, the student will be suspended from the University for one semester. The MBA Program Director will provide the student with written notification of academic suspension. Following the one semester suspension, the student must apply for readmittance to the program. If, after readmission following the suspension, the student fails to achieve Academic Good Standing, the student will be academically dismissed from the University. The student must achieve a grade of "C" or better in all courses. MBA students may repeat one failed ("F" grade) course. A second "F" grade in any course will result in academic dismissal from the program.

Academic Dismissal

A student may be dismissed from the MBA program for failing to maintain satisfactory progress or for academic dishonesty. The MBA Program Director will provide written notification to the student of the dismissal. The student may apply for readmission in writing with a formal letter of appeal to the Provost for readmission to the program. The Provost grants readmission. In consideration for readmission, the student will consent to conditions or additional requirements imposed by the Provost and the MBA Program Director. The conditions and/or requirements will be tailored to the cause of dismissal and the student's situation. Students must achieve an overall GPA of 3.0 or 90 quality points to receive their MBA degree. A student may have no more than six hours with a grade of "C" applying to the MBA degree.

GRADUATE COUNSELING ACADEMIC STANDING

A minimum overall GPA of 3.00 is required to remain in academic good standing. A grade of C or better must be made in all courses applying to the MSC programs. A maximum of nine (9) credit hours with "C" grades may be applied toward the Master of Science in Counseling. A maximum of six (6) credit hours with "C" grades may be applied toward the Educational Specialist degree.

Academic Probation

When a student fails to maintain academic good standing, he/she will be placed on academic probation. Written notification of probation will be sent to the student. During probation, the student must work with his/her academic advisor to devise a plan to regain good standing. Any student on academic probation has an opportunity to complete nine (9) additional semester hours of graduate study in order to raise the student's cumulative GPA to 3.0. If, after nine (9) hours on probation, the student fails to regain good academic standing, the student will be suspended from the University for one (1) semester. Written notification of suspension will be sent to the student. Following the

one (1) semester suspension, the student must apply to be readmitted. If, after readmission following suspension, the student again fails to remain in academic good standing, he/she will be academically dismissed from the University.

Academic Dismissal

A student may be dismissed from the Graduate Studies in Counseling program for failing to maintain satisfactory progress or for academic dishonesty. Written notification of dismissal will be sent to the student. If a student is dismissed from Graduate Studies in Counseling, the following conditions must be completed by the student to re-enter the program:

- Write a formal letter of appeal to the Graduate Studies in Counseling Admissions and Appeals Committee.
- Meet any requirements/conditions set by the Graduate Studies in Counseling Admissions and Appeals Committee.

Requirements/conditions are established on an individual basis as a result of an evaluation of the reasons for initial dismissal. If for any reason the graduate faculty decides that a graduate student should not continue in the program, he or she may be required to withdraw before completion.

GRADUATE EDUCATION ACADEMIC STANDING

Students must meet all program requirements, which are outlined in individual program handbooks and maintained by the Department of Education. A minimum overall GPA of 3.00 is required to remain in academic good standing. A grade of C or better must be made in all courses. A maximum of nine (9) credit hours with "C" grades may be applied toward the master's degrees, and a maximum of six (6) credit hours with "C" grades may be applied to the Ed.S. and Ed.D. degrees.

Academic Probation

When a student fails to maintain academic good standing, he/she will be placed on academic probation. Written notification of probation will be sent to the student. During probation, the student must work with his/her academic advisor to devise a plan to regain good standing. Any student on academic probation has an opportunity to complete nine additional semester hours of graduate study in order to raise the student's cumulative GPA to 3.0.

If, after nine (9) hours on probation, the student fails to regain good academic standing, the student could be suspended from the University for one semester. Written notification of suspension will be sent to the student. Following the one semester suspension, the student must apply to be readmitted. If, after readmission following suspension, the student fails to remain in academic good standing, he/she will be academically dismissed from the University.

During the dissertation writing process at any point where a student fails to make adequate progress, a grade of NP will be assigned, which will result in dismissal from the program.

Academic Dismissal

A student may be dismissed from the graduate program for failing to maintain satisfactory progress or for academic dishonesty. Written notification of dismissal will be sent to the student. If a student is

dismissed from graduate studies in education, the following conditions must be completed by the student to re-enter the program.

Write a formal letter of appeal to the Graduate Education Admissions Review Committee (*submit to the Education Department's Administrative Assistant*).

Meet any requirements/conditions set by the Graduate Education Admissions Review Committee.

Requirements/conditions are established on an individual basis as a result of an evaluation of the reasons for initial dismissal. If for any reason the graduate faculty decides that a graduate student should not continue in the program, he or she may be required to withdraw before completion.

GRADUATE NURSING ACADEMIC STANDING

A minimum overall GPA of 3.00 is required to remain in academic good standing. A grade of C or better must be made in all courses applying to the master's degree. A maximum of nine (9) credit hours with C grades may be applied toward the Master of Science in Nursing. When a student fails to maintain academic good standing, he/she will be placed on academic probation. Written notification of probation will be sent to the student. During the semester(s) on probation, the student must work with his/her academic advisor to devise a plan to retain good standing.

Academic Probation

Within Graduate Nursing, any student on academic probation may take courses in the following semester to raise the student's cumulative GPA to 3.0 or higher. The student will be dismissed from the program if the cumulative GPA is not raised to 3.0 upon the completion of the next semester enrolled.

For students enrolled in the Post- Graduate Family Nurse Practitioner track, a minimum overall GPA of 3.0 is required to remain in good standing. A maximum of three (3) credit hours with a C grade may be applied toward the Post- Graduate Certificate. If a student falls below a cumulative 3.0 grade point average, he/she will be placed on academic probation. Written notification of probation will be sent to the student, and the notation of the probation will be made on the student academic transcript. While on academic probation, the student may take courses in the following semester to raise the student's cumulative GPA to 3.0 or higher. The students will be dismissed from the program if the cumulative GPA is not raised to 3.0 upon completion of the next semester enrolled.

Academic Dismissal

A student may be dismissed from the graduate program for failing to maintain satisfactory progress, receiving a grade of F, or for academic dishonesty. Written notification of dismissal will be sent to the student. If a student thinks they have been unfairly dismissed from the Graduate Nursing program, the student must follow the formal Grievance Procedure described within the Department of Nursing Graduate Student Handbook. The student who has been dismissed for unsatisfactory progress or failing one course can reapply for readmission into the graduate nursing program after sitting out for one semester. The student considering readmission must complete a readmission

application and send a letter to the director of the MSN program. Students who have failed more than one course are not eligible for readmission.

DNP ACADEMIC STANDING

A minimum overall GPA of 3.00 is required to remain in good standing. A grade of C or better must be obtained in all courses applying to the DNP degree. Any DNP student who receives an F in a course will be dismissed from the DNP program. Students wishing to appeal a grade must follow the process outlined in the most current edition of the Department of Nursing Graduate Student Handbook.

Academic Dismissal

A student may be dismissed from the DNP program for failing to maintain good academic standing or academic dishonesty. Written notification of dismissal will be sent to the student. Students wishing to appeal a dismissal decision must follow the process outlined in the most current edition of the Department of Nursing Graduate Student Handbook.

MAAT ACADEMIC STANDING

A minimum overall GPA of 3.00 is required to remain in academic good standing. A grade of C or better must be made in all courses applying to the master's degree. A maximum of six credit hours with "C" grades may be applied toward the Master of Applied Theology degree.

Academic Probation

When a student fails to maintain academic good standing, he/she will be placed on academic probation. Written notification of probation will be sent to the student. During probation, the student must work with his/her academic advisor to devise a plan to regain good standing. Any student on academic probation has an opportunity to complete nine additional semester hours of graduate study to raise his/her cumulative GPA to 3.0.

Within Graduate Studies in Applied Theology, a student on probation must make progress toward good academic standing the semester on probation. If not, the student will be suspended from the University for one semester, after which he/she may apply for readmission. After readmission, if the student fails to make progress toward academic good standing, he/she will be dismissed from the University.

Academic Dismissal

A student may be dismissed from the graduate program for failing to maintain satisfactory progress or for academic dishonesty. Written notification of dismissal will be sent to the student. Any student dismissed from the MAAT program may appeal the decision to the Dean, School of Religion.

MDIV ACADEMIC STANDING

A minimum overall GPA of 2.75 is required to remain in academic good standing. A grade of C or better must be made in all courses applying to the degree. When a student fails to maintain academic good standing, he/she will be placed on academic probation. Written notification of probation will be sent to the student.

Academic Probation

During probation, the student must work with his/her academic advisor to devise a plan to regain good standing. Any student on academic probation has an opportunity to complete nine additional semester hours of graduate study to raise his/her cumulative GPA to 2.75. A student on probation must make progress toward good academic standing during the semester on probation. The student who fails to do this will be suspended from the University for one semester, after which he/she may apply for readmission. After readmission, if the student fails to make progress toward academic good standing, he/she will be dismissed from the University.

Academic Dismissal

A student may be dismissed from the graduate program for failing to maintain satisfactory progress or for academic dishonesty. Written notification of dismissal will be sent to the student. Any student dismissed from the MDiv program may appeal the decision to the Dean of the School of Biblical and Theological Studies.

APPROVAL FOR UNDERGRADUATES TO TAKE GRADUATE COURSES

Approved undergraduate students may take a maximum of 6 graduate hours, with no more than 3 graduate hours during any one semester for no additional charge. Students must be enrolled as full-time undergraduate students (12 hours minimum) to be eligible. To qualify, the student must have 90 earned semester hours of undergraduate credit, an approved degree plan indicating graduation within two semesters, and meet graduate program admission requirements. Undergraduate credit earned from graduate coursework cannot be used to meet undergraduate degree requirements. Graduate credit registration hours will not count toward undergraduate enrollment status for federal aid eligibility. Contact the Graduate Program Chair or the University Registrar for an application and for additional policy and criteria information.

ATTENDANCE

Verification of Attendance

Eligibility for federal student aid is, in part, based on the student's enrollment status for the semester in which they are enrolled. Verification is based on the completion of an academically related activity which is defined below:

- Academically related activities include, but are not limited to:
- Physically attending a class (*including participating virtually in a synchronous class session*)
- Submitting an academic assignment
- Taking a quiz, an interactive tutorial, or computer-assisted instruction
- Participating in an online discussion about academic matters
- Initiating contact with a faculty member to confirm their active enrollment in the course (*including being granted an excused absence*).

Any student whose attendance cannot be verified by the last day to add/drop a class during the start of the term or session will be administratively dropped from the class for non-attendance. Tuition and financial aid will be adjusted based on enrollment status

changes. (Example: Going from full-time to part-time would affect tuition charges and financial aid.)

Instructors are expected to list their class attendance policy on their course syllabus. Students are directly responsible to each instructor for attendance in each regularly scheduled class.

CLASS ATTENDANCE

Attendance at all class meetings is expected, and students are responsible for all work (including tests and written assignments) of all class meetings. Each faculty member will establish the consequences for class absences and publish them in the course syllabus. Students can earn credit for missed work if the absence was caused by a documented illness, the death of immediate family member, or participation in a university sponsored activity. Otherwise, the instructor has no obligation to allow students to earn credit for missed work.

Students who fail all courses due to non-attendance or lack of academic activity will be administratively withdrawn from the University for the semester. Financial aid recalculations will be processed for students who are administratively withdrawn from the university within 45 days of the date of determination. If a student is administratively withdrawn from the university, financial aid eligibility may be affected. For more information, see Financial Aid Handbook, Withdrawal from University section.

BREAK IN ENROLLMENT AND LEAVE OF ABSENCE

Carson-Newman University does not offer a Leave of Absence. That is a federal term in which a student does not attend a certain approved period of time but stays enrolled with charges and aid remaining the same so that the student picks up where they left off upon return in lieu of a withdrawal. Instead, we offer a 'Break in Enrollment' option. A break in enrollment is a one-semester break from the university and attendance. This allows the student to have their necessary break from school while maintaining their university acceptance status and preserving their financial aid eligibility. A break in enrollment must be requested from the Registrar's Office by submitting the online 'Break in Enrollment Request form' before attending the semester being asked off. If the student attends any part of the semester being requested, the student accrues charges and must be processed as a withdrawal.

If the University Registrar approves an enrollment break, your institutional aid would still be intact upon your return, pending the current FAFSA information and need limits. If you have the TELS HOPE Scholarship that requires continuous enrollment, you will especially need to talk to the Financial Aid office to get information on an appeal that would have to be sent to the state in order to maintain the HOPE scholarship.

CHANGE OF SCHEDULE (DROP/ADD)

Each semester, during a period of time designated in the University calendar, students may register for courses to be taken the following semester. During spring, students may register for May-term and summer terms. Enrollment confirmation is required for all students prior to attending class. Enrollment confirmation is scheduled immediately prior to the beginning of classes during the fall and spring semesters. In the summer all tuition and fees are to be paid before a

student begins classes unless other arrangements have been made with the Student Accounts Office.

The student may add a new class during the first week of classes or drop an existing class without a grade during the first week of classes, by completing a change of course (drop/add) form. Registration for all classes must be completed by the end of the drop/add period. Financial aid is based on a student's enrollment status. Financial Aid eligibility may be adjusted if the student's enrollment status changes. A grade of "W" will be assigned when the student drops a course between the end of the drop/add period and the last day to drop with a "W". The "W" will not be reflected in the student's GPA, but the class and grade will show on the student's permanent record (transcript).

Any student who receives an F in a course due to academic dishonesty will not be allowed to drop the course even if the F is assigned prior to the last date to drop a course with a W. After the last day to drop with a W grade, the student will be automatically assigned a "WF" for any drop. The "WF" will be reflected in the GPA, and the class will also show on the student's permanent record. Changes in registration after the drop/add period will be assessed and a \$10 fee for each class change made.

Last Date to Drop a Course Policy

The last date to drop a course without being charged for the course in the module/session is before the module begins. Module/Session classes are part of an academic term. Students who confirm enrollment or begin attendance in any course will incur charges. To not incur charges, courses should be dropped by the date and time indicated on the Timetable of Dates. Dropping module/session courses during any term may result in aid recalculation or return of funds for that term. When a student drops all courses or discontinues attendance, the student is a withdrawal and follows the withdrawal policy for refunds and financial aid re-calculations. Financial Aid recipients withdrawing or discontinuing enrollment may not earn all financial aid which may result in a bill due to the University. See <http://classic.cn.edu/administration/registrarsoffice/academic-calendar> for the traditional 16-week calendar and for the May-term and traditional summer terms.

CREDIT HOUR

A credit hour is defined as a unit of coursework represented by attainment of educational goals measured by learning outcomes. In accordance with federal regulation (34 CFR 600.2) one credit is awarded for a workload which reasonably approximates 37.5 hours per term. Non-lecture courses, i.e., labs, studios, performance-based or clinical-based courses, also require a minimum workload of 37.5 hours per term to receive one semester hour of credit. The University bases credit for internships on one semester hour of credit for 50 hours of work. Courses offered by alternative methods of delivery or in accelerated calendars require an equivalent amount of student engagement and workload to earn one credit hour.

DETERMINING THE AMOUNT OF CREDIT

Carson-Newman University defines a credit hour as a unit of coursework represented by the attainment of educational goals measured by learning outcomes. In accordance with federal regulation

(34 CFR 600.2) one credit is awarded for a workload which reasonably approximates 37.5 hours per term. Non-lecture courses, i.e., labs, studios, performance-based or clinical-based courses, also require a minimum workload of 37.5 hours per term to receive one semester hour of credit. The University bases credit for internships on one semester hour of credit for 50 hours of work. Courses offered by alternative delivery methods or accelerated calendars require an equivalent amount of student engagement and workload to earn one credit hour.

To determine the amount of credit awarded for on campus classes, Carson-Newman adopts the federal regulation requiring a workload of 37.5 hours per term for one credit hour. To receive one semester credit hour, 15 hours of in-class instruction and approximately two hours of out-of-class preparation or student engagement are required, employing the Carnegie unit's standard.

On campus, in-class instruction may include lectures, multi-media presentations, discussions, experiential learning activities, labs, studio experiences, or directed research. Out-of-class activities may include reading books, articles, and other materials for the course, completing homework assignments or solving problems, preparing for classroom presentations, writing research findings, completing assigned projects, and preparation for exams.

Carson-Newman has established credit for studio courses awarded for one hour of credit, requiring a minimum of two hours of in-class engagement and a minimum of three hours of out-of-class preparation per week for a traditional semester. Courses taught in accelerated terms will require more time on task per week, dependent on the course duration, to equal the total time-on-task required in a traditional semester. Credit for laboratories will be granted as one hour credit for a minimum of two hours of lab experience. Credit for performance-based courses will be granted for one semester hour for a minimum of two hours of in-person instruction and/or practice, plus required participation at concerts or other out-of-class events.

Academic credit for internships is awarded for one semester hour for a workload that reasonably approximates 50 hours. Students receiving internship credit will also be responsible for other assignments, such as additional reading, completing a comprehensive journal, or a final paper/project as required by the department granting the internship credit.

For all courses, regardless of the mode of delivery, the total learning hours per course per term would equal 45 hours for one semester hour of credit. A course designated for two credit hours would require 90 hours on a task, and a course for 3 hours of credit would require the total time on the task at 135 hours per term. Courses taught in accelerated terms require more time on tasks per week to meet learning objectives. See the chart below for an example of learning hours per week and total per term:

Credit hours	Course format by weeks	Total hours per week	Total hours per term
1	3	15	45
1	4	11.3	45
1	7	6.4	45
1	8	5.6	45
1	15	3	45
2	3	30	90
2	4	22.5	90
2	7	13	90
2	8	11.25	90
2	15	6	90
3	3	45	135
3	4	33.75	135
3	7	19.3	135
3	8	16.9	135
3	15	9	135

DETERMINING THE LEVEL OF CREDIT

In accordance with our mission to help students reach their full potential as educated citizens and worldwide servant leaders, Carson-Newman University employs sound and acceptable practices in determining and awarding credit. These practices include implementation of best practices for assigning and awarding credit in higher education and by appropriate review and approval of faculty, department chairs, school deans and the programs and standards committee. Commonly adopted standards and best practices for competency in the academic discipline are considered when determining the amount of credit and level of credit awarded for each course. These criteria include discipline-specific and institutionally established standards regarding course objectives, course content, course type, time-on-task, and performance indicators which are designed to measure educational goals and student learning outcomes.

All courses approved for credit at Carson-Newman University have been thoroughly vetted by department faculty and a faculty comprised programs and standards committee. New course proposals are initiated by departmental faculty and the department chair, approved by the department faculty, and then submitted for review and consideration by a faculty curriculum committee. The Graduate Programs and Standards Committee is responsible for final approval of graduate courses. The university course numbering system will be employed in determining the level of credit for a course.

Credit for **graduate-level** courses requires advanced critical thinking, increased intellectual rigor, and more complex knowledge comprehension. Graduate-level coursework will require considerably more research and writing for student engagement in the course.

500 and 600 level courses are designed to be taken in the first and second years of graduate study. These courses require an advanced level of research, inquiry, and analytical skills, promote the acquisition of writing mastery in the discipline, familiarity with literature review in the academic field, and present a theoretical approach to knowledge in the discipline.

700 level courses are designed for students in their final year of graduate study. These courses integrate theoretical and practical knowledge and prepare students to operate as practitioners in their discipline. These courses require independent student scholarships and research supervised by a faculty member in their area of study. Advanced project and dissertation courses are designated at the 700 level.

INDEPENDENT STUDY COURSES

290-390: Independent readings or independent research and study, 14 hours ~ Open to sophomores, juniors, and seniors. Students who enroll for catalog courses as independent study (maximum of four hours per semester) must secure approval from the instructor, the department chair, and the dean. Independent study courses (topics, research, academic projects) which are not regular catalog courses may be taught as a 390 or 490 course.

The following Education Department topics courses are designed to be taken independently:

- EDUC 534: Topics in Education (3 hours)
- EDUC 637: Topics in Content Field (3 hours)
- EDUC 631: Research in the Content Field (3 hours)
- EDUC 632: Applied Research (3 hours)
- EDUC/NURS 580: Topics in Child and Family Studies (3 hours)
- COUN 634: Topics in Counseling (3 hours)
- TESL 569: Topics in Teaching English as a Second Language (1-3 hours)

The student will be registered for the independent study by the Office of the Registrar upon submission of the Request for Approval to Registrar for an Independent Study Course Form which indicates signatory approvals from the instructor, department chair, and dean. The form is available on the C-N Registrar website at <http://www.cn.edu/administration/registrar-office/studentforms/independent-study>. Faculty members may direct an independent study course only in their discipline or department and are limited to direction of two independent study courses per semester.

GRADES

The basic unit of credit at Carson-Newman University is the semester hour. Most courses carry 3 semester hours of credit (*though some carry as few as 1 and some as many as 12*). One semester hour typically represents 1 hour of lecture or recitation or 2 hours of laboratory work per week.

At the end of each semester and at the end of all summer sessions, grades are available to the student through his/her MyCN account.

The grade report will have three GPAs listed ~ a semester average, the C-N GPA, and the cumulative GPA. Grades of AU, IP, N, NG, NPE, P, S, W, and WP **are not** included in the GPA computation. An F or a WF received in any course will figure into the GPA computation.

Passing grades are assigned grade points for each semester hour of credit (**A=4, B=3, C=2, D=1**). A student's grade point average (GPA) is calculated by dividing the number of grade points the student has accumulated by the number of semester hours attempted in graded (A,B,C,D,F) courses. (The attempted semester hours in which a student earns an S or P are not used in this calculation.)

GRADE POINTS BASED ON A 4.00 SCALE

Grade	Performance Level	Grade points per semester hour of credit
A	Superior	4
B	Good	3
C	Average	2
F	Failing	0
NPE	Not Passed Exam	0
WF	Withdrew failing	0
WP	Withdrew passing	0

AUDIT GRADES

Students may audit any course with the instructor's approval. Tuition is charged at one half the regular rate. No credit is earned by auditing and the grade for an audit will be indicated on the transcript AU. Students who wish to audit a course must complete the **Audit Authorization Form**. This form must be approved and submitted to the University Registrar. Audit must be indicated during registration or prior to the deadline for withdrawing from a class with a "W" (the end of the tenth week of class).

GRADE APPEAL

If a student disagrees with a course grade received, he or she may request a review of the coursework upon which the grade in the course was assigned. If an appeal is made, it must be in writing within one semester of the date the grade in the course was assigned and begins with a conference with the instructor of the course. If not resolved in this conference, the appeal moves to the department chair and then to the dean. If the grade appeal has not been resolved at these levels, the student may appeal to the Provost. The Provost may refer to a grade appeal to the Academic Standards Committee for their study and recommendation.

GRADE CHANGE REQUEST

If it is deemed necessary for a professor to change a grade due to mathematical miscalculation or other verifiable reason, the instructor may initiate a grade change. Grade changes should not be issued to students because the student did not complete the necessary work for the course during the semester. Grade changes should also not be allowed for a student to improve his/her grade. Faculty will complete the online grade change request located on EagleNet.

GRADES THAT DO NOT INFLUENCE GRADE POINT AVERAGE (GPA)

- AU - Audit (enrolled with instructor's approval for observation only-one half tuition rate per credit hour with no credit earned)
- N - No pass (for courses taken on pass/no pass basis)
- NG - No grade submitted, or no credit earned
- NPE - Not Passed Exam
- P - Pass (for courses taken on pass/no pass basis)
- S - Satisfactory work (for courses noted on class schedule as using S/F grading)
- W - Withdrew (has no effect on GPA)
- WP - Withdrew passing

INCOMPLETE GRADES

Grades of "Incomplete" or "I" are given at the end of a course only when there is evidence that a significant event or issue interfered with a student's successful completion of the course. Faculty assigning a grade of "I" must give an end date within six weeks of the course's final meeting through continuing work with the instructor. A student may request an Incomplete grade if, a minimum, 60% of the coursework has been completed in the course. Exceptions will be made if extraordinary circumstances occur if a student cannot finish a course. In this case, an incomplete grade can be assigned with a six-week extension to complete the course through continuing work with the instructor. The "I" will carry no grade points and **will count as failure (F)** in the computation of the grade point average until removed. A grade of F will be assigned if the Incomplete is not removed by the deadline determined by the instructor or by the end of the six weeks.

IN PROGRESS (IP) GRADE

To be used for graduate projects or practicums that extend beyond one semester. An IP will carry no grade points, will remain on the final transcript, and will not be included in the GPA computation. All courses with an IP must be completed and the IP changed to the earned grade at the end of the semester following your last enrolled semester. If the IP is not removed by the deadline, then an earned grade of F will be recorded for the course.

Education Department only – Students wishing to still graduate with licensure will have one year from the course's end date with the assigned "IP" grade to submit their passing exam scores to graduate with licensure. Otherwise, the student will be switched to non-licensure and will be added to the current graduation list to be conferred.

NOT PASSED EXAM(S)

An "NPE" grade is assigned to students who have not passed their licensure exam(s), but who have completed all other requirements

for the Student Teaching seminar course. The "NPE" grade is considered a passing grade and will count in hours earned.

PASS/NO PASS

The pass/no pass grade is available as an option to encourage students to experiment and diversify their coursework selection and to broaden their interest in fields outside their major. This option allows for the earning of credit hours with a passing grade which does not affect the GPA. The choice of pass/no pass by the student is subject to these restrictions:

- Students can take only one course a semester pass/no pass and only 8 pass/no pass courses in college career.
- Students cannot pass/no pass in a major, minor, liberal arts requirement, or independent honors thesis courses.
- An instructor reserves the right to close a course to pass/no pass grading.

Pass/no pass and/or audit **must be indicated during registration or prior to the deadline for withdrawing from a class** with a "W". Forms are available during advising to exercise the pass/no pass or audit option and are necessary for making the decision a matter of record with the Office of the Registrar. After the deadline for adding courses, the grading for a pass/no pass or an audit course cannot be converted to a regular grading basis.

REPEATING A COURSE FOR A GRADE

Students may repeat any course. The grade from the most recent attempt, with no additional hours attempted, will be used in calculating grade averages. Stated differently, the LAST grade earned will be the grade of record and will be used to determine if University requirements have been satisfied. The following provisions apply:

1. If the course was taken at Carson-Newman University, it must be repeated at Carson-Newman University for the grade replacement to be permitted.
2. If the course was taken at another college, it may be repeated at any accredited institution, including Carson-Newman University.
3. If the course was taken at Carson-Newman and repeated at another college, the grade replacement policy does not apply. The student will get credit for the course, but the course grades will be averaged.
4. After the second repeat, the grade replacement provision is no longer applicable, and each attempt will figure into the grade point average.
5. All grades will be entered on the student's permanent record.

GRADUATION

Students must complete a graduation application. Students who complete the application for graduation after the stated deadline below may not be processed for graduation after the semester of completion but will be conferred with the next group of graduates. Students should complete the application; the Deadlines for applications for graduation are as follows:

- December graduation - October 1
- May graduation - February 1
- August graduation - February 1

Applications for graduation are **closed** once faculty have voted on the list of graduates for the term. Any student who meets eligibility for graduation and missed submitting their application must contact the Registrar's Office to apply for graduation in person or via phone before the term ends in which the degree will be conferred.

The Graduation application is under the 'Graduation Overview' tab on MyCN. Students should review the degree information on the Graduation Application and the Degree Progress (*also available on MyCN*) to verify that their degree program, major, and minor are all correct. Any errors should be reported to the Registrar's Office before submitting the Graduation Application.

The Graduation Application will also provide an opportunity for a student to confirm the spelling of their name on the diploma, participation in the commencement ceremony, Military status, and diploma mailing address.

Once the University Registrar has verified that all requirements for graduation have been satisfied, the student's record will be processed for graduation for the term in which requirements are completed.

Carson-Newman has three conferral dates which are held at the end of the fall, spring, and summer semesters.

COMMENCEMENT

Commencement ceremonies are held in May and December. To participate in commencement, a student must have an approved application for graduation on file with the Office of Registrar and be mathematically eligible to complete degree requirements at the end of the term in which they plan to participate in commencement. Summer graduates participate in the December ceremony.

Graduate students completing degree requirements in the summer may appeal to the Registrar to walk early. Appeals will be reviewed on a case-by-case basis following the criteria below:

1. The student must be in good academic standing.
2. Only one course remains outstanding in the program in which the student is registered.
3. The course is offered in the immediate term following commencement. (Summer term for May, spring for December)
4. Ed.D and D.N.P. candidates are not eligible as a defended defense must occur prior to commencement.

Doctoral students must meet the deadlines established by the Education Department to participate in the commencement ceremony following the successful completion of their dissertation defense.

A degree audit is completed at the beginning of the term of anticipated graduation to assure that students on the graduation list for the semester can graduate. If a student is not mathematically able to graduate or is not registered for courses leading to the degree, the student is not eligible to graduate at the end of the term. If a student fails a class required for graduation during the graduation term, the student is allowed to participate in commencement, as long as the failing grade was not due to academic dishonesty. If the student is

academically dishonest and fails a course due to this cause, the student is not eligible to participate in commencement for that term.

COURSES

ON-LINE COURSES

Courses taught online require that instructional quality, quantity of content, course objectives, and learning outcomes are identical to those courses taught in person. Online and hybrid courses are designed to provide an equal amount of time on the task required by the student as courses that meet in person. Instructional time for online courses is based on the delivery of the learning materials for the course.

Carson-Newman employs the federal regulation requiring a minimum of one day of instructional interaction per week for any online or hybrid course. Courses taught online are not designed to be independent learning or "study at your own pace" type of courses. A schedule of instructional learning activities and faculty interaction and a timetable of weekly assignment due dates will be provided in the course syllabus.

Instead of relying on classroom content times, learning hours for online courses must be calculated by how long it will take an average student to do all assignments required to complete the course successfully. These assignments could include reading, reviewing videos, utilizing multi-media learning resources, completing homework, taking quizzes, writing papers, conducting research, preparing for independent or group projects, participating in and posting material for group discussions, and preparing presentations.

When designing and delivering online courses, the course designer must calculate the total learning time within the course to ensure that it has an appropriate amount of student workload. Tools like the [Rice University Workload Estimator](https://cte.rice.edu/workload) <https://cte.rice.edu/workload> or the [Wake Forest University Workload indicator](https://cat.wfu.edu/resources/tools/estimator2/) <https://cat.wfu.edu/resources/tools/estimator2/> will be utilized as a tool in determining the amount of total learning time for the course.

Online course instructors will employ practices found in the "Carson-Newman University Quality Assurance in Online Courses" when designing online courses. They also ensure that minimum requirements for course content and quality are met by using the "Carson-Newman University Online Course Quality Check List" as found in EagleNet>Faculty and Staff Documents>On-Line Teaching Resources.

UNLISTED COURSES

Sometimes a course is offered which is not listed in this catalog. The department offering the course assigns a title which is used in the official schedule of classes and on the student's record. Course descriptions are kept on file in the Office of the Registrar. **270-279:** Class or Seminar, 1-3 hours ~ Open to freshmen, sophomores, juniors and seniors. **470-479:** Class or Seminar, 1-3 hours ~ Open only to juniors and seniors.

TRANSFER CREDIT POLICY

Carson-Newman accepts transfer credit from accredited colleges and universities and endorses the guidelines for transfer of credit as outlined in the “Joint Statement of the Transfer and Award of Credit” developed by the American Association of Collegiate Registrars and Admissions Officers (AACRAO), the American Council of Education (ACE) and the Council for Higher Education Accreditation (CHEA). Courses recommended by The American Council of Education are evaluated on a course-by-course basis. Some courses must be authorized for acceptance by a department chair.

COURSE CREDIT EVALUATION

The transfer credit evaluation process includes accepting college level work in a discipline offered by Carson-Newman. Credit will be accepted as:

- A course similar in likeness to a C-N course. The course will be granted a Carson-Newman course number, or
- The Department of Nursing will review all Nursing credit. Nursing credit will be awarded only upon the approval of the department chair of the School of Nursing, who will notify the University Registrar concerning the awarding of nursing credit.

CREDIT FROM NON-REGIONALLY ACCREDITED INSTITUTIONS

If the student requests transfer of credit through a non-regionally accredited college the student may petition for credit through each individual department in which credit is sought. The student must complete the form for Requesting Credit from an Unaccredited Institution and provide a course description and a syllabus to the department chair for review and consideration. The Department Chair will notify the University Registrar by completing and submitting the form indicating whether the credit is acceptable and how it should be awarded.

TRANSFER CREDIT ACCEPTED BY DEGREE PROGRAM:

GRADUATE BUSINESS TRANSFER CREDIT

A maximum of nine (9) semester hours of graduate credit from a regionally accredited college or university may be transferred to Carson-Newman University to be used toward the MBA degree. Transfer hours must have been earned within the last five years prior to enrollment in the MBA degree programs. Grades transferred must be A or B. Transfer course(s) must be comparable to that offered at Carson-Newman and will be assessed on an individual basis.

GRADUATE COUNSELING TRANSFER CREDIT

CACREP accreditation is the industry standard for quality and any program with this designation can be viewed as rigorous and providing excellence in counselor training and education.

The specific course hours must be approved by the Director of the Graduate Studies in Counseling program. Transfer credit for the Counseling program will be reviewed as follows:

- Any credit hours allowed for transfer must be from a CACREP accredited program.
- Counseling Practicum must be completed at Carson-Newman University (3 hours)
- Counseling Internship must be completed at Carson-Newman University (6 hours)
- One third of credit hours in the program must be completed at Carson-Newman University

GRADUATE EDUCATION TRANSFER CREDIT

Nine (9) semester hours of graduate credit from a regionally accredited college or university may be transferred to Carson-Newman University to be used toward the MAT, MEd, and Ed.S. degrees, and twelve (12) hours toward the EdD degree. Transfer hours must have been earned within the last five years prior to enrollment in the education degree program and approved by the program director of the graduate degree program. The following courses will not be accepted as transfer credit: EDUC 630, EDUC 635, EDUC 750, EDUC 751, EDUC 752, EDUC 753, EDUC 7546A, EDUC 7546B.

GRADUATE NURSING TRANSFER CREDIT

Nine (9) semester hours of graduate credit from a recognized nationally accredited nursing program at a regionally accredited college or university may be transferred to Carson-Newman for pathophysiology, graduate statistics, nursing theory, or pharmacology. Clinical courses will not be accepted for transfer credit. Any transfer course must have been completed with a grade of A or B within three (3) years prior to the semester of enrollment.

If a student wishes to transfer additional graduate hours, the course must be comparable to one offered at Carson-Newman and will be assessed on an individual basis by the course faculty. Evaluation may include (but not be limited to) syllabi, written papers, and examination. A written request for transfer credit after enrollment should be submitted to the chair of the Nursing Curriculum Committee. The request should include the university offering the course, course name, course number, and a catalog description.

DNP TRANSFER CREDIT

Up to 6 semester hours of graduate credit from a recognized nationally accredited nursing program at a regionally accredited college or university may be transferred to Carson-Newman University. Courses considered for transfer credit include the following: Applied Biostatistics and Epidemiology; Scholarship in Nursing Practice; Principles of Project Planning and Evaluation; Quality and Safety Practices in Healthcare; Leading Change within Complex Healthcare Systems; Policy, Ethics, and Advocacy in Healthcare; and Healthcare Transformation through Technology. All courses considered for transfer credit must be completed with a grade of A or B within three years prior to DNP program enrollment. Each course considered for transfer credit will be evaluated on an individual basis. Evaluation may include, but not be limited to, review of the catalog description, course syllabi, and student work from the institution where credit was obtained.

GRADUATE APPLIED THEOLOGY TRANSFER CREDIT

Six (6) semester hours of graduate credit from a regionally accredited college or university may be transferred to Carson-Newman University to be used toward the MAAT degree. Transfer hours must have been earned within the last five years prior to enrollment in the MAAT degree program. Grades transferred must be A or B. Transfer course(s) must be comparable to that offered at Carson-Newman and will be assessed on an individual basis.

GRADUATE DIVINITY TRANSFER CREDIT

Twenty-one (21) hours of graduate credit earned from a regionally accredited college or university prior to admission to Carson-Newman University's MDiv program may be transferred to Carson-Newman University and applied to the MDiv program. Transfer hours will have typically been earned within the last five years prior to enrollment in the MDiv degree program. Grades transferred must be A or B. Transfer course(s) must be comparable to that offered at Carson-Newman and will be assessed on an individual basis.

STUDENT RECORDS

The official transcript for each student is maintained by the Office of the Registrar and is stored in an electronic format. Other academic information, non-permanent but relating to the student's enrollment and academic progress, is also stored electronically according to records retention guidelines of the University. Official transcripts as authorized by the student or former student may be requested for third party release. Carson-Newman University provides for the confidentiality of student records in accordance with the Family Educational Rights and Privacy Act, as amended. This act provides for the right of access by a student to his/her file and records with certain limited exceptions and prohibits the disclosure of information without the student's written approval, with certain limited exceptions, other than for disclosure of directory information. Directory information includes student name, address, telephone numbers, e-mail addresses, photographs, dates of attendance, enrollment status (full-time or part-time), major and anticipated date of graduation, degree, honors and awards, the most recent previous educational institution attended, and participation in school activities and sports. Students wishing to withhold directory information may do so by notifying the University Registrar in writing.

The Family Educational Rights and Privacy Act (FERPA) affords student's certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.
 - a. A student should submit to the university registrar, chair of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
 - a. A student who wishes to ask the University to amend a record should write to the University official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed.
 - b. If the University decides not to amend the record as requested, the university will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to a hearing if the request to correct an alleged inaccuracy is denied.
 - a. If the University decides not to amend the record as requested, the University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing

procedures will be provided to the student when notified of the right to a hearing.

4. The right to provide written consent before the University discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
 - a. The University may disclose education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a third party engaged in research conducted on behalf of the University provided such information is not disclosed to any other authorized party; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
 - b. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.
 - c. Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

The Family Educational Rights and Privacy Act provides that educational records of a student who is a dependent of his/her parent(s) for Internal Revenue purposes may be disclosed to the parent(s) without first receiving the student's consent, provided documentation showing the student to be dependent under the provisions of the Internal Revenue Code is presented by the parent(s). Students may authorize the release of otherwise confidential information, i.e., grades, academic progress, class attendance, billing statement, and disciplinary actions to parents by signing a consent form available in the Office of the Registrar.

The following is a partial list of records maintained in university offices and the official responsible for each.

- **Academic records and transcripts:** University Registrar
- **Student Judicial Records:** Vice President for Student Services and Dean of Students
- **Student Co-curricular and Extracurricular Involvement:** Vice President for Student Services and Dean of Students
- **Placement Files** (*compiled by the student*): Student Success

Carson-Newman University defines a student as enrolled the first day the student begins attendance at the University.

Note: For additional information regarding Family Educational Rights and Privacy Act policies, please contact the University Registrar at 865-471-3240 or registrar@cn.edu.

STUDENT CONSENT TO DISCLOSE INFORMATION

Students may authorize the release of otherwise confidential information, for example, grades, academic progress, class attendance, billing, and disciplinary actions, to parents or others by signing a consent form available in the Office of the Registrar, located on the top floor of the Fite Administration Building.

Disclosure which may not legally be made except upon the consent of the student shall not be made by any University employee (except for access with certain limited exceptions as allowed by law) until the student's consent is on file in the Office of the Registrar. Disclosure shall be made only of the specific matters to which the student has consented and to the person designated by the student. Any University employee who is asked by any person (the student, a parent, or anyone else) to make a disclosure of confidential information which may be made only upon the student's consent, shall not make the disclosure unless first being advised by the Office of the Registrar that the student has consented to the disclosure and the consent has not been revoked by the student as of that date. University employees who are asked by parents of students and others to make such disclosure should be advised that disclosure may be made by the University if the student consents in writing on a Consent to Disclose Information form filed in the Office of the Registrar.

When disclosure is made, the disclosing employee shall first ascertain that the person to whom disclosure is made is indeed the person the student has designated. In each instance, no disclosure shall be made except to a person who can recite the student-designated access code. When disclosure is made to the person in person, the employee should first secure from the person adequate identification. When disclosure is made by mail, the envelope will be marked "Confidential: To Be Opened by the Addressee."

The University is not legally obliged to disclose in each instance to which the student consents. If circumstances exist which causes a university employee to believe it may not be in the student's best interests for a disclosure consented to by the student to be made, the employee should report the situation to the University Registrar.

TRANSCRIPTS

The official record of a student's coursework is the academic transcript. All courses in which the student is registered on the census date are recorded on the academic transcript. Transcripts shall be processed by the Office of the Registrar upon request from the student or former student. Students may request an official transcript by utilizing the on-line service on the Registrar's web page or by completing the request form in the Office of the Registrar. Official transcripts will be furnished only after all accounts have been satisfactorily settled with the University. Students utilizing monthly payment plans must receive approval from the Student Accounts Office before an official transcript can be released. Currently enrolled students may request an unofficial copy of their record for campus use only.

GRADUATE BUSINESS

Cassandra Catlett, Chair of Business

MBA PROGRAM OF STUDY

The MBA program at Carson-Newman University is a professional level graduate degree for students from diverse fields and academic backgrounds. This degree is designed to prepare qualified students and working professionals for positions of increasing responsibility and leadership through in-depth education of the functional areas of business. The program emphasizes critical and strategic thinking, communication skills, development of managerial skills, real-world applications, ethics, and leadership, taught in an integrated curriculum by caring faculty with a coordinated approach using state-of-the-art instructional technology. At appropriate intervals students will be required to apply and integrate the knowledge they have accumulated into specific business situations.

Students with degrees in all major fields of study from accredited institutions are encouraged to apply. However, there are prerequisite business course requirements to enter the program. These prerequisites may be satisfied by completing the appropriate undergraduate courses or by alternate means with advice of the student's advisor and permission from the course instructor. The MBA degree program requires a minimum of 30 graduate credit hours and must be completed within five years of full acceptance into the program. A minimum of 21 hours of coursework in the MBA must be earned at Carson-Newman.

*Specializations are only offered when there are at least 7 students in each section.

MISSION STATEMENT

The mission of the MBA program at Carson-Newman University is to prepare students to meet the expectations of business by training graduates who will be effective communicators and dynamic problem solvers who can apply Biblical business practices and the principles of servant leadership. Graduates should possess the skills of active listening, skilled writing, and engaging public speaking as well as the ability to identify problems, to research and apply knowledge to develop and implement problem-solving strategies.

PROGRAM GOALS

The program is designed for students to achieve the following learning goals:

- Analyze and synthesize information across disciplines/functions in order to evaluate business opportunities and make sound business decisions.
- Evaluate business environment and opportunities and devise strategies for responding effectively to problems, threats, and opportunities.
- Construct and communicate well-organized and relevant business information using oral, written, and presentation mediums.
- Demonstrate and apply appropriate management science and analytical tools to create credible solutions.

- Formulate a personal leadership philosophy that is Biblically principled.
- Demonstrate the application of academic research to business problems.

QUALIFYING SENIORS IN AN UNDERGRADUATE DEGREE PROGRAM

Rising seniors in Carson-Newman's residential undergraduate program are eligible to apply to the MBA program for conditional acceptance. Students must be classified as a senior (90 credit hours) when taking graduate MBA (500-level) courses, must enroll full-time as an undergraduate (at least 12 credit hours from 100-400 course levels) and must have a cumulative 2.5 GPA. An undergraduate student in the MBA program may take no more than 6 credit hours (two courses) during their senior year and no more than one (1) graduate course may be taken at a time.

Students can include these graduate credit hours in their semester load of up to a maximum of 17 total hours and not pay additional tuition. MBA courses may not be used to satisfy the requirements for the bachelor's degree. A student must complete a bachelor's degree before they are fully admitted into the MBA program. Additional stipulations apply, please see the application for graduate credit for all criteria and requirements.

RESEARCH OPTIONS

Research study is integrated in some manner in each of the courses offered. All graduate degree candidates are expected to complete research assignments and requirements for their respective programs in compliance with guidelines established by the Institutional Review Board of the Graduate and Professional Studies Committee. Students are required to work with course instructors to follow course requirements in research areas and to receive information on what the work in the specific class requires.

RESIDENCY REQUIREMENTS

All but nine hours of the course work in the MBA degree must be taken at Carson-Newman University. Courses taken on the Carson-Newman University campus or online, independent studies, thesis, other research, and internships will meet the residency requirements.

TIME LIMIT TO COMPLETE DEGREE

Graduate work for the MBA degree must be completed within five (5) years of admission into the program.

The Dual Degree program requires the successful completion of all course work for MSC and CACREP accredited programs.

Master of Science in Counseling Program of Study

The Master of Science in Degree Specializations in both Clinical Mental Health Counseling and Professional School Counseling are fully accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP). Students in the GSC programs follow a cohort model and are expected to adhere to their Plans of Study. Failure to follow a Plan of Study as laid out by their advisor may result in delayed graduation. Students work with their faculty advisors to make necessary modifications to develop their Plans of Study to meet credentialing requirements. Licensure as a Professional Counselor or Marriage and Family Therapist requires supervised counseling beyond the graduate degree and specific examinations required for the licensure area. Additional licensure requirements may be necessary for some areas of specialization.

All students in the Clinical Mental Health and Professional School Counseling Specializations are required to complete a comprehensive examination. Passing scores of the examination are required for the receipt of the MSC degree in Clinical Mental Health Counseling. Students in this program are encouraged to take the National Counselor Exam prior to graduation.

Mission Statement

The mission of Carson-Newman Graduate Studies in Counseling program is to provide high quality training and curricular experiences to graduate students who have a passion for service, leading to eligibility for licensure as a professional counselor in mental health and PK-12 school settings. We are honored to produce ethically and culturally competent counselors who demonstrate professional leadership, dedication to social justice, and commitment to client advocacy for the people of the Appalachian region and the broader pluralistic nation and world.

Program Goals

To fulfill our mission, the Graduate Studies in Counseling (GSC) faculty established the following program goals to guide training of our students. The GSC program will provide counselors-in-training with: Knowledge and understanding of human development, helping processes, and evidence-based counseling approaches that build on client strengths.

- Skills to deliver prevention, intervention, and advocacy services to individuals, groups, and families.
- Preparation to be reflective practitioners whose professional dispositions reflect a high commitment to continual development of self and professional competencies.
- Capability to deliver a standard of care that is consistent with the ethical guidelines approved by professional counseling associations and Carson-Newman University.
- Ability to develop holistic, multicultural competencies and strategies to work effectively with diverse client populations.

Program Objectives

As a result of successfully completing a specific GSC program, graduates will be able to:

- Demonstrate an understanding of the counseling profession, develop an identity as a counselor, and demonstrate a willingness to provide counseling services within the ethical guidelines of the counseling profession.
- Gain significant knowledge of major counseling theories in the context of individual and group counseling and apply this understanding to the counseling process.
- Demonstrate effective individual counseling techniques that facilitate client growth and demonstrate the ability to evaluate progress toward treatment goals.
- Develop an understanding of the social and cultural influences on human behavior and to recognize the impact of individual differences on the counseling process.
- Develop both theoretical and experiential understandings of group purpose, development, dynamics, counseling theories, group counseling methods and skills, and other group approaches.
- Develop an understanding of developmental aspects of human growth and appreciation for the nature of human development and its integration within the counseling process.
- Develop an understanding of career development and related life factors and the effects on an individual's mental health and lifestyle and its application within counseling.
- Gain significant knowledge of counseling models applicable to children and adolescents and demonstrate use of those models with youth.
- Develop the ability to read, critique, evaluate, and contribute to professional research literature.
- Gain knowledge and skills in assessment techniques and apply basic concepts to individuals and group appraisal.
- Develop an integration of knowledge and skills needed for effective counselor practice through supervised practicum and internship experiences.
- Develop professional and personal reflection as an integral practice of effective counseling and demonstrate ability to use it to strengthen counseling competencies.

Program Objectives for Clinical Mental Health Counseling

In addition to the core objectives, clinical mental health counseling program graduates will be able to:

- Gain knowledge of holistic mental health counseling models and apply this understanding to prevention and intervention

approaches with individuals from a variety of etiological, familial, personal, and environmental contexts.

- Gain knowledge of family systems in a multicultural society and apply this understanding to the helping process.

Program Objectives for Professional School Counseling

In addition to the core objectives, professional school counseling program graduates will be able to:

- Demonstrate an understanding of how to design, implement, and evaluate comprehensive developmental school counseling programs.
- Gain significant knowledge in directing school counseling services to close gaps in achievement, opportunity, and aspiration to enable all students to meet school success.

Repeating a Course for a Grade

Graduate students may repeat any course for which they receive an "F." Courses in which a passing grade is earned are not repeatable except grades of "C" needed to regain academic good standing. When a course is repeated, only the most recent grade with no additional hours attempted will be used in calculating grade averages. Stated differently, the LAST grade earned will be the grade of record and will be used to determine if University requirements have been satisfied.

Research Options

Research study is integrated in some manner in each of the courses offered. All graduate degree candidates are expected to complete research assignments and requirements for their respective programs in compliance with guidelines established by the Institutional Review Board of the Graduate and Professional Studies Committee. Students are required to work with course instructors to follow course requirements in research areas and to receive information on what the work in the specific class requires.

Residency Requirements

All but nine (9) hours in the Graduate Studies in Counseling are required to be "residency" hours. All Carson-Newman GSC courses taken on campus, online, hybrid, and all clinical requirements are considered residency.

Time Limit to Complete Degree

Graduate work for the MSC degree must be completed within five (5) years of admission into the program.

DUAL DEGREE PROGRAM: MSC AND EDS

The Master of Science in Counseling and Educational Specialist Dual degree is designed for students who want to complete CACREP training in both the Master of Science in Counseling in Professional School Counseling and in Clinical Mental Health Counseling. Through this degree option, students are allowed to move from one area of specialization of counseling into another specialization during their entry level preparation for both. However, both specialization trainings are required to be completed before either degree (MSC/EdS) is conferred. The Master of Science in Counseling would not be awarded until the completion of the EdS degree. Upon receipt of the EdS, the students would have met all the requirements for both specializations (Professional School Counseling and Clinical Mental Health Counseling). This dual degree option requires that the coursework for both degrees be completed at Carson-Newman. Students work with their faculty advisors to make necessary modifications to develop their Plans of Study in order to meet credentialing requirements. All students who complete the Dual degree program are required to take the National Counselor Exam and the Praxis II: Professional School Counselor (5421). Passing scores on these exams are required for the receipt of the MSC/EdS degree in Professional School Counseling and Clinical Mental Health Counseling.

GRADUATE COUNSELING COURSE DESCRIPTIONS

COUN 501. Foundations of School Counseling, 3 credits, Fall
 Introductory course in school counseling designed to give students an
 understanding of the history, philosophy, trends, professional
 competencies, and ethics in school counseling. The ASCA National
 Model for building comprehensive school counseling programs will be
 applied to such counselor duties as individual and group counseling,
 classroom guidance, advocacy, consultation, collaboration, and
 coordination.

**COUN 502. Theories and Techniques of Counseling, 3 credits,
 Fall, Spring.** An introduction to the counseling process, theories of
 counseling, and the helping relationship. A comparative analysis of
 major counseling theories and techniques will enable students to begin
 building a personal approach to counseling. Ethical, multicultural,
 and research issues will also be covered in depth.

**COUN 514. Helping Relationships and Counseling Skills with
 Individuals and Families, 3 credits, Fall, Spring**
 This course provides the basis for understanding the helping
 relationship in the counseling profession, including multi-cultural
 sensitivity. Students will examine the history of the counseling
 profession and learn to differentiate clinical counseling approaches
 based upon the client and the context of the therapeutic relationship.

The acquisition of basic counseling skills effective for counseling
 individuals and families will occur.

**COUN 550. Holistic Counseling in a Diverse World, 3 credits,
 Summer.** This course facilitates the understanding and acceptance of
 all cultures and differentiated individuals within the counseling
 profession. An examination of multi-cultural and pluralistic trends is
 coupled with exploration of personal biases and experiences.
 Counseling skills and approaches among varying cultures are fortified.

COUN 561. School Orientation for Counselors, 3 credits, Spring
 In accordance with the requirements for Tennessee Licensure
 Standards for School Counselors (preK12), this course is required for
 professional school counselor candidates who do not have teaching
 experience. The orientation experience will provide observation,
 participation in classroom instruction, and analysis of classroom
 activities.

COUN 565. Group Counseling Processes, 3 credits, Fall, Spring
 Background in group methods, including group counseling, group
 guidance, and group dynamics. One half of class time is spent in a
 laboratory experience in which each student is provided an
 opportunity to function in a group. Students will develop the ability to
 lead large and small group counseling activities in such areas as
 personal and interpersonal growth, self-help and problem solving, and
 career and vocational development. **Prerequisite: COUN 502 or
 instructor approval.**

**COUN 566. Life-Span Development: Implications for Counseling,
 Spring.** This course examines the major issues and influences
 impacting human development across the lifespan. The examination
 of the major theories of human development includes physical,
 language, psychological, cognitive, social, and moral perspectives. This
 course focuses on the integration of theoretical foundations of human
 development to form a framework for the counseling process and
 implications for counseling across the lifespan. **(Same as EDUC
 566)**

COUN 567. Career Development and Counseling, 3 credits, Fall
 This course will examine ways in which counselors and other helping
 professionals assist persons of all ages in their life/career development.
 Emphasis will be on understanding theories, methods information
 systems, and techniques for fostering career awareness, exploration,
 planning, decision making, and preparation. The interrelationships
 among work, family, and other life roles, including multicultural and
 gender issues, will be addressed.

COUN 568. Individual and Group Appraisal, 3 credits, Summer
 An overview of measurement methods and evaluations of tests and
 testing programs for school and related counseling programs. It will
 provide students with the information and materials necessary for an
 understanding of appropriate tests and other assessments to assist
 students and their parents in making effective education, social, and
 career decisions and develop the ability to use group administered
 educational and psychological measurement and appraisal
 instruments.

COUN 569. Introduction to Family Systems in Counseling, 3 credits, Spring. The family process from a systemic perspective. Attention will be given to the multigenerational process, the family cycle, and emotional, moral, and spiritual development. Students will develop an understanding of social and cultural change with respect to various racial, gender, and ethnic groups, and knowledge of differing cultural and lifestyle patterns.

COUN 580. Crisis and Trauma Interventions in Counseling with Individuals & Families, 3 credits, Spring, Summer. Overview of the helping relationship in the context of crises which arise during the standard counseling relationship as well as preparation needed to become a crisis counselor will be emphasized. Crisis counseling such as: basic listening and responding skills, strong community development and professional response in times of crises including disasters is studied and practiced. An additional emphasis will be placed on working effectively in traumatic situations and the development of treatment plans in cases involving trauma with children, adolescents, individual adults, families, and Pk-12 school settings. Professional self-care and reflection will be emphasized.

COUN 585. Professional Orientation and Ethics in Counseling, 3 credits, Summer
Ethics of counseling will be explored within the context of historical and philosophical exploration of the field. Students will synthesize personal counseling philosophies and techniques with professional ethical standards established by the American Counseling Association and the Marriage and Family Therapy Ethical Code. Special attention will be provided to developing and maintaining professional awareness and wellness throughout one's career. These concepts will be linked to advocacy and the social justice model.

COUN 586. Study of Abnormal Behavior, DSM, and Psychopathology, 3 credits, Fall, Spring
This course explores the development, symptoms, and patterns of abnormal behavior. Students are introduced to the DSM V categorization and classification of psychiatric phenomena. Case studies of psychopathological behavior will be analyzed to enable students to make informed diagnoses of abnormal behavior and to promote critical thinking around ethical and diversity issues of psychopathology classification.

COUN 587. Assessment and Treatment Planning, 3 credits, Spring
This course provides students with the ability to evaluate and assess clients within the context of the counseling relationship. The course provides an outline of diagnostic principles based on the DSM V. The value of treatment planning based upon diagnosis and its link to quantifiable treatment outcomes will be explored. **Prerequisite:** COUN 586 or instructor approval.

COUN 589. Counseling Practicum, 3 credits, Fall, Spring, Summer
Supervised practicum experiences totaling a minimum of 100 clock hours including a minimum of 40 hours of direct service to clients/counselees over a minimum 10-week academic term. **Program Faculty Approval Required. \$100 fee.**

COUN 638. Play Therapy across the Lifespan, 3 credits, Summer
Introduction of counselors, educators, and community service personnel

COUN 611. Counseling and Development of Children and Adolescents, 3 credits, Spring, Summer and as needed.
Counseling theories and techniques with children and adolescents in individual and group settings. Designed to build counseling skills and programs for children and adolescents. The needs of at-risk youth and diverse populations are an integral part of the course.

COUN 612. Consultation and Collaboration, 3 credits, Summer as needed. A study of theoretical approaches, skills, and techniques used by counselors who seek to consult and collaborate with parents, school personnel and community professionals.

COUN 613. Design and Evaluation of Comprehensive School Counseling Programs, 3 credits, Spring.
Comprehensive review and implementation of the knowledge and skills learned during the school counseling graduate program. The student is required to complete a needs assessment in accordance with the ASCA national model for one part of a school counseling program, design a specific program plan to meet a need identified within the school setting, implement the program, and evaluate the outcomes of the program. This course is intended to be taken during the same semester as COUN 665: School Counseling Internship so that students may work closely with their respective internship site supervisor and the program faculty member. **Prerequisite:** COUN 630 or instructor approval.

COUN 614. Substance Abuse and Addictions Counseling for Individuals and Families, 3 credits, Fall.
This course provides students with a comprehensive overview of the role of addiction in the counseling field. Chemical addiction, as well as non-substance related addictions, will be explored. Special emphasis will be placed on understanding and treating the dual diagnosis client. The course will survey a variety of approaches to treating addiction, including both abstinence and non-abstinence-based models of treatment.

COUN 630. Counseling 630 Research and Program Evaluation, 3 credits, Fall. Students will realize the importance of research and program evaluation within the counseling profession. An exploration of a variety of research and program evaluation techniques including quantitative, qualitative, and mixed-methods research will be synthesized with recognized evidence-based practices in counseling. Students will integrate appropriate statistical techniques into their knowledge of research. Special attention will be paid to creating discerning consumers of research, developing a discriminating eye for culturally and ethically biased research.

COUN 634. Topics in Counseling, 3 credits, offered as needed A critical analysis of books, research, current or foundational issues, theories, or specialty areas significant for counseling. This course may be repeated for credit with a different topic. A student may enroll for no more than a total of six (6) semester hours of topics courses taken independently within the graduate program. **Prerequisite:** Instructor approval.

to the history, theories, techniques, and appropriate uses of play therapy across the lifespan. Utilizes discussion, practice, and feedback in the

exploration of play therapy. Offers students the opportunity to develop resources for use in their area of concentration and serves as a first step in learning the basics of play therapy.

COUN 640. Marriage and Family Therapy in Mental Health, 3 credits, Summer. An overview of the historical, conceptual, and contextual development of the field of family therapy, including a preliminary exposure to a variety of systems perspectives on families and couples. Approaches to be explored include those developed by Minuchin, Haley, Madanes, Satir, Bowen, Whitaker, and others. Attention will be focused on distinguishing between the systemic approaches in terms of assessment, treatment interventions, and theoretical foundations. Contemporary directions of the field will be explored. **Prerequisite: COUN 569 or instructor approval.**

COUN 653. Spirituality, Family Systems, and Holistic Mental Health, 3 credits, Summer Online.

Exploration of the use of spirituality as a counseling technique in mental health professions and family therapy. In addition, this course also examines spiritual formation and spiritual direction as autonomous holistic practices and disciplines while comparing them with mental health disciplines.

COUN 665. School Counseling Internship, 3 or 6 credits, Fall, Spring. Supervised clinical field experience consisting of a minimum of six hundred (600) clock hours in an educational setting appropriate to school counseling. The intern will be expected to perform duties of a professional school counselor. These duties include individual and group counseling, classroom guidance, advocacy, consultation, collaboration, and coordination. Interns are required to take six (6) hours of internship in school counseling. The intern may enroll twice for three (3) credit hours completing three hundred (300) clock hours each time or enroll for six (6) credit hours to complete six hundred (600) clock hours. Six (6) hours is required to be taken either in two semesters of 3 (3) hours each or one semester of 6 (6) hours. **Prerequisites: COUN 589 and program faculty approval.**
\$100 fee.

COUN 650. Neuroscience and Counseling Interventions with Individuals & Families, 3 credits, Fall.

Exploration of the emerging field of behavioral medicine, especially as it applies to psychotherapy among children, adolescents, adults, and families. A special focus will be upon non-medical techniques to balance brain chemistry which determines our behavior, moods, and health in general. The course will provide a broad overview of trends in Psychopharmacology. The orientation of the course will be a holistic concept of personhood. Recent medical studies on the efficacy of belief will be considered, as well as how behavioral medicine techniques can be used effectively in traditional psychotherapy.

COUN 664. Counseling Students for College Access and Success, 3 credits, Summer as needed. This course explores the theories and models for working with students and families to promote postsecondary education access and success. Attention will be given to skill development for counseling the college bound student. Special

emphasis will be placed on strategies for empowering low income and minority students toward postsecondary education.

COUN 668. Mental Health Counseling Internship, 3 credits, Fall, Spring, Summer. Six graduate credit hours taken as two three-hour courses are required. Supervised clinical field experience consisting of a minimum total experience for both courses of 600 clock hours in appropriate and approved counseling settings. A total of a minimum of 240 hours of direct counseling experience is required including individual, family, and group counseling experiences. Each 3 hr internship course consists of 300 hours of clinical field experience and a minimum of 120 hours of direct counseling experience. Six (6) hours is required to be taken over two semesters of three (3) hours each.

Prerequisites: COUN 589 and program faculty approval.
\$100 fee.

GRADUATE EDUCATION

Kim Hawkins, Dean, School of Education and Counseling
Cindy Lang, Chair of Education

ACCREDITATION

The Carson-Newman University Education Department is accredited by the Council for the Accreditation of Educator Preparation (CAEP). All licensure programs are approved by the Tennessee State Board of Education. Licensure exams pass rate information is displayed yearly in Tennessee's Annual Teacher Preparation Report Card.

MISSION STATEMENT

In line with the vision and mission of the University, the graduate programs in education seek to prepare caring and professionally competent teachers, counselors, administrators, and other professionals who feel called to lifelong commitments to leadership, learning, and service. The graduate programs provide positive learning experiences in an atmosphere that encourages students to explore how to be professionals in public and private schools with a Christian perspective.

PROGRAM GOALS

The graduate program plans experiences that help all graduate candidates to meet the following goals:

- o Use research findings from professional literature, knowledge of best practice, and action research to reflect upon and make informed decisions about their own professional practice.
- o Use technology as a tool to maximize student learning, manage professional responsibilities for oneself and others, and promote continued professional development for leadership roles.
- o Effectively use varied assessment strategies to meet the needs of all children and teachers and to promote overall school improvement.
- o Respectfully consider the needs of children and families from diverse cultural backgrounds to serve as change agents to ensure that all students learn.
- o Facilitate desirable relationships between home, school, and community to improve the overall quality of schools as places of learning for all students.

REPEATING A COURSE FOR A GRADE

Students in graduate education programs may repeat a failed course one time. A second F in the repeated course will result in dismissal from the program. Courses in which a passing grade is earned are not repeatable except grades of "C" needed to regain academic good standing. When a course is repeated, only the most recent grade with no additional hours attempted will be used in calculating grade averages. Stated differently, the LAST grade earned will be the grade of record and will be used to determine if university requirements have been satisfied.

RESEARCH OPTIONS

All graduate degree candidates are expected to complete research requirements for their respective programs in compliance with guidelines established by the Institutional Review Board of the Graduate Committee. Candidates in the MAT and the MEd programs in Education may complete the research requirement for the program by completing a master's thesis or selecting the non-thesis action research project. Candidates should consult with their academic advisors to make the appropriate research project choice to complete the master's degree.

Candidates in the EdS program complete research requirements through courses and the professional portfolio. Candidates in the EdD program complete the doctoral dissertation following successful completion of core coursework, examinations, the research course sequence, and an approved proposal for the dissertation research.

RESIDENCY REQUIREMENT

All but nine (9) hours of course work in the MAT, M.Ed., and Ed.S. degrees and twelve (12) hours in the Ed.D. degree must be residency hours. Courses taken on Carson-Newman University campus or online, independent studies, thesis, other research, and internships will meet the residency requirements.

TIME LIMIT TO COMPLETE DEGREE

Graduate work for the MAT degree, the MEd degree, and the EdS degree must be completed within five years of admission into the program. Graduate work for the EdD degree must be completed within seven years of admission into the program. EdS graduates who wish to return to Carson-Newman to complete the EdD degree must do so within 7 years from the time of their acceptance to the program.

MASTER OF ARTS IN TEACHING (MAT)

MAT: CURRICULUM AND INSTRUCTION -PROGRAM GOALS

The Master of Arts in Teaching (MAT) Degree provides a route to initial licensure for those who feel called to teach and who arrive with a completed baccalaureate degree from a regionally accredited college or university. The purpose of this graduate level initial licensure program is to prepare committed, caring, and competent professional educators who provide opportunities for children, PreK12 so that all students can and will learn.

MAT GRADUATES WILL:

- Develop the ability to evaluate learning in order to plan and execute appropriate instruction.
- Use action research to make instructional decisions.
- Use technology to support and stimulate teaching and learning accurately reflect on practice for life-long learning about oneself and one's practice as a professional educator.
- Develop knowledge of and appreciation for diversity and multiculturalism such that these assets are effectively promoted and used in the classroom.
- Understand relationships in the school and between the school and the home and community to support student achievement.

STATE REQUIREMENTS FOR LICENSURE

Master of Arts in Teaching degree candidates, in addition to meeting the MAT degree requirements, must also meet licensure requirements of the state in which they are planning to teach. The Teacher Education Office will offer information concerning licensure requirements in Tennessee. Those seeking to be licensed in other states are responsible for making sure they are meeting their respective state's requirements, as published

on the individual state department of education web site, but the Carson-Newman University Teacher Education Office can assist students in determining how to locate that information.

LICENSURE AREAS

The MAT degree provides a route to initial licensure in the following areas: Integrated Early Childhood, Elementary Education (K-5), Middle Grades (6-8): Mathematics & Science, Language Arts & Social Studies, Family and Consumer Sciences Education (5-12)

K-12 areas:

Music (Instrumental or Vocal)	Physical Education
English as a Second Language	Theater
Visual Arts	

Secondary Education (6-12):

Biology	Business	Chemistry
English	Government	History
Mathematics	Physics	Psychology
Spanish		

Special Education: Comprehensive K-12, Interventionist K-8, Interventionist 6-12

STUDENT TEACHING

Each student's teaching experience in the MAT degree program is a full semester with placement in two different settings. Teacher candidates are expected to be in the schools for the full day, following the same schedule as their cooperating teacher. A student teacher cannot be paid for being in the classroom. Students seeking an initial teaching license in Tennessee are required to have completed all methods courses at Carson-Newman University. Student teachers cannot take any courses during their student teaching semester except in extreme circumstances, and then no more than one course, which must be the last course needed for licensure or degree. Approval to take a course during student teaching must be obtained from the student's advisor and department chair. Student teachers are required to carry liability insurance during all practica as well as during the student teaching experience.

Prior to enrolling in the student teaching semester, students are required to have passed scores on the appropriate content knowledge licensure exam.

Prior to the completion of the student teaching semester, students are required to obtain passing scores on all exams required for licensure in their major area of study. All content area exams required for licensure must be passed before a passing grade is assigned for the seminar course. Successful completion of seminar is a requirement for completion of MAT licensure programs.

INSTRUCTIONAL LEADER LICENSE SPECIALIZATION, (21 CREDITS)

The Instructional Leader License Specialization is designed for teachers who want to become licensed school administrators or principals. This specialization is developed to be taken congruently with the MEd in Educational Leadership, Ed.S. in Administrative Leadership, or Ed.D. in Administrative Leadership, or by a candidate who already has a master's degree and meets the other criteria for admissions. Students who complete the Instructional Leader Specialization meet the qualifications to receive Tennessee's Instructional Leadership License.

Aspiring Instructional Leadership License (ILL-A)

Candidates can be hired as assistant principals with Tennessee's Aspiring (ILL-A) Instructional Leadership License. This is an administrator license, valid for five years, that is issued to applicants

who hold a bachelor's degree and are enrolled in the Instructional Leader License Specialization. The ILL-A may not be renewed but can be advanced if the candidate has met licensure expectations.

ADMINISTRATOR LICENSE, 21 CREDITS

Twenty-one (21) credits from the following:

EDUC 527: School Safety and Security, 3 credits
 EDUC 575: Administrator Field Experience, 3 credits
 EDUC 638: Foundations of Leadership, 3 credits

EDUCATIONAL SPECIALIST AND DOCTOR OF EDUCATION PROGRAMS

Building on the quality and mission of the master's degree programs in education at Carson-Newman University, the mission of the advanced graduate programs at the Ed.S. and Ed.D. level is to provide significant knowledge through rigorous instruction, to cultivate candidate learning through research and critical analysis, and to lead candidates to significant contributions in their professional environments.

The following programs are offered:

EDUCATIONAL SPECIALIST, WITH THE FOLLOWING CONCENTRATIONS:

- *Administrative Leadership Concentration*
- *Curriculum and Instruction Leadership Concentration*

DOCTOR OF EDUCATION IN EDUCATIONAL LEADERSHIP, WITH THE FOLLOWING CONCENTRATIONS:

- *Administrative Leadership Concentration*
- *Curriculum and Instruction Leadership Concentration*

The Ed.S. and Ed.D. in Educational Leadership have been designed using the revised Tennessee Instructional Leadership (TILS) Standards and the Professional Standards for Educational Leaders (formerly ISLLC).

PROGRAM GOALS

Candidates in the Ed.S. and Ed.D. programs will, based on the Interstate School Leaders Licensure Consortium Standards: Facilitate the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by the school community; Advocate, nurture, and sustain a school culture and instructional program conducive to student learning and staff professional growth; Ensure the management of the organization, operations, and resources for a safe, efficient, and effective learning environment; Collaborate with families and community members, responding to diverse community interests and needs and mobilizing community resources; Act with integrity, fairness, and in an ethical manner; and Understand, respond to, and influence the larger political, social, economic, legal, and cultural context.

In addition, candidates in the Ed.D. program will: Conduct original research designed to address educational issues/problems and/or enhance the success of all students in local settings; and Integrate contemporary developments at the local, state, national, and international levels in designing research that seeks to enhance the success of all students.

Candidates may choose the Administrative Leadership Concentration or the Curriculum and Instruction Leadership Concentration. Ed.S. candidates complete the same courses as Ed.D. candidates, but the Ed.S. program requires only mentored residency and professional portfolio, rather than the dissertation. Candidates may choose to complete the dissertation and the Ed.D. degree after completing the Ed.S. degree.

Administrator's License (ILL) - Ed.S. and Ed.D. Level Specialization can be taken concurrently for students seeking administrative licensure.

The orientation experience will provide observation,

participation in classroom instruction, and analysis of classroom activities.

EDUC 651. Internship in School Counseling I, 3 credits, Fall, Spring.

Two hundred (200) hour supervised school counseling experience. The internship will provide practical learning experiences supervised by a professional. Instructor approval, Praxis II passing scores.

EDUC 652. Internship in School Counseling II, 3 credits, Fall,

Spring. Two hundred (200) hour supervised school counseling experience. The internship will provide practical learning experiences supervised by a professional. **Pre or Corequisites: EDUC 651, Instructor approval, Praxis II passing scores.**

EDUC 653. Internship in School Counseling III, 3 credits, Fall,

Spring. Two hundred (200) hour supervised school counseling experience. The internship will provide practical learning experiences supervised by a professional. **Pre or Corequisites: EDUC 652, Instructor approval, Praxis II passing scores.**

***EDUC 655. Reading Instruction & Assessment, 3 credits, Fall**

Introduction to the theory that undergirds literacy development and emphasizes practical implementation of effective literacy strategies. Students will develop an understanding of the causes of reading difficulties and use this knowledge in planning and assessing literacy skills of an individual student. Includes practicum experience. **\$50 fee.**

EDUC 660. Thesis, 3 credits, Fall, Spring, Summer

A research project designed with the help of a faculty advisory committee (thesis committee). Students who do not complete the thesis in one semester are required to maintain continuous registration in EDUC 660 until completion of the thesis.

Prerequisites: EDUC 630 and EDUC 631.

EDUC 661. Mentored Teaching, I: Foundations of Education, 3

credits, Fall. For those students who are enrolled in Tennessee's alternate pathway to licensure and teaching in P-12 classrooms. Class meetings will emphasize lesson planning, IEPs, SMART Goals, edTPA, literacy implications for discipline-specific licensure areas, and the historical, sociological, and philosophical foundations of American Education. *Prerequisite: Admission to the Job-Embedded Practitioner Program.* **\$100 fee.**

EDUC 662. Mentored Teaching, II: Literacy & Technology, 3 credits,

Fall. For those students who are enrolled in Tennessee's alternate pathway to licensure and teaching in P-12 classrooms. This course builds data literacy and equips students to utilize computer software. A particular focus will include examining standardized test scores and utilizing technology to improve instructional practice and P-12 student outcomes. No prior experience with technology is necessary. Macintosh and Windows platforms are used. *Prerequisites: EDUC 661 and EDUC MENT1.* **\$100 fee.**

EDUC 663. Mentored Teaching, III: Professional Development, 3 credits, Spring. For those students who are enrolled in Tennessee's

alternate pathway to licensure and teaching in P-12 classrooms. The course will focus on classroom safety, reporting requirements, on-going literacy implications for discipline-specific licensure areas, and continuing teacher licensure requirements. In addition, students must obtain passing scores on any other remaining required content area exams, for successful completion of the course. Successful completion of this course is a requirement for completion of the license. **Prerequisites:** EDUC 661, EDUC 662, EDUC MENT1, & EDUC MENT2. *\$100 fee.*

***EDUC 664. Supervised Teaching Experience, 3 credits, offered as needed.** For those students who are teaching under a transitional license in PreK-12 classrooms. Carson-Newman faculty, in collaboration with school personnel, will evaluate the student while he/she is teaching as a fully employed teacher in the area in which state licensure is being sought. **Prerequisite:** Transitional License. *\$200 fee.*

***EDUC 665. Enhanced Student Teaching, 9 credits, offered as needed.** The MAT degree student will be working full-time in a school setting for an entire semester (15 weeks) under the supervision of a master teacher from the schools and a professor from the University. **Prerequisite:** Praxis II passing scores.

***EDUC 667. Student Teaching: Placement One, 4 credits, Fall, Spring** Observation, participation, and teaching under professional supervision. Must be taken concurrently with EDUC 668 and EDUC 669. **Prerequisite:** Admission to the student teacher semester. *\$200 fee.*

***EDUC 668. Student Teaching: Placement Two, 4 credits, Fall, Spring** Observation, participation, and teaching under professional supervision. Must be taken concurrently with EDUC 667 and EDUC 669. **Prerequisite:** Admission to the student teacher semester. *\$200 fee.*

***EDUC 669. Seminar in Student Teaching, 1 hour, Fall, Spring** This course is designed as the capstone experience for the teacher education program and the student teaching experience. Student teachers will reflect upon and analyze the experiences they are having in the classrooms to which they are assigned, and they will refine skills for entering the teaching profession. Each student will complete the process by which the developmental portfolio is transformed into the exit portfolio. All content area exams required for licensure must be passed before a passing grade will be assigned for the course. Successful completion of this course is a requirement for the completion of all licensure programs. Must be taken concurrently with EDUC 667 and EDUC 668. **Prerequisite:** Admission to the student teacher semester. *\$50 fee.*

EDUC 670. Legal and Ethical Issues, 3 credits, Fall

This course focuses on legal and regulatory mandates outlined in federal, state, and local laws and court decisions, emphasizing school personnel's legal rights, responsibilities, and liabilities for maintaining a safe, orderly, and fair school climate. Moral, ethical, and professional dilemmas that affect decision-making processes and relationships of school personnel with parents, staff, and the larger community will be a significant part of

the course. Students are expected to explore, discuss, and meaningfully construct concepts and relationships in contexts that involve real-world problems relevant to a school leader. Required Practicum: A field experience activity worth 25 hrs. is included, reflecting TILS-B, C, D. **(Course number change from EDUC 525.)**

EDUC 671. Curriculum and Instructional Strategies, 3 credits, Fall This course provides an overview of current trends in PreK-12 school curriculum and recent research findings related to best practice in instructional design, including the integration of technology and multidisciplinary literacy skills. The factors that impact high quality curriculum and instruction, including attention to diverse learners, national and state curriculum standards and social and emotional learning are addressed. **(Course number change from EDUC 530.)**

EDUC 672. Evaluation for Continuous Improvement, 3 credits, Spring. This course emphasizes the planning and implementation of assessment strategies designed to evaluate student learning, staff performance using the Tennessee's evaluation model, and staff professional growth; utilizing assessment data to make decisions regarding improvements to instructional programs, and the development of school vision/goals and to inform stakeholders of progress related to these areas. Class activities are designed to expose participants to the development of a vision of learning based on the implementation of the *Tennessee Instructional Leadership Standards* and are aligned with the *Tennessee Standards for Professional Learning* and the *Tennessee Literacy Standards for Instructional Leader Preparation*. Required Practicum: A field experience activity of 25 hrs. is included, emphasizing TILS-A, C. **(Course number change from EDUC 572.)**

EDUC 673. Management of the School, 3 credits, Summer Leading school-wide literacy provides the course focus. All activities align with TILS, Tennessee Literacy Standards for Instructional Leaders, and PSEL Standards. Candidates work with instructional leaders in their districts and with authentic school literacy data to solve school-based literacy problems. In addition, candidates create a school-wide literacy plan, develop professional development for all members of their school faculty and staff, plan for adjustments in resources and human capital to resolve literacy issues, and develop the skills of collaborative leadership to increase the capacity of the school to create supportive, diverse, equitable, and inclusive school environments. **Required Practicum:** A field experience activity of 25 hrs. is included, emphasizing TILS A, B, C **(Course number change from EDUC 573.)**

EDUC 674. Professional Learning Community, 3 credits, Summer This course focuses on development of skills to promote a sense of professional community with all stakeholders from culturally diverse backgrounds, including school personnel, students, parents, and community leaders. Emphasis is placed upon the development of interpersonal relationship skills, literacy development, consensus building strategies, and conflict resolution techniques, as well as traditional forms of verbal and nonverbal communication techniques. The students research and present information of Professional Learning Communities to the class and to their school districts. **Required Practicum:** A field experience activity of 25 hrs. is included, emphasizing TILS A, B, C **(Course number change from EDUC 574.)**

The complexities of effecting positive organizational change and motivational theory are addressed.

EDUC 723. Emergent Educational Trends and Topics, 3 credits

This course investigates contemporary educational leadership topics, trends, and issues. The impact of global, social, economic, professional, and political issues on the leadership process are discussed. Students will study current research and use analytical skills for reflective discussions and compositions. Emphasis is placed on the ability of educational leaders to assess the value and applicability of emerging, research-based educational trends for organizational improvement.

EDUC 724. Financial Planning and Responsibilities, 3 credits

The course introduces candidates to the financial operation of the school and district. Candidates explore the Tennessee BEP funding formula for local school systems, create presentations for internal and external stakeholders, meet with finance leaders to learn about specific local issues, and apply the Tennessee Internal School Uniform Accounting Manual and TCA laws to resolve school finance issues. In addition, candidates develop skills to use financial planning to create supportive, equitable, and inclusive school environments. **Required Practicum:** A field experience activity of 25 hrs. is included, emphasizing TILS D.

EDUC 740. Teacher as Leader, 3 credits

The course addresses research, theory, and best educational leadership practices as it applies to education professionals who lead school improvement but are not in administrative positions. The course explores the required knowledge, skills, and professional dispositions of teacher leaders; best practices in working with adult learners; current and emerging roles for teacher leaders; collaboration skills; and opportunities to apply theory to practice. The course tightly aligns with the TILS and PSEL standards.

EDUC 741. Diversity and Exceptionality Practice and Theory, 3 credits.

This course is designed to examine historical and current issues and theory in the area of leadership related to diversity and exceptionality within the school environment. Areas of emphasis include cultural and linguistic relationships and educational influence, social and cultural bias in the school environment, equity of educational opportunity, culturally responsive practices, and ethnographic data related to the topics of gender, race, academic ability, and socioeconomic status.

EDUC 749 Doctoral Research Practicum and Directed Readings, 3 credits.

This course immerses candidates in professional experience as a researcher completing a literature review preparatory to conducting research leading to a dissertation. It requires setting specific goals and objectives, a commitment to scholarly work, and meeting aggressive timelines. Candidates writing a literature review in this course must receive prior approval from their dissertation chair and the instructor in determining a suitable topic for research.

EDUC 750. Mentored Residency Internship/Professional Portfolio, 3 credits

The course design exposes candidates to activities that add value to their academic knowledge by applying theory to practice in authentic settings. Students under the supervision of a workplace mentor devise and complete a plan for practicum activities linking to each TILS Standards. In addition, candidates use data literacy and technology to solve instructional problems in the school. Residency activities include the delivery of professional development for school communities. Candidates submit a documented Professional Portfolio of all mentored activities, including planning with their mentor, delivery of professional development to a school audience, evidence of completion, extensive reflection, and logged credits in each practicum activity. **Required Practicum:** A field experience activity of 50 hrs. is included, emphasizing TILS A, B, C, D.

EDUC 751. Quantitative and Qualitative Research Design, 3 credits

The Quantitative and Qualitative Research Design course will address the philosophical underpinnings of research design and its impact on the selection and implementation of appropriate research techniques.

EDUC 752. Critical Analysis and Research Design, 3 credits

This course is designed to acquaint the student with the processes necessary to complete a proposed action research study. The student will complete a preliminary rough draft of Chapters One, Two, and Three of the dissertations (Chapter One – Introduction, Chapter Two – Professional Literature Review, Chapter Three – Research Methodology). Emphasis is placed on Chapter Two, a professional literature analysis and inclusion of empirical information and scholarly articles including an evidentiary basis that the study will add to substantive or theoretical understanding of gaps in the current literature. Outcomes will include literature summaries and critiques that are thematic and synthesized.

EDUC 753. Professional Composition Studies, 3 credits

The course is part of the educational leadership program research sequence. In this course, candidates develop skills of technical writers that assist in writing a dissertation. Through course activities, candidates

improve writing skills, knowledge of research with human subjects, research methodologies, application of current APA writing, format, and style, and critical analysis skills in professional writing.

EDUC 7546A. Dissertation First Semester, 6 credits

This course requires the candidate to: propose structured research, either qualitative or quantitative in nature, guided by the chair of the dissertation committee, and present a formal defense of the proposal upon approval of the manuscript by the dissertation committee. This first course in the formal dissertation process requires that the Proposal be completed and defended successfully before moving to EDUC 7546B, Continuing Dissertation, where the final chapters of the dissertation are completed, and the dissertation is formally defended. The proposal includes completion of Chapter One: Introduction, Chapter Two: Professional Literature Review, and Chapter Three: Research Methodology. This course holds the expectation of leadership continuous improvement through a thorough investigation of professional literature and methodology applicable to the topic chosen. *Prerequisite: Successful completion of the Comprehensive Examination and approval of the department chair. \$3, 480 Dissertation (Fee subject to change based on current tuition rates), \$20 Graduate Fidelity Fee, \$330 Tech Fee (Fee subject to change based on current tech fees)*

EDUC 7546B. Dissertation Continuing, 6 credits

This course requires the candidate to conduct structured research, either qualitative or quantitative in nature, guided by the chair of the dissertation committee. The candidate must successfully complete a final draft of the dissertation and present a formal defense of the dissertation upon approval of the manuscript by the Dissertation Committee. The final dissertation includes Chapter One: Introduction, Chapter Two: Professional Literature, Chapter Three: Research Methodology, Chapter Four: Presentation of Findings, and Chapter Five: Conclusions, Implications, and Recommendations. The course holds the expectation that the research conducted is comprised of original, valid data from multiple measures and findings are evidence-based. The study findings must be relevant to continuous improvement in an educational environment. Final dissertation approval must be granted by the Dean of Education. *Prerequisites: EDUC 7546A, Carson-Newman IRB approval including organizational approval, and Dissertation Chair approval. \$3, 480 Dissertation (Fee subject to change based on current tuition rates), \$20 Graduate Fidelity Fee, \$330 Tech Fee (Fee subject to change based on current tech fees)*

EDUC ANRVW. Annual Review, 0 credits, Spring

The Annual Review is required for all EdS and Ed.D. students upon completion of three semesters within the chosen program of study. Experience in examining theories of assessment and administering formal and informal tests and inventory instruments which lead to the development of remediation and teaching strategies.
Prerequisite: SPED 508 for students seeking initial licensure.

SPED 625. Managing Challenging Behaviors, 3 credits, offered as needed. Helps equip teachers with the skills, strategies, and dispositions to effectively manage and teach children whose behaviors challenge the system. These children will typically have a diagnosis along the spectrums of autism or emotional and behavior disorders.

SPED 664. Student Teaching in Special Education, 3 credits, Offered as needed.
Requires 90 clock hours in a special education classroom. It is open only to students adding special education endorsements to another certification area. **Prerequisite: Praxis II passing scores.**

SPED 667. Student Teaching: Placement One, 4 credits, Fall, Spring
Observation, participation, and teaching under professional supervision. Must be taken concurrently with SPED 668 and EDUC 669.
Prerequisite: Admission to the student teacher semester. \$200 fee.

SPED 668. Student Teaching: Placement Two, 4 credits, Fall, Spring
Observation, participation, and teaching under professional supervision. Must be taken concurrently with SPED 667 and EDUC 669.
Prerequisite: Admission to the student teacher semester.

TEACHING ENGLISH AS A SECOND LANGUAGE COURSES

TESL 560. Advanced Speaking Skills I, 3 credits, offered as needed Open only to international students enrolled who have learned English as a second language and need to develop their English-speaking skills. **Prerequisite:** permission of the director of the ESL program.

TESL 561. Advanced Speaking Skills II, 3 credits, offered as needed Open only to international students who have learned English as a second language and need to develop their English-speaking skills. **Prerequisite:** permission of the director of the ESL program.

TESL 562. History of the English Language, 3 credits, offered as needed (web-based only) / Includes both the inner and the outer history of the language. Examines the global spread of English. **Prerequisite:** permission of the director of the ESL program.

TESL 563. Advanced Writing & Research Skills I, 3 credits, offered as needed. Open only to international students who have learned English as a second language and need to develop their writing and research skills in English. **Prerequisite:** permission of the director of the ESL program.

TESL 564. Advanced Writing & Research Skills II, 3 credits, Offered as needed. Open only to international students who have learned English as a second language and need to develop their writing and research skills in English. **Prerequisite:** permission of the director of the ESL program.

TESL 565. Language and Culture, 3 credits, Fall, Summer periodically / Examines the relationship of language and culture, how individual experiences are affected by the cultural milieu, and how knowledge of the target culture affects the language learning experience. Strategies in teaching language through culture will be explored. *\$50 fee.*

***TESL 566. English Phonology, 3 credits, Fall, Summer periodically** Principles of articulatory phonetics and American English phonology are included in this course. English and other language sound systems are contrasted. Application of articulatory phonetics to ESL instruction is also included. **Practicum required.**

TESL 567. English Syntax, 3 credits, Spring, Summer periodically Overview of English morphology and syntax. Traditional structural and transformational-generative grammatical theories are explored. Practical applications for ESL using scientific grammar are also examined.

TESL 568. Language Acquisition, 3 credits, Spring, Summer periodically. Study of first and second language acquisition, with critical examination of current issues, theories, and models. Research methods used in examining language acquisition in classroom and other environments are examined.

TESL 569. Topics in Teaching English as a Second Language, 1-3 credits, Fall, Spring, Summer Critical analysis of significant books, critical research, or current issues in the field of English as a Second Language. This course may be repeated for credit with a different topic. A student may enroll for no more than a total of six (6) semester credits of topics courses taken independently within the graduate program.

TESL 580. TESL Curriculum, 3 credits, Fall, Summer periodically History and current realities and objectives in ESL. The scope and sequence of the ESL curriculum at various levels of acquisition and how to design ESL curricula are included.

***TESL 581. Introduction to Teaching English as a Second Language, 3 credits, Fall, Summer periodically** / This course introduces the history, methods, theories, and program models of teaching English as a second language. It includes an overview of the legal rights and classroom experiences of English language learners in American school. Instructional modifications and teaching strategies that support the academic success of second language learners in ESL and mainstream classes will be examined. **Practicum required.**

***TESL 582. Methods of Teaching English as a Second Language, 3 credits, Spring, Summer periodically** / This course provides an overview and analysis of teaching materials and activities used in ESL classrooms in the teaching of listening, speaking, reading, and writing skills. The course will emphasize an integrated approach in the teaching of English as a second language. **Practicum required.**

TESL 583. Evaluation of Language Learning, 3 credits, Spring, Summer periodically. / Reviews current methods for classroom and standardized ESL testing and evaluation.

TESL 584. Practicum in TESL, 3 credits, Fall, Spring, Summer An opportunity for students who have had course work in theory and methods to put into practice what they have learned under the supervision of an experienced ESL teacher for 75 clock hours.

TESL 600. Research in TESL, 3 credits, Fall, Spring, Summer Designed to help students reflect on their experiences in the Graduate TESL program and to complete the non-thesis option for the MATESL degree. Students will conceptualize, plan, research and write a scholarly paper following the guidelines provided. Should be taken during final semester. **Prerequisites:** Degree Plan.

TESL 665. Enhanced Student Teaching in ESL, 9 credits, offered as needed. The MAT-ESL degree student will be working full-time in a school setting for an entire semester (15 weeks) under the supervision of a master teacher from the schools and a professor from the University. **Prerequisite:** Praxis II passing scores.

TESL 667. Student Teaching: Placement One, 4 credits, Fall, Spring Observation, participation, and teaching under professional supervision. Must be taken concurrently with TESL 668 and TESL 669. **Prerequisite:** Admission to the student teacher semester. *\$200 fee.*

TESL 668. Student Teaching: Placement Two, 4 credits, Fall, Spring Observation, participation, and teaching under professional supervision. Must be taken concurrently with TESL 667 and TESL 669. **Prerequisite:** Admission to the student teacher semester. *\$200 fee.*

TESL 669. Seminar in Student Teaching, 1 hour, Fall, Spring This course is designed as the capstone experience for the teacher education program and the student teaching experience. Student teachers will reflect upon and analyze the experiences they are having in the classrooms to which they are assigned, and they will refine skills for entering the teaching profession. Each student will complete the process by which the developmental portfolio is transformed into the exit portfolio. All licensure requirements, including exams, must be completed before a passing grade is assigned for the course. Successful completion of this course is a requirement for the completion of all licensure programs. Must be taken concurrently with TESL 667 and TESL 668. **Prerequisite:** Admission to the student teacher semester. *\$150 fee.*

GRADUATE NURSING

Lana Spence, Dean, School of Health Sciences, Chair, Department of Nursing
Kimberly Bolton, Assistant Chair, Graduate Studies in Nursing

ACCREDITATION

The family nurse practitioner program in nursing at Carson-Newman University is accredited by Commission on Collegiate Nursing Education (<http://www.ccnaccreditation.org>). The Department of Nursing is approved by the Tennessee Board of Nursing.

NURSING PRACTICUM

A 46-semester hour program designed to prepare the registered nurse for advanced practice roles in nursing within the context of Christian beliefs, values, and behaviors. Clinical practicum includes a seminar and has a credit/clinical ratio of 1:4 hours.

Each clinical course requires a supervised practicum with a program approved preceptor under the direction of the course faculty. The student cannot be paid for participation in the practicum. Nurse malpractice insurance is obtained through Carson-Newman University every semester the student is enrolled in a clinical course and is paid through course fees.

Please note: All students currently enrolled in the family nurse practitioner program who are actively pursuing coursework will be given priority over new admissions or inactive students for placement into clinical courses. If there is no room in the program to allow the student to complete the program within the time allotted, then the applicant is not accepted. Tuition and fees for the graduate program in nursing will be the same for all students.

OBJECTIVES/OUTCOMES: FAMILY NURSE PRACTITIONER

1. Implement advanced nursing practice skills, clinical reasoning, and knowledge from nursing and other disciplines to promote and maintain the health of individuals and populations within all healthcare systems.
2. Demonstrate independent decision-making and clinical judgment in the provision of evidence-based, culturally appropriate healthcare to individuals and populations.
3. Demonstrate leadership, effective partnerships, and interdisciplinary collaboration in developing, assessing, planning, and improving healthcare for individuals and populations.
4. Apply knowledge from research and scholarly activity to evaluate, improve, and advance clinical practice and individual and population outcomes.
5. Analyze the impact of economics, health policy, and technological advancements on patient safety, provider safety, and healthcare quality.
6. Utilize informatics and healthcare technology to improve communication, gather data, generate knowledge, and provide/document care.
7. Demonstrate Christian values, accountability, and ethical conduct in healthcare practice with individuals, populations, and the nursing profession.

8. Demonstrate a commitment to personal and professional growth and a spirit of inquiry that fosters flexibility and professional maturity.

PROGRAM GOAL

The overall goal of the family nurse practitioner program is to prepare the registered nurse for advanced practice roles in nursing within the context of Christian beliefs, values, and behaviors.

RESIDENCY REQUIREMENT

All but nine (9) semester hours of course work in the family nurse practitioner for students desiring an MSN degree must be taken at Carson-Newman University. Courses taken on the Carson-Newman University campus, independent studies, thesis, other research, and clinical practicum meet residency requirements.

REPEATING A COURSE FOR A GRADE

For family nurse practitioner students who have been placed on academic probation, a grade of C may be repeated once to regain good academic standing. Students who are returning to the program after a dismissal must repeat the course with the failing grade in their first semester returning to the program.

TIME LIMIT TO COMPLETE DEGREE

Graduate work for the MSN degree or post-master's certificate must be completed within five (5) years of admission into the program.

ADVANCED PRACTICE PROJECT OPTION

Prior to beginning the advanced practice project option, a student must have completed NURS 510 Advanced Statistics, NURS 513 Theories of Nursing, and NURS 516 Research Methods and Design in Nursing. The advanced practice project requires two faculty members both from the department of nursing; one faculty member will serve as the committee chair and must be doctorly prepared. The project committee approval form must be completed and submitted to the Assistant Chair, Graduate Studies in Nursing prior to beginning NURS 600. Students will submit a scholarly article for publication and complete a scholarly presentation prior to grade assignment.

INDEPENDENCE NURSING RESEARCH PROJECT

Prior to taking the courses in the independent nursing research project, a student must have completed NURS 510 Advanced Statistics, NURS 513 Theories of Nursing, and NURS 516 Research Methods and Design in Nursing. The independent nursing research project is a written research project related to the program of study. A scholarly article for publication and a presentation is required at completion of the project. Before registering for NURS 640 Independent Nursing Research Project, a student must have selected an area for study and doctorly prepared faculty member to chair the research. The committee must have three members including the chair. The chairperson and the second member of the committee must be full-time faculty members from the student's degree program. The third member may be selected from outside the student's degree program if desired. The committee approval form must be completed and submitted to the Assistant Chair, Graduate Studies in Nursing prior to beginning NURS 640. A scholarly presentation must be completed prior to the grade assignment.

POST-MASTER'S CERTIFICATE PROGRAM

Lana Spence, Dean, School of Health Sciences, Chair, Department of Nursing

Kimberly Bolton, Assistant Chair, Graduate Studies in Nursing

The post-master's certificate program is an individualized course of study designed to meet the learning needs of the student. Upon successful completion of the required course and clinical practicum, the student will receive the appropriate certificate of completion from the Department of Nursing.

The following course work is required if it has not been successfully completed in a previous master's program. In addition to the courses listed below, all students enrolled in the post-graduate certificate program will have to enroll in and successfully complete NURS 507, Advanced Health Assessment at Carson-Newman University.

POST-MASTER'S CERTIFICATE PROGRAM: FAMILY NURSE PRACTITIONER

NURS 501*, Advanced Pathophysiology, 3 credits

NURS 503*, Advanced Pharmacology, 3 credits

**The two courses above are only required if the student did not complete these courses in their master's program.*

NURS 531, Advanced Primary Nursing Care for Women, 6 credits

NURS 535, Advanced Primary Nursing Care for Children and Adolescents, 6 credits

NURS 537, Advanced Primary Nursing Care for Adults, 7 credits

NURS 540, Accountability for Advanced Nursing Practice, 2 credits

NURS 541, Comprehensive Examination: Family Nurse Practitioner, 2 credits

Min. credits to earn a Post-Masters Certificate: Family Nurse Practitioner = 23-29 credits

NOTE: All non-practitioner post-master' students are required to complete a minimum of 500 clock hours of supervised clinical practice as part of their program. Clinical practicum has a credit/clinical ratio of 1:4 hours.

MSN NURSING COURSES

NURS 501. Advanced Pathophysiology, 3 credits, Fall, Spring, Summer

Presentation and in-depth analysis of normal physiologic and pathologic mechanisms of disease as related to the provision and management of client care at the advanced level.

NURS 503. Advanced Pharmacology, 3 credits, Fall, Spring, Summer

Advanced pharmacokinetics and pharmacodynamics of commonly used drug categories are analyzed in depth with consideration to safe, quality cost-effective drug therapy for client care.

NURS 507. Advanced Health Assessment, 3 credits, Fall, Spring, Summer

Comprehensive health assessment of the client with advanced application and synthesis of physiologic, psychological, and sociocultural concepts as applied to comprehensive health appraisal of individuals, families, and community groups. This course has a clinical practicum. **Prerequisites:** NURS 501, NURS 503. **\$55 fee.**

NURS 513. Theories of Nursing, 3 credits, Fall, Spring, Summer

Exploration and application of theoretical basis for advanced nursing practice.

NURS 516. Research Methods and Design in Nursing, 3 credits, Fall, Spring, Summer

Exploration of quantitative and qualitative methods and research designs useful in clinical investigation for health-related trends in health care delivery. **Prerequisites:** NURS 510, NURS 513.

NURS 531. Advanced Primary Nursing Care for Women, 6 credits, Fall, Spring, Summer

Exploration and application of advanced nursing theory in the provision of a wide range of health promotion and care services for women, including reproductive health. Practicum (12 hours per week) provided for supervised application of knowledge and skills to care of

women in a variety of settings. **Prerequisites:** NURS 501, NURS 503, NURS 507; **Pre or Corequisite:** NURS 513. *\$40 fee.*

NURS 535. Advanced Primary Nursing Care for Children and Adolescents, 6 credits, Fall, Spring, Summer

Exploration and application of advanced nursing theory in the provision of a wide range of health promotion and nursing care services for children and adolescents. Practicum (12 hours per week) provided for supervised application of knowledge and skills to care of children and adolescents in a variety of settings. **Prerequisites:** NURS 501, NURS 503, NURS 507; **Pre or Corequisite:** NURS 516. *\$40 fee.*

NURS 537. Advanced Primary Nursing Care for Adults, 7 credits, Fall, Spring, Summer

Exploration and application of advanced nursing theory in the provision of a wide range of health promotion and care services for adults, including the elderly population. Practicum (16 hours per week) provided for supervised application of knowledge and skills to care of adults in a variety of settings. **Prerequisites:** NURS 531, NURS 535. *\$40 fee.*

NURS 540. Accountability for Advanced Nursing Practice, 2 credits, Fall, Spring, Summer

Synthesis course with emphasis on roles, responsibilities, and relationships for advanced practice nursing including legal, ethical, and religious dimensions; analysis of current and developing health care policies and health care delivery systems. **Prerequisites:** NURS 531, NURS 535; **Pre or Corequisites:** NURS 537, NURS 541.

NURS 541. Comprehensive Exam: Family Nurse Practitioner, 2 credits, Fall, Spring, Summer

This course will provide the student with an opportunity to demonstrate competence and synthesis of course work in preparation for national certification. **Corequisite:** NURS 540. *\$90 fee.*

NURS 600. Advanced Practice Project, 2 credits, Fall, Spring, Summer.

Students will demonstrate the application and synthesis of advanced practice nursing through a comprehensive, practice-focused project. In addition, the student completes an additional 30 hours of clinical at a site that is congruent with the topic choice. A scholarly article for publication and a scholarly presentation are required prior to a grade assignment. **Prerequisites:** NURS 510, NURS 513, NURS 516. *\$320 fee.*

NURS 640. Independent Nursing Research Project, 2 hours, Fall, Spring, Summer

Under the guidance of a faculty research project committee, the student will demonstrate planning and implementation of an original research project. In addition, research findings will be disseminated through submission of a research article suitable for publication and a scholarly presentation. **Prerequisites:** NURS 510, NURS 513 and NURS 516. *\$445 fee.*

APPROVED NURSING ELECTIVE COURSES

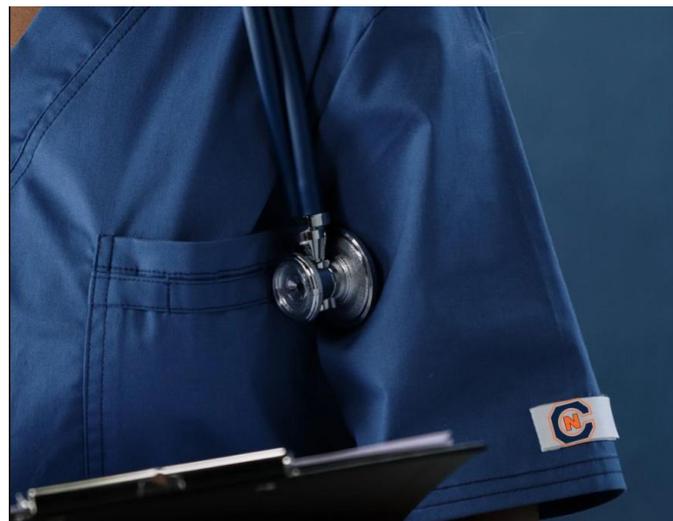

NURS 518. Teaching Methods and Strategies, 3 credits, Offered as needed. Analysis of creative teaching and learning approaches. A portion of this course will be conducted as an online classroom.

NURS 519. Advanced Skills for the Nurse Practitioner, Fall, Spring, Summer

A hybrid course involving both an online and on-ground component. The online portion involves an in-depth evaluation of fracture diagnosis and treatment. The three day on-ground component covers hands-on training of advanced practice skills. *\$75 fee.*

NURS 520. Global Health and Nursing, 3 credits, Summer

An in-depth study of infectious and tropical diseases aimed at increasing the ability of the advanced practice nurse to deliver patient care within a global health perspective.

DOCTOR OF NURSING PRACTICE

Lana Spence, Dean, School of Health Sciences, Chair, Department of Nursing

ACCREDITATION

The Doctor of Nursing Practice (DNP) program at Carson-Newman University is approved by the Tennessee Board of Nursing and pursuing initial accreditation by the Commission on Collegiate Nursing Education (www.ccnaccreditation.org). Applying for accreditation does not guarantee that accreditation will be granted.

GRADUATION REQUIREMENTS FOR DNP PROGRAM

To earn the Doctor of Nursing Practice degree, the following criteria must be met:

- Completion of all 33 credit hours in the DNP program while maintaining a GPA of 3.0 or higher within 5 years of beginning the program.
- Completion of 1,000 hours or more of post-baccalaureate supervised academic program practice hours with a minimum of 500 hours completed at Carson-Newman University during the DNP program.
- Recommendation of the student's DNP Project Committee for graduation after the successful completion and dissemination of the DNP project.

POST-GRADUATE DNP WILL PREPARE GRADUATE WHO:

1. Utilize advanced clinical judgment, Christian values, and ethics to deliver compassionate care, inform health policies, improve health disparities, and enhance quality and safety in healthcare.
2. Competently assess, analyze, evaluate, and translate evidence for interprofessional practice.
3. Employ advanced communication skills to foster environments that celebrate diversity, equity, and inclusion within healthcare and society.
4. Lead change in healthcare through implementing and evaluating scholarly projects aimed at improving outcomes for diverse populations across all spheres of care and settings.

PROGRAM GOALS

The Program Goals and Student Learning Outcomes for the DNP were developed using the American Association of Colleges of Nursing's most current guidance (AACN, 2020b) and the National Organization of Nurse Practitioner Faculties' DNP Toolkit (NONPF, 2013). These goals and outcomes build on competencies successfully obtained at the master's level, reflect the vision for the professional nursing practice doctorate, and are consistent with the mission and philosophy of Carson-Newman and the Department of Nursing.

STUDENT LEARNING OUTCOMES

Upon completion of the post-graduate DNP program, students will demonstrate advanced-level competencies having met the following Student Learning Outcomes:

1. Demonstrate clinical judgment established on extensive knowledge of theory and research from nursing and other disciplines.

2. Establish caring relationships and communicate effectively in all aspects of healthcare assessment and delivery while maintaining accountability for care outcomes.
3. Manage and protect population health by engaging in successful partnerships, considering the economic impact of healthcare delivery, and advancing equitable health policy.
4. Advance the scholarship of nursing while promoting the ethical conduct of scholarly activities, integrating best evidence into practice, and fostering innovation in nursing.
5. Improve healthcare by applying principles of quality improvement to the provider, work environment, and patient safety.
6. Perform efficiently in various team roles while communicating in a manner that facilitates collaboration, maintains a culture of respect and shared values, and addresses healthcare needs.
7. Optimize effectiveness by applying knowledge of systems, healthcare economics, and evidence-based practice.
8. Comply with standards and policies in the use of informatics and healthcare technologies to improve communication, gather data, generate knowledge, and provide document care.
9. Demonstrate professionalism in healthcare practice and accountability to the individual, society, and nursing profession.
10. Develop leadership capacity and display a commitment to ongoing personal and professional growth with a spirit of inquiry, flexibility, and professional maturity.

RESIDENCY REQUIREMENT

All but 6 semester hours of course work in the DNP program and completion of a minimum of 500 hours of the required 1,000 hours total post-baccalaureate supervised practice must be completed at Carson-Newman University.

 NURS 710, Quality and Safety Practices in Healthcare, 3 credits

Semester 3

NURS 730, Policy, Ethics, and Advocacy in Healthcare, 3 credits
 NURS 753, DNP Project Proposal, 3 credits

Semester 4

NURS 720, Leading Change within Complex Healthcare Systems, 3 cr
 NURS 754, DNP Project Implementation, 4 credits

Semester 5

NURS 740, Healthcare Transformation through Technology, 3 credits
 NURS 755, DNP Project Dissemination and Evaluation, 3 credits

DNP NURSING COURSES

NURS 680. DNP Introductory Seminar, 2 credits

Emphasis is on the identification of the Doctor of Nursing (DNP) role in preparation for the highest level of nursing leadership based on DNP Essentials and application of evidence-based practice. This course provides a foundation for scholarly development necessary for the DNP within a changing health care environment. This course has a 3-day on-campus seminar.

NURS 685. Applied Biostatistics and Epidemiology, 3 credits.

Focuses on the application of biostatistics and epidemiology to the collecting and interpreting of data related to disease incidence and prevalence, analyzing the effects of social determinants, and developing effective intervention and prevention strategies for diverse populations.

NURS 690. Scholarship in Nursing Practice, 3 credits

Students will investigate and critique theories from nursing and other disciplines as they critically appraise literature and evaluate the quality of evidence in research. This information will be translated into practice to improve healthcare outcomes.

NURS 700. Principles of Project Planning and Evaluation Methods, 3 credits, Examines principles of economics and resource management in the development and evaluation of healthcare projects and programs.

NURS 710. Transitional Research and Quality and Safety in Healthcare 3 credits

This course focuses on the methodological bases of translational research and implementation science for the role of the DNP. Critical evaluation, synthesis, transference, and real-world application of evidence-based findings are related to bridging gaps in healthcare systems and improving quality and safety in diverse practice settings. Students will critically appraise the nature of evidence for inclusion in the DNP quality improvement project.

NURS 720. Leading Change within Complex Healthcare Systems, 3 credits. Students will analyze organizational processes and assess barriers and facilitators to change. Focus will include leadership principles to deliver quality, cost-effective care and improve systems while considering policies, culture, business realities, and sustainability.

NURS 730. Policy, Ethics, and Advocacy in Healthcare, 3 credits

Analyze factors influencing healthcare policy, cultivate the skills to competently engage in the policy process, and apply advocacy and persuasion strategies to transform healthcare to be equitable in meeting the needs of diverse populations.

NURS 740. Healthcare Transformation through Technology, 3 credits

Focuses on the utilization and evaluation of information systems and technology to improve access to quality care, care outcomes, and communication while generating new evidence.

NURS 753. DNP Project Proposal, 3 credits

Students will use knowledge from previous and concurrent courses to develop a DNP Project Proposal that addresses a practice, process, or systems issue impacting health outcomes.

NURS 754. DNP Project Implementation, 4 credits

Provides the framework for implementing the student's proposed DNP project. The student will implement their project, collect, and analyze data in preparation for the DNP Project presentation.

NURS 755. DNP Project Evaluation and Dissemination, 3 credits

Students will demonstrate proficiency in the DNP Student Learning Outcomes through their DNP portfolio, written reports and defense of their DNP Project, and DNP Project dissemination.

MASTER OF APPLIED THEOLOGY

David Crutchley, Dean, School Biblical and Theological Studies
Ryan Stokes, Director of M.A. Applied Theology

The Master of Arts in Applied Theology provides a unique didactic model for doing theology. This two-year degree facilitates dialogue between recent religion graduates, experienced clergy, and multidiscipline, non-theologically trained professions. Students enrolled in the 36-credit hour degree synthesize national and global issues and perspectives with the practical demands of everyday church, personal, and vocational life.

Program Goals

- Develop a theological and philosophical literacy by reading significant, cutting-edge books and critical reflection on key theological ideas.
- Focus on a Praxis-oriented engagement of life issues encountered in the marketplace and under the steeple.
- Participate in national and international study and mission opportunities to develop social imagination and stimulate global awareness. Nurture the spiritual journey and faith pilgrimage through searching questions of biblical and ethical accountability.
- Enhance leadership skills.

Residency Requirements

All but six hours of coursework in the MAAT degree program must be taken at Carson-Newman University. Courses taken on the Carson-Newman University campus or online, independent studies, thesis, other research, and internships will meet the residency requirements.

Repeating a Course for a Grade

Graduate students may repeat any course for which they receive an "F." Courses in which a passing grade is earned are not repeatable except grades of "C" needed to regain good academic standing.

TIME LIMIT TO COMPLETE DEGREE

Graduate work for the MAAT degree must be completed within five years of admission into the program.

THESIS OPTION

A student may choose to fulfill the elective 12 hours of the MAAT program by writing a thesis. A student selecting a thesis option will meet with the Program Director to determine which faculty member will supervise the thesis. The faculty advisor will meet with the student to consider the viability of the thesis project. BTS 600 and BTS 630 are prerequisites to BTS 665, the writing of the thesis. The thesis will be completed six weeks before the end of the graduating semester. Three weeks before the end of the graduating semester, a student will defend the thesis before a committee made up of two School of Biblical and Theological Studies. Faculty members and an outside reader. The student will submit the original and three (3) thesis copies to the readers. After the defense of the thesis, the student will submit two (2) corrected copies of the thesis (100% cotton, white paper, and unbound). One copy will be placed in the Carson-Newman library archives, and one copy will be for record in the School of Biblical and Theological Studies.

MASTER OF DIVINITY

David Crutchley, Dean, School Biblical and Theological Studies
Ryan Stokes, Director of M.A. Applied Theology, MDiv Department Chair

The Master of Divinity is a comprehensive degree that prepares students for various avenues of Christian ministry. It provides students with an historical orientation to the Christian Scriptures and Christian thought as well as an understanding of their present local and global ministry context. It affords students the opportunity to consider their own spiritual growth and how to foster spiritual growth in others. In classes and in ministry practice, students will develop effective ministry skills that are informed by a transformative intellectual curriculum and by the practical expertise of experienced Christian ministers.

PROGRAM GOALS

- Students will acquire an historically oriented understanding of the Christian Scriptures and Christian doctrine.
- Students will comprehend their own ministry context within the historical development of Christian thought from its origins to the present and within current local and global realities.
- Students will consider how they might foster their own Christian spiritual growth and, as servant-ministers, the spiritual growth of those under their care.
- Students will develop ministry skills that are informed by the Christian Scriptures, the history of Christian thought, and their own ministry contexts.

REPEATING A COURSE FOR A GRADE

Graduate students may repeat any course for which they receive an "F." Courses in which a passing grade is earned are not repeatable, except for grades of "C" needed to regain academic good standing.

TIME LIMIT TO COMPLETE DEGREE

Graduate work for the MDiv degree must be completed within seven years of admission into the program.

ACADEMIC TERMS- DEFINITIONS

Academic Calendar - The system in which the school year operates which includes a fall and a spring semester and several accelerated summer terms. Traditional undergraduate programs are based on two 16-week semesters.

Academic Program - A coherent set of courses required to earn an appropriate degree (associate, bachelor, master, or doctoral degree). Undergraduate academic programs consist of an integrated set of courses taken from the Liberal Arts Core and courses taken in the major area of study.

Academic Year - The traditional undergraduate program consists of 32 weeks and completion of a minimum of 24 semester credit hours for a full-time student.

Add/Drop - The procedure through which students make a change in their schedule of classes by adding or dropping a course.

Advanced Placement - Credit for coursework based on required scores on the Advanced Placement Examination offered by the CEEB. College departments determine acceptable scores for awarding credit.

Advisor - A faculty member who meets with students to discuss curriculum choices and reviews progress toward attaining academic goals.

Attempted Hours - Course credits for which a student has been enrolled and received a grade.

Audit - Enrolling in a course without receiving credit.

Baccalaureate - A term relating to a bachelor's degree.

MyCN - A web-based module in which a student can access academic and financial records through a secured password.

Certificate - is an academic program that teaches and enhances articulated skills and knowledge to enrolled students. It is a stand-alone, prescribed course of study not intended for transfer. Certificate coursework must be completed at the post-secondary level or higher and consist of 12 semester hours, minimum. Level and program may determine a certificate's maximum hours. As an entry point for other educational pathways offered at Carson-Newman University, Certificate coursework may be applied to a bachelor's, master's, specialist, or doctoral academic program. The Certificate may be awarded prior to or concurrently with the degree credential. The Certificate will be added to the student's transcript upon completion of the Certificate.

Class Schedule - A listing of courses for a particular term in which a student is enrolled.

Class Standing - The numeric position of a student in a defined population (*same as class rank*).

Classification - A measure of progress toward degree completion based on total number of credit hours earned.

CLEP - College level subject area examinations administered by the College Board which assess knowledge in college courses.

Course Load - The total number of credit hours taken during a term. Students must complete an average of 15 hours per term to progress toward degree completion in 8 semesters.

Course Number - A number that identifies a specific course.

Course Title - The descriptive name of a course.

Credit - The number of credits assigned to a course based on educational outcomes.

Credit by Exam - A procedure by which a student may receive credit by successfully demonstrating proficiency in a subject by passing a comprehensive exam covering course content.

Credit Hour - A credit is a unit of coursework represented by attainment of educational goals measured by learning outcomes.

Cumulative Hours - A sum of all credits earned, including transfer credits and all work taken at Carson-Newman.

Curriculum - The set of courses offered in a degree program. The plural form is curricula.

Degree - The credential awarded to students who successfully complete a prescribed program of study.

Degree Plan - A document outlining completion of credits earned and intention of completing remaining requirements for graduation.

Department - An organizational unit which offers instruction in a particular curriculum area.

Dismissal, Academic - A status in which the student is ineligible for further enrollment at Carson-Newman College.

Drop/Add - The procedure through which students make a change in their schedule of classes by dropping or adding a course. Early

Registration - The process of enrolling in classes before the beginning of the next term.

Elective - A course selected by the student which may or may not meet degree requirements.

Enrollment Confirmation - The process by which a student confirms their intention to enroll for the semester by paying their tuition and

fees and/or signing a promissory note with the student accounts office.

Fee - A charge for special items or services not included in tuition.

Full Time Student - One enrolled for 9 or more graduate hours

Good Standing - A status indicating that the student meets academic progression standards and is eligible to continue enrollment or to transfer elsewhere.

Grade Point Average - A measure of the student's academic performance. Computed by dividing the sum of grade points by the total attempted hours less hours which have grades of P, S. The Carson-Newman GPA includes only credit attempted at Carson-Newman. The cumulative GPA is determined by transferable coursework attempted at all institutions, including Carson-Newman.

Grade Points - Numerical values assigned to grades, A=4, B=3, C=2, D=1, F=0.

Incomplete Grade - A grade of "I" assigned by instructor due to unavoidable delay, usually illness. Counts as F in GPA computation until satisfactorily removed.

Independent Study - A course taught on an individual basis by the instructor and approved by the department chair and dean.

Legitimate Educational Interest - The need for information by a faculty member or school official to perform an administrative duty or task in order to fulfill their responsibility for the university. Disclosure of such information is limited to that which is necessary for the faculty member or school official to fulfill those responsibilities.

Major - A prescribed set of courses in a specific area of study. Some majors require coursework in related subjects which are required to support study in the discipline.

Part Time Student - One carrying less than 9 graduate hours during a semester.

Prerequisite - A condition, status, requirement, or course that must be satisfied before a course can be taken.

Plagiarism - Using the intellectual property of someone else without citing proper credit or by misrepresentation of the work as original. Plagiarism is classified as academic dishonesty and is punishable as such.

Probation (Academic) - An academic status resulting from unsatisfactory academic performance when a student's GPA is less than the minimum standard academic progression requirement for good standing.

Probation (Disciplinary) - A status resulting from unsatisfactory conduct apart from academic performance. Proficiency Exam
See credit by exam.

Registration - The procedure by which students enroll in coursework.

Schedule of Classes - Information containing course and section offerings for a semester.

Section - A division of a course between one or more instructors but with the same subject matter.

Semester Hour - See Credit Hour.

Standing (Academic) - A student's status based on academic performance, i.e., good standing, academic probation, suspension, or dismissal.

Suspension - A status in which the student is not allowed to continue enrollment at Carson-Newman University for a specific period of time.

Transcript - A copy of the student's permanent academic record. The record becomes official when the seal of the college is affixed and signed by the Registrar.

Tuition - The amount of money charged each semester or term for instructional purposes.

Withdrawal - The termination of a student's attendance in a class or all classes before the end of a semester. A student may elect to voluntarily withdraw before the end of the semester. An administrative withdrawal will be processed if the student discontinues class attendance before the end of the semester.
