

C-N Music Department Friends of Music

Become a member of Friends of Music today!

FRIENDS OF MUSIC is an advisory group dedicated to the continued development of the C-N music department. Membership with Friends of Music is easy. With any financial gift to the organization, you become a member for one year.

In the first 2 years of its existence, FoM has made considerable contributions to meet student and department needs. The biggest improvements have focused on providing new and updated classroom and

program equipment. Through FoM, your donations have helped to purchase new piano artist benches, new choral risers, music stands, mirrors for the practice rooms, and two new Smartboards™!

The FoM board is active and eagerly planning new initiatives that will continue to add to the quality and distinctiveness of our C-N music department. Join us today and share in the good work we are doing!

To join FoM, complete the following gift card. Thank you for partnering with us to build a better music program.
