

Equity in Athletics Data Report

October 2019

Carson-Newman University is a member of NCAA division II, South Atlantic Conference, and is committed to providing equal opportunities for men and women in the university's athletic programs.

The Equity in Athletics Disclosure Act requires co-educational colleges and universities that participate in Title IV federal student financial aid programs to report athletic participation, personnel and staffing, revenues and expenses, for both men's and women's teams and to make this information available to students, prospective students and parents.

In accordance with the Equity in Athletics Disclosure Act (EADA), the Carson-Newman University Assistant Athletic Director and the Athletic Compliance Administrative Assistant prepares the Equity in Athletics Data Annual Report which is submitted to the Department of Education. The institutional written report is published annually in October. The information in this report is based on data from the 2018-2019 academic year.

A hard copy written report is available from the Office of Athletics and The Office of Admissions. It can also be found at the following link:
