THE EAGLE BATTALION

What is ROTC?

ROTC is the Army Reserve Officer Training Corps. We produce and commission Army Officers and our nation's future leaders.

How does it work?

You attend college as a full time student and a part time Cadet.

Non-Scholarship Cadets: You can enroll in the first two years of ROTC with no commitment to the Army.

Scholarship Cadets: You commit to the Army once your scholarship begins (i.e. 4 YR Scholarship-Freshmen Yr, 3 YR Scholarship-Sophomore Yr).

What is my commitment?

After you complete ROTC, you will be Commissioned into the Regular Army, National Guard, or Reserves as a 2nd Lieutenant. Those who choose active duty will serve 4 yrs active duty and 4 yrs with the Reserves, National Guard, or Ready Reserves.

Who Are We?

Our Cadets come from high schools across America and around the world. We are multi cultural and diverse. Our Cadets represent the best of what America has to offer. We are well traveled, experienced, and have a lot to offer any young man or woman looking to grow and become a leader.
