

ADDENDUM

CPS AND GRADUATE CATALOG

EFFECTIVE: November 29, 2022

Addition:

NOT PASSED EXAM(S)

An "NPE" grade is assigned to a student who has not passed their particular licensure exam(s) but has completed all other requirements for the Student Teaching seminar course. **The "NPE" grade is considered a passing grade and will count in hours earned.**

Revision:

In Progress (IP) grade

To be used for graduate projects or practicums that extend beyond one semester. An IP will carry no grade points, will remain on the final transcript, and will not be included in the GPA computation. All courses with an IP must be completed and the IP changed to the earned grade at the end of the semester following your last enrolled semester. If the IP is not removed by the deadline, then an earned grade of F will be recorded for the course.

Education Department only:

Students wishing to still graduate with licensure will have one year from the course's end date with the assigned "IP" grade to submit their passing exam scores to graduate with licensure. Otherwise, the student will be switched to non-licensure and will be added to the current graduation list to be conferred.
