UNDERGRADUATE CATALOG

EFFECTIVE: November 28, 2022

Revision:

NOT PASSED EXAM(S)

An "NPE" grade is assigned to a student who has not passed their particular licensure exam(s) but has completed all other requirements for the Student Teaching seminar course. **The "NPE" grade is considered a passing grade and will count in hours earned.**

Addition:

In Progress (IP) grade

An "IP" is assigned for students seeking licensure who have not passed their licensure exam(s). An In Progress (IP) will carry no grade points, remain on the final transcript, and not be included in the GPA computation.

Students wishing to still graduate with licensure will have one year from the course's end date with the assigned "IP" grade to submit their passing exam scores to graduate with licensure. Otherwise, the student will be switched to non-licensure and will be added to the current graduation list to be conferred.
