
Mary E. Smith was a long serving C-N education professor who taught education classes and served as student teacher director for many years. Working primarily with Elementary School candidates, she was known for her disciplined and caring approach and her high expectations for those entering the teaching profession. The Mary E. Smith Scholarship was established for undergraduate students in Elementary Education through an endowment given by a C-N education graduate. The criteria for this award are as follows:

- *Student in the Education Department whose interest is in the Pre-K to 5 grade range*
- *Minimum academic GPA of 3.00*
- *Need for financial aid*
- *Leadership ability*
- *Caring, love and respect for children*

To apply, complete this application and return it to the Administrative Assistant in the Education Department.
