## 1 - Attendance Verification:

Eligibility for federal student aid is, in part, based on the student's enrollment status for the semester in which they are enrolled. Verification is based on the completion of an academically related activity. Any student whose attendance cannot be verified by the last day to add/drop a class during the start of the term or session will be administratively dropped from the class for non-attendance. Please refer to policy in academic catalog for more information.

### 2 - Census Roster:

After the add/drop period and once the Registrar's office has completed all the add/drop request forms, faculty will submit and confirm a final roster. This is called 'CENSUS ROSTER.' No one will be added to the class after the census roster has been submitted.

### 3 - Application for Degree.

Students must complete a graduation application. Students who complete the application for graduation after the stated deadline may not be processed for graduation. See "Application for Graduation" policy in the academic catalog for more information.

### 4 - Conferral Date:

Conferral date is not the same as graduation date. The graduation date is the date of the ceremony at Carson-Newman. The conferral date, is the reported graduation date for students which is also the end date of the semester.
