PURPOSE OF THIS PUBLICATION

This publication is intended to describe the academic programs and activities of Carson-Newman University. It is not an offer to make a contract.

It is sometimes necessary or appropriate to change policies or programs offered. Carson-Newman retains the right to terminate or change any of its policies, programs, requirements, course offerings, class schedules, instructor assignments, and all other aspects of its educational and other programs at any time without prior notice.

Carson-Newman University defines the academic year as beginning with the fall semester and concluding with the end of the summer session in the subsequent summer.

Carson-Newman University does not unlawfully discriminate on the basis of race, color, sex, national origin, disability, age, veteran status, or genetic information in the provision of its education policies, programs, services, and activities or employment opportunities and benefits. The University does not unlawfully discriminate on the basis of race, sex, or disability in its educational programs and activities pursuant to the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the American with Disabilities Act (ADA) of 1990.

Inquiries and/or charges of violation concerning Title VI, Section 504, ADA, the Age Discrimination in Employment Act (ADEA), or any other of the other referenced policies should be directed to the Director of Human Resources, 1646 Russell Avenue, Suite 204 Fite Building, Jefferson City, Tennessee 37760, telephone 865-471-7164.

Title IX requires the University of the Education Amendments Act of 1972 and its implementing regulation at 34 C.F.R. Part 106 not to discriminate unlawfully on the basis of sex in its education program or activity. This prohibition extends to employment and admission. Inquiries about the application of Title IX may be directed to the Title IX Coordinator, Shelley Ball, Assistant Vice President for Student Services, 2130 Branner Avenue, Maddox Student Activities Center, Office # 2009-C; telephone 865-471-3238; sball@cn.edu and/or to the Assistant Secretary of Education for Civil Rights, U. S. Department of Education.

Carson-Newman University is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, specialist, and doctorate degrees. Questions about the accreditation of Carson-Newman University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

In addition to regional accreditation SACSCOC, Carson-Newman University is accredited by and/or holds membership in the following educational associations and agencies:

Final Grades Due by 8 a.m.	Tues, July 30	Tues, July 29	Tues, July 28	Tues, July 27
Summer Degree Conferral Dates				
May-Term Degree Conferral Date	Fri, May 31	Fri, May 30	Fri, May 29	Fri, May 28
August Degree Conferral Date	Fri, Aug 9	Fri, Aug 8	Fri, Aug 7	Fri, Aug 6
1 - Attendance Verification: <i>Eligibility for federal student aid is, in part, based on the student's enrollment status for the semester in which they are enrolled. Verification is based on the completion of an academically related activity. Any student whose attendance cannot be verified by the last day to add/drop a class during the start of the term or session will be administratively dropped from the class for non-attendance. Please refer to policy in academic catalog for more information.</i>				
2 - Census Roster: <i>After the add/drop period and once the Registrar's office has completed all the add/drop request forms, faculty will submit and confirm a final roster. This is called 'CENSUS ROSTER.' No one will be added to the class after the census roster has been submitted.</i>				
3 - Application for Degree: <i>Students must complete a graduation application. Students who complete the application for graduation after the stated deadline may not be processed for graduation. See "Application for Graduation" policy in the academic catalog for more information.</i>				
4 - Conferral Date: <i>Conferral date is not the same as graduation date. The graduation date is the date of the ceremony at Carson-Newman. The conferral date, is the reported graduation date for students which is also the end date of the semester.</i>				

CARSON-NEWMAN UNIVERSITY

Carson-Newman University, a Christian, private liberal arts institution, is located in Jefferson City, 25 miles east of Knoxville. Carson-Newman offers a campus of stately white-columned buildings on rolling, grassy hills close to Cherokee Lake and near the Great Smoky Mountains.

Carson-Newman has been named to the President's Higher Education Community Service Honor Roll, the highest federal recognition a college or university can receive for its commitment to volunteering, service-learning, and civic engagement. Carson-Newman has also been recognized by Washington Monthly as one of the nation's top ten liberal arts colleges. The university's reputation is born from its commitment to Christian excellence and academic rigor, as manifested through 50 undergraduate majors and graduate programs in business, counseling, education, nursing, social justice, and theology.

MISSION

Our mission as Christian educators is to help our students reach their full potential as educated citizens and worldwide servant-leaders.

VISION

We will be the Christian liberal arts-based university of choice in the Southeast for education and service.

UNIVERSITY IDENTITY AND VALUES

Carson-Newman accomplishes its mission by integrating academic excellence and Christian commitment within a caring community. We believe that faith as well as learning make the whole person and are dedicated to developing both the spirit and mind of each student. The university is a community of learners committed to academic quality and personal growth by encouraging selfless service, excellence, learning, and leadership. These core values form the basis of our identity as an institution of higher learning and provide guidance to members of our organization. Devotion to these values helps us to achieve our mission and guide us toward fulfilling our vision as a university. Carson-Newman is committed to:

- Preparing **servant leaders** by providing men and women of character and intellect to serve with and among others. Our graduates will be equipped to occupy places of leadership and will use their God-given talents in service to others.
- Working toward **excellence in all that we do** by developing individuals who are better able to live out their faith as educated citizens, promoting an attitude of stewardship for God's creation, and fostering an appreciation for truth, beauty, and goodness.
- Providing **access to higher education** to students through additional, flexible educational opportunities outside the conventional course delivery model.
- Promoting the **wholeness of life** by recognizing the inherent value of self as well as others and welcoming a diverse population to share in the pursuit of excellence.
- Being an **integral part of the Appalachian region** by providing multifaceted resources, opportunities, and community engagement programs.
- Confronting and **addressing the challenges of the future** by providing its graduates with the capabilities to be lifelong learners.

UNIVERSITY LEARNING GOALS

Carson-Newman recognizes that there are many pathways to success. Traditional as well as post-traditional students are encouraged to pursue their passions as well as to become lifelong learners and servant leaders. To this end, the University's curriculum is designed to provide graduates with the skills and knowledge needed to be competitive in a rapidly and continually changing world. In order to achieve these aims, Carson-Newman has identified the following goals:

G.1. Develop a Foundation for Learning through the Liberal Arts and Biblical Tradition

We engage in learning throughout our lives in order to grow intellectually, spiritually, emotionally, personally, and professionally. At Carson-Newman, the Liberal Arts Core curriculum provides a foundation to learning for all undergraduate students and influences their academic major through the perspective of a Christian liberal-arts based education.

- SLO 1.a. Students examine the Old Testament Scriptures from a scholarly perspective as it relates to the contemporary world.
- SLO 1.b. Students examine the New Testament Scriptures from a scholarly perspective as it relates to the contemporary world.
- SLO 1.c. Students explore the value and breadth of Christian liberal arts education through the transcendentals: **Truth, Beauty, Goodness, Justice, and Courage.**

G.2. Apply Critical and Analytical Reasoning Skills Appropriate for Multiple Ways of Knowing

We employ multiple ways to understand and gain knowledge about ourselves, our world, and others. The Liberal Arts Core curriculum and academic majors use a variety of critical and analytical reasoning skills to explore ways of knowing.

- SLO 2.a. Students apply scientific principles to investigate natural phenomena.
- SLO 2.b. Students solve analytical problems using quantitative techniques.
- SLO 2.c. Students critically evaluate arguments and claims.

G.3. Communicate Effectively

We communicate with others informally and formally to listen and to express ideas, knowledge, and creativity. The Liberal Arts Core curriculum and academic majors use spoken and written language and media to develop effective communication skills for clarity of thought and expression to build understanding.

- SLO 3.a. Students compose writing that is organized, developed, and grammatically correct, and students differentiate sources of information and question various viewpoints.
- SLO 3.b. Students compose and deliver organized oral presentations.

G.4. Exhibit Personal, Social, and Ethical Awareness and Responsibility

We reflect upon self and others to develop personal identity and fulfilling lives and to facilitate healthy societies. The Liberal Arts Core curriculum and the academic majors explore values, ethics, ideals, systems, and theories to acquire the capacity for self-evaluation, to act responsibly, and to foster justice.

- SLO 4.a. Students examine influences on personal and societal values and attitudes.
- SLO 4.b. Students evaluate the effects of personal and societal choices relating to individual holistic well-being.

G.5. Develop Regional and Global Perspectives on Cultures, Traditions, and the Arts

We share in community shaped by various cultures, traditions, and expression of the arts. The Liberal Arts Core curriculum and the academic majors expand and enrich personal perspective through the study of cultures, traditions, and the arts to cultivate a sense of place and create an appreciation of the rich diversity of human experience and expression.

- SLO 5.a. Students examine the relationship between works of art and the cultural and contextual circumstances that
- influence their production through historical study of the arts or the creation and/or performance of works of art.
- SLO 5.b. Students explore historical, societal, cultural, and/or geopolitical factors that influence human behavior.
- SLO 5.c. Students examine the multiple ways of reading and understanding literary texts, using historical, cultural, and theoretical approaches.

(Note: Each academic major at Carson-Newman University bears distinction and unique opportunity for study. Differentiation in coursework is expected and encouraged as is suitable for the degree type (e.g., BA or BS). For example, students seeking a Bachelor of Arts degree are typically required to complete coursework in a language other than English which may meet SLO 5.b. Students should consult their academic program to understand all details and the specific coursework needed to meet particular degree requirements for successful program completion.)

CARSON-NEWMAN UNIVERSITY HISTORY

In the early 1840s, several Baptist leaders in East Tennessee desired to offer better prepared ministers to area congregations. The East Tennessee Baptist Educational Society, which was comprised of two groups with a common interest, applied in 1850 for a charter to establish an institution of higher learning. Afforded the use of a local church building, Mossy Creek Missionary Baptist Seminary opened to students in the fall of 1851. The Tennessee Legislature granted the school's charter in December of that year.

The 1889 merger of men's and women's institutions made Carson-Newman an early entrant in coeducation in the region. Throughout its history, the institution has instilled a deep commitment to service in its students. The fruits of its labor, its alumni, have filled schoolrooms, courthouses, hospitals, boardrooms, pulpits, and mission fields the world over in spreading the lessons of Carson-Newman's motto of Truth, Beauty, and Goodness.

Servant leadership programs abound on campus. Carson-Newman's Bonner Center annually oversees some 40,000 hours of community service by students. Since 1984, Appalachian Outreach and its volunteers have performed hundreds of home repair projects throughout the region. Each year Baptist Campus Ministries sends out more than 300 fall and spring break volunteers to serve not only across Tennessee, but also nationally and internationally. Because of such efforts, Carson-Newman was recognized in 2012, earning the Presidential Award in the President's Higher Education Community Service Honor Roll, the highest federal recognition a university can receive for its involvement in community service.

Global education and broadening students' horizons are staples of the Carson-Newman experience. Scores of international students' study at Carson-Newman each year while others travel from campus to study abroad. In 2021, the University announced a 5-year strategic plan called "Acorns to Oaks: Pursuing God's Preferred Future." The strategic plan entails thoughtful and purposeful alignments of policies

and procedures with the University's Christ-centered mission and an ongoing commitment to balanced budgets. This includes work to reduce dependency on tuition through innovative programs and entrepreneurial pursuits designed to develop new revenue streams.

"The plan is at its core an academic plan," said University President Charles A. Fowler. "Carson-Newman is a Christian university dedicated to a rigorous and Christianly formed education. We are blessed with an incredible teaching faculty. This plan provides facilities, technology, and programming that will complement the educational enterprise at C-N, position us for even greater excellence, and extend our reach to new student markets."

ADMISSIONS – UNDERGRADUATE

Carson-Newman University seeks students who have demonstrated the ability and motivation required to gain full benefit from a challenging program of liberal arts education in a Christ-centered context and who will contribute to the campus community as a whole. Students are considered for admission based on their academic credentials (coursework, grades attained, and ACT/SAT test scores) along with additional factors that demonstrate probability of college success at a Christian liberal arts university.

Carson-Newman University does not discriminate on the basis of race, color, gender, national origin, disability, age, genetic information, or veteran status in provision of its education policies, programs, and activities. To be considered for admission, applicants must meet academic requirements and other admission criteria established by the University. The University reserves the right to deny admission to applicants who do not possess adequate academic preparation and/or to those who fail to meet other admission criteria. Students who are admitted are required to abide by university policies and regulations.

Carson-Newman University maintains a rolling admissions policy. Applications may be submitted for freshman admission after six semesters of completed high school coursework. Transfer students may apply for admission up to one year before the desired term of enrollment. Priority application deadline for fall admission is April 1.

Upon review of a student's application and supporting documents, one of the following admission decisions will be rendered:

- **Regular Admission** - Students who meet all requirements for admission as determined by university policy.
- **Waitlisted** - A hold on the application file for the student's chosen term (as selected on the application) until credentials are received that indicate the student meets admission requirements and is ready to be officially offered admission. (**Students who have a delayed status may be admitted by the Enrollment Management Committee. Students admitted through the Enrollment Management Committee's review must meet guidelines established for satisfactory academic progress (see Academic Probation), completed all required academic skills enhancement program requirements, and complete other recommendations and requirements as provided by the committee at the time of decision.*)
- **Denial of Admission** - Student does not meet criteria for enrollment to the university. (**During the application process, some students may be referred to the Enrollment Management Committee for consideration of admission.*)

**For international student admission status information, see the International Student Admission section.*

ACADEMIC FORGIVENESS

Carson-Newman University will honor academic forgiveness granted by another regionally accredited post-secondary institution so long as the academic forgiveness or fresh start is clearly noted on the official transcript from the previous institution. Carson-Newman will use the previous institution's calculation of the student's GPA (after the fresh start) to establish the student's transferable GPA for the purposes of admission and academic merit scholarship eligibility. The student is

required to submit official copies of college transcripts from all post-secondary educational institutions previously attended even if those credits were forgiven via academic forgiveness or fresh start from the previous institution. This policy is independent of financial aid regulations. All coursework attempted will still be incorporated into financial aid satisfactory academic progress calculation as per federal regulatory requirements. All remaining courses for the current degree objectives must be completed at Carson-Newman University. No transient or additional transfer credit will be accepted for those who transfer into Carson-Newman after a previously granted academic fresh start is accepted by the institution. Students admitted will be assessed for admission and financial aid academic merit scholarships based on the transcripted GPA from the institution they most recently attended.

Academic Fresh Start Policy for Transfer Students

Carson-Newman University recognizes that some students may have attempted to pursue a college education in the past and, due to unfortunate life circumstances, have a cumulative collegiate GPA that is not reflective of their academic abilities or personal capability. If the student has not been enrolled in a post-secondary education institution for a period of 4 calendar years (48 months) or longer since their last previous term of enrollment, a student who attended another post-secondary institution may appeal for an academic fresh start during their admission process.

If the student's cumulative collegiate GPA is below the requirement for transfer admission, they must appeal to the Enrollment Management Committee to pursue admission to the university and, if they so desire, submit an appeal for an academic fresh start. Students so admitted will be required to enroll full-time, will be admitted on academic probation, and must create a success plan with the Office of Student Success. Students admitted will be required to make a C or better in all courses in their first semester at Carson-Newman. At the conclusion of that semester, the previously applied for academic fresh start will be granted as defined below.

At the successful completion of their first semester a fresh start can be granted by the institution and up to 24 hours of previously attempted unsuccessful coursework may be forgiven. Students are not eligible for an academic fresh start at Carson-Newman if the student has already been previously granted an academic forgiveness according to a similar provision at any other institution of higher education. A student who has been granted an academic fresh start at Carson-Newman in the past is not eligible for a second opportunity. Students who have earned an associate or baccalaureate degree are not eligible for an academic fresh start. The student's permanent academic record will include the statement "Granted Academic Fresh Start" and the effective date on the student's Carson-Newman transcript. Students will retain all previously earned grades of C or better from their academic history and these will be incorporated into their institutional GPA calculation.

All remaining courses for the current degree objectives must be completed at Carson-Newman University. No transient or transfer credit will be accepted for those who transfer into Carson-Newman after a previously granted academic fresh start is issued by Carson-Newman University. This policy is independent of financial aid regulations. All previous coursework will count in the financial aid satisfactory academic progress calculation as per the current federal regulations. Students will remain subject to federal regulatory requirements regarding life-time limits in aid eligibility and

satisfactory academic progress requirements. Students admitted on an academic fresh start plan must meet with financial aid before submitting their appeal for the fresh start to determine if their remaining aid eligibility will be sufficient assistance for them to complete their degree should a fresh start be granted.

Academic Fresh Start Policy for Students Seeking Re-Admission to Carson-Newman

Carson-Newman University recognizes that some students may have attempted to pursue a college education in the past and, due to unfortunate life circumstances, have a cumulative collegiate GPA that is not reflective of their academic abilities or personal capability. If the student originally enrolled at Carson-Newman, was unsuccessful, and has not been enrolled in any other post-secondary educational institution and has not been enrolled at Carson-Newman for a period of 4 calendar years (48 months) or more since their last previous term of enrollment, they may appeal for an academic fresh start along with their application for re-admission.

Re-admit students seeking an academic fresh start must appeal to the Enrollment Management Committee to pursue re-admission to the university and, if they so desire, submit an appeal for an academic fresh start. Students so admitted will be required to enroll full-time, will be admitted on academic probation, and must create a success plan with the Office of Student Success. Students so admitted will be required to make a C or better in all courses in their first semester at Carson-Newman.

At the conclusion of that semester, the academic fresh start will be granted as defined below. At the successful completion of their first semester the academic fresh start can be granted by the university and up to 24 hours of previously attempted unsuccessful coursework may be forgiven. A student who has been granted an academic fresh start at Carson-Newman in the past is not eligible for a second opportunity.

Students who have earned an associate or baccalaureate degree are not eligible for an academic fresh start. The student's permanent academic record will include the statement "Granted Academic Fresh Start" and the effective date on the student's Carson-Newman transcript. Students will retain all previously earned grades of C or better from their academic history and these will be incorporated into their institutional GPA calculation.

No transient or additional transfer credit will be accepted for those who transfer into Carson-Newman after a previously granted academic fresh start is issued by Carson-Newman University. This policy is independent of financial aid regulations. All previous coursework will count in the financial aid satisfactory academic progress calculation as per the current federal regulations. Students will remain subject to federal regulatory requirements in regard to life-time limits in aid eligibility and satisfactory academic progress requirements. Students admitted on an academic fresh start plan must meet with financial aid before submitting their appeal for the fresh start to determine if their remaining aid eligibility will be sufficient assistance for them to complete their degree should a fresh start be granted.

ADMISSION APPEAL PROCESS

If an applicant does not meet the stated criteria for undergraduate admission and the applicant wishes to appeal the undergraduate admission decision, he or she should submit a written letter of appeal

and provide other supporting documentation to the Enrollment Management Committee.

The Enrollment Management Committee will review the applicant's credentials, test scores, written personal narrative, any submitted letters of recommendation, and may conduct an interview with the applicant to arrive at a decision. If the applicant is denied admission by the Enrollment Management Committee and wishes to appeal the decision, he or she should submit a written appeal to the Provost for consideration. A student who wishes to appeal admission after suspension from the University must follow the guidelines listed under the Academic Suspension section.

AUDIT ADMISSIONS

Applicants who wish to participate in credit courses for the learning experience only (without earning credit) may apply for admission in an audit status. Cost is one half of the tuition rate per credit hour. Citizens over the age of 65 who are non-degree seeking may take one course per term for \$50 per credit hour. Applicants must submit an application for admission and high school or college transcripts. Auditors may enroll in classes upon instructor approval on a space-available basis.

COLLEGE OF PROFESSIONAL STUDIES ADMISSIONS POLICY

The College of Professional Studies (CPS) is designed for working professionals to reach their full potential by preparing them for meaningful careers and thriving lives. CPS is driven to offer innovative programming that serves students in an online format that bests their needs. It provides purposeful, transformative, and results-driven education that meets our societies and future workforce needs.

CPS Admission Requirements:

- Completed application for admission
- Official copies of all college transcript(s)
- Students must have a 2.5 grade point average on high school/college credit

DUAL ENROLLMENT

Carson-Newman University welcomes high school juniors and seniors who wish to earn college credit while still enrolled in a secondary school to apply for dual enrollment. Dual enrolled students may take up to 11 hours of credit per semester at the tuition rate of \$166 per credit hour. Hours taken beyond the 11th hour will be charged at the traditional undergraduate per hour rate.

Dual Enrollment Admission Decisions Are Based on the Following:

- Either a minimum high school GPA of 3.0 or a minimum high school GPA of 2.0 with a 19 or higher ACT composite score.
- High school guidance counselor approval via a signed Dual Enrollment Agreement Form

Students with a demonstrated academic deficiency (ie, having a score of 18 or below in Math or English or a demonstrated pattern of grades of C or below in that subject area) are not allowed to take dual enrollment courses in that subject area.

Applicants with a GPA below 3.0 may be admitted for dual enrollment if they demonstrate academic competency via an ACT

score of 19 or higher in the subject area they wish to enroll for (if applicable) and if they obtain two recommendations from representatives in their high school attesting to their capacity to succeed in college level work. Students so admitted must successfully complete a Carson-Newman Academic Placement Assessment to demonstrate their readiness for college level work.

Candidates Seeking Dual Enrollment Admission Should Submit the Following to the Office of Admissions:

- Completed application for admission
- Official High School Transcript(s)
- High school juniors must submit transcript showing completion of the sophomore year coursework
- High school seniors must submit transcript showing completion of the junior year coursework
- Dual Enrollment Agreement Form

Priority Application Deadline for Dual Enrollment

- Fall Semester: July 31st
- Spring Semester: December 10th
- Summer Sessions: May 1st

In order for the admissions office to process the applications for dual enrollment, students must apply by these priority dates. If the student does not apply for admission before each deadline, the student may not be able to enroll in the class at the time needed to be dual enrolled.

Fees-Dual Enrollment

Tuition for dual enrolled students is \$166 per credit hour with a \$10 per credit hour technology fee. Tennessee students are encouraged to work with the financial aid office and to utilize the TN Dual Enrollment Grant to cover or offset their dual enrollment tuition expense. The student and/or the parent/ guardians responsible for paying tuition and fees to the university on or before the first day of each academic term. On-campus dual enrolled students should obtain a Carson-Newman student ID card and parking decal from the Office of Public Safety.

Class Registration-Dual Enrollment

After a student is accepted for dual enrollment, their admission counselor will help them develop a schedule and register for appropriate courses. Students who wish to dual enroll should contact the dual enrollment representatives in the Office of Admissions at 865-471-4652 for additional information.

Books for Dual Enrollment Courses

Students are responsible for ordering/purchasing dual enrollment course textbooks either online or directly from the Carson-Newman Bookstore.

Financial Aid-Dual Enrollment

Dual enrolled students will not qualify for federal or institutional financial aid, but eligible Tennessee residents may qualify for the Tennessee Dual Enrollment Grant. Please visit www.tn.gov/collegepays.html for more information.

EARLY ADMISSION

Applicants who have completed their junior year of high school in the top 10% of the junior class and have scores in the 90th percentile or above on college-bound norms of the ACT, SAT, or NMSQT will

be considered for early admission. Applicant must be 16 years of age or older at time of enrollment. Applicants must submit documents listed as requirements for freshman admission.

FRESHMAN ADMISSION

Freshman admission decisions are based on the following:

High school academic record demonstrating cumulative GPA of 2.50 or higher at the completion of the junior year of high school or a minimum 21 ACT, 1060 SAT, or 67 CLT score.

Students with a cumulative high school GPA of 2.0 or higher but less than 2.50 are waitlisted and must submit an ACT or SAT score for review scores are considering on a sliding scale compared to the student's overall GPA. Carson-Newman University does not require the essay for standardized tests.

Completion of core academic credits comprising of the following:

- 4 English
- 3 Math, including either Geometry or Algebra II
- 3 Science, including one physical science course and Biology
- 3 Social Studies, including one History
- 1 Wellness
- 6 Additional academic credits electives chosen from foreign language, math, science, or social studies (*to satisfy state graduation requirements credit totals*)

Other factors such as:

- Extracurricular or leadership activities
- Special talents or skills
- Recommendations from high school teachers and counselors and church leadership, such as pastors or youth program directors

Candidates seeking freshman admission should submit the following to the Office of Admissions:

- Completed application for admission
- Official high school transcript(s)
- Official college transcript(s) (if dual enrollment credits have been attempted)
- ACT or SAT scores (if either exam has been attempted)
- List of activities/honors (optional)
- Recommendation letters (optional)

GED OR HISET ADMISSION

Carson-Newman can receive applications from and admit students who do not have a high school diploma if they have passed a GED with a minimum score of 165 or Tennessee HiSet exam with a minimum score of 15. Unless student applicants can provide the college entrance exam scores demonstration academic proficiency in English and Mathematics or take the Carson-Newman Academic Placement assessment demonstrating their college proficiency, students admitted on the basis of a high school equivalency exam will be enrolled in academic enhancement sections of introductory English and Mathematics courses to provide additional support.

HOME SCHOOLED APPLICANTS

Along with the application for admission, home schooled applicants must submit the C-N Home School Information Form; an official copy of the home school transcript, showing coursework completed through the junior year; and a secondary school completion credential as provided on the admissions forms webpage, if required

by state law. Home school applicants from states that do not provide a standard transcript should use the C-N Home School Transcript Template to provide an official home school transcript. The official home school transcript must be signed by the home school administrator.

INTERNATIONAL STUDENT ADMISSION

Carson-Newman University is authorized under Federal law to enroll nonimmigrant students. Upon review of an international student's application and supporting documents, the Office of Admissions will provide one of the following admission decisions:

- **Full Admission to the Undergraduate Program:**
International freshmen or transfer students who meet all requirements for admission into the undergraduate program including English language proficiency.
- **Conditional Admission to the Undergraduate Program:**
International freshmen or transfer students who are academically eligible to enter the undergraduate program but who do not meet the University's required English language proficiency requirements. Students who do not meet the required English language proficiency for full admission to Carson-Newman University but who are academically eligible may be considered for conditional admission. If students are admitted conditionally, they will be required to attend the English Language Institute until they receive the appropriate TOEFL score, IELTS score, EIKEN STEP score, or a recommendation from the English Language Institute and the Carson-Newman University Department of English.
- **English Language Institute Admission:**
International students who wish to enroll in the University's ELI Program for English language studies only.

Freshman International Student admission decisions are based on the following:

1. Academic record and cumulative GPA (high school graduation or its equivalent). U.S. grade point average minimum is 2.5. High school transcripts can be evaluated by Carson-Newman University. For faster processing, a professional course-by-course evaluation with GPA of the completed studies is recommended but not required. A list of evaluating agencies is available at www.cn.edu.
2. Test Scores*
Non-Native English Speaker (must submit one of the following):
 - Duolingo English Test score: 90
 - TOEFL score: 74 iBT (internet-based)
 - IELTS score: 6
 - EIKEN STEP score of LEVEL 1 with a compulsory math placement exam
 - PPTE Academic score: 59

* A Duolingo score of 90, TOEFL score of 74 iBT (internet-based), IELTS score of 6, or EIKEN STEP score of Level 1 will allow acceptance to the undergraduate program. Students who do not meet the required English language proficiency for full admission to Carson-Newman University but who are academically eligible may be considered for conditional admission. If students are admitted conditionally, they will be required to attend the English Language Institute until they receive the appropriate Duolingo score, TOEFL score, IELTS score, EIKEN STEP score, or a recommendation from the English Language Institute and the Carson-Newman University Department of English.

Candidates for freshman admission should submit the following to the Office of Admissions:

1. International Carson-Newman University online application for admission
2. Official high school transcript(s) in both the native language and English from all secondary schools
3. Official university transcript(s) (if applicable*)
4. Standardized tests scores (listed above)
5. Immunization Form: All students must submit proof of proper immunizations and a recent physician's examination. Immunizations can be obtained from a family physician or a local health department. Any questions or appeals because of extenuating circumstances related to immunization requirements must be filed with and approved by the Director of Health Services prior to enrollment.
6. Confirmation of Financial Support: This form must be completed by the individual (student and Parent or sponsor) affirming the availability of financial resources to pay for the student's expenses while attending Carson-Newman University. To verify the support noted on the Confirmation of Financial Support, each individual providing support (parent, sponsor or student, if self-funding) must request a letter from their bank to verify account status and amount available. Bank letters must be written on bank letterhead, including the bank name and location, be currently dated (within last 6 months) and written in English. Furthermore, the bank letter should list of the name of an *individual* bank customer, not a company, should state how long the individual has been a customer of the bank, list of average amount available in accounts and amount currently readily available, in local currency and U.S. dollars. The official bank letter should be signed and dated by a bank representative, with their name printed legibly beneath their signature.
7. Residence Hall Application: All students who wish to live on campus must submit a residence hall application. In order to receive a Resident Hall assignment, students must submit both the Residence Hall application and the Enrollment Fee/Deposit. If a student desires to live off campus, they must meet proper requirements and they must submit an off campus residence application.
8. Choice of Major Form: All students must complete and submit a Choice of Major form.
9. Copy of Passport: All students seeking issuance of a Form I-20 must submit a photocopy of the photo page of their passport prior to being issued a Form I-20.
10. Application for Issuance of Form I-20: All students seeking issuance of a Form I-20 must submit a completed Application for Issuance of Form I-20. This form will serve as verification of the mailing address the student wishes his/her Form I-20 to be sent.

* Official transcripts in both the native language and English from all secondary schools and universities attended. For transfer credit all university transcripts must also be accompanied by a professional, course-by-course evaluation of the completed studies. A list of evaluating agencies is available at www.cn.edu.

Transfer International Student admission decisions are based on the following:

1. Academic record and cumulative GPA in coursework which is transferable to Carson-Newman University. U.S. grade point average minimum is 2.0. Official transcripts in both the native language and English from all secondary schools and universities attended must be submitted. For transfer credit all university transcripts must also be

accompanied by a professional, course-by-course evaluation of the completed studies. A list of evaluating agencies is available at www.cn.edu.

2. Academic and Disciplinary Standing at current and former institutions
3. High School coursework (for applicants who have completed fewer than 12 semester hours of transferable college credit)

**International transfer students must meet the same English proficiency standards for Freshman International Student admissions (see # 2 above).*

Candidates for transfer admission should submit the following to the Office of Admissions:

1. International application for admission
2. Official transcript(s) in both the native language and English from all secondary schools
3. Immunization Form: All students must submit proof of proper immunizations and a recent physician's examination. Immunizations can be obtained from a family physician or a local health department. Any questions or appeals because of extenuating circumstances related to immunization requirements must be filed with and approved by the Director of Health Services prior to enrollment.
4. Confirmation of Financial Support: This form must be completed by the individual (student and Parent or sponsor) affirming the availability of financial resources to pay for the student's expenses while attending Carson-Newman University. To verify the support noted on the Confirmation of Financial Support, each individual providing support (parent, sponsor or student, if self-funding) must request a letter from their bank to verify account status and amount available. Bank letters must be written on bank letterhead, including the bank name and location, be currently dated (within last 6 months) and written in English. Furthermore, the bank letter should list of the name of an *individual* bank customer, not a company, should state how long the individual has been a customer of the bank, list of average amount available in accounts and amount currently readily available, in local currency and U.S. dollars. The official bank letter should be signed and dated by a bank representative, with their name printed legibly beneath their signature.
5. Residence Hall Application: All students who wish to live on campus must submit a residence hall application. In order to receive a Resident Hall assignment, students must submit both the residence hall application and the Enrollment Fee/Deposit. If a student desires to live off campus, they must meet proper requirements and they must submit an off campus residence application.
6. Choice of Major Form: All students must complete and submit a Choice of Major Form.
7. Copy of Passport: All students seeking issuance of a Form I-20 must submit a photocopy of the photo page of their passport prior to being issued a Form I-20.
8. Application for Issuance of Form I-20: All students seeking issuance of a Form I-20 must submit a completed Application for Issuance of Form I-20. This form will serve as verification of the mailing address the student wishes his/her Form I-20 to be sent.

**Transfer applicants who have completed fewer than 12 semester hours of transferable college credit (after high school graduation) must also submit official high school transcripts and test scores as listed above the freshman requirements. *For transfer credit all students who have studied at an international college or university must submit an official, certified course-by-course evaluation. A list of evaluating agencies is available at www.cn.edu.*

English Language Institute admission decisions are based on the following:

- Academic record and cumulative GPA (minimum of high school graduation or its equivalent).
- U.S. grade point average minimum is 2.0. High school transcripts can be evaluated by Carson-Newman. For faster processing, a professional course-by-course evaluation with GPA of the completed studies is recommended but not required. A list of evaluating agencies is available at www.cn.edu.

Candidates for English Language Institute admission should submit the following to the Office of Admissions:

1. International application for admission
2. Official transcript(s) in both the native language and English from all secondary schools
3. Official university(s) transcripts (if applicable)
4. Standardized test scores (if available but not required)
5. Immunization Form: All students must submit proof of proper immunizations and a recent physician's examination. Immunizations can be obtained from a family physician or a local health department. Any questions or appeals because of extenuating circumstances related to immunization requirements must be filed with and approved by the Director of Health Services prior to enrollment.
6. Confirmation of Financial Support: This form must be completed by the individual (student and Parent or sponsor) affirming the availability of financial resources to pay for the student's expenses while attending Carson-Newman University. To verify the support noted on the Confirmation of Financial Support, each individual providing support (parent, sponsor or student, if self-funding) must request a letter from their bank to verify account status and amount available. Bank letters must be written on bank letterhead, including the bank name and location, be currently dated (within last 6 months) and written in English. Furthermore, the bank letter should list of the name of an *individual* bank customer, not a company, should state how long the individual has been a customer of the bank, list of average amount available in accounts and amount currently readily available, in local currency and U.S. dollars. The official bank letter should be signed and dated by a bank representative, with their name printed legibly beneath their signature.
7. Residence Hall Application: All students who wish to live on campus must submit a residence hall application. In order to receive a Resident Hall assignment, students must submit both the Residence Hall application and the Enrollment Fee/Deposit. If a student desires to live off campus, they must meet proper requirements and they must submit an off campus residence application.
8. Copy of Passport: All students seeking issuance of a Form I-20 must submit a photocopy of the photo page of their Passport prior to being issued a Form I-20.
9. Application for Issuance of Form I-20: All students seeking issuance of a Form I-20 must submit a completed Application for Issuance of Form I-20. This form will serve as verification of the mailing address the student wishes his/her Form I-20 to be sent.

**ELI students are allowed to take some undergraduate courses appropriate to their level of English proficiency and at the discretion of the ELI Director. See English Language Institute (ELI) Program for more details. *Upon successful completion of the ELI program, ELI students may apply for admission to the undergraduate program. The*

language requirement for admission will be satisfied with successful completion of the ELI program by passing the ELI exit examination and receiving written consent from both the Director of ELI and the Department of English. The admission application fee will be waived and the enrollment fee/deposit will be \$200. Otherwise, the application procedures will be the same as for any other international undergraduate student.

Enrollment Requirements for International Students

The following items must be submitted to the Office of Admissions before an international student may enroll at Carson-Newman University.

1. New Student Enrollment Fee/Deposit: \$200 (U.S. dollars) enrollment fee/deposit must be submitted to the Office of Admissions prior to enrollment and issuance of Form I-20 (for students entering the undergraduate program).
2. \$100 (U.S. dollars) enrollment fee/deposit must be submitted for students entering the English Language Institute. The request for the enrollment fee/deposit will be made after offer of acceptance.
3. Final official transcript(s): showing completed coursework and graduation date with certified English translations and professional evaluation of any university level studies must be provided.
4. Health Insurance: International student accounts are charged during the fall semester for six months of coverage and during the spring semester for the remaining six months of coverage. See cost section for current rates.

International Student Application and Required Document Submission Deadlines (All tuition, fees and charges are payable on or before registration)

- Fall Semester: May 31st
- Spring Semester: October 31st

Issuance of Certificate of Eligibility (INS Form I-20):

Form I-20 will be issued only after acceptance to Carson-Newman University has been granted and the University has received all required paperwork (which includes transfer release form from previously attended United States institution/F-1 sponsoring school if applicable).

POST-BACCALAUREATE ADMISSION

Candidates, who have obtained a bachelor's degree and wish to enroll in coursework seeking a second degree, teacher certification or health professions preparation, may apply for post-baccalaureate admission. Graduates of Carson-Newman University must complete a readmission application. Candidates who do not have an undergraduate degree from Carson-Newman University must apply for admission and official college transcripts. Candidates who possess a baccalaureate degree and wish to enroll at Carson-Newman University as a non-degree seeking student may apply for admission as a post-baccalaureate student. Applicants must apply for admission, and official college transcripts. Students who are admitted as post-baccalaureate non-degree seeking students are not eligible for financial aid from Carson-Newman University.

READMISSION

Readmission for Students Who Have Not Enrolled at Another Institution

Students who have previously attended Carson-Newman University but have ceased to be enrolled for a full semester or longer (excluding summer) must apply for readmission. Students who have graduated

and wish to re-enroll for a second undergraduate or non-degree seeking set of preparatory undergraduate/post-baccalaureate coursework must apply for readmission.

All students applying for readmission must clear any previous holds or issues with Carson-Newman University before they are eligible to be re-enrolled. Submitting an application for readmission will automatically result in all of the relevant offices in the readmission process being notified of the student's intent to return so that they may make the admission staff aware of any potential issues that the student may need to resolve. Students who have not attended any other institution after ceasing to be enrolled at Carson-Newman and wish to be evaluated for readmission must submit an online Readmission Application Form. The priority deadline for applying for readmission is one month before each semester begins. International students applying for readmission are required to submit an application at least one month prior to the beginning of the next enrollment term. Students who have been readmitted may contact the Office of Admission for class registration information.

* Students who are re-admitted to the University after Academic Suspension will be automatically placed on Academic Probation (see Academic Standing).

Readmission for Former Carson-Newman Students Who Enrolled at Another Institution and Wish to Return

Students who previously attended Carson-Newman University who transferred to another institution but wish to return to Carson-Newman must complete the following process:

- Complete the application for transfer admission
- Submit official copies of all college transcript(s)
- Submit the Transfer Student Disciplinary Record Check Form from all institutions attended after ceasing enrollment at Carson-Newman.
- Returning students with transfer credit earned at another institution must clear any previous holds or issues with Carson-Newman University before they are eligible to re-enroll. Students must be approved for re-enrollment by the Office of the Registrar, the Office of Student Accounts, the Financial Aid Office, and the Office of Student Services.

Re-enrolling students will be evaluated for admission under the standards of the academic year in which they wish to return. They will be considered as transfer applicants and are not guaranteed to receive any previous awarded financial aid. Financial Aid awards will be based on transfer status. Students who apply for readmission during their first term of enrollment at another institution may be evaluated for admission based on the student's previous cumulative GPA from Carson-Newman University. If the previously earned cumulative GPA is 2.5 or higher, the student is eligible for early readmission. If the previous cumulative GPA earned at Carson-Newman is 2.49 or below, a readmission decision may not be rendered until a final official transcript is received showing all grades received and courses attempted.

TRANSFER ADMISSION

Transfer admission decisions are based on the following:

- Academic record and transferable cumulative GPA in coursework taken at all accredited institutions of higher learning.
- A minimum cumulative college GPA of 2.0 is required for standard admission.
- Academic and disciplinary standing at current and former institutions.

- High school coursework and ACT or SAT test scores (if applicable) can be used to determine admission for all applicants who have completed fewer than 12 semester hours of transferable college credit.

Candidates seeking transfer admission should submit the following to the Office of Admissions:

- Completed application for admission
- Official copies of all college transcript(s)
- Applicants for transfer admission who have completed fewer than 12 semester hours of transferable credit (after high school graduation) must also submit official high school transcript(s) and ACT or SAT scores. Applicants in their first term of full-time college enrollment and have not yet earned any college credit after high school graduation will be evaluated on the basis of their high school GPA and test scores and must submit a college transcript for evaluation at the conclusion of their first term of enrollment.
- Transfer Student Disciplinary Record Check Form students who do not academically qualify for standard admission may request to have their application reviewed by the Enrollment Management Committee. A personal statement and at least one letter of recommendation from a higher education faculty member, administrator, counselor, or from another related professional capable of gauging the student's character and potential for academic success must be submitted. All committee decisions are final.

Mid-year (spring) Transfers During the Freshman Year of College:

Students who initially enroll in another higher education institution for the fall semester of a given academic year but elect to transfer to Carson-Newman University for the spring semester of their first year in college will be evaluated as a "Freshman with College Credit" transfer status. Admission decisions will be based on their high school GPA and test scores. Freshman transfer students must submit an official copy of their college transcripts at the conclusion of their fall semester and prior to matriculating for the spring term at Carson-Newman. The official college transcript will be evaluated for transfer credit.

All Mid-Year Transfers who have currently earned more than 12 college credits in non-developmental coursework:

Students should submit an official copy of their current official transcript showing their fall in-progress course work. Students will be evaluated for early admission based on their transferable cumulative GPA if the transferable GPA is 2.5 or higher at the time of application.

If a student has a GPA of cumulative 2.49 or lower, the student is not eligible for early admission because of his/her academic performance during their final term at the current institution for the current academic term could lower the GPA below the required threshold for admission. In these cases, the admission decision will be made after the final official transcript indicating fall term grades is received. If a student has a 2.5 or higher transferable cumulative GPA, the student is eligible for early admission to Carson-Newman University with the specific condition that the student must submit an official copy of their final transcript prior to matriculating. Final enrollment status will be determined after receipt of the official transcript indicating grades for all terms of enrollment at the current institution

Enrollment Requirements for Freshman and Transfer Students

Enrollment Fee/Deposit: \$200.00 enrollment fee/deposit (\$100 covers registration/orientation costs and \$100 is a deposit on the C-N student account) must be submitted to the Office of Admissions prior to enrollment. The request for the enrollment fee will be listed in the acceptance letter and on the student application portal. Priority for class registration and residence hall room assignments is based on date fee is received. The enrollment fee is non-refundable if admission offer is canceled after May 1 or if fee is submitted after May 1 for fall and summer semesters (after December 1 or submitted after December 1 for spring semester). Enrollment fee refund requests (or cancellation of acceptance offer) must be submitted to the Office of Admissions.

- **Immunization Form:** All students must submit proof of proper immunizations (those born before 1957 are exempt). Immunizations can be obtained from a family physician or a local health department. Appropriate forms are provided by the Office of Admissions or by the C-N HealthServices for the preceding information. Any questions or appeals because of extenuating circumstances related to immunization requirements must be filed with and approved by the Director of Health Services prior to enrollment. A physical examination is not required.
- **Final Official Transcript:** Entering freshmen must submit a final, official transcript which shows 8 semesters of coursework and graduation date. Transfer students must submit final, official transcripts from all colleges and universities attended.
- **Residence Hall Application:** All students who wish to live on campus must submit a residence hall application prior to enrollment. Resident hall applications are online, and links are provided by the Office of Admissions upon acceptance to the University. Applications should be submitted to the Office of Admissions or to the Office of Residence Life. In order to receive a residence hall assignment, students must submit both the residence hall application and the enrollment fee/deposit.
- **Off-Campus Living Form:** Students who wish to live off-campus must complete the Off-Campus Living Form online and receive permission from Residence Life to live off-campus.

TRANSIENT ADMISSION

A transient student is one, currently enrolled at another college or university, who wishes to take courses at Carson-Newman University for one semester and transfer the credit earned to the institution where the degree is being pursued. Students who are admitted with transient student status are not eligible for financial aid from Carson-Newman University. Students must submit:

- Completed application for admission
- Official transcript(s) or letter of approval from current institution's academic dean or registrar
- Test scores are required for international students seeking to study in the undergraduate program

COST AND FEES

The following is a list of the major expenses which a student can incur at Carson-Newman University. Tuition and fees for full-time students cover the basic costs (excluding special course fees). The University reserves the right, beginning any term, to change its charges for tuition, fees, room, and board without advance notice prior to such change.

Basic Costs		
CPS - Accounting	\$365 per credit hour	+\$55 tech fee
CPS - Business Administration	\$365 per credit hour	+\$55 tech fee
CPS - Computer Science	\$365 per credit hour	+\$55 tech fee
CPS - Marketing	\$365 per credit hour	+\$55 tech fee
CPS - Organizational Leadership	\$365 per credit hour	+\$55 tech fee
CPS - Professional Studies	\$365 per credit hour	+\$55 tech fee
Traditional Tuition (12-17 hours)	\$16,450 per semester	\$32,900 per year
Traditional Tuition (less than 12 hours)	\$1,370 per credit hour	
Traditional Tuition (over 17 hours)	\$1,025 per credit hour	

Fees and Books	Per Semester	Per Year
Technology Fee		
Full-time	\$450	\$900
Part-time	\$225	\$450
Student Activity Fee		
Full-time	\$450	\$900
Part-time	\$300	\$600
Books (estimate)	\$800	\$1,600

Other Fees	
Advanced placement/credit by exam (excludes nursing exams)	\$10 per credit hour
Course change (drop/add)	\$10.00
Dual Enrollment Tuition	\$166.00 per credit hour
Dual Enrollment Technology Fee	\$10.00 per credit hour
Enrollment fee for new students	\$200.00
Health Insurance for International Students (estimate)	\$1,926.72
Interdisciplinary Studies Tuition	\$380.00 per credit hour
IDST Technology Fee	\$55.00 per credit hour

Late enrollment confirmation and registration fee	\$25.00 <i>*(Assessment based on registration completion date assigned/determined by Student Accounts)</i>
Returned check fee	\$25.00
Room damage deposit and resident life fee (\$75 non-refundable)	\$150 per year
Student Teaching fee	\$400.00

MEAL PLANS

	Per Semester	Per Year
Residential:		
Unlimited meal plan*	\$3,025	\$6,050
12 meal plan (any 12 meals weekly) *	\$2,800	\$5,600
Commuter: Meal Plans		
100 meal/semester block plan (Available Only to Appalachian Commons Residents and Commuters) **	\$1,550	\$3,100
40 meal/semester commuter block plan (Commuters Only) **	\$780	\$1,560

You can add \$25 increments for Eagle Bucks by paying with cash, check, money order, debit card, or credit card online or in person in the cafeteria (see dining services).

*Includes initial \$100 declining-balance (Eagle Bucks) account per semester.

**Includes initial \$250 declining-balance (Eagle Bucks) account per semester. All charges must be paid in full on or before final registration. All fees and charges are subject to change.

RESIDENCE HALLS COST

Residence Halls	Occupancy	Cost Per Semester	Cost Per Year
Alumni (Women's Residence Hall)			
Traditional 2-Person Room			
	Double	\$2050	\$4,100
	Single (Private)	\$2,800	\$5,600
Burnett (Women's Residence Hall)			
Traditional 2-Person Room			
	Double	\$1,850	\$3,700
	Single (Private)	\$2,450	\$4,900
Swann (Women's Residence Hall)			
Traditional 2-Person Room /*Not available for first year students			
	Double	\$2,150	\$4,300
	Single (Private)	\$2,900	\$5,800
	Single Person Room	\$2,450	\$4,900
Heritage Hall (Men's Residence Hall)			
Traditional 2-Person Room			
	Double	\$1,850	\$3,700

	Single (Private)	\$2,450	\$4,900
Butler (Men's Residence Hall) <i>Traditional 2-Person Room</i>			
	Double	\$2,150	\$4,300
	Single (Private)	\$2,650	\$5,300
*New private rooms on first floor	Single Person Room	\$2,650	\$5,300
Appalachian Commons			
Standard 4-Bedroom	4-Person Occupancy	\$2,600	\$5,200
Standard 2-Bedroom	2-Person Occupancy	\$2,950	\$5,900

AUDIT FEES

Course audit is one half of tuition rate per credit hour.

**(undergraduate on campus courses only)*

COSTS FOR MAY TERM AND SUMMER TERMS

Since university operating and instructional expenses are generally less during these terms, the tuition rate is reduced. The last date to drop a summer course without being charged for the course in the module is before the module begins. Module classes are part of an academic term. To not incur charges, courses should be dropped by the date and time indicated on the Timetable of Dates.

Students who fail to officially withdraw or students who attend the course will incur charges. Dropping module courses during the summer may result in a financial aid recalculation or result in a return of funds to the funding agency for that term.

When a student drops all courses of enrollment, the student is a withdrawal and follows the withdrawal policy for refunds and financial assistance recalculations. If a student withdraws from the 14-week term before the end of the first week of the term, the student will receive 90% refund for the 14-week module only.

DAMAGE TO UNIVERSITY PROPERTY

Failure to respect University property, including but not limited to the residence halls and any property which is not the student's, is prohibited. Residents may be required to pay restitution for any damages incurred.

MUSIC LESSONS

One 30-minute lesson per week is \$100. Two class sessions per week is \$200.

SENIOR CITIZENS

Citizens over the age of 65 who are non-degree seeking may take one course per term for \$50 per credit hour. This rate is applicable for enrollment on a space available basis, which allows registration no earlier than the day before classes begin. The audit rate policy is not applicable to citizens paying the \$50 per credit hour rate.

REGISTRATION AND TUITION CHARGES

A student's registration for classes will incur charges. Registration is an obligation and commitment to paying for all related charges.

Advanced financial planning by the student is imperative. Payments are due by the first day of classes for the registered semester. Students must settle their account each semester to be permitted to register for the following semester. Those who do not plan to take courses they have registered for will need to contact the Registrar's office before the first day of class.

If a student fails to make arrangements for payment of his/her student account by the start of the semester, the student's registration may be canceled. Suppose a student makes arrangements to pay tuition and fees after being dropped from classes. In that case, re-enrollment must be approved by the Student Accounts office, the Provost, and the University Registrar. If re-enrollment is approved, the student will be subject to late registration and re-enrollment fees.

PAYMENTS

Tuition, fees, and all other costs for the semester are payable on or before the first day of class. For students with definite commitments of funds from the Financial Aid office, the difference between the total cost for the semester and the financial aid commitment is payable upon registration. Payment of the difference between enrollment charges and financial aid can be made by cash, personal check, DISCOVER CARD, VISA, MASTERCARD, or through the deferred payment plan. Information on pay plan will be available www.tuitionassistant.com.

By enrolling, the student agrees to pay all expenses incurred by Carson-Newman University to collect any outstanding debt, including attorney and collection agency fees. Carson-Newman University reserves the right to report the status of any outstanding indebtedness owed to credit reporting agencies. Each student must settle his/her account for the current semester, including library and traffic fines, infirmity charges, etc., before he/she will be eligible to enroll for a subsequent semester, or before a transcript of his/her academic record can be released by the Office of the Registrar.

REFUNDS

When dropping a class but not withdrawing from school:

A refund will be given to traditional undergraduate students who drop a course by the last day of the drop/add period during a regular semester. To receive a refund for a course in an accelerated module, the student must drop the course before the session begins.

When withdrawing from school:

If a student elects to withdraw after beginning attendance, the student must contact the Financial Aid office to initiate the formal withdrawal process. Any situation in which all classes are dropped is considered withdrawal from the university.

The date of withdrawal used to compute refunds is determined by the date of withdrawal notification and is posted on the student's record by the Office of the Registrar. The Student Accounts office computes tuition refunds based on the university's refund policy which is as follows:

Tuition refund schedule when withdrawing from the university for students in the traditional semester:

- During first week of semester (90%)
- During second week of semester (75%)
- During third week of semester (50%)
- During fourth week of semester (25%)

- After four weeks (0%)

In other words, after the fourth week of a semester, no refund will be granted for that semester's tuition.

If a student with federal (Title IV) student financial aid withdraws, drops out of school, or is dismissed from the University, the Financial Aid Office will calculate the portion of federal aid that has been earned and the balance that is unearned must be returned to the appropriate agency or program. Federal aid is earned based upon the student's days in attendance and has no relation to the tuition refund percentage computed above. It is important to note that federal aid may not cover all unpaid institutional charges due upon a student's withdrawal and that a Federal Direct Stafford Loan borrower will begin using the 6-month grace period after which loan repayment will begin. Federal Perkins borrowers have a 9-month grace period.

For specific questions concerning the computation of earned federal aid, please contact the Financial Aid office. Students must be billed 100% tuition charges to earn university-funded financial aid. Students eligible for a tuition refund from withdrawing will no longer qualify for university funded financial aid. During each semester's last day, to be eligible for a tuition refund for dropping a course, a student may voluntarily reduce or cancel a commitment for room and board (i.e., a meal plan). Charges for board are recomputed to arrive at the amount refundable. The cost for a room is \$200. After the semester's last day to qualify for a tuition refund for dropping a course end, room-and-board commitments are considered non-cancelable. However, an alternative room assignment can be authorized by Carson-Newman's Director of Residence Life, and a meal plan can be changed but only to one that offers more meals per week.

If a student withdraws from the university or moves off campus after the semester's last day to qualify for a tuition refund for dropping a course end or is dismissed from the University for disciplinary reasons, no refund will be granted for any portion of room charges. If a student withdraws from the University or moves off campus with the permission of the Carson-Newman's Director of Residence Life, the student will receive a pro-rated refund of his or her board charges only up to mid-term. After mid-term there is no refund for board charges.

Suppose a student withdraws from the university or moves off campus without the permission of Carson-Newman's Director of Residence Life or is dismissed from the university for disciplinary reasons. In that case, no refund will be granted for any portion of the board charges.

Charges for a meal plan commitment that a student voluntarily reduces during the semester's last day to qualify for a tuition refund for dropping a course or subsequently cancels by withdrawing from the university or by moving off campus with the permission of the Director of Residence Life are recomputed based on the ratio of whole weeks remaining in the semester to total weeks in the semester.

A refund is paid accordingly up to mid-term. However, no refund will be paid for a partial week, and no refund will be given after mid-term. Any unused portion of the declining-balance account (Eagle Bucks) is not refundable. The unused portion of a student's declining balance (Eagle Bucks) account will be transferred from the fall to the spring semester only if the student continues to have a meal plan that

includes a declining balance (Eagle Bucks) account. At the end of the spring semester, the unused balance of a declining balance (Eagle Bucks) account is forfeited. It is not refundable and cannot be transferred to any subsequent period.

REFUNDS FOR ACCELERATED COURSES AND SUMMER TERM

An accelerated course is a course that is shorter than a full term and does not span the entire payment period of enrollment. Accelerated courses fit with the regular academic term. Still, they will range from four weeks (May-Term, FST, and GST), seven weeks (Sessions A and B), and ten weeks (TST).

If a student drops a course that has been verified, then the following tuition refund schedule will be followed.

Tuition Refund Schedule for Withdrawal for students in an accelerated course:

During first week of class.....	90%
During second week of class	No refund

For students with federal student financial aid, the portion of federal assistance earned and the balance that must be returned to the federal or state program will be determined by the Financial Aid Office

FINANCIAL AID

Financing higher education is one of the major concerns for students and parents. Carson-Newman University offers a comprehensive financial aid program that includes federal, state, and institutional resources of aid.

The Financial Aid Office at Carson-Newman University is available to assist families in completing the steps that are necessary in applying for aid. Students wishing to apply for any type of assistance must complete the Free Application for Federal Student Aid (FAFSA). This information is used in a formula established by the U.S. Congress to calculate the expected family contribution, known as the EFC. The EFC is an amount that students and families are expected to contribute towards the student's educational costs.

Many types of assistance are based upon financial need, which is defined as the student's educational cost minus the EFC. The FAFSA should be completed even if students think they will not qualify, are requesting merit-only awards, or are requesting loan or work-study employment. In addition, to receive assistance from federal student aid programs, students must be U.S. citizens or eligible non-citizens; be admitted into a degree program; and continue to make Financial Aid satisfactory academic progress (FASAP) every semester.

Carson-Newman University offers the following types of assistance: scholarships and grants, loans, and part-time employment through the work-study program. These types of assistance may be awarded individually or in combination depending upon the needs of the student and family. The financial need of a family will also be used in priority of awarding funds as well. Notification of assistance will be in the form of an Aid Offer notification letter as well as an email to the student's email and will direct them to access the actual offer via MyCN or the C-N Mobile app at the student's convenience.

New students must first apply and be accepted for admission to Carson-Newman University and file the current year FAFSA before an aid letter is prepared. Continuing students need only to complete the FAFSA each year and maintain satisfactory academic progress. For additional information on any financial aid topic or scholarship program, please contact the Financial Aid Office or view online at <http://www.cn.edu/administration/financial-aid>.

How To Apply For Financial Aid:

Complete the FAFSA online at www.studentaid.gov. FAFSAs may be submitted year-round, but priority processing for new students will take place for FAFSAs received by February 1st prior to the fall semester. If a paper application is needed, students may request one directly from the U.S. Department of Education. List Carson-Newman University on your FAFSA with our federal code of 003481. Once all forms have been received, a financial aid counselor will review the file for financial aid eligibility, and an Aid Offer notification letter and email will be generated directing the student to their MyCN or the C-N Mobile app to view the proposed assistance.

NOTE: Federal and/or state regulations governing the application process and awarding of financial aid may change. These changes may impact the awarding and renewal of financial aid at Carson-Newman University.

Student responsibility in completing necessary forms and returning them to the Carson-Newman University Financial Aid Office as quickly as possible cannot be over emphasized.

Information and forms are available on the C-N Financial Aid website at www.cn.edu or may be obtained by writing or calling:

Financial Aid Office
Carson-Newman University
1645 Russell Avenue
Jefferson City, TN 37760
(865) 471-3247 or 1-800-678-9061

No aid is automatically renewable; all aid requires application each year. For further information, please e-mail the Financial Aid Office at financialaid@cn.edu or consult our website. More detailed information is also available in the Financial Aid Handbook online.

CLASSIFICATION OF STUDENT

Definitions of undergraduate student classification are as follows:

Semester hours credit

freshman 1 - 29
 sophomore 30 - 59
 junior 60 - 89
 senior 90 plus

COURSE LOAD

Full-time course load for a semester is a minimum of 12 hours. An average course load is 15 hours per semester. Additional tuition is charged for hours in excess of 17. Students may not enroll for more than 20 semester hours (*without permission from the advisor and University Registrar*) during a regular semester.

ENROLLMENT STATUS

Full-time - enrollment in at least 12 semester hours
 Part-time - enrollment in fewer than 12 semester hours

SUMMER COURSE LOAD

One course, 3 hours, is the maximum for May-term or for a four-week summer school term. Students may not exceed 15 hours during the entire summer including May-term. Exceptions to this policy may be granted on a case-by-case basis by recommendation of the academic advisor and approval by a department chair or dean.

COURSEWORK TOWARD PROGRAM OF STUDY (CPOS) POLICY

For federal aid, TELS, Hope, TSAA, and TN Promise to pay for a course in your major, minor, or other degree requirement, it must be part of your approved Course Program of Study (CPOS) and must count in the evaluation of your approved program using the degree evaluation tool. You need to make sure all courses count when you meet with your academic advisor and plan your schedule for each semester. It is essential that your major and minor are officially declared and noted in your student record. If you have been planning to declare or change a major or minor but have not yet done so, you should consult with your academic advisor immediately to make the official declaration.

Financial aid offers are based on the assumption that undergraduate students will enroll full-time and graduate students will enroll at least half-time in **eligible** coursework during the fall and spring semesters.

If students do not enroll full-time or half-time to meet that assumption, the Financial Aid Office will be required to adjust your aid to your enrollment status and federal cost of attendance.

Remember that dropping or not attending your courses can negatively impact your eligibility for current and future aid. It is important that you discuss your Course Program of Study with your advisor when you enroll for next semester's classes. If your current coursework is not correct, work with your advisor to make the appropriate changes to your program of study. See the Financial Aid webpage on CPOS for more detailed information and contact the Financial Aid Office with questions.

DISBURSEMENTS

All financial aid will be credited to your student account each term. For traditional semester attendance, disbursement is scheduled roughly two weeks from the start of the term (after census date) upon confirming you have begun attendance in each class anticipated. Until the aid is disbursed to your student account, aid will be pending. Award amounts will be based upon your actual attendance in each class. For instance, if you register for 12 credit hours, but only begin attendance in 9 credit hours, your award amounts will be recalculated for 9 credit hours. It is important to begin attendance and have your schedule finalized by the last day to make a schedule change without a fee (census date) each term. Disbursement dates for module classes are traditionally scheduled on the first Thursday after the census date of each module.

FEDERAL GRANTS

- The **Federal Pell Grant** is for exceptional need students. It is a grant that does not have to be repaid. Eligibility is determined by the results of the FAFSA. The actual amount awarded may vary according to the number of hours that a student enrolls per semester. Any changes to enrollment status must be reviewed by the Financial Aid office. After the drop period is complete, each student who is enrolled in less than 12 hours is reviewed to make sure the student is still eligible for the amount awarded. Amounts will be adjusted prior to the student receiving a refund.
- The **Federal Supplemental Educational Opportunity Grant (SEOG)** is for Federal Pell Grant recipients only with the highest level of exceptional need as determined by the FAFSA EFC. It is a grant that does not have to be repaid. This award has limited funding. SEOG is awarded based on the availability of funds. Renewal from year to year is not guaranteed.
- The **Federal TEACH Grant** is not a need-based award. This grant is for students who are pursuing teaching credentials in high need fields of study. The student must agree to teach for four years in a high need field and high need area. The student can either score above the 75th percentile on a college admissions test such as ACT, SAT, or GRE or graduate from high school with a cumulative GPA of at least a 3.25 on a 4.0 scale and/or have a cumulative GPA of at least 3.25 on a 4.0 scale on college coursework to be eligible to receive the TEACH Grant for each subsequent term. Students who choose to accept the Federal TEACH Grant will have to complete annual TEACH Grant paperwork of Entrance Counseling and an Agreement to Serve on studentaid.gov. For more information, go to <https://studentaid.gov/understand-aid/types/grants/teach>. Should the teaching requirements not be fulfilled, the grant retroactively converts to an Unsubsidized Direct Loan. Please use your best judgment when deciding to

accept this award or not.

FEDERAL WORK-STUDY

The Federal Work-Study Program provides jobs for students who have financial need and who need to earn a part of their educational expenses. Students can attend a job fair to facilitate job placement. Eligible students are placed in jobs on campus where they can work a limited number of hours per week. Jobs are available in a variety of departments across campus. The rate of pay for most jobs is at least the federal minimum wage.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS (FASAP)

Initial Eligibility and Financial Aid Satisfactory Academic Progress (FASAP):

Initially, to be eligible to receive financial aid, you must be admitted into an eligible program. Federal financial aid is considered renewable up to 150% of the approved program of study, provided you satisfy the standards of Financial Aid Satisfactory Academic Progress (FASAP) as outlined below. You will be considered as making satisfactory progress in receiving financial aid provided that you are eligible to re-enroll at Carson-Newman and that you are making progress at a rate not less than demonstrated by the following qualitative and quantitative scales:

<u>Qualitative</u>				
Number of cumulative credit hours attempted	1-30	31-45	46-59	60+
Minimum cumulative GPA required	1.5	1.7	1.9	2
<u>Quantitative</u>				
Number of attempted fall/spring credit hours	30	24	12	9
Number of credit hours a student must earn 67% of attempted credit hours	20	16	8	6
Number of required credits to earn degree	120			
Maximum number of cumulative attempted credits (150%)	180			

Summer Semester: All of Carson-Newman Satisfactory Progress Standards will apply to the summer semester as well as to fall and spring. Our review to determine Satisfactory Progress will affect distribution in the summer.

FASAP Evaluation Process:

- **REVIEW Each Term:** Review for FASAP will be conducted at the conclusion of each term, including summer. The FASAP review process is a federally required review process that evaluates students' cumulative academic scores, including transfer and withdrawn hours. Your FASAP calculated GPA is not calculated the same as your Carson-Newman grade point average calculation. Students who are determined to be ineligible for further aid will be notified. It is the student's responsibility to ensure that lost eligibility is restored.
- **WARNING Status:** Students will have one semester of WARNING on the first instance of a failed FASAP

- calculation. Warning notice will be sent to the student's
- C-N email account and noted on students' MYCN account.
- **UNSATISFACTORY Status:** A subsequent calculation failing FASAP will result in Financial Aid UNSATISFACTORY standing (suspension), and students will be ineligible for financial aid without a successful appeal. Unsatisfactory notice will be sent to the student's C-N email account and noted on students' MYCN account.
- **APPEALS FASAP:** Students may appeal an unsatisfactory status for FASAP calculation. Appeals must be made by the deadline given in each notification. Students not approved on appeal must re-gain eligibility by meeting the stated satisfactory standards.
- **PROBATION Status:** Students that filed a successful appeal from an unsatisfactory status will be granted probation in which they will be eligible for financial aid. After the probation, students must meet the standards satisfactorily to continue aid eligibility.
- **W, F, or I Grades:** All grades of F, W, WP, WF, U, or I will not count as hours earned but will count as hours attempted.
- **REPEATED Hours:** Repeated hours will count towards attempted hours but may not be countable in enrollment status for the term depending upon the number of times repeated for a grade. For example, if you earned 3 hours with a grade of "D" twice, and you decided to repeat the course to earn a better grade, the repeated 3 hours will not count in your enrollment status for the term that it is a second repeat. Hence your enrollment status for the term will be calculated as: registered credit hours - second or more repeated credit hours = enrollment status for federal financial aid purposes. This is subject to change as federal regulations are subject to change. All attempted hours will count against your 150% of degree credits limitation.
- **TRANSFER Credits:** Transfer credits accepted by Carson-Newman University for credit will count in attempted and in total earned hours.
- **TELS Hope Awards:** Evaluation to determine continued eligibility for TELS Hope awards will occur upon attempting 24, 48, 72, 96, and 120 hours for coursework completed after high school graduation and is a separate process than FASAP calculations. If you fail to meet TELS SAP, you will be sent a written notification with important information, and future TELS awards may not be available to you. Your TELS HOPE grade point average is not calculated the same as your Carson-Newman grade point average calculation. Visit our consumer page to learn more.
- **APPEALS TELS HOPE Loss:** Students may appeal TELS HOPE loss on reasons other than grade point average. Grade point average is not recognized by the state as an appealable reason.

Student Athlete and Satisfactory Academic Progress

Carson-Newman University holds membership in the South Atlantic Conference (SAC) and the National Collegiate Athletic Association (NCAA). The University conforms to all regulations adopted by this organization which stipulate that:

- Athletes must be in academic good standing and be making satisfactory academic progress as defined by the University, South Atlantic Conference and NCAA.
- Participants in intercollegiate athletics must be enrolled in a minimum 12 semester hours (full-time) during the term

of participation.

- Additional requirements relating to test scores, credits, GPA and various other issues are stated in regulations published by each of the organizations. Consult the coach and/or the Athletic Director.

ROTC SCHOLARSHIP PROGRAM

High school seniors may apply for the four-year Army ROTC scholarship. Two types of 4-year scholarships are available: general or dedicated nurse. Carson-Newman University is one of only a few Partnerships in Nurse Education Schools offering dedicated nurse scholarships. High school seniors can fill out the scholarship application online at www.armyrotc.com. Typically, high school seniors' scholarships should be completed before October 1 of their senior year to be eligible for all scholarship selection boards. High school seniors are normally selected in early February, and early application is strongly encouraged. Carson-Newman University freshmen, sophomores, and juniors can apply for the three and two-year Army ROTC scholarships. They should contact the Department of Military Science for applications. Scholarships are based on merit and overall academic performance, athletics, and leadership.

Scholarships pay tuition, up to \$600 per semester for books, and up to a \$500 per month tax-free spending allowance. Carson-Newman University awards ROTC Scholarship Cadets up to an \$8,000 award, less other aid, to assist with the cost of an on-campus room and meal plan. Students must live on-campus and file the Free Application for Federal Student Aid (FAFSA) to qualify for this award. The university reserves the right to reduce the ROTC Room and Board Award by the amount of any additional aid the student receives.

SCHOLARSHIPS AND GRANTS

University scholarships, grants, and awards are made possible by the generosity of funds provided from individuals, alumni, outside foundations, and other organizations. The majority of awards are coordinated by the Financial Aid Office and based upon academic criteria as well as financial need. Individual academic areas administer some undergraduate scholarship programs for prospective and enrolled students as well. A separate application may be required. Please refer to the scholarships, grants, and awards page of the financial aid website for more information or contact the academic area for more information.

STUDENT LOANS

- The **Federal Direct Stafford Loan Program** provides low-interest loans in which repayment is deferred until six months after a student ceases to be enrolled at least half-time. Students may be eligible for the Federal Subsidized Direct Stafford Loan or the Federal Unsubsidized Direct Stafford Loan depending on the student's remaining unmet need. Filing the FAFSA is required as well as completion of the first-time borrower requirements of Entrance Counseling and a master promissory note (MPN). These are found to be completed at studentaid.gov. Students must be enrolled or admitted in a degree seeking program on at least a half-time basis to maintain eligibility.
- The **Federal PLUS Loan** is a federal loan in the parent's name. If your parents are declined, you may become eligible for additional Federal unsubsidized Stafford Loan. **Federal Grad PLUS** Loans are available to graduate students only. Many times, a graduate student's cost of attendance is already covered through the Federal Direct Stafford Loan Program, but any graduate student

interested in this loan may contact the Financial Aid Office. The applications for both types of PLUS loans are found at studentaid.gov.

- **Alternative loans** are consumer-based education loans that are not part of the federal government programs. Alternative loans may be more expensive than the federally guaranteed loans and should only be used after all other forms of financial aid have been exhausted. If you determine that an alternative loan is needed, please research your options carefully. Each lender has different fees, interest rates, and repayment options. Most alternative loans require a co-borrower. Maximum loan amounts vary depending on the amount of other financial aid you are receiving. Some lenders may defer repayment of principal until student ceases to be enrolled at least half-time.

TENNESSEE SCHOLARSHIPS AND GRANTS

The **Tennessee Student Assistance Award (TSAA)** is available for undergraduate students only. It is a grant that does not have to be repaid. Eligibility is determined by the results of the FAFSA. This award has limited funding. The award is limited to students who are Federal Pell Grant recipients and have exceptional financial need. Students must be a Tennessee resident for one full year prior to receiving funding. Actual amount of TSAA awarded is determined by the number of hours that a student is enrolled per semester. Any changes to enrollment status will be reviewed by the Financial Aid Office. After drop period is complete, each student who is enrolled in less than 12 hours is reviewed to make sure the student is still eligible for the amount awarded. TSAA is awarded based on the availability of funds. Renewal from year to year is not guaranteed. In order to maximize your eligibility for these funds, students should file the FAFSA by the priority deadline each year. A student is also limited to eight semesters of eligibility of TSAA award.

The **Tennessee Education Lottery Scholarship (HOPE)** is awarded to students who have been a Tennessee resident for one year by September 1 of the year of application date. For students beginning spring and summer terms, residency determined by February 1 as of application date. Recipients must enroll in a TN public college, university, or private college listed on www.CollegePaysTN.com. Please visit www.CollegePaysTN.com for eligibility and renewal requirements.

Students eligible for the TN HOPE scholarship may be eligible for funds from the **TN General Assembly Merit Scholarship (GAMS)** or **the TN Aspire Award (Aspire)**. Eligibility for the GAMS award will be determined by the student's weighted GPA and ACT/SAT score. Eligibility for the Aspire award is determined by information from the FAFSA. A student may only receive one award in addition to the TN HOPE Scholarship. The student will be given the largest award that he/she is eligible to receive.

The **Tennessee Promise Scholarship** is awarded to students pursuing a two-year associate degree, meeting all other state guidelines, including FAFSA filing deadline, attending mandatory meeting(s), and community service requirements. The amount awarded will be determined after the annual amount has been published in late summer and is reduced by TELS, TSAA, and Federal Pell Grant funding. Not all students that participate in the Tennessee Promise Scholarship program will receive monetary funding, as Promise funds are last dollars applied after TELS, TSAA, and/or Federal Pell Grant dollars. The Tennessee Scholarships and Grants listed are not all inclusive. For more detailed information regarding all Tennessee State Grants and Scholarships available, please visit

TN.GOV/collegepays.

Students receiving state aid, and HOPE or TN Promise in particular are expected to remain enrolled in all coursework that was reported at the end of the drop/add period (census date). Withdrawing from a course without prior approval from the Financial Aid Office could result in permanent loss of state funding. Additionally, stopping attendance in a course without officially withdrawing is considered an unofficial withdrawal for state aid purposes. Unofficial withdrawals can result in permanent loss of funding.

Students do have the opportunity to appeal the loss of HOPE, TN Promise, or TN Reconnect by appealing to the Institutional Review Panel. For more information on appeals, please refer to the Financial Aid Handbook. It is important to stress that loss of HOPE, TN Promise or TN Reconnect due to GPA is not appealable per state rules on those awards.

UNIVERSITY GIFT AID

Carson-Newman University has a large variety of institutional gift aid programs and opportunities that can often stack on other eligible federal and state aid. University scholarships are categorized into merit-based, performance-based, and need-based scholarships. These scholarships are limited to our traditional undergraduate students attending class on campus, pursuing their first associate's and/or bachelor's degrees, and are enrolled full-time. For a comprehensive list of University scholarships, see the Financial Aid webpages on Types of Aid.

UNIVERSITY GIFT AID CAP POLICY

University aid is considered the last gift dollars applied to the student charges. The University reserves the right to reduce, modify, or cancel awards when aid limits are exceeded, and/or the University determines at any time you are no longer eligible for the assistance. No cash credit balance refunds will be generated from University funds as the last resource.

WITHDRAWAL FROM THE UNIVERSITY

Students ceasing attendance from all classes before the close of the semester are considered withdrawn and must officially withdraw by contacting the Financial Aid Office. It is imperative to complete this process in order not to jeopardize future financial aid and to understand the earned financial aid calculation. The Financial Aid Office will process the withdrawal, regardless of whether a student has officially withdrawn or unofficially left, in order to determine the amount of financial aid a student has earned. Unearned financial aid will be returned to the appropriate program. Returning unearned financial aid may result in a balance due to the University. The process is completed by the Student Accounts Office, where tuition refunds are given as outlined under **Refunds** in the **Costs and Fees** section of this catalog.

A student who officially withdraws before the last date to drop with a W will be assigned W grades. A student who officially withdraws from the University after the last date to drop with a W will be assigned a grade of WP for courses the student is passing or WF for courses the student is failing. The grade of WP or WF will be determined by faculty evaluation of the student's performance up to the day the student is considered withdrawn from the University. The official withdrawal date is based on the date of notification of the withdrawal.

A student who ceases class attendance in all courses before the end of the semester and does not officially withdraw is considered to have unofficially withdrawn and will be administratively withdrawn from the University. Students who are administratively withdrawn from the University will receive a grade of WF for courses registered for during the term of administrative withdrawal. The date of withdrawal for unofficial withdrawals is the midpoint of the semester. Exceptions to the midpoint may be reviewed on a case-by-case basis, if appropriate documentation is provided by the professor. Using the midpoint may result in unearned financial aid being returned to the appropriate program. For information on how withdrawal from the university will affect financial aid eligibility, contact the Financial Aid Office.

DIVISION OF STUDENT SERVICES

The Division of Student Services encompasses student life outside the classroom. It provides leadership for a well-balanced co-curricular program and utilizes the Wellness Model with its six areas as a foundation for student growth and development. The six areas include: spiritual, social, emotional, career, physical and intellectual development. The co-curriculum is designed to support the mission of the University. The Student Services Office is located in the Maddox Student Activities Center. The office phone number is 865-471-3235. Student Services offers a wide variety of programs and services under the supervision of the Vice President for Student Services. These services include Student Conduct, Campus Ministries, Residence Life, Student Activities, Recreational Services, Counseling, Health Services, Public Safety, First Year Experience, Conference Services, and Appalachian Ministries of the Smokies.

Carson-Newman University also provides a variety of Academic Support Services to assist students in maximizing their success in the classroom, in their personal lives, and in preparing for the future.

ACADEMIC COMPUTER FACILITIES

General access computers are located in Stephens-Burnett Library (main floor) and available during open library hours. Many departments have computer labs available for students majoring in particular disciplines. Contact the academic department offices for more information.

COMMUNITY SERVICES

APPALACHIAN MINISTRIES OF THE SMOKIES

Appalachian Ministries of the Smokies (AMOS) is a poverty relief ministry sponsored by the Student Services division and the local community. This ministry includes a home repair ministry, Samaritan House, and AMOS. AMOS also includes the following mission outreach programs: food distribution, used clothing ministries, educational programming, recycling, children's ministry, firewood distribution, and partnerships in disaster relief missions and international poverty relief work.

BAPTIST COLLEGIATE MINISTRIES

Student-led, volunteer organization including worship, Christian growth groups, outreach teams, mission's experiences, and fellowship. Contact the Director of Campus Ministries.

CENTER FOR COMMUNITY ENGAGEMENT

The Center for Community Engagement builds partnerships between the University and local community agencies and nonprofits by sharing knowledge and resources, supporting faculty service-learning programming, hosting campus events, recruiting volunteers, and encouraging political participation among students, faculty, and staff. The CCE also offers several scholarship opportunities: Bonner Scholars Program, Faith and Justice Scholars Program, Community Connections, Service Corps, and Eagle Engage. With support from the Bonner Foundation (Princeton, New Jersey) and the CCDA (Christian Community Development Association), the CCE helps fulfill Carson-Newman's mission by empowering students to become active members of their communities, mindful servant-leaders, and dedicated agents of

social change. Contact the Director of the CCE for more information.

SAMARITAN HOUSE

The Samaritan House is a temporary shelter for homeless families and single women. This ministry includes clothing, furniture, and feeding programs, counseling, worship, and Bible study ministries. The shelter is a ministry of the Student Services division in partnership with the local community.

SPOTS TEAMS (SPECIAL PROJECTS OTHER THAN SUMMER)

Short-term mission projects over fall and spring break. Contact the Associate Director of Campus Ministries.

SUMMER MISSIONS

Opportunities for summer missions service through local, state, national and international agencies, organizations, camps, and churches. Contact the Director of Campus Ministries.

CENTER FOR BAPTIST STUDIES

The Center for Baptist Studies hosts two annual lectures, the Carlyle Marney Lecture (fall semester) and the T. B. Maston Lecture (spring semester). In addition, the Center for Baptist Studies oversees the Oxford Studies program, which places two students at Regent's Park for Trinity term (late April-June). The purpose of the Center is to promote and nurture Baptist identity and heritage to student, faculty and staff, alumni, and friends of Carson-Newman. For more information, contact the Department of Religion.

LOUIS AND MARY CHARLOTTE BALL INSTITUTE FOR CHURCH MUSIC

The Louis and Mary Charlotte Ball Institute for Church Music has edified congregational worship for some three decades through conferences and scholarship. The BICM is committed to promoting, conducting, and publishing scholarly research in sacred music. In addition to nurturing scholarly studies, the Institute provides a growing collection of piano and instrumental literature, offers workshops for music ministers and worship leaders, and commissions new works. For more information, contact Dr. Clark Measels, Director, Ball Institute for Church Music, Carson-Newman University, Department of Music.

CENTER FOR GLOBAL EDUCATION

The Center for Global Education leads the University to strengthen its international and intercultural dimensions through curricular and co-curricular programs. The English Language Institute (ELI), study abroad, the development of international institutional relationships, and International Student Services comprise the on-campus programs of the Center for Global Education. For additional information, contact the Dean of Global Education.

CENTER FOR WELLNESS

The Center for Wellness provides health education and promotion through campus activities, classroom lectures, and health campaigns. The Wellness Committee is composed of faculty, staff, and students who are committed to enhancing a healthy lifestyle across the campus. For more information, contact the Wellness Chair.

COUNSELING SERVICES

Counseling Services' mission is to support all Carson-Newman students in defining and reaching their full God-given potential academically, emotionally, socially, and spiritually. We will connect with, care for, and comfort students in a Christian environment to enhance their success and well-being. Counseling Services offer at no cost to the Carson-Newman student individual/couples/group counseling, crisis intervention, educational programs, and referrals to student support services on campus along with referrals to community resources. While providing these services, Counseling Services strives to promote a holistic, nurturing, and spiritual environment to address the developmental needs of Carson-Newman students. Each year Carson-Newman students seek help to succeed with relationships, stress, sadness, anxiety, adjusting to school and other reasons. To set up an appointment, please call 865-471-3350 or email counselingservices@cn.edu. The offices of Counseling Services are in the Kathleen Manley Building, located directly across from First Baptist Church on the corner of Russell Avenue and Ken Sparks Way, next to Burnett Hall. For further information please visit the Counseling Services webpage at [Counseling Services | Carson-Newman University \(cn.edu\)](http://Counseling%20Services%20|%20Carson-Newman%20University%20(cn.edu))

DISABILITY SERVICES

Carson-Newman University seeks to provide reasonable accommodations to "otherwise qualified" students. To request accommodations, contact the Director for Students with Disabilities and Case Manager, David Humphrey at dhumphrey@cn.edu or 865-471-3268.

EAGLE GUIDE

Eagle Guides are peer mentors that assist freshmen as they transition from being dependent to independent. Eagle Guides participate with LA 101 classes and plan campus wide events.

ENGLISH LANGUAGE INSTITUTE

Instruction in English as a foreign language is provided for international students needing additional instruction in the English language skills. Contact the ELI Director at 865-471-3543.

HEALTH SERVICES

Health Services promotes the wellness of students through clinics, individual care, and health programs. Health Services is located in the Kathleen Manley Building, next to Burnett Residence Hall. The phone number is 865-471-3350, and the email is healthservices.cn.edu. Health Services is open from 8:00 to 4:30 Monday through Friday during the fall and spring semesters following the university administrative holidays. All incoming students are required to use Med+Proctor to submit medical immunization forms in compliance with the State of Tennessee requirements for college students. (These requirements and registration information for Med+Proctor can be found [Immunizations | Carson-Newman University \(cn.edu\)](http://Immunizations%20|%20Carson-Newman%20University%20(cn.edu))). The baccalaureate prepared registered nurse treats minor illnesses and injuries and can schedule student patients to see the clinic nurse practitioner or physician as needed. All clinic services are free of charge. Tennova Hospital, located at 110 Hospital Drive is two (2) miles from campus and provides care 24 hours a day.

INFORMATION TECHNOLOGY SERVICES

Use of the computing facilities is a privilege available to faculty, staff, and students of Carson-Newman University, subject to compliance

with certain principles designed to assure that all users have reasonable access to the system and that the action of any one user will not adversely affect any aspect of the work of computer usage of another. In accepting this privilege, users are expected to abide by the rules of conduct. Compliance with the rules will be monitored.

For the complete Information Technology policy, please consult the [Eagle Student Handbook](#) [Student Handbook | Carson-Newman University \(cn.edu\)](#) and search for "Information Technology."

INTERNATIONAL STUDENT SERVICES

The Office of International Student Services plans activities and co-curricular programs for international students. Some of the services provided by this office are part-time staff coordinator, airport service at the beginning and end of each semester, assistance with checking into campus housing, international student orientation, assistance with opening bank accounts, periodic shopping and sightseeing trips, and assistance in integrating into the University community. Information is available about holiday tours which include homestays. Contact the Coordinator for International Student Services.

MILITARY SERVICES

The Military Services Office is the central point that connects all student veterans, service members, and veteran dependents with academic and personal support resources, both on and off campus. Our goal is to support your academic and personal endeavors from acceptance to graduation to successful employment. This office facilitates the enrollment certification for those students using Veterans Education Benefits. The office is in the Baker Building and within the Fite Building. Located in the Baker Building is the Dr. Randall O'Brien Veteran Center. The veteran center serves as an area for veterans and service members, both students and Carson-Newman staff, to study, socialize, and build community. The veteran center includes a lounge, study area and computer access. For more information about Veteran Educational Benefits and Academic Credit for Military Service, please contact the Director of Military & Veteran's Services at militaryaffairs@cn.edu.

ORIENTATION

New student orientation is scheduled prior to the beginning of the fall and spring semester to assist students with the transition to life as a Carson-Newman student. Sessions and activities acquaint the student with the campus community and connect them with resources to help them have an optimal experience as a Carson-Newman student. For information, contact the Director of Student Experiences Daniele Brock (865) 471-3400 or Assistant Director of Student Experiences, Tanner Shivley (865) 471-3429.

STUDENT CONDUCT

Carson-Newman strives to help students become responsible in all aspects of their lives. In situations where students exhibit irresponsible/ disruptive conduct or violate university policy, disciplinary action may be implemented. Student conduct is governed by policies set forth in the Eagle Student Handbook and the Guide to Residence Life. When a violation occurs, students are afforded rights outlined by those documents. Infractions may be handled in a variety of ways depending on the severity and frequency of the violations. Please consult the Student Rights and Responsibilities section in the Eagle Student Handbook. The Division of Student Services reserves the right to contact a student's parent or guardian as appropriate in the event of problems associated with psychological concerns, health related problems, or other areas covered under the Student Services umbrella.

STUDENT SUCCESS CENTER

The Student Success Center is located on the second floor of Stephens-Burnett Memorial Library and is open during regular library hours. Listed below are the services offered by the Student Success Center.

- **Advising of Deciding Students**
Students who have not declared a major are identified as "deciding" students. Through *intentional* advising by professional advisors, these students are guided through the early semesters of their college experience and ultimately on a decision to declare a major.
- **ASE (Academic Skills Enhancement)**
ASE provides support for students who demonstrate the need for remediation in basic academic skills as determined by standardized test scores. Writing and reading classes are designed to prepare students for writing compositions (essays) and to improve reading and study skills. Math courses are designed to prepare students for 100 level college math courses.
- **Career Development**
Career Services staff assists students in developing a 4-year major and career plan. Students are provided resources to enhance their skills in the areas of internships, job searches, and post-graduate life skills.
- **Early Alert System**
ACE, the early alert system, is a tool used by faculty and staff to identify at-risk students. Referrals are assigned to the appropriate staff member for follow-up. The goal is to intervene and provide support and resources to be academically, socially, and emotionally successful.
- **Tutoring and Writing Center**
Tutoring is peer-lead and is geared towards the essential core classes. Morning and evening opportunities are available free of charge. The Writing Center, also peer led, is designed to guide students in proper research and writing techniques.

PUBLIC SAFETY

The Department of Public Safety is located at 2209 Branner Avenue. Office hours are from 8:00 a.m. to 4:30 p.m., Monday through Friday, except for lunch. The office phone number is (865) 471-3559. DPS has security officers on duty 24 hours a day and all officers are licensed by the State of Tennessee. Officers may be reached at any time by calling (865) 548-9067 or through the LiveSafe® mobile app. DPS also maintains a private protective service license through the State of Tennessee. The Jefferson County E-911 office should be contacted for life-threatening emergencies by dialing 911. The department works in concert with the local police, fire department and other local emergency responders to maintain a safe campus and ensure that all crimes are reported immediately and investigated. A daily crime and a fire log are available for review as mandated by both state and federal laws. Both the daily crime log and the fire log may be viewed at [Department of Public Safety | Carson-Newman University \(cn.edu\)](http://Department of Public Safety | Carson-Newman University (cn.edu)).

CAMPUS ALERTS

Carson-Newman University has partnered with LiveSafe® to provide notification to students, faculty, and staff in the event of an emergency. Every student is encouraged to sign up for LiveSafe®. This system will be used for emergency notification in the event of severe weather warnings and other campus emergency information. In the event of a campus emergency, a text message will be sent to the phone and email address of students who sign up for the service.

STUDENT ID CARDS

New students are encouraged to use the online form for student ID card registration at [ID Card Registration \(wufoo.com\)](http://ID Card Registration (wufoo.com)). Replacement ID cards are \$15.00 and may be paid for in cash or charged to the student's account.

VEHICLE REGISTRATION

All personal vehicles belonging to students, faculty or staff members must be registered with the Department of Public Safety within three (3) days after they are brought on campus. Students must request a parking decal at the office during normal business hours. All vehicles must have valid insurance coverage to be brought on campus. To register a vehicle, the student or employee must provide the vehicle's make and model and the state license plate number. No vehicle may be registered that does not belong to the owner or the owner's parent or legal guardian. The link to register a vehicle is [Carson-Newman Vehicle Registration \(wufoo.com\)](http://Carson-Newman Vehicle Registration (wufoo.com)). The campus parking regulations may be found on the department's website [Revised-2022-Parking-Regulations.pdf \(cn.edu\)](http://Revised-2022-Parking-Regulations.pdf (cn.edu))

RECREATIONAL SERVICES AND MADDOX STUDENT ACTIVITIES CENTER

Recreational Services offer opportunities for physical exercise, social interaction, and enjoyment of the outdoors. Several day trips are offered each year, including hikes in the Smokies, biking, zip line adventures, and many more day activities in the region. Recreational Services plans a diverse intramural program which annually provides events of sports, card games, board games, and even online events. Hundreds of students participate in the popular team sports of softball, soccer, beach volleyball, and basketball. Other choices include billiards, ping-pong, tennis, spades, badminton, and cornhole. Some more unique choices are Connect Four, bowling,

gaga, and "Family Feud". Intramurals offer several employment and leadership opportunities for students. Student directors, game day manager, game day supervisors, officials, and a field crew are all a part of the intramural staff.

The Maddox Student Activities Center opens up a world of opportunities for students. The student lounge, P.O.D., Chick-Fil-A, and meeting rooms offer an inviting atmosphere for social interaction. The activity areas provide students with a running track, weight room, cardio room, three full-sized gymnasiums, and a game room. A swimming pool complemented by student lockers, showers, and dressing rooms tops off a wide array of facilities. The Recreational Services Office is located in the Maddox Student Activities Center, Room 1014, and the phone number is 865-471-3440 or 471-3345.

RESIDENCE LIFE

Residential living is a significant component of the college experience. Building life-long friendships is but one of the many benefits of this unique adventure. The opportunity to live and interact with people from many diverse cultures and walks of life is an educational opportunity that comes once in a lifetime! Research indicates that living on campus is crucial to the college student's academic success. Studies show that students who reside on campus have a higher-grade point average and are more likely to graduate than those who live off campus. Residence halls also provide an excellent opportunity to learn beyond the classroom, as students participate in various programs and activities that complement the academic experience. The **Guide to Residence Life** outlines services, responsibilities, and guidelines for students in an attempt to promote structure and give meaning to the residence life experience. Students are expected to be familiar with the content of this publication and be active participants in enhancing community on campus.

OFF-CAMPUS LIVING--CRITERIA FOR APPROVAL

All full-time students must live on campus. If a student would like to request to live off campus, the student must submit an Off-Campus Living Approval Request Form. This form can be found within the student housing portal. A lease does not affect the status of an off-campus approval request. To live off campus, a student must meet one of the following minimum criteria prior to the beginning of the semester:

- Must be 22 years of age prior to the first day of the fall semester
- Must have obtained at least 90 credit hours (exclusive of dual-enrollment hours)
- Must be living with a parent or legal guardian within a 50-mile radius
- Must be married and living with spouse

If a student does not meet these requirements, the student may proceed with the Coordinator for Students with Disabilities and Case Manager to seek off campus housing as an accommodation.

LIVING ENVIRONMENT

There are six residential areas at Carson-Newman University: Alumni (M), Burnett (F), Heritage (M), Swann (F), Appalachian Commons (M,F), Fite-Hicks Honors House (F), Fain Honors House (F), and Faith and Justice House (M). Each room is furnished with a bed, chest of drawers, desk, and chair. Residents must supply their own linens and other personal items. For convenience, a laundry

facility is available in each residence hall free of charge. Each room is equipped with both cable and wireless internet capabilities. Cable service is included in the cost of the room.

ROOM RESERVATIONS AND DEPOSITS

All entering freshmen and transfer students are required to pay a \$200 enrollment fee - \$150 of this fee serves as a room breakage deposit. At the time of payment, or beginning on the first of May each year, students will gain access to the housing portal to select their roommates and rooms for the upcoming year. When changing rooms or checking out of the building, residents must complete the proper paperwork or forfeit the breakage fee.

Each student residing on campus must pay a non-refundable \$75 residence fee to support various programs and services in his/her respective building. This fee is included in the room deposit charged to your student account. All residential students are required to have a meal plan. Returning students can select their meal plan on the housing portal. First year students are assigned the unlimited meal plan.

ROOMMATE REQUESTS

Roommate requests must be mutual (requested by both students on the housing application).

STUDENT ACTIVITIES

There is a wide range of activities available to students at Carson-Newman University. Students may choose from over 50 campus clubs, groups, and organizations including service, faith-based, social, professional, and departmental groups. Students look forward to many traditional campus-wide events such as Welcome Week, Homecoming, Live @ C-N Concerts, Movies on the Lawn, and Spring Formal.

Organizations such as the Eagle Production Company (EPC), Student Government Association (SGA), Baptist Collegiate Ministries (BCM), and Student Ambassadors Association (SAA), along with many other additional campus groups, regularly schedule special events throughout the year. Among these events are concerts, movies, dinner theaters, specialty acts, variety shows, and many others.

Advised by the Director of Student Activities, both EPC and SGA provide exciting opportunities for positions in student leadership, campus events planning, direct impact on the campus environment and the student experience, and the personal growth and development of the student. The Office of Student Activities is located in the Maddox Student Activities Center, Room 1016. Phone number 865-471-3392.

STUDENT EXPERIENCES

Carson-Newman Student Experiences is devoted to providing a successful experience for a first-time freshman, transfer, non-traditional, and returning students. Activities, events, and one on one meetings assist the students through various stages of the academic journey by engaging spiritually, personally, socially, and academically with C-N life. Effectively transitioning to college life is vital for success at C-N, graduation, and future achievement.

TITLE IX POLICY AND GRIEVANCE PROCEDURES

The University maintains the following policy on sex discrimination and sexual harassment in compliance with Title IX of the Education Amendments of 1972 and the Title IX regulations in 34 CFR Part 106. The University provides notice of this policy to applicants for admission and employment, students, and employees to the extent required by law.

DISCRIMINATION ON THE BASIS OF SEX

The University does not unlawfully discriminate in its programs and activities on the basis of sex and complies with state and federal laws prohibiting sex discrimination. The requirement not to discriminate on the basis of sex applies to admissions, except undergraduate admissions as provided by Title IX. As a non-profit Christian institute of higher learning, the University exercises its rights under state and federal law to use religion as a factor in making employment decisions. Some regulations issued under Title IX relating to discrimination on the basis of sex are not consistent with the University's religious tenets and do not apply to the University (34 CFR § 106.12(a)).

Questions or inquiries about the application of Title IX to the University's programs and activities may be addressed to the University's Title IX Coordinator, Shelley Ball, Assistant Vice President of Student Services and Dean of Students, Maddox Student Activities Center, Office 2009-C 2130 Branner Avenue, Jefferson City, TN 37760, (865) 471-3238.

For the complete Title IX Policy, please see the **Eagle Student Handbook**.

GRIEVANCE PROCEDURES

In accordance with our mission as a Christian University, Carson-Newman has established a General Complaint and Grievance Policy as well as procedures to assist students in resolving student complaints and concerns which are of a general nature, and which are not covered by other University policies and procedures. Complaints or grievances regarding academic/grade appeals, discrimination/harassment, sexual harassment, or student behavior/discipline are addressed by other institutional policies and procedures. For the complete policy and procedure for complaints and grievances, please see the appropriate section within **Eagle Student Handbook**.

The University maintains a policy on sex discrimination and sexual harassment in compliance with Title IX of the Education Amendments of 1972 and the Title IX regulations in 34 CFR Part 106. The University provides notice of this policy to applicants for admission and employment, students, and employees to the extent required by law.

LIBERAL ARTS CORE REQUIREMENTS

In order to help students, reach their full potential as educated citizens and worldwide servant leaders, the Carson- Newman University Liberal Arts Core provides an introduction to a broad base of knowledge. Christian values and skills that are essential for personal, intellectual, and professional growth. Underlying the core courses are foundational goals that are common to liberal arts courses:

1. Understanding of the Christian worldview
2. Critical thinking and analytic skills
3. Oral and written communication
4. Personal, social and ethical awareness
5. Regional and global perspective

EXPECTED OUTCOMES

The Liberal Arts Core introduces the Liberal Arts and studies in Biblical traditions; mathematics and science; communications; personal, social, and ethical awareness; and regional and global perspectives. Through these core components, the following outcomes are expected: knowledge of a Christian Liberal Arts education; scholarly examination of the Old and New Testament scriptures as it relates to the contemporary world; application of scientific principles to investigate natural phenomena; solve analytical problems using quantitative techniques; critical evaluation of arguments and claims; effective communication skills both orally and in writing; self-evaluation of the influence of personal and societal values and attitudes; the effects of personal and societal choices relating to individual holistic well-being; understanding of the relationship between works of art and the circumstances that influence their production through the study of the arts or the creation and/or performance of works of art; and understanding the historical, societal, cultural, and/or geopolitical facts that influence human behavior.

Students who transfer to Carson-Newman University having earned an Associate of Arts or an Associate of Science degree from an accredited post-secondary institution may have satisfied the Carson-Newman liberal arts core with the exception of LA 102, BTS 101, and BTS 102.

NOTE: HSO = Honors Students Only can take the course to satisfy the LA core requirement.

INTRODUCTION TO THE LIBERAL ARTS. (1-3 HOURS)

LA 101SL An Introduction to the Liberal Arts (2 credits)
LA 102 C-N and the Liberal Arts for Transfers (1 credit)

Transfer students with 45 or more transfer hours

HUM 101 Humanity and the Cosmos I (3 credits) - *HSO*

STUDIES IN BIBLICAL TRADITIONS (6 HOURS)

BTS 101 Introduction to the Old Testament (3 credits)
BTS 102 Introduction to the New Testament (3 credits)

STUDIES IN COMMUNICATIONS (6 HOURS)

ENG 101 Writing and Literary Studies I (3 credits)

Three hours from the following:

COMM 135 Speech Fundamentals (3 credits)
COMM 230 Interpersonal Communication (3 credits)

STUDIES IN MATHEMATICS AND SCIENCE (9 HOURS)

Any MATH 100 level course or

MATH 201 Statistical Concepts and Methods (3 credits)
MATH 207 Discrete Mathematics (3 credits)

Six hours of laboratory science classes from the approved liberal art core (6 credits). Six hours from the following:

BIOL 101 Human Biology (3 credits)
BIOL 102 Environmental Science (3 credits)
BIOL 105 General Biology I (4 credits)
BIOL 106 General Biology II (4 credits)
BIOL 207 Human Anatomy and Physiology I (4 credits)
BIOL 208 Human Anatomy and Physiology II (4 credits)
BIOL 303 Soils and Geologic Science (3 credits)
BIOL 304 Field Botany (3 credits)
BIOL 380 Zoology for Non-Science Majors (3 credits)
CHEM 100 Chemistry in Society (3 credits)
CHEM 101 Introductory Chemistry (4 credits)
CHEM 103 General Chemistry I (4 credits)
CHEM 104 General Chemistry II (4 credits)
GEOL 101 Introduction to Physical Geology I (3 credits)
PHYS 100 Physics in Everyday Life (3 credits)
PHYS 101 Physics of Musical Sound (3 credits)
PHYS 102 Basic Physics and Astronomy (3 credits)
PHYS 103 General Physics I (4 credits)
PHYS 104 General Physics II (4 credits)
PHYS 110 Elementary Astronomy (3 credits)
PHYS 201 Principles of Physics I (4 credits)
PHYS 202 Principles of Physics II (4 credits)

STUDIES IN PERSONAL/SOCIAL AWARENESS (6 HOURS)

Three hours from the following:

CS 135 Personal and Family Management (3 credits)
ECON 204 Economic Concepts (3 credits)
ECON 210 Principles of Microeconomics (3 credits)
HIST 202 United States History II (3 credits)
PHIL 101 Introd.to Philosophy & Critical Thinking (3credits)
PHIL 301SL Christian Ethics (3 credits)
PSC 101 Introduction to Civil Rights and Liberties (3 credits)
PSC 102 American Government and Politics (3 credits)
PSC 302 Faith, Freedom, and the Individual (3credits) - *HSO*

Three hours from the following:

CFS 206 Human Development Through Lifespan (3 credits)
LING 220 Introduction to Linguistics (3 credits)
PSY 101 Introduction to Behavioral Science (3 credits)
PSY 102 Understanding Human Behavior (3 credits)
PSY 204 Psychology of Childhood and Adolescence (3credits)
PSY 206 Human Development Through the Lifespan (3 credits)
PSY/SOC 250 Society and the Individual (3 credits) - *HSO*
PSY 318 Humanity and the Biosphere (3 credits) -*HSO*
SOC 101 Introduction to Sociology (3 credits)
SOC 105 Social Problems (3 credits)

STUDIES TO ENHANCE A WORLD PERSPECTIVE

{(18 credits) for BA, (12 credits) for BM, BS, and BSN}

ENG 201 Writing and Literary Studies II (3 credits) -or-
HUM 102 Humanity and the Cosmos II (3 credits) - *HSO*
ENG 301 Writing and Literary Studies III (3 credits)

Three hours from the following:

HIST 133 World History I (3 credits)

HIST 134	World History II (3 credits)
HIST 135	Early Civilizations (3 credits)
<i>Three hours from the following:</i>	
ART 104	Photography I (3 credits)
ART 210	Art Appreciation (3 credits)
ART 316	Art History I (3 credits)
ART 317	Art History II (3 credits)
FILM/HIST 250	International Cinema (3 credits) – <i>HSO</i>
FILM 310	Introduction to the Art of Film (3 credits)
FA 301	Form and Expression in the Contemporary Arts (3 credits) - <i>HSO</i>
Music Ensembles (3 credits)	
MUS 133	Appreciation of Music (3 credits)
TH 110	Introduction to the Theatre, (3 credits)

LANGUAGE

BA degrees require 6 hours of language at the 100 or 200 level as determined by the degree department. BS, BM, or BSN degrees may also require language. Please see student's major for specific requirements. *

SENIOR CAPSTONE COURSE OR SEMINAR

Minimum of 1 hour credit (preferably taken in the last year of residency)

* Students who have studied a foreign language in high school must take a placement test in order to continue studying that language at Carson-Newman University. Spanish 101 is reserved ONLY for students who have never studied Spanish before. If a student who had Spanish in high school registers for Spanish 101, they will be removed from the course. Students who studied Spanish in high school who do not score high enough on the placement test to test into higher levels should begin their language study with Spanish 123 and will complete their six (6) hour requirement with Spanish 201. In French and German, 101 is considered remedial for students who have studied French or German in high school. Therefore, 101 credit cannot be purchased, nor will it be counted toward the 6 hours of foreign language requirement. Those students will need to take French/German 102 and 201 to fulfill their requirement.

NOTE 1: There are some degrees that require 6 hours at the 200 level for the language requirement. Students in those departments will be required to take 201 and 202 to fulfill their requirement.

NOTE 2: If a student tests into the 200 or 300 level, they may be eligible to receive credit by examination for one course that they test out of. Please consult with the Director of World Languages program (Dr. Mary Baldrige) for more information.

MILITARY AND VETERANS' EDUCATION ASSISTANCE

Any covered individual will be able to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website – eBenefits, or a chapter 31 authorization) and ending on the earlier of the following dates:

1. The date on which payment from VA is made to the institution.
2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

In compliance with Section 103 of Public Law 115-407, Carson-Newman University will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

Benefit Programs

Carson-Newman University has been approved by the Tennessee Higher Education Commission to provide programs and courses of instruction to current military members, veterans of the United States Military and/or their dependents who are eligible for educational benefits through the U.S. Department of Veterans Affairs (USDVA).

The primary entitlement programs administered by the Military Services Office:

- o Montgomery GI Bill® - Active Duty (MGIB-AD) Educational Assistance Program [Chapter 30]
- o Vocational Rehabilitation & Employment (VR&E) Program [Chapter 31]
- o Montgomery GI Bill® - Selected Reserve (MGIB-SR) Educational Assistance Program [Chapter 1606]
- o Post 9/11 GI Bill® - Harry W. Colmery Veterans Educational Assistance Act [Chapter 33]
- o Survivors' & Dependents' Educational Assistance (DEA) Program [Chapter 35]
- o Veterans Work-Study Allowance Program
- o Tennessee Support, Training and Renewing Opportunity for National Guardsman (STRONG) Act of 2017
- o Federal Tuition Assistance

Carson-Newman University has been approved by the USDVA to participate in the **Yellow Ribbon Program**. Veterans or dependents of veterans who qualify for the Post-9/11 GI Bill® (Chapter 33) must be 100% eligible to participate in the Yellow Ribbon Program. For information on current policies for the Yellow Ribbon Program, contact a University School Certifying Official or the Office of Military & Veterans Services. **GI Bill® is a registered trademark of**

the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>.

Policies and Procedures

Federal guidelines and regulations are specific regarding eligibility to receive veterans' educational benefits. Official decisions on eligibility are made by the VA or the appropriate government office and not the C-N Office of Military & Veterans Services.

To receive educational benefits, eligible recipients must be accepted for admission to the University. The application for VA Educational Benefits must be completed and submitted to the Department of Veteran Affairs by the student recipient. The Certificate of Eligibility (COE) or Notice of Benefits Eligibility (NOBE) must be submitted to the School Certifying Official. Recipients who have received VA educational benefits at another school and plan to transfer to Carson-Newman University must also complete and submit a Change of Program or Place of Training Application (VA Form 22-1995) to the VA. Official transcripts from all colleges and universities attended must also be submitted in order to determine prior credit.

All veterans, National Guard, and Army Reserve recipients must submit a copy of their DD-214 and a copy of their Joint Services Transcripts or official transcript from the *Community College of the Air Force* (CCAF) to the Office of the Registrar for evaluation of transfer credit. See "Academic Credit through the Military" in the Admissions section for more information.

The Carson-Newman University online Veterans/Military Educational Assistance Packet including the **Recipient Statement of Understanding Agreement and Acceptance of Responsibilities** must be completed and submitted to the School Certifying Official before enrollment certifications will be processed. For additional information concerning Veterans Educational Benefits, please contact the Office of Military and Veterans Services or the School Certifying Official.

Enrollment certifications are submitted by the university's School Certifying Official after the eligible student has completed the registration process. Applications and all supporting documents should be submitted at least eight weeks before the start of the first semester of enrollment for first time recipients. Certifications for first time Chapter 35 beneficiaries cannot be submitted until after the first day of class attendance of the first term of enrollment.

Students receiving VA Educational Benefits are responsible for notifying the School Certifying Official of any change in enrollment (drop, add, withdraw, etc.), as these changes could affect receipt of educational benefits.

Standards for Progress

Eligible recipients of VA Educational Benefits must be pursuing an educational objective, which is defined at Carson-Newman as leading to an associate, bachelor, master, or doctoral degree. Recipients must be degree seeking students and designate an approved major and program of study. Recipients of educational benefits must work closely with an academic advisor to make certain that courses taken are part of degree requirements for their chosen academic program.

Excessive elective or repeated courses in which a passing grade (D or above) has been earned will not be approved for certification (except for courses in which a grade of “C” or higher is required for the major). **Dropped courses** which result in either no credit or no punitive grade will adversely affect VA benefits from the beginning of the term and can create an over award/repayment situation for the student. A course for which a student received an **Incomplete grade (I)** must be graded within six weeks of the course’s final meeting or the beneficiary will be subject to retroactive adjustment in the semester’s training time, which in turn may result in an overpayment and recovery of benefits.

Satisfactory attendance, conduct and progress, as defined by the University, must be maintained in order to continue receiving benefits. VA Educational Benefit recipients who are placed on academic probation must meet academic progress standards in order to continue receiving VA educational benefits. To assure progress, the record of each student receiving VA Educational Benefits will be subject to review at the end of each semester.

MONTHLY VERIFICATION

Post 9/11 GI Bill® (chapter 33)

In order for Post-9/11 GI Bill® (chapter 33) beneficiaries to continue collecting a monthly housing allowance (MHA), they will need to verify their enrollment status on the last day of each month in which they are enrolled. Failure to verify for two consecutive months will impact their MHA and/or kicker payments.

There are two ways in which a student will be able to verify his/her monthly enrollment. Students may call the Education Call Center at 888-442-4551, or they may opt to receive monthly text messages asking them to confirm their status. If a student replies “no” by phone or text, VA’s processing office will contact the school for additional information on the student’s enrollment.

MGIB Selected Reserve (Chapter 1606) and MGIB-Active Duty (Chapter 30)

MGIB-Active Duty (Chapter 30) and MGIB Selected Reserve (Chapter 1606) beneficiaries must verify their enrollment on the last day of each month in which they are enrolled. This can be done by using the Web Automated Verification of Enrollment (WAVE) website at <https://www.gibill.va.gov/wave/index.do> or calling the VA toll free Interactive Voice Response (IVR) telephone line at 1-877-VA-ECERT (1-877-823-2378).

Enrollment verification update: New “44354” number to verify enrollment. Post-9/11 GI Bill students who opted into text message enrollment verification will now receive enrollment verification texts from the number 44354. Getting texts via a short code means you’ll receive them faster and more consistently than ever. Since short-code senders are verified by mobile carriers, you can trust that it’s VA contacting you! Please be on the lookout for messages from the new number and continue verifying your enrollment as usual. *GI Bill® is a registered trademark of the Department of Veterans Affairs*

(VA).

Veterans Tuition and Fee Deferment

Students receiving education assistance benefits administered and provided by the United States Department of Veterans Affairs (USDVA) or under other government/military funded education assistance programs, **which are paid directly to the school**, will be eligible for deferred payment of the required tuition and fees. This includes students who are receiving benefits under **Chapters 31 and 33, Federal Tuition Assistance (FTA), and the TN Strong Act**. Approval for deferred payment is contingent upon a student beneficiary who demonstrates benefits eligibility with sufficient entitlement to cover tuition and fees and does not have an outstanding debt to the USDVA or Carson-Newman from prior semesters.

The deferred payment will be initiated with Carson-Newman’s Student Accounts Office at the start of each term. The student’s balance for the deferred payment will reflect all institutional, federal, and state financial awards, as well as the estimated pending aid from the USDVA or other military education benefit agencies. The student will be responsible for a one-time payment of the remaining balance or payment through an approved payment plan set up with the Student Accounts Office. You must stay in good standing with the University in order to receive deferments for future semesters.

Students who receive education assistance benefits administered and provided by the United States Department of Veterans Affairs (USDVA) through **Chapters 35 or 1606** receive a direct payment from the USDVA to help cover the cost of their education. No money is paid to the university on behalf of the student. Students receiving benefits through chapters 35 or 1606, who have a balance after all other financial awards have been applied, are responsible for using the benefits received from the USDVA to pay their student accounts balance. The student may pay their balance either in one lump sum within the first 60 days of the term or by establishing a payment plan through the Student Accounts Office.

CARSON-NEWMAN
A CHRISTIAN UNIVERSITY

POLICIES AND PROCEDURES

ACADEMIC CALENDAR

The academic year at Carson-Newman University includes a fall and a spring semester and several accelerated terms offered during the summer. Fall and spring semesters include a minimum 15 weeks of instruction and one week of exams. Full-time undergraduates are expected to complete a minimum of 24 semester hours during the academic year. Fall semester begins in August and ends in December. Spring semester begins in January and ends in May. The summer session includes several accelerated terms which commence after the conclusion of the spring semester and end before the beginning of the new academic year. Adult degree completion programs include modules within the semester. Please consult the academic calendar found on page three of the catalog for term dates.

ACADEMIC CREDIT THROUGH THE MILITARY

To award academic credit based upon military service experience, service members and veterans of the Army, Navy, Marine Corps, or Coast Guard must request and submit a Joint Services Transcript. Air Force members and veterans must submit an official transcript from the Community College of the Air Force (CCAF).

Military service members and veterans of all U.S. Armed Services, and members of the military reserve, may receive **up to 40 hours of academic credit** for military training based on recommendations of the American Council of Education. Credit is evaluated based on applicability to the declared major or degree of pursuit. If the declared major or degree changes after the service member or veteran enrolls, Carson-Newman reserves the right to re-evaluate military transfer credit and add or remove credit as it applies to the new declared major/degree. Consult the University Registrar or the Office of Military and Veterans Services for more information.

ACADEMIC DISHONESTY

Academic dishonesty may include, but is not limited to, the following: giving or receiving aid on tests; plagiarizing papers, assignments, book reviews; removing and/or copying test questions from office files. The course instructor/professor will address any incidents of suspected dishonesty. After hearing the student and considering all the evidence, this person will levy sanctions if guilt is determined. The instructor/professor will report these actions to the Provost, who shall levy any sanction more severe than the loss of course credit.

Academic dishonesty may result in sanctions including, but not limited to, an immediate F and loss of credit for the course. Additionally, the effect of these sanctions on the student's GPA may impact financial awards. Gross dishonesty or a recurrence of academic dishonesty may result in expulsion from the University. Any student who receives an F in a course due to academic dishonesty will not be allowed to drop the course even if the F is assigned prior to the last date to drop a course with a W. The student may appeal a finding of academic dishonesty and the resulting sanction first to the Department Chair then the Dean; further recourse is to the Provost. For updates and questions related to this area, please contact the Office of the Provost.

ACADEMIC PROGRAM

The administration and faculty of Carson-Newman University believe that the educational and other programs of the University described in this catalog are effective and valuable. However, the ultimate results of programs offered in terms of achievement, employment, professional licensing, or other measure are dependent on factors outside the programs, such as the personality and energy of the student, governmental or institutional regulations, and market conditions. Therefore, except as specifically stated herein, Carson-Newman University makes no representation or contract that following a particular course or curriculum will result in specific achievement, employment or qualification for employment, admission to graduate degree programs, or licensing for particular professions or occupations.

An Academic Program is a coherent set of prescribed courses required to earn an appropriate degree. Undergraduate academic programs (those leading to an associate's or bachelor's degree) consist of an integrated set of courses taken from the Liberal Arts Core and courses taken in the major area of study. Bachelor's degree programs are designed to provide the student with a breadth of knowledge gained from study in the liberal arts core to a depth of knowledge gained from the comprehensive study in the academic discipline/major. Many bachelor's degree programs include elective coursework to earn the total number of hours required for the degree.

DEGREE

Carson-Newman University awards associate and bachelor's degrees at the undergraduate level. A degree is awarded based on successful completion of a course of study which has been approved by the faculty.

A bachelor's degree requires completion of a minimum of 120 hours including liberal arts course requirements, courses required for the major and, in some cases, elective hours. An associate degree requires completion of at least 60 hours of a prescribed set of courses including liberal arts courses and electives. Some associate degrees require discipline specific courses.

Carson-Newman University awards the Bachelor of Arts, Bachelor of Science, Bachelor of Music, Bachelor of Science in Nursing, Associate of Arts, and Associate of Science degrees on the undergraduate level.

MAJOR

A major is a prescribed set of courses in a specific area of study and requires completion of a minimum of 30 credit hours. Coursework in a major begins with introductory level courses and progresses to an advanced level of study in the discipline. Some majors require coursework in related subjects which are required to support study in the discipline.

EMPHASIS

Some majors offer an emphasis within the area of study in the major. An emphasis is a prescribed plan of courses which focus on concentrated study within a major. The emphasis is designated on the transcript as a specialization.

MINOR

A minor is an optional secondary field of study. All minors require a minimum of 18 hours. Some minors consist of courses from a single discipline, others may include courses from several disciplines. Courses in the minor may not count toward a major or another minor unless such courses are designated as required for both. Courses so designated and counted in more than one area are limited to two. Courses selected from a list of courses are not considered required.

Courses in the minor may only count toward a major, another minor, or the core if such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours.

Students may double count courses toward an interdisciplinary minor that are required for a major, as long as a minimum of three disciplines are represented in the interdisciplinary minor.

ACADEMIC STANDING

To maintain acceptable scholastic standing and to graduate from Carson-Newman University, a student must have a minimum cumulative GPA of 2.00, a minimum institutional GPA of 2.00 (coursework attempted at Carson-Newman), and a minimum GPA of 2.00 in all coursework attempted in the major and/or minor (unless specific department requirements are higher).

ACADEMIC PROBATION

A student is placed on Academic Probation when the institutional or cumulative GPA is below the minimum level determined by the total number of credit hours attempted, as indicated by the following table:

Any student whose institutional GPA or cumulative GPA falls below the minimum required by the above table will be placed on Academic probation, and the notation of the probation will be made on the student's academic transcript. A student on Academic Probation will not be permitted to enroll in more than 14 hours for the semester; in addition, any student on Academic Probation will be required to follow instructions as outlined in their letter of probation from the Provost and the Academic Recovery Plan.

A student who has attained the minimum institutional GPA and the minimum cumulative GPA (as indicated by the table above) by the end of the first semester on probation will be removed from probation. Once a student is placed on probation, the student will be allowed to continue enrollment if academic progress is demonstrated by achieving a semester GPA of 2.0 or higher or a cumulative GPA equal to or greater than that required by the total number of hours attempted for satisfactory academic progress (see table).

A student who earns a 2.0 GPA for the term on probation but who does not raise his or her cumulative GPA to meet satisfactory academic progress as outlined on the above table, will be allowed to remain enrolled on continued academic probation. Any student placed on academic probation is required to take ID-121 and pass the course with a minimum grade of C. Failure to complete ID-121 will result in academic suspension. While on probationary status, the student must achieve a semester GPA of 2.0 or higher or a cumulative GPA equal to or greater than that required for

minimum standards for satisfactory academic progress to avoid suspension.

Prior to registration for each semester in which a student is on Academic Probation, the student must first attend a meeting with a Student Success Center staff. After attending the meeting with the Student Success Center, the student must meet with his/her advisor to develop an Academic Recover Plan for achieving the required level of academic success. After submitting the approved plan to the University Registrar, the student will be permitted to register. Some students are admitted on Academic Probation and must meet requirements as stated in their letters of acceptance.

ACADEMIC SUSPENSION

A student is placed on Academic Suspension when the student failed to meet requirements for continued probation, or failure to pass ID-121 with a minimum grade of C.

The first time a student is placed on Academic Suspension, that student will be suspended from the University for one semester. The second time a student is placed on Academic Suspension, that student will be suspended from the University for two semesters. The notation of the suspension will be made on the student's academic transcript. A student who is suspended a third time is subject to dismissal from the University (see below).

A student who has failed to attain the minimum institutional GPA and the minimum cumulative GPA (as indicated by the table above) after the probationary period will be suspended. The notation of the suspension will be made on the student's academic transcript.

Readmission to the University after Academic Suspension is not guaranteed. A student who has been suspended who wishes to re-enroll at the university must complete the following steps:

Hours Attempted	Minimum and Cumulative GPA required
1-29	1.70
30-59	1.80
60-89	1.90
90 or above	2.00

Apply for readmission to the university through the Office of Admissions by completing the application for readmission,

- Write a letter of appeal to the Suspension Review Committee, addressed to the Office of the Provost.
- Complete and submit the Academic Suspension Appeal Application and attach copies of documentation from a physician or health care provider (in the event of illness or medical condition), from a parent/guardian (in the event of a death-in-the-family or other family emergency), or other appropriate documentation in support of the appeal request.

Any student readmitted after Academic Suspension will be placed automatically on Academic Probation. Students who are allowed to re-enroll after the suspension review process are not guaranteed eligibility for financial aid and should contact the Financial Aid Office to determine eligibility.

ACADEMIC DISMISSAL

A student who is Academically Dismissed from the University will not be eligible for continued enrollment at Carson-Newman University. The student has been given the opportunity to improve his/her academic performance and has been unsuccessful. Students will be subject to Academic Dismissal and a notation of the dismissal will be made on the student's transcript if:

- the student receives a third academic suspension,
or
- the student failed to meet specific academic requirements as indicated in his/her letter of acceptance.
- Students who have been dismissed may submit an appeal in writing to the Provost who will render a final decision.

ADVANCED PLACEMENT (AP) AND COLLEGE ENTRANCE EXAMINATION (CEE-AP)

Credits earned by an advanced placement examination may be used to meet liberal arts core requirements for degrees offered at Carson-Newman University. A student with course credit posted on an official college transcript awarded by an institution earned by recommended advanced placement (AP) or CLEP scores will be awarded credit at Carson-Newman. To qualify for this provision the student must have a minimum 2.5 cumulative college grade point average and at least 30 hours of college credit not earned from credit by exam (AP, CLEP, DANTES, etc). Students who do not meet these criteria will have their AP or CLEP credit assessed on the basis of freshman admission criteria and the required score per subject area specified in this catalog. Students with high performance levels in English, math, chemistry or another high school subject may bypass the required courses by taking the **College Entrance Examination Board-Advanced Placement (CEE-AP) Test**.

Advanced Placement tests are administered at high schools. Scores should be sent directly to the Office of the Registrar at Carson-Newman University. Carson-Newman University grants advanced placement and credit for a score of 4 or 5 on each CEE-AP examination, subject to department approval. Some departments will award credit for a score of 3. Departments will determine if the advanced placement credit may be part of the major sequence.

APPROVAL FOR UNDERGRADUATES TO TAKE GRADUATE COURSES

Approved undergraduate students may take a maximum of 6 graduate hours, with no more than 3 graduate hours during any one semester for no additional charge. Students must be enrolled as full-time undergraduate students (12 hours minimum) to be eligible.

To qualify, the student must have 90 earned semester hours of undergraduate credit, an approved degree plan indicating graduation within two semesters, and meet graduate program admission requirements. Undergraduate credit earned from graduate coursework cannot be used to meet undergraduate degree requirements. Graduate credit registration hours will not count toward undergraduate enrollment status for federal aid eligibility. Contact the Graduate Program Chair or the University Registrar for an application and for additional policy and criteria information.

ATTENDANCE VERIFICATION

Verification of Attendance Eligibility for federal student aid is, in part, based on the student's enrollment status for the semester in which they are enrolled. Verification is based on the completion of an academically related activity which is defined below.

Academically related activities include, but are not limited to:

- Physically attending a class (including participating virtually in a synchronous class session)
- Submitting an academic assignment
- Taking a quiz, an interactive tutorial, or computer-assisted instruction

- Participating in an online discussion about academic matters
- Initiating contact with a faculty member to confirm their active enrollment in the course (including being granted an excused absence).

Any student whose attendance cannot be verified by the last day to add/drop a class during the start of the term or session will be administratively dropped from the class for non-attendance. Tuition and financial aid will be adjusted based on enrollment status (See the *Financial Aid Section under Student Status*). Example: Going from full-time to part-time would affect tuition charges and financial aid. Instructors are expected to list their class attendance policy on their course syllabus. Students are directly responsible to each instructor for attendance in each regularly scheduled class.

CLASS ATTENDANCE

Attendance at all class meetings is expected, and students are responsible for all work (including tests and written assignments) of all class meetings. Each faculty member will establish the consequences for class absences and publish them in the course syllabus. Students can earn credit for missed work if the absence was caused by a documented illness, the death of immediate family member, or participation in a university sponsored activity. Otherwise, the instructor has no obligation to allow students to earn credit for missed work. Students who fail all courses due to non-attendance or lack of academic activity will be administratively withdrawn from the University for the semester. Financial aid recalculations will be processed for students who are administratively withdrawn from the university within 45 days of the date of determination. If a student is administratively withdrawn from the university, financial aid eligibility may be affected. For more information, see Financial Aid Handbook, Withdrawal from University section.

BREAK IN ENROLLMENT AND LEAVE OF ABSENCE

Carson-Newman University does not offer a Leave of Absence. That is a federal term in which a student does not attend a certain approved period of time but stays enrolled with charges and aid remaining the same so that the student picks up where they left off upon return in lieu of a withdrawal.

Instead, we offer a 'Break in Enrollment' option. A break in enrollment is a one-semester break from the university and attendance. This allows the student to have their necessary break from school while maintaining their university acceptance status and preserving their financial aid eligibility. A break in enrollment must be requested from the Registrar's Office by submitting the online 'Break in Enrollment Request form' before attending the semester being asked off. If the student attends any part of the semester being requested, the student accrues charges and must be processed as a withdrawal.

If the University Registrar approves an enrollment break, your institutional aid would still be intact upon your return, pending the current FAFSA information and need limits. If you have the TELS HOPE Scholarship that requires continuous enrollment, you would especially need to talk to the Financial Aid office to get information on an appeal that would have to be sent to the state in order to maintain the HOPE scholarship.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

CLEP is designed to measure knowledge acquired through non-traditional means, i.e., the workplace, as well as through formal study. Carson-Newman University grants credit according to the following provisions: For further information about CLEP tests, visit the web www.collegeboard.com/highered/clep/index.html, or write to:

College Level Examination Program, Box 1821, Princeton, NJ 08540

1. CLEP credit is limited to introductory courses.
2. CLEP credit is given only for subject examinations. (Students seeking English composition credit must pass both the essay and objective sections of the subject examinations entitled College Composition Modular.)
3. CLEP credit may be given for scores that are equal to or exceed the ACE recommended score of 50 on each approved exam.
4. The fee for establishing CLEP credit at Carson-Newman University is \$10 per credit hour.

COMMUNITY LIFE AND WORSHIP PROGRAM (CLW)

The Community Life and Worship Program provides student-focused events which integrate faith, gospel centered ministry, global missions, education, and community for students, faculty, and staff. These events will consist of chapel on Tuesday and Thursday mornings in First Baptist Church (Community Worship) and other specified co-curricular programming (Community Life) open to the entire campus community.

All full-time undergraduate students are required to attend ten (10) Community Life and Worship (CLW) events per semester, at least five (5) in Chapel services (Tuesday mornings at 9:30 am or select Thursday morning at 9:30 am) and five (5) in Community Life event for a total of 70 events. Chapel credits can only be earned by attending a Tuesday or Thursday Morning Chapel service at 9:30 am. Participation in the CLW program is required for graduation from Carson-Newman.

A student may bank CLW credits by attending more than 10 events in a semester. However, Chapel credits cannot be banked each semester. Once a student attends the 5 required chapel services per semester each additional event will only count as a CLW credit. CLW event credits will not count as Chapel credit, even banked CLW event credits. Chapel credits after 5 will only be counted as a CLW credit. Students must attend at least 5 chapel services each semester, excluding their final semester before graduation or upon completion of their total CLW requirement for graduation.

CLW events can be viewed on the university calendar labeled CLW or in the campus ministries page. A monthly calendar is also available online at the university site (click on Events, CLW, and individual listings of CLW events for more details). Students should check regularly for updates to the schedule, which is subject to change periodically.

If the student has attended 10 CLWs for each semester of full-time enrollment, CLW attendance will not be required during the student's final semester of graduation as indicated on an approved degree plan. For example, students completing a four-year degree will be required to earn 10 CLW credits each semester for 7 of their 8 semesters. Students will need to complete their required number of CLW credits of no more than 70 CLW credits prior to graduation. We are a Christian University and CLW credits are part of the graduation requirements.

CLW Warning Probation and Suspension Policy

If a student fails to attend 10 CLWs each semester or does not meet the required number of events 5 Chapel credits, the student is placed on a CLW warning at the end of the semester of their deficiency. A notice of deficiency will be sent to the student from the office of Campus Ministries. In order to be removed from CLW warning, a student must make up the shortage of CLWs or chapel credits plus the current semester's requirement.

If during the next semester of enrollment, the student fails to attend 10 CLWs plus the shortage of CLWs from the first semester, the student is placed on CLW probation for one semester. At the beginning of the probation semester, the student will need to meet with a representative of Campus Ministries and their academic advisor to establish a contractual agreement that outlines how the probation will be removed by attending the correct number of CLW events. If the probationary student fails to meet their probationary requirement by the end of their probation semester, the student may be suspended from the university.

Suspension and Appeal

A student is placed on CLW Suspension when:

- The student failed to meet requirements for continued probation, or
- The student has 3 or more failed CLW semesters.
- The first time a student is placed on CLW Suspension, that student will be suspended from the University for one semester.
- The second time a student is placed on CLW Suspension, that student will be suspended from the University for two semesters. The notation of the suspension will be made on the student's academic transcript.
- A student who is suspended a third time is subject to dismissal from the University (see below).

A student who has failed to attain the required number of CLW credits and the minimum number of Chapels (as indicated above) after the probationary period will be suspended. The notation of the suspension will be made on the student's academic transcript.

Readmission to the University after CLW Suspension is not guaranteed.

A student who has been suspended who wishes to re-enroll at the university must complete the following steps:

- Apply for readmission to the university through the Office of Admissions by completing the application for readmission,
- Write a letter of appeal to the Suspension Review Committee, addressed to the Vice President of Church Relations.
- Complete and submit the CLW Suspension Appeal Application and attach copies of documentation from a physician or health care provider (in the event of illness or medical condition), from a parent/guardian (in the event of a death-in-the-family or other family emergency), or other appropriate documentation in support of the appeal request.

Any student readmitted after CLW Suspension will be placed

automatically on CLW Probation.

Students who are allowed to re-enroll after the suspension review process are not guaranteed eligibility for financial aid and should contact the Financial Aid Office to determine eligibility.

CLW Course and Attendance

Students will have a CLW class added to their schedule without a day/time. The class will only appear on the student's schedule and degree evaluation. The course will reflect a pass/fail grade at the end of the semester if the student meets the CLW requirements. The course does not go on their official transcript, and it does not affect their GPA. Attendance at CLW events will be monitored through the Campus Ministries Office. To receive CLW credit for an event a student is required to bring her/his valid C-N ID card to each event attended.

IDs will be scanned at the conclusion of the event. A student must remain for the duration of the event, which will vary according to the event. The student is responsible for checking his/her attendance in C-N Connect and reporting in person with C-N ID any discrepancy to the Campus Ministries Office within seven (7) days of the event. After seven days, credit will not be earned.

Transfer Students and Special Circumstances

A transfer student is required to attend CLW's as listed previously every semester while enrolled as a full-time student, except during the student's semester of graduation. The following students do not have to complete the CLW requirements:

1. A student who has completed 120 credit hours.
2. A student who has previously received a bachelors or graduate degree.
3. A student who is twenty-five years of age by the last day of the semester.
4. A student who is married.
5. A student who is a parent.

In order to receive that exemption for one of these reasons, a student should contact the office of Campus Ministries to complete the necessary paperwork. Online only students and graduate students are not required to attend CLW credits but are encouraged to watch Chapel services online.

CLW Virtual Completion Program

Students who have commitments that interfere with chapel attendance like work schedules, academic internships or commuter students who are unable to attend Tuesday morning chapel can apply for the CLW Virtual Completion Program. CLW virtual completion program will excuse the attendance of in-person CLW Credits, but students will be required to watch 10 chapel services online and complete a 250-word summary of each one. Summaries are due by the last day of classes each semester. To apply for the CLW virtual completion program please email campusministries@cn.edu for more information. Students who are still under warning, probation or suspension will not be eligible for the CLW Virtual Completion Program. Documents for the CLW Virtual Completion Program must be completed by the add/drop date each semester. Approval or denial of the waiver form will be sent to the student within 5 business days after receiving the waiver form.

Extreme Circumstances

Exceptions in extreme or unforeseen circumstances will only be made

on a case-by-case basis. You can visit the Viel Center for Missions and Ministry or email campusministries@cn.edu to set up a meeting. This meeting will allow the student to discuss the situation with someone in the Campus Ministries office. After that meeting a follow up will be scheduled to either approve or deny alterations to the required number of credits to be earned and discuss options for completing the required number of CLWs.

COMMUNITY LIFE AND WORSHIP PROGRAM POLICIES AND INSTRUCTIONS

CLW Event Policy Values

- CLW events must be open to all students.
- CLW events must be in alignment with the mission and vision of the university.
- CLW events must complete the online event form to be considered for a CLW event at least 2 weeks prior to the event and before the fall/spring semester deadline.
- CLW events must meet on campus and reserve appropriate space and facilities for their own event. Campus ministries will not be responsible or expected to reserve space or facilities.
- CLW events must encourage and promote biblical community. Biblical passages such as: Acts 2:1-46; 1 Cor. 12:12-27; Galatians 3:27-29; Ephesians 2:19-22 give a biblical framework for diverse biblical community and fellowship.
- CLW events must be sponsored by a department, club, or student led organization. Organizations, clubs, groups, and departments may request up to two events per semester within the maximum number of offered events approved by the Campus Ministries Department.
- CLW events must have faculty advisor or staff advisor contact.
- CLW events will be approved or declined by the campus ministries office. All forms and paperwork must be completed to be considered. The office of Campus Ministries will prayerfully, fairly, and meticulously consider each proposal in its decision-making process. Approval or denial will be communicated within five full business days of proposal or by the end of the week, unless otherwise noted.
- Some CLW events may not have a clear spiritual formation element, but it will have academic elements.
- As a Christian University CLW events should either acknowledge academic rigor of the university or promote spiritual formation among students, faculty, and staff.

Conduct and Dress

All events - Please arrive on time and know that tardiness can result in a student not being admitted to an event. Common courtesy and respect for others should be observed. Sleeping and studying are not acceptable. Use of cell phones, laptops, ear buds, and other electronic devices is prohibited. Drinking and eating during events are also prohibited unless permitted by the sponsoring department, organization, or group. Appropriate dress is determined by the nature of an event and should be taken into consideration. If there is a question regarding attire, the student should contact the sponsoring organization in advance. Failure to comply to these instructions may result in denial of CLW credit for the event.

During formal recitals/concerts - The audience generally applauds

after a set or a group of pieces (not after each selection). The best suggestion is to wait until the experienced concert goers begin their applause and then join with them.

Community Worship (Tuesday chapels) - First Baptist Church sanctuary doors will be locked at 9:35 a.m. for Tuesday morning chapel services to avoid disruption of worship. Head gear (examples - baseball and knit caps) is not acceptable for male or female students out of respect and reverence in worship during university chapel and should be removed upon entering. Food and beverages are not permitted in the sanctuary. Inappropriate conduct and/or dress may result in denial of CLW credit for the service.

COURSES

INDEPENDENT STUDY COURSES

290-390: Independent readings or independent research and study, 1-4 hours ~ Open to sophomores, juniors and seniors. Students who enroll for catalog courses as independent study (maximum of four hours per semester) must secure approval from the instructor, the department chair, and the dean. Independent study courses (topics, research, academic projects) which are not regular catalog courses may be taught as a 390 or 490 course.

The student will be registered for the independent study by the Office of the Registrar upon submission of the Request for Approval to Registrar for an Independent Study Course Form which indicates signatory approvals from the instructor, department chair, and dean. The form is available on the C-N Registrar website at <http://www.cn.edu/administration/registrar-office/student-forms/independent-study>. Faculty members may direct an independent study course only in their discipline or department and are limited to direction of two independent study courses per semester.

INTERNATIONAL BACCALAUREATE

Credit will be awarded to those students who score 5 or higher on the Higher-Level examinations in transferable subjects. Lower-division (100-200 level) credit from 3-8 hours will be awarded per examination, subject to the review and approval of the appropriate department, with a maximum award of 32 hours. Credit is NOT awarded for completion of Subsidiary Level Examinations.

INTERNSHIPS

Several academic departments at Carson-Newman offer internships for academic credit. In order to receive academic credit, a student must be approved for the internship by the department chair or program coordinator. Internship experience will be directed by an off-campus supervisor and will be monitored by an assigned Carson-Newman University faculty member. Academic credit for internships is awarded for one semester hour for a workload that reasonably approximates 50 hours of workload. Students receiving credit for an internship will also be responsible for other assignments, such as additional readings, a comprehensive journal, and/or a final paper/project as required by the department granting the internship credit. Grades for internships are awarded on either an A-F or S/F grading scale, depending on the individual department policy.

An internship experience for credit is a graduation requirement for students in the following majors: Child and Family Studies; Family and Consumer Sciences: Consumer Services; Fashion Merchandising and Design; Interior Design; Food and Nutrition; Food, Nutrition: Dietetics; Exercise Science; and Human Services.

WASHINGTON SEMESTER (Internship Courses)

The Washington Semester is an internship program, primarily for political science and prelaw majors, that grants credit for work in the nation's Capital. Students learn the workings of federal government firsthand, under the supervision of a United States congressman out of whose office they work. Contact the Department of History, Political Science, and Sociology for details.

MAY-TERM COURSES

280-289: May-term courses, 1-4 hours

380-389: May-term courses, 1-4 hours

ON-LINE COURSES

Courses taught online require that instructional quality, quantity of content, course objectives, and learning outcomes are identical to those courses taught in person. Online and hybrid courses are designed to provide an equal amount of time on the task required by the student as courses that meet in person. Instructional time for online courses is based on the delivery of the learning materials for the course.

Carson-Newman employs the federal regulation requiring a minimum of one day of instructional interaction per week for any online or hybrid course. Courses taught online are not designed to be independent learning or "study at your own pace" type of courses. A schedule of instructional learning activities and faculty interaction and a timetable of weekly assignment due dates will be provided in the course syllabus.

Instead of relying on classroom content times, learning hours for online courses must be calculated by how long it will take an average student to do all assignments required to complete the course successfully. These assignments could include reading, reviewing videos, utilizing multi-media learning resources, completing homework, taking quizzes, writing papers, conducting research, preparing for independent or group projects, participating in and posting material for group discussions, and preparing presentations.

When designing and delivering online courses, the course designer must calculate the total learning time within the course to ensure that it has an appropriate amount of student workload. Tools like the [Rice University Workload Estimator](https://cte.rice.edu/workload) <https://cte.rice.edu/workload> or the [Wake Forest University Workload Indicator](https://cat.wfu.edu/resources/tools/estimator2/) <https://cat.wfu.edu/resources/tools/estimator2/> will be utilized as a tool in determining the amount of total learning time for the course.

Online course instructors will employ practices found in the "Carson-Newman University Quality Assurance in Online Courses" when designing online courses. They also ensure that minimum requirements for course content and quality are met by using the "Carson-Newman University Online Course Quality Check List" as found in EagleNet>Faculty and Staff Documents>On-Line Teaching Resources.

UNLISTED COURSES

Sometimes a course is offered which is not listed in this catalog. The department offering the course assigns a title which is used in the

official schedule of classes and on the student's record. Course descriptions are kept on file in the Office of the Registrar.
 270-279: Class or Seminar, (1-3 credits) ~ Open to freshmen, sophomores, juniors and seniors.
 470-479: Class or Seminar, (1-3 credits) ~ Open only to juniors and seniors.

CREDIT HOUR

A credit hour is defined as a unit of coursework represented by attainment of educational goals measured by learning outcomes. In accordance with federal regulation (34 CFR 600.2) one credit is awarded for a workload which reasonably approximates 37.5 hours per term. Non-lecture courses, i.e., labs, studios, performance-based or clinical-based courses, also require a minimum workload of 37.5 hours per term to receive one semester hour of credit. The University bases credit for internships on one semester hour of credit for 50 hours of work. Courses offered by alternative methods of delivery or in accelerated calendars require an equivalent amount of student engagement and workload to earn one credit hour.

DETERMINING THE LEVEL OF CREDIT

In accordance with our mission to help students reach their full potential as educated citizens and worldwide servant leaders, Carson-Newman University employs sound and acceptable practices in determining and awarding credit. These practices include implementation of best practices for assigning and awarding credit in higher education and by appropriate review and approval of faculty, department chairs, school deans and the programs and standards committee. Commonly adopted standards and best practices for competency in the academic discipline are considered when determining the amount of credit and level of credit awarded for each course. These criteria include discipline-specific and institutionally established standards regarding course objectives, course content, course type, time-on-task, and performance indicators which are designed to measure educational goals and student learning outcomes.

All courses approved for credit at Carson-Newman University have been thoroughly vetted by department faculty and a faculty comprised programs and standards committee. New course proposals are initiated by departmental faculty and the department chair, approved by the department faculty, and then submitted for review and consideration by a faculty curriculum committee. The Undergraduate Programs and Standards Committee is responsible for final approval of undergraduate courses. The university course numbering system will be employed in determining the level of credit for a course.

- **0XX courses** are Academic Skill Enhancement (ASE) courses that are remedial in content. ASE courses are designed to provide students with the skills necessary to be academically prepared for college-level courses. ASE credit hours may not be used toward the 120 semester hours required for baccalaureate graduation but may be used in determining enrollment status for the term. ASE courses are taught in mathematics, reading, and writing.
- **100-Level courses** typically introduce basic concepts, principles, and foundational knowledge in a subject matter or discipline. These courses typically do not require prerequisite courses but are designed to develop the ability to comprehend relevant material to further study in courses with advanced subject matter content. Course content and material at the 100 level expose

students to a breadth of knowledge in the subject matter. These courses are designed to be taken during the freshman year.

- **200 level courses** are designed to expand introductory knowledge and skills and provide development for additional cognizance and practical application of the subject matter. These courses offer an intermediate level of difficulty and may require a prerequisite course taught at the 100-level. These courses are designed to be taken as sophomores.
- **300 Level courses** require a more complex thought process and present an advanced level of difficulty. These courses expose students to in-depth treatment of knowledge in a subject matter. Students will further develop problem-solving and theoretical application skills. These courses are generally taken by students who want to focus their studies on a particular area of study, such as a major, minor, or concentration. Most 300 level courses require pre-requisite knowledge or completion of pre-requisite courses before enrollment. These courses are designed to be taken by juniors or seniors.
- **400 level courses** - in addition to the features/distinctive of 300 level courses, a 400-level course requires the student to demonstrate higher-level knowledge and cognitive abilities in a discipline. Students apply analytical and evaluative skills of theories and methods in a subject matter at this level. Undergraduate senior capstone courses are designated as 400 level courses. The senior capstone course offers the opportunity to develop essential and refine specialized professional skills necessary for employment and/or graduate school.

DETERMINING THE AMOUNT OF CREDIT

Carson-Newman University defines a credit hour as a unit of coursework represented by the attainment of educational goals measured by learning outcomes. In accordance with federal regulation (34 CFR 600.2) one credit is awarded for a workload which reasonably approximates 37.5 hours per term. Non-lecture courses, i.e., labs, studios, performance-based or clinical-based courses, also require a minimum workload of 37.5 hours per term to receive one semester hour of credit. The University bases credit for internships on one semester hour of credit for 50 hours of work. Courses offered by alternative delivery methods or accelerated calendars require an equivalent amount of student engagement and workload to earn one credit hour.

To determine the amount of credit awarded for on campus classes, Carson-Newman adopts the federal regulation requiring a workload of 37.5 hours per term for one credit hour. To receive one semester credit hour, 15 hours of in-class instruction and approximately two hours of out-of-class preparation or student engagement are required, employing the Carnegie unit's standard.

On campus, in-class instruction may include lectures, multi-media presentations, discussions, experiential learning activities, labs or studio experiences, or directed research. Out-of-class activities may include reading books, articles, and other materials for the course, completing homework assignments or solving problems, preparing for classroom presentations, writing research findings, completing assigned projects, and preparation for exams.

Carson-Newman has established credit for studio courses awarded for one hour of credit, requiring a minimum of two hours of in-class engagement and a minimum of three hours of out-of-class preparation per week for a traditional semester. Courses taught in accelerated terms will require more time on task per week, dependent on the course duration, to equal the total time-on-task required in a

traditional semester. Credit for laboratories will be granted as one-hour credit for a minimum of two hours of lab experience. Credit for performance-based courses will be granted for one semester hour for a minimum of two hours of in-person instruction and/or practice, plus required participation at concerts or other out-of-class events.

Academic credit for internships is awarded for one semester hour for a workload that reasonably approximates 50 hours. Students receiving internship credit will also be responsible for other assignments, such as additional reading, completing a comprehensive journal, or a final paper/project as required by the department granting the internship credit.

For all courses, regardless of the mode of delivery, the total learning hours per course per term would equal 45 hours for one semester hour of credit. A course designated for two credit hours would require 90 hours on a task, and a course for 3 hours of credit would require the total time on the task at 135 hours per term. Courses taught in accelerated terms require more time on task per week to meet learning objectives. See the chart below for an example of learning hours per week and total per term:

Credit hours	Course format by weeks	Total hours per week	Total hours per term
1	3	15	45
1	4	11.3	45
1	7	6.4	45
1	8	5.6	45
1	15	3	45
2	3	30	90
2	4	22.5	90
2	7	13	90
2	8	11.25	90
2	15	6	90
3	3	45	135
3	4	33.75	135
3	7	19.3	135
3	8	16.9	135
3	15	9	135

DEPARTMENTAL EXAMINATIONS

Students who can provide supporting evidence demonstrating achievement in a subject offered by Carson-Newman University may be able to receive credit by **departmental examination**. Arrangements for these examinations should be made with department chairs. The fee for departmental examinations is \$10 per credit hour, excluding nursing exams.

DEAN'S LIST

Students are recognized by the University community for academic excellence. Each semester a dean's list names students enrolled as a full-time student with a grade point average (GPA) of 3.50 or better.

GRADES

The basic unit of credit at Carson-Newman University is the semester hour. Most courses carry 3 semester hours of credit (*though some carry as few as 1 and some as many as 12*). One semester hour typically represents 1 hour of lecture or recitation or 2 hours of laboratory work per week. At the end of each semester and at the end of all summer sessions, grades are available to the student through his/her MyCN account.

The grade report will have three GPAs listed ~ a semester average, the C-N GPA, and the cumulative GPA. Grades of AU, IP, N, NG, NPE, P, S, W, and WP **are not** included in the GPA computation. An F or a WF received in any course will figure into the GPA computation.

Passing grades are assigned grade points for each semester hour of credit (**A=4, B=3, C=2, D=1**). A student's grade point average (GPA) is calculated by dividing the number of grade points the student has accumulated by the number of semester hours attempted in graded (A,B,C,D,F) courses. (The attempted semester hours in which a student earns an S or P are not used in this calculation.)

As an example, the GPA would be figured as follows for a student receiving: *Grade points (18) divided by graded hours attempted by (9) = 2.00 GPA*

Course	Grade	Grade Pts	S.H.
ENG 101	A	12	3
BIOL 101	C	6	3
BTS 101	F	0	3
PSY 202	S	0	3

Grade points (18) divided by graded hours attempted by (9) = 2.00 GPA

GRADES THAT DO NOT INFLUENCE GRADE POINT AVERAGE (GPA)

- **AU** - Audit (*enrolled with instructor's approval for observation only-one half tuition rate per credit hour with no credit earned*)
- **N** - No pass (*for courses taken on pass/no pass basis*)
- **NG** - No grade submitted, or no credit earned
- **NPE** - Not Passed Exam
- **P** - Pass (*for courses taken on pass/no pass basis*)
- **S** - Satisfactory work (*for courses noted on class schedule as using S/F grading*)
- **W** - Withdrew (has no effect on GPA)
- **WP** - Withdrew passing

Grade points based on a 4.00 scale

Grade	Performance Level	Grade points per semester hour of credit
A	Superior	4
B	Good	3
C	Average	2
D	Passing	1
F	Failing	0
NPE	Not Passed Exam	0
WF	Withdrew failing	0
WP	Withdrew passing	0

AUDIT GRADES

Students may audit any course with the instructor's approval. Tuition is charged at one half the regular rate. No credit is earned by auditing and the grade for an audit will be indicated on the transcript AU. Students who wish to audit a course must complete the **Audit Authorization Form**. This form must be approved and submitted to the University Registrar. Audit must be indicated during registration or prior to the deadline for withdrawing from a class with a "W" (the end of the tenth week of class).

CHANGE OF GRADE

If it is deemed necessary for a professor to change a grade due to mathematical miscalculation or other verifiable reason, the instructor may initiate a grade change. Grade changes should not be issued to students because the student did not complete the necessary work for the course during the semester. Grade changes should also not be allowed for a student to improve his/her grade. Faculty will complete the online grade change request located on EagleNet.

GRADE APPEAL

If a student disagrees with a course grade received, he or she may request a review of the coursework upon which the grade in the course was assigned. If an appeal is made, it must be in writing within one semester of the date the grade in the course was assigned and begins with a conference with the instructor of the course. If not resolved in this conference, the appeal moves to the department chair and then to the dean. If the grade appeal has not been resolved at these levels, the student may appeal to the Provost. The Provost may refer a grade appeal to the Academic Standards Committee for their study and recommendation.

INCOMPLETE GRADES

Grades of "Incomplete" or "I" are given at the end of a course only when there is evidence that a significant event or issue interfered with a student's successful completion of the course. Faculty assigning a grade of "I" must give an end date within six weeks of the course's final meeting through continuing work with the instructor. A student may request an Incomplete grade if, a minimum, 60% of the coursework has been completed in the course. Exceptions will be made if extraordinary circumstances occur if a student cannot finish a course. In this case, an incomplete grade can be assigned with a six-week extension to complete the course through continuing work with the instructor. The "I" will carry no grade points and **will count as failure (F)** in the computation of the grade point average until removed. A grade of F will be assigned if the Incomplete is not removed by the deadline determined by the instructor or by the end of the six weeks.

IN PROGRESS (IP) GRADE

An "IP" is assigned for students seeking licensure who have not passed their licensure exam(s). An In Progress (IP) will carry no grade points, remain on the final transcript, and not be included in GPA computation. Students wishing to still graduate with licensure will have one year from the course's end date with the assigned "IP" grade to submit their passing exam scores to graduate with licensure. Otherwise, the student will be switched to non-licensure and will be added to the current graduation list to be conferred.

NOT PASSED EXAM(S)

An "NPE" grade is assigned to student who has not passed their

particular licensure exam(s) but has completed all other requirements for the Student Teaching seminar course. The "NPE" grade is considered a passing grade and will count in hours earned.

PASS/NO PASS

The pass/no pass grade is available as an option to encourage students to experiment and diversify their coursework selection and to broaden their interest in fields outside their major. This option allows for the earning of credit hours with a passing grade which does not affect the GPA. The choice of pass/no pass by the student is subject to these restrictions:

- Students can take only one course a semester pass/no pass and only 8 courses pass/no pass in a college career.
- Students cannot take pass/no pass in a major, minor, liberal arts requirement, or independent honors thesis courses.
- An instructor reserves the right to close a course to pass/no pass grading.

Pass/no pass and/or audit must be indicated during registration or prior to the deadline for withdrawing from a class with a "W".

Forms are available during advising to exercise the pass/no pass or audit option and are necessary for making the decision a matter of record with the Office of the Registrar. After the deadline for adding courses, the grading for a pass/no pass or an audit course cannot be converted to a regular grading basis.

GRADUATION

ADDITIONAL OR SECOND BACHELOR'S DEGREE

A student may earn a second or additional bachelor's degree by completing the requirements for both degrees. Students must complete liberal arts courses required for both degrees and must complete major and common degree requirements for both degrees.

REQUIREMENTS FOR COMPLETING TWO DEGREES:

Complete requirements for two of the following degrees (BA, BM, BS, or BSN) and a minimum 30 semester hours beyond 120. The additional 30 hours must be taken in residence at Carson-Newman University. Courses counted toward a major for one degree cannot

be counted toward a major for a second degree.

APPLICATION FOR GRADUATION

Students must complete a graduation application. Students who complete the application for graduation after the stated deadline below may not be processed for graduation after the semester of completion but will be conferred with the next group of graduates. Students should complete the application; the Deadlines for applications for graduation are as follows:

December graduation – October 1
May graduation – February 1
August graduation – February 1

Applications for graduation are **closed** once faculty have voted on the list of graduates for the term. Rising seniors (approximately 80-90 hours) should complete a graduation application during the Spring semester pre-registration period of their junior year.

The Graduation application is under the 'Graduation Overview' tab on MyCN. Students should review the degree information on the Graduation Application and the Degree Progress (*also available on MyCN*) to verify that their degree program, major, and minor are all correct. Any errors should be reported to the Registrar's Office before submitting the Graduation Application.

The Graduation Application will also provide an opportunity for a student to confirm the spelling of their name on the diploma, participation in the commencement ceremony, Military status, and diploma mailing address.

Once the University Registrar has verified that all requirements for graduation have been satisfied, the student's record will be processed for graduation for the term in which requirements are completed. Carson-Newman has three conferral dates which are held at the end of the fall, spring, and summer semesters.

COMMENCEMENT CEREMONY

Commencement ceremonies are held in May and December. To be able to participate in commencement, an approved application for graduation on file with the Office of Registrar and be mathematically eligible to complete degree requirements at the end of the term in which they plan to participate in commencement. If a student fails a class required for graduation during the graduation term, the student is allowed to participate in commencement, if the failing grade was not due to academic dishonesty. If the student is academically dishonest and fails a course due to this cause, the student is **not eligible** to participate in commencement for that term.

Undergraduate students graduating in December may participate in the May ceremony following their December graduation date.

Undergraduate students who are graduation candidates for the summer terms may participate in the May commencement ceremony as long as an approved application for graduation is on file with the University Registrar showing that a student has no more than nine (9) hours remaining and who will complete all degree requirements at the end of the summer semester.

All other summer graduates will participate in the December commencement.

HONORS PROGRAM DISTINCTION

Students who graduate with Honors at Carson-Newman have completed an enhanced curriculum that includes advanced sections of Liberal Arts Core classes, intensive team-taught courses, and the completion of a two-year process of creating the Seniors Honors Thesis. The thesis is a major work of original research, creative artwork, pedagogical or social entrepreneurship contribution that must pass the evaluation of the Honors Council and be defended during a hearing before a faculty committee.

LATIN HONORS LISTED ON DIPLOMA AND TRANSCRIPTS

Distinctions for academic excellence are awarded at graduation to associate and bachelor's degree students who have compiled the following grade averages:

- o Summa Cum Laude 3.95 - 4.00
- o Magna Cum Laude 3.75 - 3.94
- o Cum Laude 3.50 - 3.74

Students must have both a cumulative (which includes transfer credit) and institutional grade point average that meet the above criteria. The honors will be indicated on the transcript and diploma.

POST-BACCALAUREATE SECOND DEGREE REQUIREMENTS

Post-baccalaureate students who previously earned a bachelor's degree from Carson-Newman University or another regionally accredited college or university may pursue a second degree from Carson-Newman. The following requirements must be met in order for a student to receive a second baccalaureate degree after completion of the first one:

- o The student must complete a minimum of 150 hours.
- o The student must earn at least 30 hours toward the degree from Carson-Newman University.
- o The 30 credit hours taken at Carson-Newman beyond the first degree shall include at least 12 hours in the major toward the second bachelor's degree and a minimum of 15 upper-level hours.
- o The student must earn a minimum grade point average of 2.0 in courses required for the major taken at Carson-Newman, a minimum institutional grade point average of 2.0, and a minimum cumulative grade point average of 2.0.
- o Courses required for the major for one degree cannot be counted toward the major for the second degree.
- o Students must meet all Liberal Arts core requirements for the second degree from the catalog prevailing.
- o The time limit on Transfer Credits Policy will be applied to students seeking a post-Baccalaureate second degree.

OUTSTANDING GRADUATES

Each academic program/department is eligible to select one outstanding graduate per year. The student is selected by the faculty of the program, and the award is given to the recipient during the undergraduate commencement ceremony.

REQUIREMENTS FOR BACCALAUREATE DEGREES

Graduation requirements may be met under any Carson-Newman catalog published **during student's enrollment** at any post-secondary institution provided the catalog selected was published no more than 5 years prior to completion of requirements. The University reserves the right to change the requirements and/or the programs of study.

1. **Application for Graduation** ~An application for graduation must be submitted to the University Registrar.
2. **Liberal Arts Core**-The Liberal Arts Core is a major component of all baccalaureate degree programs. Liberal Arts Core course requirements are prescribed for each major and degree as a foundational encounter and introduction to a broad base of knowledge, Christian values and skills essential for a well-educated person.
3. **Semester hours**-Minimum 120-degree credit hours. Some degrees require additional hours. Hours earned through Academic Skills Enhancement, or the English Language Institute do *not* apply toward graduation.
4. **Grade point average (Cumulative GPA)** ~Minimum C average (2.00 GPA) on all college work attempted. Minimum C average (2.00 GPA) on all work attempted at Carson-Newman University.
5. **Grade point average in major or minor**-Overall C average minimum (2.00 GPA) in the major and minor. Some departments may require a higher GPA than the institutional minimum.
6. **Junior/Senior credits**-Minimum *36 semester hours* of courses numbered 300 or higher and taken at a 4-year college. A transfer course numbered 100- or 200-level at the college where it was taken may be equated to a specific upper-division Carson-Newman course; such courses do not count toward this requirement, unless approved by the department chair.
7. **Senior (four year) college credits**-Minimum 60 semester hours (applicable to transfer students from two-year institutions).
8. **Community Life and Worship**-Minimum attendance of 10 CLWs for each semester of enrollment, except for the last semester, for traditional students at Carson-Newman University (see CLW attendance policy).
9. **Residency requirements**-Minimum 30 semester hours or 25 percent of the semester hours required for graduation, whichever is higher for baccalaureate degrees at Carson-Newman University. **Senior year in residence is required (30 hours) excluding students in binary programs.** Waiver of last hours in residence may be approved not to exceed 12 hours upon establishment of valid reasons provided a minimum 30 hours are completed at Carson-Newman University.
10. **Majors**-Major course requirements are prescribed by each major. More than one major may be completed within a 120 hour degree. Completion of two majors under one degree does not constitute two degrees. A student who completes a BA major and a BS major must satisfy liberal arts requirements for *both* majors. Students who will earn a minimum of 150 hours and complete a BA major and a BS major may apply for two degrees. See information on requirements for two degrees.
NOTE: A maximum of 48 hours toward the major discipline (excluding art and music) is allowed for a BA degree.
11. **Carson-Newman University credits in a major**-Minimum 12 hours must be completed in a major at Carson-Newman University.
12. **Carson-Newman University credits in minor** ~ Minimum 6 hours must be completed in the minor at Carson-Newman University.
13. **Approval of graduates**- must be approved by the faculty and Board of Trustees.

RESPONSIBILITY IN MEETING DEGREE REQUIREMENTS

Responsibility for knowing and following academic requirements, including both the academic and common degree requirements for graduation, rests with the student. Academic requirements are specified for each undergraduate degree program at Carson-Newman University and these, as well as the common degree requirements, must be met before a degree is granted. Advisors, assigned to assist students in their progress toward degree completion, program directors and appropriate administrators will provide specific information concerning these requirements, but the student alone is responsible for fulfilling them.

SECOND DEGREE REQUIREMENTS (*WHEN EARNING BOTH DEGREES SIMULTANEOUSLY*)

A student may earn two distinct or different bachelor's degrees simultaneously provided the student satisfies all liberal arts core requirements required for each major, major courses for each degree, and common requirements for all baccalaureate degrees. The student must earn a minimum of 150 hours to be awarded two degrees.

TIME LIMIT FOR COMPLETION OF DEGREE REQUIREMENTS

Academic catalogs are generally in effect for six (6) years. This time frame is congruent with the amount of time (150%) allowed by the Department of Education for a student to get a bachelor's degree and for Title IV financial aid purposes. Bachelor's Degree students are permitted 12 semesters of full-time enrollment. For Title IV aid purposes, all time and all hours earned at prior institutions count toward the 150% of the total program. Standard practice for candidates who do not complete the work for their degrees within 12 full-time semesters of continuous enrollment from the time of matriculation will be as follows:

- o Complete the readmission application
- o Consult with the Department Chair for the major discipline and develop a plan of study for approval

Criteria for Plan of Study Approval

General education requirements for students who have reached the time limit usually default to those in the current academic catalog when the plan of study is made. Therefore, the plan of study must meet the degree requirements under the current catalog for the intended major for which readmission is approved. Substitutions and waivers will be limited and reviewed on a case-by-case basis. The Department Chair must communicate this recommended degree plan to the Registrar for approval. Once the degree plan is approved, it will become the standard for the student's degree plan.

This policy begins August 1, 2022. Any previous cases involving completion of degree requirements prior to the implementation of this policy are reviewed on a case-by-case basis.

REGISTRATION AND CHANGE OF COURSE (DROP/ADD)

Each semester, during a period of time designated in the University calendar, students may register for courses to be taken the following semester. During spring, students may register for May-term and summer terms. Enrollment confirmation is required for all students prior to attending class. Enrollment confirmation is scheduled immediately prior to the beginning of classes during the fall and spring semesters. In the summer all tuition and fees are to be paid

before a student begins classes unless other arrangements have been made with the Student Accounts Office.

The student may add a new class during the first week of classes, or drop an existing class without a grade during the first week of classes, by completing a change of course (drop/add) form. Registration for all classes must be completed by the end of the drop/add period.

Financial aid is based on a student's enrollment status. Financial Aid eligibility may be adjusted if the student's enrollment status changes. A grade of "W" will be assigned when the student drops a course between the end of the drop/add period and the last day to drop with a "W". The "W" will not be reflected in the student's GPA, but the class and grade will show on the student's permanent record (transcript).

Any student who receives an F in a course due to academic dishonesty will not be allowed to drop the course even if the F is assigned prior to the last date to drop a course with a W. After the last day to drop with a W grade, the student will be automatically assigned a "WF" for any drop. The "WF" will be reflected in the GPA, and the class will also show on the student's permanent record. Changes in registration after the drop/add period will be assessed a \$10 fee for each class change made.

REPEATING A COURSE

Students may repeat any course. The grade from the most recent attempt, with no additional hours attempted, will be used in calculating grade averages. Stated differently, the LAST grade earned will be the grade of record and will be used to determine if University requirements have been satisfied.

The following provisions apply:

1. If the course was taken at Carson-Newman University, it must be repeated at Carson-Newman University for the grade replacement to be permitted.
2. If the course was taken at another college, it may be repeated at any accredited institution, including Carson-Newman University.
3. If the course was taken at Carson-Newman and repeated at another college, the grade replacement policy does not apply. The student will get credit for the course, but the course grades will be averaged.
4. After the second repeat, the grade replacement provision is no longer applicable, and each future attempt will figure into the grade point average.
5. All grades will be entered on the student's permanent record.

STUDENT RECORDS

The official transcript for each student is maintained by the Office of the Registrar and is stored in an electronic format. Other academic information, non-permanent but relating to the student's enrollment and academic progress, is also stored electronically according to records retention guidelines of the University. Official transcripts as authorized by the student or former student may be requested for third party release. Carson-Newman University provides for the confidentiality of student records in accordance with the Family Educational Rights and Privacy Act, as amended. This act provides for the right of access by a student to his/her file and records with certain limited exceptions and prohibits the disclosure of information without the student's written approval, with certain limited exceptions, other than for disclosure of directory information.

Directory information includes student name, address, telephone numbers, e-mail addresses, photographs, dates of attendance, enrollment status (full-time or part-time), major and anticipated date of graduation, degree, honors and awards, the most recent previous educational institution attended, and participation in school activities and sports. Students wishing to withhold directory information may do so by notifying the University Registrar in writing.

The Family Educational Rights and Privacy Act (FERPA) affords student's certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.
 - a. A student should submit to the university registrar, chair of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
 - a. A student who wishes to ask the University to amend a record should write the University official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed.
 - b. If the University decides not to amend the record as requested, the university will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to a hearing if the request to correct an alleged inaccuracy is denied.
 - a. If the University decides not to amend the record as requested, the University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
4. The right to provide written consent before the University discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
 - a. The University may disclose education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a third party engaged in research conducted on behalf of the University provided such information is not disclosed to any other authorized party; or a

student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

- b. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.
- c. Upon request, the University may disclose education records without consent to officials of another school in which a student seeks or intends to enroll.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

The Family Educational Rights and Privacy Act provides that educational records of a student who is a dependent of his/her parent(s) for Internal Revenue purposes may be disclosed to the parent(s) without first receiving the student's consent, provided documentation showing the student to be dependent under the provisions of the Internal Revenue Code is presented by the parent(s). Students may authorize the release of otherwise confidential information, i.e., grades, academic progress, class attendance, billing statement, and disciplinary actions to parents by signing a consent form available in the Office of the Registrar. The following is a partial list of records maintained in university offices and the official responsible for each.

- o **Academic records and transcripts:** University Registrar
- o **Student Judicial Records:** Vice President for Student Services and Dean of Students
- o **Student Co-curricular and Extracurricular Involvement:** Vice President for Student Services and Dean of Students
- o **Placement Files** (*compiled by the student*): Student Success

Carson-Newman University defines a student as enrolled the first day the student begins attendance at the University.

For additional information regarding Family Educational Rights and Privacy Act policies, please contact the University Registrar at 865-471-3240 or registrar@cn.edu.

STUDENT CONSENT TO DISCLOSE INFORMATION

Students may authorize the release of otherwise confidential information, for example, grades, academic progress, class attendance, billing, and disciplinary actions, to parents or others by signing a consent form available in the Office of the Registrar, located on the top floor of the Fite Administration Building.

Disclosure which may not legally be made except upon the consent of the student shall not be made by any University employee (except for access with certain limited exceptions as allowed by law) until the student's consent is on file in the Office of the Registrar. Disclosure shall be made only of the specific matters to which the student has consented and to the person designated by the student. Any University employee who is asked by any person (the student, a parent, or anyone else) to make a disclosure of confidential information which may be made only upon the student's consent, shall not make the disclosure unless first being advised by the Office of the Registrar that the student has consented to the disclosure and the consent has not been revoked by the student as of that date. University employees who are asked by parents of students and others to make such disclosure should be advised that disclosure may be

made by the University if the student consents in writing on a Consent to Disclose Information form filed in the Office of the Registrar.

When disclosure is made, the disclosing employee shall first ascertain that the person to whom disclosure is made is indeed the person the student has designated. In each instance, no disclosure shall be made except to a person who can recite the student-designated access code. When disclosure is made to the person in person, the employee should first secure from the person adequate identification. When disclosure is made by mail, the envelope will be marked "Confidential: To Be Opened by the Addressee."

The University is not legally obliged to disclose in each instance to which the student consents. If circumstances exist which causes a university employee to believe it may not be in the student's best interests for a disclosure consented to by the student to be made, the employee should report the situation to the University Registrar.

TRANSCRIPTS

The official record of a student's coursework is the academic transcript. All courses in which the student is registered on the census date are recorded on the academic transcript. Transcripts shall be processed by the Office of the Registrar upon request from the student or former student. Students may request an official transcript by utilizing the on-line service on the Registrar's web page or by completing the request form in the Office of the Registrar. Official transcripts will be furnished only after all accounts have been satisfactorily settled with the University. Students utilizing monthly payment plans must receive approval from the Student Accounts Office before an official transcript can be released. Currently enrolled students may request an unofficial copy of their record for campus use only.

TAKING COURSES AT ANOTHER INSTITUTION

Students who are currently enrolled at Carson-Newman University, and wish to take course work at another institution, must obtain the approval of his or her advisor and the University Registrar for the corresponding Carson-Newman course by completing the "Authorization to Take Courses at Another Institution" form. The University Registrar will indicate on the course authorization form whether the student is in good standing at Carson-Newman University and has permission to take the approved course(s). Students who wish to apply for financial aid for coursework at another college should consult the Financial Aid Office.

TRANSFER CREDIT POLICY

Carson-Newman accepts transfer credit from accredited colleges and universities and endorses the guidelines for transfer of credit as outlined in the "Joint Statement of the Transfer and Award of Credit" developed by the American Association of Collegiate Registrars and Admissions Officers (AACRAO), the American Council of Education (ACE) and the Council for Higher Education Accreditation (CHEA). Courses recommended by The American Council of Education are evaluated on a course-by-course basis. Some courses must be authorized for acceptance by a department chair.

COURSE CREDIT EVALUATION

1. The transfer credit evaluation process includes accepting college level work in a discipline offered by Carson-Newman. Credit will be accepted as:
 - a) A course similar in likeness to a C-N course. The course will be granted a Carson-Newman course number, or
 - b) A course that meets a Liberal Arts Core requirement will be granted credit as GER or LA, for example BIOL-GER, or BIOL-LA, or
 - c) A course that is taught in a discipline that is offered by Carson-Newman, but does not equate to a representative course at C-N. The course will be accepted as elective credit, designated as ELEC, for example, BIOL-ELEC. Elective credit may not be used toward meeting Liberal Arts Core requirements. It may be used toward major requirements if approved by the department chair. It may also be used toward the total number of hours toward a degree. Credit accepted as elective credit may be further reviewed by a department chair upon student request to determine if the course would meet a Liberal Arts Core or major course requirement. A course description and syllabus from the course must be provided to the department chair of the discipline in question for review of specific credit.
2. Courses taught at the developmental or remedial level from the transferring institution are not accepted for credit.
3. Courses from vocational or technical schools are not generally accepted for credit. Students may petition for credit for courses that may have an equivalent match at C-N by following the procedures outlined below to appeal for credit from an unaccredited institution.
4. Credit for institutionally specific courses, such as chapel, convocation, lecture series, etc., is typically not accepted unless the syllabi demonstrate content that general in nature and not specific to the transferring institution.
5. Varsity Athletic sport credit will transfer as an "S" graded course and is limited to one credit per academic year.
6. Credit earned for Nursing coursework does not automatically transfer. The Department of Nursing will review all Nursing credit. Nursing credit will be awarded only upon the approval of the department chair of the School of Nursing, who will notify the University Registrar concerning the awarding of nursing credit.
7. Credit for freshman seminar courses may be granted upon review and evaluation of course content. If the course's content is similar in nature to a course or courses at Carson-Newman, the credit will be granted as Interdisciplinary (prefix ID) credit.
8. Credit by exam, i.e., Advanced Placement, College Level Examination Program, International Baccalaureate and State-Wide Dual credit is accepted based upon established guidelines and required scores determined by individual departments. These guidelines are based on information and recommendations from the College Board, IB and the State of Tennessee. Credit by Exam is limited to 30 hours and is not considered as institutional credit. (*refer to the Credit by Examination section for score information*)
9. Credit from international institutions must be evaluated by a professional foreign credentials' evaluation service such as WES, or Joseph Silney and Associates, or recognized equivalent. The official professional evaluation must be

submitted to the University Registrar for consideration of transfer credit. Credit will be awarded according to guidelines stated in this transfer credit policy.

CREDIT FROM NON-REGIONALLY ACCREDITED INSTITUTIONS

If the student requests transfer of credit through a non-regionally accredited college the student may petition for credit through each individual department in which credit is sought. The student must complete the form for Requesting Credit from an Unaccredited Institution and provide a course description and a syllabus to the department chair for review and consideration. The Department Chair will notify the University Registrar by completing and submitting the form indicating whether the credit is acceptable and how it should be awarded.

TRANSFER CREDIT AND DEGREE REQUIREMENTS

No more than 60 hours earned from a 2 year, junior or community college may be used toward the requirement for a degree from Carson-Newman. If the student transfers more than 60 hours of credit from a two-year college, the student must earn least 60 hours from C-N and/or another 4 year college. Institutional policy requires at least 60 hours must be earned from a senior (4 year) college or university, and at least 30 hours must be earned at Carson-Newman to award the degree.

Credit earned at the 100 or 200 level from the original institution transferred as upper division to Carson-Newman will count as content credit for the discipline (with some limited exceptions, i.e., Business) but the hours earned will not count toward meeting the 36 Junior/Senior (upper division) hour requirement necessary for graduation from Carson-Newman.

Courses transfer with the hours and level from the original institution. A course may satisfy a content requirement but may not satisfy other C-N requirements. Most notable are courses taught at a 2-year college do not satisfy junior senior hour requirements for graduation. If a course was taken at another institution, it can be repeated at another institution, for the replacement to be granted. If it was taken at C-N it has to be repeated at C-N in order for the forgiveness policy to be administered. If the student fails the course at C-N, and successfully repeats it at another institution, the student will be granted the credit, but hours and grades attempted will be counted for both courses.

All grades for courses which are accepted as transfer credit are recorded and computed into the transferring student's grade point average. Grades are transferred on a 4.0 grading scale and plus and minus quality points are not computed in the transfer grade point average. These transferred quality points and the quality points earned at C-N will be used to calculate the cumulative GPA.

Students must earn a minimum cumulative and C-N institutional GPA of 2.0 to graduate. (*Some specific departments have higher GPA requirements for completion of the degree.*)

The class standing of transfer students is determined by the number of credit hours accepted for transfer at Carson-Newman University.

TIME LIMIT ON TRANSFER CREDITS TO CARSON-NEWMAN UNIVERSITY

1. Courses meeting the Liberal Arts Core requirement do not have a time limit for traditional undergraduate programs.
2. Courses used for elective credit toward the total number of hours required for the degree do not have a time limit.
3. Courses meeting major requirements for the Bachelor of Arts, Bachelor of Music, or Bachelor of Science taken more than 15 years prior to enrollment at Carson-Newman University will transfer only with departmental approval. An exception to this policy may be granted with approval of the department chair for the program in which the student plans to major.
4. In certain courses, current knowledge is essential, and the department chair may impose a time limit on the applicability of earned credit toward satisfying a degree requirement. In this instance, the course may be used as elective credit toward the total number of hours required for the degree, but the student will have to repeat the course at Carson-Newman University to earn the credit for the major requirement.
5. Pre-requisite courses for the Nursing major, i.e., General Chemistry, Anatomy and Physiology, Nutrition, Microbiology, Human Development, and Statistics must have been earned within ten years of the date of enrollment in the program. All nursing coursework completed at another institution must be approved by the Nursing Admission and Progression Committee for credit to be awarded toward the major at Carson-Newman.

TRANSFER CREDIT EARNED THROUGH THE ARMED FORCES

Veterans of the Armed Forces and members of the military reserve may receive up to 40 hours of credit for military training. Credit is evaluated based on applicability to the declared major or degree of pursuit. If the declared major or degree changes after the veteran enrolls, the University reserves the right to re-evaluate military transfer credit and add or remove credit as it applies to the declared major of pursuit.

Carson-Newman follows the American Council of Education recommendation for course credit earned through the Armed Forces. Carson-Newman will award credit that is similar in likeness to a course offered through Carson-Newman based on this recommendation. Credit earned through the military will be reviewed by the Carson-Newman University Registrar. C-N will award a minimum of 4 hours of military credit (MILS) for basic training based on either the DD-214 or the Joint Services Transcript. An official Joint Services Military Transcript or other equivalent military transcript must be submitted to the University Registrar for consideration of additional credit.

TENNESSEE TRANSFER PATHWAYS AND ARTICULATION AGREEMENT

Carson-Newman University has established articulation agreements and transfer pathways for students who complete an associate degree from a Tennessee community college prior to beginning their enrollment at Carson-Newman University. Students who transfer to Carson-Newman University having earned an Associate of Arts or an Associate of Science degree from an accredited post-secondary institution may have satisfied the Carson-Newman liberal arts core with the exception of LA 102, BTS 101, and BTS 102. Students will also be required to meet the specific Liberal Arts Core Requirements

specified by their chosen major to complete their course of study at Carson-Newman.

Students who follow the prescribed transfer pathway will streamline their educational journey and satisfy many components of their pursuit of a bachelor's degree without taking additional unnecessary coursework and often transfer credit into their academic major at Carson-Newman. Following an articulation agreement or transfer pathway prior to admission will allow a student to graduate with a bachelor's degree from Carson-Newman University upon completion of any remaining required major, liberal arts, or elective hours from Carson-Newman.

Carson-Newman University has articulation agreements with the following institutions:

- Mississippi State Community College — Knoxville, TN
- New Mexico Military Institute — Roswell, NM
- Georgia Military Institute — Milledgeville, GA (additional branches in Augusta, Fayetteville, Fairburn, Valdosta and Warner Robins)
- Valley Forge Military College — Wayne, PA
- Marion Military Institute — Marion, AL

TENNESSEE REVERSE TRANSFER

Tennessee Reverse Transfer is a process that allows a student who completed a minimum of 15 hours at a participating Tennessee Board of Regents (TBR) community college and enrolled at Carson-Newman University before completing an associate degree to transfer their credits earned at Carson-Newman back to their community college. A reverse transfer potentially allows these students to be awarded an associate degree by their community college while also meeting bachelor's degree requirements at Carson-Newman. For more information, see <http://www.cn.edu/admissions/undergraduate-admissions/tennessee-reverse-transfer>.

SPECIAL ACADEMIC PROGRAMS

In addition to the regular academic programs, Carson-Newman University offers an array of special programs which focus on interdisciplinary study, unique study opportunities, community-based education, and scholarship. Some are designed for students while others are for faculty professional development. Five of these, termed Centers, are part of the strategic plan to advance Carson-Newman University toward a position of academic excellence at the national level.

ACADEMIC SKILLS ENHANCEMENT PROGRAM

Joshua A. Bivens, Director

Students with low scores on the ACT, SAT, and/or C-N Placement Exams will be required to take Basic Writing Skills and/or Basic Reading Skills and/or Intermediate Algebra. Writing and reading courses are designed to be taken during the first semester of enrollment. ASE math classes are designed to be taken during the first year of enrollment. Classes will be assigned based on individual subject ACT/SAT/Placement Exam scores. The writing and reading classes are designed to prepare students for writing compositions (essays) and to enhance student's study skills. The Intermediate Algebra class is preliminary for any 100-level math class.

Students who are required to take at least two ASE courses will be advised by the Director of the Academic Skills Enhancement Program until satisfactory completion of the courses. They will be allowed to take no more than 14 hours during the semester they are taking the ASE courses. A grade of at least a "C" is required to pass the ASE courses, and any failed ASE course must be repeated the next semester. In addition, students in this program will be required to take ID 120, Academic Strategies. This two-hour course is designed to reinforce study skills, time management skills, etc. Students in the ASE program must satisfy all the academic requirements of the University (see Academic Standing in the catalog).

Credit for academic skills enhancement courses does not satisfy any requirement for graduation from Carson-Newman University. However, academic skills enhancement credit hours and grades are used in determining athletic eligibility (first year only) and enrollment status for financial aid eligibility when required by the University to be taken.

ACADEUM COURSE SHARING CONSORTIUM

Carson-Newman students can earn credit through on-line classes offered through Acadeum, a consortium of similar colleges and universities. This partnership allows the university to support our students to achieve their educational goals by making progress toward the degree in a timely manner. Credit taken and earned through the consortium will be calculated in the student's status for financial aid eligibility.

Courses taken through the consortium are considered institutional credit and will impact a student's GPA just like a course taken directly from C-N. Acadeum courses registered through Carson-Newman are included in Carson-Newman's Repeating a Course for a Grade Policy and grade replacement is permitted within these guidelines. Students who will be earning an associate degree may register for no more than 14 semester hours of courses with

Acadeum. Students who will be earning a bachelor's degree may register for no more than 29 semester hours of courses with Acadeum. Acadeum courses may NOT be used for meeting the requirement for 25 percent of coursework in residency at Carson-Newman."

COURSE APPROVAL

Courses taken to meet liberal arts core requirements may be approved by the University Registrar. The Registrar may consult with the department chair on the approval of the course. Courses taken to meet major requirements must be approved by the department chair of the major in which the courses are housed. The University Registrar and the Department Chair will review the course description, syllabi, and other documents to assess whether the course meets learning outcomes and other objectives as required of the course at C-N.

COURSE REQUESTS

A student can request to take a course through Acadeum by first completing the online [Request to take a Course through Acadeum](#), which requires the approval of the student's academic advisor, and then completing the online Request through Acadeum Student Portal at the following link: <https://www.collegeconsortium.org/institutions/carson-newman-university>

A student must sign up for an account using their C-N email address. A list of courses already pre-approved are listed on the portal for Carson-Newman. Other courses may be found by searching for courses that are not on the pre-approved list. The University Registrar can assist the student in searching for courses on the portal.

APPROVING THE REQUEST

The Registrar will receive information regarding the student's request to take a course through the consortium. Upon receipt of the request, the Registrar will review the student's eligibility to take the course to assure that the student needs the course to meet degree requirements. Students can indicate the reason for taking the course in the comments section in the student portal.

NOTIFICATION REGARDING COURSE REQUEST

Course registration requires approval. The student will receive an email communication from the Registrar regarding the status of the request indicating if it was approved or denied. If denied, the student can provide additional justification for taking the course. Sometimes a course may be denied because the student does not have the prerequisites to take the course through the consortium.

COURSE COSTS AND BILLING

For courses offered during the summer term, the tuition that students pay is based on Carson-Newman's summer hourly course rate. Carson-Newman will bill the student for courses taken through the Acadeum course sharing consortium. For courses offered during the fall and spring semesters, the student will pay additional tuition charges for the cost of the course above the regular semester tuition charges. Once a student enrolls in a course offered through the consortium, the student agrees to pay the costs for the course. Charges for the course will not be reversed after the second day of class, therefore, there will be no refund for the course after this date.

TRANSCRIPTS

Courses taken through the **Acadeum** consortium will be transcribed similarly to a course taken at Carson-Newman but will include a notation on the transcript that the course was taken through the consortium. Grades will be assigned according to the grade scale established by the institution offering the course. The deadline to drop a course with a W grade for a course taken through the consortium may be different than the drop deadlines for courses taken at C-N. Carson-Newman will use the drop deadlines for W or WF grades as assigned by the institution offering the consortium course.

For more information about courses offered through Acadeum, please contact the University Registrar at 865-471-3240 or email registrar@cn.edu.

ARTICULATION AGREEMENT

UNIVERSITY OF ST. AUGUSTINE (FL)

Carson-Newman is a participating institution in the Ambassador Program involving the Doctor of Physical Therapy and both the Master's and the Doctor of Occupational Therapy at the University of St. Augustine (FL). Students who meet all requirements for admission (see listed websites) at St. Augustine and all local requirements at Carson-Newman will gain preferred admission status. Students are expected to work closely with their HPAC Advisor and to identify their desire to participate in the Ambassador Program to the Director of Health Pre-Professions as soon as possible but before the start of their junior year.

BONNER SCHOLARS PROGRAM

Sponsored by the Center for Community Engagement, the Bonner Scholars Program is a community service and leadership development scholarship program within which students complete 140 hours of community service and training each semester, two summer of service internships, a required three-course sequence, and a senior capstone project and presentation which combines students' academic interests and career goals with an expressed community need. Application deadline for high school seniors on January 1; open spots for current Carson-Newman and incoming transfer students are announced periodically. Students who remain in good standing receive a minimum of \$2,500 each year toward tuition and fees; \$5,000 in summer support; priority access to subsidized federal loans; and a \$2,000 loan reduction check for students who graduate in good standing with the Program. For more information, contact either the Bonner Scholars Coordinator or the Director of the Center for Community Engagement.

ENGLISH LANGUAGE INSTITUTE (ELI) PROGRAM

The English Language Institute (ELI) at Carson-Newman University offers an intensive English as a Second Language (ESL) program for international students wishing to improve their academic English language skills to the level needed to enter colleges and universities in the United States. Students enrolled in the ELI have formal instruction in the four skill areas: reading, writing, speaking, listening, as well as grammar and computer instruction. Levels I, II, and III have 25 contact hours of instruction per week and Level IV has 13 contact hours of instruction per week.

Students are allowed to be simultaneously enrolled in Carson-Newman classes while attending the ELI. Level I students are allowed

to take 1 credit hour and Levels II and III are allowed to take up to 4 credit hours at Carson-Newman at no extra charge as classes are available and don't conflict with the ELI schedule. Level IV students may take up to 6 undergraduate hours in the University, concurrent with enrollment in the ELI, providing that total credit hours do not exceed 17. The classes taken must be recommended by the ELI director, and they must not conflict with the ELI class schedule. A Level IV student will pay the University at the university hourly rate for each undergraduate semester hour in which the student is enrolled up to six hours and will pay a reduced ELI tuition for being placed in Level IV classes. Students do not receive undergraduate course credit for ELI classes during the semester in which they are enrolled at the ELI. However, upon successful completion of the ELI, students moving fully into an undergraduate program the following semester at C-N will receive 12 credit hours that will be applied either as foreign language credit and elective hours not to exceed a total of 12 hours or they will receive a total of 12 elective hours to be applied towards their degree.

Three criteria will be used to determine whether a student may pass from the intensive English program at Carson-Newman's ELI to a regular undergraduate program. First, students must complete all coursework and pass each class they are enrolled in. Students must pass all ELI courses with a grade of C or better. Second, students must score at Level C1 or above as administered by two online exams through the ELI on the Common European Framework of Reference for Languages (CEFR). Third, students must receive approval of their writing sample from the Carson-Newman Department of English.

Upon the successful completion of these criteria, students will be matriculated into the regular undergraduate program at C-N. Also, upon successful completion of these criteria, a student will not have to re-take the TOEFL exam for full admission into an undergraduate program. Satisfying these two criteria suffices for admission into the university. Upon the completion of one semester post-ELI with a grade point average of 2.0 or better, students may receive up to 12 hours in ESL to be used as foreign language credit in an undergraduate program that requires foreign language.

For international athletes required to be enrolled in the ELI due to their TOEFL scores, credit hours and grades are used in determining athletic eligibility. Athletic eligibility is set by NCAA rules, and Carson-Newman and the ELI comply with these rules completely. Student athletes completing the ELI in one semester will be eligible to compete in their respective sport by enrolling in a minimum of 12 credit hours in a regular undergraduate program their first semester out of the ELI. Student athletes needing to be enrolled in the ELI for two semesters will need to concurrently complete 12 credit hours towards a regular undergraduate program along with their ELI courses in order to be eligible their first semester out of the ELI. Students will work closely with the ELI Director to satisfy these requirements for maintaining eligibility.

ENGLISH MINI-TERMS

The English Language Institute may offer one month-long intensive English program for international students at various times throughout the year. Each program will be designed for a specific group of students.

ENGLISH FOR SPECIFIC PURPOSES PROGRAMS

Special English programs that include internships and observations in local medical institutions, business settings, and

educational settings are scheduled as requested by international partner institutions. Contact the Center for Global Education for additional information.

HONORS PROGRAM

Director April Dye

Students whose composite ACT score is 29 or higher or SAT is 1310 (Critical Reading and Math) or above, and a high school grade point average of at least 3.65, may be eligible for participation in the honors program. Freshmen through junior students take special team-taught classes such as Humanity and the Cosmos, Faith, Freedom and the Individual, and Form and Expression in the Contemporary Arts. The honors thesis, completed during the junior and senior years, consists of supervised experience or research in the student's major field(s). Upon successful completion of the thesis and the recommendation of the honors council, the student may receive six semester hours of credit and is recognized as graduating with honors. Honors students also have the opportunity to live in the Honors House

Honors courses are generally reserved for Honors students. Academically superior students not involved in the Honors Program may take Honors courses if space is available and by the permission of the instructors of the course and the Honors Director. These courses may substitute for required Liberal Arts Core courses as described in the Liberal Arts Core Requirements section of this catalog. Honors students are required to take 12 hours of team-taught Honors courses chosen from: **FILM/HIST 250, HUM 101-102, HUM 302, FA 301, PSC 302, PSY 318, PSY/SOC 250, and BTS 452.** Other team-taught courses may be offered from time to time. These courses may be taken in any order or combination. Students who participate in a study abroad experience for at least 3 hours credit may waive one of the above courses. In addition, Honors students are required to fulfill liberal arts core requirements in religion as well as Writing and Literary Studies I with Honors sections of those courses.

CENTER FOR EDUCATIONAL SERVICE TO APPALACHIA

A variety of educational programs emphasizing regional literature, arts, and scholarship are offered for area schools, teachers, and community. Contact the Director.

FAMILY ENRICHMENT INSTITUTE

As an extension of the graduate program in counseling, the Institute uses graduate students in teaching life coping skills in a variety of community settings. The Institute also sponsors the Family Enrichment Seminars, which are regularly presented to the community on mental health topics pertaining to effective individual and family functioning. For information, contact the Director.

INTERNATIONAL PROGRAM

Contact: Melissa Summey

Carson-Newman is a community of scholars and students committed to global awareness and world outreach. Numerous opportunities exist for students to participate in programs of study or interest with an international or cross-cultural focus. Several departments at Carson-Newman University offer majors that expose the student to courses with a distinctly international component. Some departments further provide students with the opportunity to focus more of their major coursework specifically in international studies, and hence offer emphases or minors within that major. For complete details of course offerings and requirements, see the contact person listed. Students

can satisfy their curiosity in any or all the following areas:

- **International Language and Cultural Immersion Opportunities** - Students can earn academic credit for foreign language study from an approved consortium or international universities. For information, contact Dr. Mary Baldrige.
- **Oxford Studies Minor** - Available to students selected for study in the Oxford term. Contact Dr. Andrew Smith.
- **Sociology Major** - Cross-Cultural Emphasis in the Sociology Major. Contact Dr. Greg Hoover.
- **Study Abroad** - Carson-Newman offers both short-term and long-term study abroad opportunities for students who wish to gain credit from international study. Carson-Newman participates in study abroad agreements with several international institutions around the world. For a complete list of colleges or universities approved for study abroad or study away, contact the Center for Global Education.

Students who plan to study abroad must submit required documentation to the following offices:

1. The Center for Global Education,
2. The Office of the Registrar, and
3. The Financial Aid Office

Students who study abroad may qualify for state and federal financial aid only if study abroad courses are approved for transfer or institutional credit. Students who study abroad may qualify for institutional aid only if they choose a designated exchange program for a semester. The student will be responsible for paying the cost for studying abroad at the rate charged by the cooperating institution. In some cases, charges will exceed the cost of studying at Carson-Newman.

All students who study abroad or away will be charged a \$100 fee. Students must have been enrolled as a full-time student at Carson-Newman University for at least one semester before being approved for Study Abroad. A pre-departure orientation offered by the Center for Global Education is required of all semester study abroad participants.

- **OXFORD TERM**
A scholarship-supported, research and tutorial experience in England for selecting students who compete for acceptance. For information, contact Dr. Andrew Smith.
- **CROSS CULTURAL MISSION EXPERIENCE**
Opportunities for collaborative learning and ministry for academic credit by participation in educational mission's trips are offered through various departments throughout the year.

INTERDISCIPLINARY SCHOLARS

This program is designed for self-motivated, academically superior students (minimum 3.00 university GPA). Students in the interdisciplinary scholar's program design their own curriculum. They are assigned a preceptor who assists in putting together an area of study allowing for a variety of interests and a minor in at least one academic area. To graduate with an Interdisciplinary Scholars major, a student must complete the liberal arts core requirements and meet common requirements for a degree, excluding those pertaining to a major. Students must apply for acceptance into the program no fewer than 48 semester hours prior to anticipated graduation. For more information, contact the Office of the Provost.

PREPROFESSIONAL PROGRAMS

Carson-Newman's pre-professional programs give students a competitive advantage in a highly selective admissions process for graduate school. Students can choose any academic major and still be part of the program in one of the following emphasis areas. Students will benefit from close relationships with teachers and advisors who will guide them in practical skills like interviewing and professional testing as they prepare to continue their education.

Pre-Professional Program Opportunities include:

Chiropractic Medicine	Dentistry
Occupational Therapy	Optometry
Osteopathic Medicine	Pharmacy
Physical Therapy	Medicine
Physician Assistant	Law
Podiatric Medicine	Public Health
Veterinary Medicine	

HEALTH PRE-PROFESSIONS

For students interested in continuing to graduate school in allied health areas. These areas include Chiropractic Medicine, Dentistry, Medical Technology, Medicine (Allopathic and Osteopathic), Occupational Therapy, Optometry, Pharmacy, Physical Therapy, Physician Assistant, Podiatry, and Veterinary Medicine (this does not include Nursing or Athletic Training). Students are required to abide by the following Health Professions Advising Committee (HPAC) policies. These policies are reviewed annually by the HPAC.

HEALTH PRE-PROFESSION POLICIES

1. You must identify yourself as a health pre-professional student and be included in our Health Professions database. Contact the administrative assistant (DSC 203), 865-471-3250, or the Director of Health Professions.
2. You will be assigned a faculty advisor who is a member of the HPAC.
3. You must complete a 1-hour course, ID 208 (Career Planning in Health Professions), before the local HPAC interview. We recommend that ID 208 be taken during your first fall semester at Carson-Newman University.
4. You must accumulate at least 40 hours of experience (which can include shadowing) in your specific career choice before scheduling the local HPAC interview.
5. You must be interviewed by the HPAC before a letter of recommendation will be written in support of your application to professional school.
6. If you are a transfer student, you must pass two lab science courses at Carson-Newman University under two different professors before scheduling your HPAC interview.
7. Once you are admitted to Carson-Newman, you are expected to take the lab science courses required by the professional schools to which you plan to apply at Carson-Newman University.
8. You must use the HPAC composite letter of recommendation for admission to professional school. If exceptions are found, contact the Director of Health Pre-Professions. Carson-Newman faculty are asked NOT to write individual letters of recommendation directly to professional schools to support admission to health professional schools.

POST-BACCALAUREATE HEALTH PROFESSIONS PROGRAM

The Health Pre-Professional Program at Carson-Newman University offers a bridge program for students who already have earned a bachelor's degree and desire a change of career into one of the health professions. Requirements will center around the health professions, career choice and the specific professional schools to which the student selects to apply. Post-Baccalaureate students will need to work closely with their Health Professions advisor. This program is not a graduate program or a degree program and thus does not need to satisfy a major or the Carson-Newman University Liberal Arts Core Requirements. It is anticipated that required courses can be completed in an intense 12-to-24-month period. Students in this program are expected to maximize their exposure to the Carson-Newman University environment. Therefore, Post-Baccalaureate students will be able to take advantage of the strong health pre-professional program already in place at the university. Components of this preparation include academic advising, required curriculum, shadowing in the career, the Committee interview, letter of recommendation, and MCAT prep program. For more information, contact Dr. Susan McGaha, Director of Health Professions, at 865-471-3250. This program is not aid eligible.

PHARMACY PRE-PROFESSIONS

Carson-Newman offers a four-year binary program in conjunction with an accredited pharmacy school. Students complete three years at Carson-Newman, minimum 90 hours, and one year of the professional program at pharmacy school with a minimum "C" average, and 30 hours. After completing the first year of professional school, those credits are transferred back to Carson-Newman. The student receives a BA or BS degree from Carson-Newman in Biology or a BA or BS degree in Chemistry. Students must complete the Carson-Newman liberal arts core requirements and satisfy the Biology or Chemistry major departmental requirements. (Carson-Newman residency requirements must be met ~ see Academic Policies, Procedures, and Regulations.) Precautions should be taken to avoid duplication of courses, such as biochemistry, immunology, microbiology, and anatomy & physiology. These courses are generally taken during the first year of pharmacy school.

ASSOCIATE DEGREE PROGRAMS

Carson-Newman University offers associate degrees - one in Liberal Arts, one in General Studies, one in Christian Ministries, one in Photography, and one in Computer Science. All courses completed in the associate degree can be used toward fulfilling requirements for a bachelor's degree from Carson-Newman.

The associate degree curriculum aims to provide students with a breadth of knowledge in the liberal arts leading to a two-year credential and earning credits that can also be applied toward a four-year degree. Associate degrees require a minimum of 60 hours. The core curriculum includes study in communication, biblical traditions, mathematics, science, and personal and social awareness. The remaining requirements may consist of courses in Religion (for Christian Ministries), Computer Science, Art (for Photography), or elective courses for the Liberal Arts or General Studies emphasis. See page 34 for a complete listing of approved liberal arts core courses.

Students must earn a minimum GPA of 1.7 at the end of 30 hours and an average minimum of 2.0 GPA at the completion of 60 hours in all courses leading to the degree. A minimum of 15 hours must be earned at Carson-Newman, including the last 15 hours in residence.

Students participating in the Tennessee Reverse Transfer program may only earn one associate degree. Suppose the student is eligible for an associate degree at both Carson-Newman and a Tennessee community college. In that case, the student must elect the college to receive the degree. Contact the University Registrar for more information.

COURSE REQUIREMENTS FOR AN ASSOCIATE DEGREE

All courses REQUIRED in the associate's program are 100 to 200-level courses. Specializations include 300 and 400-level course options as electives but are not required to complete the degree. A student may choose to take a 300-level course option to satisfy a liberal arts core requirement. However, it is not required to complete the degree.

ASSOCIATE OF ARTS - LIBERAL ARTS

BACHELOR'S DEGREE PROGRAMS

ART

Shawn O'Hare, *Dean of the School of Arts, Humanities, and Social Sciences*

Julie Rabun, *Chair of Art*

Carson-Newman University is an accredited institutional member of the National Association of Schools of Art and Design. The Carson-Newman University Department of Art has held this accreditation with the NASAD since 1992.

Majors

Art

Emphasis

Drawing and Painting

Graphic Design

Photography

Specialization

Art - Teacher Licensure K-12

Minors

Art

Art History

Photography

The Department of Art is housed in the 4-story Warren Art Building, which sits in the heart of campus and includes two art galleries, several classroom studios, a number of private student studios, color and black and white chemical darkrooms, a Macintosh computer design lab, classrooms, and faculty offices. The art faculty are active professionals who have published scholarly or creative works, exhibited their artworks extensively, and won awards on the state, regional and national levels. Art and photography majors participate in monthly juried exhibits of their work in the Student Gallery and have the opportunity for senior thesis exhibitions. Art and photography majors also have opportunities to gain valuable experience through art assistantships for credit or pay through the University Work Study program and through select internships.

Mission

The Department of Art strives to support and accomplish the overall mission and vision of Carson-Newman University, as a dynamic, vital, and visible academic department on campus. All our students are counseled toward a broad education in the liberal arts, to strive to create students who think critically and creatively and are knowledgeable about a wide range of disciplines. We seek to provide the general student the knowledge and ability to understand and appreciate the visual arts as an integral part of life.

We offer the Bachelor of Arts degree with a major in photography or

a major in art with an emphasis in graphic design, painting and drawing, or art education. We seek to prepare majors in our department for entry-level professional careers in art, graphic design, photography, or teaching, or for entry into appropriate academic graduate programs at other institutions. We strive to foster the individual artistic goals of each student and facilitate the development and maturity of each student's artmaking and critical thinking skills toward the accomplishment of these individual goals. The Department of Art also works to make its program a center of focus for the visual arts in the community by hosting a number of art exhibitions which are open to the public each year in our two galleries and by employing faculty who are active professionally in local and regional events and projects related to the visual arts. The art major or the photography major requires six hours of the same language at the 100 level or higher deemed appropriate by the language placement exam.

Advanced placement

The Department of Art does not accept advanced placement by testing. Consideration for advanced placement is done by portfolio review. The decision will be made by the chair of the department in consultation with the instructor in the area. Advanced placement in art courses is not recommended and is granted only in rare cases.

Carson-Neman's Art Collection from Graduates

Each student graduating with a major in art or photography is requested to place a representative piece of his/her work in the permanent collection of the Carson-Newman University Department of Art.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Art and Photography majors should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies to Enhance a World Perspective**
Art 104, Art 316, or Art 317 (*as listed in major hours below*)
- **Senior Capstone Course**
Art 411 (*as listed in major hours below*)

Prerequisites

Courses within any specific medium must be taken in numerical sequence unless otherwise approved by the chair of the Department of Art. Transfer students whose proficiency in art is not equal to the entry level at Carson-Newman University are required to take remedial study as course audits.

ART

A student must complete no less than 44 hours including the art core and an emphasis area within the Department of Art. A maximum of 66 hours in Art may be applied toward the BA.

Art Core Requirements (32 hours)

ART 100	Art Fundamentals I (3 credits)
ART 103	Art Fundamentals II (3 credits)
ART 104	Photography I (3 credits)
ART 105	Drawing I (3 credits)

Summary of Total Credits

Liberal Arts Core (44 credits)

Art Core Requirements (32 credits)

Graphic Design Emphasis (18 credits)

Electives (26 credits)

Minimum to Earn BA in Art with Graphic Design Emphasis (120 hours)

Note: Students must participate in a portfolio review during the spring semester (usually in March) of freshman, sophomore, and junior years. Assignments of studios, assistantships, and other departmental privileges are based upon the results of these annual portfolio reviews. Lecture courses in the Department of Art earning 3 hours of credit meet for 3 hours per week during the semester, as is the standard for most courses at Carson-Newman University. Studio courses (art-producing courses) earning 3 hours of credit in the Department of Art usually meet for 6 hours per week during the semester to facilitate the accomplishment of some (but not all) course requirements in the classroom with the aid of the instructor.

ART - TEACHER LICENSURE K-12

For teacher licensure in K-12, students must meet state-mandated requirements as well as complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of

the catalog for additional details. Art and Photography majors should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Personal/Social Awareness**
Psychology 204, Psychology 206, or Child and Family Studies 206 (3 credits)
- **Studies to Enhance a World Perspective**
Art 104, Art 316, or Art 317 (as listed in major hours below)
- **Senior Capstone Course**
Art 411 (as listed in major hours below)

ART 316	Art History I (3 credits)
ART 317	Art History II (3 credits)
ART 417	Contemporary Art (3 credits)
ART 418	Non-Western Art (3 credits)

Choose 3 three hours from the following:

ART 210	Art Appreciation (3 credits)
---------	------------------------------

ART 313	History of Graphic Design (3 credits)
ART 234	History of Photography (3 credits)

PHOTOGRAPHY (18 hours)

ART 100	Art Fundamentals I (3 credits)
ART 104	Photography I (3 credits)
ART 204	Photography II (3 credits)
ART 234	History of Photography (3 credits)
Photography electives (6 credits)	

BIBLICAL AND THEOLOGICAL STUDIES

David Crutchley, Dean of the School of Biblical and Theological Studies
David Crutchley, Chair of Biblical and Theological Studies

Majors

Biblical Languages
 Christian Studies

Emphasis

Biblical Studies
 Ministry to Children and Youth
 Ministry Studies
 Missions

Minors

Archaeology
 Biblical Languages
 Christian Studies
 Greek
 Hebrew
 Missions
 Oxford Studies
 Religious Studies

The School of Biblical and Theological Studies is located on the second floor of the Henderson Humanities Building. The Christian Studies major is designed to provide a foundational understanding of each major theological discipline. Biblical and Theological Studies majors also have the opportunity to earn credit through practical experiences supervised by the faculty. A Biblical and Theological Studies faculty advisor will help the student plan a curriculum based on vocational goals. Majors can join *Theta Alpha Kappa*, the national Religion honor society. Opportunities also exist for students to study at Oxford University, intern with the Baptist Joint Committee for Religious Liberty in Washington, DC, participate in a travel seminar or an archaeological dig in the lands of the Bible, and enroll in international mission practicums.

Majors are encouraged and assisted by the Biblical and Theological Studies faculty to pursue seminary or graduate studies following graduation. The background they receive at Carson-Newman University (including significant study offered in the biblical languages) makes our strongest majors eligible for advanced academic standing and significant graduate scholarships or fellowships.

AREAS OF STUDY

Biblical Studies:

- BTS 313 Proverbs, Job, Ecclesiastes (3 credits)
- BTS 314 Psalms (3 credits)
- BTS 315 Worship in the New Testament (3 credits)
- BTS 317 Johannine Literature (3 credits)
- BTS 318 Sermon on the Mount (3 credits)
- BTS 319 Paul (3 credits)
- BTS 411 Parables of Jesus (3 credits)
- BTS 412 Luke-Acts (3 credits)
- BTS 415 Old Testament Prophets (3 credits)
- BTS 416 Woman and Biblical Tradition (3 credits)
- BTS 417 Pentateuch (3 credits)

Comparative Studies:

- BTS 320 Religions of the World (3 credits)
- BTS 322 New Religious Movements (3 credits)
- BTS 324 Islam (3 credits)
- BTS 329 Denominations in America (3 credits)
- BTS 404 Nonwestern Religious Thought (3 credits)
- BTS 426 Religion and Popular Culture in America (3 credits)
- PHIL 321 Religion and Science (3 credits)

Historical Studies:

- BTS 155 Who Are the Baptists? (1 credit)
- BTS 339 History of Christianity (3 credits)
- BTS 355 History of the Baptist People (3 credits)
- BTS 357 Tutorial in Baptist Research I (3 credits)
- BTS 358 Tutorial in Baptist Research II (3 credits)
- BTS 359 Readings in British and Baptist Life (3 credits)
- BTS 433 American Religious History (3 credits)
- BTS 437 Woman in Christian History (3 credits)
- BTS 438 The Reformation: Protestant and Catholic (3 credits)
- BTS 459 Oxford Residency in Baptist Research (6 credits)

Ministry Studies:

- BTS 238 Introduction to Children's Ministry (3 credits)
- BTS 240 Introduction to Youth Ministry (3 credits)
- BTS 241 Introduction to Leadership (3 credits)
- BTS 347 Sermon Preparation and Delivery (3 credits)
- BTS 427 Religion and Film (3 credits)
- BTS 440 Understanding Families (3 credits)
- BTS 441 Love (1 credits)
- BTS 442 Grief (1 credits)
- BTS 443 Anger (1 credits)
- BTS 444 Guilt (1 credit)
- BTS 445 Self Esteem (1 credit)
- BTS 446 In Search of Yourself (1 credit)
- BTS 449 Introduction to Pastoral Theology and Care (3 credits)
- BTS 450 Discovering the Mission of God (3 credits)
- BTS 452 Cross Cultural Experience and World Awareness Practicum (3 credits)
- BTS 453 A History of the Church on Mission with God (3 credits)
- BTS 454 Topics in Missions (3 credits)

Theological Studies:

- BTS 301SL Christian Ethics (3 credits)
 - BTS 361 Introduction to Systematic Theology (3 credits)
 - BTS 362 Readings in Christian Theology (3 credits)
 - BTS 402SL Philosophy of Religion (3 credits)
-

BIBLICAL LANGUAGES

For a major in Biblical Languages, see the Foreign Language Department section of this catalog. The major in biblical languages is skill oriented and consists of at least 15 hours in one biblical language (either *Koine Greek* or *Biblical Hebrew*) and a minimum of 12 hours in the other. The major is designed as preparation for graduate study in biblical studies. The courses are offered through the Foreign Language

Department and taught by the Biblical and Theological Studies Department faculty.

CHRISTIAN STUDIES

For a major in Christian Studies with an Emphasis area, the student will complete the Liberal Arts Core Requirements and the Christian Studies Core Requirements. Emphasis areas include one of the following:

- Emphasis in Biblical Studies
- Emphasis in Ministry to Children and Youth
- Emphasis in Ministry Studies
- Emphasis in Missions

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with Christian Studies, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 hours)
- **Senior Capstone Course** (*as listed in major hours below*)
BTS 469SL

Christian Studies Core Requirements (30 hours)

BTS 224SL Spiritual Growth and Development (3 credits)
 BTS 300 Vocation, Calling, and Life Purpose (3 credits)
 BTS 263 Methods of Biblical Interpretation (3 credits)
 BTS Upper-Level Biblical Elective (3 credits)
 BTS 339 History of Christianity (3 credits)
 BTS 361 Christian Doctrine (3 credits)
 BTS 469SL Senior Seminar (3 credits)

Additional Christian Studies Electives (9 credits)

Christian Studies major (18 hours)

Christian Studies Elective – a course in Old Testament (3 credits)
 Christian Studies Elective – a course in New Testament (3 credits)
 Comparative Studies Elective (3 credits)
 Historical Studies or Theological Studies Elective (3 credits)
 BTS Elective(s) (6 credits) or Biblical Language sequence (201-202)

Elective Hours (25 credits)

If the student chooses to take any more courses in Christian Studies (no more than 18 additional hours will count toward graduation), then the faculty strongly suggests up to 18 hours chosen from the “Areas of Study”.

Summary of Total Credits

Liberal Arts Core (47 credits)
 Christian Studies Core (30 credits)
 Christian Studies Major (18 hours)
 Elective Hours (25 credits)

Min. to Earn a BA in Christian Studies (120 hours)

CHRISTIAN STUDIES WITH AN EMPHASIS AREA

For a major in Christian Studies with an Emphasis area, the student will complete the Liberal Arts Core Requirements and the Christian

Studies Core Requirements. The only difference in the curriculum among these different emphases is found in the list of courses in the “Area Emphasis” which defines each particular major course of study.

CHRISTIAN STUDIES - BIBLICAL STUDIES

For a major in Christian Studies with Emphasis in Biblical Studies, the student will complete the Liberal Arts Core Requirements and the Christian Studies Core Requirements. In addition, the student will complete 15 hours of required electives in the “Area Emphasis” courses as follows.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with Christian Studies with Emphasis in Biblical Studies, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 hours)
- **Senior Capstone Course** (*as listed in major hours below*)
BTS 469SL (3 credits)

Christian Studies Core Requirements (30 hours)

BTS 224SL Spiritual Growth and Development (3 credits)
 BTS 300 Vocation, Calling, and Life Purpose (3 credits)
 BTS 263 Methods of Biblical Interpretation (3 credits)
 BTS 469SL Senior Seminar (3 credits)
 Comparative Studies Elective (3 credits)
 Historical Studies Elective (3 credits)
 Ministry Studies Elective (3 credits)
 Theological Studies Elective (3 credits)
 Additional Christian Studies Electives (3 credits)

Biblical Studies Emphasis Requirements (12 hours)

Christian Studies Elective (course in Old Testament) (3 credits)
 Christian Studies Elective (course in New Testament) (3 credits)
 Hebrew 201-202 sequence OR Greek 201-202 sequence (6 credits)

Elective Hours (28 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)
 Christian Studies Core Requirements (30 credits)
 Biblical Studies Emphasis (12 credits)
 Elective Hours (28 credits)

Min. to Earn a BA in Christian Studies with Emphasis in Biblical Studies (120 hours)

CHRISTIAN STUDIES - MINISTRY TO CHILDREN AND YOUTH

For a major in Christian Studies with Emphasis in Ministry to Children and Youth, the student will complete the Liberal Arts Core Requirements and the Christian Studies Core Requirements.

In addition, the student will complete a total of 18 hours of both requirements and electives from the “Area Emphasis” courses as follows.

Liberal Arts Core Requirements:

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with Christian Studies with Emphasis in Leadership and Ethics, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 hours)
- **Senior Capstone Course** (*as listed in major hours below*)
BTS 469SL (3 credits)

Christian Studies Core Requirements (30 hours)

- BTS 224SL Spiritual Growth and Development (3 credits)
- BTS 300 Vocation, Calling, and Life Purpose (3 credits)
- BTS 263 Methods of Biblical Interpretation (3 credits)
- BTS 469SL Senior Seminar (3 credits)

Biblical Studies Elective (3 credits)

Comparative Studies Elective (3 credits)

Historical Studies Elective (3 credits)

Ministry Studies Elective (3 credits)

Theological Studies Elective (3 credits)

Additional Christian Studies Electives (3 credits)

Ministry to Children and Youth Emphasis Requirements (12 hours)

BTS 238 Introduction to Children's Ministry (3 credits)

BTS 240 Introduction to Youth Ministry (3 credits)

Choose six (6) hours from the following area electives:

- PSY 204 Psychology of Childhood and Adolescence (3 credits)
- CFS/PSY 206 Human Development Through Lifespan (3 cr)
- CFS 301 Family Relationships (3 credits)
- SOC 205SL Sociology of Community (3 credits)
- SOC 401 Family Violence (3 credits)
- COMM 250 Media, Religion and Ministry (3 credits)

Elective Hours (25 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)

Christian Studies Core Requirements (30 credits)

Ministry to Children and Youth Emphasis (12 credits)

Elective Hours (25 credits)

Min. to Earn a BA in Christian Studies with Emphasis in Ministry to Children and Youth (120 hours)

CHRISTIAN STUDIES - MINISTRY STUDIES

For a major in Christian Studies with Emphasis in Ministry Studies, the student will complete the Liberal Arts Core Requirements and the Christian Studies Core Requirements. In addition, the student will complete 18 hours of required electives to be selected from the "Area Emphasis" courses as follows.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with Christian Studies with Emphasis in Leadership and Ethics, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 hours)
- **Senior Capstone Course** (*as listed in major hours below*)
BTS 469SL (3 credits)

Christian Studies Core Requirements (30 hours)

- BTS 224SL Spiritual Growth and Development (3 credits)
- BTS 300 Vocation, Calling, and Life Purpose (3 credits)
- BTS 263 Methods of Biblical Interpretation (3 credits)
- BTS 469SL Senior Seminar (3 credits)
- Biblical Studies Elective (3 credits)
- Comparative Studies Elective (3 credits)
- Historical Studies Elective (3 credits)
- Ministry Studies Elective (3 credits)
- Theological Studies Elective (3 credits)
- Additional Biblical and Theological Studies Electives (3 credits)

Ministry Studies Emphasis (12 hours)

Choose Nine (9) hours from the following area requirements:

- BTS 238 Introduction to Children's Ministry (3 credits)
- BTS 240 Introduction to Youth Ministry (3 credits)
- BTS 241 Introduction to Leadership (3 credits)
- BTS 347 Sermon Preparation and Delivery (3 credits)
- BTS 441-6 Love, Grief, Anger, Guilt, Self-Esteem, Resilience (1-hour modules) (3 credits)
- BTS 450 Discovering the Mission of God (3 credits)
- BTS 454 Topics in Missions (3 credits)

Choose three (3) hours from the following area electives:

- PSY 204 Childhood and Adolescence (3 credits)
- PSY 206 Human Development Through the Lifespan (also CFS 206)
- PSY 302 Abnormal Psychology (3 credits)
- CFS 301 Family Relationships (3 credits)
- SOC 401 Family Violence (3 credits)

Elective Hours (25 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)

Christian Studies Requirements (30 credits)

Ministry Studies Emphasis (12 credits)

Elective Hours (25 credits)

Min. to Earn a BA in Christian Studies with Emphasis in Ministry Studies (120 hours)

CHRISTIAN STUDIES - MISSIONS

For a major in Christian Studies with Emphasis in Missions, the student will complete the Liberal Arts Core Requirements and the Christian Studies Core Requirements. In addition, the student will complete 18 hours of both requirements and electives from the "Area Emphasis" courses as follows.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with Christian Studies with Emphasis in Leadership and Ethics, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 hours)
- **Senior Capstone Course** (*as listed in major hours below*)
BTS 469SL (3 credits)

 BTS 469SL Senior Seminar (3 credits)
 Biblical Studies Elective (3 credits)
 Comparative Studies Elective (3 credits)
 Historical Studies Elective (3 credits)
 Ministry Studies Elective (3 credits)
 Theological Studies Elective (3 credits)
 Christian Studies Electives (3 credits)

Missions Emphasis Requirements (6 hours)

BTS 320 Religions of the World (3 credits)
 BTS 450 Discovering the Mission of God (3 credits)

Choose six (6) hours from the following:

SOC 201 Cultural Anthropology (3 credits)
 BTS 238 Introduction to Children's Ministry (3 credits)
 BTS 240 Introduction to Youth Ministry (3 credits)
 BTS 452 Cross-Culture Missions and
 World Awareness Practicum (3 credits)
 BTS 454 Topics in Missions (3 credits)

Elective Hours (25 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)
 Christian studies Core Requirements (30 credits)
 Missions Emphasis (12 credits)
 Elective Hours (25 credits)

Min. to Earn a BA in Christian Studies with Emphasis in Missions (120 hours)

MINORS

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

ARCHEOLOGY (12 hours)

- (12 hours required courses and 6 hours elective courses) in addition to BTS 101 and 102.
- The required courses are SOC 201, ARC 201, ARC 301, and ARC 302.
- Six hours elective credit may be taken from either GEOL 101, HIST 135, ARC 401, HEB 201, HEB 202, GRK 201, or GRK 202.

BIBLICAL LANGUAGES (24 hours)

- 12 hours of Greek and
 - 12 hours of Hebrew
-

CHRISTIAN STUDIES (18 hours)

- 18 hours in addition to BTS 101 and 102
 - Three hours must be taken from each of the five areas in the Christian Studies curriculum plus one additional BTS elective.
-

GREEK (18 hours)

- 18 hours of Greek.
-

HEBREW (18 hours)

- 18 hours of Hebrew
-

MISSIONS (18 hours)

- (12 hours required courses and 6 hours elective courses) in addition to BTS 101 and 102.
 - The required courses are BTS 224SL, BTS 320, BTS 450, and SOC 201.
 - Six hours elective credit may be taken from BTS 241, BTS 452, BTS 453, or BTS 454.
-

OXFORD STUDIES (18 hours)

- Include 6 hours tutoring in preparation for Oxford,
 - 3 hours in Baptist History,
 - 3 hours in Readings in British and Baptist Life, and
 - 6 hours credit for the Trinity term at Regents Park College of Oxford University, England (contact the Biblical and Theological Studies Department for the application process).
-

RELIGIOUS STUDIES (18 hours)

- (12 hours required courses and 6 hours elective courses) in addition to BTS 101 and 102.
 - The required courses are PHIL 402SL and 404, BTS 320, and SOC 312.
 - Six hours elective credit may be taken from either BTS 324 or HIST 341 and a course from BTS 322, 426, or 433.
-

BIOLOGY

Christine Dalton, Dean of the School of Natural and Applied Sciences
Matt Wilkerson, Chair of Biology

Major

Bachelor of Arts in Biology

Emphasis

General

Research

Wildlife Ecology

Bachelor of Science in Biology

Specialization

Biology-Teacher Licensure - 6-12

The biology program is housed in Dougherty Science Center. Its facilities include the Chapman Research Laboratory, laboratory facilities for environmental studies, zoology, botany, microbiology, immunology, cell biology, anatomy/physiology, genetics, mammalian physiology, gross anatomy, and a greenhouse.

Biology majors are eligible for membership in Beta Beta Beta, the national biology honor society. In addition to traditional courses, the department offers unique opportunities for individual studies through externships, independent projects, and teaching assistantships. Following graduation, alumni have entered a variety of vocational fields, including health professions, education, research, and industry.

BIOLOGY - GENERAL

For a general emphasis in biology, a student must complete at least 34 hours in biology.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Biology majors with a general emphasis should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
MATH 120 or 201 (3 credits)
CHEM 103 and 104 (8 credits)
- **Studies to Enhance a World Perspective**
Language (*The biology major requires six hours of the same language at the 100 level or higher*).
- **Senior Capstone Course**
BIOL 411 (*as listed in major hours below*)

General Biology Requirements (34 hours)

BIOL 105 General Biology I (4 credits)

BIOL 106 General Biology II (4 credits)

BIOL 410 Directed Readings in Biology (1 credit)

BIOL 411SL Senior Seminar (capstone course) (1 credit)

One course from each of the following three categories:

Molecular/Cell

BIOL 314 Genetics (4 credits)

BIOL 320 Molecular Cell Biology (4 credits)

BIOL 408 Immunology (4 credits)

Organismal

BIOL 301 Botany (4 credits)

BIOL 302 Zoology (4 credits)

BIOL 404 Mammalian Physiology (5 credits)

Population

BIOL 315SL Ecology (4 credits)

BIOL 317SL Natural History (4 credits)

BIOL 319SL Animal Behavior (4 credits)

Choose one of the following (That was not taken from the prior three categories molecular/cell, organismal or population):

BIOL 317SL Natural History (4 credits)

BIOL 319SL Animal Behavior (4 credits)

BIOL 320 Molecular Cell Biology (4 credits)

BIOL 402SL Gross Anatomy (5 credits)

BIOL 404 Mammalian Physiology (5 credits)

BIOL 405 Environmental Policy (4 credits)

BIOL 408 Immunology (4 credits)

Biology elective hours* (8-12 hours)

*CHEM 301, Organic Chemistry I, and CHEM 302, Organic Chemistry II, are strongly recommended.

Elective Hours (37 credits)

Summary of Total Credits

Liberal Arts Core (49 credits)

General Biology Requirements (34 credits)

Electives (37 credits)

Minimum to Earn a BA in Biology with General Emphasis (120 hours)

BIOLOGY - RESEARCH

The **research emphasis in biology** is intended for students interested in careers in research, industry, and college level teaching. These students should prepare for graduate study on either the master's or doctoral degree level. Their undergraduate requirements include those listed under the general emphasis. Also strongly recommended are one or more of the following:

BIOL 315SL Ecology (4 credits)

BIOL 320 Molecular Cell Biology (4 credits)

BIOL 404 Mammalian Physiology (5 credits)

BIOL 408 Immunology (4 credits)

BIOL 491 Directed Projects in Biology (1-4 credits)

Summary of Total Credits

Liberal Arts Core (49 credits)

General Biology Requirements (34 credits)

Electives (37 credits)

Min. to Earn a BA in Biology with Research Emphasis (120 hrs.)

BIOLOGY - TEACHER LICENSURE 6-12

For teacher licensure 6-12 in Biology, students must meet state-mandated requirements as well as complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Biology majors with teacher licensure should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (11 hours)**
MATH 120 or 201 (3 credits)
CHEM 103 and 104 (8 credits)
- **Studies in Personal/Social Awareness**
CFS 206, Psychology 204 or 206
- **Studies to Enhance a World Perspective**
Language (*The biology major requires six hours of the same language at the 100 level or higher*).
- **Senior Capstone Course**
BIOL 411 (*as listed in major hours below*)

General Biology Requirements (10 hours)

BIOL 105	General Biology I (4 credits)
BIOL 106	General Biology II (4 credits)
BIOL 410	Directed Readings in Biology (1 credit)
BIOL 411SL	Senior Seminar (capstone course) (1 credit)

Biology Teacher Licensure Courses (24 hours)

BIOL 102	Environmental Science (3 credits)
BIOL 303	Soils and Geologic Science (3 credits)
BIOL 314	Genetics (4 credits)
BIOL 315SL	Ecology (4 credits)
BIOL 317SL	Natural History (4 credits)

Choose one of the following courses from *Organismal*:

BIOL 301	Botany (4 credits)
BIOL 302	Zoology (4 credits)
BIOL 404	Mammalian Physiology (5 credits)
Biology elective hours (2 credits)	

Professional Education (37 hours)

(A grade of C or better is required in all courses below)

EDUC 203SL	Foundations of Education (3 credits)
EDUC 204	Educational Technology... (3 credits)
EDUC 205	Introduction to Diagnostic Reaching Instruction: Techniques and Strategies (3 credits)
EDUC 342	Curriculum, Instruction, and Management of the 6-12 Classroom (3 credits)
EDUC 350	Diversity in Schools, Homes, & Communities (2 credits)
EDUC 403	Assessment and Evaluation (3 credits)
EDUC 420	Content-Area Methods in 6-12 Classroom (3 credits)
EDUC 432	Disciplinary Literacy (2 credits)
SPED 313	Survey of Persons with Exceptionalities (3 credits)
EDUC 463	Seminar in Student Teaching (2 credits)
EDUC 465	Student Teaching: Placement One (5 credits)
EDUC 467	Student Teaching: Placement Two (5 credits)

Summary of Total Credits

Liberal Arts Core (49 credits)

General Biology Requirements (10 credits)

Biology Teacher Licensure courses (24 credits)

Professional Education courses (37 credits)

Min. to Earn a BA in Biology with Teacher Licensure 6-12 (120 hrs.)

BIOLOGY - WILDLIFE ECOLOGY

The Wildlife Ecology emphasis is intended for students interested in pursuing graduate studies in the field of ecology or for those students who seek to gain employment with various private, state, or federal natural resources management agencies. Traditional coursework will provide students with a strong foundation in wildlife ecology and conservation principles, while field studies and internships will equip students with the necessary hands-on experience needed to pursue further studies or employment opportunities in this field.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Biology majors with a wildlife ecology emphasis should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (11 hours)**
MATH 120 or 201 (3 credits)
CHEM 103 and 104 (8 credits)
- **Studies to Enhance a World Perspective**
Language (*The biology major requires six hours of the same language at the 100 level or higher*).
- **Senior Capstone Course**
BIOL 411 (*as listed in major hours below*)

Biology Requirements (45 hours)

Category 1 (10 hours)

BIOL 105	General Biology I (4 credits)
BIOL 106	General Biology II (4 credits)
BIOL 410	Directed Readings in Biology (1 credit)
BIOL 411SL	Senior Seminar (capstone course) (1 credit)

Category 2 (12 hours)

BIOL 319	Animal Behavior (4 credits)
BIOL 415	Mammalogy (4 credits)
BIOL 416	Ornithology (4 credits)

Category 3 – Select one (4 hours)

BIOL 314	Genetics (4 credits)
BIOL 320	Molecular Cell Biology (4 credits)

Category 4 – Select two (8 hours)

BIOL 302	Zoology (4 credits)
BIOL 315	Ecology (4 credits)
BIOL 404	Mammalian Physiology (4 credits)

Category 5 (11 hours)

BIOL 301	Botany (4 credits)
BIOL 350	Field Ecology (4 credits)
BIOL 406	Field Botany (3 credits)
or BIOL 304 Field Biology (3 credits)	

Category 6 (1 hour)

BIOL 491 Directed Project (1 credit)
or BIOL 383 Internship

Elective Hours (26 credits)

Summary of Total Credits

Liberal Arts Core. (49 credits)
Biology Requirements (45 credits)
Electives (26 credits)

**Min. to Earn a BA in Biology with Wildlife Ecology
Emphasis (120 hrs)**

BACHELOR OF SCIENCE - BIOLOGY

The Bachelor of Science in Biology is an intensive degree for students looking to pursue advanced studies in the biological sciences and/or employment in various fields of science. The courses required in this emphasis are as follows.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Biology should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (11 hours)**
MATH 120 or 201 (3 credits)
Chemistry 103 and 104 (8 credits)
- **Senior Capstone Course (as listed in major hours below)**
BIOL 410 and 411

Biology Requirements (46 hours)**Biology Core (28 hours)**

BIOL 105 General Biology I (4 credits)
BIOL 106 General Biology II (4 credits)
BIOL 301 Botany (4 credits)
BIOL 314 Genetics (4 credits)
BIOL 315SL Ecology (4 credits)
CHEM 301 Organic Chemistry I (4 credits)
CHEM 302 Organic Chemistry II (4 credits)

Biology Electives (16 hours)

Any 300/400 level Biology classes (16 credits)

Biology Capstones (2 hours)

BIOL 410 Directed Readings in Biology (1 credit)
BIOL 411SL Senior Seminar (capstone course) (1 credit)

Elective Hours (31 credits)

Summary of Total Credits

Liberal Arts Core (43 credits)
Biology Requirements (46 credits)
Electives (31 credits)

Min to Earn a BS in Biology (120 hours)

BUSINESS

Heather Whaley, *Dean of the School of Business and Family and Consumer Sciences*

Cassandra Catlett, *Chair of Business*

Majors

Accounting
Business Administration
Finance/Economics
Management
Marketing
Sport Management

Specialization

Teacher Licensure - 6-12

Minors

Accounting
Business Administration (*available to non-business major only*)
Finance/Economics

The Department of Business encourages students majoring in Business to complete second majors and minors. Students who choose to earn two majors within the Department of Business must follow the following policies:

- Students may choose two majors within the Department of Business from Accounting, Business Administration, Finance/Economics, Management, Marketing, and Sport Management.
- If Business Administration is one of the two majors, no classes beyond the common Business Core classes may count toward both majors.
- The Department cannot guarantee that students will be able to complete both majors due to scheduling constraints. Substitutions may not be approved.

The Department of Business is located in the Ted Russell Hall. The computer lab features Windows operating systems connected to a campus-wide computer network. Majors within the department have opportunities for internships and other projects during the senior year. Alumni include a former president of American Banking Association, hospital administrators, entrepreneurs, nursing facility administrators, CPAs, and several CEOs.

Advanced Placement Credit

Students may receive credit for Economics 210 (Principles of Microeconomics) and Economics 220 (Principles of Macroeconomics) by achieving a score of 4 or higher on the College Entrance Examination Board's Advanced Placement exams in those subject areas. Students wishing to receive advanced placement credit must provide evidence of their score and pay a fee to the University for each credit hour awarded. The Department of Business accepts the following CLEP exams in accordance with the University's standards for a passing score:

Accounting 201 (Principles of Financial Accounting), BAD 301 (Legal and Ethical Environment of Business), Economics 210 (Principles of

Microeconomics), Economics 220 (Principles of Macroeconomics), Marketing 300 (Principles of Marketing).

Grade Requirements

Students must earn the minimum grade of C in each course in the major and minor.

Transfer credit

Generally, courses from two-year institutions will not be accepted as equivalents for 300 or 400 level courses in any curriculum in the Department of Business. Any exception must be approved by the department chair.

ACCOUNTING

For a major in accounting, a student must meet the liberal arts core requirement, the business foundations core, major area requirement, and electives to complete 120 hours as follows:

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in accounting should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**
MATH 120 or higher, *excluding* MATH 201 (3 credits)
Natural or Physical Science (6 credits)
- **Studies in Personal/Social Awareness (3 hours)**
ECON 210 (*as listed in the business foundations core*)
- **Senior Capstone Course (as listed in major hours below)**
MGT 408

Business Foundations Core (12 hours) (*to be completed prior to major courses, unless otherwise noted*)

ACCT 201	Principles of Financial Accounting (3 credits)
ACCT 202	Principles of Managerial Accounting (3 credits)
BAD 205	Introduction to Business Analytics (3 credits)
	<i>or</i> MATH 201 Statistical Concepts and Methods
ECON 210	Principles of Microeconomics (3 credits)

Business Core (24 hours)

BAD 201	Business and Professional Communication (3 cr)
BAD 215	Business Information Tools (3 credits)
BAD 301	Legal and Ethical Environment of Business (3 cr)
ECON 220	Principles of Macroeconomics (3 credits)
FIN 301	Introduction to Financial Management (3 credits)
MGT 301SL	Essentials of Management and Leadership (3 credits)
MKT 300	Principles of Marketing (3 credits)
MGT 408	Strategic Management (Capstone Course) (3 credits)

Accounting Requirements (27 hours)

ACCT 301	Intermediate Accounting I (3 credits)
ACCT 302	Intermediate Accounting II (3 credits)
ACCT 306	Strategic Cost Accounting (3 credits)
ACCT 309	Accounting Information Systems (3 credits)
ACCT 402	Auditing I (3 credits)
ACCT 406	Advanced Accounting (3 credits)
ACCT 414	Federal Taxation I (3 credits)

ACCT 415 Federal Taxation II (3 credits)
 BAD 302 Law of Business Organizations and Commercial Transactions (3 credits)

Elective Hours (18-19 credits)

Summary of Total Credits

Liberal Arts Core (38-39 credits)
 Business Foundations Core (12 credits)
 Business Core (24 credits)
 Accounting Requirements (27 credits)
 Electives (18-19 credits)
Minimum to Earn a BS in Accounting (120 hours)

BUSINESS ADMINISTRATION

For a BS with a major in business administration, a student must meet the liberal arts core requirement, the business foundations core, major area requirement, and electives to complete 120 hours as follows:

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Business Administration should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**
 MATH 120 or higher, *excluding* MATH 2013
 Natural or Physical Science (6 credits)
- **Studies in Personal/Social Awareness (3 hours)**
 ECON 210 (*as listed in the business foundations core below*)
- **Senior Capstone Course (as listed in major hours below)**
 MGT 408

Business Foundations Core (12 hours) (*to be completed prior to major courses, unless otherwise noted*)

ACCT 201 Principles of Financial Accounting (3 credits)
 ACCT 202 Principles of Managerial Accounting (3 credits)
 BAD 205 Introduction to Business Analytics (3 credits)
 or MATH 201 *Statistical Concepts and Methods*
 ECON 210 Principles of Microeconomics (3 credits)

Business Core (24 hours)

BAD 201 Business and Professional Communication (3 credits)
 BAD 215 Business Information Tools (3 credits)
 BAD 301 Legal and Ethical Environment of Business (3 credits)
 ECON 220 Principles of Macroeconomics (3 credits)
 FIN 301 Introduction to Financial Management (3 credits)
 MGT 301SL Essentials of Management and Leadership (3 credits)
 MKT 300 Principles of Marketing (3 credits)
 MGT 408 Strategic Management (Capstone Course) (3 credits)

Business Administration Requirements (15 hours)

Upper division coursework in at least three Business disciplines* (15 credits)

*Internship courses **will not** count toward this 15-hour requirement.

Elective Hours (30-31 credits)

Summary of Total Credits

Liberal Arts Core (38-39 credits)
 Business Foundations Core (12 credits)
 Business Core (24 credits)
 Business Admin Requirements (15 credits)
 Electives (30-31 credits)
Minimum to Earn a BS in Business Admin (120 hours)

BUSINESS ADMINISTRATION - TEACHER LICENSURE 6-12

For teacher licensure 6-12 in Business, students must meet state-mandated requirements as well as complete the following curriculum:

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Business with teacher licensure 6-12 should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**
 MATH 120 or higher, *excluding* MATH 201 (3)
 Natural or Physical Science (6 credits)
- **Studies in Personal/Social Awareness (3 hours)**
 ECON 210 (*as listed in the business foundations core*)
 PSY 204, Psychology 206, or FCS 206 (3 credits)
- **Senior Capstone Course (as listed in major hours below)**
 MGT 408

Business Foundations Core (12 hours) (*to be completed prior to major courses, unless otherwise noted*)

ACCT 201 Principles of Financial Accounting (3 credits)
 ACCT 202 Principles of Managerial Accounting (3 credits)
 BAD 205 Introduction to Business Analytics (3 credits)
 or MATH 201 *Statistical Concepts and Methods*
 ECON 210 Principles of Microeconomics (3 credits)

Business Core (24 hours)

BAD 201 Business and Professional Communication (3 credits)
 BAD 215 Business Information Tools (3 credits)
 BAD 301 Legal and Ethical Environment of Business (3 credits)
 ECON 220 Principles of Macroeconomics (3 credits)
 FIN 301 Introduction to Financial Management (3 credits)
 MGT 301SL Essentials of Management and Leadership (3 credits)
 MKT 300 Principles of Marketing (3 credits)
 MGT 408 Strategic Management (Capstone Course) (3 credits)

Business Administration Requirements (15 hours)

Upper division coursework in at least three Business disciplines* (15 credits)

*Internship courses **will not** count toward this 15-hour requirement.

Professional Education (37 hours)

(A grade of C or better is required in all courses below)

EDUC 203SL	Foundations of Education (3 credits)
EDUC 204	Educational Technology (3 credits)
EDUC 205	Introduction to Diagnostic Reaching Instruction: Techniques and Strategies (3 credits)
EDUC 342	Curriculum, Instruction, and Management of the 6-12 Classroom (3 credits)
EDUC 350	Diversity in Schools, Homes, & Communities (2 credits)
EDUC 403	Assessment and Evaluation (3 credits)
EDUC 420	Content-Area Methods in 6-12 Classroom (3 credits)
EDUC 432	Disciplinary Literacy (2 credits)
SPED 313	Survey of Persons with Exceptionalities (3 credits)
EDUC 463	Seminar in Student Teaching (2 credits)
EDUC 465	Student Teaching: Placement One (5 credits)
EDUC 467	Student Teaching: Placement Two (5 credits)

Summary of Total Credits

Liberal Arts Core (38-39 credits)
 Business Foundations Core (12 credits)
 Business Core (24 credits)
 Business Admin Requirements (15 credits)
 Professional Education Requirements (37 credits)
Min to Earn a BS in Business with Teacher Licensure (126-127 hrs.)

FINANCE/ECONOMICS

For a BS with a major in finance/economics a student must meet the liberal arts core requirement, the business foundations core, major area requirement, and electives to complete 120 hours as follows:

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Finance/Economics should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**
 MATH 120 or higher, *excluding* MATH 201 (3 credits)
 Natural or Physical Science (6 credits)
- **Studies in Personal/Social Awareness (3 hours)**
 ECON 210 (*as listed in the business foundations core below*)
- **Senior Capstone Course (as listed in major hours below)**
 MGT 408

Business Foundations Core (12 hours) (to be completed prior to major courses, unless otherwise noted)

ACCT 201	Principles of Financial Accounting (3 credits)
ACCT 202	Principles of Managerial Accounting (3 credits)
BAD 205	Introduction to Business Analytics (3 credits)
	or MATH 201 Statistical Concepts and Methods
ECON 210	Principles of Microeconomics (3 credits)

Business Core (24 hours)

BAD 201	Business and Professional Communications (3 credits)
BAD 215	Business Information Tools (3 credits)
BAD 301	Legal and Ethical Environment of Business (3 credits)
ECON 220	Principles of Macroeconomics (3 credits)

FIN 301	Introduction to Financial Management (3 credits)
MGT 301SL	Essentials of Management and Leadership (3 credits)
MKT 300	Principles of Marketing (3 credits)
MGT 408	Strategic Management (Capstone Course) (3 credits)

Finance/Economics Requirements (21 hours)

ECON 403	Public Finance and Public Policy (3 credits)
ECON 404	Financial Institutions and Monetary Theory (3 credits)
FIN 304	Investment Analysis (3 credits)
FIN 305	Financial and Tax Strategies (3 credits)
FIN 307	Corporate Finance (3 credits)
FIN 401	Financial Analysis and Valuation (3 credits)
FIN 402	Insurance and Risk Management (3 credits)

Elective Hours (24-25 credits)

Summary of Total Credits

Liberal Arts Core (38-39 credits)
 Business Foundations Core (12 credits)
 Business Core (24 credits)
 Finance/Economics Requirements (21 credits)
 Electives (24-25 credits)
Minimum to Earn a BS in Finance/Economics (120 hours)

MANAGEMENT

For a BS with a major in management, a student must meet the liberal arts core requirement, the business foundations core, major area requirement, and electives to complete 120 hours as follows:

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Management should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**
 MATH 120 or higher, *excluding* MATH 201 (3)
 Natural or Physical Science (6 credits)
- **Studies in Personal/Social Awareness**
 ECON 210 (*as listed in the business foundations core*)
- **Senior Capstone Course (as listed in major hours below)**
 MGT 408

Business Foundations Core (12 hours) (to be completed prior to major courses, unless otherwise noted)

Specialization

Teacher Licensure 6-12

Bachelor of Science

Biochemistry
Chemistry

Careers

Since many career paths are open to chemists, students should consult with academic advisers to determine which degree is most appropriate for their particular interests and abilities. Some typical careers of our graduates include the health professions (all branches), graduate school, teaching in the public schools (teacher licensure program), and direct entry into the workforce (government or industry).

The chemistry program is located on the third level of Dougherty Science Center. Major equipment holdings include atomic absorption, inductively coupled plasma (ICP), chromatographs (gas and HPLC), diode laser (with optics and oscilloscope), electrochemistry, nuclear magnetic resonance (90 MHz FT), spectrophotometers (UV-VIS, FTIR with library search, fluorescence), and mass spectrometers (GC and HPLC). Labquest™ is used in a number of labs for data collection and analysis (temperature, pH, electrochemistry, UV-Vis spectrophotometry, etc.). Additional major equipment shared with the department of biology for the biochemistry major includes centrifuges (preparative and ultracentrifuges), preparative and analytical chromatographic systems, gel electrophoresis, electroblotting, fluorescence imaging, microscopy and fluorescence microscopy, DNA sequencer, biosensor, autoclaves, data analysis equipment (scanners, digital cameras, computers), cell culture (hoods, incubators, reactors), ultracold freezers, walk-in cold room and freezer.

Some departmental scholarship money is available, particularly to junior and senior chemistry majors. A \$30.00 lab fee is required for all laboratory and externship courses in the department.

BACHELOR OF ARTS - CHEMISTRY

The BA degree in chemistry requires at least 34 hours of chemistry and additional requirements as follows:

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Arts in Chemistry should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science** (9-11 hours)
MATH 125 or higher... (3 credits)
Laboratory Science (6-8 credits)
- **Studies to Enhance a World Perspective**
A student must receive 6 hours credit in the same language at either the 100 or 200 level based on the results of the placement exam.
- **Senior Capstone Course** (as listed in major hours below)
CHEM 412

Chemistry Requirements (34 hours)

CHEM 103 General Chemistry I (4 credits)
CHEM 104 General Chemistry II (4 credits)
CHEM 201 Excel for Scientists (2 credits)
CHEM 301 Organic Chemistry I (4 credits)
CHEM 302 Organic Chemistry II (4 credits)
CHEM 305SL Quantitative Analysis (4 credits)
CHEM 411 Special Topics in Chemistry (1 credit)
CHEM 412 Seminar in Chemistry (1 credit)
CHEM Chemistry electives (must be 300/400 level) (10 credits)
Elective Hours (37-39 credits)

Only eight (8) hours of 100 level courses and only 3 hours of externship (CHEM 307 or CHEM 308) may count towards the major.

Summary of Total Credits

Liberal Arts Core (47-49 credits)
Chemistry Requirements (34 credits)
Electives (37-39 credits)

Minimum to Earn a BA in Chemistry (120 hours)

CHEMISTRY - TEACHER LICENSURE 6-12

For teacher licensure 6-12 in Chemistry, students must meet state-mandated requirements as well as complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Arts in Chemistry with teacher licensure 6-12 students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science** (11 hours)
MATH 151 (3 credits)
BIOL 105, Physics 103 (8 credits)
- **Studies in Personal/Social Awareness**
PSY 204, Psychology 206, or FCS 206 (3 credits)
- **Senior Capstone Course** (as listed in major hours below)
CHEM 412

Chemistry Requirements (34 hours)

CHEM 103 General Chemistry I (4 credits)
CHEM 104 General Chemistry II (4 credits)
CHEM 201 Excel for Scientists (2 credits)
CHEM 301 Organic Chemistry I (4 credits)
CHEM 302 Organic Chemistry II (4 credits)
CHEM 305SL Quantitative Analysis (4 credits)
CHEM 411 Special Topics in Chemistry (1 credit)
CHEM 412 Seminar in Chemistry (1 credit)

CHEM Chemistry electives (must be 300/400 level) (10 credits)

Elective Hours (7-39 credits)

Only eight (8) hours of 100 level courses and only 3 hours of externship (CHEM 307 or CHEM 308) may count towards the major.

Professional Education (37 hours)

(A grade of C or better is required in all courses below)

- EDUC 203SL Foundations of Education (3 credits)
- EDUC 204 Educational Technology (3 credits)
- EDUC 205 Introduction to Diagnostic Reaching Instruction: Techniques and Strategies (3 credits)
- EDUC 342 Curriculum, Instruction, and Management of the 6-12 Classroom (3 credits)
- EDUC 350 Diversity in Schools, Homes, & Communities (2 credits)
- EDUC 403 Assessment and Evaluation (3 credits)
- EDUC 420 Content-Area Methods in 6-12 Classroom (3 credits)
- EDUC 432 Disciplinary Literacy (2 credits)
- SPED 313 Survey of Persons with Exceptionalities (3 credits)
- EDUC 463 Seminar in Student Teaching (2 credits)
- EDUC 465 Student Teaching: Placement One (5 credits)
- EDUC 467 Student Teaching: Placement Two (5 credits)

Additional Courses Required for Major (7 hours)

- BIOL 102 Environmental Science (3 credits)
- PHYS 104 General Physics II (4 credits)

Summary of Total Credits

- Liberal Arts Core (49 credits)
- Chemistry Requirements (33 credits)
- Professional Education (37 credits)
- Additional Courses (7 credits)

Min to Earn a BA in Chemistry with 6-12 teacher licensure (126 hours)

BACHELOR OF SCIENCE - BIOCHEMISTRY

The BS degree in biochemistry requires a total of 48 hours, including 4 hours of electives; some additional courses are strongly recommended. BS majors must serve as a laboratory assistant (CHEM 300) for at least one lab for one semester. The student may receive course credit (CHEM 300) or receive pay for this at the current rate established by the University. All chemistry majors must complete a minimum of 12 semester hours of 300 and/or 400 level chemistry courses at Carson-Newman University. All chemistry majors must have a minimum GPA of 2.0 in chemistry. A maximum of 6 hours research (CHEM 491-494) may be counted toward a degree in chemistry.

AP credit

To obtain AP credit for CHEM 103 and 104, students must score 4 or 5 on the AP exam and serve at least once as a teaching assistant for the lab portions of both CHEM 103 and 104 (cannot receive pay or credit for CHEM 300).

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Biochemistry should fulfill specific categories of the Liberal Arts Core curriculum

by taking the courses indicated below.

- o **Senior Capstone Course** (as listed in major hours below)
CHEM 412

Chemistry Requirements (48 hours)

- CHEM 103 General Chemistry I (4 credits)
- CHEM 104 General Chemistry II (4 credits)
- CHEM 201 Excel for Scientists (2 credits)
- CHEM 301 Organic Chemistry I (4 credits)
- CHEM 302 Organic Chemistry II (4 credits)
- CHEM 305SL Quantitative Analysis (4 credits)
- CHEM 311 Biochemistry I (4 credits)
- CHEM 312 Biochemistry II (4 credits)
- CHEM 411 Special Topics in Chemistry (1 credits)
- CHEM 412 Seminar in Chemistry (1 credits)
- CHEM/BIOL 300/400 level CHEM or BIOL elective (2 credits)
- BIOL 105 General Biology I (4 credits)
- BIOL 106 General Biology II (4 credits)
- BIOL 475 Introduction to Bioinformatics (2 credits)

Choose one course from biology electives below:

- BIOL 314 Genetics (4 credits)
- BIOL 408 Immunology (4 credits)
- BIOL 320 Molecular Cell Biology (4 credits)

Math Requirements (3 hours)

- MATH 201 Statistical Concepts and Methods (3 credits)

Elective Hours (20-22 credits)

Summary of Total Credits

- Liberal Arts Core (47-49 credits)
- Chemistry Requirements (48 credits)
- Math Requirements (3 credits)
- Electives (20-22 credits)

Minimum to Earn a BS in Biochemistry (120 hour)

BACHELOR OF SCIENCE - CHEMISTRY

The BS degree in chemistry requires at least 39 hours of chemistry and additional requirements as follows:

No more than eight (8) hours of chemistry electives may be counted toward the 120 hour requirement for graduation. Since some of the supporting courses in math and physics also meet Liberal Arts Core Requirements, the student may have additional elective hours available for other studies. BS majors must serve as a laboratory assistant for at least one lab for one semester. The student may receive course credit (CHEM 300) or receive pay for this at the current rate established by the University.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Chemistry should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- o **Studies in Mathematics and Science (9-11 hours)**
MATH 151 (3 credits)
Laboratory Science (6-8 credits)
- o **Studies to Enhance a World Perspective**
A student must receive 6 hours credit in the same language at

either the 100 or 200 level based on the results of the placement exam.

- **Senior Capstone Course** (as listed in major hours below)
CHEM 412

Chemistry Requirements (39 hours)

CHEM 103	General Chemistry I (4 credits)
CHEM 104	General Chemistry II (4 credits)
CHEM 201	Excel for Scientists (2 credits)
CHEM 301	Organic Chemistry I (4 credits)
CHEM 302	Organic Chemistry II (4 credits)
CHEM 305SL	Quantitative Analysis (4 credits)
CHEM 306	Instrumental Methods of Analysis (4 credits)
CHEM 401	Thermodynamics (3 credits)

COMMUNICATION

Shawn O'Hare, Dean of the School of Arts, Humanities, and Social Sciences
Douglas Johnson, Interim Chair of Communication

Majors

Communication Studies

Emphasis

Marketing

Nonprofit Leadership

Theatre

Specialization

Theatre - Teacher Licensure K-12

Minors

Communication Studies

Speech

Theatre

The Communication program is located on the main floor of Henderson Humanities Building. The department's facilities include an Oral Communication Lab and Forensics suite on the fourth floor of Henderson, and the Digital Café: A Center for Digital Storytelling, a Mac-based media convergence laboratory and the production studio, both located on the fourth floor of the Stephens-Burnett Library. Majors have several opportunities for practical experience within the department. Communication Studies students program and produce for a variety of video, film, and online productions; participate in a practicum through on-campus work in journalism, public relations, production, or sports information; produce campaigns for non-profit organizations; participate in film festivals; and participate in tournaments with the forensics team. Theatre students present three major productions a year in Gentry Auditorium and several smaller productions in Phoenix Theatre each semester.

Communication Studies and Theatre majors, as well as non-majors, are eligible for membership in Alpha Psi Omega, the national honorary drama fraternity; the Society for Collegiate Journalists; and Pi Kappa Delta, a national honorary society for speech and debate. The Communication Studies and Theatre majors require six hours of the same language at the 100 level or higher. For students with a high school background in a language, the 101 level is considered remedial and does not fulfill the required six hours.

Communication majors, including students with an emphasis, also are required to develop a digital portfolio showcasing their communication skills and talents, as well as their progression through the program. Various courses will allow a student to develop the skills and content needed for an online portfolio, which ultimately will be a demonstration of the student's competency, creativity, and unique potential to possible employers, graduate programs, and others. The successful creation of the portfolio is indicative of the acquisition of important communication competencies. Prior to enrolling in COMM 457, Communication majors will submit their portfolios for evaluation by the departmental faculty. To enroll in COMM 322, students' portfolios must "pass without reservations" or "pass with reservations." Students whose portfolios do not pass must resubmit

their portfolios to the Communication faculty the next semester. Students are not permitted to enroll in COMM 457 until their portfolios are passed by the departmental committee. Students who are interested in COMM 305 or a communication internship must receive "pass without reservations" on their digital portfolios prior to enrolling in those courses.

COMMUNICATION STUDIES

For a major in Communication Studies, a student must complete the Liberal Arts core, the Communication Studies core, coursework in two areas of professional competency, Communication electives, and general electives.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Arts in Communication Studies should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Communications**
COMM 135 Speech Fundamentals (3 credits)
- **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- **Senior Capstone Course**
COMM 457 (as listed in major hours below)

Communication Studies Core (15 hours)

COMM 123 Introduction to Media Writing (3 credits)
COMM 201 Strategic Communication Techniques/Skills (3 cr)
COMM 208 Introduction to Digital Media (3 credits)
COMM 357 Communication Theory (3 credits)
COMM 457 Senior Communication Studies Theory/Research Seminar (Capstone Course) (3 credits)

Professional Competencies (12 hours)

(6 hours in two of three areas below)

Digital Media (6 hours)

COMM 322 Mass Media (3 credits)

COMPUTER SCIENCE

Christine Dalton, Dean of the School of Natural and Applied Science
Henry Suters, Chair of Computer Science

Major

Computer Science

Emphasis

Applied/Management
Traditional/Theoretical

Minor

Computer Science

Objectives

The Computer Science program develops skills in the theory and application of computer technology. The program consists of two tracks: applied/ management and traditional/theoretical. The applied/management track is intended for students interested in pursuing careers or further study in the application of computer technology in business as well as the management of large computer-based projects. The traditional/theoretical track is intended for students interested in careers and further study in programming and in the theoretical underpinning of computer technology.

Students who score a 3 or higher on the Advanced Placement (AP) Computer Science exam (A or AB) can receive 3 semester hours credit in Computer Programming I (CSC 107) and those who score a 3 or higher on the Computer Science Principles AP exam can receive 3 semester hours credit in Introduction to Computer Science (CSC 210).

The Computer Science program is located on the first level of Dougherty Science Center with classes primarily taught in the Dougherty Science Center and in Ted Russell Hall.

COMPUTER SCIENCE - APPLIED/MANAGEMENT

For a major in Computer Science with an emphasis in Applied/Management, a student must complete 51 hours in the program courses listed below. To reach this goal the student must complete all of the courses in the Computer Science Core, all of the courses in the Applied/Management Emphasis, and one additional computer science elective.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Computer Science with an emphasis in Applied/Management students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
MATH 201 (as listed in major hours below)
Laboratory Science (6-8 credits)
- **Studies in Personal/Social Awareness**
ECON 210 (as listed in major hours below)

- **Senior Capstone Course**
CSC 451 (as listed in major hours below)

Computer Science Core Courses (18 hours)

CSC 107	Computer Programming I (3 credits)
CSC 207	Computer Programming II (3 credits)
CSC 303	Computer Organization and Architecture (3 credits)
CSC 307	Data Structures (3 credits)
CSC 320	Systems Programming (3 credits)
CSC 451	Senior Capstone (3 credits)

Emphasis in Applied/Management (33 hours)

CSC 210	Introduction to Computer Science (3 credits)
CSC 310	Networking (3 credits)
CSC 312	Database Management (3 credits)
BAD 215	Business Information Tools (3 credits)
BAD 301	Legal and Ethical Environments of Business (3 credits)
ECON 210	Principles of Microeconomics (3 credits)
MATH 201	Statistical Concepts and Methods (3 credits)
MGT 301SL	Essentials of Management and Leadership (3 credits)
MGT 302	Operations Management (3 credits)
MKT 300	Principles of Marketing (3 credits)
Choose three hours from:	
CSC 308	Algorithms (3 credits)
CSC 330	Mobile Application Programming (3 credits)
CSC 370	Special Topics (may be repeated with different topic) (3 credits)
CSC 406	Principles of Programming Languages (3 credits)
CSC 407	Operating Systems (3 credits)
MATH 207	Discrete Mathematics (3 credits)
Elective Hours (32-34 credits)	

Summary of Total Credits

Liberal Arts Core (35-37 credits)
Computer Science Core Requirements (18 credits)
Applied/Management Emphasis (33 credits)
Electives (32-34 credits)
Minimum to Earn a BS in Computer Science with an emphasis in Applied/Management (120 hours)

COMPUTER SCIENCE - TRADITIONAL/THEORETICAL

For a major in Computer Science with an emphasis in Traditional/Theoretical, a student must complete 51 hours in the program courses listed below. To reach this goal the student must complete all of the courses in the Computer Science Core, all of the courses in the Traditional/Theoretical Emphasis, and two additional computer science electives.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Science in Computer Science with an emphasis in Applied/Management students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**

MATH 151 (as listed in major hours below)

Laboratory Science (6-8 credits)

- **Studies in Personal/Social Awareness**

Special Education 6-12 Interventionist

Minors

Education

The Teacher Education Program of Carson-Newman University is being constantly refined to meet the State of Tennessee's new licensure requirements for teachers. As a result, there may be changes in the course offerings and in the program requirements for students preparing to become teachers. Interested students should stay in contact with the Department of Education, via the University website and e-mail, to be aware of any changes that may affect them.

Accreditation

Carson-Newman is accredited by the Council for the Accreditation of Educator Preparation (CAEP), and its teacher licensure programs are approved by the Tennessee State Board of Education. Satisfactory completion of the Teacher Education Program with an approved subject area fulfills Tennessee licensure requirement and those of most other states. Any student desiring licensure in other states should check the licensure requirements of those particular states.

Admission to Teacher Education Program, Student Teaching, Graduation and Licensure

Requirements for admission to the Teacher Education Program, student teaching, graduation and licensure are published in the current edition of the Teacher Education Program Handbook. The handbook is maintained by, and available in, the Education Department. Because the Tennessee Department of Education changes requirements, it is the student's responsibility to regularly check the Teacher Education Program Handbook for admission requirements.

Majors in teacher education programs complete a full semester of student teaching during the senior year with placement in two different settings, in addition to practica during their college career. Teacher candidates are expected to be in the schools for the full day, following the same schedule as their cooperating teacher. A student

teacher cannot be paid for being in the classroom. Students seeking an initial teaching license in Tennessee are required to have completed all methods courses at Carson-Newman University. Student teachers cannot take any courses during their student teaching semester except in extreme circumstances, and then no more than one course, which must be the last course needed for licensure or degree. Approval to take a course during student teaching must be obtained from the student's advisor and department chair. Student teachers are required to carry liability insurance during all practica as well as during the student teaching experience. Students with appropriate grade point averages are eligible for affiliate membership in Kappa Delta Pi. Students may join the Student National Education Association and Best Buddies.

Appeals Procedures

Students who wish to appeal admission requirements, either to the Teacher Education Program or to the student teaching semester, must follow the procedures outlined in the Teacher Education Program Handbook.

Curricula for Early Childhood, Secondary, and K-12 Licensure Programs

Those students who desire licensure in Business Education, Biology, Chemistry, English, History, Mathematics, Music, Physics, Political Science, Physical Education, Psychology, Spanish, Theatre, Visual Arts, and Family and Consumer Sciences should consult the content area section of the University catalog for their licensure area requirements.

Education Partnership Advisory Council

The Education Partnership Advisory Council is an advisory group made up of sub-groups of students, faculty, and community representatives from P-12 schools and the private sector. These groups provide leadership in developing and evaluating curricula, programs, and policies for the education unit.

Facilities

The Department of Education is located on the first level of Stokely Memorial. Its facilities include the Cole-Little Curriculum Laboratory, containing elementary and secondary textbooks required by the Tennessee Department of Education as well as the Lynn Alexander Children's Literature Collection, and the Morgan Computer Laboratory. Nine of the classrooms in Stokely are also equipped with interactive white boards, and the wireless network is available throughout the department for student use.

General Requirements and Recommendations for Licensure

Students will be recommended for licensure in their chosen fields to the Tennessee State Department of Education after being admitted to the Teacher Education Program, completing required courses, passing required content area exams, and completing a semester of student teaching. All students are required to complete practicum and student teaching experiences. Before any practicum experiences will be assigned, students will be required to clear a background record check and provide proof of liability insurance. Field placements will not be at a distance greater than 50 miles from our main campus in Jefferson City.

Licensure Areas and Requirements (See appropriate department for major requirements)

K-12 areas: Theatre, Visual Arts, Music: Instrumental, Music: Vocal/General, Physical Education.

PreK-3: Integrated Early Childhood

PreK-12: English as a Second Language

K-5: Elementary Education

6-8 areas: Middle Grades Education (6-8)

Language Arts & Social Studies

Middle Grades Education (6-8) Science & Mathematics

6-12 areas: Biology, Business, Chemistry, English, Family and Consumer Sciences, Government, History, Mathematics, Physics, Psychology, Spanish

Special Education: Interventionist (K-8), Interventionist (6-12), Comprehensive (K-12)

Transfer students

Transfer students in liberal studies with elementary education may not substitute coursework from two-year institutions for 400 level courses. Transfer students should contact the Teacher Education Director of Certification at 865-471-3444 to ensure completion of appropriate requirements.

Course substitutions

Course substitutions may be made at the discretion of the department chair and/or dean so long as the substituted course contributes to the intended student learning outcomes of the program/major in which the substitution is being made.

ELEMENTARY EDUCATION - (NON- LICENSURE)

For a BA with a major in elementary education (non-licensure), a student must complete the Liberal Arts Core Requirement (47 hours). A student must receive 6 hours in the same language at either the 100 or 200 level based on the results of the placement exam.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Arts with a major in elementary education (without licensure), students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**

HUMAN EXCEPTIONALITIES

The Human Exceptionalities major offers a program to students interested in working with persons with disabilities but not as licensed teachers. Graduates in Human Exceptionalities work in settings such as adult service agencies, vocational rehabilitation agencies and hospital treatment/ institutional settings. Students seeking admission to pre-professional graduate programs in speech-language pathology or occupational therapy will find that the Human Exceptionalities major prepares them to competitively apply by following a prescribed program of electives. Pre-occupational therapy students will also be required to abide by the Health Professions Advising Committee (HPAC) policies. For a BS with a major in Human Exceptionalities, students must complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the *Liberal Arts Core Requirements* section of the catalog for additional details. Bachelor of Arts with a major in Human Exceptionalities, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

Senior Capstone Course

- EDUC 461 (as listed in major hours below)

Human Exceptionalities Major (36 hours)

- PE 407 Adapted Physical Education (3 credits)
 PSY 204 Psychology of Childhood and Adolescence (3 credits)
 or PSY 206 Human Development Through the Lifespan
 or CFS 206 Human Development Through the Lifespan
 EDUC 205 Introduction to Diagnostic Reading Instruction: Techniques and Strategies (3 credits)
 EDUC 350 Diversity in Schools, Homes, & Communities (2 credits)
 EDUC 461 Liberal Arts Education Capstone Seminar (1 credit)
 SPED 313 Survey of Persons with Exceptionalities (3 credits)

SPED 318	Techniques for the Inclusion of Diverse Learners (3 credits)
SPED 408	Gifted and Talented Learners (3 credits)
SPED 416	Characteristics/Strategies of Mild/Moderate Disabilities (3 credits)
SPED 417	Characteristics/Needs of Low Incidence Disabilities (3 credits)
SPED 425	Managing Challenging Behaviors (3 credits)

Elective Hours (34 credits)

Recommended Electives:

EDUC 314	Literacy Development through Language Arts (3 credits)
EDUC 341	Curriculum, Instruction, and Management of the Pre K-5 Classroom (3 credits)

SPED 313	Survey of Persons with Exceptionalities (3 credits)
EDUC 463	Seminar in Student Teaching (2 credits)
EDUC 465	Student Teaching: Placement One (5 credits)
EDUC 467	Student Teaching: Placement Two (5 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)
General Requirements (27 credits)
Literature (12 credits)
Professional Education (38 credits)

Minimum to Earn a BA in English with Literature in teacher licensure 6-12 licensure (120 hours)

MINORS

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

CREATIVE WRITING

The Creative Writing Minor prepares students to write in a variety of genres, including poetry, short fiction, creative non-fiction, and memoir. Students will learn to work effectively and collaboratively in creative writing workshops, with a goal of publishing their work.

18 hours *beyond ENG 101, 201, and 301, including the following:*

ENG 305	Literary Criticism and Theory (3 credits)
ENG 317	Creative Writing: Three Genres (3 credits)
ENG 327	Seminar in Creative Writing (3 credits)

Choose three (3) hours from:

ENG 340	Studies in the Novel (3 credits)
ENG 341	Studies in the Short Story (3 credits)
ENG 342	Studies in Drama (3 credits)
ENG 343	Studies in Poetry (3 credits)

Choose six (6) hours from the following:

ENG 321	Creative Writing: Poetry (3 credits)
ENG 323	Creative Writing: Short Story (3 credits)
ENG 325	Creative Writing: Memoir and Creative Nonfiction (3 credits)

ENGLISH

18 hours *beyond ENG 101, 201, and 301, including the following:*

ENG 360	American Literature I (3 credits)
ENG 361	American Literature II (3 credits)
ENG 362	British Literature I (3 credits)
ENG 363	British Literature II (3 credits)
ENG 423	Shakespeare (3 credits)

Three ENG elective hours (*excluding ENG 300 and 465*) (3 credits)

PROFESSIONAL WRITING

The Professional Writing Minor prepares students for various corporate and non-profit professions, including medical, technical, legal, and administrative. Students will develop both practical experience with and a theoretical knowledge of the writing process, oral and written rhetoric, publishing, editing, and professional problem solving.

18 hours *beyond ENG 101, 201, and 301, including the following:*

ENG 328	Advanced Grammar & the History of English (3 credits)
WRIT 201	Business and Professional Communication (3 credits)
WRIT 307	Scientific and Technical Writing (3 credits)
WRIT 308	Editing and Publishing (3 credits)
WRIT 330	Advanced Composition (3 credits)
WRIT 400	Advanced Rhetoric (3 credits)

EXERCISE SCIENCE

Lana Spence, Dean of the School of Health Sciences
Greg Stanley, Chair of Exercise Science

Major

Exercise Science

Exercise Science is located in the Maddox Student Athletics Center (MSAC). Exercise Science is a rigorous program for students aspiring to work in an Allied Health field such as physical therapy, occupational therapy, physician assistant, medicine, athletic training, cardiopulmonary rehab, strength and conditioning, corporate wellness, chiropractic, coaching, or personal training. Students will explore human movement and human physiology and will gain an in-depth understanding of how physical activity affects the human body. Because recommended job and graduate school preparations can vary widely depending on career direction, CAREFULLY PLAN your course of studies by meeting regularly with your faculty advisor.

EXERCISE SCIENCE

For a BS degree in Exercise Science, the student must complete the following requirements.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science with a major in Exercise Science, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (11 hours)**
MATH 120 or 201 (3 credits)
BIOL 207* (4 credits)
BIOL 208 (4 credits)
- **Studies to Enhance a World Perspective**
World History (3 credits)
- **Senior Capstone Course**
EXSC 449 (as listed in major hours below)

Content Core Requirements (68 hours)

*Student must make a grade of C or better in the course.

- EXSC 104* Introduction to Exercise Science (2 credits)
- EXSC 215* Testing and Prescription (4 credits)
- EXSC 226* Concepts in Exercise and Sport Behavior (3 credits)
- EXSC 245* Principles of Strength and Conditioning (4 credits)
- EXSC 312SL* Exercise for Special Populations (3 credits)
- EXSC 316* Exercise Science Practicum (1 credit)
- EXSC 331* Prevention and Treatment of Athletic Injuries (4 credits)
- EXSC 406 * Motor Development (3 credits)
- EXSC 440* Physical Activity Epidemiology (3 credits)
- EXSC 449* Strength and Conditioning Program Design (4 credits)
- EXSC 469* Exercise Science Internship (6 credits)
- BIOL 105 General Biology I (4 credits)
- BIOL 106 General Biology II (4 credits)
- BIOL 305 Medical Terminology I (2 credits)
- BIOL 306 Medical Terminology II (2 credits)

- BIOL 403 Physiology of Exercise (4 credits)
- BIOL 407 Kinesiology (4 credits)
- FN 210 Basic Nutrition (3 credits)
or FN 214 Science of Nutrition
- HLTH 202 Wellness: a Lifetime Objective (3 credits)
- EXSC 402* Human Motor Learning and Performance (3 credits)
- EXSC 408* Sport Mechanics (3 credits)
- Elective Hours (9 credits)**

Summary of Total Credits

Liberal Arts Core (43 credits)

Content Core Requirements (68 credits)

Electives (9 credits)

Minimum to Earn a BS in Exercise Science (120 hours)

FAMILY AND CONSUMER SCIENCES

Heather Whaley, Dean of the School of Business and Family and Consumer Sciences

Heather Whaley, Chair of Family and Consumer Science

Accreditation

The Carson-Newman Department of Family and Consumer Sciences (FCS) is accredited by the American Association of Family and Consumer Sciences (AAFCS) Council for Accreditation. The Didactic Program in Dietetics (DPD) is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics (AND).

Majors

Child and Family Studies

Emphasis

Integrated Early Childhood – Teacher Licensure - PreK-Grade 3

Integrated Early Childhood – Non-Licensure

Family and Consumer Sciences – Non-Licensure

Emphasis

Consumer Services

Family and Consumer Sciences Education – Family and

Consumer Sciences Education –Teacher Licensure – 6-12

Additional Endorsements

Early Childhood Care and Services – 9-12

Food Production and Management Services

Fashion Merchandising and Design

Foods and Nutrition

Emphasis

Dietetics

Interior Design

Minors

Fashion

Interior Design

Located in Blye-Poteat Hall, the Department of Family and Consumer Sciences has expanded, state-of-the-art laboratories and classroom facilities for consumer services; fashion merchandising and design; interior design; foods, nutrition, and dietetics; career and technical education; and child and family studies. In a nearby facility is the Child Development Laboratory (CDL) with a classroom for preschool children, playground, and conference rooms for staff, parents, and student teachers.

All areas of study within the department include a senior internship program for application of college concepts and training. Family and consumer sciences majors, except those in integrated early childhood, complete a one-semester cooperative learning experience at the cooperative management and housing laboratory, Duncan Hall, located on Russell Avenue.

Family and consumer sciences majors may join the Carson-Newman student member section of the American Association of Family and Consumer Sciences, the Association for the Education of Young

Children, the Student Academy of Nutrition and Dietetics, the Student Design Association, the Interior Design Student Organization, and may be eligible for membership in Kappa Omicron Nu, the FCS national scholastic honor society.

Teacher Licensure: Students wishing to receive licensure in integrated early childhood (PreK-3) or family and consumer sciences education (grades 6-12) must be a major and meet the requirements of the Department of Teacher Education. Because the Tennessee Department of Education changes requirements, it is the student's responsibility to regularly check the Teacher Education Handbook for admission requirements.

Family and Consumer Sciences Core (14 hours)

CS 135* Personal and Family Management (3 credits)

CFS 206* Human Development through the Lifespan (3 credits)

FCS 121* Professional Orientation (1 credit)

FCS 421SL* Senior Seminar (1 credit)

FMD 141* Design, Culture, and the Near Environment (3 credits)

FN 210 * Basic Nutrition (3 credits)

or FN 214*Science of Nutrition (required for Foods and Nutrition majors)

*Students must make a grade of "C" or better in the courses for Child and Family Studies: Integrated Early Childhood majors, Family and Consumer Sciences Education majors, and Foods and Nutrition majors with Dietetics emphasis with the exception of FMD 141 for the latter major with Dietetics emphasis which requires a grade of "B" or better for FN 114, FN 214, and FN 310. (See specific major for grade requirements.)

Completion of the **liberal arts core**, the **family and consumer sciences core** and **specialization** courses for a major with designated courses from supporting disciplines, along with general electives sufficient to total 120 hours leads to the BS degree.

CHILD AND FAMILY STUDIES

For a BS with a major in Child and Family Studies, a student must complete courses in the family and consumer sciences core and the following.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science with a major in Child and Family Studies, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

Studies in Mathematics and Science (9 hours)

Any liberal arts laboratory science class (6 credits)

Studies in Personal/Social Awareness (6 hours as listed in FCS hours)

CS 135* Personal and Family Management (3 credits)

CFS 206* Human Development through the Lifespan (3 cr)

Family and Consumer Sciences Core (8 hours)

FCS 121* Professional Orientation (1 credit)

FCS 421SL* Senior Seminar (1 credit)

FMD 141* Design, Culture, and the Near Environment (3 cr)

FN 210 * Basic Nutrition (3 credits)
or FN 214 *Science of Nutrition (required for Foods and Nutrition majors)

Child and Family Studies Requirements (41 hours)

CFS 207	Infancy and Early Childhood (3 credits)
CFS 301	Family Relationships (3 credits)
CFS 304	Parenting (3 credits)
CFS 305	Family Sciences (3 credits)
CFS 407	Current Topics in Child and Family Studies (3 credits)
CFS 427	Methods of Teaching Child and Family Studies (1 credit)
CFS 465	Internship in Child and Family Studies (3 credits)
CS 333	Public Policy and the Family (3 credits)
CS 338	Personal and Family Finance (3 credits)
CS 432	Cooperative Management and Housing (4)
FCSE 424	Methods of Teaching Family and Consumer Sciences Education (2 credits)
FN 310	Principles of Food Preparation and Meal Management (4 credits)
IEC 420	Play-Based Integration in an Early Childhood Classroom (3 credits)
CFS 421	Human Sexuality (3 credits)

Elective Hours (30 credits)

Substitutions or waivers will be considered by the program leader/dean in unique circumstances.

Summary of Total Credits

Liberal Arts Core (41 credits)
FCS Core Requirements (8 credits)
CFS Requirements (41 credits)
Electives (30 credits)

Minimum to Earn a BS in Child and Family Studies (120 hours)

CHILD AND FAMILY STUDIES - INTEGRATED EARLY CHILDHOOD - TEACHER LICENSURE PREK-3

For **integrated early childhood teacher licensure (PreK-3)**, a student must complete courses in the family and consumer sciences core and the following.

* Students must make a grade of "C" or better in the course.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science with a major in Child and Family Studies with an emphasis in integrated early childhood teacher licensure (PreK-3), students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- o **Studies in Mathematics and Science (9 hours)**
MATH 105 (3 credits)
- o **Studies in Personal/Social Awareness**
CS 135* Personal and Family Management (3 credits)
CFS 206* Human Development through the Lifespan

Family and Consumer Sciences Core (8 hours)

FCS 121*	Professional Orientation (1 credit)
FCS 421SL	Senior Seminar (1 credit)
FMD 141*	Design, Culture, and the Near Environment (3 credits)

FN 210 * Basic Nutrition (3 credits)
or FN 214 *Science of Nutrition (required for Foods and Nutrition majors)

Integrated Early Childhood Requirements (65 hours)

* Students must make a grade of "C" or better in the course.

CFS 207*	Infancy and Early Childhood (3 credits)
CFS 301*	Family Relationships (3 credits)
CFS 304*	Parenting (3 credits)
CFS 305*	Family Sciences (3 credits)
CFS 407*	Current Topics in child and Family Studies (3 credits)
EDUC 203SL*	Foundations of Education (3 credits)
EDUC 204*	Educational Technology (3 credits)
EDUC 205*	Introduction to Diagnostic Reading Instruction: Techniques and Strategies (3 credits)
EDUC 314*	Literacy Development through Language Arts (3 credits)
EDUC 341*	Children in Elementary Schools (3 credits)
IEC 414*	Reading Instruction and Assessment (3 credits)
IEC 415*	Mathematics, Science, and Social Studies in the Primary Grades (4 credits)

Substitutions or waivers will be considered by the program leader/dean in unique circumstances.

Summary of Total Credits

Liberal Arts Core (41 credits)
 FCS Core Requirements (8 credits)
 Food and Nutrition Requirements (55 credits)
 Electives (16 credits)

Minimum to Earn a BS in Foods and Nutrition (120 hours)

FOODS AND NUTRITION - DIETETICS EMPHASIS

For a BS with a major in **foods and nutrition with a dietetics emphasis** and requirements for the ACEND accredited Didactic Program in Dietetics, a student must complete courses within the family and consumer sciences core and the following.

* Students must make a grade of "C" or better in the Didactic Program in Dietetics (DPD) required course.

** Students must make a grade of "B" or better in the Didactic Program in Dietetics (DPD) required course.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science with a major in foods and nutrition with a dietetics emphasis and requirements for the ACEND accredited Didactic Program in Dietetics, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Communications (6 hours)**
 ENG 101* (3 credits)
 COMM 135* or 230* (3)
- **Studies in Mathematics and Science (11 hours)**
 MATH 201* (3 credits)
 BIOL 207* and 208* (8 credits)
- **Studies in Personal/Social Awareness**
 CS 135 Personal and Family Management (3 credits)
 CFS 206 Human Development through the Lifespan (3 cr)
- **Studies to Enhance a World Perspective (12 hours)**
 ENG 201*, 301* (6 credits)
- **Senior Capstone Course (as listed in FCS hours)**
 FCS 421SL*

Family and Consumer Sciences Core (8 hours)

FCS 121* Professional Orientation (1 credit)
 FCS 421SL* Senior Seminar (1 credit)
 FMD 141* Design, Culture, and the Near Environment (3 credits)
 FN 210* Basic Nutrition (3 credits)

or FN 214** Science of Nutrition (required for Foods and Nutrition majors)

* Students must make a grade of "C" or better in the Didactic Program in Dietetics (DPD) required course.

** Students must make a grade of "B" or better in the Didactic Program in Dietetics (DPD) required course.

Food and Nutrition with Dietetics Emphasis Requirements (63 hrs)

FN 114**	Food and Culture (3 credits)
FN 310**	Principles of Food Preparation and Meal Management (4 credits)
FN 311*	Nutrition Education & the Community (3 credits)
FN 313*	Quantity Food Systems (4 credits)
FN 316*	Experimental Food Science (4 credits)
FN 411*	Advanced Nutrition (3 credits)
FN 412*	Medical Nutritional Therapy (3 credits)
FN 421*	Seminar in Foods, Nutrition, and Dietetics (1 credit)
FN 466*	Field Experience in Foods, Nutrition, and Dietetics (3 credits)
ACCT 201*	Principles of Financial Accounting (3 credits)
or FIN 301*	Introduction to Financial Management
or MGT 301SL*	Essentials of Management and Leadership
BIOL 305*	Medical Terminology I (2 credits)

CHEM 104*	General Chemistry II (4 credits)
CHEM 301*	Organic Chemistry I (4 credits)
CHEM 310*	Survey of Biochemistry (3 credits)
CS 432*	Cooperative Management and Housing (4 credits)
FCSE 424*	Methods of Teaching Family and Consumer Sciences Education (2 credits)
PSY 101	Introduction to Behavioral Science (3 credits)
or PSY 102	Understanding Human Behavior

Elective Hours (6 credits)

Substitutions or waivers will be considered by the program leader/dean in unique circumstances.

Summary of Total Credits

Liberal Arts Core (41 credits)

FCS Core Requirements (8 credits)

Food and Nutrition w/Dietetics (63 credits)

Electives (8 credits)

Minimum to Earn a BS in Food and Nutrition with Dietetics Emphasis (120 hours)

Additional requirements related to Didactic Program in Dietetics (DPD) required courses: Students must earn a grade of "C" or above on all Didactic Program in Dietetics courses and must maintain a cumulative GPA of at least 2.8. A grade of D constitutes failure in foods, nutrition, and dietetics courses. In most cases, the student must repeat the failed course before taking any other required foods, nutrition, and dietetics courses.

NOTE: All areas of study in the Department of Family and Consumer Sciences include an internship as part of the program. Senior standing required.

INTERIOR DESIGN

For a BS with a major in **interior design**, a student must complete courses in the family and consumer sciences core and the following.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts

Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science with a major in interior design, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Personal/Social Awareness (6 hours as listed in FCS hours)**
 - CS 135 Personal and Family Management (3 credits)
 - CFS 206 Human Development through the Lifespan (3 cr)
- **Senior Capstone Course (as listed in FCS hours)**
 - FCS 421SL

INTD 256 Computer Aided Design (3 credits)

INTD 345 History of Architecture & Interiors Before 1830 (3 cr)

INTD 346 History of Architecture & Interiors After 1830 (3 cr)

INTD 348 Kitchen and Bath Design (3 credits)

INTD 350 Residential Design (3 credits)

INTD 450 Commercial Design (3 credits)

INTD 459 Professional Practice (3 credits)

INTD 469 Internship in Interior Design (3 credits)

Elective Hours (15 credits)

Substitutions or waivers will be considered by the program leader/dean in unique circumstances.

Summary of Total Credits

Liberal Arts Core (41 credits)

FCS Core Requirements (8 credits)

Interior Design Requirements (56 credits)

Electives (15 credits)

Minimum to Earn a BS in Interior Design (120 hours)

MINORS

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

FASHION (18 HOURS)

FMD 141	Design, Culture, and the Near Environment (3 cr)
FMD 143	Fashion Industry (3 credits)
FMD 233	Presentation Techniques for Fashion (3 credits)
FMD 241	Textiles (3 credits)
FMD 242	Clothing Construction (3 credits)

Choose three (3) hours from the following:

FMD 341	Merchandising I (3 credits)
FMD 345	Fashion History I (3 credits)
FMD 346	Apparel Design I (3 credits)
FMD 349	Apparel Design II (3 credits)
FMD 431	Product Development (3 credits)
FMD 442	Fashion Advertising and Promotion (3 credits)

INTERIOR DESIGN (18 HOURS)

INTD 101	Interior Design Fundamentals (3 credits)
INTD 254	Materials and Finishes (3 credits)
INTD 345	History of Architecture & Interiors Before 1830 (3 credits)

Choose nine (9) hours from the following:

INTD 246	Architectural Drafting (3 credits)
INTD 252	Space Planning (3 credits)
INTD 256	Computer-Aided Design (3 credits)
INTD 346	History of Architecture & Interiors After 1830 (3 credits)
INTD 350	Residential Design (3 credits)

FILM AND DIGITAL MEDIA

Shawn O'Hare, Dean of the School of Arts, Humanities, and Social Sciences

Film and Digital Media at Carson-Newman University is an interdisciplinary major. Courses are taught in the Departments of Communication and English, as well as other disciplines. Film students are able to use the resources of the Digital Café: A Center for Digital Storytelling and Carson-Newman's Production Studio.

Film and Digital Media majors follow a sequential curriculum which includes classes on aesthetics, production, film and society, and international cinema. By their senior year students choose one area for their advanced, senior project. The program is designed for students with academic or professional interest in film and filmmaking, and it offers students the opportunity to apply for internships through the Los Angeles Film Studies Center and other organizations.

FILM AND DIGITAL MEDIA

The Film and Digital Media major requires six hours of the same language at the 100 level or higher. For students with a high school background, the 101 level is considered remedial and does not fulfill the requires six hours.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a major in film, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (9 hours)**
Any liberal arts laboratory science class (6 credits)
- **Senior Capstone Course** (as listed in major hours below)
FILM 460

Major requirements (39 hours)

- I. **Writing and Aesthetics (15 hours)**
 - COMM 123 Introduction to Media Writing (3 credits)
 - FILM 310 Introduction to the Art of Film (3 credits)
 - FILM 311 Film History (3 credits)
 - FILM 344 Studies in American Film Genres (3 credits)
 - FILM 441 Film Authors (3 credits)
- II. **Production (12 hours)**
 - FILM 208 Introduction to Digital Media (3 credits)
 - FILM 209SL Video Production (3 credits)
 - FILM 304 Advanced Production (3 credits)

Choose one of the following courses:

 - FILM 305 Digital Storytelling (3 credits)
 - FILM 320 Topics in Film (3 credits)
- III. **Film and Society (6 hours)**

Choose two (2) courses from the following:

 - COMM 250 Media, Religion, and Ministry (3 credits)
 - COMM 327 Media in a Changing World (3 credits)

COMM 404	Communication Law and Ethics (3 credits)
HIST 427	History and Film (3 credits)
BTS 427	Religion and Film (3 credits)
SOC 427	Sociology and Film (3 credits)

IV. World Cinema (3 hours)

FILM 415 Various courses, mostly from departments of foreign languages and English, which emphasize film from outside the United States (3 credits)

V. Senior Project (3 hours)

FILM 460 Senior Project (3 credits)

Elective Hours (36-37 credits)

Summary of Total Credits

Liberal Arts Core (44-45 credits)

Film Requirements (39 credits)

Electives (36-37 credits)

Minimum to Earn a BA in Film and Digital Media (120 hours)

FILM MINOR

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

FILM 310	Introduction to the Art of Film (3 credits)
<i>Choose fifteen (15) hours from the following:</i>	
FILM 209SL	Video Production (3 credits)
FILM 304	Advanced Production (3 credits)
FILM 305	Digital Storytelling (3 credits)
FILM 311	Film History (3 credits)
FILM 344	Studies in American Film Genres (3 credits)
FILM 415	World Cinema (3 credits)
FILM 441	Film Authors (3 credits)
HIST 427	History and Film (3 credits)
BTS 427	Religion and Film (3 credits)

HISTORY AND POLITICAL SCIENCE

Kara Stooksbury, Chair of History, Political Science, and Sociology

Majors

History
Political Science

Specializations

History - 6-12 Teacher Licensure
Political Science - Teacher Licensure - Government 6-12

Minors

History
Law and Policy Studies
Political Science

The History and Political Science program is housed in the History and Political Science Building, located behind Stokely Memorial. The department primarily has classroom space on the second floor of the Baker Building, with classrooms elsewhere used as circumstances dictate.

History and political science majors, as well as non-majors, have the opportunity to work in federal and state government through the Washington Semester program and internships in the State Capital. Many history and political science majors earn licensure to teach, and a number of majors enter law school. Others enter graduate training and/or such varied occupations as the ministry, government, business, and journalism. Students completing 12 hours of history classes are eligible for membership in Phi Alpha Theta, the international history honor society. Students completing 10 hours of political science classes are eligible for membership in Pi Sigma Alpha, the national political science honor society.

Advanced Placement

Credit in the appropriate subject will be three hours for a score of 4 and six hours for a score of 5.

Required Grades

All majors must make a minimum grade of C in all required courses in the major. Additionally, all majors must achieve a 2.0 overall average in all courses taken in the department.

Independent Studies

Courses are available for highly motivated students who want to engage in extensive reading about a subject that is not a part of the catalog course offerings. Independent studies courses are not offered for catalog courses, except under the most unusual circumstances. A catalog course cannot be taken as an independent study in order to improve a grade.

NOTE: Department faculty reserve the right to determine the prerequisite for all the 300 and 400 level courses.

HISTORY

For a major in history, a student must complete no less than 30 hours in history (*15 of which must be taken at Carson-Newman*) and at least 15 of these hours must be at the 300 or 400 level.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a major in history, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- o **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- o **Studies in Personal/Social Awareness**
HIST 201, 202 (*as listed in major hours below*)
- o **Studies to Enhance a World Perspective**
HIST 133, 134 (*as listed in major hours below*)
- o **Senior Capstone Course** (*as listed in major hours below*)

MINORS

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

HISTORY (18 HOURS)

Choose six (6) required hours from the following:

HIST 133-134 World History I-II (6 credits)
-OR- HIST 201-202 United States History I-II (6 credits)
Additional History hours (12 credits)

LAW AND POLICY STUDIES (19 HOURS)

PSC 101 Introduction to Civil Rights and Liberties (3 credits)
PSC 105 Introduction to the Legal Profession (1 credit)

Choose three (3) hours from the following:

ACCT 201 Principles of Financial Accounting (3 credits)
BAD 301 Legal and Ethical Environment of Business (3 credits)
PHIL 204 Principles of Logic and Science (3 credits)

Twelve (12) hours from the following:

PSC 200 Moot Court (2 credits)
(only two hours can be applied to the minor)
PSC 330 Law in American Society (3 credits)
PSC 335 Church-State Relations (3 credits)
PSC 336 Administrative Law (3 credits)
PSC 337 Contemporary Criminal Procedure (3 credits)
PSC 338 Women and the Law (3 credits)
PSC 409 Contemporary Issues in U. S. Public Policy (3 credits)
PSC 438 American Constitutional Law I (3 credits)
PSC 439 American Constitutional Law II (3 credits)
*PSC Internship (3 credits)
PSY/SOC 310 Introduction to Criminology (3 credits)
SOC 303 Social Welfare Policy (3 credits)
BAD 301 Legal and Ethical Environment of Business (3 credits)
(if not taken above)

*PSC internship may be legal internship or other relevant internship related to law and policy; variable credit but only three hours may be applied toward the minor.

POLITICAL SCIENCE (18 HOURS)

PSC 101 Introduction to Civil Rights and Liberties (3 credits)
PSC 102 American Government and Politics (3 credits)
Additional Political Science Hours (12 credits)

INTERDISCIPLINARY MINORS

ENVIRONMENTAL AND COMMUNITY STUDIES

This minor is for students interested in pursuing their major and career interests in the context of addressing human needs and problems through sustainable development and conserving the natural environment and informed by an understanding of place, the aesthetics of environment and community, and other considerations of community history, culture, and values. Students complete 21 hours of coursework including 3 additional hours in the natural sciences beyond the 6-hour liberal arts core requirement to be selected from BIOL 102, 105, 106, 304, 315, 317, 405, or any GEOL/GEOG course; 15 hours chosen from HIST/PSC 323, PSY 212, 312, 318, 323, SOC 205SL, 402, or approved special topics courses in Philosophy, economics, or related field; and 3 hours of approved field work or research selected from BIOL 383, 491, ENG 465, HON 499, PSY410, PSY 491, SOC 406SL. Contact the Psychology Department for more information.

FAITH AND JUSTICE STUDIES

Designed for students interested in social justice ministry, peace studies, nonviolent conflict resolution, restorative justice, and faith-centered responses to social issues. Students take 18 hours to include BTS/PHIL 301SL plus an additional 15 hours with a minimum of one course from each of the following subject areas: Sociology: SOC/PSY 310; Psychology: PSY 316, 323; History/Political Science: HIST 351, 353, PSC 321, 337, 338, 438, 439; Biblical & Theological Studies: BTS 318, 415. Contact the Psychology Department for more information.

GERONTOLOGY

This 18-hour minor is designed for students interested in caring for and working with the elderly. The following courses are required: PSY 407 and NURS 217SL; 3 hours from PE 407SL, FN 114 or 210; 3 hours from PSY 410 or other supervised internships of 135 clock hours or more in a geriatric environment; electives (6 more hours), 3 hours from BIOL 101, 207; or special topics in gerontology (390); and 3 hours from BTS 442, SOC 102, 401, or PSY/CFS 206. Contact the Psychology Department for more information.

HEALTH PROFESSIONALS

Designed for individuals who plan to have a career as a practicing health professional. This minor requires 18 hours of coursework. Required courses include CHEM 308, ID 208, BTS 301, and BTS 224 or SOC 302. For the remaining 8 hours, you may choose from 13 different elective courses. For these options, or more information about this minor, contact the Director of Health Professions. This program is not aid eligible.

MEDIEVAL AND RENAISSANCE STUDIES (MARS)

It is the historical, cultural, and artistic study of time periods ranging from the fifth century A.D. to the mid-seventeenth century A.D. At Carson-Newman University, we offer an interdisciplinary minor in this field. This minor allows a deal of flexibility so that students can supplement their major with a broad study of the Medieval and Renaissance world. Students can combine classes in art, music,

history, linguistics, philosophy, English, foreign language, and religion to better understand holistically these periods. A MARS minor would complement and enrich a major in the abovementioned areas. The minor is built from 200-level or higher courses regularly offered at Carson-Newman University, i.e., studies dealing with Medieval or Renaissance topics. To ensure the minor's multidisciplinary nature, students may use no more than two courses for their minor that would normally apply to their major. (*For example, an English major could take two additional English classes and apply those classes to the MARS minor, but the additional courses beyond those two must be in areas outside his major. This variety will encourage interdisciplinary understanding.*) The student must take a total of 18 hours chosen from the following: ENG 362, 423; GER 270; HIST 341, 333, 334, 437, 438; MUS 431; PHIL 304; and BTS 438; any approved advanced course in English/French/Linguistics/Spanish/German or religion (repeated with permission) that focuses on a Medieval or a Renaissance topic, genre, or author (e.g., ENG 340, 440, 451; SPAN 415; GER 415, etc.). Interested students should contact the English Department or the World Languages Department.

WOMEN'S STUDIES

To minor in Women's Studies, the student must take 18 hours of coursework in courses that focus primarily on women or women's issues. At least three disciplines must be represented. Courses may be chosen from English 242, 352, 440, or 444; History 242 or 323; Nursing 415; Political Science 321, 338, or 410; Psychology 408; Biblical and Theological Studies BTS 416 or 437; Sociology 309 or 401. Other special topics courses with an emphasis on women's issues or women's studies may also be applied to the minor. Students may work with individual professors to devise independent study courses that may be applied to the minor. The Women's Studies program offers students the opportunity to earn an interdisciplinary minor in Women's Studies. The program encourages the study of women and gender in different cultures and time periods. It seeks to integrate questions of race, class, and gender and approach them globally. The coursework is designed to give the student a historical and contemporary perspective on the roles women have played and continue to play in societies worldwide and across time. It also strives to offer a supportive community to women interested in feminist issues through dinners, workshops, and outings. Contact the English Department or History Department for more information.

WORSHIP LEADERSHIP

The minor intends to provide interested students with basic skills and knowledge that will enable them to plan and lead worship services. This minor assumes that some students currently lead or will in the future lead worship services of different types and in a variety of settings. It consists of the following requirements: MUS 100 (or higher music theory), MUS 101 (or higher piano), MUS 140, MUS 141, MUS 249, MUS 322, MUS 460, 2 hours of ensemble, BTS 224SL, BTS 361, and one of these three courses: BTS 238, BTS 240, or BTS 241. Contact the Department of Biblical & Theological Studies for more information.

The World Languages Program is located on the third floor of Henderson Humanities Building. Through the Liberal Arts Core Requirement, we enable students to acquire the ability to communicate with, and have a keen awareness of, people of a culture other than their own. Our purpose for the student who elects to pursue advanced study of language(s) is to provide specific knowledge and skills to enhance vocations and opportunities in areas such as business, social work, and Christian service. We also strive to foster a knowledge and appreciation of language as art in the form of literature.

In conjunction with the Division of Education, we strive to recruit and prepare superior language teachers to meet the growing demand. The national honor society for Spanish students is Sigma Delta Pi. Students wishing to enroll in foreign language courses at other institutions must secure advanced written permission of the department chair of foreign language at Carson-Newman University. Permission is not generally given for more than one course per semester nor for courses offered by non-consortium institutions.

The Department offers two majors in Spanish (*the professional and the corollary major*). A major and minor in Biblical Languages are offered through the Department of Religion. The professional major is intended for students who plan to study language and literature at the graduate level or teach the language. Literature and culture are stressed, as well as skills development.

The corollary major is communication skills oriented to complement majors in English, Business, Human Services, Religion, Pre-Med, etc. and is offered only as a second major. Requirements for both are listed in this section.

The Department also offers certificates in Spanish and French. A certificate in a language will consist of two courses above the 202 level (*which must be 301 and 302 at Carson-Newman or courses in an approved study abroad program*) with a minimum of a B average and a

standardized test of oral and written proficiency.

Upon completion, certificate students will receive a certificate which acknowledges their completion and their level of proficiency in the language certified by the department, but who lack the time to complete a full minor or major in the language. This may be very useful for heritage speakers and children of missionaries.

*Capstone will be taken in conjunction with student's final 400 level class in their last semester of coursework.

*Students seeking certification to teach Spanish must enroll in a study abroad or certified immersion experience preapproved by the chair of the department.

*A student who begins at the 300 level will have six additional hours of electives.

LINGUISTICS

Linguistics, the study of human language, is a major, corollary major and minor at Carson-Newman University. Due to the interdisciplinary nature of the field, linguistics students are afforded a great deal of flexibility in designing their program of study. While all linguistics students are required to take courses in the various branches of linguistic analysis, students enjoy the option of combining this with coursework in Communication, Education, English, Foreign Languages, Philosophy, Psychology, and Sociology. The program in Linguistics is designed for students with academic or professional interest in Linguistics and offers students the unique opportunity to pursue this field of study in both a liberal arts tradition and a Christian context.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a linguistics major, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- **Studies to Enhance a World Perspective**
Foreign Language (*as listed in major hours below*)
- **Senior Capstone Course** (*as listed in major hours below*)
LING 475

Requirements for the major (33 hours)

- I. **Introduction to linguistic inquiry/analysis**
LING 220 Introduction to Linguistics (3 credits)
- II. **Knowledge of the structure of a foreign/second language**
Foreign language 201/202 (6 credits)
(*at least 6 hours at second-year level*)
- III. **Core**
LING 305 Syntax. (3 credits)
LING 310SL Phonology (3 credits)
- IV. **Core electives** (*two or more of the following, for 6+ hours credit*)
LING 320 Topics in Linguistics (3 credits)
(*Can be repeated*)
LING 327 Translation Theory (3 credits)
LING 415SL Advanced Topics in Linguistic (3 credits)
(*Can be repeated*)

- LING 420 Advanced Seminar in Linguistics (3 credits)
(Can be repeated)
- LING 430 Language & the Brain/Psycholinguistics (3)
- LING 450 Linguistics Research Group (3 credits)
(Up to 6 hours may count toward the major, but you must take at least one additional course (3 credits) from the “core electives” category)
- ENG 328 Advanced Grammar and the History of English (3 credits)
- V. **Capstone project**
LING 475 Senior Project (3 credits)
- VI. **Related courses** (additional courses from the following for a total of at least 33 hours in the major) Any approved advanced course in English/German/Spanish (may be repeated with permission)
- LING 390 Independent Study (3 credits)
- PHIL 204 Principles of Logic and Science (3 credits)
- MATH 201 Statistical Concepts and Methods (3 credits)
or PSY 203 Statistical Concepts and Methods
- PHYS 101 Physics of Musical Sound (3 credits)
- PSY 213 Research Design and Interpretation (3 credits)
- PSY 337 Neuropsychology (3 credits)

Elective Hours (46 credits)

- PHYS 101 Physics of Musical Sound (3 credits)
- PSY 213 Research Design and Interpretation (3 credits)
- PSY 337 Neuropsychology (3 credits)

SPANISH - PROFESSIONAL

The professional Spanish major is intended for students who plan to study language and literature at the graduate level or teach the language.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a professional Spanish major, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- o **Studies in Communications (6 hours)**
ENG 101* (3 credits)
COMM 135* or 230* (3 credits)
- o **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- o **Studies to Enhance a World Perspective**
SPAN 201 and 202 (as listed in major hours below)
- o **Senior Capstone Course** (as listed in major hours below)
SPAN 420

Professional Spanish Major (37 hours)

- LING 220 Introduction to Linguistics (3 credits)
- SPAN 201 Hispanics in the U. S. III (3 credits)
- SPAN 202 Conversational Spanish for Outreach & Serv. (3 cr)
- SPAN 301 Written Spanish for the Professional World (3 cr)
- SPAN 310 Spoken Spanish for the Professional World (3 cr)
- SPAN 420 Capstone in Spanish (1 credit)

Choose nine (9) hours from the following:

- SPAN 303 People and Places of Spain (3 credits)
- SPAN 304 People and Places of Latin America (3 credits)
- SPAN 309 Foreign Study/Travel/Language/Missions Experience. (1-6 credits)
- SPAN 317SL Spanish in Community Service and Missions (3 cr)
- SPAN 320 Interdisciplinary Topics in Spanish (1-6 credits)
- SPAN 327 Translation Theory (3 credits)

Choose twelve (12) hours from the following:

- SPAN 401 La guerra sucia: Issues in Conflict (3 credits)
- SPAN 402 Mujeres al borde: Issues in Gender (3 credits)
- SPAN 403 Muero porque no muero: Issues in Religion (3 credits)
- SPAN 404 Los de abajo: Issues in Justice (3 credits)

SPAN 405 Foreign Study (1-15 credits)

SPANISH COROLLARY

A corollary major is an add-on major. Courses for the degree for the primary major must be completed as well as the requirements for the corollary major.

Corollary Spanish Major Requirements (24 hours)

SPAN 201 Hispanics in the U. S. III (3 credits)
SPAN 202 Conversational Spanish for Outreach & Service (3)
SPAN 301 Written Spanish for the Professional World (3 cr)
SPAN 310 Spoken Spanish for the Professional World (3 cr)

Choose six (6) hours from the following:

LING 220 Introduction to Linguistic (3 credits)
SPAN 303 People and Places of Spain (3 credits)
SPAN 304 People and Places of Latin America (3 credits)
SPAN 309 Foreign Study/Travel/Language Missions Exp. (3 cr)
SPAN 317SL Spanish in Community Service & Missions (3 cr)
SPAN 320 Interdisciplinary Topics in Spanish (1-6 credits)
SPAN 327 Translation Theory (3 credits)

Choose six (6) hours from the following:

SPAN 401 *La guerra sucia*: Issues in Conflict (3 credits)
SPAN 402 *Mujeres al borde*: Issues in Gender (3 credits)
SPAN 403 *Muerto porque no muero*: Issues in Religion (3 credits)
SPAN 404 *Los de abajo*: Issues in Justice (3 credits)
SPAN 405 Foreign Study (1-15 credits)

Students can generally expect to get 6 semester hours of credit for a summer study abroad program and 12-15 semester hours of credit for a semester-long study abroad program. Depending on the courses taken, these will fulfill 300 and 400 level requirements for the major, minor, or certificate.

LANGUAGES MINORS

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

GERMAN OR SPANISH

A minor in German or Spanish consists of 18 hours, including GER 301 and GER 302; or SPAN 301 and SPAN 310; and excluding GER or SPAN 400 in all languages. Courses below 201 do not count toward the minor.

CERTIFICATE IN SPANISH OR FRENCH

A certificate in Spanish or French consists of 12 hours, including SPAN 201, 202, 301, and 310 (*or equivalent in study abroad credit*) or FREN 201, 202, and 6 additional hours at upper division level in an approved study abroad program. Added to the coursework requirement is a requirement to complete a standardized assessment of oral and written proficiency.

The liberal arts core requirement in language can be met in the following ways:

1. Complete a 6 hour sequence in any language at the 100 or 200 level as determined by degree department. Students with prior study of a language are required to take our placement test. A recommendation of entry level will be made taking into account performance on the test and the number of years of study of the language. If the student follows a recommendation of placement in a 300-level or higher course he may, upon completion of the course with a "C" or better, petition the department for up to 9 hours credit for the exempted courses.
2. International students whose native language is not English can satisfy their requirement in the following ways:
 - a) score at least 600 on the TOEFL (paper-based test) or 250 (computer-based test).
 - b) complete one 3-hour course in English language or American literature after completion of ENG 101-201.
 - c) complete 6 hours of literature in native language if applicable.
 - d) comply with the requirement for American students by satisfying either part 1 (201-202 sequence) or part 4 (CLEP) in a language other than English or the student's native language.
 - e) receive 12 foreign language credit hours by completing Level II or higher of ELI, receiving recommendation from ELI, and successfully completing six semester hours Carson-Newman credit.

Advanced courses (300 level and above) are offered frequently and consistently.

LINGUISTICS MINOR

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Minors available and their requirements are:

Requirements for the corollary major (18 hours)

- I. **Introduction to linguistic inquiry/analysis**
LING 220 Introduction to Linguistics (3 credits)
- II. **Knowledge of the structure of a foreign/second language**
Foreign language 201/202 (6 credits)
(at least 6 hours at second-year level)
- III. **Core**
LING 305 Syntax (3 credits)
LING 310SL Phonology (3 credits)
- IV. **Core electives** (*two or more of the following, for 3+ hours credit*)
LING 320 Topics in Linguistics (3 credits)
(can be repeated)
LING 327 Translation Theory (3 credits)
LING 390 Independent Study (3 credits)
LING 415SL Advanced Topics in Linguistics (3 credits)
(can be repeated)
LING 420 Advanced Seminar in Linguistics (3 credits)
(can be repeated)
LING 430 Language and the Brain/Psycholinguistics (3 credits)
LING 450 Linguistics Research Group (3 credits)
PHIL 204 Principles of Logic and Science (3 credits)
MATH 201 Statistical Concepts and Methods (3 credits)
or PSY 203 Statistical Concepts and Methods
PHYS 101 Physics of Musical Sound (3 credits)
PSY 213 Research Design and Interpretation (3 credits)
PSY 337 Neuropsychology (3 credits)
ENG 328 Advanced Grammar and the History of English (3 credits)

MATHEMATICS

Christine Dalton, Dean of the School of Natural and Applied Sciences
Thomas Bass, Chair of Math, Physics, and Computer Science

Major

Mathematics

Specialization

Mathematics - Teacher Licensure 6-12

Minors

Mathematics

The Mathematics Program is located on the first level of Dougherty Science Center. Its facilities include a computer center.

Mathematics majors who meet the requirements for membership will be invited to join Kappa Mu Epsilon, the national mathematics honor society. To be qualified for membership, a person must be a regularly enrolled student with at least the standing of a second semester sophomore of Carson-Newman University; must rank in the upper 35% of his/her class; and must complete with an overall average in mathematics of 3.00 at least three college mathematics courses including at least one semester of calculus.

Objectives

The Department seeks to develop skills in the application of mathematics to those disciplines which it enhances, and to provide a solid foundation in the principles of the discipline.

Advanced Placement (AP)

The department policy regarding academic credit for Advanced Placement (AP) courses is as follows:

- Statistics—Three hours credit in elementary statistics (MATH 201) will be awarded for a score of 4 or higher on the AP test. Scores below 4 receive no academic credit.
- Calculus—A score of 4 or 5 on the Calculus AB test or on the AB sub-score of Calculus BC test, will give a student 3 hours credit for MATH 151. A score of 4 or 5 on the Calculus BC test will give a student 6 hours credit for MATH 151 and 152.
- Computer Science—Three hours credit in CSC 107 will be awarded for scores of 3 or higher.

Language Requirement

Six hours in a single language at either the 100- or 200-level, or equivalent AP or CLEP credit.

Local tests

A student wishing to receive academic credit in a course listed in the catalog may arrange with the department chair to take an exam. A score of 80% or higher is required for credit, and grading will be S/F. An examination for credit for a particular course can be taken no more than one time.

MATHEMATICS

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with mathematics major, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
MATH 151 Calculus I (3 credits)
Laboratory Science (6-8 credits)
- **Senior Capstone Course** (as listed in major hours below)
MATH 412

Certain upper division courses are appropriate for specific future vocational choices; a list of these will be given to each student by his/her advisor. Math courses below Math 151 do not count as hours toward the major requirement.

Major Requirements (36 hours)

MILITARY LEADERSHIP MINOR

Major (P) Frances Young, Chair of Military Science

The Military Science program, located at 706 Ken Sparks Way, Baker Building Room 105, offers courses to develop leadership and management skills for both military and civilian careers. The Army Reserve Officers Training Corps (ROTC) program provides qualified students opportunities to serve their country full or part-time as officers in the U.S. Army. Students enrolled in ROTC who meet specified qualifications can earn a commission as a Second Lieutenant in the U.S. Army, Army National Guard, or the U.S. Army Reserve. ROTC students may participate in the Color Guard, Ranger Challenge Club, Officers Christian Fellowship, annual Military Ball, and many social functions sponsored by Cadets and Cadre. The Ranger Challenge Club attends a regional, multi-state intercollegiate competition for physical stamina, leadership ability, and teamwork each year. **Military Science** courses are open to all students; however, to enroll in advanced ROTC courses which lead to a commission as a Second Lieutenant, a student must meet U.S. Army administrative, physical, medical, and mental standards and be accepted by the Professor of Military Science.

MILITARY SCIENCE CURRICULUM

Military Science courses are designed to fulfill the educational and training requirements for commissioning as a Second Lieutenant in the U.S. Army. The curriculum consists of a Basic Course (first two years) and an Advanced Course (final two years). In addition to the specified military science courses, the Army requires successful completion of a college degree and one course in military history.

Freshman Year

MILS 100, Military History of the US (*may be taken during other years*)

MILS 101, Introduction to the Army and Critical Thinking

MILS 102, Introduction to the Profession of Arms

Sophomore Year

MILS 201, Leadership and Decision Making

MILS 202, Army Doctrine and Team Development

Advanced Course

Junior Year

MILS 301, Training Management, and the Warfighting Functions

MILS 302, Applied Leadership in Small Unit Operations

Summer

MILS 303, ROTC Cadet Advance Camp

Senior Year

MILS 401, The Army Officer

MILS 402, Company Grade Leadership

Enhanced leadership development focused in an organizational setting. Students complete the 21-hour sequence, including MILS 100, 101-102, 201-202, 301-302, 401-402. The student is not required to be contracted in the ROTC program nor to attend the ROTC Leader Development and Assessment Course (ROTC Cadet Advance Camp) during the summer when enrolled in MILS 101-102, 201-202. The student must be contracted in the ROTC program and attend ROTC Cadet Advance Camp during the summer between their junior and senior years when enrolled in MILS 301-302, 401-402. **Contact** the Department of Military Science.

ROTC Cadet Advance Camp is a 30-day training event that assesses where Cadets are in their overall leadership development. Army training provides additional development to further enhance their leadership capabilities.

A two-year program, available when a student has only two academic years remaining at Carson-Newman, consists of the last two years of ROTC (Advanced Course) and an authorized substitute for the Basic Course. **Authorized substitutes are:**

1. MILS 300, ROTC Cadet Basic Camp, taken during the summer between the sophomore and junior years. This 30-day training program at Fort Knox, KY, Supplements the freshmen and sophomore courses to transition a student with no previous experience into the ROTC Advance Course.
2. At least three years of high school Junior ROTC and approval of the Professor of Military Science.
3. Successful completion of a basic training program in the U.S. Army, Navy, Air Force, or Marine Corps.

Military Service Obligation

A student incurs NO military obligation by taking any of the classes in the ROTC Basic Course. A student who accepts a scholarship or signs a contract to participate in the Advanced Course during the junior and senior years is obligated to serve either full-time on active duty in the U.S. Army or part-time in the Army Reserves or Army National Guard for a specific period after graduation. See the Department of Military Science faculty for an explanation of the various options.

Pay, Uniforms, and Equipment

Each ROTC student is furnished with uniforms and textbooks at no charge. The advanced ROTC student signs a contract with the U.S. Government agreeing to complete the Advanced Course and accept a Regular Army, U.S. Army Reserve, or National Guard commission as a Second Lieutenant upon graduation. While enrolled in the Advanced Course (two years), the student receives \$420 per month tax-free and approximately \$700 plus travel expenses, housing, and meals to attend Summer Camp between the junior and senior years.

MUSIC

Shawn O'Hare, Dean of the School of Arts, Humanities, and Social Sciences
Mark Hussung, Chair of Music

The Department of Music is housed in the Mabel Lewallen Tarr Music Building, one of the finest buildings on the Carson-Newman campus. The building features a recital hall, private rehearsal studios, a music library, and an electronic music lab. Several music ensembles, both vocal and instrumental, give concerts and tour the area during the school year. The Department of Music also presents a Lyric Theater production in the fall and spring. Applied music lessons and ensembles are open to music majors and non-music majors.

Music majors are eligible for Delta Omicron, Music Teachers National Association, National Association for Music Education, and Pi Kappa Lambda membership.

Several factors are considered in the decision to accept a student as a music major. Among the requirements that the faculty takes under advisement is the student's ability to relate musical sound to notation and terminology quickly and accurately enough to undertake basic musicianship and the level of achievement in music performance demonstrated by audition for the appropriate faculty committee. Those who do not exhibit proper skills and knowledge in either area may be deferred for acceptance for one semester while they attempt to develop the necessary abilities. The respective applied jury and the theory faculty will make decisions regarding these students at the end of the student's first semester of study. All music majors are advised by music faculty members. Sophomores and transfers are required to participate in a Sophomore/Transfer Review, which assesses their possibilities of success as a music majors. Different majors within music require different talents. The initial audition for acceptance and the above-noted evaluation is intended to direct students into majors that match their abilities and desires.

Applied music instruction is available in piano, organ, voice, wind, percussion, and string instruments in either private lessons or for some instruments in group classes. Non-music majors may only enroll for one credit hour per semester. They must receive a private instructor's approval before enrolling. Group classes (for non-music majors or secondary applied music majors) carry one hour of credit. Applied music finals are given by a faculty jury. All Bachelor of Music students must pass all portions of the piano proficiency examination before they are allowed to schedule a senior recital. For music education, students before the Music Faculty will support their request for student teaching. Bachelor of Arts students are not required to pass piano proficiency. All Bachelor of Music candidates must audition for upper division status after four semesters of study in their major applied area. Keyboard majors are required to take MUS 205, Class Piano V. Academic credit is awarded for applied music lessons as follows:

1 credit hour = 1/2 hour of instruction per week; 6 hours of required practice time per week

2 credit hours = 1 hour of instruction per week; 12 hours of required practice time per week

3 credit hours = 1 hour of instruction per week; 18 hours of required practice time per week

Students may take up to 4 applied hours per semester and up to 1 applied hour in a secondary area per semester unless approved by the department chair. Students also meet collectively with the applied instructor regularly (weekly or bi-weekly) for repertoire classes. Recitals may be given by all music majors. Students must have completed 1 semester of upper-division applied study before giving a junior or senior recital. Performance majors are required to present a junior recital (presented jointly) and a full senior recital. Church Music, Music Education, and Music with Outside Field majors are required to present a senior recital (presented jointly). Lecture recitals are an option for all except performance majors. A faculty committee will hold a hearing at least two weeks before all junior and senior recitals. Recital candidates must pass the hearing before they are allowed to perform a junior or senior recital.

Music majors are required to attend 18 concerts or recitals presented by the Department of Music each semester. Non-music majors enrolled in applied music courses must attend a minimum of 5 recitals throughout the semester. Performer's certificates are awarded in recognition of the excellence of musicianship and technical proficiency. Students must be nominated by the faculty committee at their senior recital hearing. A ballot of the faculty will be taken following the performance.

Accreditation

Carson-Newman University is an institutional member of the National Association of Schools of Music.

Advanced Placement

Credit for MUS 111 will be given for a score of 4 on the AP exam in music. Credit for both MUS 111 and 112 will be given for a score of 5. No CLEP credit is awarded in music.

Ensembles

Music majors are required to participate in at least one 1-credit hour ensemble each semester. Normally voice majors are required to sing in a vocal ensemble each semester, and instrumental majors (brass, woodwinds, and percussion) are required to play in marching and concert band. Semester grades in ensembles are based on attendance and participation. For music majors only, ensemble hours above four may count as upper division credits for juniors and seniors.

Majors

Bachelor of Arts in Music
Bachelor of Arts in Music with Emphasis in Worship Leadership
Bachelor of Music in Performance (*Instrumental, Piano or Vocal*)
Bachelor of Music in Church Music
Bachelor of Music in Music - Instrumental - Teacher Licensure K-12
Bachelor of Music in Music Education - Vocal - Teacher Licensure K-12
Bachelor of Music in Music Education - Vocal or Instrumental - Non-Licensure
Bachelor of Music with an Outside Field

Minor Music

Mission

The mission of the Department of Music is to nurture and challenge

students in a Christian environment helping them to reach their potential as educated musicians to serve and lead in church, schools, and community. Our department serves the Carson-Newman University mission by (1) providing professional degree programs in music, (2) providing a liberal arts degree program in music, and (3) providing general music education (courses, ensembles, and applied lessons) and performance opportunities for the university community at large in order to develop musical skills and knowledge of music for the enrichment of life.

Music Program Curricula

The Department of Music program curricula provide a musically rich context to support the education and development of music majors to attain either the professional Bachelor of Music degree or the liberal arts Bachelor of Arts - Music degree. Music majors seeking the Bachelor of Music degree study to become professional musicians by developing musical performance skills and cultivating an advancing knowledge and appreciation of music. This academic and musical foundation equips graduates to lead as school music teachers or church musicians and/or to pursue graduate studies in music. Music majors seeking the Bachelor of Arts degree study to obtain a diverse liberal arts education and to develop musical skills that foster their intellectual growth in the knowledge and appreciation of music.

Teacher Licensure

Any student wishing to teach Music (K-12) must be a music education major and meet the requirements of the Department of Teacher Education.

MUSIC

For a BA degree with a major in music, a student must complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a major in music should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies to Enhance a World Perspective**
(Must take Fine Arts outside the Department of Music.)
Language for BA degrees at the 100 level (6 credits)
- **Senior Capstone Course** (as listed in major hours below)
MUS 461

Courses in Music (43 hours)

Applied Music - voice, instrument, or piano (4 credits)
Applied Music - keyboard (2 credits)
Ensemble (4 credits)
MUS 111-112 Elementary Theory I-II (6 credits)
MUS 117-118 Sight-Singing and Ear Training I-II (2 credits)
MUS 135-136 Introduction to Music History (2 credits)
MUS 211-212 Advanced Theory I-II (6 credits)
MUS 431-432 Music History I-II (6 credits)
MUS 461 Senior Seminar for BA in Music (1 credit)
MUS electives (6 hours upper level) (10 credits)

Elective Hours (30 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)

Music Requirements (43 credits)

Electives (30 credits)

Minimum to Earn a BA in Music (120 hours)

MUSIC - WORSHIP LEADERSHIP

For a BA degree with a major in music with an emphasis in worship leadership, a student must complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a major in music with an emphasis in worship leadership should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies to Enhance a World Perspective**
(Must take Fine Arts outside the Department of Music.)
Language for BA degrees at the 100 level (6 credits)
- **Senior Capstone Course** (as listed in major hours below)
MUS 461

Courses in Music (55 hours)

Applied Music Primary (6 credits)

Ensemble (6 credits)

MUS 026* Contemporary Ensemble Lab (1 credit)

MUS 343	Instrumental Music Methods (<i>practicum</i>) (2 credits)
---------	---

Choose three (3) of the following:

MUS 241	Percussion Methods and Literature (2 credits)
MUS 242	Woodwind Methods and Literature (2 credits)
MUS 246	Brass Methods and Literature (2 credits)
MUS 346	String Methods and Literature (2 credits)

Professional Education (24 hours)

(A grade of C or better is required in all courses below)

EDUC 203SL	Foundations of Education (3 credits)
EDUC 205	Introduction to Diagnostic Reading Instruction: Techniques and Strategies (3 credits)
EDUC 350	Diversity in Schools, Homes, Community (2 credits)
EDUC 432	Disciplinary Literacy (2 credits)
SPED 313	Survey of Exceptional Persons (<i>practicum</i>) (3 credits)
MUS 249	Music and Sound Technology (1 credit)
MUS 348	Electronic Music Methods (2 credits)
Professional	EDUC electives (8 credits)

Summary of Total Credits

Liberal Arts Core (41 credits)

Music Requirements (60-63 credits)

Professional Education Requirements (24 credits)

Minimum to Earn a BM in Music Education K-12 (Non-Licensure) Vocal (125 hours)

Minimum to Earn a BM in Music Education K-12 (Non-Licensure) Wind/Keyboard/Percussion (128 hours)

MUSIC WITH AN OUTSIDE FIELD

For a BM in combination with an outside field, a student must complete the following curriculum.

Note: Applied music must include at least one semester of upper division credit. The outside field must fulfill a minor, if offered, or have department of music approval.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Music in combination with an outside field, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Senior Capstone Course** (*as listed in major hours below*)
Part of Applied credit in the Senior Recital Semester

Courses in Music (65 hours)

Applied Music Major (12 credits)

Applied Music Keyboard (4 credits)

Ensemble (8 credits)

MUS 111-112 Elementary Theory I-II (6 credits)

MUS 117-118 Sight-Singing and Ear Training I-II (2 credits)

MUS 135-136 Introduction to Music History (2 credits)

MUS 211-212 Advanced Theory I-II (6 credits)

MUS 217-218 Sight-Singing and Ear Training III-IV (2 credits)

MUS 431-432 Music History I-II (6 credits)

MUS 441 Conducting I (2 credits)

MUS Electives (*12 hours must be upper level*) (15 credits)

Outside Field (18 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)

Music Requirements (65 credits)

Outside Field (18 credits)

Min. to Earn a BM in combination with an outside field (130 hours)

MUSIC MINOR

For a Minor in Music, a student must complete the following for a total of 18 hours.

MUS 111, 112, 135, 136

Applied Music (4 hours) MUS electives (6 hours)

NURSING

Lana Spence, Dean of the School of Health Sciences

The Carson-Newman University Department of Nursing offers studies toward a Bachelor of Science in Nursing degree. The spring entry program consists of 8 semesters over four years with nursing courses beginning in January. The fall entry program can be completed in 8 continuous semesters with nursing courses beginning in August.

Accreditation

The baccalaureate degree program in nursing at Carson-Newman University is accredited by the Commission on Collegiate Nursing Education (www.ccnaccreditation.org). The Baccalaureate Program is approved by the Tennessee Board of Nursing, holds membership in the Commission on Collegiate Nursing Education (CCNE) and the American Association of Colleges of Nursing, and is an Army ROTC Partnership in Nursing Education (PNE) school.

Department of Nursing

The Department of Nursing has classrooms and clinical skills/health assessment labs, on the fourth floor of the Henderson Humanities Building. Administrative offices, faculty offices, computer lab, clinical skills lab, and student lounge in Heritage Hall. Nursing majors have clinical study and practice at a variety of institutions and health care facilities in both rural and urban settings.

Carson-Newman University Department of Nursing offers a rigorous baccalaureate nursing curriculum that includes academic and clinical performance requirements. To be awarded a Bachelor of Science in Nursing degree, the student must successfully complete both elements of the program. Students who receive a nursing degree from Carson-Newman University will have been exposed to the skills and knowledge necessary to attain licensure and to perform the clinical tasks normally expected of registered nurses.

All nursing majors are eligible for membership in the Student Nurses' Association. Membership in the Rho Mu-at-large chapter of Sigma Theta Tau, International, is available by invitation based on GPA and class standing.

Nursing Major

All students who declare nursing as a major are assigned a departmental advisor who will closely follow the student's academic progress. Those students who wish to transfer into nursing from another major must first file a change of major form and be assigned an advisor for nursing. Transfer students from other institutions must have their previous work evaluated before being admitted to the university and declaring a nursing major. Granting credit for coursework completed at other institutions is determined by the university registrar and department chair.

Goal

The overall goal of the Bachelor of Science in Nursing program is to prepare entry level baccalaureate nurses who have the skills and knowledge necessary to attain licensure and to perform the clinical

tasks normally expected of registered nurses.

Types of Students

Qualified high school senior admitted as freshman to Carson-Newman University may be admitted as Nursing majors, upon successful completion of entry requirements. Placement in nursing courses typically begins in the second semester of the sophomore year. Carson-Newman students who begin as freshman in a different major and then change to Nursing, must complete a change a major form.

Transfer students must meet all entry requirements and contact the nursing department to be considered for placement into nursing courses. Transfer students with nursing coursework completed at other institutions must also attach a letter of good standing from the previous university. To be considered for admission as a Nursing major, a student may have no more than one nursing course failure as defined by the previous institution.

Admission information

If the number of qualified students exceeds the number that can be accommodated in the class, the following criteria will be utilized in selection: cumulative GPA, Carson-Newman credit hours, ROTC enrollment, current military service, prior nursing education or experience, prior degree, nursing prerequisite grades, number of course withdrawals and repeats, grade improvement over time, number of prerequisite courses to complete, and interview as deemed necessary by the admission and progression committee.

After graduation from Carson-Newman, registered nurse (RN) licensure is acquired when the NCLEX-RN examination is successfully completed. Any state board of nursing reserves the right to deny licensure to anyone ever convicted of a crime other than a minor traffic violation. Anyone having such a conviction should contact the appropriate state board of nursing for advice prior to enrolling in nursing as a major. Successful completion of the BSN degree does not guarantee successful completion of NCLEX-RN.

Please see the nursing student handbook at www.cn.edu/nursing/ for additional information and policies.

To begin Semester 1 Nursing coursework, students must meet the following criteria:

1. Cumulative GPA of 2.75 or higher.
2. Science GPA of 2.5 or higher. Science courses include BIOL 207 (A&P 1), BIOL 208 (A&P 2), BIOL 316 (Microbiology), and CHEM 101 (Chemistry) or equivalent.
3. Complete all prerequisite courses with a C or better. A maximum of one retake per course.
4. Successfully complete a criminal background check.
5. Have no more than four (4) liberal arts core courses remaining towards completion of the BSN degree requirements.

Nursing Program Fee

The BSN program at Carson-Newman consist of 5 semesters of Nursing courses. Students enrolled in Nursing courses will incur a \$850 per semester program fee. This fee is used to cover items such as physical equipment for labs/clinical, ATI resources, and a NCLEX Review course.

Degree Graduation Requirements

There are three groups of courses that are taken to satisfy nursing degree graduation requirements – prerequisites, liberal arts, and nursing. Prerequisites are completed prior to beginning nursing courses.

- BIOL 207 and BIOL 208, Anatomy and Physiology I/II, BIOL 316, Microbiology, CHEM 101, General Chemistry,
- CFS 206 or PSY 206, Human Development Across the Lifespan,
- English 101 and 201,
- FN 210, Basic Nutrition, or FN 214, Science of Nutrition, or FN 216, Nutrition Foundations for Nursing Profession, or 200 level course for transfer students,
- MATH 201, Statistics - prior to beginning nursing courses for the accelerated program or prior to NURS 315 for the traditional program.
- Liberal Arts Requirements
- Nursing Program Requirements

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science in Nursing, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (15 hours)**
MATH 201 (3 credits)
BIOL 207, 208 (8 credits)
CHEM 101 (4 credits)
- **Studies in Personal/Social Awareness**
CFS 206 or Psychology 206 (3 credits)
- **Senior Capstone Course** (*as listed in major hours below*)
NURS 405

There is no language requirement for the nursing degree.

Additional Courses Required for Nursing Major (7 hours)

Biology 316 (4)

Food and Nutrition 210 (3 credits)

or Food and Nutrition 214

NURSING PROGRAM REQUIREMENTS

(68 hours)

First Semester

- NURS 202 Health Assessment (3 credits)
- NURS 203 Pharmacology (3 credits)
- NURS 212 Fundamentals of Nursing Practice (6 credits)
- NURS 217SL Health Care of the Elderly (2 credits)

Second Semester

- NURS 301 Pathophysiology I (2 credits)
- NURS 303 Adult Medical/Surgical Nursing I (6 credits)
- NURS 307 Pediatric Nursing (4 credits)

Third Semester

- NURS 302 Pathophysiology II (2 credits)
- NURS 304 Adult Medical-Surgical Nursing II (6 credits)
- NURS 413 Maternal-Newborn Nursing (4 credits)
- NURS Elective (2 credits)

Fourth Semester

- NURS 308 Psychiatric-Mental Health Nursing (4 credits)
- NURS 404SL Community Health Nursing (4 credits)
- NURS 414 Critical Care Nursing (6 credits)
- NURS 431 NCLEX Success I (1 credit)

Fifth Semester

- NURS 405 Leadership and Management (6 credits)
- NURS 412 Dimensions of Professional Nursing (2 credits)
- NURS 432 NCLEX Success II (2 credits)
- NURS 315 Nursing Research & Evidence-Based Practice (3 credits)

Summary of Total Credits

Liberal Arts Core (46-47 credits)

Additional Courses (7 credits)

Nursing Requirements (68 credits)

Minimum to Earn a BSN (120-122 hours)

Note: ROTC students additional required courses:

MILS 100, MILS 101, MILS 102, MILS 201, MILS 202, MILS 301, MILS 302, MILS 303, MILS 401, MILS 402

Note: Nursing elective options:

- BIOL 305 Medical Terminology (3 credits)
- HLTH 202 A Lifetime Objective (3 credits)
- NURS 209 Wellness for the 21st Century (2 credits)
- NURS 320 Special Topics for ROTC Nursing (1-2 credits)
- NURS 410 Nursing Care of the High-Risk Neonate (2 credits)
- NURS 417 Multicultural Practicum (1-3 credits)
- NURS 418 Health Care Ethics (2 credits)

PHILOSOPHY

Shawn O'Hare, Dean of the School of Arts, Humanities, and Social Sciences
Mary Baldrige, Chair of Philosophy, Linguistics, and World Languages

Majors

Philosophy

The Philosophy program is located on the third floor of Henderson Humanities Building in the Philosophy, Linguistics, and World Languages Suite.

Students who have completed six hours in philosophy and who have a 3.00 GPA are eligible for membership in Phi Sigma Tau, the philosophy national honor society.

Students earning a philosophy major must demonstrate competency in a modern foreign language at the sophomore (201/202) level or achieve equivalent credit through placement tests.

PHILOSOPHY

For a major in philosophy, a student must complete no fewer than 28 hours of philosophy courses, including PHIL 410 during the senior year.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with a major in philosophy, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Senior Capstone Course** (as listed in major hours below)
PHIL 410

Philosophy Requirements (27 hours)

Choose twenty-seven (27) hours from the list below:

PHIL 101	Introduction to Philosophy & Critical Thinking (3 credits)
PHIL 204	Principles of Logic and Science (3 credits)
PHIL 301SL	Christian Ethics (3 credits)
PHIL 303	Ancient Philosophy (3 credits)
PHIL 304	Medieval Philosophy (3 credits)
PHIL 305	Modern Philosophy (3 credits)
PHIL 306	Contemporary Philosophy (3 credits)
PHIL 321	Religion and Science (3 credits)
PHIL 400	Teaching Assistantship1 (3 credits)
PHIL 401	Problems of Philosophy (3 credits)
PHIL 402SL	Philosophy of Religion (3 credits)
PHIL 403	Aesthetics (3 credits)
PHIL 404	Nonwestern Religious Thought (3 credits)

Philosophy Capstone (1 hour)

PHIL 410 Philosophy Colloquium (*senior capstone course*) (1 credit)

Elective Hours (45 credits)

Honors students may use HUM 101, Humanities and the Cosmos I, as 3 hours of the PHIL hour requirement.

Summary of Total Credits

Liberal Arts Core (47 credits)

Philosophy Requirements (27 credits)

Capstone Requirements (1 credit)

Elective Hours (45 credits)

Minimum to Earn a BA in Philosophy (120 hours)

PHYSICAL EDUCATION

Kimberly Hawkins, Dean of the School of Education and Counseling
Cindy Lang, Chair of Education

Major

Physical Education – Non-Licensure
Youth Athletics and Recreational Management

Specialization

Physical Education – Teacher Licensure K-12
Physical Education Add-on Endorsement

Minor

Recreation
Wilderness Recreational Management

The physical education degree program prepares students to enter the physical education field with a K-12 teacher license. Students may also teach wellness at the high school level with this certification.

The Youth Athletics and Recreation Management major is designed for students who want to teach physical activity and recreation to children, but do not want to teach Physical Education in schools. Graduates would be well suited as youth activity directors or other children's programming positions. Additionally, graduates will be well suited for a variety of careers in entertainment programming.

Students must be certified in First Aid and CPR by either the American Red Cross or the American Heart Association at some time during their collegiate career.

PHYSICAL EDUCATION –TEACHER LICENSURE K-12

For a BS in Physical Education with K-12 Teacher Licensure, students must meet state-mandated requirements as well as complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science in Physical Education with K-12 Teacher Licensure, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

**Students must make a grade of "C" or better in courses marked with an asterisk.*

- **Studies in Communications**
ENG 101* (3 credits)
- **Studies in Mathematics and Science**
BIOL 101 (3 credits)
BIOL 207* (4 credits)
- **Studies in Personal/Social Awareness**
PSY 204 (3 credits)
- **Senior Capstone Course** (as listed in major hours below)
PE 403

Physical Education Core (29 hours) **Students must make a grade of "C" or better in courses marked with an asterisk.*

- EXSC 245 Principles of Strength and Conditioning (4 credits)
- EXSC 402* Human Motor Learning and Performance (3 credits)
- HLTH 202 Wellness: a Lifetime Objective (3 credits)
- PE 102 History and Philosophy of Physical Education (1 credit)
- PE 302SL* Teaching Physical Education in the Elementary School (3 credits)
- PE 360SL* Theory and Methods of Individual and Dual Sports (3 credits)
- PE 361SL* Theory and Methods of Team Games and Leisure Activities (3 credits)
- PE 403* Teaching Physical Education and Wellness in the Secondary School (3 credits)
- PE 407SL Adapted Physical Education (3 credits)
- Any racquet sport or tennis class (1 credit)
- Any two activity elective classes (*not varsity athletics*) (2 credits)

Professional Education Requirements (41-42 hours)

**Students must make a grade of "C" or better in courses marked with an asterisk.*

- EDUC 203SL* Foundations of Education (3 credits)
- EDUC 204* Educational Technology (3 credits)
- EDUC 205 Introduction to Diagnostic Reading Instruction (3 credits)
- EDUC 341 Curriculum, Instruction, and Management of the K-6 Classroom (3 credits)
or EDUC 342 Curriculum, Instruction, and Management of the 6-12 Classroom
- EDUC 350* Diversity in Schools, Homes, & Communities (2 credits)
- EDUC 403* Assessment and Evaluation (3 credits)
- EDUC 414SL Reading Instruction and Assessment (3 credits)
or EDUC 432 Disciplinary Literacy
- EDUC 461 Liberal Arts Education Capstone Seminar (1 credit)
- PSY 404 Educational Psychology II: Classroom Management (2-3 credits)
or SPED 425 Management of Challenging Behaviors
- SPED 313* Survey of Persons with Exceptionalities (3 credits)
- SPED 318 Techniques for the Inclusion of Diverse Learners (3 credits)
- EDUC 463* Seminar in Student Teaching (2 credits)
- EDUC 465* Student Teaching: Placement One (5 credits)
- EDUC 467* Student Teaching: Placement Two (5 credits)

Elective Hours (7-8 credits)

Summary of Total Credits

Liberal Arts Core (42 credits)
Physical Educ. Requirements (29 credits)
Professional Educ. Requirements (41-42 credits)
Elective Hours (7-8 credits)

Minimum to Earn a BS in Physical Education with K-12 Teacher Licensure (120 hours)

PHYSICAL EDUCATION – NON-LICENSURE

For a BS in Physical Education (non-licensure), a student must complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science in Physical Education with K-12 Teacher Licensure, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below. **Students must make a grade of "C" or better in courses marked with an asterisk.*

- **Studies in Communications**
ENG 101* (3 credits)
- **Studies in Mathematics and Science**
BIOL 101 (3 credits)
BIOL 207 (4 credits)
- **Studies to Enhance a World Perspective**
ART 210 or MUS 133 (3 credits)
- **Studies in Personal/Social Awareness**
PSY 204 (3 credits)
- **Senior Capstone Course** (as listed in major hours below)
PE 407

Physical Education Core (26 hours)

EXSC 245 Principles of Strength and Conditioning (4 credits)
EXSC 402 Human Motor Learning and Performance (4 credits)
HLTH 202 Wellness: a Lifetime Objective (3 credits)
PE 102 History and Philosophy of Physical Education (1 cr)
PE 302SL Teaching Physical Education in the Elementary School (3 credits)
PE 360SL Theory and Methods of Individual & Dual Sports(3)
PE 361SL Theory and Methods of Team Games and Leisure Activities (3 credits)
PE 407SL Adapted Physical Education (3 credits)
Any racquet sport or tennis class (1 credit)
Any two activity elective classes (*not varsity athletics*) (2 credits)

Additional Requirements (14 hours)

EDUC 203SL Foundations of Education (3 credits)
EDUC 204 Educational Technology (3 credits)
EDUC 350 Diversity in Schools, Homes, & Communities (2 cr)
EDUC 403 Assessment and Evaluation (3 credits)
SPED 313 Survey of Persons with Exceptionalities (3 credits)

Additional Elective Hours (38 credits)

Summary of Total Credits

Liberal Arts Core (42 credits)
Physical Educ. Requirements (26 credits)
Additional Requirements (14 credits)
Elective Hours (38 credits)

Minimum to Earn a BS in Physical Education (non-licensure) (120 hours)

YOUTH ATHLETICS AND RECREATIONAL MANAGEMENT

For a BS in Youth Athletics and Recreational Management, a student must complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science in Physical Education with K-12 Teacher Licensure, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below. **Students must make a grade of "C" or better in courses marked with an asterisk.*

- **Studies in Communications**
ENG 101 (3 credits)
- **Studies in Mathematics and Science**
BIOL 101 (3 credits)
Laboratory Science (4 credits)
- **Studies in Personal/Social Awareness**
PSY 204 (3 credits)
- **Senior Capstone Course** (as listed in major hours below)
PE 440

Content Core (37-39 hours)

PE 102 History and Philosophy of Physical Education (1 credit)
ID 213 Leadership Methods (2-3 credits)
or MGT 301 Essentials of Management and Leadership or BTS 241 Introduction to Leadership
PE 202 Principles of Coaching (2-3 credits)
or PE 210 Coaching Football, or PE 212 Coaching Basketball, or PE 214 Coaching Track and Field, or PE 302SL Teaching Health & Physical Education in Elementary School, or CFS 414 Programs for Young Children I: Creativity and Expression
PE 311SL Sport as a Mission (3 credits)
or PE 335 Ethical Consideration in Sport
PE 318 Practical Skills for Professionals in Sport and Recreation Management (3 credits)
or BAD 215 Business Information Tools
PE 360SL Theory and Methods of Individual and Dual Sports (3 credits)
or PE 361SL Theory and Methods of Team Games and Leisure Activities
EXSC 402 Human Motor Learning and Performance (3 credits)
or EXSC 406 Motor Development or EXSC 408 Sport Mechanics
PE 407SL Adapted Physical Education (3 credits)
PE 440 Policy and Risk Management in Sport and Recreation (3 credits)
PE 469 Exercise, Recreation, and Sport Sciences Internship (6 credits)
REC 304SL Recreation Program Planning & Management (3 credits)
REC 440 Wilderness Leadership (3 credits)
Any two activity elective classes (2 credits)

Related Area Requirements (11 hours)

PSY 212 Social Entrepreneurship Seminar (2 credits)
BTS 238 Introduction to Children's Ministry (3 credits)
or BTS 240 Introduction to Youth Ministry

SOC 207 Race and Ethnicity (3 credits)
 or SOC 105 Social Problems, or SOC 205 Sociology of Community,
 or SOC 305 Urban Sociology
 PSY 312SL Social Entrepreneurship & Non Profit Studies
 (3 credits)
Elective Hours (29-31 credits)

Summary of Total Credits

Liberal Arts Core (41 credits)
 Content Core Requirements (37-39 credits)
 Related Area Requirements (11 credits)
 Elective Hours (29-31 credits)
**Minimum to Earn a BS in Youth Athletics and Recreational
 Management (120 hours)**

RECREATION MINOR

Students will complete 19 hours in the following courses:

REC 200 Foundations of Recreation (3 credits)
 REC 220 Recreation Practicum (1 credit)
 REC 304SL Recreation Program Planning & Management
 (3 credits)
 REC 306 Administration of Recreation Programs (3 credits)
 REC 340 Outdoor Recreation (3 credits)
 REC 440 Wilderness Leadership (3 credits)
 REC 461 Critical Issues in Recreation (3 credits)

WILDERNESS RECREATIONAL MANAGEMENT MINOR

The Wilderness Recreational Management Minor provides students with experience and knowledge to manage wilderness recreation settings and guide excursions. Students learn to lead adventures in hiking, backpacking, kayaking, high and low ropes, and rock climbing. Graduates learn managerial skills, leadership styles, and risk management to lead wilderness-based groups and organizations.

Students will complete 19 hours in the following courses:

ID 213 Leadership Methods (2 credits)
 PE 012 Hiking/Backpacking (1 credit)
 PE 052 Beginning Kayaking (1 credit)
 PE 056 Rock Climbing & High Course Management (2 credits)
 PE 318 Practical Skills for Professionals in Sport and Recreation
 Management (3 credits)
 PE 407SL Adapted Physical Education (3 credits)
 REC 220 Recreation Practicum (1 credit)
 REC 304SL Recreation Program Planning & Management
 (3 credits)
 REC 440 Wilderness Leadership (3 credits)

PHYSICAL EDUCATION ADD-ON ENDORSEMENT

This option is for individuals already possessing a teaching license and wanting to add the physical education endorsement. To gain the endorsement, the courses must meet the knowledge and skills of the teaching areas, thereby satisfying the requirement for adding this endorsement to an existing license. An initial license requires that the same knowledge and skill be met, plus the equivalent of an undergraduate major. Every endorsement (initial and add-on) requires the pertinent PRAXIS specialty area test(s).

The minimum total hour requirement for the add-on is 22. The following courses are required:

EXSC 245 Principles of Strength and Conditioning (4 credits)
 EXSC 402 Human Motor Learning and Performance (3 credits)
 PE 302 Teaching Physical Education and Health in the
 Elementary School (3 credits)
 PE 360SL Theory and Methods of Individual & Dual Sports(3)
 PE 361SL Theory and Methods of Team Games and Leisure
 Activities (3 credits)
 PE 403 Teaching Physical Education and Wellness in the
 Secondary School (3 credits)
 PE 407SL Adapted Physical Education (3 credits)

Additional Field Experience (*as deemed appropriate if needed, depending on previous experience and area of initial licensure*)

PHYSICS

Christine Dalton, Dean of the School of Natural and Applied Sciences
Thomas Bass, Chair of Math and Physics

Major

Physics

Emphasis

Applied Physics

Professional Physics

Specialization

Physics – Teacher Licensure 6-12

Minor

Physics

The Physics program offers a high-quality, contemporary Physics Major and a Physics Minor. The major provides a solid foundation in the core areas of physics suitable as a preparation for careers in science and engineering or as a springboard for applying technical knowledge in such fields as business, medicine, law, public policy, and education.

The Physics Program is located on the first level of Dougherty Science Center. Facilities include:

- An advanced experimental physics laboratory
- An electronics lab
- A shop
- Several classrooms
- A student study room

Research opportunities for undergraduate students cover experimental and theoretical nuclear physics, electronic sensing technology, computational physics, astronomy, and more.

The major has a strong fundamental technical core consisting of 33 hours of classes in general physics with lab, intermediate physics, calculus, and general chemistry with lab. Professional Physics requires an additional 12 hours of coursework in physics for a total of 45 hours. Applied Physics requires a student to select courses in a variety of different disciplines to complete the required 12 hours.

Professional Physics is intended primarily to prepare graduates for entry into respected graduate or professional schools. Through classes and laboratories, directed research, and summer internships, graduates of the program will be well-prepared for further study.

Applied Physics involves selected coursework and research from various applied topics in physics and cognate areas in the sciences, mathematics, and computer science. Applied Physics is intended to prepare students for graduate work in engineering, graduate work in a health-related profession, or entry-level employment in various technical fields immediately following graduation.

Pre-Engineering is intended for students who plan to transfer to an undergraduate engineering program after completing two years of study at Carson-Newman. Students interested in obtaining a four-year degree and entering a graduate engineering program should follow

the Applied Physics emphasis.

AP Credit

To obtain AP credit for PHYS 103 and 104, students must score 4 or above on the AP exam. On AP Test B, a score of 4 will receive credit for PHYS 103 and a score of 5 will receive credit for PHYS 103 and 104. On AP Test C: Mechanics, a score of 4 or above will receive credit for PHYS 201. On AP Test C: Electricity and Magnetism, a score of 4 or above will receive credit for PHYS 202.

PHYSICS – PROFESSIONAL PHYSICS

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science in Physics, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (11 hours)**
 MATH 151 (as listed in major hours below)
 PHYS 201 (as listed in major hours below)
 PHYS 202 (as listed in major hours below)
- **Senior Capstone Course (as listed in major hours below)**
 PHYS 491

Common core courses required for Applied Physics and Professional Physics (33 hours)

PHYS 201	Principles of Physics I (4 credits)
PHYS 202	Principles of Physics II (4 credits)
PHYS 307	Modern Physics (3 credits)
PHYS 318	Experimental Physics (2 credits)
PHYS 330	Mechanics (3 credits)
PHYS 491	Senior Seminar (1 credit)
MATH 151	Calculus I (3 credits)
MATH 152	Calculus II (3 credits)
MATH 211	Calculus III (3 credits)

CSC 107	Computer Programming I (3 credits)

Applied Physics Requirements (12 hours)

Twelve additional hours selected from the courses below. Courses may be substituted at the advisor's discretion to customize curricula for individual students. At least three of the twelve hours must be selected from courses with prefix PHYS.

BIOL 303	Soils and Geologic Science (3 credits)
CHEM 104	General Chemistry II (4 credits)
CHEM 201	Excel for Scientists (2 credits)
CHEM 301	Organic Chemistry I (4 credits)
CHEM 302	Organic Chemistry II (4 credits)
CHEM 305SL	Quantitative Analysis (4 credits)
CHEM 306	Instrumental Methods of Analysis (4 credits)
CHEM 310	Survey of Biochemistry (3 credits)
CHEM 401/415	Thermodynamics and Laboratory (4 credits)
MATH 201	Statistical Concepts and Methods (3 credits)
MATH 208	Linear Algebra I (3 credits)
MATH 303	Differential Equations (3 credits)
MATH 304	Mathematical Modeling (3 credits)
MATH 313	Calculus IV (3 credits)
MATH 406	Mathematical Statistics (3 credits)
MATH 408	Numerical Methods (3 credits)
MATH 409	Complex Analysis (3 credits)

Any CSC course

Any ENGR course

Any PHYS course numbered 300 or higher

Elective Hours (43 credits)

For student planning to attend graduate school, additional courses in physics

and mathematics are recommended. These courses should be chosen in consultation with the student's advisor.

Summary of Total Credits

Liberal Arts Core (32 credits)

Common Physics Core Requirements (33 credits)

Applied Physics Requirements (12 credits)

Elective Hours (43 credits)

Minimum to Earn a BS in Physics with an Emphasis in Professional Physics (120 hours)

PHYSICS – TEACHER LICENSURE 6-12

For teacher licensure 6-12 in Physics, students can complete either the applied or professional physics emphasis and must meet state-mandated requirements as well as complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Science licensure in Physics 6-12, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science (11 hours)** MATH 151 (*as listed in major hours below*)
 - PHYS 201 (*as listed in major hours below*)
 - PHYS 202 (*as listed in major hours below*)
- **Studies in Personal/Social Awareness**
 - PSY 204, PSY 206, or CFS 206 (3)
- **Senior Capstone Course (*as listed in major hours below*)**
 - PHYS 491

Physics Core Requirements (36 hours)

PHYS 201	Principles of Physics I (4 credits)
PHYS 202	Principles of Physics II (4 credits)
PHYS 110	Astronomy (3 credits)
PHYS 307	Modern Physics (3 credits)
PHYS 308	Quantum Physics (3 credits)
PHYS 318	Experimental Physics (2 credits)
PHYS 330	Mechanics (3 credits)
PHYS 491	Senior Seminar (1 credit)
MATH 151	Calculus I (3 credits)
MATH 152	Calculus II (3 credits)
MATH 211	Calculus III (3 credits)
CHEM 103	General Chemistry I (4 credits)

Additional Physics Requirements (6 hours)

Six additional hours from PHYS courses (6 credits)

Related Area Requirements (8 hours)

CHEM 104	General Chemistry II (4 credits)
BIOL 105	General Biology I (4 credits)

Professional Education (37 hours)

(A grade of C or better is required in all courses below)

EDUC 203SL Foundations of Education (3 credits)

EDUC 204 Educational Technology (3 credits)

EDUC 205 Introduction to Diagnostic Reaching Instruction: Techniques and Strategies (3 credits)

EDUC 342	Curriculum, Instruction, and Management of the 6-12 Classroom (3 credits)
EDUC 350	Diversity in Schools, Homes, and Communities (2 credits)
EDUC 403	Assessment and Evaluation (3 credits)
EDUC 420	Content-Area Methods in 6-12 Classroom (3 credits)
EDUC 432	Disciplinary Literacy (2 credits)
SPED 313	Survey of Persons with Exceptionalities (3 credits)
EDUC 463	Seminar in Student Teaching (2 credits)
EDUC 465	Student Teaching: Placement One (5 credits)
EDUC 467	Student Teaching: Placement Two (5 credits)

Elective Hours (1 credit)

Summary of Total Credits

Liberal Arts Core (32 credits)

Physics Core Requirements (36 credits)

Additional Physics Requirements (6 credits)

Related Area Requirements (8 credits)

Professional Education Requirements (37 credits)

Elective Hours (1 credit)

Minimum to Earn a BS in licensure in Physics 6-12 (120 hours)

PHYSICS MINOR

A Physics minor consist of a minimum of 20 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. Courses required for a Physics Minor are:

PHYS 201 Principles of Physics I (4 credits)

PHYS 202 Principles of Physics II (4 credits)

Any physics course numbered 300 or above (6 credits)

MATH 151 Calculus I (3 credits)

MATH 152 Calculus II (3 credits)

PSYCHOLOGY

Shawn O'Hare Dean of the School of Arts, Humanities, and Social Sciences
 April Dye, Chair of Psychology

Majors

Psychology
 Social Entrepreneurship

Specialization

Psychology – Teacher Licensure 9-12

Minors

Criminal Psychology
 Developmental Psychology
 Mental Health
 Psychology
 Research in Psychology
 Social Entrepreneurship

The Psychology Department at Carson-Newman University seeks to provide an excellent undergraduate learning experience within a supportive Christian environment. The department is located in the Chambliss Building. In addition to traditional academic courses, the Psychology Department offers several practical opportunities through community field work, internships, independent research projects and teaching assistantships. One distinguishing feature of the Psychology Department is our emphasis on community participation and service. Following graduation, alumni have entered a variety of vocational fields, including mental health, the ministry, education, law, research, business and industry.

Students may choose between two primary majors: Psychology or Social Entrepreneurship. Psychology provides an overview of the field of psychology. Students going into bachelor's level mental health work or graduate study in applied fields such as counseling, youth work, psychological research, or social services should also choose a minor in psychology. An additional major, Social Entrepreneurship, is available for students wishing to help people by building strong communities through non-profit organizations of public policy advocacy. All majors are expected to participate in the co-curricular program of the psychology department by attending announced meetings, guest speaker programs as well as working closely with their faculty advisors in academic and career planning. Often students will choose to major and minor in psychology.

Because recommended job and graduate school preparations can vary widely depending on career direction, CAREFULLY PLAN your course of studies by meeting regularly with your faculty advisor.

Students in the psychology major are eligible for membership in Psi Chi, the national psychology honor society, and the Psychology Club, which helps plan departmental activities.

Advanced Placement

Three hours of credit for general psychology will be granted for a score of 4 or 5. Applicants must submit to the chair of the department a written description of the content of their high school psychology

course, the most important and interesting topics they covered, and any course activities or projects. The chair will determine whether credit is to be awarded for PSY 101 or 102.

Language

General Psychology majors, Applied Psychology majors, and Social Entrepreneurship majors require six hours of language at the 100 level or higher. The language does not have to be in the same language.

PSYCHOLOGY

Designed for students interested in a broad-based, liberal arts education with a comprehensive introduction to the field of psychology. It is also ideal as a second major or for students who wish to both major and minor in psychology. The psychology majors require six hours of language at the 100 level or higher.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with psychology, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
 Laboratory Science (6 credits)
- **Studies in Personal/Social Awareness**
 Language (100 level or higher) (6 credits)
- **Senior Capstone Course** (as listed in major hours below)
 PSY 412SL

Psychology Requirements (30 hours)

PSY 101	Introduction of Behavioral Science (3 credits)
PSY 102	Understanding Human Behavior (3 credits)
PSY 204	Childhood and Adolescence (3 credits)
or 206	<i>Human Development Through the Lifespan</i>
PSY 213	Statistics and Research Design (3 credits)
PSY 301	Social Psychology (3 credits)
or 318	<i>Humanity and the Biosphere</i>
PSY 302	Abnormal Psychology (3 credits)
PSY 405	History and Systems of Psychology (3 credits)
PSY 412SL	Senior Seminar (3 credits)
PSY Electives	(6 credits)

Elective Hours (43 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)
 Psychology Requirements (30 credits)
 Elective Hours (43 credits)

Minimum to Earn a BA in Psychology (120 hours)

Collateral Areas

It is highly recommended that students preparing for graduate study in psychology, theology, law, medicine, or other professions take an additional emphasis, minor, or major in another area. Examples are biology, math, computer science, English, philosophy, religion, language, political science, history, sociology, cross-cultural sociology, art, music, conflict and justice studies, creative writing, film study, women's studies, Latin American studies, photography, management, or economics.

PSYCHOLOGY – TEACHER LICENSURE 9-12

Teacher Licensure: For licensure in Psychology 9-12, students must meet state-mandated requirements as well as complete the following curriculum.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with licensure 9-12 in Psychology, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 credits)

SOCIAL ENTREPRENEURSHIP

The Social Entrepreneurship: Citizens Creating Change for the Common Good is a major designed to equip students to assume positions of leadership and service in the citizenship sector working for positive change in the world and to start their own volunteer or non-profit organizations intended to address an identified social injustice or human need. The psychology majors require six hours of foreign language at the 100 level or higher.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts with social entrepreneurship, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- **Senior Capstone Course (*as listed in major hours below*)**
PSY 412SL

Social Entrepreneurship Requirements (26 hours)

ECON 204	Economic Concepts (3 credits)
	<i>or ECON 210 Principles of Microeconomics</i>
MGT 306	Organizational Behavior (3 credits)
PSY 408	Psychology of Gender (3 credits)
	<i>or PSC 323 Global Feminisms: Women in the Modern World</i>
PSY 212	Social Entrepreneurship Seminar (2 credits)
PSY 312SL	Social Entrepreneurship & Non-Profit Studied (3 cr)
PSY 323	Peace Psychology (3 credits)
	<i>or PSY 209 Psychology of Adjustment and Health, or PSY 250 Society and the Individual</i>
BTS/PHIL 301SL	Christian Ethics (3 credits)
PSY 301	Social Psychology (3 credits)
	<i>or SOC 205SL Sociology of Community</i>
PSY 412SL	Senior Seminar (3 credits)

One course from each of the following subject areas (9 hours):

Political Science:

- PSC 101 Introduction to Civil Rights and Liberties (3 credits)
- PSC 102 American Government and Politics (3 credits)
- PSC 409 Contemporary Issues in U. S. Public Policy (3 cr)

Sociology:

- SOC 207 Race and Ethnicity (3 credits)
- SOC 305 Urban Sociology (3 credits)
- SOC 402 People and Problems of the Third World (3 credits)

Social Science Elective:

- PSC 241 History of Environmentalism and Environmental Politics (3 credits)
- PSY 318 Humanity and the Biosphere (3 credits)
- SOC 311 Environmental Sociology (3 credits)

Elective Hours (38 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)
Psychology Requirements (26 credits)
Additional 9 hours in subject area
Elective Hours (38 credits)

Minimum to Earn a BA in Social Entrepreneurship (120 hours)

MINORS

Minors consist of a minimum of 18 credit hours. Courses in the minor may not count toward a major, another minor, or the core unless such courses are designated as required. Courses so designated and counted in more than one area are limited to 6 hours. The minors are for both psychology majors and non-majors. Minors available and their requirements are:

CRIMINAL PSYCHOLOGY (18 hours)

- PSY 102 Understanding Human Behavior (3 credits)
 PSY 301 Social Psychology (3 credits)
 PSY 302 Abnormal Psychology (3 credits)
 PSY 316 Forensic Psychology (3 credits)
 SOC 310 Introduction to Criminology (3 credits)

or SOC 401 Family Violence

Choose one of the following:

- PSY 320 Topics in Psychology (Juvenile Offenders) (3 credits)
 PSY 337 Neuropsychology (3 credits)
 PSY 406 Personality Theories (3 credits)

DEVELOPMENTAL PSYCHOLOGY (18 hours)

- PSY 102 Understanding Human Behavior (3 credits)
 or PSY 101 Introduction to Behavioral Science
 PSY 206 Human Development Through the Lifespan (3 credits)
 PSY 308 Cognitive Psychology (3 credits)
 PSY 337 Neuropsychology (3 credits)

Choose six (6) hours from the following:

- PSY 320 Topics in Psychology (Juvenile Offenders) (3 credits)
 PSY 406 Personality Theories (3 credits)
 PSY 408 Psychology of Gender (3 credits)

MENTAL HEALTH (18 hours)

- PSY 102 Understanding Human Behavior (3 credits)
 PSY 206 Human Development Through the Lifespan (3 credits)
 PSY 209 Personal Adjustment and Health (3 credits)
 PSY 302 Abnormal Psychology (3 credits)
 PSY 304 Child and Adolescent Psychopathology (3 credits)
 or PSY 316 Forensic Psychology, or PSY 334 Group Counseling
 PSY 413 Counseling Theories and Techniques (3 credits)

PSYCHOLOGY (18 hours)

- PSY 101 Introduction to Behavioral Science (3 credits)
 PSY 102 Understanding Human Behavior (3 credits)
 PSY Electives (12 credits)

RESEARCH IN PSYCHOLOGY (18 hours)

- PSY 213 Research Design and Interpretation (3 credits)
 PSY 301 Sociology Psychology (3 credits)
 PSY 308 Cognitive Psychology (3 credits)
 PSY 313 Statistical Analysis for the Social Sciences (3 credits)

Choose six (6) hours from the following:

- PSY 337 Neuropsychology (3 credits)
 PSY 401 Research Assistant (1-3 credits)
 PSY 406 Personality Theories (3 credits)
 PSY 425 Positive Psychology (3 credits)
 PSY 491 Psychological Research (2-3 credits)
 HON 499 Independent Honors Thesis (1-6 credits)

SOCIAL ENTREPRENEURSHIP (20 hours)

- ECON 204 Economic Concepts (3 credits)
 or ECON 210 Principles of Microeconomics
 MGT 306 Organizational Behavior (3 credits)
 PSC 102 American Federal Government I (3 credits)
 or PSC 330 Law in American Society, or PSC 409 Contemporary Issues in U. S. Public Policy
 PSY 212 Social Entrepreneurship Seminar (2 credits)
 PSY 312SL Social Entrepreneurship & Non-Profit Studies (3)
 BTS/PHIL 301SL Christian Ethics (3)
 PSY 301 Social Psychology (3)
 or SOC 205SL Sociology of Community

SOCIOLOGY

Criminology

Human Services

Sociology

The Sociology program is located in the Chambliss Building. Sociology and Human Services majors have opportunities for practical experience in service-learning settings such as the Tennessee Department of Human Services, community organizations, and urban or overseas missions.

Majors with a 3.5 GPA become members of Alpha Kappa, the department's honor society.

The sociology and the human services majors require six hours of language at the 100 level or higher. The language does not have to be in the same language.

NOTE: Courses in one major within the Sociology Department may not count toward the other major offered by the department unless such courses are designated as required by both majors. Courses so designated and counted in more than one major are limited to two.

SOCIOLOGY – GENERAL SOCIOLOGY

For a major in sociology with an emphasis in general sociology, a student must complete no less than 30 hours within the department.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts in sociology, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- **Studies in Personal/Social Awareness**
SOC 101 Introduction to Sociology (3 credits)
- **Senior Capstone Course** (as listed in major hours below)
SOC 441

Sociology Core Requirements (8 hours)

SOC 204 Introduction to Sociological Research (3 credits)
SOC 405 Social Theory (3 credits)
SOC 441 Seminar in Sociology (2 credits)

General Sociology Emphasis (19 hours)

SOC electives (19 credits)

Elective hours (46 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)

Sociology Core Requirements (8 credits)

General Sociology Emphasis (19 credits)

Elective Hours (46 credits)

Min. to Earn a BA in Sociology with General Sociology Emp. (120 hours)

SOCIOLOGY – CRIMINOLOGY

For a major in sociology with an emphasis in criminology, a student must complete no less than 30 hours within the department.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts in sociology with an emphasis in criminology, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 credits)
- **Studies in Personal/Social Awareness**
SOC 101 Introduction to Sociology (3 credits)
- **Senior Capstone Course** (as listed in major hours below)
SOC 441

Sociology Core Requirements (8 hours)

SOC 204 Introduction to Sociological Research (3 credits)
SOC 405 Social Theory (3 credits)
SOC 441 Seminar in Sociology (2 credits)

Criminology Core (12 hours)

SOC 310 Introduction to Criminology (3 credits)
SOC 325 American Criminal Justice System (3 credits)
SOC 420 Punishment and Society (3 credits)
PSC 101 Introduction to Civil Right and Liberties (3 credits)

Electives for Criminology Emphasis (7 hours)

Choose seven (7) hours from the following courses:

SOC 105 Social Problems (3 credits)
SOC 203 Statistical Concepts and Methods (3 credits)
SOC 207 Race and Ethnicity (3 credits)
SOC 324 Topics in Criminology (1-3 credits)
SOC 401 Family Violence (3 credits)
PSC 337 Contemporary Criminal Procedures (3 credits)
PSY 316 Forensics Psychology (3 credits)

Elective hours (46 credits)

Summary of Total Credits

Liberal Arts Core (47 credits)

Sociology Core Requirements (8 credits)

Criminology Core (12 credits)

Criminology Elective Hours (7 credits)

Elective Hours (46 credits)

Min. to Earn a BA in Sociology with Criminology (120 hours)

SOCIOLOGY – CROSS-CULTURAL

For a major in sociology with an emphasis in cross-cultural sociology, a student must complete no less than 30 hours within the department.

Liberal Arts Core Requirements

All students are expected to complete the university's Liberal Arts Core requirements. See the Liberal Arts Core Requirements section of the catalog for additional details. Bachelor of Arts in sociology with an emphasis in cross-cultural sociology, students should fulfill specific categories of the Liberal Arts Core curriculum by taking the courses indicated below.

- **Studies in Mathematics and Science**
Laboratory Science (6 credits)

SOC 405	Social Theory (3 credits)
Nine (9) hours of sociology courses (9 credits)	

UNDERGRADUATE COURSE DESCRIPTIONS

ACADEMIC SKILLS ENHANCEMENT (ASE)

**Hours are not degree credit hours and cannot be used toward graduation requirements.*

ASE 030. Reading Skills, 3 credits*, Fall, Spring

Comprehension and vocabulary development, listening, note-taking, test-taking, and time-management skills.

ASE 031. Basic Writing Skills, 3 credits*, Fall, Spring

Basic reviews and development of grammar, spelling, vocabulary, and composition (essay) skills and mechanics.

ASE 033. Basic Writing Skills for International Students, 3 credits *, Taught as needed

Taught as needed for those students whose second language is English. Development of grammar, spelling and composition (essay) skills.

ASE 034. Intermediate Algebra, 3 credits *, Fall, Spring

The number system, basic operations and properties, equations and inequalities, quadratic equations, graphs, exponents and radicals, ratio, proportion, and variation.

ASE 070. Intermediate Algebra II, 2 credits *, Fall, Spring

Additional skill development in college algebra. Placement based on ACT math score.

ACCOUNTING (ACCT)

ACCT 201. Principles of Financial Accounting, 3 credits, Fall, Spring

Introduction to basic concepts and terminology of financial accounting. Study of basic financial statements, recording of transactions, and control of assets for various forms of business organizations in retail and service industries, financing through the use of debt, and capital stock transactions. *\$45.00 fee.*

ACCT 202. Principles of Managerial Accounting, 3 credits, Fall, Spring

Introduction of the basic concepts and terminology of managerial accounting. Study of the basic cost behaviors, product costing, profit planning and budget preparation necessary for decision making. **Prerequisite:** ACCT 201

ACCT 301. Intermediate Accounting I, 3 credits, Fall

The study of accounting standards, conceptual framework, accounting process and balance sheet accounts.

Prerequisite: Business Foundation Core

ACCT 302. Intermediate Accounting II, 3 credits, Spring

The study of stockholder equity, earnings per share, income taxes, pensions, leases, cash flow and accounting concepts.

Prerequisite: ACCT 301

ACCT 306. Strategic Cost Accounting, 3 credits, Spring

Study of the creation and measurement of value in business organizations. Provides the skills needed to help organizations improve their financial and operating performance, thereby increasing the value of the firms. **Prerequisite:** Business Foundation Core

ACCT 307. Accounting Theory, 3 credits, Offered periodically

Study of theories, principles and postulates of accounting. Includes a study of history of standard setting process, analysis of the APBs and FASBs and a survey of current topics. Students make major presentation on some issue affecting the profession. **Prerequisite:** ACCT 301

ACCT 308. Not-for-Profit Accounting, 3 credits, Offered periodically

Study of budgeting, accounting and control procedures for non-profit organizations such as governmental units, philanthropic organizations, churches, hospitals and colleges. Includes theory and principles as stated in FASB and GASB standards. **Prerequisite:** Business Foundation Core

ACCT 309. Accounting Information Systems, 3 credits, Fall

Introduction to the use of relational databases and the design of accounting information systems that use such databases with respect to the revenue cycle, expenditure cycle, and payroll cycle. Database design using the REA data model and implementing an REA model in relational databases are covered. Students study computer fraud and systems controls to detect fraud. **Prerequisite:** Business Foundation Core

ACCT 400. Teaching Assistantship, 1-3 credits, Offered periodically

Majors selected by departmental invitation to tutor students in accounting and assist accounting faculty with teaching related activities. Does not count toward hours required for any business major or minor. **Prerequisite:** Business Foundation Core and instructor's consent.

ACCT 402. Auditing I, 3 credits, Spring

The auditing profession, types of reports, professional ethics, legal liability, and methods of conducting audits. **Prerequisite:** Business Foundation Core

ACCT 406. Advanced Accounting, 3 credits, Fall

Study of accounting procedures for consolidated firms, partnerships and a survey of accounting for not-for-profit organizations. **Prerequisites:** ACCT 301 and 302

ACCT 414. Federal Taxation I, 3 credits, Fall

Federal tax fundamentals with emphasis on Internal Revenue Service rules and regulations as applicable to individual taxpayer.

Prerequisite: Business Foundation Core

ACCT 415. Federal Taxation II, 3 credits, Spring

Federal income tax fundamentals with emphasis on Internal Revenue Service rules and regulations applicable to corporations, partnerships, estates, and trusts. **Prerequisite:** ACCT 414

ACCT 465. Accounting Internship, 1-6 credits, Offered periodically

Practical experience as an accountant or accountant trainee. Proposals

must be submitted for approval to faculty member supervising the internship. Credit assigned will be at the sole discretion of supervising faculty member. Course may be repeated to a maximum of 6 hours credit. S/F grading. **Prerequisites:** Business Foundation Core, junior standing, instructor's consent.

AMERICAN SIGN LANGUAGE (ASL)

ASL 201. American Sign Language I, 3 credits, Fall, Spring, Summer
This course introduces learners to Deaf culture and the American Sign Language (ASL), the mode of communication of individuals who are Deaf, Deaf-Blind, and hard of hearing. Students will gain a basic understanding of Deaf culture and be able to communicate in basic ASL. *\$25 fee.*

ASL 202. American Sign Language II, 3 credits, Fall, Spring, Summer

Extends the learning of ALS 202 and increases the ability of students to communicate in American Sign Language with individuals who are Deaf, Deaf-Blind, or hard of hearing. **Prerequisite:** ASL 201 *\$25 fee.*

ARCHEOLOGY (ARC)

ARC 201. Archaeological Method and Theory, 3 credits, Spring
Archeological Method and Theory is a foundational survey of the methodological and theoretical principles required to conduct or assess an archaeological excavation.

ARC 301. Near Eastern Archeology, 3 credits, Fall

This course is a study of the archaeological remains from the Levant that aid in the interpretation of the Old Testament. These archaeological finds assist in understanding the history, society, religious landscape, built environments, and material culture of the Hebrew people and their ancient environs. This course will begin with the Pre-Pottery Neolithic and extend through the Persian Period, stopping before the era of Macedonians.

ARC 302. Greco-Roman Archeology, 3 credits, Spring

This course is a study of the archaeological remains from the ancient Mediterranean World that aid in the interpretation of the New Testament. These archaeological finds assist in understanding the history, society, religious landscape, built environments, and material culture of the early Jesus movement and the development of Christianity across the Mediterranean Sea. This course continues with the rise of the Macedonians where the Archaeology & the Old Testament ended. We begin with the Conquest of Alexander the Great and conclude with the reign of Domitian near the turn of the first century CE.

ARC 401. Archeology Field Experience, 3 credits, Summer.
\$100+ fee

ART (ART)

ART 100. Art Fundamentals I, 6 studio hours, 3 hours credits, studio fee, Fall

Study and practical applications of the basic fundamentals of visual art,

with an emphasis on 2-dimensional design and composition, including the exploration of line, shape, value, texture, color, and space.

\$100 fee.

ART 103. Art Fundamentals II, 6 studio hours, 3 credits, studio fee, Spring

A continuation of the study and applications of the basic fundamentals of visual art started in ART 100, with an emphasis on 3-dimensional design and composition, the appropriate and safe use of artmaking tools and materials, and professional presentation methods.

Prerequisite: ART 100. *\$100 fee.*

ART 104. Photography I, 6 studio hours, 3 credits, studio fee, Fall, Spring

Introduction to the basic concepts, processes, and techniques or traditional analog film photography, including 35mm camera usage, exposure, and black and white film and print development in a traditional chemical darkroom. **The student is responsible for providing his or her own 35 mmfilm SLR (single lens reflex) camera for this course.**

\$150 fee.

ART 105. Drawing I, 6 studio hours, 3 credits, studio fee, Fall

Problems in drawing and sketching as applied to the realistic and expressive representation of still life, landscape and figure motifs. Emphasis on composition, line and value qualities, rapid figure sketching and use of varied drawing media. *\$120 fee.*

ART 113. Computer Graphics, 3 credits, Fall, Spring

An introduction to computer hardware and software used in graphic design and the visual arts. *\$150 fee.*

ART 121. Orientation for Art and Photography Majors, 2 credits, Fall

Orientation to the policies and procedures of the Art Department, including submitting to and preparing work for the student gallery, annual portfolio review, using equipment and tools within the department, safety and appropriate use of hazardous materials, and overall professionalism. **This course is required and should be taken during the fall of either the freshman or transfer year.**

ART 204. Photography II, 6 studio hours, 3 credits, studio fee, Spring

Continuation of 35 mm black and white analog film and print development techniques started in Art 104, in a traditional chemical darkroom, with emphasis on categorical photography and special techniques. **Prerequisite:** ART 104. *\$150 fee.*

ART 205. Drawing II, 6 studio hours, 3 credits, studio fee, Spring

Problems aimed at developing skill and expressiveness in drawing the basic form, construction and action of the human figure from live models. **Prerequisite:** ART 105. *\$120 fee.*

ART 210. Art Appreciation, 3 credits, Fall, Spring, Summer

An introduction to visual art covering the following topics: the meanings, purposes, and styles of art; the art elements and principles of design; key achievements in art history; and the various media used to create works of art.

ART 224. Digital Photography, 6 studio hours, 3 credits, studio fee, Fall

Investigation and practical application of digital capture, storage, digital manipulation, and output of digital photography. **Prerequisite:** ART 104. *\$150 fee.*

ART 229. Printmaking, 6 studio hours, 3 credits, studio fee, offered periodically

This course will explore a variety of processes in printmaking from traditional relief and intaglio printing to basic screen printing, experimental monotype approaches, and an introduction to historical typography using the letterpress. *\$150 fee.*

ART 233. Graphic Design I, 6 studio hours, 3 credits, Spring

Basic design principles are applied to projects exploring resources, conceptual principles, and procedures underlying the practice of graphic design, in particular, the process of problem solving. An emphasis is placed on typography as a medium and message of design. **Prerequisite:** ART 113. *\$150 fee.*

ART 234. History of Photography, 3 credits, Fall odd years

Study of the historical development of photography and noteworthy photographers.

ART 243. Graphic Design II, 6 studio hours, 3 credits, Fall

The development of layout concepts emphasizing the integration of typography and visual imagery. Students develop more sophisticated abilities through problem-solving activities geared to increasing graphic design awareness and skills, as well as a general understanding of production through computer enhanced design and the designer-client roles and responsibilities. **Prerequisite:** ART 233. *\$150 fee.*

ART 264. Studio Photography, 6 studio hours, 3 credits, studio fee, Spring odd years

Introduction to digital studio photography, including the fundamentals of studio lighting. Emphasis is placed on gaining technical skills, mastering necessary techniques and using studio lighting to obtain the desired aesthetic effect. **Prerequisite:** ART 224. *\$150 fee.*

ART 284. Fine Art Photography, 6 studio hours, 3 credits, studio fee, Spring even years

Investigation and development of individualized photographic image-making for the fine art arena, with emphasis on professional quality work. **Prerequisite:** ART 204. *\$50 fee.*

ART 300. Teaching Assistantship, 1-3 credits, Fall, Spring

An opportunity for the student to gain teaching-related, Art Department-related, and/or professional art-related experience while working for college credit. Each student is assigned to help one or more of the professors in the Art Department. For each credit hour earned, the student will work two clock hours per week during the semester. Credit variable 1-3 hours. Course is repeatable.

Prerequisite: Instructor's consent.

ART 302. Painting I, 6 studio hours, 3 credits, studio fee, Spring

Introduction to painting materials and techniques related to watercolor, oil and/or acrylics through studio problems and reading assignments. *\$175 fee.*

ART 308. Art Methods for Elementary Teachers, 3 credits, materials fee, Fall

Designed to help prepare students to be effective teachers of art at the elementary and middle school levels. Focus will be on effective lesson planning, experience with media appropriate for the age group, development of a teaching file, and examination of the stages of artistic development (with appropriate art lessons and teaching strategies for each age group). **Practicum required for art majors.** *\$75 fee.*

ART 313. History of Graphic Design, 3 credits, Fall odd years

A survey of the historical development of graphic design from first attempts at communication through cave painting and invention of writing to current design trends in print, web, and motion graphics.

ART 316. Art History Survey I, 3 credits, Fall

A survey covering the history of Western visual art from prehistoric times to the Gothic period.

ART 317. Art History Survey II, 3 credits, Spring

A survey covering the history of Western visual art from the Renaissance period to the present.

ART 323. Web and Interactive Design, 6 studio hours, 3 credits, studio fee, Fall even years

This is a course in web page and interactive design, including how to build a basic site and digital portfolio. An emphasis will be placed on the balance between technical skill and aesthetics. Topics covered include understanding and navigating a CMS system, page layout, digital imaging, color, typography for web-based use, integrated content, appropriate file types, portability, and user performance. **Prerequisites:** Art 113 and 233. *Web hosting fees may apply.*

ART 324SL. Color Photography, 6 studio hours, 3 credits, studio fee, Fall even years

Explorations of color photography, including digital image capture and printing, and traditional film and chemical color darkroom printing materials and methods. **Prerequisites:** ART 204 and 224. *\$175 fee. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

ART 343SL. Graphic Design III, 6 studio hours, 3 credits, Fall odd years

Continuation of essential graphic design skills through conceptualization and evolution of complex projects in which the designer must determine how to communicate visually with a specific audience. Projects will focus on socially responsible design and how graphic designers can play a key role in the betterment of society. **Prerequisite:** ART 243. *\$150 fee.*

This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

ART 350. Intermediate Studio Art, 3 credits, Fall

Mixed media and interdisciplinary studio problems aimed at the exploration of expressive, conceptual, and technical art-making methods. **Prerequisites:** ART 103 and 105. *\$120 fee.*

ART 365. Internship in Visual Arts, 3-6 credits, Offered as needed

An internship with an established art, graphic design, or photography

professional firm. Requires the recommendation of the Art Department Chair. Credit hours determined by work hours arranged with the firm.

ART 402. Painting II, 6 studio hours, 3 credits, studio fee, Spring
Continuation of ART 302 aimed at individual skill development in terms of expressive ability and quality of work. **Prerequisite:** ART 302. *\$175 fee.*

ART 411. Senior Seminar, 3 credits, materials fee, Fall
Seminar style investigation of topics relevant to post-graduate experiences for emerging professional artists and photographers. Includes discussion of exhibition, employment, and graduate school opportunities, and the creation of a professional portfolio of the student's work. For art majors and photography majors, to be taken in the senior year. *\$100 fee.*

ART 414. Alternative Photographic Processes, 6 studio hours, 3 credits, studio fee, Spring even years
Exploration of non-traditional applications and presentation methods of silver-based and digital photographic processes, as well as of non-silver wet darkroom photographic methods and processes. **Prerequisite:** ART 204. *\$100 fee.*

ART 417. Modern and Contemporary Art, 3 credits, Fall even years
A study of significant Western visual art and architecture produced in the modern, postmodern, and contemporary periods.

ART 418. Non-Western Art, 3 credits, Spring odd years
An overview of the culture and art of several non-western civilizations throughout the ages.

ART 434. Photojournalism, 6 studio hours, 3 credits, studio fee, Spring odd years
Exploration of the professional practice and the actual production of journalistic photographs and documentary photographs, emphasizing professional quality work. **Prerequisite:** ART 204. *\$150 fee.*

ART 440. Advanced Photographic Methods, 6 studio hours, 3 hours credit, Fall
Advanced skill development of photographic image-making, emphasizing individual projects, individual style and thematic exploration, and professional quality of work. Course may be repeated only once for additional credit. **Prerequisites:** ART 103 and 204. *\$50 fee.*

ART 444. Commercial Photography, 6 studio hours, 3 credits, studio fee, Spring even years
A concentration on the production of commercial, advertising, industrial, and/or fashion photographs, with an emphasis on professional quality work. **Prerequisite:** ART 204. *\$50 fee.*

ART 450. Advanced Studio Art, 6 studio hours, 3 credits, Fall
A continuation of interdisciplinary studio problems emphasizing individual projects, personal expression and conceptual exploration, and professional quality of work and presentation. Course may be repeated only once for additional credit. **Prerequisite:** ART 350.

ART 453. Graphic Design IV, 6 studio hours, 3 credits, Spring even years

Each student will develop an independent semester long project of his/her choice. Students must form a visual concept for the project and generate final printed materials that will be presented during a final critique. A written project brief and description, along with a timeline outlining points of completion within the project, and a process book are all supporting requirements. **Prerequisite:** ART 343SL. *\$150 fee.*

BIBLICAL AND THEOLOGICAL STUDIES (BTS)

BTS 101. Introduction to the Old Testament, 3 credits, Fall, Spring, Summer. Introductory study of the background, growth, content, and relevance of the Old Testament.

BTS 102. Introduction to the New Testament, 3 credits, Fall, Spring, Summer. Introductory study of the background, growth, content, and relevance of the New Testament.

BTS 155. Who Are the Baptists, 1 credit, Fall
This survey of Baptist history and beliefs will attend to beliefs and behaviors that distinguish Baptists from other Protestants, as well as outlining those beliefs and behaviors that Baptists hold in common with other Protestants and other Christians.

BTS 224SL. Spiritual Growth and Development, 3 credits, once each year. Investigation of the biblical understanding of discipleship and spirituality and the psychological aspects of personal development in relationship to the faith journey in college-age students. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

BTS 238. Introduction to Children's Ministry, 3 credits, once every 2 years. Upon successful completion of this course, the student will be able to develop and express a theology of childhood in the context of the Christian tradition; understand and articulate key theories related to childhood development and their relevance to children's ministry; analyze and explain the effects of cultural trends on the lives of children and families; and evaluate and assess various models and practices of children's ministry.

BTS 240. Introduction to Youth Ministry, 3 credits, once every 2 years. Overview of the key issues and best practices involved in conducting an effective ministry to youth through the local church and denomination.

BTS 241. Introduction to Leadership, 3 credits, once every 2 years
Study of the principles and models of effective leadership within both the church and the world.

BTS 263. Methods of Biblical Interpretation, 3 credits, Spring
This course serves as an introduction to the methods of biblical interpretation. It examines the process of interpretation, discusses various methods of interpretation, and provides a basic practicum that (1) familiarizes students with various genres of scripture and (2) enables students to practice biblical interpretation on a variety of texts from both the Old and New Testaments.

BTS 300. Vocation, Purpose, and Life Calling, 3 credits, Spring

This course examines the concept of calling, vocation, and life purpose. Content introduces the history, theology, and spirituality of calling and vocation in the Christian tradition as a path to discovering purpose, especially in work. In addition to the theoretic basis, the course will facilitate personal exploration of life calling and purpose by students.

BTS 301SL. Christian Ethics, 3 credits, Spring

Critically examines the biblical, historical, and theological principles of moral value. Attention will be given to ethical theory and Christian moral values as they derive from the Bible. Same as PHIL 301SL. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

BTS 313. Proverbs, Job, Ecclesiastes, 3 credits, Spring

Study of the wisdom movement in Israel and its relationship to the wisdom literature in the Old Testament. **Prerequisite:** BTS 101 or instructor's consent.

BTS 314. The Psalms: Israel's Voice in Worship, 3 credits, once every 2 years

Study of Israel's worship in the Psalter as a source for worshipping God in the twenty-first century. **Prerequisite:** BTS 101 or instructor's consent.

BTS 315. Worship in the New Testament, 3 credits, once every 2 years

Study of the New Testament as a source for worshipping God in the twenty-first century.

BTS 317. Johannine Literature, 3 credits, once every 2-3 years

Context and contemporary meaning of the writings of John.

Prerequisite: BTS 102 or instructor's consent.

BTS 318. Sermon on the Mount, 3 credits, once every 2 years

Exegetical study of Matthew 5-7. **Prerequisite:** BTS 102 or instructor's consent.

BTS 319. Paul, 3 credits, once every 2-3 years

Study of the letters, life, and thought of the Apostle Paul.

Prerequisite: BTS 102 or instructor's consent.

BTS 320. Religions of the World, 3 credits, Spring as needed

Analysis of the origins, beliefs, and practices of the major religious traditions of the world.

BTS 322. New Religious Movements, 3 credits, Spring as needed

Study of diverse new religious groups current in the contemporary world.

BTS 324. Islam, 3 credits, Spring as needed

A comprehensive examination of the faith and practice of Muslims.

BTS 329. Denominations in America, 3 credits, as needed

Introduction to the origins, distinctive beliefs, and influence of selected denominations in America.

BTS 339. History of Christianity, 3 credits, Fall

Survey of the development of Christianity since the first century.

Same as HIST 357.

BTS 347. Sermon Preparation and Delivery, 3 credits, as needed

Study of the principles of preparing and delivering sermons. Students write, deliver, and analyze sermons. **Prerequisite:** COMM 135 or instructor's consent.

BTS 352. Baptist Stories, 1 credit, as needed

Study of persons who have made significant contributions to Baptist life and thought such as C. H. Spurgeon, Annie Armstrong, Martin Luther King, Jr. and T. B. Maston. **Does not meet religion major requirements.**

BTS 354. Baptists in the United States, 1 credit, as needed

Exploration of various aspects of Baptist life in the United States.

Does not meet Religion major requirements.

BTS 355. History of the Baptist People, 3 credits, Fall

Baptist beginnings and development.

BTS 357. Tutorial in Baptist Research I, 3 credits, Fall

Guided reading and writing program for Oxford Studies minors in preparation for residency at Regents Park College of Oxford University, England. See faculty advisor.

BTS 358. Tutorial in Baptist Research II, 3 credits, Spring

Guided reading and writing program for Oxford Studies minors in preparation for residency at Regents Park College of Oxford University, England. **See faculty advisor.**

BTS 359. Readings in British and Baptist Life, 3 credits, as needed

Students in the Oxford Studies minor are provided a readings list of books on: British history, Baptist life and thought, and British Baptist history. Students are required to write reviews on each book to use as background for their study during the year.

BTS 361. Introduction to Systematic Theology, 3 credits, once every 2-3 years

Review of a systematic selection of the theological issues designed to prepare students for further study.

BTS 362. Readings in Christian Theology, 3 credits, once every 2-3 years

Classics of Christian theological literature.

BTS 400. Teaching Assistantship, 1-3 credits, Fall, Spring

Teaching assistantship for majors by departmental invitation. May involve some class presentations. Does not meet ministry studies requirement. Maximum of 6 hours credit.

BTS 402SL. Philosophy of Religion, 3 credits, Fall

Surveys the engagement of philosophy with religion, with focus upon religious experience, "proofs" of God's existence, religious language, miracles, life after death, and associated topics. **Prerequisites:** PHIL 101 or instructor's consent. Same as PHIL 402SL. Meets Theological Studies requirement for Religion majors. This course is a service-learning course and may require additional time

commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

BTS 404. Nonwestern Religious Thought, 3 credits, Fall even years
Examines the conceptual component in various Eastern religions. The student will read extensively from the sacred writings of these religions and seek to formulate the principles which are basic to them. Comparative studies will be encouraged. **Prerequisite:** PHIL 101 or instructor's consent. Same as PHIL 404.

BTS 411. Parables of Jesus, 3 credits, as needed
Exegetical and theological study of the parables in the Gospels.
Prerequisite: BTS 102 or instructor's consent.

BTS 412. Luke-Acts, 3 credits, as needed. Exegetical, theological, and narrative exploration of the Gospel of Luke and the Acts of the Apostles.
Prerequisite: BTS 102 or instructor's consent.

BTS 415. Old Testament Prophets, 3 hours, Fall
Ancient Israelite prophecy from its beginnings.

BTS 416. Woman and Biblical Tradition, 3 credits, once every 2 years
Biblical concepts of woman and study of some individual women in the Bible.

BTS 417. Pentateuch, 3 credits, as needed
Study of the first five books of the Old Testament (Genesis, Exodus, Leviticus, Numbers, Deuteronomy) with special attention to the literary and historical context. **Prerequisite:** BTS 101 or instructor's consent.

BTS 423. Travel Seminar in the Land of the Bible, 3 credits, Spring, Summer as needed
Study seminar in the lands of the Bible combining both academic preparation and follow-up as well as on-site lectures and journaling during the travel. *BTS 101 and BTS 102 are recommended but not required. Additional course fees. Air fare not included in course fees.*

BTS 426. Religion and Popular Culture in America, 3 credits, Fall even years
An examination of the interaction of religion and popular culture, popular forms of religious belief and expression, and popular cultural phenomena that may function as religion, mainly in the United States. The material aspects of popular religion will receive significant attention.

BTS 427. Religion and Film, 3 credits, offered periodically
Study of the role of film in religion with emphasis on how religion is viewed in film, as well as the methodologies and issues of religious beliefs and Christian theology as they are depicted in the popular cinema. Course may be repeated with change of content. Same as FILM 427.

BTS 433. American Religious History, 3 credits, Fall
Examination of the relationship of religion to the nation's history and culture. A particular emphasis will be placed on themes and

movements that transcend denominational movements.

BTS 437. Woman in Christian History, 3 credits, Spring odd years
Survey of the roles and concepts of women in Christian history as well as their contributions to Christianity.

BTS 438. The Reformation: Protestant and Catholic, 3 credits, Spring even years
Background, course, effects of the reformation. Same as HIST 434.

BTS 441. Love, 1 credit, Spring
Module course exploring the emotional and spiritual dimensions of love.

BTS 442. Grief, 1 credit, Spring
Module course exploring the emotional and spiritual dimensions of grief.

BTS 443. Anger, 1 credit, Spring
Module course exploring the emotional and spiritual dimensions of anger.

BTS 444. Guilt, 1 credit, Fall
Module course exploring the emotional and spiritual dimensions of guilt.

BTS 445. Self Esteem, 1 credit, Fall
Module course exploring the emotional and spiritual dimensions of self esteem.

BTS 446. In Search of Yourself, 1-3 credits, Fall
Enables students to develop a greater self-awareness. Students will create a number of projects which will include a genogram, a spiritual autobiography, and a spiritual assessment. Other assessment tools may be used.

BTS 450. Discovering the Mission of God, 3 credits, Fall odd years
Introduction to the biblical, historical, and philosophical understanding of the redemptive activity of God in the world.

BTS 452. Cross-Cultural Experience and World Awareness, 3 credits, Summer
Preparation for a cross-cultural immersion experience within the United States or abroad that offers the student opportunity to engage in missionpraxis, reflection, and service.

BTS 453. A History of the Church on Mission with God, 3 credits, Fall even years
Examination of God's mission to establish the church among all the peoples of the earth from the first century to the twenty-first century.

BTS 454. Topics in Missions, 3 credits, Summer
Study of mission models and trends that assist in formulating a strategy of life mission congruent with vocation and geography.

BTS 459. Oxford Residency in Baptist Research, 6 credits, Trinity term (approximately the end of April to the end of June)
Eight weeks residency engaging in research and writing under an English Baptist tutor at Regents Park College, Oxford University, England. See faculty advisor.

BTS 469SL. Senior Seminar, 3 credits, Fall

For junior and senior Religion majors. Overview of biblical traditions, hermeneutical and theological methodologies, key concepts and seminal thinkers throughout Christian history. Includes theological reflection and personal vocational assessment.

Prerequisites: junior/senior standing. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

BIOLOGY (BIOL)

BIOL 101. Human Biology, 3 credits, Fall, Summer periodically

Introduction to the structure and function of the human body with emphasis on human health and welfare. Cannot be applied toward the major without departmental approval. Three lectures and one two-hour lab a week. *\$20 fee.*

BIOL 102. Environmental Science, 3 credits, Spring, Summer periodically

Exploration of the workings of nature and man's impact on it; environmental problems and possible solutions. Cannot be applied toward the major without departmental approval. Three lectures and one two-hour lab a week. *\$20 fee.*

BIOL 105. General Biology I, 4 credits, Fall

An introduction to the Biological Sciences for the science/health professions major. Topics include ecological principles, animal behavior, evolution, genetics, chemistry as it applies to living systems, cell and function, energy transductions, mitosis, and molecular genetics. Three lectures and one two-hour lab a week. *\$20 fee.*

BIOL 106. General Biology II, 4 credits, Spring

An introduction to the Biological Sciences for the science/health professions major. Topics include systematics, taxonomy and classification, basic microbiology, anatomy and physiology of plants and animals (with emphasis on human systems), meiosis and reproduction in plants and animals, development. Continuation of BIOL 105. Three lectures and one two-hour lab a week. *\$20 fee.*

BIOL 207. Human Anatomy and Physiology I, 4 credits, Fall, Summer periodically

Structure and functions of the major organ systems of the human body. Chemical basis of life, cells, cellular metabolism, tissues, integumentary, skeletal, muscular and nervous systems. Three lectures and one two-hour lab a week. *\$20 fee.*

BIOL 208. Human Anatomy and Physiology II, 4 credits, Spring, Summer periodically

Structure and functions of the endocrine, digestive, respiratory, circulatory, lymphatic, urinary and reproductive systems. Continuation of BIOL 207. Three lectures and one two-hour lab a week. **Recommended prerequisite:** BIOL 207. *\$20 fee.*

BIOL 300. Teaching Assistantship, 1-3 credits

Assist in lab preparation, lab instruction, lab report grading, and review/tutoring sessions. Must have junior status.

BIOL 301. Botany, 4 credits, Fall

Plant anatomy and physiology including cells, tissues, development in

vegetative and reproductive structures, plant biochemistry and metabolism, hormonal regulation of development. Survey of kingdoms Plantae, Protista (except Protozoa), Fungi, Bacteria, and Archaea. Three lectures and one two-hour lab a week.

Prerequisites: BIOL 105 and 106. *\$20 fee.*

BIOL 302. Zoology, 4 credits, Spring

A detailed comparative study of the major invertebrate and vertebrate animal groups including protozoa, sponges, radiate animals, acoelomates, pseudocoelomates, mollusks, annelids, arthropods, echinoderms, the fishes, amphibians, reptiles, birds and mammals. Morphology, physiological adaptations, evolution and ecology are stressed in association with all animal groups. Three lectures and one three-hour lab a week. **Prerequisites:** BIOL 105 and 106. *\$20 fee.*

BIOL 303. Soils and Geologic Science, 3 credits, Spring

Earth space relationship, global features, mineral and soil classification, as well as study of the interaction between humans and the geologic processes that shape the Earth's environment. Three class periods and one two-hour lab a week. Prerequisite: Sophomore level standing or instructor's consent. *\$20 fee.*

BIOL 304. Field Botany, 3 credits, Once every 3-4 years

Field experience and taxonomy of select plant groups including mosses, fungi, lichens, ferns, aquatic vascular plants, woody plants, and wildflowers. Two lectures and one field trip or lab a week. **Overnight camping trip required.**

BIOL 305. Medical Terminology I, 2 credits, Fall, Mayterm periodically

Introduction to medical terminology through the study of prefixes, suffixes and root words of commonly used medical terms. Terminology of clinical procedures, laboratory tests, and pathologies presented as well. Course is taught in an independent study format.

BIOL 306. Medical Terminology II, 2 credits, Spring, Mayterm periodically

Continuation of medical terminology through the study of prefixes, suffixes and root words of commonly used medical terms. Terminology of clinical procedures, laboratory tests, and pathologies presented as well. Course is taught in an independent study format. **Prerequisite:** BIOL 305

BIOL 314. Genetics, 4 credits, Spring

Principles of gene transmission and expression, with an emphasis on human health and welfare. Three lectures and one three-hour lab a week. **Prerequisites:** BIOL 105 and 106 or instructor's consent. *\$20 fee.*

BIOL 315SL. Ecology, 4 credits, Fall

Principles governing interactions between organisms and their environment. Three lectures and one three-hour lab or field trip a week. **Prerequisites:** BIOL 105 and 106 or instructor's consent. *\$20 fee.* *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

BIOL 316. Microbiology, 4 credits, Fall, Spring

Classical bacteriology, virology, microbial genetics, bacterial

metabolism, immunology and the various applications of microbiological knowledge. Three lectures and one two-hour lab a week. **Prerequisites:** BIOL 105 and 106, or Biology 207 and 208, or **instructor's consent.**

\$20 fee.

BIOL 317SL. Natural History, 4 credits, Spring

A survey of the adaptation of living organisms to their environment over time, as evidenced by the fossil record and comparisons among living species, and an indepth review of the possible mechanisms involved. Three lectures and one two-hour lab/discussion per week.

Prerequisites: BIOL 105 and 106. **\$20 fee.**

This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

BIOL 319SL. Animal Behavior, 4 credits, Fall

An introduction to the principles of animal behavior that considers the influences of genetics, ecology, physiology, and evolutionary history on behavior. Topics include communication, reproductive strategies, social interactions, foraging, defense, migration, habitat selection, and learning. Three lectures and one three-hour lab per week.

Prerequisites: BIOL 105 and 106, or **instructor's consent.** **\$20 fee.**

This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

BIOL 320. Molecular Cell Biology, 4 credits, Fall

Study of the major cellular components with particular attention to the relationship between functions and the organization of the cell. Topics include cell architecture, macromolecules, metabolism, energy transductions, cellular control mechanisms and molecular genetics. Three lectures and one three-hour lab a week. **Prerequisites:** BIOL 105 and 106, CHEM 104 or **instructor's consent.** **\$20 fee.**

BIOL 350. Field Ecology, 4 credits, Spring

This course includes a field experience that introduces students to biological ecosystems found outside of East Tennessee. Guided hikes will expose students to a diversity of organisms (from plants to mammals) found within various ecosystems. The complex relationships between these organisms and their communities will be investigated.

BIOL 380. Zoology for non-science majors, 3 credits, Mayterm

Exploration of the animal kingdom, adaptations, and the significance of animal groups to mankind. Includes readings, field trips, lab work, creative writing, and a group project.

BIOL 381. Pharmacology, 3 credits, Mayterm periodically, Summer periodically

Introduction to basic pharmacological principles including molecular pharmacology, pharmacokinetics, toxicology, chemotherapeutics and systemic drug survey.

BIOL 382. Cancer Biology, 3 credits, Mayterm periodically/Summer periodically

Etiology, diagnosis and treatment of cancer in humans. Course will also include field trips to regional cancer centers.

BIOL 383. Biology Externship, 3 credits, Mayterm/Summer

An externship course allowing the Biology major to gain field, laboratory, or work experience in a desired area. Opportunities may include, but not limited to, externships at the Zoo, National and State Parks, laboratories in both academic and industrial settings.

Prerequisite: **instructor's consent.**

BIOL 400. Teaching Assistantship, 1-3 credits

Assist in lab preparation, lab instruction, lab report grading, and review/tutoring sessions. Must have senior status.

BIOL 402SL. Gross Anatomy, 5 credits, Spring

Detailed gross and microscopic anatomy of the human. Three lectures and one four-hour lab a week. **Prerequisites:** BIOL 105 and 106 and **instructor's consent.** **\$20 fee.** This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

BIOL 404. Mammalian Physiology, 5 credits, Fall

Applied analysis of the functioning of mammals, with focus on the human, involving a systems approach. Three lectures and one four-hour lab a week. **Prerequisites:** BIOL 105 and 106, CHEM 104.

\$20 fee.

BIOL 405. Environmental Policy, 4 credits, Spring odd years

A lecture-discussion course on the nature of and generation of environmental assessment statements and environmental impact statements. Topics also include soils, hydrology, and other issues pertinent to environmental studies. **Prerequisites:** **Junior or Senior in the Wildlife Ecology track and BIOL 315SL, or instructor's consent.** **\$20 fee.**

BIOL 406. Field Biology, 3 credits, Once every 3-4 years

Field experience and study of plant and animal life in selected habitats, including geographical distribution, climatic and soil relationships, methods and use of instruments necessary for a critical study of plant and animal communities. Two lectures and one three-hour field trip or lab a week.

BIOL 408. Immunology, 4 credits, Fall

Basic aspects of specific and non-specific defense mechanisms. Humoral and cellular mechanisms as well as the synthesis, structure, and action of antibodies and lymphokines, cytotoxic reactions and regulatory mechanisms. Three lectures and one four-hour lab a week. **Prerequisites:** BIOL 105 and 106 or **instructor's consent.** **\$20 fee.**

BIOL 410. Directed Readings in Biology, 1 credit, Fall

Biological and scientific investigation. Selected readings, both classical and current; methods, access, and use of scientific literature. Planning and conduct of library research and report writing. **Prerequisite:** **At least 4 BIOL courses or junior/senior standing.**

BIOL 411SL. Senior Seminar, 1 credit, Spring

Discussion of current and controversial topics in biology with an emphasis on advances in biological research. Each student will present a formal seminar on an approved topic. **Prerequisite:** BIOL 410.

This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs

necessary to complete the service.

BIOL 415. Mammalogy, 4 credits, alternating Fall semesters

This course is designed to introduce students to diversity of class Mammalia. By studying mammalian taxonomy, students will gain an understanding of mammalian evolution, mammalian anatomy and physiology, as well as mammalian ecology and natural history (with specific emphasis of mammalian species of the Southern Appalachian region). Additionally, students will be introduced to various field methods used by mammalogists.

BIOL 416. Ornithology, 4 credits, alternating Fall semesters

This course is designed to introduce students to the diversity of class Aves. In addition to studying the evolution of various taxonomic groups of birds, students will also study the anatomical and physiological characteristics that separate this class from other classes. Further attention will be given to behavior and natural history of birds. **\$20 fee.**

BIOL 475. Introduction to Bioinformatics, 2 credits, Fall

New area of science in which biology, chemistry, computer science, and mathematics are combined to decipher information encoded with the DNA and protein of each living organism. An introductory course in the use of computers to evaluate large biological data sets. Will be presented in Canvas as an interactive online course.

BIOL 491. Directed Projects in Biology, 1-4 credits

May consist of field, laboratory or library research on any topic of mutual interest to the student and instructor. Research may spread over one or more semesters and culminates in written reports on results and conclusions. **Prerequisite: instructor's consent.**

BUSINESS ADMINISTRATION (BAD)

BAD 201. Business and Professional Communication, 3 credits, Fall, Spring

Designed to assist students in solving business problems through effective expression of ideas and information—writing, speaking, and listening. Covers the principles and methods of written and oral communication in a high technology environment and includes intercultural, legal, and ethical aspects of communication. **Prerequisites: ENG 101. Corequisite: Business Foundation Core. Same as WRIT 201.**

BAD 205. Introduction to Business Analytics, 3 credits, Fall, Spring

This course introduces students to fundamental statistical analysis and inference concepts with a focus on business analytics and managerial decision making. These concepts are taught in an empirical fashion using cases and models in Microsoft Excel. Topics covered include data virtualization, descriptive statistics, data cleaning and mining, predictive modeling and forecasting, decision analysis and optimization.

BAD 215. Business Information Tools, 3 credits, Fall, Spring

Students use advanced features and capabilities of Microsoft Word and Excel. At the completion of the course, students will be prepared to sit for a level one Microsoft Office Excel Certification Exam. **Corequisite: Business Foundation Core.**

BAD 301. Legal and Ethical Environment of Business, 3 credits, Fall, Spring

U.S. legal system coupled with consideration of ethical issues confronting the business professional. Topics covered include torts, contracts, agency, employment law, intellectual property rights, consumer protection, and other business concerns. **Prerequisite: Business Foundation Core.**

BAD 302. Law of Business Organizations and Commercial Transactions, 3 credits, Spring

Introduction to legal implications of basic business transactions including securities law, business associations—corporations, bankruptcy, insurance, commercial sales, commercial paper, secured transactions, bulk transfers, documents of title and legal responsibilities of accountants. **Prerequisites: junior standing, BAD 301.**

BAD 401. International Business, 3 credits, Offered periodically

A study of the various facets of international business operations: ownership, management, marketing, production, accounting and finance, legal, and growth. Also includes economic and political issues affecting international business. **Prerequisite: Business Foundation Core.**

BAD 463. International Business Experience, 3 credits, Summer

An immersion experience in or closely related to the international economy, international business, international political or cultural relations, or international missions. **Prerequisites: Business Foundation Core, instructor's consent, senior standing.**

BAD 465. Business Administration Internship, 1-6 credits, offered periodically

Practical experience gained through an internship in the private or public sector. Proposal must be submitted and approved by supervising instructor.

Prerequisites: Business Foundation Core, instructor's consent.

CHEMISTRY (CHEM)

CHEM 100. Chemistry in Society, 3 credits, Spring, Summer

Fundamentals of chemistry for non-science majors. Study and use of the scientific method as a thought process and the role of chemistry in society. Two lectures and one two-hour lab a week. Online lecture and lab.

CHEM 101. Introductory Chemistry, 4 credits, Fall, Spring, Summer

An introduction to basic chemical principles for students majoring in nursing, family and consumer sciences, and exercise science. Also serves as a preparatory course for CHEM 103. Three lectures and one three-hour lab a week. **\$30 fee.**

CHEM 103. General Chemistry I, 4 credits, Fall, Spring, Summer

Atomic structure, bonding and molecular structure, solids, liquids, gases; thermochemistry. For students majoring in natural sciences. Previous exposure to chemistry is very helpful but not required. A good working knowledge of algebra is expected. Three lectures and one three-hour lab a week. **\$30 fee.**

CHEM 104. General Chemistry II, 4 credits, Spring, Summer

Solutions, kinetics, equilibrium, thermodynamics, and electrochemistry. Also includes discussion of typical properties of the representative elements and first transition elements and their compounds. CHEM 104 is a prerequisite for all chemistry courses with higher numbers. Three lectures and one three-hour lab a week. **Prerequisite:** CHEM 103.

\$30 fee.

CHEM 201. Excel for Scientists, 2 credits, Fall

Advanced Excel topics (i.e., statistical analysis tools, least squares, calibration methods, solving equations, 2-D and 3-D graphs, data smoothing, Fourier transform, and macros) with relation to chemical systems. Some prior knowledge of Excel is expected. **Prerequisites:** CHEM 103 and 104, or instructor's consent.

CHEM 300. Teaching Assistant, 1-2 credits, Fall, Spring

Assist faculty during lab with materials, safety, and individual instruction. Academic credit may be received for either one or two hours, but only one hour of credit may be counted toward a chemistry major. Two hours of credit may be obtained in one semester or in different semesters. Students who are serving as TA's in order to receive AP credit for Chemistry 103 and 104 may not receive credit. **Prerequisites:** Instructor's consent.

CHEM 301. Organic Chemistry I, 4 credits, Fall

An extensive study of aliphatic hydrocarbons, stereochemistry, substitution reactions and spectroscopy. Three hours lecture and one three-hour lab a week. **Prerequisite:** CHEM 104. *\$30 fee.*

CHEM 302. Organic Chemistry II, 4 credits, Spring

An extensive study of aromatics, aldehydes, ketones, carboxylic acids and their derivatives and amines; introduction to biochemical molecules. Three hours lecture and one three-hour lab a week. **Prerequisite:** CHEM 301. *\$30 fee.*

CHEM 305SL. Quantitative Analysis, 4 credits, Fall odd years

Volumetric, gravimetric, and instrumental methods of analysis. Two lectures and two three-hour labs a week. **Prerequisite:** CHEM 104. **Prerequisite or corequisite:** CHEM 201. *\$30 fee.*

This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

CHEM 306. Instrumental Methods of Analysis, 4 credits, Spring even years

Absorption spectroscopy (UV, visible, atomic and IR), potentiometry, polarography, conductimetry and chromatography. Two lectures and two three-hour labs a week. **Prerequisite:** CHEM 305SL or instructor's consent. *\$30 fee.*

CHEM 307. Chemical Industry Externship, 3 credits, Mayterm or Summer

Work/training experience for exploration of a career in chemistry. Work site(s) (such as industrial, corporate, government) must be approved by instructor prior to registration. Students wishing to take the course must notify the instructor before spring break in order to have time to make the arrangements. **Prerequisite:** instructor's consent. *\$30 fee.*

CHEM 308. Hospital Externship, 3 credits, May-term and Summer
Externships are available in medically related areas in order to increase exposure to a field of study and help with career choices. Can be taken a maximum of two times provided the experiences are in two different professional areas. Can be listed as Biology credit. Students must apply through the chair of Health Professions before April 1. This course is intended for health professions students. *\$30 fee.*

CHEM 310. Survey of Biochemistry, 3 credits, Spring

Introductory course in biochemistry dealing with the chemistry and biochemistry of proteins, lipids, carbohydrates, nucleic acids, other biomolecules, and includes an overview of metabolism. **Prerequisites:** CHEM 103, CHEM 104, and CHEM 301.

CHEM 311. Biochemistry I, 4 credits, Fall

Organization of living systems at the molecular level and the thermodynamic principles allowing for the flow of energy through living systems will be introduced. The important classes of biomolecules, such as proteins, carbohydrates, lipids, and nucleotides will be studied. The structure and function of cell membranes and membrane transport is also covered. Three hours lecture and one three-hour lab per week. **Prerequisites:** BIOL 105 and CHEM 302. *\$30 fee.*

CHEM 312. Biochemistry II, 4 credits, Spring

Enzyme mechanisms, kinetics, and regulation will be introduced. Carbohydrate metabolism and regulation will be covered in addition to lipid metabolism. Three hours lecture and one three-hour lab per week. **Prerequisite:** CHEM 311. *\$30 fee.*

CHEM 401. Thermodynamics, 3 credits, Fall even years

Gas laws, thermodynamics, equilibria, and solutions. Three hours lecture a week. **Prerequisites:** CHEM 301, MATH 151, and either PHYS 103/104 or PHYS 201/202. **Corequisite:** CHEM 415. Same as PHYS 304.

CHEM 402. Biophysical Chemistry, 3 credits, Spring odd years

Electrochemistry, atomic and molecular structure, rates, and mechanisms of chemical reactions. **Prerequisite:** CHEM 401. **Corequisite:** CHEM 416.

CHEM 403. Statistical and Quantum Mechanics, 3 credits, Offered periodically

Theories of relativity, statistical mechanics, and quantum mechanics. **Prerequisite:** PHYS 201 or instructor's consent. Same as PHYS 307.

CHEM 407. Inorganic Chemistry, 3 credits, Spring odd years

Descriptive and theoretical chemistry. Three hours lecture a week. **Prerequisites:** CHEM 103 and 104 (401 recommended).

CHEM 411. Special Topics in Chemistry, 1 hour, Fall

Introduction to the chemical literature, review of common chemical journals, group and individual reviews of journal articles, other selected projects such as resume preparation, and skills of the short interview. One lecture hour a week. **Prerequisites:** CHEM 301 and two years of college chemistry.

CHEM 412. Seminar in Chemistry, 1 credit, Spring

The capstone course for all chemistry degrees. Development of a topic and paper, presentation of a formal seminar, and may include other selected projects. One lecture hour a week. **Prerequisite:** COMM 135 and CHEM 411 or instructor's consent.

CHEM 415. Thermodynamics Laboratory, 1 credit, Fall even years

Gases, thermodynamics, and phase equilibria. One three-hour lab a week. **Prerequisite:** Same as CHEM 401. **Corequisite:** CHEM 401. *\$30 fee.*

CHEM 416. Biophysical Chemistry Laboratory, 1 credit, Spring odd years

Ionic equilibria, electrochemistry, kinetics, spectroscopy. One three-hour lab a week. **Prerequisite:** CHEM 401. **Corequisite:** CHEM 402. *\$30 fee.*

CHEM 491. Research Techniques in Biochemistry, 1-3 credits, Fall, Spring

Experience in isolation, analysis, and characterization of biologically important compounds. One lecture and 3-9 lab hours a week. **Prerequisite:** instructor's consent. *\$30 fee.*

CHEM 492. Research Techniques in Inorganic or Analytical Chemistry, 1-3 credits, Fall, Spring

Methodology and techniques appropriate to the synthesis, separation, and characterization of inorganic compounds. One lecture and 3-9 lab hours a week. **Prerequisite:** instructor's consent. *\$30 fee.*

CHEM 493. Research Techniques in Organic Chemistry, 1-3 credits, Fall, Spring

Procedures and techniques involved in research in organic chemistry. One lecture and 3-9 lab hours a week. **Prerequisite:** instructor's consent. *\$30 fee.*

CHEM 494. Research Techniques in Physical Chemistry, 1-3 credits, Fall, Spring

Procedures and techniques involved in research in physical chemistry. One lecture and 3-9 lab hours a week. **Prerequisite:** instructor's consent. *\$30 fee.*

CHILD AND FAMILY STUDIES (CFS)**CFS 206. Human Development Through the Lifespan, 3 credits, Fall, Spring**

Major milestones of development in each stage from prenatal to late adulthood and death. Physical, cognitive, and psycho-social growth. Same as PSY 206.

CFS 207. Infancy and Early Childhood, 3 credits, Fall

Research on developmental milestones from birth through middle childhood. Emphasis on developmentally appropriate practice with infants and young children. **Prerequisite:** CFS 206.

CFS 301. Family Relationships, 3 credits, Fall, Spring

Family dynamics and roles of family interaction. The influence of family experiences on individual growth, development, and relationship functioning. **Prerequisite:** junior/senior standing.

CFS 304. Parenting, 3 credits, Spring

Parenting as a developmental role throughout the life span. Discipline techniques, strategies, and resources. **Prerequisite:** CFS 206 or instructor's consent.

CFS 305. Family Sciences, 3 credits, Spring

Examination of existing theoretical frameworks to provide a context for understanding today's family in the complex social world. **Prerequisite:** CFS 206, 301 or instructor's consent.

CFS 407. Current Topics in Child and Family Studies, 3 credits, Fall

Research and readings on selected issues affecting children and families. **Prerequisites:** CFS 206 or PSY 204, CFS 305, and junior/senior standing. Same as PSY 409.

CFS 421. Human Sexuality, 3 credits, Spring even years

Social, Personal, and Moral understandings of sexual behavior. **Prerequisites:** Junior/senior standing; instructor permission required.

CFS 427. Methods of Teaching Child and Family Studies Practicum, 1 credit, Fall

Observation and practical application of principles, objectives, methods, materials, procedures, and evaluation for teaching family-based and adult family and consumer sciences. **Prerequisite:** FCSE 320 or instructor's consent. **Corequisite:** FCSE 424.

CFS 465. Internship in Child and Family Studies, 3 credits, Fall, Spring, Summer

Supervised experience in a selected setting/program for children and/or families. **Prerequisites:** CFS 206 and 414 and instructor's consent.

COMMUNICATION (COMM)**COMM 101F, 301F. Forensics Practicum, 1 credit each course, Fall, Spring**

Study and participation in debating and various individual speaking events on the intercollegiate level. COMM 101 is repeatable for up to 2 hours credit; COMM 301 may be repeated for up to 6 hours credit. A total of four (4) practica credit hours may be counted toward the major requirements.

COMM 110, 310. Communication Practicum, 1 credit each course, Fall, Spring

This practicum provides students with practical hands-on experience in journalism, advertising, public relations, broadcasting, speech, social media, sports information, human resources, advancement, admissions, or other communication-related professions. Under the guidance of a faculty member, students will participate in projects that will enhance their knowledge and expertise in a specific area of communication. COMM 110 offers introductory experiences in the field and may be taken once. COMM 310 provides more advanced experience in the field and is repeatable up to three times. **Prerequisite:** Instructor's consent.

COMM 123. Introduction to Media Writing, 3 credits, Fall, Spring

Introductory course to the communication professions with emphasis on developing writing skills for print, electronic and online media,

film, advertising, public relations, and research in the field. Includes introduction to news gathering techniques, aural-visual production, online content creation, communication research and presentational skills. Three-hour lecture and one-hour lab. *\$35 fee.*

COMM 135. Speech Fundamentals, 3 credits, Fall, Spring

Introduction to public speaking through the study of speeches, speakers, and the principles of effective public address. Students plan, organize and deliver various types of speeches.

COMM 201. Strategic Communication Techniques/Skills, 3 credits, Fall, Spring

Planning, writing, editing, designing, and producing public relations and advertising content for print, outdoor, broadcast, direct mail, on-line media and social media. This course also contains a research component. Prerequisite: COMM 123. *\$35 fee.*

COMM 208. Introduction to Digital Media, 3 credits, Fall, Spring

An introduction to the use of digital media in the communication process. Applying learned visual and aural principles students will explore the use of computer-based tools in the design and production of media content by creating and editing digital images, sounds, video, text and motiongraphics. **Prerequisites:** COMM 123 and 201. Same as FILM 208. *\$35 fee.*

COMM 209SL. Video Production, 3 credits, Fall

Lecture-laboratory study of the techniques and procedures used in the creation, production and direction of television programming. Emphasis on the function and operation of the primary tools and their application on the production process. Same as FILM 209SL. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. *\$35 fee.*

COMM 230. Interpersonal Communication, 3 credits, Fall, Spring, Summer

This course will focus on the need to interact with others by expressing thoughts and feelings through various communication channels. Topics include self-concept, self-disclosure, perception, nonverbal communication, listening, conflict, building relationships, interpersonal communication, and the job market.

COMM 250. Media, Religion and Ministry, 3 credits, offered as needed

Explores the intersection of media and religion with special attention on the changing role of media in the local church. The course includes an investigation of theory and research in the area of media and religion, as well as the creative application of media in religious contexts.

COMM 304. Advanced Production, 3 credits, Spring

Advanced techniques of designing, writing and production of audio, video, film and multimedia presentations. Topics include advanced techniques in videography, editing in a digital environment, script writing, story construction, and performance. **Prerequisites:** COMM 123, 208, and 209SL. Same as FILM 304.

COMM 305. Digital Storytelling, 3 credits, Spring

A laboratory experience in researching, designing, and producing content in an environment of converging communication forms. Using the resources of the Center for Digital Storytelling students will create multimedia content for various audiences. Each semester the course will focus on a different arena of production (news website, multimedia presentation for a non-profit, a digital filmmaking competition via the internet, etc.). Repeatable for up to 6 hours. **Prerequisites:** COMM 123, 201, 208, and “pass without reservations” on digital portfolio. Same as FILM 305.

COMM 317. The Business of Film and Television, 3 credits, Fall

This course serves as an intensive study of the film business and entrepreneurial strategies to succeed within independent and studio structures. Throughout the course, we will examine the intricacies of producing feature films, including financing, marketing, distribution, and ancillary sources of revenue. Same as FILM 317.

COMM 322. Mass Media, 3 credits, Spring

Overview of the development and social impact of mass media, including newspapers, magazines, advertising, public relations, books, photography, film, the broadcast/cable industry (structure, station, and network operation), and the FCC and other regulatory agencies. **Prerequisites:** COMM 123, 201SL, and 208.

COMM 323. Public Relations, 3 credits, Fall

Overview of public relations with attention given to theories and principles, examination of case problems, preparation of materials, planning campaigns and executing public relations projects. **Prerequisites:** COMM 123 and 201SL.

COMM 324. Writing for Targeted Audiences, 3 credits, Fall

Principles of writing freelance magazine articles (for niche and mainstream publications), with an emphasis on feature writing. Students move articles from inception through the revision process to querying with targeted publications. **Prerequisites:** COMM 123 and 201SL.

COMM 325. News Writing and Reporting, 3 credits, Spring

Intensive training in the core journalism skills: news judgment, researching, writing, reporting and presentation. Students will learn to develop story ideas, research and gather information, combine visual, verbal and written messages, and to write and edit news for various media audiences. **Prerequisites:** COMM 123 or instructor's consent.

COMM 327. Media in a Changing World, 3 credits, Fall even years

Analysis of mass media business policies and practices of media organizations in a changing political, economic, regulatory, and technological environment. Includes analysis of the historical and structural contexts and implications of new media technologies. Same as FILM 327.

COMM 337. Oral Interpretation of Literature, 3 credits, Fall

Development of mental, emotional, and physical responsiveness to prose, poetry, and drama through the student's performance of literature.

Prerequisite: COMM 135 for Communication Studies majors; TH 110 for Theatre majors.

COMM 340. Special Topics in Speech Communication, 1-3 credits, Offered as needed

Lecture-laboratory focus on a single speech-related topic. Subject matter may change each semester and this course may be repeated for different topics/titles to a maximum 3 hours.

COMM 350. Film Festival Management, 3 credits, Fall

This course serves as a hands-on opportunity to learn the ins and outs of creating, curating, and running a professional film festival. Throughout the course, we will discuss the various tasks necessary to manage, market, and develop a public event with an international reach. Same as FILM 350.

COMM 357. Communication Theory, 3 credits, Spring

An interdisciplinary examination of the most current communication theories, scholarship, published research, and trends in the field of communication. This course will examine the foundation of theoretical inquiry, applications of theory, theoretical development, and ethical implications in various communication contexts.

COMM 404. Communication Law and Ethics, 3 credits, Spring even years. A study of the legal foundations for freedom of speech and press. Students will explore forms of communication that have constitutional protection and those with limitations including libel, invasion of privacy, access to information, copyright and the special restrictions on broadcasting and advertising. The study includes an examination of the moral reasoning process and the application of ethical responsibilities in communication contexts. **Prerequisites:** COMM 123.

COMM 407. Special Topics in Mass Communication, 1-3 credits, Offered as needed Lecture-laboratory focus on a single mass media related topic. Subject matter will change each semester and this course may be repeated for different topics/titles.

COMM 421. Advertising, 3 credits, offered as needed

Survey of American advertising. Students explore advertising principles and theories as they relate to media, markets and audiences. Students study advertising campaigns, do copy writing and layout. **Prerequisite:** COMM 123.

COMM 424. Persuasion, 3 credits, Fall even years

Analysis of the principles and techniques used in all forms of mediated persuasive communication. The course is oriented toward both the persuader and the techniques used to persuade consumers. **Prerequisite:** COMM 135.

COMM 425. Organizational Communication, 3 credits, offered as needed. Analysis of communication behavior in complex organizations. Areas covered include communication auditing, interviewing, decision making, communication networks and problem solving.

COMM 429SL. Nonprofit Campaigns, 3 credits, Spring even years

An investigation of the communication campaigns of philanthropic organizations. Students will learn about defining a nonprofit organization's mission, identity, and story and crafting its communication campaigns, including writing press releases, creating public service announcements, grant writing and fundraising, and assessing the effectiveness of a charitable organization's messages.

Prerequisites: COMM 123, 201SL, and 208. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

COMM 433. Small Group Communication, 3 credits, Spring odd years

Basic theory and techniques of oral interaction for leaders and participants in small group settings. **Prerequisite:** COMM 135.

COMM 435. Speech Methods for Secondary Teachers, 1 credit, offered as needed

Study of the problems, methods and materials in the teaching of speech on a secondary level. Courses of study, textbooks and teaching strategies. **Prerequisites:** COMM 135 and 337.

COMM 436. Advanced Public Speaking, 3 credits, Fall

This course builds on the foundation laid in the Speech Fundamentals (COMM 135) courses. Instruction focuses on speaking styles, including impromptu, extemporaneous, manuscript, and memorized speaking. **Prerequisite:** COMM 135.

COMM 457. Senior Seminar: Communication Studies Theory and Research, 3 credits, Fall

Designed to synthesize the graduating student's coursework in communication studies with emphasis on the application of theory and research. The student will design a research project, implement an initial study and present the results. The student also will be prepared for post-graduation professional expectations. **Prerequisite:** COMM 123, 209SL, 322 and "pass" on digital portfolio.

COMM 465A. Communication Studies Internship (Advertising/PR), 1-6 credits, Fall, Spring, Summer

Supervised practical experience with professional media organizations. Must be approved by a supervising faculty member. Guidelines may be obtained from the Communication Department. A total of 6 hours of internship credit may be earned within the department. Internship credit may be taken in increments or 6 hours all at once. **Prerequisites:** COMM 123, 201SL, 208, and "pass without reservations" on digital portfolio.

COMM 465B. Communication Studies Internship (Media Studies), 1-6 credits, Fall, Spring, Summer

Supervised practical experience with professional media organizations. Must be approved by a supervising faculty member. Guidelines may be obtained from the Communication Department. A total of 6 hours of internship credit may be earned within the department. Internship credit may be taken in increments or 6 hours all at once. **Prerequisites:** COMM 123, 201SL, 208, and "pass without reservations" on digital portfolio.

COMM 465C. Communication Studies Internship (Speech), 1-6 credits

Supervised practical experience with professionals involved in a speaking career; must be approved by a supervising faculty member. Guidelines may be obtained from the Communication Department. Internship credit may be taken in increments or 6 hours all at once. **Prerequisites:** Listed in guidelines. A total of 6 hours of internship credit may be earned within the department. Internship credit may be taken

in increments or 6 hours all at once. **Prerequisites:** COMM 123, 201SL, 208, and “pass without reservations” on digital portfolio.

COMPUTER SCIENCE (CSC)

CSC 107. Computer Programming I, 3 credits, Fall

An introduction to fundamental aspects of the field of computing, focusing on problem-solving and software design concepts and their realization as computer programs.

CSC 207. Computer Programming II, 3 credits, Spring

Further topics in computer programming focusing on object-oriented design, including objects, classes, class libraries and elementary data structures. **Prerequisite:** CSC 107.

CSC 210. Introduction to Computer Science, 3 credits, Spring even years

An introduction to several computer science topics. These include the history of computing, data storage and manipulation, computer architecture, operating systems, networking, programming, legal and ethical issues, and computer security. **Prerequisite:** CSC 107.

CSC 303. Computer Organization and Architecture, 3 credits, Fall even years

Principles of computer architecture, data representation, machine language execution cycle, addressing modes, symbolic assembly language, interfacing, communication, fundamentals of an operating system. **Prerequisite:** CSC 207.

CSC 307. Data Structures, 3 credits, Fall odd years

Abstract data types, recursion, basic data structures (queues, stacks, trees, and graphs) and transformations (sorting and searching). **Prerequisite:** CSC 207.

CSC 308. Algorithms, 3 credits, Spring even years

Algorithm design techniques, greedy algorithms, divide-and-conquer approaches, dynamic programming, data representation, heuristic search, program complexity, and algorithm verification. **Prerequisites:** CSC 207 and MATH 207.

CSC 310. Networking, 3 credits, Spring odd years

Introduction to data communications and networking. Basic network principles, hardware and software standards, network types and structures, security, and physical implementation will be introduced. **Prerequisite:** CSC 207.

CSC 312. Database Management, 3 credits, Fall odd years

Introduction to databases and their design, function management and application. This includes data modeling approaches including entity-relationship and semantic object models. A variety of database access and management systems will be explored. **Prerequisite:** CSC 207.

CSC 320. Systems Programming, 3 credits, Fall even years

Introduction to C and its use in system programming. Memory and process layout, system calls, buffering, file systems, virtual memory, threading, and inter-process communication. **Prerequisite:** CSC 207.

CSC 325SL. Principles of STEM Communication, 2 credits Fall

Develop communication skills in the STEM disciplines and become

familiar with tools used to help communicate STEM concepts. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. **Same as MATH 325SL and PHYS 325SL.**

CSC 330. Mobile Application Programming, 3 credits, Spring even years

A project-oriented course that examines the principles of mobile application design and development, introducing programming technologies, business strategy, and development related to creating mobile applications. **Prerequisite:** CSC 207.

CSC 370. Special Topics, 3 credits, Spring odd years

An exploration of a current topic in computing. May be repeated if taken with different topics. **Prerequisites:** CSC 207 or instructor's consent.

CSC 405. Theory of Computation, 3 credits, Offered periodically

Formal models of computation such as finite state automata, pushdown automata, and Turing machines, along with corresponding elements of formal languages, regular expressions, context-free languages, and recursively enumerable languages. **Prerequisites:** CSC 207 and MATH 207.

CSC 406. Principles of Programming Languages, 3 credits, Fall even years

The theory of programming languages, data types, data control, sequence control, run-time storage, language translations, semantics. Language models will include procedural, function, logic, and object-oriented programming. **Prerequisite:** CSC 207.

CSC 407. Operating Systems, 3 credits, Spring odd years

Advanced computer architecture, technological choices, and the operating system interface with the hardware, the application, and the system user. Process synchronization, memory management, devices, files and performance evaluation. **Prerequisite:** CSC 303.

CSC 451. Senior Capstone, 3 credits, Spring

A reflection upon the fundamental ideas of computer science and their connections. This is the capstone course in computer science. **Prerequisite:** At least 33 hours in the major.

CONSUMER SERVICES (CS)

CS 135. Personal and Family Management, 3 credits, Fall, Spring, Summer

Balancing work and family issues across the life cycle through goal-setting, resource management, decision making, and planning and execution skills that are transferable from personal to public life.

CS 333. Public Policy and the Family, 3 credits, Spring even years

Clarifying perspectives, becoming informed about issues impacting consumers and families, and learning strategies for influencing policy to enhance quality of life. **Prerequisite:** 3 hours social science elective.

CS 338. Personal and Family Finance, 3 credits, Fall odd years

Financial management for individuals and families; budgeting, credit, insurance, taxes, savings, debt repayment, investing, and retirement.

CS 339. Financial Counseling, 3 credits, Offered periodically

Examination of the components of financial counseling including counseling skills, credit legislation, debt reduction methods, collection policies and practices, bankruptcy, and government assistance programs. **Prerequisite:** CS 338.

CS 432. Cooperative Management and Housing, 4 credits, Spring

An integrative, cooperative team experience emphasizing communication, relationship strategies, problem solving, leadership and management skills as applied to creating sustainable housing and capacity building via entrepreneurship related to housing. Second semester junior/senior standing. Laboratory. **Prerequisites:** CS 135, FN 210 or 214 and 310, and instructor's consent. *\$150 fee.*

CS 467. Internship in Consumer Services, 3 credits, Fall, Spring, Summer. Supervised experience in consumer services related business or agency. **Prerequisites:** CS 135, CS 338, INTD 101, FMD 442, and instructor's consent.

ECONOMICS (ECON)**ECON 204. Economic Concepts, 3 credits, Offered periodically**

Basic course for majors outside the business department. Covers the study of market principles, national income, role of government, allocation of resources and distribution of income. *Business majors may not enroll in this course.*

ECON 210. Principles of Microeconomics, 3 credits, Fall, Spring

The study of markets, externalities, government intervention, taxation, and individual markets such as agriculture, health care and labor.

ECON 220. Principles of Macroeconomics, 3 credits, Fall, Spring

National income and its fluctuations, economic role of government, role of commercial banks and the Federal Reserve System, monetary economics, and an introduction to international economics. **Prerequisites:** ECON 210. **Corequisite:** Business Foundation Core.

ECON 403. Public Finance and Public Policy, 3 credits, Spring even years

Interactions between federal government and the business community. Antitrust enactment, governmental regulatory agencies and the impact of taxation on social welfare. **Prerequisite:** Business Foundation Core and ECON 220.

ECON 404. Financial Institutions and Monetary Theory, 3 credits, Spring odd years

Analysis of the financial system, and financial institutions, advanced macroeconomic theory, and monetary policy. **Prerequisite:** Business Foundation Core and ECON 220.

ECON 405. Economics of Industrial Organization and Management, 3 credits, Offered periodically

The economic theory of consumer demand and business profit maximization as it applies to business decision making. Other topics affecting business strategy, competition, lobbying and positioning, such as the competitiveness of markets, market structure, business practices, antitrust policies, regulation of business and international competition are presented. **Prerequisites:** Business Foundation Core and FIN 301.

EDUCATION (EDUC)

** Must clear a background record check and provide proof of liability insurance.*

***EDUC 203SL. Foundations of Education, 3 credits, Fall, Spring, Summer**

Provides an introduction to the field of education. The course includes what teaching looks like today along with philosophical, historical, and legal foundations of American education. Practicum required. Must provide proof of liability insurance. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. *\$50 fee.*

EDUC 204. Educational Technology, 3 credits, Fall, Spring

The course prepares future teachers to effectively utilize technology as a tool for student learning and for their own productivity and professional development. Students learn basic computer skills as well as how to use productivity software and Internet tools. *\$50 fee.*

EDUC 205. Introduction to Diagnostic Reading Instruction: Techniques and Strategies, 3 credits, Fall, Spring, Summer

Prepares teachers to conduct standardized and informal assessments of reading skills and to develop remediation strategies for struggling readers.

***EDUC 314. Literacy Development through Language Arts, 3 credits, Fall, Spring**

Introduction to theory, structures and strategies for integrating the language arts communication skills of reading, writing, listening, and speaking. **Practicum required.** Must provide proof of liability insurance. **Prerequisite:** EDUC 341.

EDUC 320. Special Topics in Education, 1-3 credits, Fall, Spring, Summer

A critical analysis of significant books, critical research, or current issues in foundations, organizations, learning, curriculum, instruction, evaluation, or specialty areas in education. This course may be repeated for credit with a different topic. A student may enroll for no more than a total of six (6) semester hours of topics courses taken independently within their program. **Instructor approval required.**

***EDUC 341. Curriculum, Instruction, and Management of the PreK-5 Classroom, 3 credits, Fall, Spring**

This course provides an overview of developmentally appropriate practice in the PreK-5 classroom. Emphasis is placed on understanding that effective instruction and classroom management is based on an understanding of children's developmental characteristics, the foundational educational theories, and the requirements of the PreK-elementary curriculum. Topics include differentiation of instruction for all students regardless of abilities, on-going assessment of individual student progress, the benefits of grouping students to a variety of ways, and the importance of providing a positive, nurturing environment to facilitate and ensure student success. Candidates complete a practicum in an early childhood/elementary setting in which they are required to plan and implement individual lessons appropriate for the setting. Candidates for the Integrated Early Childhood license are assigned to a PreK-3 setting. **Practicum required. Must provide proof of liability insurance. \$50 fee.**

***EDUC 342. Curriculum, Instruction, and Management of the 6-12 Classroom, 3 credits, Spring. Mayterm as needed**

Provides an overview of developmentally appropriate practice in the 6-12 classroom. Emphasis is placed on understanding that effective instruction and classroom management is based on an understanding of student's developmental characteristics, education theories, and the requirements of the 6-12 curriculum. Practicum required. Must provide proof of liability insurance.

EDUC 350. Diversity in Schools, Homes, and Communities, 2 credits, Fall, Spring

Explores diversity in contemporary society and its implications for students, schools, communities, and classroom teachers. The course includes the examination of value systems, communication strategies, and power structures. Students practice the skills necessary for teaching in today's schools.

EDUC 351. Study Abroad: Diversity in Homes, Schools, and Communities, 3 credits, Offered periodically for summer study abroad programs

This course provides an opportunity for students to travel abroad and take an in-depth look at culture and how it affects relationships between teachers, students, and families. Field experiences for this course will take place in the country that is being visited, which will vary depending on the particular study abroad program.

EDUC 400. Teaching Assistantship, 1-3 credits, Fall, Spring, Summer
Teacher Education student assists faculty members with grading, class exercises, tutoring, research, etc. May be repeated for a maximum of 3 hours. S/F grading. **Prerequisite:** Departmental approval.

EDUC 403. Assessment and Evaluation, 3 credits, Fall

Theory and skill in techniques for identifying learner proficiency, measuring learning, and gathering information about learner performance in order to make data-based curricular decisions, improve instruction, and design appropriate educational supports for learners at all levels. Preparation in the areas of types of learning, norm- and criterion-referenced tests, universal screeners, data literacy, assessment construction, analysis and interpretation of assessment results, reflection on assessment results with stakeholders, and the use of alternative and authentic assessment. The course also covers evaluating instructional materials to determine quality, as well as internalizing and adjusting practice to effectively utilize high-quality instructional materials to support all learners in engaging meaningfully in grade-appropriate curriculum.

***EDUC 414SL Reading Instruction and Assessment, 3 credits, Fall**

Introduction to the theory that undergirds literacy development and emphasizes practical implementation of effective literacy strategies through a 25-hour practicum experience. Students will develop an understanding of the causes of reading difficulties and use this knowledge in planning and assessing literacy skills of an individual student. Practicum required. Must provide proof of liability insurance. **Prerequisites:** Admission to Teacher Education Program, EDUC 204, 314, 341, SPED 313, 318. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. \$50 fee.*

***EDUC 415. Mathematics, Science, and Social Studies in the Primary Grades, 4 credits, Fall odd years**

Introduction to methods and materials for teaching mathematics, science, and social studies in grades PreK-3. Students will explore current state-adopted curriculum, plan appropriate lessons for student in PreK-3 including those of varied abilities, explore strategies for teaching and assessing students of all abilities and levels, and research methods for integrating learning those in the three subject areas. Students will create a learning segment appropriate for students in a PreK-3 setting as determined by their practicum placement. Practicum required. Must Provide proof of liability insurance. **Prerequisites:** Admission to Teacher Education Program.

***EDUC 420. Content-Area Methods in 6-12 Classrooms, 3 credits, Fall**

This course equips prospective teachers to teach in secondary classrooms. Activities will focus on curriculum, methods, and materials for teaching, and students will focus on their particular content area. Additionally, the practicum for this course will be completed in the prospective teacher's content area. Practicum required. Must provide proof of liability insurance. **Prerequisites:** Admission to the Teacher Education Program and EDUC 342.

***EDUC 432. Disciplinary Literacy, 2 credits, Fall**

This course provides prospective teachers opportunities to attain and demonstrate an understanding of discipline-specific literacy skills and strategies essential to their endorsement area. Practicum required. **Prerequisites:** Admission to Teacher Education Program and EDUC 205, 342.

***EDUC 440. K-8 Mathematics Methods, 3 credits, Fall**

Introduction to methods and materials for teaching mathematics in the K-8 classroom. Students will develop an appreciation of the critical role that mathematics plays in producing educated citizens who will have the knowledge to understand their world. Activities will focus on curriculum planning and strategies for teaching and assessing K-8 mathematics. Age-appropriate "hands-on" and "minds-on" activities will be stressed. Controversial issues relevant to the mathematics classroom will be discussed. Practicum required. Must provide proof of liability insurance. **Prerequisites:** Admission to Teacher Education Program, EDUC 204, 314, 341, PSY 404, SPED 313, 318; **Corequisites:** EDUC 414SL, 444, 449.

***EDUC 444. K-8 Science Methods, 3 credits, Fall**

Introduction to methods and materials for teaching science in the K-8 classroom. Students will develop an appreciation of the critical role that science plays in producing educated citizens who will have the knowledge to understand their world. Activities will focus on curriculum, planning, and strategies for teaching and assessing K-8 science. Age-appropriate "hands-on" and "minds-on" activities will be stressed. Controversial issues relevant to the science classroom will be discussed. Practicum required. Must provide proof of liability insurance. **Prerequisites:** Admission to Teacher Education Program, EDUC 204, 314, 341, 342, PSY 404, SPED 313, 318; **Corequisites:** EDUC 414SL, 440, 449.

***EDUC 445. Middle Grades Mathematics Methods, 3 credits, Fall**

An introduction to methods and materials for teaching mathematics in 4-8 classrooms. Activities will focus on curriculum, planning, and

strategies for teaching and assessing 4-8 mathematics. Practicum required. Must provide proof of liability insurance. **Prerequisites:** EDUC 342, Admission to Teacher Education Program; **Corequisites:** EDUC 446, 447, 448.

***EDUC 446. Middle Grades Science Methods, 3 credits, Fall**

This course equips pre-service teacher education candidates to teach science to students in grades 4-8. Students will develop an appreciation of the critical role that science plays in producing future citizens who are scientifically literate and therefore able to participate knowledgeably in a progressively scientific and technologically based society. The course focuses on developmentally appropriate curriculum, planning, teaching strategies, safety and logistics for hands on, minds on science. Practicum required. Must provide proof of liability insurance. **Prerequisites:** EDUC 342, Admission to Teacher Education Program; **Corequisites:** EDUC 445, 447, 448.

***EDUC 447SL. Middle Grades Literacy Methods, 3 credits, Fall**

The course provides an introduction to methods and materials for literacy instruction in the middle grades with an emphasis on curriculum implementation. Activities will focus on standards, curriculum, planning, teaching and assessing literacy in the middle grades language arts classrooms. **Practicum required. Must provide proof of liability insurance. Prerequisites:** EDUC 342, Admission to Teacher Education Program; **Corequisites:** EDUC 445, 446, 448. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

***EDUC 448. Middle Grades Social Studies Methods, 3 credits, Fall**

The course equips prospective teachers to teach social studies to students in grades 4-8. Students will develop an appreciation of the critical role that social studies plays in producing future citizens who will have the knowledge and desire to participate in democracy. The course includes the curriculum and teaching strategies necessary for the middle grades social studies program. **Practicum required. Must provide proof of liability insurance. Prerequisites:** EDUC 342, Admission to Teacher Education Program; **Corequisites:** EDUC 445, 446, 447.

***EDUC 449. K-8 Social Studies Methods, 3 credits, Fall**

Introduction to methods and materials for teaching social studies in the K-8 classroom. Students will develop an appreciation of the critical role that social studies plays in producing future citizens who will have the knowledge and desire to participate in democracy. Activities will focus on curriculum, planning, and strategies for teaching and assessing K-8 social studies. Age-appropriate "hands-on" and "minds-on" activities will be stressed. Controversial issues relevant to the social studies classroom will be discussed. Practicum required. Must provide proof of liability insurance. **Prerequisites:** Admissions to Teacher Education Program, EDUC 204, 314, 341, 342, PSY 404, SPED 313, 318; **Corequisites:** EDUC 414SL, 440, 444.

EDUC 461. Liberal Arts Education Capstone Seminar, 1 credit, Fall, Spring. Designed to help students integrate content knowledge from the liberal arts core, the major, and professional education course work.

EDUC 463. Seminar in Student Teaching, 2 credits, Fall, Spring

This course is designed as the capstone experience for the teacher education program and the student teaching experience. Student teachers will reflect upon and analyze the experiences they are having in the classrooms to which they are assigned, and they will refine skills for entering the teaching profession. Successful completion of this course is a requirement for the completion of all licensure programs. Must provide proof of liability insurance. **Corequisites:** EDUC 465 and 467. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. *\$50 fee.*

EDUC 465. Student Teaching: Placement One, 5 credits, Fall, Spring

Observation, participation, and teaching under professional supervision. Must provide proof of liability insurance. **Corequisites:** EDUC 463 and 467. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. *\$200 fee.*

EDUC 467. Student Teaching: Placement Two, 5 credits, Fall, Spring

Observation, participation, and teaching under professional supervision. Must provide proof of liability insurance. **Corequisites:** EDUC 463 and 465. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. *\$200 fee.*

ENGINEERING (ENGR)

ENGR 201. Engineering Drawing I, 3 credits, Offered periodically
Techniques, sketching and lettering. Computer assisted drawing. One lecture and 3 hours of drawing lab a week.

ENGR 202. Engineering Drawing II, 3 credits, Offered periodically
Geometrical and graphical construction in solving problems. Computer assisted design. One lecture and 3 hours of drawing lab a week. **Prerequisite:** ENGR 201.

ENGR 210. Introduction to Engineering, 3 credits, Fall

An introduction to the world of engineering, providing a solid foundation in the fundamental principles and physical laws that engineers use and apply. Topics include design and problem solving, communication, ethics, and various areas of engineering specialization. **Prerequisite:** MATH 125; **Corequisite:** MATH 151.

ENGLISH (ENG)

ENG 101. Writing and Literary Studies I, 3 credits, Fall, Spring, Summer

A study of the writing process, with an emphasis on improving grammar, mechanics, punctuation, style, usage, and development. Includes introduction to literary analysis with emphasis on Appalachian writing. *Note: A grade of C or better in ENG 101 is prerequisite to all English courses 200 level or higher.*

ENG 201. Writing and Literary Studies II, 3 credits, Fall, Spring

Development of writing with emphasis on three literary genres: fiction, poetry, and theater; includes the development of analytical and critical reading skills, research writing, and informational technology knowledge. **Prerequisite:** ENG 101.

ENG 300. Teaching Assistantship, 1-3 credits, Fall, Spring

Majors selected by departmental invitation to tutor students in writing and assist English faculty. Does not count toward the 36 hours required for the English major or for the minor.

ENG 301. Writing and Literary Studies III, 3 credits, Fall, Spring

Thematic study of literary texts from a specific literary period, region, nation, theme or genre. Specific course titles will illustrate content.

Prerequisite: ENG 201.

ENG 305. Literary Criticism and Theory, 3 credits, Fall

A study of literary interpretation, including an introduction to the history of literary criticism and the practice of analyzing and writing about literature, using current documentation and styles. The initial course in the major, English 305 can be taken simultaneously with English 301.

ENG 317. Creative Writing: Three Genres, 3 credits, Fall and Spring even years

A prerequisite for all Creative Writing courses with reading, discussion, and writing original works in three genres. Practicum in creating work of personal non-fiction/memoir, poetry, and fiction.

ENG 319. Research and Writing, 1 credit, Spring

See HONORS PROGRAM

ENG 321. Creative Writing: Poetry, 3 credits, Fall odd years

Practicum in creating a substantial portfolio of original works of poetry using contemporary poetry as models; workshop environment; possible publication in *Ampersand*. **Prerequisite:** ENG 317.

ENG 323. Creative Writing: Short Story, 3 credits, Fall even years

Practicum in creating a portfolio of original short stories using modern and contemporary fiction as models; workshop environment; possible publication in *Ampersand*. **Prerequisite:** ENG 317.

ENG 325. Creative Writing: Memoir and Creative Non-Fiction, 3 credits, Spring odd years

Practicum in creating a portfolio of original memoir and creative non-fiction using modern and contemporary memoir and non-fiction as models; workshop environment; possible publication in *Ampersand*. **Prerequisite:** ENG 317.

ENG 327. Seminar in Creative Writing, 3 credits, Spring

Advanced course in one or possibly a variety of genres, including but not limited to poetry, short fiction, the novel, and personal essay. Critique of student writings. Editing of *Ampersand*, C-N literary journal. **Prerequisite:** ENG 321 or 323 or 325. Course may be repeated with change of content.

ENG 328. Advanced Grammar and the History of English, 3 credits, Fall

Focuses on how historical events have changed English and the practical grammatical principles of English. **Prerequisite:** ENG 101.

ENG 340. Studies in the Novel, 3 hours, Fall

Development of the novel as a genre, with representative selections. Course may be repeated with change of content.

ENG 341. Studies in the Short Story, 3 credits, Spring

Development of the short story as a genre, with representative

selections from the 19th and 20th centuries. Course may be repeated with change of content.

ENG 342. Studies in Drama, 3 credits, Spring

Development of drama as a genre, with representative selections. Course may be repeated with change of content. TH credit for Theatre majors or minors.

ENG 343. Studies in Poetry, 3 credits, Fall

Development of poetry as a genre, with representative selections. Course may be repeated with change of content.

ENG 360. American Literature I, 3 credits, Fall

Intensive study of the works of representative American writers from the colonial period to the Civil War.

ENG 361. American Literature II, 3 credits, Spring

Intensive study of the works of representative American writers from the Civil War to the present.

ENG 362. British Literature I, 3 credits, Fall

Intensive study of the works of representative British writers from the Anglo-Saxon period through the 18th century.

ENG 363. British Literature II, 3 credits, Spring

Intensive study of the works of representative British writers from the Romantic period to the present.

ENG 423. Shakespeare, 3 credits, Fall

Life and major works of Shakespeare, with emphasis on critical interpretations and textual studies. TH credit for Theatre majors or minors.

ENG 433. Topics, 3 credits, Fall, Spring

In-depth study of specified topics and themes, including gender, race, nationality, faith, time period, and sub-genres. Specific course titles will illustrate the content. Course may be repeated with change of content (9 hours maximum).

ENG 450. Major Authors of American Literature, 3 credits, Fall

In-depth study of two or more American authors. Course may be repeated with a change of content.

ENG 451. Major Authors of British Literature, 3 credits, Spring

In-depth study of two or more British authors. Course may be repeated with a change of content.

ENG 460. English Seminar, 3 credits, Fall

For junior and senior English majors. Literary analysis, critical theories, research methods, introduction to job search and graduate study. **\$25 fee.**

ENG 465. English Internship, 3 credits, Fall, Spring, Summer

Supervised experience in a workplace which offers students opportunities for observation, exploration, and application of relevant, practical English skills; must be approved by a supervising faculty member. Guidelines may be obtained from the English department. Does not count toward the 36 hours required for the English major or for the minor. Repeatable to a maximum of 6 hours.

ENGLISH LANGUAGE INSTITUTE (ELI)

ELI 011. Speaking/Listening, 5 credits, Offered as needed

Introduction to basic oral communication and listening comprehension skills.

ELI 012. Reading/Writing, 5 credits, Offered as needed

Introduction to reading and basic written communication skills.

ELI 013. Grammar, 3 credits, Offered as needed

Introduction to basic grammatical structures.

ELI 014. Speaking/Listening/Reading/Writing, 1-12 credits, Offered as needed

Permission of ELI director required.

ELI 021. Speaking/Listening, 5 credits, Offered as needed

Focus is on expanding oral communication and listening comprehension skills.

ELI 022. Reading/Writing, 5 credits, Offered as needed

Focus is on sentence structure and writing effective paragraphs through process writing.

ELI 023. Grammar, 3 credits, Offered as needed

Focus is on the review of basic grammatical structures and concentration on specific grammatical problems.

ELI 031. Speaking/Listening, 5 hours, Offered as needed

Focus is on the refinement of oral communication and listening skills for use in the college classroom.

ELI 032. Reading/Writing, 5 credits, Offered as needed

Focus is on writing of various modes of academic paragraphs and essays and on reading texts with emphasis on development of fluency through use of coherence, cohesion, and vocabulary expansion.

ELI 033. Grammar, 3 credits, Offered as needed

Focus is on using complex grammatical structures needed for writing effective college essays and essay-style answers on exams.

ELI 041. Speaking/Listening, 3 credits, Offered as needed

Focus is on the mastery of oral communication and listening skills for the college classroom and the workplace. May be repeated for up to 6 credits.

ELI 042. Reading/Writing, 5 credits, Offered as needed

Focus is on writing effective essays and a research paper and on reading and critical thinking skills appropriate for the college classroom and the professional work environment. May be repeated for up to 10 credits.

ELI 043. Grammar, 5 credits, Offered as needed

Focus is on the refinement of complex grammatical structure and language usage with special attention to American word collocation. May be repeated for up to 10 credits.

EXERCISE SCIENCE (EXSC)

EXSC 001. EXSC Liability Insurance, 0 credits, Fall, Spring

This course is required for all EXSC students each semester. This

course will serve as a means of obtaining and keeping a record for students on the University's liability insurance. **\$20 fee.**

EXSC 104. Introduction to Exercise Science, 3 credits, Fall, Spring

An introductory course that provides an overview of the exercise science profession including career opportunities, academic and certification requirements, professional organizations, and contemporary issues. The class features multiple guest speakers from multiple allied health disciplines. **\$60 fee.**

EXSC 215. Testing and Prescription, 4 credits, Fall

This course will provide an overview of the relationship of exercise to cardiorespiratory function, body composition, muscular strength/endurance, and flexibility within the general population, as well as testing protocols and procedures for assessing each component of human performance. A laboratory component providing students firsthand experience performing, testing, and assessing the cardiorespiratory function, body composition, muscular strength/endurance, and flexibility of classmates. While learning the appropriate testing protocols and procedures for each component of human performance. **Prerequisites: BIOL 207.**

EXSC 226. Concepts in Exercise and Sport Behavior, 3 credits, Fall

A presentation of exercise and sport psychology theory: personality and motivation, sport/exercise environments, sport performance, health, and well-being enhancement.

EXSC 245. Principles of Strength and Conditioning, 4 credits, Fall

Students will understand the scientific and practical foundations of strength and conditioning programs applied to health adults, athletes, youth, and older adults. Students will work with community athletic and recreation teams and/or Carson-Newman varsity athletics to learn and apply the development of strength and conditioning programs. **Prerequisite: BIOL 207.**

EXSC 300. Teaching Assistantship, 1-3 credits, Fall, Spring

Assist with the preparation and management of EXSC courses. **Prerequisite: Program Director's Consent.**

EXSC 312SL. Exercise for Special Populations, 3 credits, Fall, Spring

This course will provide students the ability to design and manage training programs for various populations including youth, obese, pre/post-natal, senior, and clientele experiencing an illness affecting health and wellness. Additionally, a foundational awareness of the pathophysiology of multiple chronic conditions is developed. Students will work with community organizations to develop, teach, and maintain training regimens. **Prerequisites: EXSC 104 and 215 and BIOL 207, and instructor's consent.** *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

EXSC 316. Exercise Science Practicum, 1 credit, Fall, Spring, Summer

Students will gain a better understanding of resistance training and the responsibilities of a strength and conditioning professional through observation and technique support with the Carson-Newman's strength and conditioning staff. Students will complete 50 hours working with Carson-Newman's strength and conditioning staff or other appropriate professionals in the field. **Prerequisites: BIOL 207 and EXSC 245.**

EXSC 320. Special Topics in Exercise Science, 3 credits, Offered as needed

A wide variety of topics in exercise science and human performance are explored in this contemporary research and special topics course. Relevant issues including conditioning, nutrition and supplementation, and biomechanics are analyzed.

EXSC 331. Prevention and Treatment of Athletic Injuries, 4 credits, Spring

Students will understand knowledge in the field of sport related injuries. Content includes basic anatomy of common injuries, evaluation techniques, preventive measures to reduce the incidences of injuries, and a knowledge of basic treatment procedures to be used after injuries occur. Additionally, ethical, and legal issues will also be discussed. Includes lab content. **Prerequisites:** BIOL 207. **\$20 Fee**

EXSC 350. Applied Kinesiology, 4 credits, Fall

This course is designed to provide undergraduate students with the basic survey of human anatomy, physiology, and human mechanical movement specific to physical education and exercise science professions. Theory is balanced with laboratory experiences within the sport and real-world physical education profession in order to provide an integrated view of Kinesiology. **Prerequisites:** BIOL 207 and 208. Taught as BIOL 407.

EXSC 402. Human Motor Learning and Performance, 3 credits, Fall

The study of theory of how humans coordinate and control human movement and the application of that theory for teaching motor skills to include memory, attention, feedback, practice schedules, and transfer to explore. **Prerequisites:** BIOL 207, BIOL 208, junior/senior standing and Instructor's consent.

EXSC 403. Exercise Physiology, 4 credits, Spring.

Physiological foundations for acute responses and chronic adaptations to exercise. Three lectures and one two-hour lab a week. **Prerequisite:** BIOL 207; BIOL 208 recommended. **\$20 fee.**

EXSC 407. Kinesiology, 4 credits, Fall.

Basic anatomical, mechanical, and neuro-muscular concepts applied to human motion. Three lectures and one two-hour lab a week. **Prerequisites:** BIOL 207 and BIOL 208. **\$20 fee.**

EXSC 408. Sport Mechanics, 3 credits, Spring odd years

Concepts of mechanics are explored as related to human movement, exercise, sport, and physical activity. The mechanical and anatomical principles are applied so students develop the ability to analyze movement. **Prerequisites:** BIOL 207 and BIOL 208

EXSC 406. Motor Development, 3 credits, Spring even years

The course focuses on skill acquisition and performance at various developmental stages throughout the lifespan. This developmental approach emphasizes how motor behavior is influenced by the integration of psychological, sociological, biological, and mechanical factors. **Prerequisites:** EXSC 245 and BIOL 207 and 208.

EXSC 440. Physical Activity Epidemiology, 3 credits, Fall

The course examines the basis of epidemiological research and its application to exercise science. Students will acquire knowledge of

existing epidemiological research regarding the degree to which regular physical activity provides positive physical and psychological benefits. Chronic health conditions will be addressed including their etiology and clinical manifestations. **Prerequisites:** EXSC 104, 215, 245, 312SL, and BIOL 207, or instructor's consent.

EXSC 449. Strength and Conditioning Program Design, 4 credits, Spring Students will understand the organizational, administrative, and developmental aspects of athletic program design including development of muscular strength and endurance, flexibility, and cardio-respiratory fitness. **Prerequisites:** EXSC 104, 215, 245, and 312SL or instructor's consent.

EXSC 469. Exercise Science Internship, 6 credits, Fall, Spring, Summer

The internship serves as a capstone event allowing students to apply their academic knowledge in a professional allied health environment. The student is required to complete 300 hours at a pre-approved organization under the supervision of an allied health professional. **Prerequisites:** EXSC 104, 215, 245, 312SL, and BIOL 403 or instructor's consent. **\$28 fee.**

FAMILY AND CONSUMER SCIENCES (FCS)**FCS 121. Professional Orientation, 1 credit, Fall, Spring**

Survey of family and consumer sciences profession. Professionalism, career opportunities and preparation for professional study.

FCS 321. Professional and Multicultural Etiquette, 2 credits, Offered periodically

Concepts and processes involved in etiquette for professional behavior in traditional and multicultural settings throughout the lifespan.

FCS 400. Teaching Assistantship, 1-3 credit(s), Fall, Spring

Majors assist with research, class activities, and tutoring, by departmental invitation. S/F grading. May be taken more than once, limit 6 hours.

FCS 421SL. Senior Seminar, 1 credit, Fall

Capstone course for all family and consumer sciences majors focused on the synergistic nature of the profession. Interdisciplinary case study teams generate a training plan focused on a relevant issue requiring an integrative approach to meet needs of a community organization dedicated to improving the lives of individuals, families, and/or communities. **Prerequisites:** senior standing, FCS 121 or instructor's consent. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. \$15 fee.*

FCS 465. Internship in Family and Consumer Sciences, 3 credits, Fall, Spring, Summer

Supervised experience in a family and consumer sciences related business or agency. **Prerequisites:** CS 135, CFS 206, junior standing, instructor's consent.

FAMILY AND CONSUMER SCIENCES EDUCATION (FCSE)

FCSE 320. Introduction to Family and Consumer Sciences Education, 3 credits, Spring odd years

Philosophy of career and technical education and family and consumer sciences education; facilitation of co-curricular youth program, Family, Career and Community Leaders of America (FCCLA); curriculum development; and delivery management. Emphasis on organization and administration of Family and Consumer Sciences at secondary level.

FCSE 424. Methods of Teaching Family and Consumer Sciences Education, 2 credits, Fall

Assessment of Family and Consumer Sciences education in secondary schools and community. Emphasis on lesson development, delivery methods and procedures, assessment and creation of materials, community assessment, and program evaluation. **Prerequisite:** FCSE 320 or instructor's consent. **Corequisite:** FCSE 426, CFS 427, or Foods and Nutrition major.

FCSE 425. Occupational Family and Consumer Sciences Education, 3 credits, Offered periodically

Organization and administration of facilities, materials, and learning experiences in occupational secondary school programs including methods and curriculum development. **Prerequisite:** FCSE 320 or instructor's consent.

FCSE 426. Methods of Teaching Family and Consumer Sciences Education Practicum, 1 credit, Fall

Observation and practical application of principles, objectives, methods, materials, procedures, and evaluation for teaching middle and secondary level family and consumer sciences. **Prerequisite:** Admission to Teacher Education Program, FCSE 320 or instructor's consent. **Corequisite:** FCSE 424.

FASHION MERCHANDISING AND DESIGN (FMD)

FMD 101. Basic Sewing, 2 credits, Offered periodically

Fundamentals of sewing for non-majors. Principles of fabric selection and garment construction applied through exploration of basic techniques. Alteration and/or mending of commercial garments will also be addressed. Laboratory. CS, FMD, INTD, and FCSE majors may not enroll in this course. *\$30 fee.*

FMD 141. Design, Culture, and the Near Environment, 3 credits, Fall, Spring

Impact of design in the near environment, emphasizing the ecosystem of cultures, symbols, and individuals as a means to understanding self and others. *\$40 fee.*

FMD 143. Fashion Industry, 3 credits, Spring odd years. The dynamics, production, markets, procurement, and distribution of fashion.

FMD 233. Presentation Techniques for Fashion, 3 credits, Fall even years. An exploration of techniques for presenting fashion, including fashion illustration and computer-aided design. Students will finish the course with the framework of a professional design portfolio created from a compilation of original work. **Prerequisite:** FMD 141 or

instructor's consent. *\$50 fee.*

FMD 241. Textiles, 3 credits, Fall

An analysis of textile production by examining fibers, yarns, fabric construction, dyeing and printing techniques, and finishes. Other topics include textile performance and proposed use, care, and legislation. Both the apparel and interior design perspectives are considered. Laboratory. *\$50 fee.*

FMD 242. Clothing Construction, 3 credits, Spring

Principles of fabric selection, garment construction and fit. Application of principles includes both the fashion and interior design perspectives. Laboratory. **Prerequisite:** FMD 241 or instructor's consent. *\$30 fee.*

FMD 341. Merchandising I, 3 credits, Fall odd years

The quantitative principles of profit and loss, cost of merchandise sold, pricing, inventory valuation, planning, buying, and control as they relate to the merchandising of fashion.

FMD 342. Merchandising II, 3 credits, Spring even years

A global and comprehensive perspective of merchandising as it functions in the supply channel to activate product concept development, price, fashion forecasting, line development, buyers' preparation for market, and buyers' translation of the market to product delivery. **Prerequisite:** FMD 341.

FMD 345. Fashion History I, 3 credits, Fall odd years

A chronology of Western dress from antiquity to the 19th century that frames the fashion of each era within its historical, cultural, and economic contexts. The elements of style for each period will be documented.

FMD 346. Apparel Design I, 6 studio hours, 3 credits, Fall even years

Application of draping techniques to the creation and construction of apparel design. Studio. **Prerequisites:** FMD 141 and 242. *\$25 fee.*

FMD 347. Fashion History II, 3 credits, Spring even years

A chronology of Western dress from the 19th century to the present that frames the fashion of each era within its historical, cultural, and economic contexts. The elements of style for each period will be documented. **Prerequisite:** FMD 345.

FMD 348. Retailing, 3 credits, offered periodically

A strategic entrepreneur perspective which includes philosophy, objectives, location, organization, finance, operation, consumer decision making, and environmental analysis.

FMD 349. Apparel Design II, 6 studio hours, 3 credits, Spring odd years

Application of flat pattern techniques to the creation and construction of apparel design. Studio. **Prerequisites:** FMD 141 and 242. *\$25 fee.*

FMD 431. Product Development, 3 credits, offered periodically

Step-by-step preproduction processes of apparel product development, including target market analysis, business planning, trend and color forecasting, fabrication and styling, and line development utilizing computer-aided design. **Prerequisites:** FMD 141 and 241 or instructor's consent.

FMD 442. Fashion Advertising and Promotion, 3 credits, Fall even years

An overview of advertising and sales promotion specific to the fashion industry, including image development, public relations, and visual presentation. Laboratory. **Prerequisites:** FMD 141 and 143 or instructor's consent. *\$15 fee.*

FMD 445. Fashion Show Production, 3 credits, Spring odd years

The planning, creation, and implementation of a fashion show, including budgeting, staging, lighting and sound, and merchandise and model selection. Strategies for advertising and promotion are also considered. The course will culminate in a dramatized fashion show presented to the public. **Prerequisite:** FMD 442 or instructor's consent.

FMD 468. Internship in Fashion, 3 credits, Fall, Spring, Summer

Supervised experience in a fashion industry establishment. **Prerequisites:** Junior standing, FMD 342 or 442, and instructor's consent.

FILM (FILM)

FILM 208. Introduction to Digital Media, 3 credits, Fall, Spring

An introduction to the use of digital media in the communication process. Applying learned visual and aural principles students will explore the use of computer-based tools in the design and production of media content by creating and editing digital images, sounds, video, text and motiongraphics. **Same as COMM 208. Prerequisite:** COMM 123. *\$35 fee.*

FILM 209SL. Video Production, 3 credits, Fall

Lecture-laboratory study of the techniques and procedures used in the creation, production and direction of television programming. Emphasis on the function and operation of the primary tools and their application on the production process. **Same as COMM 209SL.** This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. *\$35 fee.*

FILM 250. International Cinema, 3 credits, Fall

See HONORS PROGRAM.

FILM 304. Advanced Production, 3 credits, Spring

Advanced techniques of designing, writing and production of audio, video, film and multimedia presentations. Topics include advanced techniques in videography, editing in a digital environment, script writing, story construction, and performance. **Prerequisites:** COMM 123, 208, and 209SL. **Same as COMM 304.**

FILM 305. Digital Storytelling, 3 credits, Fall, Spring

A laboratory experience in researching, designing and producing content in an environment of converging communication forms. Using the resources of the Center for Digital Storytelling students will create multimedia content for various audiences. Each semester the course will focus on a different arena of production (news website, multimedia presentation for a non-profit, a digital filmmaking competition via the internet, etc.). Repeatable for up to 6 hours. **Prerequisites:** COMM 123, 208, 209SL, and instructor's consent. **Same as COMM 305.**

FILM 310. Introduction to the Art of Film, 3 credits, Fall

Beginning course in the vocabulary and methods of film study. Emphasis on film techniques, style, and artists.

FILM 311. Film History, 3 credits, Spring odd years

An introduction to the history of world cinema.

FILM 317. The Business of Film and Television, 3 credits, Fall

This course serves as an intensive study of the film business and entrepreneurial strategies to succeed within independent and studio structures. Throughout the course, we will examine the intricacies of producing feature films, including financing, marketing, distribution, and ancillary sources of revenue. **Same as COMM 317.**

FILM 320. Topics in Film, 1-3 credit(s), As needed

This lecture-laboratory course focuses on a single topic in film studies. Subject matter differs each time it is offered. (Topic courses taken through the Los Angeles Film Studies Center require program acceptance and additional fees.) May be repeated for credit.

FILM 327. Media in a Changing World, 3 credits, Fall even years

Analysis of mass media business policies and practices of media organizations in a changing political, economic, regulatory and technological environment. Includes analysis of the historical and structural contexts and implications of new media technologies. **Same as COMM 327.**

FILM 344. Studies in American Film Genres, 3 credits, Spring even years

Examination of the major types since the studio era of the 1930's, often including the western, screwball comedy, horror, gangster, and musical films.

FILM 350. Film Festival Management, 3 credits, Fall

This course serves as a hands-on opportunity to learn the ins and outs of creating, curating, and running a professional film festival. Throughout the course, we will discuss the various tasks necessary to manage, market, and develop a public event with an international reach. **Same as COMM 350**

FILM 415. International Cinema, 3 credits, offered periodically

Study of film outside the United States, often focusing on movies from a single country, for example, Argentina, Japan, Australia, or Ireland. Course may be repeated with a change of content. **Same as GER 415, and SPAN 415.**

FILM 427. Film in the Disciplines, 3 credits, offered periodically

Study of the role of film in traditional disciplines, with emphasis on how those disciplines are viewed in film, as well as the methodologies and issues of the disciplines as reflected in movies. Course may be repeated with change of content. **Same as HIST 427, REL 427, and SOC 427.**

FILM 441. Film Authors, 3 credits, Fall odd years

Study of major artists who express their personal style and themes through film. Often focuses on directors as auteurs. Course may be repeated with a change of content.

FILM 460. Senior Project, 3 credits, Fall, Spring

Advanced work in screen writing, production, or research designed as a capstone experience.

FILM 465. Internship, 1-6 credit(s), Fall, Spring, Summer
Supervised practical experience in the film industry. Must be approved by film faculty.

FINANCE (FIN)

FIN 301. Introduction to Financial Management, 3 credits, Fall, Spring

An overview of finance and its role in developed economics, various business combinations and household. Course focuses on the real-life application of terminology, basic financial relationships, and their involvement with financial institutions. Prerequisite: Business Foundation Core.

FIN 302. Advanced Investment Analysis, 1 credit, Fall, Spring

An advanced study of financial instruments. Students will be allotted real funds to manage under the guidance of the instructor and outside representatives. Students will use instruments including corporate bonds, stocks, and commodities to create a return for these real funds. Application of various techniques of assessing risk and return will be employed in an attempt to maximize the return on the funds. May be repeated for up to 4 credits. Prerequisite: FIN 301

FIN 304. Investment Analysis, 3 credits, Fall

A study of U.S. and international financial instruments and securities such as corporate bonds, government bonds, real estate mortgages and investments, commodities, and the stock market. Various techniques of assessing risk and return will be presented. Prerequisites: Business Foundation Core and FIN 301.

FIN 305. Financial and Tax Strategies, 3 credits, Spring odd years

An examination of financial services with a study of financial institutions, financial instruments, personal financial and tax planning techniques. Additional topics include regulations related to organizational and personal tax strategies, new methods of borrowing, expanded insurance products, savings and investment alternatives. Prerequisites: Business Foundation Core and FIN 301.

FIN 307. Corporate Finance, 3 credits, Spring even years

An overview of the finance function in large business organizations. Topics such as budget preparation, managing cash flow, breakeven analysis, managing cash, accounts receivable, auditing, and inventory. Prerequisites: Business Foundation Core, FIN 301, or instructor's consent.

FIN 401. Financial Analysis and Valuation, 3 credits, Fall even years

Overview of markets and the financial analysis used to support decision-making both in organizational and personal matters. Prerequisites: Business Foundation Core and FIN 301.

FIN 402. Insurance and Risk Management, 3 credits, Fall odd years

Covers the field of insurance, insurance law, and risk management. Areas covered include insurance regulation, insurance contract interpretation, policy exclusions, alternatives to risk management, and government regulation in regard to employee benefits. Prerequisites: Business Foundation Core and BAD 301.

FIN 465. Finance Internship, 1-6 credit(s), Offered periodically

Practical experience gained through an internship in the private or public sector. Proposal must be submitted and approved by supervising

instructor. Prerequisites: Business Foundation Core, instructor's consent.

FOODS, NUTRITION, AND DIETETICS (FN)

FN 110. Basic Food Preparation, 3 credits, offered periodically

Principles of food preparation with emphasis on healthy menu planning, proper use of equipment, and basic techniques. Laboratory (1 hour lecture, 2 hours lab per week). \$100 fee.

FN 114. Food and Culture, 3 credits, Fall

Multicultural factors which influence human foodways with emphasis on nutritional significance of changing world food supply.

FN 210. Basic Nutrition, 3 credits, Fall, Spring

Examination of nutrients, diet planning, and energy utilization from life span perspective.

FN 214. Science of Nutrition, 3 credits, Fall, Spring

Essential nutrients, their sources and function in the human body. Daily food selection across the life span using nutritional guidelines. For foods, nutrition, and dietetics majors; and other health professionals. Prerequisites: CHEM 101 or 103 or BIOL 207 or 208 or instructor's consent.

FN 215. Sports Nutrition, 3 credits, Spring

Study of the role of nutrition in physical performance and health. Specific regimens applicable to athletes/personal fitness programs, ranging from the training diet to fluid, electrolyte and glycogen replacement, along with examination of how nutrient needs vary depending on types of sport.

FN 216. Nutrition Foundations for the Nursing Profession, 3 credits, Fall

Study of nutritional needs and nutritional therapy across the lifespan defining the nursing professions' role in nutrition, wellness, and health promotion.

FN 310. Principles of Food Preparation and Meal Management, 4 credits, Fall, Spring alternate years

Principles of food science, meal planning, and preparation with emphases on demonstration techniques, quality evaluation, and styles of service. Laboratory. Prerequisite: FN 210 or 214 or instructor's consent. \$115 fee.

FN 311. Nutrition Education and the Community, 3 credits, Spring even years

Nutritional needs of populations and principles in nutrition program planning and implementation for health promotion, disease prevention, and food security in communities. Laboratory. Prerequisites: FN 114, 214, FCSE 424, instructor's consent. \$25 fee.

FN 313. Quantity Food Systems, 4 credits, Spring odd years

Theory and practice. Systems approach to food service operation (on-site and commercial) for quantity food production with application of menu writing and analysis, management, financial, HAACP/safety/regulatory, and continuous quality principles. Laboratory. Prerequisite: FN 210 or 214, 310, or instructor's consent. \$50 fee.

FN 316. Experimental Food Science, 4 credits, Fall even years

Principles of food chemistry, ingredient functionality, and sensory/textural evaluation utilizing scientific method. Current trends in food industry and impact on nutritional well-being. Laboratory. **Prerequisites:** CHEM 100, 101, or 103, FN 310, or instructor's consent. *\$100 fee.*

FN 400. Advanced Nutrition, 1-4 credits, periodically

Through an evidence-based seminar course, students will explore the emerging trends and issues in nutrition and/or dietetics. Example topics may include food technology, food safety, food insecurity, new food product, global foods, emerging nutrition concerns (for example, treatment of COVID patient), etc. **Prerequisites:** FN 214 or 216, FN 310, junior/senior standing, or instructor permission.

FN 411. Advanced Nutrition, 3 credits, Fall even years

Metabolism of carbohydrates, lipids, and proteins; role of vitamins and minerals in metabolism; and significance and application of nutrition assessment techniques throughout the life span. **Prerequisites:** BIOL 207 and 208, CHEM 310 or equivalent, FN 214 or instructor's consent.

FN 412. Medical Nutritional Therapy, 3 credits s, Spring odd years

Examination of disease states with emphasis on nutrient needs for planning, intervention, and evaluation throughout the life span utilizing nutrition counseling/education techniques. **Prerequisites:** BIOL 305 and 306, FN 411 or instructor's consent.

FN 421. Seminar in Foods, Nutrition, and Dietetics, 1 credit, Fall

Professional aspects of food and nutrition sciences and dietetics with emphases on trends in health care systems, credentialing, continuing education, communications, leadership, ethics, and public policy. **Prerequisites:** FN 114, 214, and 310, junior/senior standing or instructor's consent.

FN 466. Field Experience in Foods, Nutrition, and Dietetics, 3 credits, Fall, Spring, Summer

Experience in food establishment, dietetic service of health care facility, health/wellness center, or other food/nutrition related business under supervision of Registered Nutritionist Dietitian (RND) and/or other qualified professional. **Prerequisites:** FN 311, 313, or instructor's consent.

FRENCH (FREN)**FREN 101. Elementary French I, 3 credits, Fall**

Introduction of the sound system of French and correlation of sounds to written symbols. Vocabulary acquisition and use of common verbs in the present tense. Introduction to the *passé composé*. Pair and small-group work is emphasized for speaking and listening practice. **Prerequisite:** Placement exam.

FREN 102. Elementary French II, 3 credits, Spring

Continuation of skill development from 101. Expressing actions in past time in both the *passé composé* and the *imparfait*. Increased emphasis on writing and reading in French. Pair and small-group work is emphasized for speaking and listening practice. **Prerequisite:** French 101 or placement by exam.

FREN 201. Intermediate French I, 3 credits, Fall

Continuation of skill development from 102. Review of regular and irregular verbs in the present, past, and imperfect tenses. Emphasis on reading and writing short compositions. Part and small-group work is emphasized for speaking and listening practice. Skill development expectations focus on using more complex complete sentences and longer paragraphs including past tense forms. **Prerequisite:** FREN 102 or placement by exam.

FREN 202. Intermediate French II, 3 credits, Spring

Continuation of skill development from 201. Review of the subjunctive, object pronouns, and prepositions. Emphasis on reading for context and oral/written presentation of information. Continue emphasis on compositions in French. **Prerequisite:** FREN 201 or placement by exam.

GEOGRAPHY (GEOG)**GEOG 201. World Regional Geography I, 3 credits, offered periodically**

A regional study of the economically developed regions of the earth including Europe, Russia and the former Soviet Republics, North America, Japan, and Australia.

GEOG 202. World Regional Geography II, 3 credits, offered periodically

A regional study of the underdeveloped regions of the earth including Middle America, South America, North Africa/Southwest Asia, Sub-Saharan Africa, South and Southeast Asia, the Chinese World, and the Pacific Realm.

GEOLOGY (GEOL)**GEOL 101. Introduction to Physical Geology, 3 credits, Fall, Spring**

Basic earth-space relationships, gross features of the earth's surface, earth minerals, external and internal earth processes. Three class periods and one two-hour lab a week and one audiovisual or computer/tutorial period.

GERMAN (GER)**GER 101. Elementary German I, 3 credits, Fall**

Introduction to the German sound system and correlation to written symbols. Development of basic survival vocabulary such as greetings, numbers, family, dates, telling time, answering simple questions, and obtaining simple information. Introduction to basic grammatical structures in the context of learning how to describe daily routines, preferences, and things close to students' lives. **Prerequisite:** Placement Exam. *Nominal fee.*

GER 102. Elementary German II, 3 credits, Spring

Continuation of basic skill development in listening, speaking, writing, and reading. Extension of basic vocabulary relating to daily routines, chores, plans, and preferences. Study of grammatical structures for speaking about past actions and events, and the future. **Prerequisite:** GER 101 or placement by exam. *Nominal fee.*

GER 201. Intermediate German I, 3 credits, Fall

Development of communicative proficiency in everyday situations and reading and writing skills. Review and extension of related vocabulary

and grammatical structures. **Prerequisite:** GER 102 or placement by exam. *Nominal fee.*

GER 202. Intermediate German II, 3 credits, Spring

Continuation of the development in communicative skills, and emphasis on oral interaction and the acquisition of conversational strategies. Enrichment in related vocabulary and advanced grammar topics. **Prerequisite:** GER 201 or placement by exam. *Nominal fee.*

GER 301. Advanced Skills, I, 3 credits, offered as needed

Grammar review, composition, and conversation. Required of all minors. This course is a prerequisite for all 300-level and 400-level German courses. **Prerequisite:** GER 202 or placement by exam. *Nominal fee.*

GER 302. Advanced Skills, II, 3 credits, offered as needed

Development of reading skills through selected literary and expository texts with continued emphasis on conversation and composition skills.

Prerequisite: GER 301. *Nominal fee.*

GER 309. Foreign Study/Travel Experience, 1-4 credits, offered as needed

Cultural and linguistic enrichment through travel/study/missions immersion programs that do not offer credit in themselves. This course must be approved and a syllabus prepared before the experience. This course counts toward majors and minors but not toward liberal arts core requirements. Taught in German. S/F grading. **Prerequisites:** GER 301 and 302. *Nominal fee.*

GER 320. Junior Seminar in German, 3 credits, offered as needed

Possible topics include: Readings in relevant issues such as "Germany as a Multi-cultural Society", the German short story, the Contemporary German Film, Cultural History of Germany, Production of a One-Act Play. **Prerequisites:** German 301 and 302. May be repeated with different topics. *Nominal fee.*

GER 400. Teaching Assistantship, 1-3 credits, offered as needed

Includes classroom experience and work in comparative methodologies. Designed for the student considering a language teaching career. Basic credit 1 hour. Up to 3 hours through special arrangement. May not be repeated beyond 3 total hours. By departmental invitation. Does not count toward major or minor. *Nominal fee.*

GER 415. International Cinema, 3 credits, offered periodically

Study of film outside the United States, often focusing on movies from a single country, for example, Argentina, Japan, Australia, or Ireland. Course may be repeated with a change of content. Same as FILM 415.

KOINE GREEK (GRK)

GRK 201. Elementary Greek I, 3 credits, Fall

Study of the basic grammar of the Greek New Testament from the alphabet to deponent verbs.

GRK 202. Elementary Greek II, 3 credits, Spring

Study of the basic grammar of the Greek New Testament from the

future tense to the participle. **Prerequisite:** GRK 201.

GRK 300. Teaching Assistantship, 1-3 credits, Fall, Spring

Advanced students assist with instruction. By departmental invitation. Counts toward major or minor.

GRK 301. Intermediate Greek I, 1-3 credits, Fall

Intermediate course consisting of translation and grammatical study of selected sections of the New Testament. **Prerequisites:** GRK 201 and 202.

GRK 302. Intermediate Greek II, 1-3 credits, Spring

Intermediate course consisting of translation and grammatical study of selected sections of the New Testament. **Prerequisites:** GRK 201 and 202.

GRK 401. Advanced Greek I, 1-3 credits, Fall

Advanced course consisting of translation and grammatical study of Paul's letter to the Philippians. **Prerequisites:** GRK 301 and 302.

GRK 402. Advanced Greek II, 1-3 credits, Spring

Advanced course consisting of readings in syntax and textual transmission supplemented with translation of selected passages from the Greek New Testament, LXX, and Classical Greek. **Prerequisites:** GRK 301 and 302.

GRK 420. Topics in Greek, 1-3 credits, Offered as needed

Advanced course consisting of continued translation, grammar, syntax, and textual study of Koine Greek. Course can be repeated with varying content. **Prerequisite:** GRK 402.

HEALTH (HLTH)

HLTH 201. Substance Use and Abuse, 3 credits, offered periodically

Overview of prevention, treatment and cure of chemical excesses.

HLTH 202. Wellness: a Lifetime Objective, 3 credits, Fall, Spring, and Summer periodically

Study of the importance of health and well-being throughout life.

HLTH 203. First Aid and Safety Education, 3 credits, offered periodically

The "how to" of responding to emergency situations. Preventive measures and sports first aid will also be covered. American Red Cross Certification may be obtained.

HLTH 209. Wellness for the 21st Century, 2 credits, offered periodically

Trends and issues in wellness. Students will engage in service, research or teaching project and develop a self-wellness plan. Same as NURS 209.

HEBREW (HEB)

HEB 201. Elementary Biblical Hebrew I, 3 credits, Fall

Introduction to basic Hebrew grammar and Jewish culture of the ancient world.

HEB 202. Elementary Biblical Hebrew II, 3 credits, Spring

Advanced Hebrew grammar and overview of interpretive methods of Hebrew writings.

HEB 300. Teaching Assistantship, 1-3 credits, Fall, Spring

Advanced students assist with instruction. By departmental invitation. Counts toward major or minor.

HEB 301. Intermediate Biblical Hebrew I, 1-3 credit(s), Fall

Intermediate course focusing upon translation and interpretation of the Hebrew Bible. **Prerequisites:** HEB 201 and 202.

HEB 302. Intermediate Biblical Hebrew II, 1-3 credit(s), Spring

Intermediate course focusing upon translation and interpretation of the Hebrew Bible. **Prerequisite:** HEB 301.

HEB 320. Special Topics, 1-3 credit(s), As needed

Introduction to a Northwest Semitic language: Akkadian, Aramaic, or Ugaritic. Course may be repeated with a change of content. **Prerequisite:** HEB 301.

HEB 401. Advanced Biblical Hebrew I, 1-3 credit(s), Fall

Advanced study of the Hebrew Bible including the world of the Masoretic notes and traditions. **Prerequisite:** HEB 302.

HEB 402. Advanced Biblical Hebrew II, 1-3 credit(s), Spring

Advanced study of the Hebrew Bible focusing upon the textual apparatus of the Hebrew texts. **Prerequisite:** HEB 401.

HEB 420. Topics in Hebrew, 1-3 credit(s), offered as needed

Advanced course consisting of continued translation, grammar, syntax, and textual study of Hebrew Bible. Course can be repeated with varying content. **Prerequisite:** HEB 402.

HISTORY (HIST)

HIST 100. Military History of the United States, 3 credits, Spring

From 1776 to the present. Freshmen and sophomores only. Juniors with permission of instructor. Same as MILS 100.

HIST 133. World History I, 3 credits, Fall, Spring

Survey of the modern world in its political, social, and economic framework, 1500-1850.

HIST 134. World History II, 3 credits, Fall, Spring, Summer

Survey of the modern world in its political, social, and economic framework, 1850 to the contemporary age.

HIST 135. Early Civilizations, 3 credits, Fall

Survey of pre-1500 world civilizations.

HIST 201. United States History I, 3 credits, Fall

Survey of the national development of the United States to 1877.

HIST 202. United States History II, 3 credits, Spring

Survey of the national development of the United States since 1877.

HIST 210SL. Research and Writing Essentials for Historians, 2 hours, Spring Students learn the art and craft of writing history by doing substantive research in primary sources. Emphasis on understanding historical interpretation and work in archives or collecting historical materials for an original work of scholarship. This is a service-learning course and may require an additional time commitment outside of class.

HIST 240. Special Topics: Environmental Writers, 1 credit, Spring

Reading and discussion of one writer whose writings on issues relating to the environment are considered classics or pivotal in the history of environmentalism. May be repeated with different topics.

HIST 242. Readings in Feminist Writers, 1-3 credit(s), Offered periodically

Introduction to the writings of major feminist authors from around the world and across the centuries. Included will be authors of fiction as well as non-fiction; poets as well as essayists; sociologists and historians. Can be repeated for credit when topic changes.

HIST 250. International Cinema, 3 credits, Fall even years

See HONORS PROGRAM.

HIST 312. Modern Middle East, 3 credits, offered every 2-3 years

Emergence of the modern Middle East from the late eighteenth century through the present by focusing on political and cultural changes. Same as PSC 312.

HIST 320. Special Topics in History, 1-3 credit(s), offered periodically

An examination of a specific area of study in the discipline. Can be repeated for credit when topic changes.

HIST 321. American Political Thought, 3 credits, Spring every 2-3 years

Survey from Puritans to the present. Same as PSC 321.

HIST 323. Global Feminisms: Women in the Modern World, 3 credits, Fall odd years

Explores the history of women in the 20th/21st century from a global and thematic perspective by looking at middle class feminism and working class unionism; women in political revolutions and women in peace movements; women and the development of human rights; the development of women's history; and women and the politics of globalization, development, and environmental politics. Same as PSC 323.

HIST 324. Modern Africa, 3 credits, offered every three years

Examines the long term impact of empire on Africa, the various methodologies of imperialism, and the importance of religion and neo-colonialism.

HIST 334-336. Series: Studies in European Development, 3 credits each course

HIST 334. Europe in Transition, 1350-1789, offered every 2-3 years

Study covers the period from the waning of the Middle Ages to the outbreak of the French Revolution, examining such topics as the Renaissance and Reformation, the scientific revolution, the emergence of representative government in England and of absolutism in France, and the Enlightenment.

HIST 335. Europe in Age of Revolution: Reform and Unification, offered every 2-3 years

Study moves from the background and eruption of the French Revolution to the dawn of the Twentieth Century, examining such events as revolution, nationalism, liberalism, socialism, and other forces and ideologies which dramatically transformed Europe and created many

of the conditions which persist to the present.

HIST 336. Emergence of Modern Europe, 1901 to the present, offered every 2-3 years

Study of a Twentieth Century Europe dominated by events such as World War I, the Great Depression, World War II, and the post-1945 East-West conflict which has helped produce today's world.

HIST 340. Literature and Revolution, 3 hours, Once every 4 years

Explores the major social and political revolutions of the 20th century in Russia, China, Vietnam, South Africa, Iran, and Nicaragua by using novels, short stories, poetry, memoirs and film from these revolutions. Non-majors welcome.

HIST 341-348. Series: Asian Studies, 3 credits each course

HIST 341. The Confucian Tradition, Fall every 4 years

An examination of the spread of Confucian culture from China into Korea, Vietnam, and Japan.

HIST 347. Japan Past and Present, once every 3 years

A survey of the ideas and events which have made Japan a distinctive and successful society from its classical beginnings through the Tokugawashogunate and into the modern era.

HIST 348. China in Revolution, once every 3 years

A survey of China since the Opium War (1839) emphasizing the themes of imperialism, nationalism, modernization, the rise of communism, and the post-Mao reforms.

HIST 351-353. Series: Studies of Warfare, 3 credits each course

HIST 351. World War I, offered periodically

Study of the background, course, settlement and consequences of the Great War.

HIST 355. Imperialism, 3 credits, offered every 2-3 years

Examination of political, religious, cultural, military, and financial aspects of modern imperialism.

HIST 357. History of Christianity, 3 credits

Survey of the development of Christianity since the first century. Same as BTS 339.

HIST 365. Washington Semester, 3-9 credits offered as needed

Internship in the nation's capitol. Students learn about the workings of federal government under supervision of a US congressman out of whose office they work. Approvals from instructor, committee and Washington office required during semester prior to participation. **Prerequisite: senior status.**

HIST 400. Teaching Assistantship in History, 1-3 credit(s), Fall, Spring

Teaching assistantship for majors by departmental invitation.

HIST 401-405. Studies in American Development, 3 credits each course

HIST 401. Early American History, 3 credits offered periodically

Study of political, social, economic, religious aspects of American development through the proposing of the Constitution.

HIST 403. The Civil War and Reconstruction, 1848-1877, once every 3-4 years

Study of the background and events surrounding that tragic conflict and of the flawed attempt in its aftermath to create a society willing to accept the concept of racial equality.

HIST 405. The America of Prosperity, Depression, and War, 1920-1945, offered periodically

Study of the "Roaring Twenties," the Great Depression, and the nation's involvement in World War II.

HIST 408. The Civil Rights Movement, 3 credits, offered periodically
Background, development, course, and demise of the American civil rights movement of the latter half of the 20th century.

HIST 413. American Foreign Relations, 3 credits, Fall odd years, other times possible

Study of the aims, achievements and failures in America's relations with the rest of the world, with emphasis on the post-1914 period.

HIST 417. Development of the Modern Presidency, 3 credits

Analysis of the growth of US presidential power. Historical roots and practices of 20th century presidents. Same as PSC 407.

HIST 420. Formation and Adoption of the Federal Constitution, 3 credits, offered periodically

Examination of the context and process of the formation and adoption of the United States Constitution. Same as PSC 420.

HIST 427. Film in the Disciplines, 3 credits, offered periodically

Study of the role of film in traditional disciplines, with emphasis on how those disciplines are viewed in film, as well as the methodologies and issues of the disciplines as reflected in movies. Course may be repeated with change of content. Same as FILM 427.

HIST 434. The Reformation: Protestant and Catholic, 3 credits, offered every 3-4 years

Background, course, effects of the reformation. Same as BTS 438.

HIST 440. Celtic Histories, 3 credits, Spring every 4 years

An examination of the cultures of Ireland and Scotland with particular emphasis on religion, society, food, language, and music.

HIST 451. Senior Capstone in History, 2 credits, Fall

Students will explore a variety of topics relating to a career in history; options for different types of career, professional writing in history, preparing papers for publication, and oral and visual presentation techniques. **Required of all history majors.**

HONORS PROGRAM

ENG 101. Writing and Literary Studies I, 3 credits, Fall

Class section that provides enriched Writing and Literary Studies I content for honors students.

FA 301. Form and Expression in the Contemporary Arts, 3 credits, Fall even years

An exploration of theater, film, visual arts, architecture, music and poetry, and their interrelationship with one another and contemporary culture.

FILM/HIST 250. International Cinema, 3 credits, Fall

The aim of this course is to provide a background and develop academic discursive competence in the aesthetics and history of film. Students will learn to recognize and analyze the formal aspects of narrative and cinematography within particular cultural and historical contexts.

HON 001, 002, 003, 004. Honors Program, 0 credit, Fall, Spring

Academic, artistic, and social enrichment activities for honors students. Required of all honors students each semester. Honor scholarships awarded to junior- and senior-level students are contingent upon enrollment in the appropriate level of the class.

HON 219. Honors Proposal Seminar, 1 credits, Spring

This course will facilitate the Honors student's development of a research proposal. The fundamentals of the research process will be explored. The students will explore areas of research interior and with faculty guidance complete foundational work for the Honors thesis.

HON 319. Research and Writing, 1 credit, Spring

Preliminary to the honors thesis. Prospectus is prepared.

HON 499. Independent Honors Thesis, 1-6 credit(s)

Supervised experience or research in a student's major field(s). Requires departmental and Honors Council approval.

HUM 101-102. Humanity and the Cosmos I, II, 3 credits each semester, Fall (101), Spring (102)

Freshman honors course. A study of the relationship between people and the universe.

HUM 302. Medical Humanities: Meaning and Healing, 3 credits, Spring even years

An exploration and analysis of human flourishing, suffering, and healing from the perspectives of both the sciences and the humanities. Human wholeness and brokenness will be examined with the aid of biological sciences, social sciences, theology, philosophy, ethics, and the arts, with the aim of providing insight into the human condition, suffering, personhood, and our responsibility to each other. Using literature and the arts, the course will help students develop and nurture skills of observation, analysis, empathy, and self-reflections, skills that are essential for humane medical (and other) caregiving and richness of life in community for all.

PSY/SOC 250. Society and the Individual. 3 credits, Fall

Introduction to the basic principles of sociology and psychology and how they relate to each other and the everyday world.

PSC 302. Faith and Freedom of the Individual, 3 credits, Spring

Study of political and religious thought and issues and their relationships to current concerns.

PSY 318. Humanity and the Biosphere, 3 credits, Every 2-3 years

A holistic study of human/nature relationships with special emphasis on sustainable living and eco-justice issues in the Appalachian bioregion. Laboratory.

BTS 101. Introduction to the Old Testament-Honors, 3 credits, Fall

Class section that provides enriched Old Testament content for honors students.

BTS 102. Introduction to the New Testament-Honors, 3 credits, Spring

Class section that provides enriched New Testament content for honors students.

BTS 452. Cross-Cultural Experience and World Awareness, 3 credits, Summer

Preparation for a cross-cultural immersion experience within the United States or abroad that offers the student opportunity to engage in mission praxis, reflection, and service.

INTEGRATED EARLY CHILDHOOD COURSES (IEC)

IEC 414. Reading Instruction and Assessment, 3 credits, Fall

This course introduces the theory that undergirds literacy development and emphasizes practical implementation of effective literacy strategies through a minimum 15-hour practicum experience. Students will develop an understanding of the causes of reading difficulties and use this knowledge in planning and assessing literacy skills of an individual student. Practicum required – minimum 15 hours. **Prerequisites:** Admission to Teacher Education Program; EDUC 204, 314, 341, SPED 313, IEC 420, or instructor consent. Same as EDUC 414SL. \$50 fee.

IEC 415. Mathematics, Science, and Social Studies, 4 credits, Fall odd years

Introduction to methods and materials for teaching mathematics, science, and social studies in grades PreK-3. Activities will focus on curriculum, planning, strategies for teaching and assessing, and methods of integrating learning in the three subject areas. Practicum required – minimum 15 hours. **Prerequisite:** Admission to Teacher Education Program. Same as EDUC 415.

IEC 420. Play-Based Integration in Early Childhood, 3 credits

Study and application of inclusive, developmentally appropriate techniques and strategies to support the development of the whole child through creative play. Emphases include planning effective curriculum and environments, supporting the role of the integrated early childhood, professional developing effective classroom management and individual instruction, while exploring typical and atypical developmental sequences. Practicum required in Child Development Laboratory (CDL) and public-school early childhood classroom. **Prerequisite:** CFS 206 or PSY 204, SPED 313, or instructor consent.

IEC 422. Administrative Practices for Integrated Early Childhood, 4 credits

Study and application of family-school relationships, professionalism, administrative practices, and assessment-based curriculum

modifications to ensure high-quality, integrative, developmentally appropriate, play-based learning environments. Practicum required in Child Development Laboratory (CDL) and public-school early childhood classroom. **Prerequisite:** IEC 420 and SPED 326, 416, or 425, or instructor consent.

INTERDISCIPLINARY COURSES (ID)

ID 102. Power, Privilege, and Difference, 3 credits

This course will explore and examine the systems of privilege, power, and difference in our society. Through personal story sharing, critical conversations, and engagement with critical pedagogy we seek to identify and address the root causes of domination and control prevalent in our individual lives and in American society. **Enrollment limited to Bonner Scholars.**

ID 120. Academic Strategies Course, 2 credits, Fall, Spring

This course includes methods and strategies to be successful in college. Topics include note-taking, textbook reading strategies, time management, effective use of resources, test-taking tips, stress management, academic goal-setting, making the connection between your major and possible careers, acclimation to university life, academic integrity, and effective writing and research skills.

ID 121. The Academic Success Seminar, 1 credit, Fall, Spring

Required for students on academic probation. Designed to assist students with the transition to higher education. Topics will include study strategies, time management, and self-motivation techniques. Students must complete the course with a C or better, or they will be required to take the course again the following semester. *Students cannot withdraw from this class.*

ID 125. University Skills Enhancement, 1 credit, Summer

This course will explore the fundamentals of college success through academic topics such as setting short-term and long-term goals, developing non-cognitive skills for success, learning to learn, decreasing the negative aspects of stress, and creating an academic and financial plan for completing college.

ID 170, Introduction to College, 3 credits, Summer

This course assists first-year students' adjustment to college through academic and life-skills instruction and discussion. Topics include language/ reading and writing, math skills, study skills, effective time management, and team building exercises.

ID 201. Major and Career Exploration, 1 credit, Fall

Guidance in choosing a major (1) examining personal and occupational personality, values, skills, and interests through self-assessment tools and (2) developing decision-making and information-gathering methods related to major and/or career investigation. This course is only for freshmen and sophomores deciding on a major. **Prerequisite:** Instructor's consent. *\$25 fee.*

ID 208. Career Planning in the Health Professions, 1 credit, Fall

Purpose is to introduce and to plan for careers in the health professions (excluding nursing) as organized in the health pre-professional program at Carson-Newman University. Intended for students who have already chosen health professions as a career.

ID 211. Peer Mentoring and Leadership, 1 credit, Fall, Spring

Using communication, trust, and problem solving, students will develop the skills needed to be a successful leader and peer mentor in a college community. Individual and group leadership development in both personal and professional settings will be addressed as well as assessment skills in identifying the needs of a group. Students will be assigned as a peer mentor to a cohort of students.

ID 212. Social Entrepreneurship Seminar, 2 credits, Fall

An introduction to service that addresses human needs and problems by strengthening social infrastructure through community research and action, service learning, and civic engagement. Involves readings and a field trip. Same as PSY 212. S/F grading. *\$25 fee.*

ID 213. Leadership Methods, 2 credits, Spring

Students will understand theoretical and practical leadership viewpoints. Students explore various methods and applications of leadership pertaining to management, education, spirituality, and community. Power, authority, influence, team building, diversity, multiculturalism, and values are explored relative to leadership.

ID 215SL. Service-Learning Peer Mentorship, 1 credit, Fall, Spring

Designed for students chosen to be Service-Learning Peer Mentors through *envolved*. Students will work with assigned instructors and departments to aid in the implementation of service-learning projects. Will meet regularly with the instructor for training and assessment of assigned tasks. **Prerequisite:** Instructor's consent. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

ID 217. Introduction to Appalachian Studies, 1 credit, Offered annually

A study of the Appalachian bioregion in interdisciplinary perspective to include its history, culture, social ecology, literature, and art, with a focus on the events sponsored by the Appalachian Center.

ID 312. Social Entrepreneurship and Non-Profit Studies, 3 credits, Spring

Students will explore how non-profit organizations can address human needs and problems by strengthening social infrastructure and empowering communities to help themselves. Students will complete a project that addresses human need and creates social change for the common good. Same as PSY 312SL. **Prerequisite:** ID/PSY 212. *\$25 fee.*

ID 318. Career and Professional Development, 2 credits, Fall, Spring

Designed for seniors. In-depth look at the job search, including resume and cover letter writing, interviewing, and life as a new professional.

Prerequisites: Instructor's consent; junior/senior standing. *\$25 fee.*

ID 320. Study Abroad, 12-17 credits, offered as needed

Students study abroad for one semester (fall or spring) at an approved international university. Applications for study abroad are available at the Center for Global Education.

ID 324. Study Away, 12-17 credits, offered as needed

Students earn credit through an approved academic program at a cooperating educational institution within the United States. Coursework taken during the semester away must be authorized for transfer by the University Registrar.

INTERIOR DESIGN (INTD)**INTD 101. Interior Design Fundamentals, 6 studio hours, 3 credits, Fall**

Introduction to interior design history and professional practices including design process and theories, elements and principles, aesthetics and discernment, building systems and codes, space planning, and material and finish selections. Studio. *\$10 fee.*

INTD 244. Interior Design Building Systems I, 3 credits, Fall odd years

Overview of building systems as related to the construction of the building envelope, materials, code information, healthy indoor air, and sustainable design. *\$10 fee.*

INTD 245. Interior Design Building Systems II, 3 credits, Spring even years.

Overview of building systems as related to electrical systems, lighting, and sustainable design. **Prerequisite:** INTD 244 or instructor's consent.

INTD 246. Architectural Drafting, 6 studio hours, 3 credits, Fall odd years Examination and execution of architectural drawing and light construction techniques for interior visual design communication. Studio. *\$110 fee.***INTD 252. Space Planning, 6 studio hours, 3 credits, Spring even years**

Study and application of analytical, conceptual, and applied aspects of programming and space planning through research and development of the design process for both residential and non-residential environments. Studio. *\$10 fee.*

INTD 254. Material and Finishes, 3 credits, Spring odd years

The study of building products specified by the interior designer for the interior environment to include surface materials and finishes with an emphasis on creating healthy and sustainable spaces.

INTD 256. Computer-Aided Design, 6 studio hours, 3 credits, Spring even years

Study and application of basic computer-aided design (CAD) skills for design visualization. Studio. **Prerequisite:** INTD 246 or instructor's consent. *\$10 fee.*

INTD 345. History of Architecture and Interiors Before 1830, 3 credits, Fall odd years

Historical survey of architectural forms, interior treatments, furnishings, and decorative arts from antiquity through the early 19th century.

INTD 346. History of Architecture and Interiors After 1830, 3 credits, Spring even years

Historical and aesthetic survey of architectural theories and trends,

period styles in furnishings and interiors, and leading designers from the early 19th century to present. **Prerequisite:** INTD 345 or instructor's consent.

INTD 348. Kitchen and Bath Design, 6 studio hours, 3 credits, Fall even years

Application of the National Kitchen and Bath Association (NKBA) standards for kitchen and bath design. Studio. **Prerequisites:** FMD 141, INTD 101, and INTD 246. *\$10 fee.*

INTD 350. Residential Design, 6 studio hours, 3 credits, Fall even years

The study of residential design development to include new construction, adaptation, and sustainable building systems. **Prerequisites:** FMD 141, INTD 101, and INTD 256. *\$10 fee.*

INTD 450. Commercial Design, 6 studio hours, 3 credits, Spring odd years

The study of commercial design development to include new construction, adaptation, and sustainable building systems. **Prerequisites:** FMD 141, INTD 101, and INTD 256. *\$10 fee.*

INTD 459. Professional Practice, 3 credits, Spring odd years

Concepts relating to the business, practice, and profession of interior design. **Prerequisites:** Junior or senior standing, CS 135, INTD 101, INTD 252, INTD 254, INTD 256, or instructor's consent.

INTD 469. Internship in Interior Design, 3 credits, Fall, Spring, Summer. Supervised field experience with an interior design related business. **Prerequisites:** CS 135, INTD 101, INTD 252, INTD 254, INTD 256, and instructor's consent.**LATIN (LTN)****LTN 201. Readings in Classical Latin I, 3 credits, Spring (odd years), Fall (as dual enrollment)**

This course is the first of two Latin courses in which students engage fun and interesting texts from some of the most famous and influential classical authors: Caesar, Cicero, Virgil, Livy, Catullus, Ovid, and Pliny. The two courses also engage texts relevant to Christianity, including the New Testament in Latin (i.e., Jerome's Vulgate), Pliny's letter in 110 CE to the emperor about early Christians, and the later Roman empire's official edicts that seek to remove pagan worship. These courses are focused on (1) improving comprehension skills through translation and on (2) understanding the world behind, within, and created through the texts. Students will read both adapted (i.e., altered for easier comprehension) and unadapted (i.e., unchanged from manuscript traditions) texts, and helpful aides will be provided when appropriate. The approach of this course reflects Carson-Newman's commitment to faith and learning within a liberal-arts context.

LTN 202. Readings in Classical Latin II, 3 credits, Spring, (odd years), Fall (as dual enrollment)

This course is the second of two Latin courses in which students engage fun and interesting texts from some of the most famous and influential classical authors: Caesar, Cicero, Virgil, Livy, Catullus, Ovid, and Pliny. The two courses also engage texts relevant to Christianity, including the New Testament in Latin (i.e., Jerome's Vulgate), Pliny's

letter in 110 CE to the emperor about early Christians, and the later Roman empire's official edicts that seek to remove pagan worship. These courses are focused on (1) improving comprehension skills through translation and on (2) understanding the world behind, within, and created through the texts. Students will read both adapted (i.e., altered for easier comprehension) and unadapted (i.e., unchanged from manuscript traditions) texts, and helpful aides will be provided when appropriate. The approach of this course reflects Carson-Newman's commitment to faith and learning within a liberal-arts context.

LIBERAL ARTS (LA)

LA 101SL. Carson-Newman and the Liberal Arts, 2 credits, Fall, Spring limited

The purpose of a liberal arts education is to expand the students' minds and spirits by exposing them to civilization's fundamental achievements, questions, and debates. As a celebration of the liberal arts, each student at Carson-Newman is required to complete this seminar. The seminar explores the history of Christian liberal arts education and the history of such education at Carson-Newman by investigating the ideals celebrated on Carson-Newman's seal and throughout the University's history: Truth, Beauty, Goodness, Justice, and Courage. The course helps students refine skills that are essential for academic and career success and encourages students to be full and steady participants in the college experience. The goals of the seminar are as follows: to read critically, to listen actively to reason well, to research effectively, to discuss ideas openly, and to express one's ideas with conviction and respect. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. *Students should successfully complete this course within the first 30 hours completed at C.N. Students with a four-year baccalaureate degree are not required to take the course. Cannot be taken for additional credit.*

LA 102. Carson-Newman and the Liberal Arts for Transfers, 1 credit, Fall, Spring limited

Explores the history of Christian liberal arts education and the history of such education at Carson-Newman by investigating the ideals celebrated on Carson-Newman's seal and throughout the university's history: Truth, beauty, goodness, justice and courage. Students transferring with fewer than 45 transfer hours should enroll in LA 101SL.

LINGUISTICS (LING)

LING 220. Introduction to Linguistics, 3 credits, offered as needed

Students will be introduced to the systematic study of human language from a historical and social perspective. Out of that social and historical context, students will be introduced to the subfields of phonology, morphology, syntax, semantics, and pragmatics, as well as the basics of linguistic analysis.

LING 305. Syntax, 3 credits, offered as needed

This course provides a general introduction to syntactic theory and to the methodology of constructing a theory of syntax. We will explore syntax from the perspective of Chomsky's principles and parameters approach to language, which seeks to find the universal core of human

language, and the parameters within which languages can differ. **Prerequisite:** LING 220 highly recommended.

LING 310SL. Phonology, 3 credits, offered as needed

This course provides a general introduction to phonological theory and analysis and to the methodology of constructing a theory of phonology. It focuses on crucial phonological concepts such as underlying and surface representations, phoneme and allophone, contrast, alternation, neutralization, distinctive features, and syllable. **Prerequisite:** LING 220 highly recommended. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

LING 320. Topics in Linguistics, 3 credits, offered as needed

Sample topics: phonetics, morphology, language and society in the USA, language variation and change, child language acquisition, second language acquisition. May be repeated with different topics.

LING 327. Translation Theory, 3 credits, offered as needed

Translation is not the mathematical or simple transfer of words between two languages, but rather a construction. The goal of this course is to provide students with a foundation in the theory, practice, and ethics of translation. **Prerequisites:** English 201 and GER, GRK, HEB, or SPAN202 or higher.

LING 400. Teaching Assistantship, 1-3 credits, offered as needed

By prior arrangement and departmental invitation only. Includes classroom experience and work in linguistics pedagogy and teaching methodology. Does not replace student teaching. Does not count as 400-level requirement in major or minor. S/F grading only. **Prerequisite:** LING 220.

LING 415SL. Advanced Topics in Linguistics, 1-3 credit(s), offered as needed/ Sample topics: Optimality-theory phonology, advanced aspects of phonological/syntactic theory, grammaticalization and language change, the structure of Appalachian English. May be repeated with different topics. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

LING 420. Advanced Seminar in Linguistics, 3 credits, offered as needed/ In-depth study of a topics, issues, formalisms, or theoretical nuances related to linguistics.

LING 430. Language and the Brain/Psycholinguistics, 3 credits, offered as needed. The basic objective of psycholinguistics is to understand how the human mind/brain supports the learning, comprehension, and production of language. This course provides a hands-on introduction to modern approaches in psycholinguistics. **Prerequisite:** LING 220.

LING 450. Linguistics Research Group, 1-3 credit(s), Fall, Spring Faculty-student collaborative research in linguistics. May involve fieldwork, bibliographic research, data analysis, presentation and/or publication of research, etc. May be repeated for up to 8 or 9 credits.). **Prerequisite:** LING 220.

LING 475. Capstone Project, 3 credits, Offered as needed

MANAGEMENT (MGT)

MGT 301. Essentials of Management and Leadership, 3 credits, Fall, Spring

An introduction to business management concepts and leadership. Innovative leadership will be embedded into topics throughout the course in areas of traits, behaviors, types of leadership, empowerment, communications, diversity, power, and influence. **Prerequisite:** Business Foundation Core.

MGT 302. Operations Management, 3 credits, Fall

The study and application of widely used quantitative models used in the decision-making process such as linear programming, decision analysis, linear regression, plant layout, facility location and quality control. **Prerequisite:** MGT 301.

MGT 306. Organizational Behavior, 3 credits, Spring

Studies concepts, theories, and case studies concerning the behavior of people in modern business organizations. Analyzes the internal organization structure and managerial roles and functions, in the business and other goal-oriented institutions. Studies theory and design of organizational structure, impact of work flow, leadership styles, and control systems on human behavior. Same as PSY 306. **Prerequisite:** MGT 301.

MGT 367. Project Management, 3 credits, Spring

Project Management provides the “holistic” skills needed to manage a project's complete life cycle that includes five (5) processes: initiation, planning, implementation, monitoring, and control, and closing. This course will provide the student with the essential skills of project management that includes the PMBOK Knowledge Areas of Integration, Scope, Time, Cost, Quality, Human Resources, Communications, Risk, and Procurement. **Prerequisites:** MGT 301.

MGT 400. Teaching Assistantship, 1-3 credit(s), offered periodically

Majors selected by departmental invitation to tutor students in management and business administration courses and assist faculty with teaching related activities. Does not count toward hours required for any business major or minor.

MGT 405. Human Resource Management, 3 credits, Spring

Problem solving. Role of people in organizations—a review of the process of recruitment, employee selection, training, performance appraisal, employee benefits, laws governing employer/employee relationships. **Prerequisite:** MGT 301.

MGT 408. Strategic Management, 3 credits, Fall, Spring

A comprehensive interdisciplinary case study course which serves as the capstone course for all business majors. Students work in teams, from the viewpoint of consultants to top management, presenting and defending their analyses and recommendations. **Prerequisites:** Business Foundation Core and senior standing, fewer than 18 hours from graduation. \$150 fee.

MGT 410. Entrepreneurship, 3 credits, Fall

Principles and tools required to set up a new business venture. The

topics include assessing new opportunities, locating sources of information, organization and legal considerations, securing of financing, preparation of a business plan, and management of the operation. **Prerequisites:** Business Foundation Core, junior standing, FIN 301, MGT 301SL, and MKT 300.

MGT 420. Change Management, 3 credits, Fall

Change management offers a multiple perspectives approach to managing the one constant – change through every aspect of an organization. It recognizes a variety of ways to facilitate change and reinforces the need for a tailored and creative approach to fit different contexts, cultures, and complex situations. **Prerequisites:** MGT 301.

MARKETING (MKT)

MKT 300. Principles of Marketing, 3 credits, Fall, Spring

A study of the basic marketing concepts and functions in market-oriented organizations. This course will focus on issues such as understanding buyers and markets, selecting a target market, and decisions regarding the four P's of marketing: product, price, place, and promotion. **Prerequisites:** Business Foundation Core, junior/senior standing or instructor's consent.

MKT 330. Marketing in the Digital Era, 3 credits, Fall

Provides students with knowledge and understanding of the history, importance, and real-world application of social media as a part of marketing strategy. Students will learn current social media platforms and their application in social media marketing strategies of current industry leaders. **Prerequisite:** MKT 300.

MKT 350. Consumer Behavior, 3 credits, Fall

This course examines the nature and dynamics of customer markets and what influences product or service utilization and purchase decisions. Emphasis is placed on how business organizations conceptualize, gather, and analyze data needed by managers to learn about customers in markets. **Prerequisite:** Business Foundation Core and MKT 300.

MKT 400. Marketing Management, 3 credits, Spring

The study of the Marketing Concept, environmental trends and the development of product, distribution, promotional, as well as pricing strategies. Students will make a major presentation on some current issue relating to marketing. **Prerequisites:** Business Foundation Core, MGT 301SL, MKT 300, junior/senior standing.

MKT 407. Marketing Research Methods and Design, 3 credits, Fall

Methods and techniques for market analysis, business and economic forecasting, and analysis of consumer behavior and related problems of a mixed economy. **Prerequisites:** Business Foundation Core and MKT 300.

MKT 442. Advertising and Promotions, 3 credits, Spring

A study of the concepts and strategies to design, build, and execute integrated marketing communications campaigns, including advertising, sales, promotion, direct sales, and public relations in the commercial, non-profit, and political organizations. **Prerequisites:** Business Foundation Core and MKT 300.

MATHEMATICS (MATH)

MATH 105. Number and Operations for Teachers, 3 credits, Fall
Recommended for prospective elementary teachers. Properties of numeration systems, properties of whole numbers, integers, and rational numbers; topics from algebra, including solving equations and inequalities. **Prerequisite:** High school algebra II or ASE 034.

MATH 106. Data Analysis and Geometry for Teachers, 3 credits, Spring. Recommended for prospective elementary teachers. Real numbers; topics from algebra, probability, statistics, trigonometry, and geometry. **Prerequisite:** High school algebra II or ASE 034.

MATH 120. Introduction to College Mathematics, 3 credits, Fall, Spring. Not intended for students who are planning to enroll in a college calculus course. A liberal arts mathematics course that emphasizes modeling and applications to real world problems. **Prerequisites:** High school Algebra II or ASE 034.

MATH 125. Precalculus, 4 credits, Spring
For students planning to enroll in a college calculus course. A study of elementary functions - polynomial exponential, logarithmic, trigonometric, rational - their graphs, and applications. Note: A student who has previously received college credit for a calculus course will not receive credit for MATH 125. **Prerequisites:** High school Algebra II or ASE 034.

MATH 151. Calculus I, 3 credits, Fall
First year course in single-variable calculus, primarily intended for science, pre-engineering, and mathematics majors. Differential calculus with applications. **Prerequisite:** MATH 125 or equivalent.

MATH 152. Calculus II, 3 credits, Spring
First year course in single-variable calculus, primarily intended for science, pre-engineering, and mathematics majors. Integral calculus with applications. **Prerequisite:** MATH 151 or instructor's consent.

MATH 201. Statistical Concepts and Methods, 3 credits, Fall, Spring, Summer
Basic statistical concepts including populations, samples, analysis and inference. One and two dimensional discrete and random variables. Applications of normal, t, chi square, F and binomial random variables. R statistical software. Same as PSY 203 and SOC 203. **Prerequisites:** Strong algebra background evidenced by math ACT 21 (math SAT 530) or MATH 106, 120, or 125.

MATH 207. Discrete Mathematics, 3 credits, Fall
Binary and hexadecimal number systems, sets and set operations, logic, proofs, permutations, combinations, and graph theory. **Prerequisite:** instructor's consent.

MATH 208. Linear Algebra I, 3 credits, Spring
Fundamentals of linear algebra: systems of linear equations, matrix and vector algebra, determinants, eigenvalues, Euclidean space and complex numbers, and applications. **Prerequisites:** MATH 125.

MATH 211. Calculus III, 3 credits, Fall
An overview of multi-variable calculus. Topics include: partial

derivatives, double integrals, vector geometry, parametric/vector-valued functions, polar coordinates, infinite sequences and series. **Prerequisite:** MATH 152.

MATH 212. Introduction to Abstract Mathematics, 3 credits, Spring
Designed to help bridge the gap from predominantly problem solving courses to those courses that have a significant amount of abstract content. Emphasis to instill mathematical maturity through creating, writing and comprehending proofs. **Prerequisite:** MATH 207.

MATH 303. Differential Equations, 3 credits, offered periodically
First order, first degree equations, linear differential equations, applications to geometry, physics, biology, chemistry and the behavioral sciences. **Prerequisite:** MATH 152 or instructor's consent.

MATH 304. Mathematical Modeling, 3 credits, offered periodically
Construction and analysis of mathematical models used in science, business and industry. **Prerequisites:** MATH 152 and 207, CSC 107.

MATH 306. Modern Geometries, 3 credits, Fall
Foundations of geometry. An axiomatic approach to Euclidean geometry, with a brief introduction to non-Euclidean geometries. **Prerequisite:** MATH 212.

MATH 313. Calculus IV, 3 credits, Spring
Extends Calculus III to further concepts and applications of multi-variable calculus and vector calculus. Topics include Taylor series, multiple integrals, motion in space, optimization, and vector fields. **Prerequisite:** MATH 211.

MATH 320. Special Topics, 3 credits, offered periodically
An exploration of a current topic in mathematics. May be repeated if taken with different topics. **Prerequisite:** Instructor's consent.

MATH 325SL. Principles of STEM Communication, 2 credits, Fall
Develop communication skills in the STEM disciplines and become familiar with tools used to help communicate STEM concepts. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. Same as CSC 325SL and PHYS 325SL.

MATH 404. Abstract Algebra, 3 credits, Fall
The structure of algebra: elements of number theory, groups, rings, integral domains and fields. **Prerequisite:** MATH 212.

MATH 405. Advanced Calculus, 3 credits offered periodically
The theory of sequences, series, differentiation, and Riemann integration of functions of one or more variables. **Prerequisites:** MATH 211 and 212.

MATH 406. Mathematical Statistics, 3 credits, offered periodically
Discrete and continuous distributions, mathematical expectation, the Central Limit Theorem, point and interval estimation, multivariate probability. **Prerequisite:** MATH 213.

MATH 408. Numerical Methods, 3 credits, Offered periodically
Solving numerical problems via computer. Number systems and errors, function evaluation and approximation, root finding, interpolation, quadrature, numerical linear algebra, systems of equations, algorithm complexity. **Prerequisites:** CSC 107, MATH 207, 211, and 303 or 403.

MATH 409. Complex Analysis, 3 credits, offered periodically
The theory of functions of a complex variable, including analytic functions, contour integrals, and applications. **Prerequisite:** MATH 211.

MATH 412. Senior Seminar in Mathematics, 3 credits, Fall
Fundamental ideas of mathematics and their connections within their historical contexts. This is the capstone course in mathematics. **Prerequisite:** MATH 212 and at least one other MATH course at the junior/senior level.

MATH 414. Linear Algebra II, 3 credits, Spring
A continuation of MATH 208. Further study of algebraic structures, with an emphasis on vector spaces. **Prerequisite:** MATH 208.

MATH 450. Senior Project, 1 credit, Fall, Spring
An independent investigation of some topic in the field that is of interest to the student and his/her career objectives. The student will be directed by a member of the faculty to research appropriate sources, write a paper, and make an oral presentation of the findings.

MILITARY SCIENCE (MILS)

MILS 100. Military History of the US, 3 credits, Spring
Introduction to critical thinking, grounded in military history, as the basis for decision making. This course will examine military history of the U.S. from 1776 to the present. It will seek to develop students' awareness of the relationship of the military establishment to society, particularly in the United States. It will examine the evolution of war and the progression of military professionalism, giving the student an awareness of the history and purpose of joint operations, role of history in understanding the Army profession, and encourage the viewing of American military history from both joint and combined perspectives. **Same as HIST 100.**

MILS 101. Introduction to the Army and Critical Thinking, 1 credit, Fall. Cadets will learn how the personal development of life skills such as cultural understanding, goal setting, time management, stress management, and comprehensive fitness relate to leadership, officership, and the Army profession. The focus is on developing basic knowledge and comprehension of Army leadership dimensions, attributes and core leader competencies while gaining an understanding of the ROTC program, its purpose in the Army, and its advantages for the student. **\$10 fee.**

MILS 102. Introduction to the Profession of Arms, 1 credit, Spring
Cadets will learn how Army ethics and values shape the Army and the specific ways that these ethics are inculcated into Army culture. Cadets can expect to explore the seven Army Values, Warrior Ethos, explore the Profession of Arms, Army Leadership, and critical communication skills. **\$10 fee.**

MILS 103. Physical Conditioning I, 1 credit, Fall
Introduction to physical fitness. Set and meet a physical fitness goal. Learn the principles of fitness and apply these principles to pass the Army Physical Fitness Test. **Same as PE 013.**

MILS 104. Physical Conditioning II, 1 credit, Spring
Progressive conditioning program. Army Physical Fitness Test is given as midterm and final. **Same as PE 013.**

MILS 201. Leadership and Decision Making, 2 credits, Fall
Primarily is drawing from the Adaptability ALA. The outcomes are demonstrated through Critical and Creative Thinking and the ability to apply Troop Leading Procedures (TLP). Comprehension of the officer's role in Leading Change by applying innovative Solutions to Problems in concert with the Principles of Mission Command. The Army Profession is also stressed through leadership forums and a leadership self-assessment. **\$10 fee.**

MILS 202. Army Doctrine and Team Development, 2 credits, Spring
Begins the journey to understand and demonstrate Cross-Cultural Competencies as they relate to Army doctrine and how they apply in a combatant commander's Engagement Strategies. Army Values, Teamwork, and Warrior Ethos and their relationship to the Law of Land Warfare and philosophy of military service are also stressed. The ability to lead and follow is also covered through Team Building exercises in small units up to squad level. Students are then required to apply their knowledge outside the classroom in a hands-on performance-oriented environment during Leadership Labs (team building exercises, LTXs, VBS exercises). **\$10 fee.**

MILS 203. Airborne Operations, 2 credits, Summer
Students who successfully complete this three-week course at Fort Benning, Georgia are awarded the coveted Army Parachutist Badge. The course has three phases: Ground Week, Tower Week, and Jump Week. Students make five static line qualification parachute jumps during the third week from military cargo aircraft. The course is very physically demanding. To qualify, students must pass an Airborne Physical Readiness Test. **Prerequisite:** U.S. Army ROTC Cadet status or permission of the Professor of Military Science.

MILS 204. Airmobile Operations, 2 credits, Summer
Students who successfully complete this two-week course at an Army post are awarded the prestigious Air Assault Badge. The course includes active participation in aircraft safety and familiarization in pathfinder techniques, airmobile insertions, basic rappelling and knots, advanced rappelling, helicopter rappelling, medical evacuation procedures and rigging/sling loading of rotary wing aircraft. Offered annually during the summer. **Prerequisite:** U.S. Army ROTC Cadet status or permission of the Professor of Military Science.

MILS 265. Master Fitness Trainer Course Internship, 2, Summer
The Master Fitness Trainer Course (MFTC) trains selected Noncommissioned Officers (NCOs) and Commissioned Officers in all aspects of the Army's Physical Readiness Training (APRT) system so they can be unit advisors on physical readiness issues and monitor unit and individual physical readiness programs. The instruction includes the science of exercise, physical fitness assessment, exercise

training principles, exercise prescription, exercise leadership, and development of individual and unit physical readiness programs in accordance with current Army doctrine and regulations.

MILS 300. ROTC Cadet Basic Camp, 6 credits Summer

Four weeks of military training at Fort Knox, KY, to qualify for the ROTC Advanced course. Equal to first two years of the on-campus program. The Army pays housing, meals, travel expenses and a stipend (approximately \$700) for the period. ROTC scholarships available.

MILS 301. Training Management and the Warfighting Functions, 3 credits, Fall

Challenges cadets to study, practice, and apply the fundamentals of Army Leadership, Officership, Army Values and Ethics, Personal Development, and small unit tactics at the platoon level. Cadets receive systematic and specific feedback on their leadership attributes values, and core leader competencies from instructor, other ROTC cadre, and MSL IV Cadets using the Cadet Officer Evaluation System (OES). **Prerequisite:** MILS 202 or 300 or consent of Professor of Military Science. *\$150 fee.*

MILS 302. Applied Leadership in Small Unit Operations, 3 credits, Spring

Builds on the lessons learned and leadership attributes gained and developed during MILS 301. This is an academically challenging course where Cadets will study, practice, and apply the fundamentals of Army Leadership, Officership, Army Values and Ethics, Personal Development, and small unit tactics at the platoon level. At the conclusion of this course, Cadets will be capable of planning, coordinating, navigating, motivating, and leading a squad and platoon in the execution of a mission during a classroom PE, a Leadership Lab, or during a Leader Training Exercise (LTX). **Prerequisite:** MILS 202 or 300 or consent of Professor of Military Science. *\$150 fee.*

MILS 303. ROTC Cadet Advance Camp, 4 credits, Summer

Five weeks of practical leadership application training, performed primarily in a field environment, at an Army installation between the junior and senior years. Nurses may attend a three-week clinical phase in an Army hospital. The Army pays housing, meals, travel expenses and a stipend (approximately \$700) for the period. **Prerequisites:** MILS 302 and consent of Professor of Military Science.

MILS 304. Cadet Troop Leader Training, 3 credits, Summer

Assignment off-campus in an officer role with an active Army unit for three to five weeks in the summer after completion of the Leadership Development and Assessment Course. **Prerequisites:** MILS 302 and 303 and consent of Professor of Military Science.

MILS 305. Nurse Summer Training Program (NSTP), 2 credits, Summer

A three-week clinical experience for selected nurse cadets providing opportunities to develop and practice leadership skills in a clinical environment. Incorporates use of military, leadership, clinical nursing, administrative, and interpersonal skills. Will meet the 2 semester hour elective for nursing majors. **Same as NURS 411.**

Prerequisites: NURS 303 or permission of the Professor of Military Science.

MILS 306. Military Science Practicum I, 1 credit, Fall, Spring

Participation on the intercollegiate Ranger Competition Team, Carson-Newman Color Guard, Marksmanship Competition Team or other selected official Military Science regular, on-going, supervised activities. **Prerequisite:** Enrollment in the ROTC Program and permission of the Professor of Military Science.

MILS 307. Military Science Practicum II, 1 credit, Fall, Spring

Additional hands-on experience in military enrichment activities which contribute to the development of leadership and management such as the intercollegiate Ranger Competition Team, Carson-Newman Color Guard, Marksmanship Competition Team, Eagle Battalion Drill Team, and other selected official Military Science regular, on-going, supervised developmental activities. **Prerequisites:** Enrollment in the ROTC Program and permission of the Professor of Military Science.

MILS 401. The Army Officer, 3 credits, Fall

Develops cadet proficiency in planning, executing, and assessing complex operations, functioning as a member of a staff, and providing performance feedback to subordinates. Cadets assess risk, make ethical decisions, and lead fellow Army ROTC cadets. They identify responsibilities of Key staff, coordinate staff roles, and use situational opportunities to teach, train and develop subordinates. **Prerequisites:** MILS 302 and 303 and consent of Professor of Military Science. *\$150 fee.*

MILS 402. Company Grade Leadership, 3 credits, Spring

Explores the dynamics of leading in the complex situations of current military operations in today's operational environment. Cadets examine differences in customs and courtesies, military law, principles of war and rules of engagement in the face of international terrorism. They also explore aspects of interacting with nongovernmental organizations, civilians on the battlefield and host nation support. The course places significant emphasis on preparing cadets for their unit of assignment. *\$150 fee.*

MUSIC (MUS)

Applied Music, Fall, Spring, Summer

Literature, technique, and for voice students, diction, are taught through private lessons, recitals, and examinations. Course numbers which begin with 1 (e.g., MUS 150) are taken by non-music majors and freshman/sophomore music majors. Course numbers which begin with 3 (e.g., MUS 350) are taken by music majors who have achieved upper division status. Instruction for applied courses at the 100 and 300 level is offered as variable credit 1-3 hours for music majors only. Non-music majors may only enroll for one (1) credit hour per semester of instruction:

Piano	150, 350*
Organ	152, 352*
Voice	155, 355*
Guitar	157, 357*
Flute	161, 361*

Oboe	162, 362*
Clarinet	163, 363*
Bassoon	164, 364*
Saxophone	165, 365*
String Bass	167, 367*
Violin	168, 368*
Cello	169, 369*
Percussion	170, 370*
Trumpet	171, 371*
Horn	172, 372*
Trombone	173, 373*
Euphonium	174, 374*
Tuba	175, 375*

**May be taken more than once for credit.*

Fees for applied lessons for accompanists are based on number of minutes of weekly lesson and credit hours registered. Additional fees are required during the semester the student gives a recital. Fees for lessons range from \$180 to \$270 per semester and the recital fee is \$75 for a 30-minute recital and \$100 for a 60-minute recital.

MUS 010. Marching Band, 1 credit *

May count for PE credit.

MUS 011. Symphonic Winds, 1 credit*

Open to all students.

MUS 012. Wind Ensemble Brass, .5 credit *

Select instrumental ensemble. Admission by permission of instructor.

MUS 013. Jazz Ensemble, .5 credit *

Select instrumental ensemble. Admission by permission of instructor.

MUS 015. Wind Ensemble Woodwinds, .5 credit *

Select instrumental ensemble. Admission by permission of instructor.

MUS 016. Handbell Ensemble, .5 credit *

Small handbell ensemble. Admission by permission of instructor.

MUS 017. Piano Ensemble, .5 credit *

Students will be coached on standard literature for piano duet and for two pianos. Counts as ensemble credit for keyboard majors. Admission by permission of instructor.

MUS 018. Wind Ensemble Percussion, .5 credit *

Select instrumental ensemble. Admission by permission of instructor.

MUS 020. A Cappella Choir, 1 credit*

Mixed choral group. Admission by audition.

MUS 021. Men's Chorus, 1 credit*

Open to all students without audition.

MUS 022. Women Singers, 1 credit *

Open to all students without audition.

MUS 025. Small Choral Ensemble, .5 credit *

Redemption, auditioned vocalists and instrumentalists, repertoire of

Contemporary Christian music, perform in area churches, chapel and for campus events.

MUS 026. Contemporary Ensemble Lab, .5 credit, offered as needed

The Contemporary Ensemble Lab provides students hands-on, laboratory-based instruction where they can learn, teach, rehearse, and perform with groups intended to support worship with a local church congregation. **Prerequisites: Any two of the following - Keyboard Improvisation in Worship, Guitar, Percussion, or Voice.**

MUS 030. Lyric Theatre, 1 credit *

Music theatre/opera study through performance laboratory.

MUS 031. Orchestra, 1 credit, Fall, Spring

Admission by audition.

MUS 035. Instrumental Chamber Ensemble, .5 credit, Fall, Also Spring as needed*

Small to medium instrumental chamber ensemble and/or opera/theatre orchestra.

MUS 100. Beginning Music Theory for Majors, 3 credits, Fall

Studies in intervals, scales, key signatures, chords, notation, rhythm, ear training, and sight singing for music majors preparing to take MUS 111.

MUS 101. Class Piano, 1 credit

Beginning piano instruction for students with no previous skills. Emphasizes introductory music theory and chord playing.

MUS 102. Class Voice, 1 credit*

Beginning vocal instruction for the general student and secondary applied music students, instruction in posture, breathing, phonation, resonance, diction, and interpretation in a class setting.

MUS 103, Class Piano I, 1 credit, Fall, Spring

Beginning piano instruction for music majors with limited prior study. Emphasizes development of functional skills, sight-reading, transposition, harmonization, improvisation, technique, and playing by ear. Prerequisite: MUS 101 or instructor's consent.

MUS 104, Class Piano II, 1 credit, Fall, Spring

Continuation of functional keyboard skills development; includes introductory hymn playing. **Prerequisite: MUS 103 or instructor's consent.**

MUS 105. Keyboard Improvisation in Worship, 1 credit, offered as needed

Keyboard Improvisation teaches students to improvise comfortably at the keyboard from a lead sheet using a variety of styles and keys. In addition, students learn to transpose such charts. **Prerequisite: MUS 104 or instructor's consent. \$100 fee.**

MUS 106. Class Guitar I, 1 credit, Fall

Beginning guitar instruction for students with little or no previous skills.

MUS 107. Class Guitar II, 1 credit, Spring. Intermediate guitar instruction. **Prerequisite: MUS 106 or instructor's consent.**

MUS 109. Foreign Language Diction, 3 credit, offered as needed
Study of Italian, German, and French phonology for the singer, with intensive drills in pronunciation and the International Phonetic Alphabet.

MUS 111. Elementary Theory I, 3 credits, Fall
Fundamentals (notation of pitch and duration, scales, keys, modes, intervals, and chords), the structural elements of music (written and analyzed) including melodic organization, rhythm, texture, cadences, non-harmonic tones, voice leading in four-part chorale writing, and basic composition.

MUS 112. Elementary Theory II, 3 credits, Spring
A continuation of the study of the structural elements of music through listening, analyzing, and writing harmonic progressions emphasizing the use of triads, seventh chords, secondary dominants, modulation, and basic composition. An introduction to basic binary and ternary form in music.

MUS 117. Sight Singing and Ear Training I, 1 credit, Fall
Rhythmic reading, interval and chord recognition, melodic and harmonic dictation; computer drill and testing. Two hours a week for one hour credit. **Prerequisite:** Pass theory placement test or instructor's consent.

MUS 118. Sight Singing and Ear Training II, 1 credit, Spring
A continuation of MUS 117 into more advanced levels of difficulty; computer drills. Two hours a week for one hour credit.
Prerequisite: MUS 117 or instructor's consent.

MUS 133. Appreciation of Music, 3 credits, Fall, Spring, Summer
Develops an understanding of Western music as an artistic expression of human culture and intention. Information pertaining to music, composers/ performers, listening, and historical context. May be applied to a music major or minor only as a substitute for MUS 135-136.

MUS 135. Introduction to Music History and Literature I, 1 credit, Fall
Introduction to major composers and styles before 1750. One lecture and one lab session per week for one hour credit.

MUS 136. Introduction to Music History and Literature II, 1 credit, Spring
Introduction to major composers and styles since 1750. Brief treatment of non-western and popular music. One lecture and one lab session per week for one hour credit.

MUS 140. Formation for Music Ministry, 1 credit, Fall
Formation for Music Ministry is an introduction to ministry vocations in music including the investigation of person commitment and preparation for ministry, roles and responsibilities of the leader, and an overview of historical and Biblical foundations for ministry.

MUS 141. Contemporary Worship Leadership, 1 credit, Spring
Contemporary Worship Leadership is an introduction to leading contemporary worship, worship planning, and a Biblical and theological basis for Christian corporate worship.

MUS 203. Class Piano III, 1 credit, Fall, Spring
Development of more advanced keyboard skills; emphasis on scales, score reading, hymn playing, and improvisation.
Prerequisite: MUS 104 or instructor's consent.

MUS 204. Class Piano IV, 1 credit, Fall, Spring
Final course in the class piano sequence for non-keyboard music majors. Designed to prepare music majors for the comprehensive piano proficiency exam. **Prerequisite:** MUS 203 or instructor's consent.

MUS 205. Class Piano V, 1 credit, offered as needed
Practical skills including score reading, harmonization, playing by ear; hymn playing, improvisation and transposition. Required for all BM keyboard majors.

MUS 206. Class Piano Laboratory, .5 credit *
Remedial preparation for the keyboard proficiency test. Open only to music majors. S/F grading.

MUS 211. Advanced Theory I, 3 credit, Fall
Counterpoint; advanced tonal harmony; keyboard harmony; variation form; computer applications in music and basic composition.

MUS 212. Advanced Theory II, 3 credit, Spring
Sonata and rondo forms; analysis of late 19th and 20th century music; computer applications in music and basic composition.

MUS 217. Sight Singing and Ear Training III, 1 credit, Fall
Sight-singing and rhythm reading; melodic and harmonic dictation; computer assisted ear-training. Two hours a week for one hour credit.

MUS 218. Sight Singing and Ear Training IV, 1 credit, Spring
Progressively more difficult sight-singing and rhythmic reading; melodic, harmonic, and two-part dictation; computer assisted ear training. Two hours a week for one hour credit.

MUS 219. Composition I, 1-3 credit(s), Fall, Spring
Private instruction in music composition. Public performance on composition recital in spring semester. Does not substitute for theory courses. May be taken more than once for credit.
Prerequisite: MUS 112 and instructor's consent.

MUS 230. Accompanying Seminar, 1 credit, offered as needed
Piano students are coached on standard accompanying literature for both vocalists and instrumentalists. May be repeated once for credit.

MUS 240. Instrument Studies, 2 credits, Fall
Designed to help music majors gain basic functional knowledge of stringed, percussion, brass, and woodwind instruments. Required for Music Education, Vocal/General majors.

MUS 241. Percussion Methods and Literature, 2 credits, Spring odd years
Teaching percussion instruments including studies in pedagogy, health, and literature.

MUS 242. Woodwind Methods and Literature, 2 credits, Fall odd years
Teaching woodwind instruments including studies in pedagogy, health, and literature.

MUS 246. Brass Methods and Literature, 2 credits, Spring even years

Teaching brass instruments including studies in pedagogy, health, and literature.

MUS 248. Marching Band Drill Writing Techniques, 1 credit, Fall

This course teaches skills required to develop and create high school marching band show designs, utilize the drill writing software Pyware 3D, and develop marketable skills as a freelance drill writer and entrepreneur.

MUS 249. Music and Sound Technology, 1 credit, Spring

Provides students with a robust theoretical background with limited, specific practical applications of common music and sound technologies for use in music education and sacred worship services.

MUS 321. The Songs of the Church, 3 credits, offered as needed

Historical survey of Christian hymns of all periods. The emphasis will be on historical context and current use.

MUS 322. Christian Worship Practices, 2 credits, offered as needed

Introduction to worship practices through reading, examination of worship materials, visits to churches and resource personnel.

MUS 325. Church Music Leadership (with Internship), 3 credits, offered as needed

Administration and organization of the church music program. The course will include an internship.

MUS 341. General Music Education: Elementary, 3 credits, Spring

Designed for elementary teachers with a basic orientation to the purposes and content of music instruction in elementary schools and the opportunity to develop, improve, and apply teaching strategies to music instruction for the elementary classroom. Intended for non-music majors.

MUS 342. Vocal Pedagogy, 3 credits, offered as needed

Vocal teaching techniques.

MUS 343. Instrumental Music Methods, 2 credits, Fall

Organizational structure of the public-school music program. Materials and techniques for orchestra, concert, and marching band. Includes in-school practicum.

MUS 345SL. Teaching Music Methods, 2 credits, Fall

Designed to provide K-12 music teachers with an orientation to classroom management, assessment, curriculum design and implementation and to give opportunity to develop, improve, and apply teaching strategies to music instruction in the various K-12 music settings. Intended for music majors. A 25-hour in-school practicum is required. **Prerequisite:** Admission to the Teacher Education Program. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

MUS 346. String Methods and Literature, 2 credits, Fall even years

Teaching stringed orchestral instruments including studies in pedagogy, health, and literature.

MUS 347. Piano Pedagogy I, 3 credits, offered as needed

Survey of current methods and materials for teaching pre-school, elementary, and early intermediate piano students. Pedagogical approaches to teaching rhythm, reading, technique, memorization, ornamentation, and musicality will be considered. Includes supervised teaching.

MUS 348. Electronic Music Methods, 2 credits, Spring even years

Survey of the physical properties of analog sound, digital sound production and manipulation through the use of synthesizers and computer software, and an introduction to digital music notation software. **Prerequisite:** MUS 112 or instructor's consent.

MUS 349. Piano Pedagogy II, 3 credits, offered as needed

A continuation of MUS 347. Focuses on late intermediate, advanced, and group piano pedagogical approaches. Includes supervised teaching.

MUS 385. German/Austrian Music and Culture, 3 credits, May-term

Cultural and musical enrichment through travel, study, and immersion programs in Germany, Austria, and Hungary. While musical culture is the primary focus of the program, students will be exposed in art, architecture, history, religion, German language, and lifestyle.

MUS 411. Form and Analysis, 3 credits, Fall even years

An analytical study of musical form, from phrase structure through the large forms of theme and variation, rondo, sonata form, and fugue.

MUS 413. Counterpoint, 3 credits, Fall odd years

Contrapuntal technique of the sixteenth and eighteenth centuries.

MUS 415. Instrumentation, 2 credits, Spring

Methods of scoring music for instrumental ensembles.

MUS 416. Senior Project in Music Theory, 3 credits, offered as needed.

A detailed analytical study of a major musical composition. For Music Theory majors.

MUS 419. Composition II, 1-3 credit(s), Fall, Spring

Private instruction in music composition for upper-level students. Public performance on composition recital in spring semester. Does not substitute for theory courses. May be taken more than once for credit. **Prerequisites:** MUS 211 and 212 and instructor's consent. **\$100 fee.**

MUS 431. History of Music I, 3 credits, Fall

The development of western music from the early Christian era through 1750. **Prerequisites:** MUS 211 and 212 or instructor's consent.

MUS 432. History of Music II, 3 credits, Spring

The development of western music from 1750 through the twentieth century. **Prerequisites:** MUS 211 and 212 or instructor's consent.

MUS 435. Song Literature, 3 credits, offered as needed

Study of Italian, German, French, and English art song repertoire from 1600 through modern English and American composers, individual song analysis as well as broader study of composers' compositional traits and connections with poets.

MUS 436. Wind Literature, 3 credits, offered as needed

Basic wind solo and chamber music literature from the Baroque to the present.

MUS 437. Percussion Literature, 3 credits, offered as needed

Basic percussion solo and chamber music literature from the Baroque to the present.

MUS 440. Instrumental Pedagogy, 3 credits, offered as needed

Supervised teaching experience (private or preparatory students).

MUS 441. Methods and Techniques of Conducting, 2 credits, Fall

Techniques of conducting choral and instrumental groups.

MUS 442. Advanced Conducting, 2 credits, Spring

Development of advanced conducting techniques.

MUS 443. Teaching General Music Education K-8, 3 credits, Fall

This course provides prospective music educators with a basic orientation to the purposes and content of general music instruction in K-8 school settings and gives opportunity to develop and improve theoretical and philosophical teaching strategies to music instruction for use in the K-8 classroom. This course is intended for music majors.

MUS 445. Teaching Choral Methods, 2 credits, Fall

Materials and technique for teaching choral music on the secondary level. A 25-hour in-school practicum is required.

MUS 446. Piano Literature I, 3 credits, offered as needed

A study of the history of keyboard music from the Renaissance through the Classical period. Major works and composers will be emphasized, tracing the development of idiomatic keyboard styles and formal structures.

MUS 447. Piano Literature II, 3 credits, offered as needed

Continuation of MUS 446. A study of the history of piano music from the Romantic period to the present. Major works and composers will be emphasized within a historical and stylistic context.

MUS 449. Instrumental Maintenance and Repair, 2 credits, offered periodically.

Lab course for instrumental music majors.

MUS 460. Supervised Field Work in Church Music, 1 credit, Fall, Spring

Supervised practical experience in church music. Student must work in a church situation as a director or accompanist, or in a capacity approved by the supervising professor. Periodic reports and plans are required.

MUS 461. Senior Seminar for BA in Music, 1-3 credits (variable credit), Each semester as needed

This course will include the investigation of relevant after graduation possibilities and resume development. Assignments that facilitate synthesis of the student's college experiences. All appropriate testing for the purpose of Liberal Arts Core Requirements and program assessment.

MUS 465. Student Teaching: Placement One, 5 credits, Fall, Spring

Observation, participation, and teaching under professional supervision. Must provide proof of liability insurance. **Corequisites:** EDUC 463 and 467. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. *\$200 fee.*

MUS 467. Student Teaching: Placement Two, 5 credits, Fall, Spring

Observation, participation, and teaching under professional supervision. Must provide proof of liability insurance. **Corequisites:** EDUC 463 and 465. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. *\$200 fee.*

NURSING (NURS)**NURS 202. Health Assessment, 3 credits (2 lecture, 3 clinical), Fall, Spring, Summer as needed**

Study and application of concepts and skills necessary for holistic health assessment of clients. **Acceptance into nursing major. Non-majors need instructor approval.**

NURS 203. Pharmacology, 3 credits, Fall, Spring, Summer as needed

Introduction to nursing responsibilities related to administration of broad classifications of drugs. **Acceptance into nursing major. Non-majors need instructor approval.**

NURS 209. Wellness for the 21st Century, 2 credits, Spring

Trends and issues in wellness will be studied. Students will develop and implement a self-wellness plan. Laboratory experiences will involve service, research, or teaching activities. Appropriate for non-nursing majors. No prerequisites. Open to any student at Carson-Newman University.

NURS 212. Fundamentals of Nursing Practice, 6 credits (4 lecture, 6 clinical), Fall, Spring, Summer as needed

An introduction to the foundational skills of professional nursing practice based on the metaparadigm (person, environment, health, nursing, and caring). Focus is placed on caring for the individual with alteration in functional health patterns. **Prerequisites:** Acceptance into nursing major. **Corequisites:** NURS 202, and 203. *\$850 fee.*

NURS 217SL. Health Care for the Elderly, 2 credits, Fall, Spring, Summer as needed

A study of the health care needs specific to the elderly population. Appropriate for non-nursing majors. **Prerequisite:** Acceptance into nursing major. **Non-majors need instructor approval.** This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

NURS 301. Pathophysiology I, 2 credits, Fall, Spring

First of two pathophysiology courses. This course will introduce the conceptual approach and analysis of pathophysiological phenomena and human responses to selected altered health states in the adult. **Prerequisites:** NURS 202, 203, 212, and 217, NURS 301 and Instructor's consent.

NURS 302. Pathophysiology II, 2 credits, Fall, Spring

Second of two pathophysiology courses. This course will continue exploring the conceptual approach and analysis of pathophysiological phenomena and human responses to selected altered health states in the adult. **Prerequisites:** NURS 202, 203, 212, and 217, NURS 301 & instructor's consent.

NURS 303. Adult Medical – Surgical Nursing I, 6 credits (4 lecture, 12 clinical), Fall, Spring

First of two Medical-Surgical Nursing courses. Focus is on application of caring actions and the use of critical thinking and clinical decision making to facilitate health in adult clients. **Prerequisites:** NURS 202, 203, 212, and 217. **Corequisite:** NURS 301. *\$850 fee.*

NURS 304. Adult Medical – Surgical Nursing 2, 6 credits, Fall, Spring; Continuous.

Second of two Medical-Surgical Nursing Courses. Focus is on more advanced application of caring actions and the use of critical thinking and clinical decision making to facilitate health in adult clients. **Prerequisites:** 200 level NURS courses & NURS 301 & and NURS 303; Pre or Co-req of NURS 302 and instructor's Consent.

NURS 307. Pediatric Nursing, 4 credits (3 lecture, 1 clinical), Spring, Summer

Theory and application of concepts of nursing care are related to the needs of clients from infancy through adolescence and recognize the child as a integral member of the family unit. Caring actions focus upon the use of the nursing process to promote a caring environment for pediatric clients and families. **Prerequisites:** NURS 302 and 303.

NURS 308. Psychiatric-Mental Health Nursing, 4 credits (3 lecture, 1 clinical), Fall, Spring

Professional mental health nursing roles are implemented through caring constructs, communication skills, and therapeutic milieu. **Prerequisites:** NURS 302 and 303.

NURS 311. Cooperative Approaches to Palliative Care, 2 credits, Spring

A survey of multidisciplinary trends, theory and issues specific to palliative care. Appropriate for nursing and non-nursing majors at the junior and senior level. Other pending instructor approval.

NURS 315. Nursing Research & Evidence Based Practice, 3 credits, Fall, Spring

Fundamentals of research methods are studied and published research findings are critiqued for potential use in nursing practice. Students, working in groups, will participate in an evidence-based practice project for an identified health-related problem. **Prerequisites:** MATH 201 and all sophomore level nursing courses. **Corequisites:** NURS 303 for Honors Students only.

NURS 320. Special Topics for ROTC Nursing, 1-2 credit(s), Summer

Focuses on issues related to being a Second Lieutenant in the Army Nurse Corps.

NURS 330. Elder Care Clinical Intensive, 2 credits (.5 class, 1.5 clinical), May-term

This clinical intensive experience is designed to promote the proficiency of nursing skills utilized when caring for the elderly population. The experience will also provide the nursing student with additional insight into the management issues related to elder care. Practicum experiences will take place at a variety of agencies that provide elder care services. **Prerequisite:** Completion of sophomore level nursing courses.

NURS 331. Nursing Informatics, 3 credits, Fall, Spring

This online course integrates nursing science with computer technology and information science to identify, collect, process, and manage information. Emphasis is on technology-based health applications which support administrative, clinical, research, and educational decision making. **Prerequisite:** Completion of sophomore level courses.

NURS 404SL. Community Health Nursing, 4 credits (3 lecture, 1 clinical), Fall, Spring as needed

Application of nursing's metaparadigm with a variety of populations, individuals, families, groups, and communities. Development of nursing strategies to assist multi-cultural clients throughout the lifespan. The clinical focus is the role of the community health nurse. **Prerequisites:** NURS 303, 307, and either 308 or 413. *\$850 fee.* This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

NURS 405. Leadership and Management, 6 credits (3 lecture, 9 clinical), Spring, Senior Capstone Course

Selected theories of management and leadership focusing on the integration of these systems with application of clinical decision making to client care management within the health care system using professional standards of client care. **Prerequisites:** NURS 302, 303, 307, 308, 404, and 413. **Corequisites:** NURS 412, 414, and 315 (repeat students only).

NURS 410. Nursing Care of the High-Risk Neonate, 2 credits, Fall
Focuses on the nursing management of the neonate at risk.
Prerequisite: NURS 307 or NURS 413.**NURS 411. Nurse Summer Training Program (NSTP), 2 credits, Summer**

A three-week clinical experience for selected nurse cadets which provides opportunities to develop and practice leadership skills in a clinical environment. Incorporates use of military, leadership, clinical nursing, administrative, and interpersonal skills. Will meet the 2-semester hour elective requirement for nursing majors. Same as MILS 305. **Prerequisites:** ROTC cadet; NURS 303.

NURS 412. Dimensions of Professional Nursing, 2 credits, Spring

A synthesis of current and projected trends in nursing practice, education, and nursing research with focus on legal, ethical, social, and legislative issues, which have implications for professional nursing practice. **Prerequisites:** NURS 302, 303, 307, 308, 404 and 413. **Corequisites:** NURS 405, 414, and 315 (repeat students only). *\$850 fee.*

PHILOSOPHY (PHIL)**NURS 413. Maternal-Newborn Nursing, 4 credits (3 lecture, 1 clinical), Fall, Summer**

Integration of the metaparadigm of person, environment, health, nursing, and caring to childbearing women, their infants, and family. Promotion of positive client health through caring behaviors and roles is emphasized. **Prerequisites:** NURS 302 and 303. **\$850 fee.**

NURS 414. Critical Care Nursing, 6 credits (3 lecture, 9 clinical), Spring

Integration of caring actions that focus on the use of critical thinking and clinical decision making in professional nursing practice. Clinical focus is on the facilitation of health in the client with complex health pattern alterations. **Prerequisites:** NURS 302, 303, 307, 308, 404 and 413. **Corequisites:** NURS 405, 414, and 315 (repeat students only).

NURS 415. Women's Health Issues, 2 credits, Offered as needed

Survey of current issues that affect the holistic health of women. **Prerequisite:** junior/senior or instructor permission.

NURS 416. International Health Perspectives, 2 credits, Offered as needed.

Seminar with interdisciplinary approach to exploring various health care delivery systems, agencies, and selected problems impacting world health.

NURS 417. Multicultural Practicum. 1-3 credit(s), Offered as needed

Supervised practicum (at least 30 hours) within a cultural setting that is different from the student's dominant/birth culture. Repeatable to a maximum of 4 hours.

NURS 418. Health Care Ethics, 2 credits, Spring

Integration of health care decisions in light of core ethical principles/terms as well as exploration of the ethical code of conduct and standards for nurses and other health care professionals.

NURS 419. Nursing Leadership for ROTC, 6 credits (3 lecture, 9 clinical), Spring, Senior Capstone Course

Selected theories of leadership and management will be examined as the basis for duties, roles, and responsibilities of a professional nurse and military officer. Clinical focus will be delivery of care to a group of clients on a medical-surgical nursing unit. **Prerequisites:** NURS 302, 303, 307, 308, and MILS 401.

NURS 431. NCLEX Success I, 1 credit, Fall, Spring; Continuous

First of two courses designed to assist senior nursing students in preparing for the NCLEX-RN licensure exam. The course focuses on current NCLEX-RN test plan and students' identified learning needs. **Prerequisites:** NURS 302, NURS 304; **Co-req** NURS 414. **Instructor Consent.**

NURS 432. NCLEX Success II, 1 credit, Fall

Second of two courses designed to assist senior nursing students in preparing for the NCLEX-RN licensure exam. The course focuses on current NCLEX-RN test plan and students' identified learning needs.

PHIL 101. Introduction to Philosophy and Critical Thinking, 3 credits, Fall, Spring

Studies the principles of critical thinking in the context of classical philosophical and contemporary social and moral issues.

PHIL 204. Principles of Logic and Science, 3 credits, Spring odd years

Studies the principles of symbolic (sentential) logic, categorical logic, and elementary quantification theory. These exercises in deduction will beset over against induction as seen in the activities of science.

PHIL 301SL. Christian Ethics, 3 credits Spring

Critically examines the biblical, historical, and theological principles of moral value. Attention will be given to ethical theory and Christian moral values as they derive from the Bible. Same as REL 301SL. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. **Prerequisite:** NURS-431

PHIL 303. Ancient Philosophy, 3 credits, Fall even years,

Focuses on the beginnings of Western thought in a survey of the Presocratic, Plato, Aristotle, and Greek and Roman philosophy.

PHIL 304. Medieval Philosophy, 3 credits, Spring odd years

Studies the principal thinkers of the medieval period, including Augustine, Boethius, Anselm, Avicenna, Aquinas, Ockham, and others.

PHIL 305. Modern Philosophy, 3 credits, Fall odd years

Examines Western thought from the Renaissance through Hegel with special attention to the Continental Rationalists and the British Empiricists.

PHIL 306. Contemporary Philosophy, 3 credits, Spring even years

Examines the philosophical movements which shape the contemporary Western mind. Special emphasis will be made upon engaging the student in the ongoing philosophical process.

PHIL 321. Religion and Science, 3 credits, Spring even years

A topical and historical study of the philosophical issues surrounding the relationship between the Christian religion and modern science. The tools of philosophy, especially philosophy of science, will be used to address salient points of intersection between Christianity and science in modern times.

PHIL 400. Teaching Assistantship, 1-3 credit(s), Fall, Spring

Engages the senior philosophy student in one-on-one tutoring and other activities with underclassmen. Requires departmental invitation.

PHIL 401. Problems of Philosophy, 3 credits, once every 2-3 years

Examines a selected intellectual problem for its philosophical dimensions. Metaphysical and epistemological issues are given priority.

PHIL 402SL. Philosophy of Religion, 3 credits, Fall

Surveys the engagement of philosophy with religion, with focus upon religious experience, "proofs" of God's existence, religious language,

miracles, life after death, and associated topics. **Prerequisites:** PHIL 101 or instructor's consent. Same as BTS 402SL. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PHIL 403. Aesthetics, 3 credits, Once every 2-3 years

Critically examines the artistic enterprise and seeks to develop a coherent set of principles which attend the person and work of the artist, the art object, and the art audience. Several contemporary theories of art will be examined. **Prerequisite:** PHIL 101 or instructor's consent.

PHIL 404. Nonwestern Religious Thought, 3 credits, Fall even years

Examines the conceptual component in various Eastern religions. The student will read extensively from the sacred writings of these religions. Comparative studies will be encouraged. **Prerequisite:** PHIL 101 or instructor's consent. Same as BTS 404.

PHIL 410. Philosophy Colloquium, 1 credits, Spring

Intensely examines selected works of a significant philosopher in a colloquium setting. All philosophy professors will be involved, as well as faculty members from other departments, as appropriate. May be repeated for credit.

PHYSICAL EDUCATION (PE)

PE 008. Emergency Life Sustaining Skills, 1 credit

Emergency measures in choking, poisoning, bleeding, etc.; CPR and rescue skills. Instructor approval required.

PE 009A. Fencing, 1 credit - May be repeated for up to 4 credits.

PE 010. Golf, 1 credit - May be repeated for up to 2 credits.

PE 012. Hiking/Backpacking, 1 credit - May be repeated for up to 2 credits. *\$40 fee.*

PE 013. Physical Conditioning, 1 credit - May be repeated for up to 4 credits.

PE 016. Open Water Scuba Diving, 2 credits - May be repeated for up to 4 credits. *\$250 fee plus purchase of fins and mask is required.*

PE 018. Leisure Activities, 1 credit - May be repeated for up to 4 credits.

PE 020. Self Defense (enrollment restricted to women), 1 credit. *\$20 fee.*

PE 021. Pickle Ball, 1 credit - May be repeated for up to 2 credits.

PE 025. Swimming, 1 credit - May be repeated for up to 2 credits.

PE 026. Yoga for Health, 1 credit - May be repeated for up to 2 credits.

PE 028. Tennis, 1 hour - May be repeated for up to 4 credits.

PE 030. Volleyball, 1 credit - May be repeated for up to 2 credits.

PE 031. Beach Volleyball, 1 credit - May be repeated for up to 2 credits. Introductory course designed to teach the fundamental techniques of volleyball including forearm passing, overhead passing (setting), serving, blocking and other defensive skills. Rules and strategies of beach volleyball to improve gameplay awareness will be covered.

PE 032. Weight Training, 1 credit - May be repeated for up to 2 credits.

PE 037. Lifeguard Training, 2 credits

Preparation for and implementation of a lifeguard system at swimming pools and non-surf open water beaches.

PE 038. Fitness Swimming, 1 credit

Must be able to swim. Not for beginners. May be repeated for up to 2 credits.

PE 040. Racquetball, 1 credit - May be repeated for up to 2 credits.

PE 046. Fitness, Core, Barre, 1 credit - Fitness ballet, dynamic stretching, and core work are used to challenge students to firm and strengthen core, glutes, arms, and leg muscles through controlled, precise movements, improving overall conditioning.

PE 047. Country Line Dancing, 1 credit - May be repeated for up to 2 credits.

PE 048A. Judo, 1 credit

PE 050. Horsemanship, 1 credit - May be repeated for up to 2 credits.

PE 052. Beginning Kayaking, 1 credit. *\$40 fee*

PE 054. Speed Training, 1 credit

PE 055. Racket Sports, 2 credit, Fall, Spring

This activity course provides the opportunity for students to develop skills, tactics/strategy, knowledge, and personal/social behaviors to participate in badminton and pickleball.

PE 056. Rock Climbing and High Course Management, 2 credits - May be repeated for up to 2 credits.

Varsity athletes, cheerleaders, and dance team members may elect to receive one hour credit each year for participation in these activities. Maximum credit for any student is four hours. Such credit is elective and graded as satisfactory/fail only and does not count toward any major or requirement except as elective hours. Credit is available as follows:

PE 070. Varsity Baseball, 1 credit

PE 071. Varsity Basketball, 1 credit

PE 072. Varsity Football, 1 credit

PE 073. Varsity Golf, 1 credit

PE 074. Varsity Soccer, 1 credit

PE 075. Varsity Softball, 1 credit

PE 076. Varsity Tennis, 1 credit

PE 077. Varsity Track & Field, Cross Country, 1 credit

- PE 078. Varsity Volleyball, 1 credit
 PE 080. Varsity Cheerleading, 1 credit
 PE 081. Dance Team, 1 credit
 PE 082. Varsity Swimming, 1 credit
 PE 083. Varsity Sand Volleyball, 1 credit
 PE 084. Varsity Fishing, 1 credit

PE 101. Introduction to Physical Education, 1 credit

A survey of the basic concepts of the academic disciplines that comprise physical education.

PE 102. History and Philosophy of Physical Education, 1 credit, Fall

An overview of the history and philosophy of physical education from the Greek civilization to the present.

PE 200. Personal Training Methods, 3 credits, offered periodically

Students will understand the foundational knowledge and skill development to become a certified personal trainer. Students will learn to develop and administer programs designed to enhance muscular strength, endurance, flexibility, cardio-respiratory fitness, and body composition. Client motivation and exercise adherence is addressed also. This course is designed to prepare students for the nationally recognized Certified Personal Trainer (CPT) exam by the American College of Sports Medicine (ACSM). The CPT exam will serve as the final exam for the course. **Prerequisite: C or better in BIOL 207.**

PE 202. Principles of Coaching, 2 credits, Spring

Survey of principles of coaching with emphasis on coaching philosophy, sport psychology, sport pedagogy, sport physiology and sport management.

PE 209. Athletic Performance and Wellness, 2 credit, Offered periodically

A holistic approach to health and lifetime wellness is explored as students learn various exercise modalities in addition to physical, mental, social, and emotional components critical for living a healthy life.

PE 210. Coaching Football, 2 credits, Summer

Skills, techniques, strategy, and administrative responsibilities in coaching football.

PE 212. Coaching Basketball, 2 credits, Summer

Teach the technical and tactical skills of basketball and develop strategies to be a better leader and coach. Students will develop season and practice plans and learn strategies and skill technique appropriate for coaching basketball.

PE 214. Coaching Track and Field, 2 credits, Summer

Course includes all facets of coaching Track and Field, technologies of Track and Field, equipment considerations, organization and administration responsibilities, various techniques in running, jumping and throwing events, coaching from an official's perspective, and flexibility and weight training programs.

PE 233. Officiating Athletics, 2 credits, Offered periodically

Students will learn methods and rules pertinent to officiating in athletics including basketball, volleyball, baseball, and football. In

addition to the procedures and rules, students will learn methods to respond to applicable adverse and volatile situations. Career opportunities and methods for certification will be covered.

PE 235. Coaching Techniques in Strength Training and Conditioning, 3 credits, offered periodically

Course will assist with the necessary skills and knowledge to establish and coach a weight training program at the secondary school level.

PE 247. Principles in Physical Therapy, 2 credits, Offered periodically

The career of physical therapy is explored including the history, laws, code of conduct, role, and practices within the profession. Students will learn appropriate foundational methods for rehabilitative practices.

PE 300. Teaching Assistantship, 1-3 credits, Fall, Spring

Assist with preparation for and management of physical education courses. **Prerequisite: Department chair's consent.**

PE 302SL. Teaching Health and Physical Education in Elementary School, 3 credits, Spring

Teacher methodology for developmentally appropriate K-5 physical education and health. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PE 303. Teaching and Assessment in Rhythmic Movement and Educational Gymnastics, 3 credits, offered periodically

Students will learn planning, organizing, assessment, and teaching activities for children's rhythmic movement and educational gymnastics. Scope, content, and skill practice will be explored.

PE 308. American Red Cross Water Safety Instructor Training, 3 credits, offered periodically

Preparation for teaching swimming and waterfront safety. **Prerequisite: Advanced swimming skills.**

PE 310. Sports Administration, 3 credits, offered periodically

Principles and methods of athletic administration. Topics include: Duties and Responsibilities of Administrators, Management of Personnel and Resources, and Contemporary Issues.

PE 311SL. Sport as Mission, 3 credits, Spring

Students will understand sport as a Christian mission. Coaching, athletic management, and recreation are explored in light of a Christian worldview. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PE 318. Practical Skills for Professionals in Sport and Recreation Management, 3 credits, offered periodically

Students will understand technical and managerial skills necessary for individuals managing teams, organizations, and facilities pertaining to athletics and recreation. Components include scheduling, budget creation, risk managements, human resources, programming logistics, and facility administration. **Prerequisite: junior/senior standing or instructor's consent.**

PE 320. Special Topics in Physical Education, 1-3 credits, offered as needed

A wide variety of topics in physical education, movement pedagogy, and education methods are explored in this contemporary research and special topics course. Relevant issues including conditioning, nutrition and supplementation, and biomechanics are analyzed. **Prerequisite:** junior/ senior standing or instructor's consent.

PE 335. Ethical Consideration in Sport, 3 credits, Fall

Students will understand decision making and ethical dilemmas in sport. Varied ethical perspectives are analyzed through the conflicts presented in sports-related questions. Course readings and lectures examine the theoretical constructs of ethical decision-making. Throughout this course, students develop their own sport philosophy and ethical standards regarding sport. **Prerequisites:** PE major, junior level standing or instructor's consent.

PE 360SL. Teaching and Assessment of Individual and Dual Sports, 3 credits, Spring odd years

Pedagogy of individual and dual sports is learned as students learn and practice teaching and assessment for a variety of sport and leisure activities. **Prerequisites:** PE major. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PE 361SL. Teaching and Assessment of Team Games and Leisure Activities, 3 credits, Spring even years

Pedagogy of team games and leisure activities is learned as students learn and practice teaching and assessment for a variety of sport and leisure activities. **Prerequisites:** Junior/senior standing or instructor's consent. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PE 403. Teaching Physical Education and Wellness in the Secondary School, 3 credits, Fall odd years

Teacher methodology for 6-12 physical education and wellness. Students will need to pay for and pass the Praxis health exam for successful completion of this course. **Prerequisite:** Admission into Teacher Education Program I. *\$75.00 fee.*

PE 404. Measurement and Evaluation, 3 credits, offered periodically

Selection and administration of PE related tests. Interpretation and communication of results.

PE 407SL. Adapted Physical Education, 3 credits, Fall

Design and implementation of adaptations to meet the needs of disabled children and adults. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PE 440. Policy and Risk Management in Sport and Recreation, 3 credits, offered periodically

A thorough understanding of policy issues pertaining to athletics and

recreation is developed in this course. This course provides an analysis of risk management strategies essential for safe and effective sport and recreation settings. **Prerequisites:** Junior standing and instructor's consent.

PE 469. Exercise, Recreation, and Sport Sciences Internship, 3-6 credits, Fall, Spring, Summer

Students will have had a leadership opportunity through assigned work experience. The teacher works with the cooperating institution to develop a learning experience beneficial to the specific student needs. A supervisor/mentor facilitates specific assignments and participates in a final evaluation supported by journal and portfolio. **Prerequisite:** Department chair's consent.

PHYSICS (PHYS)

PHYS 100. Physics in Everyday Life, 3 credits, offered periodically
An introduction to a variety of principles of physics that have applications to everyday life. Intended for non-science majors. Two lectures and one two-hour lab a week.

PHYS 101. Physics of Musical Sound, 3 credits, offered periodically
An investigation of variety of fundamental physics principles and their application to the production, transmission, and perception of sounds. Primarily intended for music majors and students with some music experience. Two lectures and one two-hour lab a week.

PHYS 102. Basic Physics and Astronomy, 3 credits, offered periodically

An introduction to the major concepts and principles of physics and astronomy. Intended primarily for students pursuing licensure in K-8 education. Not open to students who have taken either PHYS 100 or 110. Two lectures and one two-hour lab per week.

PHYS 103. General Physics I, 4 credits, Fall

An application of physical principles, logic, and mathematical examination to understanding motion. Topics include forces, collisions, momentum, energy, rotations, fluids, and heat. Three lectures and one three-hour lab a week. **Prerequisite:** MATH 120 or ACT math score of 24 or higher, or instructor's consent. *\$30.00 lab fee.*

PHYS 104. General Physics II, 4 credits, Spring

A continuation of PHYS 103, focusing on the nature of sound and light, electromagnetic phenomena, and optics. Three lectures and one three-hour lab a week. **Prerequisite:** PHYS 103. *\$30.00 lab fee.*

PHYS 110. Elementary Astronomy, 3 credits, offered periodically

A survey of the tools and techniques of astronomy, our solar system, the stars, galaxies, and the structure of the universe. For non-science majors. Two lectures and one lab a week. *\$30.00 lab fee.*

PHYS 201. Principles of Physics I, 4 credits, Fall

An application of physical principles, logic, and calculus to understanding motion. Topics include forces, collisions, momentum, energy, rotations, fluids, and heat. Three lectures and one three-hour lab a week. **Pre- or Corequisite:** MATH 151. *\$30.00 lab fee.*

PHYS 202. Principles of Physics II, 4 credits, Spring

A continuation of PHYS 201, focusing on the nature of sound and light, electromagnetic phenomena, and optics. Three lectures and one three-hour lab a week. **Prerequisite:** PHYS 201. *\$30.00 lab fee.*

PHYS 301. Electronics, 4 credits, Spring even years

A study of electronic circuits and the nature of modern instruments commonly used in scientific labs. Topics include integrated circuits, analog and digital electronics, and microcontrollers. Three lectures and one three-hour lab a week. **Prerequisites:** PHYS 202 and MATH 152. *\$30.00 lab fee.*

PHYS 302. Electrodynamics, 3 credits, Spring odd years

An intermediate treatment of classical electricity and magnetism, including the use of vector calculus. Topics include fields, potentials, electromagnetic waves, and Maxwell's equation. **Prerequisites:** PHYS 202 and MATH 152.

PHYS 304. Thermodynamics, 3 credits, Fall even years

A study of gases, liquids, and solids, as well as an introduction to atomic and molecular structure. **Prerequisites:** CHEM 104 and MATH 152; **corequisite:** PHYS 314. Same as CHEM 401.

PHYS 307. Modern Physics, 3 credits, Fall odd years

A course covering Einstein's theory of special relativity, atomic physics, and elementary particles. **Prerequisite:** PHYS 202. Same as CHEM 403.

PHYS 308. Quantum Mechanics, 3 credits, Spring even years

A mathematical formulation of elementary quantum theory and its application to atoms and solids. **Prerequisite:** PHYS 307.

PHYS 313. Nuclear Physics, 3 credits, Offered periodically

An introduction to nuclear and elementary-particle physics. Topics covered typically include: nuclear models, radioactivity, nuclear reactions, fission, fusion, nuclear energy, nuclear weapons, nuclear medicine, and elementary particles. **Prerequisite:** PHYS 307 or **instructor's consent.**

PHYS 314. Thermodynamics Laboratory, 1 credit, Fall even years

Laboratory to accompany PHYS 304. Topics include gases, thermodynamics, and phase equilibria. One three-hour lab a week. **Corequisite:** PHYS 304. Same as CHEM 415.

PHYS 318. Experimental Physics, 2 credits, Fall odd years

A lab course designed to give students an understanding of data collection, experimental procedures, and analysis techniques. Both modern and classical experiments will be conducted. One lecture and one two-hour lab per week. **Prerequisite:** PHYS 202. *\$30.00 lab fee.*

PHYS 320. Optics, 3 hours, Offered periodically

A study of wave nature of light and its application to scattering, reflection, interference, diffraction, and refraction. **Prerequisites:** PHYS 202 and MATH 152.

PHYS 325SL. Principles of STEM Communication, 2 credits, offered periodically

Develop communication skills in the STEM disciplines and become

familiar with tools used to help communicate STEM concepts. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service. Same as CSC 325SL and MATH 325SL.

PHYS 330. Mechanics, 3 credits, Fall even years

An application of vector calculus generalized coordinates, differential equations, and Lagrangian and Hamiltonian formulations to solve problems in mechanics. Topics include rigid bodies, rotations, and oscillations. **Prerequisite:** PHYS 202. **Corequisite:** MATH 211.

PHYS 361. Nuclear Medicine, 3 credits, offered periodically

In this course, topics of study include a background on radiation and nuclear physics, as well as the development of radiopharmaceuticals, radiation dosimetry and safety, proton therapy, brachytherapy, and medical imaging techniques such as positron emission tomography (PET). **Prerequisites:** PHYS 103 and 104 or PHYS 201 and 202 and MATH 152.

PHYS 362. Energy and the Environment, 3 credits, offered periodically

A study of energy and its influence on our lives, sources of energy, future shortages, social and political aspects of energy issues, environmental issues, alternative energy, and energy conservation.

PHYS 400. Teaching Assistantship, 1 credit, offered on Demand

A course designed to help prepare students for teaching in graduate school. Students assist faculty with labs, grading, and other activities deemed appropriate by the instructor and in accordance with school policy. May be repeated once for credit. **Prerequisites:** Senior standing and instructor's consent.

PHYS 401. Special Topics in Physics, 3 credits, offered periodically

A study of current research in physics or other areas which are deemed appropriate by the department. Topics might include solid state physics, nuclear physics, mathematical methods of physics, acoustics, or others. May be repeated for credit. **Prerequisites:** PHYS 201 and MATH 152.

PHYS 491. Senior Seminar, 1 credit, Fall

Introduction to physics literature and journals as well as other selected projects such as resume preparation and skills of the short interview. One lecture hour a week. **Prerequisite:** Senior standing and instructor's consent.

PHYS 495. Physics Research, 1-3 credit(s), offered on demand

Experiments which introduce students to a variety of physical phenomena. The topic is selected by the student and a faculty member. May be repeated for credit. **Prerequisite:** Instructor's consent.

PHYS 496. Physics Internship, 1-3 hours credit(s), offered on demand

Students have the opportunity to obtain academic credit for work experience normally completed during the summer. Both oral and written presentations dealing with the experience are required. May be repeated for credit. **Prerequisite:** Instructor's consent.

PHYS 497. Senior Studies, 1-3 credit(s), offered on demand

A student chooses and studies a topic of particular interest on an individual basis. May be repeated for credit. **Prerequisite:** Instructor's consent.

POLITICAL SCIENCE (PSC)**PSC 101. Introduction to Civil Rights and Liberties, 3 credits, Fall, Summer periodically**

Emphasis on historical background and contemporary issues related to civil rights and liberties in the United States.

PSC 102. American Government and Politics, 3 credits, Fall, Spring, Summer periodically

Study of American government and politics with emphasis on the Constitution, branches of government, public opinion, voting behavior, and campaigns and elections. **PSC 101 is not a prerequisite.**

PSC 105. Introduction to the Legal Profession, 1 credit, Fall odd years.

Role of participants in the legal system. Various types of lawyers will be guest speakers each week.

PSC 200. Moot Court, 2 credits, Fall

Students will develop research, writing, oral communication, and team building skills by writing a brief and preparing arguments for the AMC3 Moot Court Challenge competition. May be repeated for credit. **Prerequisite: Instructor's consent.**

PSC 201. Global Politics, 3 credits, Spring

Examination of contemporary events and issues across the international system including the role of the United States in those issues.

PSC 300. Teaching Assistantship in Political Science, 1-3 credit(s), Fall, Spring

Teaching assistantship for majors by departmental invitation.

PSC 302. Faith, Freedom and the Individual, 3 credits

See HONORS PROGRAM.

PSC 303. American Political Behavior, 3 credits, offered periodically

Voting behavior, political power and its acquisition, public opinion, propaganda, polling, surveys and techniques of political analysis.

PSC 312. Modern Middle East, 3 credits, offered every 2-3 years

Emergence of the modern Middle East from the late eighteenth century through the present by focusing on political and cultural changes. Same as HIST 312.

PSC 313. Introduction to International Relations, 3 credits, Offered every 2-3 years.

Survey of the international relations field including theoretical background and contemporary issues.

PSC 314. International Human Rights, 3 credits, offered periodically

Issues surrounding international human rights including how they

are defined, the role of the United Nations and international law, and current controversies.

PSC 316. Comparative Politics, 3 credits, once every 3-4 years

Comparison of contemporary political systems. Students will examine institutions and issues from industrialized to underdeveloped states. Country profiles are presented to highlight significant features.

PSC 318. Democracy and Elections, 3 credits, once every 3-4 years

Comparative examination of political party systems and party families. Students will begin with coverage of mainstream parties within the United States before transitioning to party families common through the world. Ideological features of Communist, Liberal, Conservative, Christian Democratic, Socialist, Social Democratic, Greens and Radical Right parties are presented. In addition, features of dominant party, two-party, and multi-party systems will be explored.

PSC 320. Special Topics in Political Science, 1-3 credit(s), offered periodically.

An examination of a specific area of study in the discipline. Can be repeated for credit when topic changes.

PSC 321. American Political Thought, 3 credits, Spring every 2-3 years

Survey from Puritans to modern thinkers. Same as HIST 321.

PSC 323. Global Feminisms: Women in the Modern World, 3 credits, Fall odd years

Explores the history of women in the 20th/21st century from a global and thematic perspective by looking at middle class feminism and working-class unionism; women in political revolutions and women in peace movements; women and the development of human rights; the development of women's history; and women and the politics of globalization, development, and environmental politics. Same as HIST 323.

PSC 324. Popular Culture and American Politics, 3 credits, once every 2-3 years.

Popular culture related to American politics and government focusing on the role of film, television, fiction, and music. Specific topic will vary.

PSC 330. Law in American Society, 3 credits, offered periodically

Law as a process through which social problems are addressed. Attention devoted to the structure and function of the U.S. legal system (federal and state). Current controversial legal issues will also be discussed.

PSC 335. Church-State Relations, 3 credits, offered periodically

An examination of the historical roots and contemporary status of church-state relations in America with a focus on the writings of Madison, Jefferson, key court decisions, and the current political culture.

PSC 337. Contemporary Criminal Procedure, 3 credits, Every 3-4 years

Emphasis on issues in a chronological perspective. These criminal procedure rights will be analyzed in terms of the effects of US Supreme Court decisions on law enforcement and criminal defense.

PSC 338. Women and the Law, 3 credits, every 2-3 years

Study of historical and contemporary gender-based discrimination via examination of state and federal court decisions concerning statutory, constitutional based and traditional schemes of such discrimination.

PSC 339. Right to Privacy, 3 credits, every 2-3 years

The historical roots and contemporary applications of the right to privacy in the United States through an examination of US Supreme Court and lower court rulings.

PSC 365. Washington Semester, 3-9 credits, offered as needed

Internship in the nation's capital. Students learn about the workings of federal government under supervision of a US congressman out of whose office they work. Approvals from instructor, committee, and Washington office required during semester prior to participation. **Prerequisite: senior standing.**

PSC 407. Development of the Modern Presidency, 3 credits, once every 3-4 years

Analysis of the growth of US presidential power. Historical roots and practices of 20th century presidents. Same as HIST 417.

PSC 409. Contemporary Issues in U. S. Public Policy, 3 credits, once every 3-4 years

Overview of the policymaking process in the United States and controversial issues in American public policy.

PSC 410. Women and Politics, 3 credits, offered periodically

Role of women in the U. S. political system from the suffrage movement to current issues surrounding their political behavior as voters and elected officials.

PSC 420. Formation and Adoption of the Federal Constitution, 3 credits, offered periodically

Examination of the context and process of the formation and adoption of the United States Constitution. Same as HIST 420.

PSC 438. American Constitutional Law I, 3 credits, Fall every 2 years

Constitutional interpretation and judicial review. Supreme Court decisions in business and economic matters.

PSC 439. American Constitutional Law II, 3 credits, Spring every 2 years

Civil liberties cases. PSC 438 is not a prerequisite.

PSC 491SL. Senior Seminar in Political Science, 2 credits, Fall

Reading/discussion-based course covering contemporary political issues. Students will write a significant research paper. Capstone course for political science majors. This is a service-learning course and may require an additional time commitment outside of class.

PSYCHOLOGY (PSY)

PSY 101. Introduction to Behavioral Science, 3 credits, Fall, Spring

Empirical methods, brain function, perception, learning, memory, emotion, cognition, and motivation.

PSY 102. Understanding Human Behavior, 3 credits, Fall, Spring
Human development, personality theory, abnormal and health behavior, therapy, interpersonal and social processes.

PSY 201. Adult Psychology, 1 credit, Fall

Research and practical applications in patterns of mature living. Will be the adult development module of PSY 206. Students who have taken or plan to take PSY 206 or CFS 206 may not take PSY 201. Students who take PSY 201 after PSY 06 or CFS 206 will not receive credit for the course. **Instructor Permission.**

PSY 203. Statistical Concepts and Methods, 3 credits, Fall, Spring, Summer

Basic statistical concepts including populations, samples, analysis, and inference. One and two dimensional discrete and random variables. Applications of normal, t, chi square, F and binomial random variables. R statistical software. Same as MATH 201 and SOC 203. **Prerequisites: Strong algebra background evidenced by math ACT 21 (math SAT 530) or MATH 106, 120, or 125.** Students enrolling in a lecture section must also enroll in the corresponding lab section.

PSY 204. Psychology of Childhood and Adolescence, 3 credits, Fall, Spring. Developmental processes from early childhood to adolescence. Consideration of behavioral management techniques.

PSY 206. Human Development Through the Lifespan, 3 credits, Fall, Some Springs

Developmental processes from prenatal to late adulthood and death, including physical, cognitive, and psycho-social development. Same as CFS 206.

PSY 209. Psychology of Adjustment and Health, 3 credits, Fall

An examination of the areas of emotional and behavioral health with emphasis on personal assessment, goal-setting and personal improvement. Analysis of the patterns of behavior that relate to health and higher quality of life. Use of the biopsychosocial model.

PSY 212. Social Entrepreneurship Seminar, 2 credits, Fall

An introduction to service that addresses human needs and problems by strengthening social infrastructure through community research and action, service learning, and civic engagement. Involves readings and a field trip. Same as ID 212.

PSY 213. Research Design and Interpretation, 3 credits, Fall,

Spring. An introduction to research design including quantitative and qualitative approaches. Students will learn how to interpret primary research articles and plan a research project with a specific design.

PSY 250. Society and the Individual, 3 credits

See HONORS PROGRAM.

PSY 301. Social Psychology, 3 credits, Fall, Spring, Summer

Social factors influencing the thoughts and behavior of the individual. **Prerequisite: PSY 101 or 102.** Same as SOC 301.

PSY 302. Abnormal Psychology, 3 credits, Fall, Spring

Causes, treatments, and prevention of maladaptive behavior. **Prerequisite: PSY 101 or 102.**

PSY 304. Child and Adolescent Psychopathology, 3 credits, offered periodically

Causes, treatments, and prevention of disorders in children and adolescents. **Prerequisite** PSY 101, 102, 204 or 206.

PSY 306. Organizational Behavior, 3 credits, offered periodically

Principles of management with emphasis on individual and group behavior in organizations. Same as MGT 306.

PSY 308. Cognitive Psychology, 3 credits, offered periodically

An overview of the scientific study of the mind and mental processes, including memory, language, and decision-making with consideration of the neurological underpinnings of cognitive processes.

PSY 310. Criminology, 3 credits, Fall

Overview of the field of criminology with attention given to behavior of the criminal and case studies. Same as SOC 310.

PSY 312SL. Social Entrepreneurship and Non-Profit Studies, 3 credits, Fall

Students will investigate how non-profit organizations can address human needs and problems by strengthening social infrastructure and empowering communities to help themselves. Students will complete a project that addresses human need and creates social change for the common good. Same as ID 312. **Prerequisite:** ID/PSY 212. \$25 fee. This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PSY 313. Statistical Analysis for the Social Sciences, 3 credits, Spring

Students will learn statistical analysis from measures of central tendency to analysis of variance as it applies to psychology research. Students will gain expertise in use of SPSS as a means of analysis. **Prerequisite:** PSY 213.

PSY 316. Forensic Psychology, 3 credits, Spring

An overview of criminal behavior, including developmental, biological, learning, personality, and social psychological perspectives. Specific topics range from juvenile delinquents to psychopaths, from typical aggression to homicide and sexual assault. Where possible, both predicting crime and correctional options will be introduced. **Prerequisites:** 3 hours of social science and junior standing, or 6 hours social science.

PSY 318. Humanity and the Biosphere, 3 credits, Every 2-3 years

See HONORS PROGRAM.

PSY 320. Topics in Psychology, 1-3 credit(s), offered periodically

Topics vary and may include historical readings, biofeedback, self-management, humor, environment and community, peace psychology, stress management and self-esteem in children. May be repeated.

PSY 323. Peace Psychology, 3 credits, offered periodically

A psychological approach to understanding wars, transforming conflict, and building peace. Requires a lab fee and field experience.

PSY 325. Psychology of Humor, 3 credits, offered periodically

A comparison of motivational and cognitive theories. Key questions: To be funny, must one be aggressive or are verbal puns sufficiently arousing? We will view stand-up comedy, sit-coms, cartoons/comics, and full-length movies. We will deconstruct comedies in terms of "incongruity-resolution," and blend schemas/themes arising in politics, relationships, and regional stereotyping. Original research will support an inclusive model of how we think about humor.

PSY 337. Neuropsychology, 3 credits, Spring

Neuropsychology is the scientific study of the relationship between brain and behavior. Application of neuropsychological concepts, principles, and research findings to understanding human behavior and social, political, and cultural phenomena.

PSY 400. Teaching Assistantship, 1-3 credit(s) Fall, Spring

Majors assist with grading, class exercises and tutoring. Taken by instructor's approval. 4 hours maximum. S/F grading.

PSY 401. Research Assistantship, 1-3 hours credit(s), Fall, Spring

Students will work closely with a faculty member on a research project that the faculty member directs. Students will gain research and statistical expertise. Course may be repeated for up to 4 hours credit. S/F grading. **Prerequisites:** PSY 213 or instructor's consent.

PSY 404. Educational Psychology II: Classroom Management, 2 credits, Spring Teacher/Student Management.**PSY 405. History and Systems of Psychology, 3 credits, Spring, Summer**

A study of systems of psychological thought in history and contemporary society. **Prerequisites:** PSY 101 or 102, junior/senior standing.

PSY 406. Personality Theories, 3 credits, Fall

Overview of major personality theories. **Prerequisites:** PSY 101 or 102, 9 additional hours of psychology.

PSY 407. Gerontology, 3 credits, offered periodically in Spring

Examination of the physical, social, and psychological aspects of the aging process. In-depth look at stereotypes, theories, demographics, and ways to age successfully. Same as SOC 417.

PSY 408. Psychology of Gender, 3 credits, Spring

A survey of current ideas from the field of psychology on gender with an emphasis on women's ways of knowing, positive expressions of masculine character in the age of feminism, and communication differences between the sexes.

PSY 409. Current Topics in Child and Family Studies, 3 credits, offered periodically

Research and readings on selected issues affecting children and families. **Prerequisites:** CFS 206 or PSY 204, CFS 305. Same as CFS 407.

PSY 410. Advanced Skills and Practice, 3 credits, Fall

Supervised experience in local agencies or institutions. **Prerequisites:** 12 hours of psychology to include one of the following: PSY 302, PSY209, PSY 413, and junior/senior standing.

PSY 412SL. Senior Seminar, 3 credits, Fall

Review of the field of psychology and career/graduate school preparation within the psychology and psychology-related fields. **Prerequisite:** senior standing. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

PSY 413. Counseling Theories and Techniques, 3 credits, Fall, Spring

Psychodynamic, Rogerian, cognitive, behavioral and eclectic theories. Basic counseling skills. Laboratory. **Prerequisites:** PSY 302 and junior/ senior standing.

PSY 425. Positive Psychology, 3 credits, offered periodically

Optimal functioning is explored by studying happiness, wellness, optimism-pessimism, setting goals, resilience, flow, and hope. A purposeful life is not equal to merely being "happy". Theoretical support comes from cognitive, personality, and social psychology as well as neuroscience and counseling. Students compare empirical research to counseling applications and keep a self-reflective diary. **Prerequisite:** Junior/senior standing.

PSY 465. Psychology Internship, 1-3 credit(s), Summer

Experience through a psychology-related agency that has a formal internship program with supervision taking place in the outside agency. S/F grading. **Prerequisites:** junior/senior standing and instructor's consent.

PSY 491. Psychological Research, 2-3 credits, Spring

Supervised participation in research. May be repeated. 6 hours maximum. **Prerequisites:** PSY 213 and instructor's consent.

RECREATION (REC)**REC 200. Foundations of Recreation, 3 credits, offered periodically**

An in-depth study of the theory and nature of recreation; the impact of recreation on the quality of life for individuals and society; the role of agencies in provision of services; and the professional's role in education for recreation and the building of positive recreation lifestyle(s).

REC 220. Recreation Practicum, 1 credit, Fall, Spring, Summer

Exploratory on-site practical experience in a recreation and/or park agency. Observe activities and lead programs requiring Recreation Leadership. **Prerequisites:** Must be pursuing the Wilderness Recreational Management minor and department chair's consent.

REC 304SL. Recreation Program Planning and Management, 3 credits, Spring

Provides the student with an understanding of recreation program practices including planning, program principles, and program evaluation. Practical application of this knowledge will be facilitated through direct experiences in organizational leadership and evaluation of programs. **Prerequisite:** junior/senior standing or instructor's consent. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

REC 306. Administration of Recreation Programs, 3 credits, offered periodically

Designed to introduce students to the principles of administration and organization of recreation agencies. The role of the manager will be explored by investigating the concepts, problems and responsibilities faced by management staff.

REC 320. Special Topics in Recreation, 1-3 credit(s), offered as needed

A wide variety of topics in recreation and leisure studies are explored in this contemporary research and special topics course. Relevant issues including conditioning, nutrition and supplementation, and biomechanics are analyzed. **Prerequisite:** Junior/senior standing or instructor's consent.

REC 340. Outdoor Recreation, 3 credits, offered periodically

Designed to provide the student with an orientation to the field of outdoor recreation. Emphasis is placed on acquiring knowledge in background knowledge of outdoor pursuits, specific skills utilized, along with leadership and administration of outdoor recreation pursuits. Emphasis will also be placed on the leadership of selected activities.

REC 440. Wilderness Leadership, 3 credits, Fall

Implement wilderness programs including design, planning, implementation, and leadership with consideration of administrative techniques, environmental ethics, and risk management. Field experiences may include minimum-impact backcountry travel, living skills, navigation, climbing, canoeing, and trail service opportunities. **Prerequisite:** Junior/senior standing or instructor's consent.

REC 461. Critical Issues in Recreation, 3 credits, offered periodically

Examination and exploration of critical issues in the field of Recreation. **Prerequisites:** senior standing and instructor's consent.

REC 463. Topics in Recreation, 1-3 credit(s), As needed

Study of special topics and problems through directed reading and research in recreation. May be retaken to a maximum of three hours. **Prerequisite:** Department chair's consent.

REC 465. Internship, 6 credits

Designed to place students in a recreation setting to observe and conduct activities. Students will additionally be gaining practical experience in the daily operations of a comprehensive recreation agency. Through this training, the student is provided an opportunity to test the concepts and competencies gained through his or her completion of college classroom experiences. The student will also gain knowledge and experience that provides a smooth transition into the profession after graduation. **Prerequisites:** PE 318.

SOCIOLOGY (SOC)**SOC 101. Introduction to Sociology, 3 credits, Fall, Spring, Summer**

Basic concepts, theories and research necessary for an understanding of American society and how it is changing.

SOC 102. Introduction to Human Services, 3 credits, Fall

A survey of the major types of human services agencies and occupations. Introduction to foundational concepts and skills in developing helping relationships with clients.

SOC 105. Social Problems, 3 credits, Fall, Spring, Summer

The major social problems facing American society, and various explanations of their causes and remedies.

SOC 201. Introduction to Cultural Anthropology, 3 credits, Summer, Spring every three years

A study of the various forms of human cultures found in pre-industrial societies around the world, focusing on the underlying political, social, religious, and economic similarities of societies with similar subsistence patterns. The processes of cultural change and inter-cultural conflict are also examined.

SOC 202. Human Services Practice, Theory, and Skills, 3 credits, Spring

Developing general interpersonal and interviewing skills applicable in working with diverse client groups in a variety of professional human services settings. **Prerequisite:** SOC 102.

SOC 203. Statistical Concepts and Methods, 3 credits, Fall, Spring, Summer

Basic statistical concepts including populations, samples, analysis and inference. One and two dimensional discrete and random variables. Applications of normal, t, chi square, F and binomial random variables. R statistical software. Same as MATH 201 and PSY 203. **Prerequisites:** Strong algebra background evidenced by math ACT 21 (math SAT 530) or MATH 106, 120, or 125. Students enrolling in a lecture section must also enroll in the corresponding lab section.

SOC 204. Introduction to Sociological Research, 3 credits, Fall

The use of scientific methods in the study of society. Students participate in collecting data and in the statistical analysis of data using the computer.

SOC 205SL. Sociology of Community, 3 credits, offered periodically

Conceptualization and evolution of community with a focus on the nature and types of communities in modern society. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

SOC 206. Poverty and Homelessness, 2-4 credits, Summer

Examination of the causes of poverty with an emphasis on the recent increase in homelessness. A major component of this course involves fieldwork at a homeless shelter.

SOC 207. Race and Ethnicity, 3 credits, Spring every three years

An examination of racial and ethnic groups in America and around the world with special emphasis on prejudice, discriminations, conflict, assimilations, and multiculturalism.

SOC 209. Internship in Human Services, 1-3 credit(s), Fall, Spring, Summer

Supervised work experience in an approved human services agency. Requires departmental approval. May be repeated to a maximum of 3 hours. S/F grading. **Prerequisite:** SOC 102.

SOC 218. Human Behavior in the Social Environment I, 3 credits, Fall.

Interrelatedness of psychological, environmental, cultural and behavioral factors influencing human behavior. Utilize the EcoSystems or Person-In-Environment Perspective to evaluate the influence of sociocultural factors. **Prerequisites:** SOC 101 and SOC 102.

SOC 250. Society and the Individual, 3 credits

See HONORS PROGRAM.

SOC 301. Social Psychology, 3 credits, Fall, Spring

Social factors influencing the thoughts and behavior of the individual. Same as PSY 301.

SOC 302. Sociology and the Christian Faith, 3 credits, Summer

An independent readings course in which the student will be exposed to issues concerning the relationship between society and the Christian faith: the subtle influence of a society's culture upon the Church and role of Christians in changing society.

SOC 303. Social Welfare Policy, 3 credits, Fall

Examines issues of equality and discrimination via the historical, economic and political dimensions of social programs.

SOC 305. Urban Sociology, 3 credits, offered periodically

Examines the historical development of modern cities and the contemporary social problems they engender.

SOC 309. Marriage and Family, 3 credits, offered periodically

The family as a social institution and its impact on the life cycle with attention to sex roles, socialization and interactional problems.

SOC 310. Introduction to Criminology, 3 credits, Fall

Systematic inquiry into how crime is defined, measured, and explained through sociological theory. Implications for criminal justice policy are explored. Same as PSY 310.

SOC 311. Environmental Sociology, 3 credits, Summer

A structured, independent study introducing the student to the sociological perspective of environmental issues, especially values and practices. The student will choose a specific area of study and the instructor will assign appropriate readings.

SOC 312. Sociology of Religion, 3 credits, offered periodically

An examination of the social context in which religion is formed and lived out. Attention will be given to religious pluralism and cross-cultural contact as well as concepts such as secularization, social change, and the development of religious expressions both new and old.

SOC 318. Human Behavior in the Social Environment II, 3 hours, Spring

Interrelatedness of psychological environmental, cultural, and behavioral factors influencing human behavior in large groups, communities, and formal organizations. Theories for macrochange are examined. **Prerequisites:** SOC 101, SOC 102, and SOC 218.

SOC 321. Native Americans of the Great Plains, 3-4 credits, offered periodically

An independent readings course which examines the lifestyles, customs, and fate of the 19th century Native American tribes of the Great Plains region.

SOC 323. Topics in Sociology, 1-3 credit(s), offered periodically

Topics vary with student and faculty interest and may include social theory, deviance, third world studies, racial issues, and others. Faculty will develop a set of assignments appropriate to the topic.

SOC 324. Topics in Criminology, 1-3 credit(s), offered periodically spring

An examination of an area of study in criminology. Topics may include such areas as Gender and Crime, Race and Crime, Human Trafficking, and current issues in the discipline. This course satisfied an elective in the criminology emphasis. May be repeated for credit.

SOC 325. American Criminal Justice System, 3 credits, Spring

A critical assessment of the criminal justice apparatus and its components. Brief examination of the police, with most of the emphasis on the criminal courts and institutions and programs such as the prison, probation, and parole. Analysis of their operation and impacts.

SOC 367. Leadership for Social Change, 4 credits, Summer

Role of innovative leaders and organizations promoting positive, intentional social change.

SOC 400. Teaching Assistantship, 1 credit, Fall, Spring

Sociology or Human Services majors assist with grading, instruction, and/or research. Student must have at least a 3.0 GPA and have completed at least 9 hours in Sociology. May be repeated to a maximum of 3 hours. S/F grading.

SOC 401. Family Violence, 3 credits, Fall

The causes, prevention and treatment of husband-wife violence, child abuse and neglect, incest, runaways and suicide.

SOC 402. People and Problems of the Third World, 3 hours, Spring every three years

Study of the people in the underdeveloped nations of South America, Africa and Asia and problems of overpopulation, starvation, human rights, poverty, ecological destruction and socio-economic development.

SOC 405. Social Theory, 3 credits, Fall

Examines the historical development of major themes and theoretical perspectives in the study of society; includes the major writings of Durkheim, Weber, Marx and others. **Prerequisite:** SOC 101.

SOC 406SL. Cross-Cultural Field Experience, 3 credits, Fall, Spring, Summer.

Work with an organization or mission which serves people of different cultural backgrounds, in either a U.S. or foreign setting. For example, urban missions, foreign missions, Indian reservations, rural community development projects, HEART, etc. S/F grading. **Prerequisite:** 15 semester hours in the major. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

SOC 409SL. Human Services Field Experience, 3 credits, Fall, Spring, Summer.

Application of social theory and the acquisition of basic skills through work in a human service agency under the supervision of professionals. One hundred fifteen hours of on-site work required. One hour per week classroom meeting. S/F grading. Repeatable to 6 hours credit. **Requires departmental approval.** **Prerequisite:** SOC 102. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

SOC 410SL. Cross-Cultural Communication Practicum, 1 credit, Fall, Spring.

This course is designed for American students who would like to interact with international students 1-2 hours per week. The two goals of this course are to provide international students with help in adjusting to American life and language and to provide American students with a cross-cultural experience on the Carson-Newman campus. May be repeated, 3 hours maximum. **Prerequisites:** junior standing, SOC 101. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

SOC 416. Policy and Practices in Health Care Settings, 3 credits, Spring odd years

This course prepares students to practice social work in a health care setting. Students will learn policies within the American health care system and skills necessary to work within it.

SOC 417. Gerontology, 3 credits, offered periodically

Examination of the physical, social, and psychological aspects of the aging process. In-depth look at stereotypes, theories, demographics, and ways to age successfully. Same as PSY 407.

SOC 420. Punishment and Society, 3 credits, Spring

A sociological inquiry into the modern phenomenon of punishment, with special emphasis on mass incarceration and the death penalty. **Prerequisite:** SOC 310.

SOC 427. Sociology and Film, 3 credits, offered periodically

This course will examine key social issues through documentary and popular films. Course may be repeated with change of content. Same as FILM 427.

SOC 441. Seminar in Sociology, 2 credits, Spring

An overview of key concepts in sociological research and theory. Senior Capstone Course in sociology. **Prerequisite:** at least 21 sociology hours.

SOC 442. Seminar in Human Services, 2 credits, Spring

An overview of key concepts and skills in human services professions. Senior Capstone Course in human services. **Prerequisite:** at least 21 sociology hours.

SPANISH (SPAN)**SPAN 101. Hispanics in the U.S. I, 3 credits, Fall**

This course will focus on the cultures and language of Hispanics in the United States in order to give the students the necessary tools to communicate with and understand this growing segment of our population. Language focus will be on vocabulary acquisition and use of essential structures to communicate basic needs, personal information, and to answer basic questions. **Prerequisite:** No previous study of Spanish or placement by exam.

SPAN 102. Hispanics in the U. S. II, 3 credits, Spring

This course will continue to focus on the cultures and language of Hispanics in the United States in order to give the students the necessary tools to communicate with and understand this growing segment of our population. Language focus will be on vocabulary acquisition and talking about the past and present. **Prerequisite:** SPAN 101 or placement by exam.

SPAN 123. Hispanics in the U. S., Intensive, 3 credits, Fall, Spring

This course will focus on the cultures and language of Hispanics in the United States in order to give the students the necessary tools to communicate with and understand this growing segment of our population. Language focus will be on vocabulary acquisition and use of essential structures to communicate basic needs, personal information, to answer basic questions and to talk about the past and present. *This course is limited to students who have completed through Spanish 2 (or the equivalent) in high school but who did not place into SPAN 201.*

SPAN 201. Hispanics in the U. S. III, 3 credits, Fall, Summer upon sufficient student request

This course will focus on the cultures and language of Hispanics in the United States in order to give the students the necessary tools to communicate with and understand this growing segment of our population. Language focus will be on vocabulary acquisition and use of forms to express opinions, talk about personal preferences, and give recommendations. (Continuation of skill development from 102. Polite commands. Introduction to the subjunctive. **Prerequisite:** SPAN 102 or placement by exam.

SPAN 202. Conversational Spanish for Outreach and Service, 3 credits, Spring, Summer upon sufficient student request

This course will focus on the use of Spanish skills and knowledge learned in previous courses for outreach and service purposes. Students will continue to improve their language skills through in-class work. However, they will also be expected to work in the Hispanic community or attend designated conversation hours for one hour per week in order to gain practical experience with their language. **Prerequisite:** SPAN 201 or placement by exam.

SPAN 301. Written Spanish for the Professional World, 3 credits, Fall

Grammar review, composition, and writing practice for real-life purposes. Required of majors and minors. Students will work on narrating and describing events in major time frames, and dealing with unexpected situations. Course will include a focus on different fields of study based on student population. **Prerequisite:** for all 300- and 400-level courses. **Prerequisite:** SPAN 202 or placement by exam. Taught in Spanish.

SPAN 303. People and Places in Spain, 3 credits, Fall even years

This course will focus on important people, places and events in Spanish history. The content of this course will change from regularly, as people from different time periods and places will be the center of focus. Therefore, the course may be repeated with the consent of the instructor. Structural focus on the past tenses, narration in the past, and the conditional as the future of the past. **Prerequisites:** SPAN 301 and 302, or by departmental invitation. Taught in Spanish. May be repeated with instructor's permission.

SPAN 304. People and Places of Latin America, 3 credits, Fall odd years

This course will focus on important people, places and events in Latin American history. The content of this course will change regularly, as people from different time periods and places will be the center of focus. Therefore, the course may be repeated with the consent of the instructor. Structural focus on the past tenses, narration in the past, and the conditional as the future of the past. **Prerequisites:** SPAN 301 and 302, or by departmental invitation. Taught in Spanish. May be repeated with instructor's permission.

SPAN 309. Foreign Study/Travel/Internship/Language Missions Experience, 1-6 credit(s), offered as needed

Cultural and linguistic enrichment through travel/study/internships/missions immersion programs. For those that do not offer credit in themselves (i.e. offer no credit through any accredited institution), this course must be approved and a syllabus prepared before the experience. For those courses that are offered with credit through an accredited institution, only the permission of the department chair is required. This course counts toward majors and minors but not towards the liberal arts requirement.

SPAN 310. Spoken Spanish for the Professional World, 3 credits, Spring

Practice in pronunciation, conversation, and presentation. Students will work on narrating and describing events in major time frames, and deal with unexpected situations. Course will include a focus on different fields of study based on student population. Required of all majors and minors. **Prerequisite:** SPAN 301 or permission of instructor. Taught in Spanish.

SPAN 317SL. Spanish in Community Service and Missions, 3 credits, Spring even years

Practical use of Spanish in service to the local Hispanic community. This immersion practicum will be conducted in conjunction with social and mission outreach programs and can include such activities as interpreting/translating in public schools and churches, interviewing Hispanics to assess needs, and acting as liaison and

interpreter between Hispanic and medical and social agencies. Carried out in Spanish. **Prerequisites:** SPAN 301 and 310. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

SPAN 320. Interdisciplinary Topics in Spanish, 1-6 credit(s), offered as needed

Summer study abroad program through an approved institution or consortium. Credit will be awarded based on content and credit hours as recommended by the cooperating institution and the department chair. May be repeated.

SPAN 327. Translation Theory, 3 credits, Spring odd years

Translation is not the mathematical or simple transfer of words between two languages, but rather a construction. The goal of this course is to providestudents with a foundation in the theory, practice, and ethics of translation. Same as LING 327. **Prerequisites:** SPAN 202 or instructor's consent.

SPAN 400. Teaching Assistantship, 1-3 credit(s), offered as needed

By prior arrangement and departmental invitation only. Includes classroom experience and work in comparative methodologies. Designed for the student considering a language teaching career. Does not replace student teaching. Does not count as 400-level requirement in major or minor. Carried out in Spanish. S/F grading only. **Prerequisites:** SPAN 301 and 310.

SPAN 401. *La Guerra sucia*: Issues on Conflict, 3 credits, Fall even years

This course will examine the themes of conflict, revolution, and reconciliation in selected examples of the literature, culture, and history of a Spanish-speaking country or region. It may include films and/or television shows, novels, short stories, plays, etc. Students will be expected to hypothesize, express and support opinions, and employ critical thinking skills in the understanding of the impact of conflict on the country and time period being studied. May be repeated with instructor's permission.

SPAN 402. *Mujeres al borde*: Issues in Gender, 3 credits, Spring odd years

This course will examine relationships between the genders in selected examples of the literature, culture, and history of a Spanish-speaking country or region. It may include films and/or television shows, novels, short stories, plays, etc. Students will be expected to hypothesize, express and support opinions, and employ critical thinking skills in the understanding of the impact of conflict on the country and time period being studied. May be repeated with instructor's permission.

SPAN 403. *Muero porque no muero*: Issues in Religion, 3 credits, Fall odd years

This course will examine the issue of Religion and interfaith contact in selected examples of the literature, culture, and history of a Spanish-speaking country or region. It may include films and/or television shows, novels, short stories, plays, etc. Students will be expected to hypothesize, express and support opinions, and employ critical

thinking skills in the understanding of the impact of conflict on the country and time period being studied. May be repeated with instructor's permission.

SPAN 404. *Los de abajo*: Issues in Justice, 3 credits, Spring even years

This course will examine issues of justice in selected examples of the literature, culture, and history of a Spanish-speaking country or region. It may include films and/or television shows, novels, short stories, plays, etc. Students will be expected to hypothesize, express and support opinions, and employ critical thinking skills in the understanding of the impact of conflict on the country and time period being studied. May be repeated with instructor's permission.

SPAN 405. Foreign Study, 1-15 credits

Semester study abroad program through an approved institution or consortium. Credit will be awarded based on content and credit hours as recommended by the cooperating institution and the department chair. May be repeated. Maximum 15 hours.

SPAN 420. Capstone in Spanish, 3 credits, Fall, Spring as needed

This course will be taken in conjunction with SPAN 401, 402, 403, or 404 during the student's last semester of course work in Spanish. The student will demonstrate the ability to apply critical theories and research methods through a final research paper written on a topic related to the adjunctcourse (401, 402, 403, or 404).

SPECIAL EDUCATION (SPED)

**Must clear a background record check and provide proof of liability insurance.*

SPED 312. Transition and Vocation Education, 1 credit, Spring

An overview of the opportunities and challenges for students, families, and schools in the transition process. **Prerequisite:** SPED 313.

***SPED 313. Survey of Persons with Exceptionalities, 3 credits, Fall, Spring, Summer**

A survey of exceptionalities across the life span including intellectual, language, speech, auditory, visual, behavioral, neurological, and physical impairments. This course is a prerequisite for all SPED courses, except ASL 201 and 202. Practicum required. **\$50 fee.**

SPED 315. Language Development, 3 credits, Fall

A study of normal language development as well as abnormal patterns through the lifespan. **Prerequisite:** SPED 313.

SPED 318. Techniques for the Inclusion of Diverse Learners, 3 credits, Fall, Spring, Summer

Designed to help equip teachers with the skills, strategies, and dispositions to teach so that all children from diverse cultural backgrounds can learn within the context of the regular classroom, with special emphasis upon the needs of students with disabilities and English Language Learners. **Prerequisite:** SPED 313.

SPED 326. Case Management in Special Education, 1 credit, Spring

This course is designed to teach pre-service special educators how to serve as special education case managers competently and reflectively. Topics will include writing individualized education plans (IEPs), conducting IEP meetings through consensus building, addressing the

unique features of alternate assessment, and special education lesson planning for low incidence disabilities. **Prerequisites:** SPED 313, EDUC 341 or EDUC 342.

SPED 404. Assessment and Diagnosis of Persons with Exceptionalities, 3 credits, Fall

Assessment and diagnosis of exceptional learners. **Prerequisites:** SPED 313 and 416.

***SPED 408. Gifted and Talented Learners, 3 credits, Fall**

Definitions, characteristics, and identification of gifted and talented learners. Practicum required. **Prerequisite:** SPED 313.

***SPED 409. Methods and Materials for Gifted and Talented, 3 credits, Spring**

Analysis and comparison of curriculum models, teaching strategies, programs, methods and materials for intellectually gifted and talented students. Practicum required. **Prerequisite:** SPED 408.

***SPED 416. Characteristics/Strategies of Mild/Moderate Disabilities, 3 credits, Spring**

This course covers the historical and social perceptions, characteristics, needs, psychological and educational considerations, and identification of students with mild and moderate disabilities. Practicum required. **Prerequisite:** SPED 313.

***SPED 417. Characteristics/Needs of Low Incidence Disabilities, 3 credits, Fall**

This course provides an understanding of the learning and behavioral characteristics of students with severe and multiple disabilities, including students with autism and related developmental disorders. The personal, educational, and social needs of these individuals with low incidence disabilities will be highlighted. Practicum required. **Prerequisites:** Admission to the Teacher Education Program and SPED 313.

***SPED 419. Supervised Student Teaching in Special Education, 3 credits, Fall, Spring**

Ninety (90) clock hours in a special education classroom under professional supervision. Open only to students adding special education endorsement to another licensure.

SPED 425. Management of Challenging Behaviors, 3 credits, Spring

This course is designed to help equip teachers with the skills, strategies, and dispositions to effectively manage and teach children whose behaviors challenge the system. These children will typically have a diagnosis along the spectrums of autism or emotional and behavior disorders.

***SPED 463. Seminar in Student Teaching, 2 credits, Fall, Spring**

This course is designed as the capstone experience for the teacher education program and the student teaching experience. Student teachers will reflect upon and analyze the experiences they are having in the classroom to which they are assigned, and they will refine skills for entering the teaching profession. All PRAXIS II exams required for the licensure must be completed before a passing grade will be assigned for the course. Successful completion of this course is a requirement for the completion of all licensure programs.

Corequisites: SPED 465 and 467. **Prerequisite:** Admission to the Teacher Education Program and Student Teaching Semester. \$50 fee.

***SPED 465. Student Teaching Placement One, 5 credits, Fall, Spring**

Observation, participation, and teaching under professional supervision. **Corequisites:** SPED 463 and 467. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. \$200 fee.

***SPED 467. Student Teaching Placement Two, 5 credits, Fall, Spring**

Observation, participation, and teaching under professional supervision. **Corequisites:** SPED 463 and 465. **Prerequisites:** Admission to the Teacher Education Program and Student Teaching Semester. \$200 fee.

SPORT MANAGEMENT (SMGT)

SMGT 301. Sport Management, 3 credits, Fall, Spring

An overview of the sport industry and the principles and objectives of the sport management profession, with an introduction to the scope and variety of career opportunities in sport. **Prerequisites:** Business Foundation Core, junior/senior standing or instructor's consent.

SMGT 302. Sport Facility and Event Management, 3 credits, offered as needed

Students will acquire an understanding of best practices and procedures in designing, constructing, managing, operating, and maintaining sport facilities. Additionally, students will gain insight into how to successfully plan and manage athletic events. **Prerequisites:** Business Foundation Core and SMGT 301.

SMGT 304. Behavioral Aspects of Sports and Coaching Methodology, 3 credits, Fall

This course will identify behavioral aspects of competitors and coaches in sports. Consideration will be given to motivational techniques and ideas to train athletes mentally as well as physically. Coaching strategies will be identified to strengthen the competitiveness of teams and athletes. **Prerequisites:** Business Foundation Core and SMGT 301.

SMGT 400. Sport Marketing, 3 credits, Fall

Explores the essential characteristics of effective sport marketing. This course will include topics such as branding, sponsorships, advertising, sales promotion, and public relations. **Prerequisites:** Business Foundation Core, MKT 300, and SMGT 301.

SMGT 401. Legal and Ethical Environment of Sport, 3 credits, Spring

Provides students with comprehensive information regarding the fundamental legal issues in sport and the ethical dilemmas that develop from them. A wide variety of legal topics will be discussed, such as risk management, gender equity, tort law, and contract law. These topics will be examined using ethical standards and the philosophy of sport developed by each student. **Prerequisites:** Business Foundation Core, BAD 301, and SMGT 301.

SMGT 405. Financial Issues in Sport Business, 3 credits, Spring
An analysis of the financial and economic aspects and impact of the sport industry and a discussion of current financial trends and opportunities. Students will apply principles of financial analysis and management to sport and examine sources of capital funding and revenue. **Prerequisites:** Business Foundation Core, FIN 301, and SMGT 301.

SMGT 410. Sport Management Seminar, 3 credits, Spring
This seminar course will assess and apply the core concepts discussed in previous sport management courses. Students will receive real-life, hands-on training in preparation for entering the sport industry upon graduation. Students will improve written skills, speaking skills, and interview skills through interpersonal discussions and class preparations. Students will also use their Christian worldview to respond to current events in the world of sport. **Prerequisites:** SMGT 301 and SMGT 400. **Corequisites:** SMGT 401 and SMGT 405.

SMGT 465. Sport Management Internship, 1-6 credit(s), Fall, Spring, Summer. Supervised internship in sport industry. Students will have an opportunity to acquire and apply knowledge and skills in sport management. **Prerequisites:** Business Foundation Core, SMGT 301, junior/senior standing, and instructor's consent.

TEACHING ENGLISH AS A SECOND LANGUAGE (TESL)

TESL 365. Language and Culture, 3 credits, Fall, Spring
This course examines the relationship of language and culture, how individual experiences are affected by the cultural milieu, and how knowledge of the target culture affects the language learning experience. Strategies in teaching language through culture will be explored.

TESL 366. English Phonology, 3 credits, Fall
Principles of articulatory phonetics and American English phonology are included in this course. English and other language sound systems are contrasted. Application of articulatory phonetics to ESL instruction is also included. A practicum is required.

TESL 367. English Syntax, 3 credits, Fall
This course provides an overview of English morphology and syntax. Traditional structural and transformational-generative grammatical theories are explored. Practical applications for ESL using scientific grammars are also examined.

TESL 368. Language Acquisition, 3 credits, Spring
Study of first and second language acquisition, with critical examination of current issues, theories, and models. Research methods used in examining language acquisition in classroom and other environments are examined.

TESL 381. Introduction to Teaching English as a Second Language, 3 credits, Fall. This course provides an introduction to the history, methods, theories, and program models of Teaching English as a Second Language. It includes an overview of the legal rights and classroom experiences of English language learners in American school.

Instructional modifications and teaching strategies that support the academic success of second language learners in ESL and mainstream classes will be examined. A practicum is required.

TESL 382. Methods of Teaching English as a Second Language, 3 credits, Spring. This course provides an overview and analysis of teaching materials and activities used in ESL classrooms in the teaching of listening, speaking, reading, and writing skills. The course will emphasize an integrated approach in the Teaching of English as a Second Language. Practicum required.

TESL 463. Student Teaching Seminar, 2 credits, Fall
This course is designed as the capstone experience for the teacher education program and the student teaching experience. Student teachers will reflect upon and analyze the experiences they are having in the classroom to which they are assigned, and they will refine skills for entering the teaching profession. All PRAXIS II exams required for the licensure must be completed before a passing grade will be assigned for the course. Successful completion of this course is a requirement for the completion of all licensure programs. **Corequisites:** TESL 465 and 467. **Prerequisite:** Admission to the Teacher Education Program and Student Teaching Semester. *\$50 fee.*

TESL 465. Student Teaching Placement One, 5 credits, Fall
Observation, participation, and teaching under professional supervision. **Corequisites:** TESL 463 and 467. **Prerequisite:** Admission to the Teacher Education Program and Student Teaching Semester. *\$200 fee.*

TESL 467. Student Teaching Placement Two, 5 credits, Fall
Observation, participation, and teaching under professional supervision. **Corequisites:** TESL 463 and 465. **Prerequisite:** Admission to the Teacher Education Program and Student Teaching Semester. *\$200 fee.*

THEATRE (TH)

TH 101A, 301A. Theatre Practicum, 1 credit each semester, Fall, Spring
Participation in a major theatrical production in either acting or technical aspects, depending on the decisions of the director. 101 may be repeated for up to 2 hours credit; 301 is repeatable up to 6 hours.

TH 110. Introduction to Theatre, 3 credits, Fall
A survey of the theatre and its history designed to build awareness and appreciation of the art form. To include a study of major production/ performance styles.

TH 212. Voice and Physical Preparation, 3 credits, Spring odd years. Study in the fundamentals of vocal production and movement for the stage.

TH 213. Special Topics in Theatre, 1-3 credit(s), offered as needed
Presentation/laboratory experiences on a single drama related topic. Subject matter will change each semester and the course may be repeated for different topics. Repeatable to a maximum of 6 hours.

TH 214. Basic Acting, 3 credits, Spring

Study of the techniques of characterization, mood, stage movement, voice and interpretation for the stage. Public performances.

TH 218. Scenery Construction and Lighting, 3 credits, Fall even years

Study of the fundamentals and techniques in scenery construction and lighting implementation.

TH 219. Costume Construction and Makeup, 3 credits, Fall odd years.

Study of the basic application of stage, character, and special effects makeup and costume construction.

TH 310. Play Directing, 3 credits, Fall even years

Study of the role of the director including preparation, selection, casting, staging and rehearsal of performance material. Students will direct scenes.

Prerequisite: TH 214 or instructor's consent.

TH 321. Scenography, 3 credits, Spring even years

The study of the theory and practice of design in relation to stage production.

TH 410SL. Production Development, 3 credits, Fall odd years

Advanced study in directing, design and theatre management through practical application. Emphasis is placed on leadership and collaboration in development of a theatrical production.

Prerequisites: TH 310 or 321 or instructor's consent. *This course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.*

TH 416. Advanced Acting, 3 credits, Spring odd years

Study of advanced acting styles, theories and techniques with emphasis on personal and psychological development of the actor.

Prerequisite: TH 214 or instructor's consent.

TH 419-420. Senior Theatre Research/Project I (1 credit), II (2 credits), Fall, Spring

Two semester sequence courses in the research, preparation, rehearsal and performance of an original or published full-length production.

TH 466. Theatre Internship, 1-6 credit(s), Fall, Spring, Summer

Supervised experience with a professional, community, or educational theatre; must be approved by supervising faculty member. Guidelines may be obtained from the department. A total of 6 hours of internship credit may be taken in increments or 6 hours all at once. **Prerequisite:** Listed in guidelines.

WRITING (WRIT)**WRIT 201. Business and Professional Communication, 3 credits, Fall**

Designed for advanced students anticipating careers in a variety of fields, the course emphasizes the writing process, professional problem solving, and the integration of oral and written communication.

Prerequisites: ENG 101. Same as BAD 201.

WRIT 307. Scientific and Technical Writing, 3 credits, Spring odd years

Designed for students preparing for careers in technical fields, the course concentrates on writing in technical forms of discourse, emphasizing practicing writing processes, secondary research, and problem-solving. **Prerequisites:** ENG 101 and 201.

WRIT 308. Editing and Publishing, 3 credits, Spring even years

Intensive study of the theory and practice of editing and publishing in a variety of electronic and printed texts. **Prerequisites:** ENG 101 and 201.

WRIT 330. Advanced Composition, 3 credits, Spring even years

Advanced composition focuses on the theory and practice of non-fiction, giving special attention to style, voice, organization, genre, and advanced writing techniques. **Prerequisites:** ENG 101 and 201.

WRIT 400. Advanced Rhetoric, 3 credits, Spring odd years

Advanced Rhetoric focuses on the theory, history, and practice of rhetoric in the Western tradition. **Prerequisites:** ENG 101 and 201.

THE COLLEGE OF PROFESSIONAL STUDIES

CPS Liberal Arts Core
Bachelor of Science in Accounting
Bachelor of Business Administration
Bachelor of Science in Computer Science
Bachelor of Science in Marketing
Bachelor of Organizational Leadership
Bachelor of Professional Studies

THE COLLEGE OF PROFESSIONAL STUDIES LIBERAL ARTS CORE REQUIREMENT

In order to help CPS students, reach their full potential as educated citizens and worldwide servant leaders, the Carson- Newman University Liberal Arts Core provides an introduction to a broad base of knowledge. Christian values and skills that are essential for personal, intellectual, and professional growth. Underlying the core courses are foundational goals that are common to liberal arts courses:

1. Understanding of the Christian worldview
2. Critical thinking and analytic skills
3. Oral and written communication
4. Personal, social and ethical awareness
5. Regional and global perspective

Expected Outcomes

The Liberal Arts Core introduces the Liberal Arts and studies in Biblical traditions; mathematics and science; communications; personal, social, and ethical awareness; and regional and global perspectives. Through these core components, the following outcomes are expected: knowledge of a Christian Liberal Arts education; scholarly examination of the Old and New Testament scriptures as it relates to the contemporary world; application of scientific principles to investigate natural phenomena; solving analytical problems using quantitative techniques; critical evaluation of arguments and claims; effective communication skills both orally and in writing; self-evaluation of the influence of personal and societal values and attitudes; the effects of personal and societal choices relating to individual holistic well-being; understanding of the relationship between works of art and the circumstances that influence their production through the study of the skills or the creation and/or performance of works of art; and understanding the historical, societal, cultural, and/or geopolitical facts that influence human behavior. The liberal arts core requirement will be required for all undergraduate programs under the College of Professional Studies.

All undergraduate CPS students will complete the Liberal Arts Requirements below, along with the major requirements for the student's program.

Liberal Arts Requirements (36 hours)

Liberal Arts

LA 167 (4 credits)

Studies in Biblical Traditions

BTS 367, BTS 368 (8 credits)

Studies in Communications

ENG 101 (3 credits)

Any English, Communications or Writing course (3 credits)

Studies in Mathematics and Science

Any Mathematics course (3 credits)

Any Biology Chemistry, Geology, or Physics course (3 credits)

Studies in Personal/Social Awareness

Any Psychology or Sociology course (3 credits)

Studies to Enhance a World Perspective

Any History course or MILS 100 (3 credits)

Any Art, Music, Theater, Fine Arts, or Film course (3 credits)

Any Political Science or Philosophy course (3 credits)

LIBERAL ARTS COURSE DESCRIPTIONS

ART 210. Art Appreciation, 3 credits,

An introduction to visual art covering the following topics: the meanings, purposes, and styles of art; the art elements and principles of design; key achievements in art history; and the various media used to create works of art.

BIOL 101. Human Biology, 3 credits,

Introduction to the structure and function of the human body with emphasis on human health and welfare. Cannot be applied toward the major without departmental approval. Three lectures and one two-hour lab a week. \$20 fee.

BIOL 102. Environmental Science, 3 credits,

Exploration of the workings of nature and man's impact on it; environmental problems and practical solutions. Cannot be applied toward the major without departmental approval. Three lectures and one two-hour lab a week. \$20 fee.

BTS 367. Leadership in the Old Testament, 4 credits,

A course addressing the background, growth, and relevance of the Old Testament. The student will be introduced to the literature and language of the Old Testament as well as the historical and theological developments in Old Testament studies. The student will also be exposed to the leadership themes present throughout the text of the Old Testament.

BTS 368. The New Testament and Leadership, 4 credits,

This course introduces the New Testament and provides an understanding of the context of the New Testament writings, their content, and the application, particular emphasis will be given to the various aspects of leadership exhibited throughout the New Testament, particularly in the life of Christ.

CHEM 100. Chemistry in Society, 3 credits,

Fundamentals of chemistry for non-science majors. Study and use of the scientific method as a thought process and the role of chemistry in society. Two lectures and one two-hour lab a week. \$30 fee.

COMM 135. Speech Fundamentals, 3 credits,

Introduction to public speaking through the study of speeches, speakers, and the principles of effective public address. Students plan, organize and deliver various types of speeches.

COMM 230. Interpersonal Communication, 3 credits,

This course will focus on the need to interact with others by expressing thoughts and feelings through various communication channels. Topics include self-concept, self-disclosure, perception, nonverbal communication, listening, conflict, building relationships, interpersonal communication, and the job market.

ENG 101. Writing and Literacy Studies I, 3 credits,

A study of the writing process, with an emphasis on improving grammar, mechanics, punctuation, style, usage, and development. Includes introduction to literary analysis with emphasis on Appalachian writing. *Note: A grade of C or better in ENG 101 is prerequisite to all English courses 200 level or higher.*

FILM 310. Introduction to the Art of Film, 3 credits,

Beginning course in the vocabulary and methods of film study. Emphasis on film techniques, style, and artists.

HIST 133. World History I, 3 credits,

Survey of the modern world in its political, social, and economic framework, 1500-1850.

HIST 201. United States History I, 3 credits, Summer

Survey of the national development of the United States to 1877.

LA 167. Introduction to Online Learning and C-N Liberal Arts, 4 credits, Fall, Spring, Summer

This course provides an orientation to online education and the liberal arts as they relate to Carson-Newman with a focus on time management, research techniques and practices, exploring the history of Christian liberal arts and the history of such an education at Carson-Newman. The student will understand the ideals celebrated on Carson-Newman's seal and throughout the university's history: Truth, Beauty, Goodness, Justice, and Courage.

MATH 120. Introduction to College Mathematics, 3 credits

Not intended for students who are planning to enroll in a college calculus course. A liberal arts mathematics course that emphasizes modeling and applications to real world problems. Prerequisites: High school Algebra II or ASE 034.

MATH 201. Statistical Concepts and Methods, 3 credits,

Basic statistical concepts including populations, samples, analysis, and inference. One and two dimensional discrete and random variables. Applications of normal, t, chi square, F, and binomial random variables. R statistical software. *Same as PSY 203 and SOC 203.*
Prerequisites: Strong algebra background evidenced by math ACT 21 (math SAT 530) or MATH 106, 120, or 125.

MUS 133. Appreciation of Music, 3 credits,

Develops an understanding of Western music as an artistic expression of human culture and intention. Information pertaining to music, composers/ performers, listening, and historical context. May be applied to a music major or minor only as a substitute for MUS 135-136.

PHIL 101. Introduction to Philosophy and Critical Thinking, 3 credits, Studies the principles of critical thinking in the context of classical philosophical and contemporary social and moral issues.

PHIL 301. Christian Ethics, 3 credits

Critically examines the biblical, historical, and theological principles of moral value. Attention will be given to ethical theory and Christian moral values as they derive from the Bible. Same as REL 301SL. This

course is a service-learning course and may require additional time commitment outside of class. Students are responsible for any additional costs necessary to complete the service.

PHYS 100. Physics Everyday Life, 3 credits,

An introduction to a variety of principles of physics that have applications to everyday life. Intended for non-science majors. Two lectures and one two-hour lab a week.

PSC 102. American Government and Politics, 3 credits,

Study of American government and politics with emphasis on the Constitution, branches of government, public opinion, voting behavior, and campaigns and elections. PSC 101 is not a prerequisite.

PSY 101. Introduction to Behavioral Science, 3 credits,

Empirical methods, brain function, perception, learning, memory, emotion, cognition, and motivation.

PSY 102. Understanding Human Behavior, 3 credits,

Human development, personality theory, abnormal and health behavior, therapy, interpersonal and social processes.

SOC 101. Introduction to Sociology, 3 credits,

Basic concepts, theories, and research necessary for an understanding of American society and how it is changing.

BACHELOR OF SCIENCE IN ACCOUNTING

Chris Eppling – Dean, College of Professional Studies

Cheri Flynn – Director of Accounting Program, CPS

The Bachelor of Science in Accounting prepares students to build and shape the future with accounting and technology skills. This program provides a thorough background in accounting with an emphasis on the analysis of business information. Students learn the theories and procedures that support financial analysis as they discover the integration of faith into financial decision-making. This program helps prepare students for success in a variety of environments including private industry, public accounting firms, social service agencies, international companies, and hospitals.

- **Critical thinking accounting leadership**
Apply a broad set of Christian critical thinking and business skills to ethically serve the accounting needs of society.
- **Core accounting skills needed for success.**
Empowered with critical data analytics and other technology-based skills, you'll be prepared to improve organizational performance.
- **Creative innovation and problem-solving.**
Become a thoughtful, Christ-centered problem solver working in an industry that majorly impacts every aspect of our lives.
- **Connecting with community and global perspectives.**
As a diverse and evolving profession, accounting professionals are the backbone of the business world in an increasingly global economy.
- **Christian servant leadership that achieves success.**
In a world that needs leaders with character more than ever, graduates will understand Christian leadership principles and be a servant leader filled with solid values, character, and integrity.

ACCOUNTING COURSE DESCRIPTIONS

ACCT 201. Principles of Financial Accounting, 3 credits,
Introduction to basic concepts and terminology of financial accounting. Study of basic financial statements, recording of transactions, and control of assets for various forms of business organizations in retail and service industries, financing through the use of debt, and capital stock transactions.

ACCT 202. Principles of Managerial Accounting, 3 credits,
Introduction of the basic concepts and terminology of managerial accounting. Study of the basic cost behavior are necessary to costing, profit planning and budget preparation necessary for decision making. Prerequisite: ACCT 201.

ACCT 301. Intermediate Accounting I, 3 credits,
The study of accounting standards, conceptual framework, accounting process and balance sheet accounts. Prerequisite: Business Foundation Core.

ACCT 302. Intermediate Accounting II, 3 credits,
The study of stockholder equity, earnings per share, income taxes, pensions, leases, cash flow and accounting concepts. Prerequisite: ACCT 301.

ACCT 306. Strategic Cost Accounting, 3 credits,
Study of the creation and measurement of value in business organizations. Provides the skills needed to help organizations improve their financial and operating performance, thereby increasing the value of the firms. Prerequisite: Business Foundation Core.

ACCT 309. Accounting Information Systems, 3 credits,
Introduction to the use of relational databases and the design of accounting information systems that use such databases with respect to the revenue cycle, expenditure cycle, and payroll cycle. Database design using the REA data model and implementing an REA model in relational databases are covered. Students study computer fraud and systems controls to detect fraud. Prerequisite: Business Foundation

Core.

ACCT 402. Auditing I, 3 credits,

The auditing profession, types of reports, professional ethics, legal liability, and methods of conducting audits. Prerequisite: Business Foundation Core.

ACCT 406. Advanced Accounting, 3 credits,

Study of accounting procedures for consolidated firms, partnerships, and a survey of accounting for not-for-profit organizations. Prerequisites: ACCT 301 and 302.

ACCT 414. Federal Taxation I, 3 credits,

Federal tax fundamentals with emphasis on Internal Revenue Service rules and regulations as applicable to individual taxpayer. Prerequisite: Business Foundation Core.

ACCT 415. Federal Taxation II, 3 credits,

Federal income tax fundamentals with emphasis on Internal Revenue Service rules and 5 regulations applicable to corporations, partnerships, estates, and trusts. Prerequisite: ACCT 414.

BAD 201. Business and Professional Communication, 3 credits,

Designed to assist students in solving business problems through effective expression of ideas and information—writing, speaking, and listening. Covers the principles and methods of written and oral communication in a high technology environment and includes intercultural, legal, and ethical aspects of communication. Prerequisites: ENG 101. Corequisite: Business Foundation Core. Same as WRIT 201.

BAD 205. Introduction to Business Analytics, 3 credits,

This course introduces students to fundamental statistical analysis and inference concepts with a focus on business analytics and managerial decision making. These concepts are taught in an empirical fashion using cases and models in Microsoft Excel. Topics covered include data virtualization, descriptive statistics, data cleaning and mining, predictive modeling and forecasting, decision analysis and optimization.

BAD 215. Business Information Tools, 3 credits,

Students use advanced features and capabilities of Microsoft Word and Excel. At the completion of the course, students will be prepared to sit for a level one Microsoft Office Excel Certification Exam. Corequisite: Business Foundation Core.

BAD 301. Legal and Ethical Environment of Business, 3 credits,

U.S. legal system coupled with consideration of ethical issues confronting the business professional. Topics covered include torts, contracts, agency, employment law, intellectual property rights, consumer protection, and other business concerns. Prerequisite: Business Foundation Core.

ECON 210. Principles of Microeconomics, 3 credits,

The study of markets, externalities, government intervention, taxation, and individual markets such as agriculture, health care and labor.

ECON 220. Principles of Macroeconomics, 3 credits,

National income and its fluctuations, economic role of government, role of commercial banks and the Federal Reserve System, monetary economics, and an introduction to international economics. Prerequisites: ECON 210. Corequisite: Business Foundation Core.

FIN 301. Introduction to Financial Management, 3 credits,

An overview of finance and its role in developed economics, various business combinations and household. The course focuses on the real-life application of terminology, basic financial relationships, and their involvement with financial institutions. Prerequisite: Business Foundation Core.

MGT 301. Essentials of Management and Leadership, 3 credits,

An introduction to business management concepts and leadership. Innovative leadership will be embedded into topics throughout the course in areas of traits, behaviors, types of leadership, empowerment, communications, diversity, power, and influence. Prerequisite: Business Foundation Core.

MGT 408. Strategic Management (Capstone), 3 credits,

A comprehensive interdisciplinary case study course which serves as the capstone course for all business majors. Students work in teams, from the viewpoint of consultants to top management, presenting and defending their analyses and recommendations. \$150 fee.

MKT 300. Principles of Marketing, 3 credits,

A study of the basic marketing concepts and functions in market-oriented organizations. This course will focus on issues such as understanding buyers and markets, selecting a target market, and decisions regarding the four P's of marketing: product, price, place, and promotion.

BACHELOR OF BUSINESS ADMINISTRATION

Chris Eppling – Dean, College of Professional Studies

Cheri Flynn – Director of Accounting Program, CPS

The Bachelor of Business Administration equips students to be creative thinkers and transformational leaders with the critical business skills needed to achieve success and impact society. This program is designed to help students to develop business leadership skills that go beyond managerial efficiency to strategic servant leadership, beyond mere bottom line results to practical, holistic success. In a world that needs bold, innovative, ethical, and dedicated leaders, the BBA prepares students to fulfill their full potential for the good of achieving business goals and serving society.

Through the Carson-Newman BBA learning experience, students will gain the creative and critical thinking abilities and transformational leadership skills needed to achieve success and serve society. This program is offered through the College of Professional Studies. Upon completion of the BBA, students will be able to exhibit the following attributes:

- **Critical thinking business leadership:** Amidst an overflow of data and an ever-changing economy and business context, graduates will be able to apply critical thinking skills to effectively navigate complex business environments.
- **Core business skills needed for success:** Empowered with analytical, accounting, operational, management, leadership, ethical, and entrepreneurial abilities, graduates will be able to utilize core business skills to achieve success.
- **Creative innovation and problem solving:** In a competitive business marketplace, graduates will be able to apply creative thinking and innovative skills to create and solve business problems.
- **Connecting with community and global perspectives:** Graduates will be equipped to understand global and societal business perspectives and be able to effectively communicate and achieve business results in diverse environments.
- **Christian servant leadership that achieves success:** In a business world that needs leaders with character more than ever, graduates will understand Christian leadership principles and be a servant leader filled with solid values, character, and integrity.

BUSINESS ADMINISTRATION COURSE DESCRIPTIONS

ACCT 201. Principles of Financial Accounting, 3 credits,

Introduction to basic concepts and terminology of financial accounting. Study of basic financial statements, recording of transactions, and control of assets for various forms of business organizations in retail and service industries, financing through the use of debt, and capital stock transactions.

ACCT 202. Principles of Managerial Accounting, 3 credits,

Introduction of the basic concepts and terminology of managerial accounting. Study of the basic cost behaviors, product costing, profit planning and budget preparation necessary for decision making. Prerequisite: ACCT 201.

BAD 101. Introduction to Christian Business Leadership, 3 credits,

An introduction to business leadership and management concepts. Provides a distinctly Christian foundation that allows for a unique perspective toward business and various disciplines within the field.

BAD 201. Business and Professional Communication, 3 credits,

Designed to assist students in solving business problems through effective expression of ideas and information—writing, speaking, and listening. Covers the principles and methods of written and oral communication in a high technology environment and includes intercultural, legal, and ethical aspects of communication. Prerequisites: ENG 101. Corequisite: Business Foundation Core. Same as WRIT 201.

BAD 205. Introduction to Business Analytics, 3 credits,

This course introduces students to fundamental statistical analysis and inference concepts with a focus on business analytics and managerial decision making. These concepts are taught in an empirical fashion using cases and models in Microsoft Excel. Topics covered include data virtualization, descriptive statistics, data cleaning and mining, predictive modeling and forecasting, decision analysis and optimization.

BAD 215. Business Information Tools, 3 credits,

Students use advanced features and capabilities of Microsoft Word and Excel. At the completion of the course, students will be prepared to sit for a level one Microsoft Office Excel Certification Exam. Corequisite:

Business Foundation Core.

BAD 301. Legal and Ethical Environment of Business, 3 credits,
U.S. legal system coupled with consideration of ethical issues confronting the business professional. Topics covered include torts, contracts, agency, employment law, intellectual property rights, consumer protection, and other business concerns. Prerequisite: Business Foundation Core.

BAD 401. International Business, 3 credits,
A study of the various facets of international business operations: ownership, management, marketing, production, accounting, and finance, legal, and growth. Also includes economic and political issues affecting international business. Prerequisite: Business Foundation Core.

ECON 210. Principles of Microeconomics, 3 credits,
The study of markets, externalities, government intervention, taxation, and individual markets such as agriculture, health care and labor.

ECON 220. Principles of Macroeconomics, 3 credits,
National income and its fluctuations, economic role of government, role of commercial banks and the Federal Reserve System, monetary economics, and an introduction to international economics.
Prerequisites: ECON 210. **Corequisite:** Business Foundation Core.

FIN 301. Introduction to Financial Management, 3 credits,
An overview of finance and its role in developed economics, various business combinations and household. The course focuses on the real-life application of terminology, basic financial relationships, and their involvement with financial institutions. Prerequisite: Business Foundation Core.

MGT 301. Essentials of Management and Leadership, 3 credits,
An introduction to business management concepts and leadership. Innovative leadership will be embedded into topics throughout the course in areas of traits, behaviors, types of leadership, empowerment, communications, diversity, power, and influence. Prerequisite: Business Foundation Core.

MGT 302. Operations Management, 3 credits,
The study and application of widely used quantitative models used in the decision-making process such as linear programming, decision analysis, linear regression, plant layout, facility location and quality control. Prerequisite: Business Foundation Core.

MGT 367. Project Management Essentials, 3 credits,
Project Management Essentials provides the “holistic” skills needed to manage a project’s complete life cycle that includes five (5) processes: initiation, planning, implementation, monitoring, and control, and closing. This course will provide the student with the essential skills of project management that include the PMBOK Knowledge Areas of Integration, Scope, Time, Cost, Quality, Human Resources, Communications, Risk, and Procurement.

MGT 402. Entrepreneurship and Innovation, 3 credits,
Principles and tools required to set up a new business venture. The topics include assessing new opportunities, locating sources of information, organization, and legal considerations, securing financing,

preparation of a business plan, and management of the operation. Prerequisites: Business Foundation Core, junior standing, FIN 301, MGT 301, and MKT 300.

MGT 408. Strategic Management (Capstone), 3 credits,
A comprehensive interdisciplinary case study course which serves as the capstone course for all business majors. Students work in teams, from the viewpoint of consultants to top management, presenting and defending their analyses and recommendations. Prerequisites: Business Foundation Core. **\$150 fee.**

MKT 300. Principles of Marketing, 3 credits,
A study of the basic marketing concepts and functions in market-oriented organizations. This course will focus on issues such as understanding buyers and markets, selecting a target market, and decisions regarding the four P’s of marketing: product, price, place, and promotion. Prerequisites: Business Foundation Core

BACHELOR OF SCIENCE IN COMPUTER SCIENCE

Chris Eppling – Dean, College of Professional Studies

Dr. Henry Suters – Department Chair for Computer Science

The Bachelor of Computer Science degree at Carson-Newman University will be aimed at expanding options for online professional development students in the STEM areas. The major will provide a background in computer science with an emphasis in business applications and applied project management. This will prepare students to program, administer computer networks and databases, work with information systems in a business setting, and manage computer projects.

Student Learning Outcomes

The outcomes and learning objectives are broken into two categories: computer science goals and business management goals.

Computer Science Outcomes – the graduates of the program should be able to demonstrate:

1. mastery of basic programming skills in at least one industry-standard programming language.
2. familiarity with computer architecture and organization.
3. the ability to describe and implement basic data structures using appropriate memory management techniques.
4. familiarity with the organization of a computer operating system.
5. the ability to write programs that interact with a computer operating system in appropriate ways.
6. the ability to think critically about computer systems.
7. familiarity with basic legal and ethical issues raised by computer technology.
8. familiarity with the operation and administration of database systems.
9. familiarity with the operation and administration of basic computer networks.

Business Management Outcomes – graduates of this emphasis should be able to demonstrate:

1. knowledge of the legal and ethical issues raised by computer technology as it applies to business settings.
2. knowledge of the use of information tools in a business setting.
3. the ability to describe and use quantitative tools used in the decision-making process.
4. knowledge of basic business management and leadership concepts.

Liberal Arts Requirements (36 hours) – see CPS Liberal Arts Core for additional information.

Computer Science Requirements (33 hours)

CSC 107	Computer Programming I (3 credits)
CSC 207	Computer Programming II (3 credits)

COMPUTER SCIENCE COURSE DESCRIPTIONS

BAD 101. Introduction to Christian Business Leadership, 3 credits,
An introduction to business leadership and management concepts. Provides a distinctly Christian foundation that allows for a unique perspective toward business and various disciplines within the field.

BAD 215. Business Information Tools, 3 credits,
Students use advanced features and capabilities of Microsoft Word and Excel. At the completion of the course, students will be prepared to sit for a level one Microsoft Office Excel Certification Exam. Corequisite: Business Foundation Core.

BAD 301. Legal and Ethical Environment of Business, 3 credits,
U.S. legal system coupled with consideration of ethical issues confronting the business professional. Topics covered include torts, contracts, agency, employment law, intellectual property rights, consumer protection, and other business concerns. Prerequisite: Business Foundation Core.

ECON 210. Principles of Microeconomics, 3 credits,
The study of markets, externalities, government intervention, taxation, and individual markets such as agriculture, health care and labor.

CSC 107. Computer Programming, I, 3 hours,
An introduction to fundamental aspects of the field of computing, focusing on problem-solving and software design concepts and their realization as computer programs.

CSC 207. Computer Programming II, 3 hours,
Further topics in computer programming focus on object-oriented design, including objects, classes, class libraries and elementary data

structures. Prerequisite: CSC 107.

CSC 210. Introduction to Computer Science, 3 hours

An introduction to several computer science topics. These include the history of computing, data storage and manipulation, computer architecture, operating systems, networking, programming, legal and ethical issues, and computer security. Prerequisite: CSC 107.

CSC 303. Computer Organization and Architecture, 3 hours

Principles of computer architecture, data representation, machine language execution cycle, addressing modes, symbolic assembly language, interfacing, communication, fundamentals of an operating system. Prerequisite: CSC 207.

CSC 307. Data Structures, 3 hours

Abstract data types, recursion, basic data structures (queues, stacks, trees, and graphs) and transformations (sorting and searching). Prerequisite: CSC 207.

CSC 310. Networking, 3 hours

Introduction to data communications and networking. Basic network principles, hardware and software standards, network types and structures, security, and physical implementation will be introduced. Prerequisite: CSC 207.

CSC 312. Database Management, 3 hours

Introduction to databases and their design, function management and application. This includes data modeling approaches including entity-relationship and semantic object models. A variety of database access and management systems will be explored. Prerequisite: CSC 207.

CSC 320. Systems Programming, 3 hours,

Introduction to C and its use in system programming. Memory and process layout, system calls, buffering, file systems, virtual memory, threading, and inter-process communication. Prerequisite: CSC 207

CSC 330. Mobile Application Programming, 3 hours

A project-oriented course that examines the principles of mobile application design and development, introducing programming technologies, business strategy, and development related to creating mobile applications. Prerequisite: CSC 207.

CSC 451. Senior Capstone, 3 hours

A reflection upon the fundamental ideas of computer science and their connections. This is the capstone course in computer science. Prerequisite: At least 33 hours in the major they apply to business and organizational settings. Students will explore organizational leadership models; effective communication skills with peers, superiors, and subordinates; changing trends in organizations; and environmental factors impacting communication. Students will also participate in various assessments to develop a better understanding of themselves as leaders.

MATH 201. Statistical Concepts and Methods, 3 credits,

Basic statistical concepts including populations, samples, analysis, and inference. One and two dimensional discrete and random variables. Applications of normal, t, chi square, F, and binomial random variables. R statistical software. Same as PSY 203 and SOC 203. Prerequisites: Strong algebra background evidenced by math ACT 21 (math SAT 530) or MATH

106, 120, or 125.

MGT 302. Operations Management, 3 credits,

The study and application of widely used quantitative models used in the decision-making process such as linear programming, decision analysis, linear regression, plant layout, facility location and quality control. Prerequisite: Business Foundation Core.

MKT 300. Principles of Marketing, 3 credits,

A study of the basic marketing concepts and functions in market-oriented organizations. This course will focus on issues such as understanding buyers and markets, selecting a target market, and decisions regarding the four P's of marketing: product, price, place, and promotion. Prerequisites: Business Foundation Core,

BACHELOR OF SCIENCE IN MARKETING

Chris Eppling – Dean, College of Professional Studies

The Bachelor of Science in Marketing equips students to be creative thinkers and transformational leaders with the critical marketing skills necessary to shape the future with insights, creativity, and innovation. This program is designed to equip students with business, technical, creative, and communication skills that go above and beyond basics of marketing slogans, advertising, and sales. The Bachelor of Science in Marketing at Carson-Newman prepares students to fulfill their full potential and reach their career goals while serving society.

MARKETING COURSE DESCRIPTIONS

ACCT 201. Principles of Financial Accounting, 3 credits,

Introduction to basic concepts and terminology of financial accounting. Study of basic financial statements, recording of transactions, and control of assets for various forms of business organizations in retail and service industries, financing through the use of debt, and capital stock transactions.

ACCT 202. Principles of Managerial Accounting, 3 credits,

Introduction of the basic concepts and terminology of managerial accounting. Study of the basic cost behaviors, product costing, profit planning and budget preparation necessary for decision making. Prerequisite: ACCT 201.

BAD 201. Business and Professional Communication, 3 credits,

Designed to assist students in solving business problems through effective expression of ideas and information—writing, speaking, and listening. Covers the principles and methods of written and oral communication in a high technology environment and includes intercultural, legal, and ethical aspects of communication. Prerequisites: ENG 101. Corequisite: Business Foundation Core. Same as WRIT 201.

BAD 205. Introduction to Business Analytics, 3 credits,

This course introduces students to fundamental statistical analysis and inference concepts with a focus on business analytics and managerial decision making. These concepts are taught in an empirical fashion using cases and models in Microsoft Excel. Topics covered include data virtualization, descriptive statistics, data cleaning and mining, predictive modeling and forecasting, decision analysis and optimization.

BAD 215. Business Information Tools, 3 credits,

Students use advanced features and capabilities of Microsoft Word and Excel. At the completion of the course, students will be prepared to sit for a level one Microsoft Office Excel Certification Exam. Corequisite: Business Foundation Core.

BAD 301. Legal and Ethical Environment of Business, 3 credits,

U.S. legal system coupled with consideration of ethical issues confronting the business professional. Topics covered include torts, contracts, agency, employment law, intellectual property rights, consumer protection, and other business concerns. Prerequisite: Business Foundation Core.

COMM 201. Strategic Communication Techniques/Skills, 3 credits,

Planning, writing, editing, designing, and producing public relations and advertising content for print, outdoor, broadcast, direct mail, on-line media and social media. This course also contains a research component. Prerequisite: COMM 123. *\$35 fee.*

COMM 322. Mass Media, 3 credits,

Overview of the development and social impact of mass media, including newspapers, magazines, advertising, public relations, books, photography, film, the broadcast/cable industry (structure, station, and network

operation), and the FCC and other regulatory agencies. **Prerequisites:** COMM 123, 201SL, and 208.

COMM 323. Public Relations, 3 credits,

Overview of public relations with attention given to theories and principles, examination of case problems, preparation of materials, planning campaigns and executing public relations projects. **Prerequisites:** COMM 123 and 201SL.

COMM 404. Communication Law and Ethics, 3 credits,

A study of the legal foundations for freedom of speech and press. Students will explore forms of communication that have constitutional protection and those with limitations including libel, invasion of privacy, access to information, copyright and the special restrictions on broadcasting and advertising. The study includes an examination of the moral reasoning process and the application of ethical responsibilities in communication contexts. **Prerequisites:** COMM 123.

COMM 421. Advertising, 3 credits,

Survey of American advertising. Students explore advertising principles and theories as they relate to media, markets and audiences. Students study advertising campaigns do copy writing and layout. **Prerequisite:** COMM 123.

COMM 424. Persuasion, 3 credits,

Analysis of the principles and techniques used in all forms of mediated persuasive communication. The course is oriented toward both the persuader and the techniques used to persuade consumers. **Prerequisite:** COMM 135.

ECON 210. Principles of Microeconomics, 3 credits,

The study of markets, externalities, government intervention, taxation, and individual markets such as agriculture, health care and labor.

ECON 220. Principles of Macroeconomics, 3 credits,

National income and its fluctuations, economic role of government, role of commercial banks and the Federal Reserve System, monetary economics, and an introduction to international economics.

Prerequisites: ECON 210. **Corequisite:** Business Foundation Core.

FIN 301. Introduction to Financial Management, 3 credits,

An overview of finance and its role in developed economics, various business combinations and household. The course focuses on the real-life application of terminology, basic financial relationships, and their involvement with financial institutions. **Prerequisite:** Business Foundation Core.

MGT 301. Essentials of Management and Leadership, 3 credits,

An introduction to business management concepts and leadership. Innovative leadership will be embedded into topics throughout the course in areas of traits, behaviors, types of leadership, empowerment, communications, diversity, power, and influence. **Prerequisite:** Business Foundation Core.

MGT 367. Project Management Essentials, 3 credits,

Project Management Essentials provides the “holistic” skills needed to manage a project’s complete life cycle that includes five (5) processes: initiation, planning, implementation, monitoring, and control, and closing. This course will provide the student with the essential skills of

project management that include the PMBOK Knowledge Areas of Integration, Scope, Time, Cost, Quality, Human Resources, Communications, Risk, and Procurement.

MGT 408. Strategic Management (Capstone), 3 credits,

A comprehensive interdisciplinary case study course which serves as the capstone course for all business majors. Students work in teams, from the viewpoint of consultants to top management, presenting and defending their analyses and recommendations. **Prerequisites:** Business Foundation Core. \$150 fee.

MGT 410. Entrepreneurship, 3 credits,

Principles and tools required to set up a new business venture. The topics include assessing new opportunities, locating sources of information, organization and legal considerations, securing financing, preparation of a business plan, and management of the operation. **Prerequisites:** Business Foundation Core, junior standing, FIN 301, MGT 301SL, and MKT 300.

MKT 300. Principles of Marketing, 3 credits,

A study of the basic marketing concepts and functions in market-oriented organizations. This course will focus on issues such as understanding buyers and markets, selecting a target market, and decisions regarding the four P’s of marketing: product, price, place, and promotion. **Prerequisites:** Business Foundation Core

MKT 350. Consumer Behavior, 3 credits,

This course examines the nature and dynamics of customer markets and what influences product or service utilization and purchase decisions. Emphasis is placed on how business organizations conceptualize, gather, and analyze data needed by managers to learn about customers in markets. **Prerequisite:** Business Foundation Core and MKT 300.

MKT 400. Marketing Management, 3 credits,

The study of the Marketing Concept, environmental trends and the development of product, distribution, promotional, as well as pricing strategies. Students will make a major presentation on some current issue relating to marketing. **Prerequisites:** Business Foundation Core, MGT 301SL, MKT 300, junior/senior standing.

MKT 407. Marketing Research Methods and Design, 3 credits,

Methods and techniques for market analysis, business and economic forecasting, and analysis of consumer behavior and related problems of a mixed economy. **Prerequisites:** Business Foundation Core and MKT 300.

MKT 442. Advertising and Promotions, 3 credits,

A study of the concepts and strategies to design, build, and execute integrated marketing communications campaigns, including advertising, sales, promotion, direct sales, and public relations in the commercial, non-profit, and political organizations. **Prerequisites:** Business Foundation Core and MKT 300.

SMGT 400. Sport Marketing, 3 credits,

Explores the essential characteristics of effective sport marketing. This course will include topics such as branding, sponsorships, advertising, sales promotion, and public relations. **Prerequisites:** Business Foundation Core, MKT 300, and SMGT 301.

BACHELOR OF SCIENCE IN ORGANIZATIONAL LEADERSHIP

Chris Eppling – Dean, College of Professional Studies

The Bachelor of Science in Organizational Leadership equips students to make an impact on their world through authentic and effective leadership within their organizations. This program is designed to help students to develop leadership skills to go beyond managerial efficiency to strategic effectiveness, beyond mere training to practical transformation. With organizations in the private, public, and nonprofit sectors seeking effective leaders, the BSOL prepares students to serve in a wide variety of these leadership roles.

Students will gain a contemporary and holistic view of leadership to develop their own personal leadership skill and abilities while also learning to lead an organization toward desired outcomes and goals.

Upon completion of the BSOL, students will be able to exhibit the following attributes:

- **Competent leadership**, having developed a wide range of leadership knowledge, skills, and abilities that can be applied in a variety of contexts.
- **Cultural understanding**, demonstrating the ability to analyze, navigate, and lead effectively within an organizational culture.
- **Collaborative impact**, showing the skills to analyze, manage, motivate, and inspire people & teams within the life of the organizational community toward desired outcomes and goals.
- **Critical thinking**, being able to find creative and innovative solutions to complex programs and make sound and strategic decisions that serve the organization.
- **Character formation**, enhancing the ability to make ethical decisions, understand Christian leadership principles, and be a servant leader with integrity.

Program Objectives

Demonstrate competent leadership, having developed a wide range of leadership knowledge, skills, and abilities that can be applied in a variety of contexts. Develop cultural understanding, demonstrating the ability to analyze, navigate, and lead effectively within an organizational culture. Foster collaborative impact, showing the skills to analyze, manage, motivate, and inspire people & teams within the life of the organizational community toward desired outcomes and goals. Equip critical thinking, being able to find creative and innovative solutions to complex programs and make sound and strategic decisions that serve the organization. Encourage character, enhancing the ability to make ethical decisions, understand Christian leadership principles, and be a servant leader with integrity.

Minimum to Earn BS in Organizational Leadership (120 hours)

ORGANIZATIONAL LEADERSHIP COURSE DESCRIPTIONS

ACCT 252. Organizational Accounting and Finance, 3 credits

Accounting standards and terminology, fundamental financial and managerial accounting concept, and the preparation of basic financial statements.

BAD 267. Business Communication Tools and Leadership, 3 credits

Through individual readings and research, the student will engage in a variety of learning activities to assist them in developing effective written, oral communication, and listening skills.

ID 368. Organizational Communication and Leadership, 3 credits

This course focuses on the role of communication theory and skills as they apply to business and organizational settings. Students will explore organizational leadership models; effective communication skills with peers, superiors, and subordinates; changing trends in organizations; and environmental factors impacting communication. Students will also participate in various assessments to develop a better understanding of themselves as leaders.

MGT 306. Organizational Behavior, 3 credits

Studies concepts, theories, and case studies concerning the behavior of people in modern business organizations. Analyzes the internal organization structure and managerial roles and functions, in the business and other goal-oriented institutions. Studies theory and design of organizational structure, impact of workflow, leadership styles, and control systems on human behavior.

MGT 333. Essentials of Management and Leadership, 3 credits

An introduction to business management concepts and leadership. Innovative leadership will be embedded into topics throughout the course in areas of traits, behaviors, types of leadership, empowerment, communications, diversity, power, and influence.

MGT 367. Project Management Essentials, 3 credits

Project Management Essentials provides the “holistic” skills needed to manage a project’s complete life cycle that includes five (5) processes: initiation, planning, implementation, monitoring, and control, and closing. This course will provide the student with the essential skills of project management that include the PMBOK Knowledge Areas of Integration, Scope, Time, Cost, Quality, Human Resources, Communications, Risk, and Procurement.

MGT 402. Entrepreneurship & Innovation in Organizations, 3 credits

This course examines the principles of leadership for innovation and how they can be practiced within the life of an organization to promote positive change.

MGT 405. Human Resource Management, 3 credits

Problem solving. Role of people in organizations—a review of the process of recruitment, employee selection, training, performance appraisal, employee benefits, laws governing employer/employee relationships.

MGT 408. Strategic Management, 3 credits

A comprehensive interdisciplinary case study course that serves as the capstone course for all business majors. Students work in teams, from the viewpoint of consultants to top management, presenting and defending their analyses and recommendations.

MKT 467. Marketing and Leadership, 3 credits

Marketing concepts and functions to which a marketer in a leadership role would be exposed, such as understanding buyers and markets, selecting a target market, and decisions regarding the marketing mix.

ORGL 101. Introduction to Organizational Leadership, 3 credits

This course introduces the foundational principles of Christian leadership and explores the dynamics of people, power, and processes that are alive within teams, organizations, and cultures.

ORGL 201. Ethical Leadership, 3 credits

This course provides a survey of the ethical issues and dilemmas encountered by leaders through an examination of the foundational definitions, theories, and issues exploring the application and practice of Christian ethical leadership principles.

ORGL 301. Organizational Theory, 3 credits

This course examines the structures, symbols, resources, forces, and dynamic environments that are active within organizations and their cultures providing the opportunity to examine a range of factors at work within the life of an organization.

BACHELOR SCIENCE IN PROFESSIONAL STUDIES

Chris Eppling – Dean, College of Professional Studies
Steven Bolt – Associate Dean of Online Learning

The Bachelor of Science in Professional Studies (BPS) is a flexible degree that moves at the speed of business. The degree program allows students to customize their own career paths by gaining professional skills in areas that have high-demand job growth. Students can customize their learning experience by selecting three different BPS concentrations to build their degrees. In a dynamic and ever-changing business environment and with many professionals changing careers or job roles over time, this flexible degree program helps prepare students for a variety of in-demand careers throughout their lives. This program is offered through the College of Professional Studies.

Upon completion of the Bachelor of Professional Studies, students will be:

- **Prepared** with the specific depth of skills needed to achieve their professional pursuits,
- **Equipped** with the core breadth of professional skills needed to succeed and serve society,
- **Developed** to achieve new heights in their professional and personal lives,
- **Empowered** to reach their full potential through lifelong learning.

Liberal Arts Requirements (36 hours) – see CPS Liberal Arts Core for additional information.

Professional Studies Core Courses (8 hours)

PS 101 Professional Studies 1 (2 credits)
 PS 201 Professional Studies 2 (2 credits)
 PS 301 Professional Studies 3 (2 credits)
 PS 401 Professional Studies 4 (2 credits)

Professional Studies Major Courses (36 hours)

First Concentration (12 credits)
 Second Concentration (12 credits)
 Third Concentration (12 credits)

Elective Hours (40 credits)

Summary of Total Credits

Liberal Arts Core (36 hours)
 Professional Studies Core (8 hours)
 Professional Studies Major (36 hours)
 Elective Hours (40 hours)
Minimum to Earn BS in Professional Studies (120 hours)

PROFESSIONAL STUDIES COURSE DESCRIPTIONS

PS 101. Professional Studies I, 2 credits

This course focuses on providing a biblical worldview toward one's work and profession. It helps students discover their life interests and develop a program of study toward a professional pathway.

PS 201. Professional Studies II, 2 credits

This course focuses on exploring a profession in the context of one's livelihood and developing strategies that will help prepare one for a meaningful career and thriving life in a global world.

PS 301. Professional Studies III, 2 credits

This course focuses on preparing one for the professional workplace and world, developing a better understanding of professional communication and teamwork and the various organizational dynamics essential to success.

PS 401. Professional Studies IV, 2 credits

This course focuses on refining one's servant and ethical leadership and nurtures a lifelong learning vision for their life and profession within the student.

DEFINITIONS OF ACADEMIC TERMS

Academic Calendar - The system in which the school year operates which includes a fall and a spring semester and several accelerated summer terms. Traditional undergraduate programs are based on two 16-week semesters.

Academic Program - A coherent set of courses required to earn an appropriate degree (associate, bachelor, master, or doctoral degree). Undergraduate academic programs consist of an integrated set of courses taken from the Liberal Arts Core and courses taken in the major area of study.

Academic Year - The traditional undergraduate program consists of 32 weeks and completion of a minimum of 24 semester credit hours for a full-time student.

Add/Drop - The procedure through which students make a change in their schedule of classes by adding or dropping a course.

Advanced Placement - Credit for coursework based on required scores on the Advanced Placement Examination offered by the CEEB. College departments determine acceptable scores for awarding credit.

Advisor - A faculty member who meets with students to discuss curriculum choices and reviews progress toward attaining academic goals.

Attempted Hours - Course credits for which a student has been enrolled and received a grade.

Audit - Enrolling in a course without receiving credit.

Baccalaureate - A term relating to a bachelor's degree.

MyCN - A web-based module in which a student can access academic and financial records through a secured password.

Carson-Newman University Certificate - At Carson-Newman University, a Certificate is an academic program that teaches and enhances articulated skills and knowledge to enrolled students. It is a stand-alone, prescribed course of study not intended for transfer. Certificate coursework must be completed at the post-secondary level or higher and consist of 12 semester hours, minimum. Level and program may determine a certificate's maximum hours.

As an entry point for other educational pathways offered at Carson-Newman University, Certificate coursework may be applied to a bachelor's, master's, specialist, or doctoral academic program. The Certificate may be awarded prior to or concurrently with the degree credential. The Certificate will be added to the student's transcript upon completion of the Certificate.

Class Schedule - A listing of courses for a particular term in which a student is enrolled.

Class Standing - The numeric position of a student in a defined

population (*same as class rank*).

Classification - A measure of progress toward degree completion based on total number of credit hours earned.

CLEP - College level subject area examinations administered by the College Board which assess knowledge in college courses.

Course Load - The total number of credit hours taken during a term. Students must complete an average of 15 hours per term to progress toward degree completion in 8 semesters.

Course Number - A number that identifies a specific course.

Course Title - The descriptive name of a course.

Credit - The number of credits assigned to course based on educational outcomes.

Credit by Exam - A procedure by which a student may receive credit by successfully demonstrating proficiency in a subject by passing a comprehensive exam covering course content.

Credit Hour - A credit is a unit of coursework represented by attainment of educational goals measured by learning outcomes.

Cumulative Hours - A sum of all credits earned, including transfer credits and all work taken at Carson-Newman.

Curriculum - The set of courses offered in a degree program. The plural form is curricula.

Degree - The credential awarded to students who successfully complete a prescribed program of study.

Degree Plan - A document outlining completion of credits earned and intention of completing remaining requirements for graduation. The degree plan must be submitted to the registrar for review and approval during the semester in which a student earns 90 hours.

Department - An organizational unit which offers instruction in a particular curriculum area.

Dismissal, Academic - A status in which the student is ineligible for further enrollment at Carson-Newman College.

Drop/Add - The procedure through which students make a change in their schedule of classes by dropping or adding a course. Early

Registration - The process of enrolling in classes before the beginning of the next term.

Elective - A course selected by the student which may or may not meet degree requirements.

Enrollment Confirmation - The process by which a student confirms their intention to enroll for the semester by paying their tuition and fees and/or signing a promissory note with the student accounts office.

Fee - A charge for special items or services not included in tuition.

Full Time Student - One enrolled for 12 or more undergraduate hours.

Good Standing - A status indicating that the student meets academic progression standards and is eligible to continue enrollment or to transfer elsewhere.

Grade Point Average - A measure of the student's academic performance. Computed by dividing the sum of grade points by the total attempted hours less hours which have grades of P, S. The Carson-Newman GPA includes only credit attempted at Carson-Newman. The cumulative GPA is determined by transferable coursework attempted at all institutions, including Carson-Newman.

Grade Points - Numerical values assigned to grades, A=4, B=3, C=2, D=1, F=0.

Honors Course - A course that limits enrollment to students participating in the Honors Program.

Incomplete Grade - A grade of "I" assigned by instructor due to unavoidable delay, usually illness. Counts as F in GPA computation until satisfactorily removed.

Independent Study - A course taught on an individual basis by the instructor and approved by the department chair and dean.

International Baccalaureate - Curriculum of six subject groups with examinations administered by the International Baccalaureate Organization which may carry transferable credit to Carson-Newman.

Legitimate Educational Interest - The need for information by a faculty member or school official to perform an administrative duty or task in order to fulfill their responsibility for the university. Disclosure of such information is limited to that which is necessary for the faculty member or school official to fulfill those responsibilities.

Liberal Arts Core - A common curriculum that provides students with a broad base of knowledge, Christian values, and skills that form the basis for developing important personal, intellectual, civic, cultural, and practical capacities.

Major - A prescribed set of courses in a specific area of study. Some majors require coursework in related subjects which are required to support study in the discipline.

Minor - An optional secondary field of study requiring less hours than a major. All minors require a minimum of 18 hours. Some minors consist of courses from a single discipline; others may include courses from several disciplines.

Part Time Student - One carrying less than 12 undergraduate hours or 9 graduate hours during a semester. Prerequisite A condition, status, requirement or course that must be satisfied before a course can be taken.

Plagiarism - Using the intellectual property of someone else without citing proper credit or by misrepresentation of the work as original. Plagiarism is classified as academic dishonesty and is punishable as such.

Probation (Academic) - An academic status resulting from unsatisfactory academic performance when a student's GPA is less than the minimum standard academic progression requirement for good standing.

Probation (Disciplinary) - A status resulting from unsatisfactory conduct

apart from academic performance. Proficiency Exam See credit by exam.

Registration - The procedure by which students enroll in coursework.

Schedule of Classes - Information containing course and section offerings for a semester.

Section - A division of a course between one or more instructors but with the same subject matter.

Semester Hour - See Credit Hour.

Standing (Academic) - A student's status based on academic performance, i.e., good standing, academic probation, suspension, or dismissal.

Suspension - A status in which the student is not allowed to continue enrollment at Carson-Newman University for a specific period of time.

Transcript - A copy of the student's permanent academic record. The record becomes official when the seal of the college is affixed and signed by the Registrar.

Tuition - The amount of money charged each semester or term for instructional purposes.

Withdrawal - The termination of a student's attendance in a class or all classes before the end of a semester. A student may elect to voluntarily withdraw before the end of the semester. An administrative withdrawal will be processed if the student discontinues class attendance before the end of the semester.

FULL-TIME FACULTY

Jonathan D. Akin, Vice President for Church Relations and Campus Ministries, Associate Professor of Religion, 2021; B.A., Boyce College; M.Div. & Ph.D., Southern Baptist Theological Seminary

John K. Alpers, Assistant Professor of Business, 2018; B.S., Saint John's University; M.B.A., University of Saint Thomas

D. Brian Austin, Professor of Philosophy, 1995; B.A., Samford University; M.Div., Ph.D., Southern Baptist Theological Seminary

Sandra Austin, Assistant Professor of Education, 2021; B.S., Samford University; Med, University of Louisville; Ed.S., University of Tennessee, Knoxville

Anita Azeem, Assistant Professor of Psychology, 2023; B.A., Forman Christian College University; M.S., M. Phil., Beaconsfield National University, Ph.D., University of Otago.

Laurissa Backlin, Associate Professor of Music, 2020; B.M.,

Wheaton College; M.M., Temple University; D.M.A., University of North Texas

Philip E. Bailey, Associate Professor of Business, 2015; B.A. The Citadel; M.B.A., King University; Further Study: Walden University

Mary E. Baldridge, Professor of Foreign Languages, 2001, Chair of Linguistics, Philosophy and World Language; B.A., Berea College; M.S., M.A., Ph.D., University of Tennessee, Knoxville

Tammy Barnes, Associate Professor of Education, 2018; Ed.D., M.Ed., B.S., East Tennessee State University

Thomas Preston Bass, Jr., Professor of Mathematics, Chair of Math, Physics, and Computer Science, 1995; B.A., Mercer University; M.A., Ph.D., Vanderbilt University

Hester D. Beecher, Professor of Marketing, 2004; B.S., M.S., Ph.D., University of Tennessee, Knoxville

Kyle D. Biery, Associate Professor of Theatre, Charles Fuller Endowed Chair of Drama, 2008; B.A., University of Tennessee, Knoxville; M.F.A., University of North Carolina, Greensboro

Benjamin J. Billman, Assistant Professor of Sport Management, 2017; Ed.D., United States Sports Academy; M.S., Liberty University; B.S., Taylor University

Joshua A. Bivens, Assistant Professor of English, Director of Academic Skills Enhancement, 2017; M.A., Western Carolina University; B.A., Carson-Newman University

Chandra Blanken, Assistant Professor of Nursing, 2021; B.S.N., Carson-Newman University; M.S.N., University of Tennessee, Knoxville

Megan Patterson Blankenship, Assistant Professor of Nursing, 2023; B.S.N., M.S.N., Carson-Newman University

Ronda Blevins, Assistant Professor of Education, 2020; B.A., University of Tennessee, Knoxville; M.S., University of Cincinnati; Ed. S & Ed. D., Carson-Newman University

Kimberly S. Bolton, Associate Chair of Nursing (Graduate), Associate Professor of Graduate Nursing, Director of MSN Program, 1997; B.S.N., M.S.N., Ph.D., University of Tennessee, Knoxville

Steven Boldt, Associate Dean of Online Learning and Distance Education, 2022; B.S. University of Wisconsin, Whitewater; M.S.E. University of Wisconsin, Platteville

Byron Booker Assistant Professor of Education, 2022; B.A., University of Tennessee, Knoxville; M.A.T., Carson-Newman University; Ed.S., University of Tennessee; Ph.D., University of Tennessee, Knoxville

Karla R. Bowers, Assistant Professor of Chemistry, EPA Coordinator, 1994; B.S., Appalachian State University; M.S., University of Tennessee, Knoxville

Robyn Branca, Assistant Professor of Psychology, 2019; B.A., M.A., University of North Carolina at Charlotte; Ph.D., University of Kentucky

Elvis Brandon, Associate Dean of Undergraduate Studies (Nashville), 2022; A.A.S., Volunteer State Community College; B.S., Middle Tennessee State University; M.S., University of Florida; D.Ed., Union University

Jeremy J. Buckner, Provost, Professor of Music, 2008; B.M., M.M.Ed., Ph.D., Texas Tech University

Andrew Burrow, Assistant Professor of Biblical Studies, 2020; B.A., Samford University; M.A., Yale University; summer program, Tel-Aviv University; Ph.D., St. Mary's University

Leonor Taiano Campoverde Assistant Professor of Spanish, 2022; B.A., University of Calabria; M.A., University of Rome; M.A., Pontifical University of Salamanca; Ph.D., University of Tromsø; Ph.D., University of Notre Dame

Carolyn G. Carlisle, Professor of Counseling, Chair of Counseling, 2008; B. S., M.S., Texas A & M University; Ph.D., University of Tennessee, Knoxville

Shannon Carpenter, Associate Professor of English, Associate Chair of

English, 2003; B.A., M.A., University of South Alabama; Ph.D., University of Tennessee, Knoxville

Diane Caruso, Assistant Professor of Nursing, 2022; B.S., Wagner College; M.S. Stoney Brook University; D.N. P., Duke University

Gregory A. Casalenuovo, Professor of Nursing, 1996; B.S.N., M.S.N., University of North Carolina, Chapel Hill; Ph.D., University of Tennessee, Knoxville

Cassandra H. Catlett, Associate Professor of Accounting, Chair of Business, 2007-17, 2020; B.S., Carson-Newman College, MAcc., University of Tennessee, Knoxville

Beau Christian, Assistant Chair of Nursing (undergraduate), Director of Simulation, 2019; B.S., M.S.N., California Baptist University

Amanda Clabo, Assistant Professor of Nursing, 2022; A.S.N., Walters State Community College; B.S.N., East Tennessee State University; M.S.N., Carson-Newman University

James E. Collins, II, Professor of Psychology, 1990; B.A., University of North Carolina, Chapel Hill; M.S., Ph.D., University of Georgia

Lisa A. Connor, Assistant Professor of Family & Consumer Sciences, 2017; Ph.D., University of Tennessee, Knoxville; M.S., B.S., Lehigh University

David E. Crutchley, Professor of Biblical Studies, Dean of the School of Biblical and Theological Studies, 2004; B.L., L.L.B., University of Rhodesia, M.Div., Ph.D., Southwestern Baptist Theological Seminary

Christine N. Dalton, Professor of Chemistry, Dean of the School of Natural, Applied Sciences, Chair of Chemistry, 2003; B.A., Carson-Newman College; Ph.D., University of North Carolina, Chapel Hill

Brenda P. Dean, Associate Professor of Education, 2015; B.S., Tennessee Technological University; M.S., University of Tennessee, Knoxville; Ed.D., East Tennessee State University

Nicole Drewitz-Crockett, Associate Professor of English, Associate Dean of Undergraduate Studies (Knoxville Center) & Director of New Initiatives for the Appalachian Cultural Center, 2022; B.A. Carson-Newman University; M.A. & Ph.D., University of Tennessee, Knoxville

A. Rae Dutro, Associate Professor of Family and Consumer Sciences, 2015; B.S., M. S., East Tennessee State University; Ph.D., Virginia Tech

April K. Dye, Associate Professor of Psychology, Director of Honors Program, 2008; B.A., University of Tennessee, M.A., Ph.D., Miami University

Adam Einhardt, Assistant Professor of Nursing, Graduate, 2019; A.A., Oakland Community College; B.S., Wheaton College; M.S.N., Vanderbilt University; D.N.P., University of Alabama at Birmingham

Christopher E. Eppling, College of Professional Studies Dean, 2023; B.A., Carson-Newman College; M.Div., M.Th., Southeastern Baptist Theological Seminary; Ph.D. (in progress), Columbia International University

Jessica Evans, Assistant Professor of Biology, 2021; B.S. Lees McRae College; M.S., Eastern Illinois University

Jennifer Griggs. Finley, Assistant Professor of Family and Consumer Sciences, 2021; B.S., Carson-Newman University; M.S., East Tennessee State University; M.A.T., Carson-Newman University

Cheri Huffman Flynn, Program Director, Accounting (CPS), 2022; M.Acc & J.D., University of Tennessee, Knoxville; Management Credentials, Devry University; D.B.A., Capella University

J. L. Ryan Fogg, Professor of Music, 2006; B.M., East Texas Baptist University; M.M., University of Houston; D.M.A., University of Texas at Austin

Amanda R. Ford, Associate Professor of History, 2016; B.A.,

Carson-Newman University; M.A., Queens University, Belfast; Ph.D., University of Arkansas

Charles A. Fowler, President, Professor of Education, 2019; B.M., Union University; M.C.M., New Orleans Baptist Theological Seminary; Ph.D., Mississippi State University

Karen Gibson, Associate Professor of Family & Consumer Sciences, 2021; B.S., Minnesota State University, Mankato; M.S., University of Kentucky; D.C.N., Rutgers University

Ashby Goldstein, Assistant Professor of Music & Directory of Bands, 2022; B.M., Florida State University; M.M., Southern Oregon University; Ph.D. (ABD), Ohio State University

Mark A. Gonzales, Associate Professor of Education, 2015; B.B.A., Angelo State University; M.Ed., Sul Ross State University; Ed.D., Texas A&M University, Kingsville

Vladimir Gorbenko, Assistant Professor of New Testament, Campus Ministries Associate Director, 2022; B.A., Zaporozhye National Technical University; M.Div., Tyndale Theological Seminary; Th.M., Gordon-Conwell Theological Seminary; Ph.D, National Pedagogical Dragomanov University

Susan Gordon, Assistant Professor of Nursing, 2023; B.S.N., M.S.N., Carson-Newman University

Jennifer W. Hall, Professor of English, 2000; B.A., Carson-Newman College; M.A., Western Carolina University; Ph.D., University of Tennessee, Knoxville

Maria B. Hartley, Assistant Professor of Sociology, 2020; B.A., Midway College, M.S., Eastern Kentucky University; Ph.D, University of Tennessee, Knoxville

Heather Hartman, Assistant Professor of Art, 2019; B.F.A., Auburn University; M.F.A., University of Tennessee, Knoxville

Ami Hartsock, Assistant Professor of Library Science, 2022; B.A. , Carson-Newman University; M. S., University of Tennessee, Knoxville

Sheila Hartsock, Assistant Professor of Communication, 2022; B.A., Carson-Newman University; M.A., Regent University

Kimberly A. Hawkins, Associate Professor of Education, Dean of the School of Education and Counseling, 2011, B.S., M.S., Baylor University, Ph.D., University of Tennessee, Knoxville

Merrill M. Hawkins, Jr., Professor of Christian Studies, 1995; B.A., Baylor University; M.Div., Southwestern Baptist Theological Seminary; Ph.D., Baylor University; Further study: University of Tennessee Medical Center, Knoxville

Megan C. Herscher, Professor of Counseling, 2013; B.S., James Madison University; M.A., Marymount University; Ph.D., University of Tennessee, Knoxville

Brandon Hollihan, Assistant Professor of Music, 2021; B.A., University of Notre Dame; M.M. & M.A., The Ohio State University; D.M.A., University of Notre Dame

Jerod Hollyfield, Associate Professor of Communication and Film Studies, 2019; B.S., M.A., University of Tennessee, Knoxville; Ph.D., Louisiana State University

Seong Young Hong, Assistant Professor of Computer Science, 2018; B.E., Woosong University; Ph.D., M.E., Dankook University

Gregory A. Hoover, Associate Professor of Sociology, 1987; A.B., B.Th., Atlanta Christian College; M.A., Ph.D., University of Georgia

Mark E. Hussung, Professor of Music, Chair of Music, 1993; B.M., University of Louisville; M.M., University of Wisconsin, Madison; D.M.A., University of Cincinnati - College Conservatory of Music

Douglas Johnson, Assistant Professor of Communication, 2021; A.S., Walters State Community College; B.A., Carson-Newman University;

M.A. & M. Div., Luther Rice University; Ph.D., Regent University

Stephen G. Joiner, Assistant Professor of Political Science, 2019; B.A., Milligan College; M.A., A.B.D., University of Kentucky

Susan W. Karr, Assistant Professor of Biology, 1994; B.S., M.S.,

University of Georgia

Caroline D. Keenan, Associate Professor of Chemistry, 2014; B.S., Lincoln University; M.S., University of Michigan; Ph.D., University of Florida

Andrew Marshall King, Assistant Professor of Biblical Studies, 2021; B.S., Crichton College/Victory University; M.A., Southwestern Baptist Theological Seminary; M.A., Yale Divinity School; Ph.D., University of Notre Dame

Tori H. Knight, Associate Provost, Professor of Economics, 2000; B.S., University of Tennessee, Knoxville; M.E., Ph.D., North Carolina State University

Jeff A. Knox, Associate Professor of Physical Education, 2015; B.S., M.Ed., Carson-Newman University; Ph.D., University of Tennessee, Knoxville

Bruce G. Kocour, Professor of Library Science, Dean of Library Services, 1991; B.S., M.L.S., University of Alabama, Tuscaloosa

Elizabeth Sunshine Koroma, Assistant Professor of Biblical Studies, 2022; B.A., Brandeis University; M.T.S. & Ph.D., University of Notre Dame

Agir Kurmanj, Associate Professor of Economics, 2019; B.S., Middle East Technical University; M.Econ., Ph.D., North Carolina State University

Albert L. Lang, Professor of Library Science, Special Collections Librarian and Archivist, 1996; B.A., M.A., Wheaton College; M.L.S., University of Kentucky

Lucinda A. Lang, Associate Professor of Education, Chair of Education & Director of CAEP Accreditation, 2014; B.A., Wheaton College; M.Ed., National-Louis University; Ph.D., University of Tennessee, Knoxville

Dara Lindner, Assistant Professor of Biology, 2021; B.S. (combined science) & B.S. (equine science), Middle State Tennessee University; D.V.M., The University of Tennessee, Knoxville

Sandra Kay Long, Professor of Education, 2006, B.S., University of Florida; M.Ed., Ph.D., University of Houston

Michael Lugo, Assistant Professor of Mathematics, 2020; B.S., Carson-Newman University; M.A. & Ph.D, Virginia Polytechnic Institute and State University

Emily Looper, Assistant Professor of Nursing, 2023; A.S.N., B.S.N., Bluefield State College; D.N.P., University of Tennessee, Knoxville

John D. McClellan, Associate Professor of Philosophy, 2011, B.A., University of North Carolina at Greensboro; Ph.D., University of Tennessee, Knoxville

Susan McGaha, Assistant Professor of Biology, 2020; A.S., Walters State Community College; B.A., East Tennessee State University; Ph.D., East Tennessee State University Quillen College of Medicine

Wesley McMasters, Assistant Professor of English, Director of the Appalachian Cultural Center, 2018; B.A., Penn State University; M.A., University of Maine; Ph.D., Indiana University of Pennsylvania

Jennifer Moralejo Assistant Professor of Counseling, 2022; B.A., Florida International University; M.S., Nova Southeastern University; Ph.D., University of Tennessee, Knoxville

Damjana Mraovic-O'Hare, Assistant Professor of English and Director of the Writing Center, 2017; Ph.D., The Pennsylvania State University; M.A., University of Tennessee, Knoxville; M.A., B.A., University of Belgrade, Serbia

Kelley Obringer, Assistant Professor of Nursing, 2021; B.S.N. & M.S.N., Millikin University; Ph.D., Illinois State University

Shawn M. O'Hare, Professor of English, Dean of the School of Arts, Humanities, and Social Sciences, 1996; B.A., M.A., University of South Alabama; Ph.D., Florida State University

Julia Jones Price, Associate Professor of Education, 2011; B. S.,

- Carson-Newman College; M.A., Ed.D., East Tennessee State University.
- Susan Price**, Assistant Professor of Education, 2023; B.S., East Tennessee State University; M.A.T., Carson-Newman University; Ed.S., Lincoln Memorial University
- Ashlie Pullen** Assistant Professor of Nursing, 2022; B.S., Trevecca Nazarene University; M.S.N., Vanderbilt University; D.N.P., Indiana Wesleyan University
- Julie L. Rabun**, Professor of Art, Chair of Art, 2002; B. A. Architecture, B.F.A., Rhode Island School of Design; M.F.A., Virginia Commonwealth University
- Don Reagan**, Assistant Professor of Exercise Science, 2023; B.S., Liberty University; D.P.T., University of St. Augustine for Health Sciences
- Pamela B. Rogers**, Associate Professor of Nursing, 2006; B.S.N., M.S.N., University of Tennessee, Knoxville; Further study: University of Pennsylvania
- Amber N. Roth**, Associate Professor of Family and Consumer Sciences, 2014; B.S., Ph.D., Virginia Polytechnic Institute and State University
- Rodney E. Russell**, Associate Professor of Education, Director of Field Experiences, Director of Center for Teaching and Learning; 2017; Ed.D., Trevecca Nazarene University; Ed.S., Lincoln Memorial University; M.S., The University of Tennessee, Knoxville; B.S., East Tennessee State University
- Richard J. Scruggs**, Associate Professor of Music, 2004; B.M.E., M.M., University of Southern Mississippi; M.M., D.M., Florida State University
- Jessica Short-Long**, Assistant Professor of Physics, 2018; B.A. Transylvania University; Ph.D., M.A., University of Kentucky
- Trevina Sinard**, Assistant Professor of Nursing, 2023; L.P.N. Tennessee College of Applied Technology; A.S.N., Lincoln Memorial University; B.S.N., M.S.N., King University
- Andrew C. Smith**, Associate Professor of History of Christianity, Director, Center for Baptist Studies, 2011, B.A., Carson-Newman College; M.Div., Mercer University; M.A., Ph.D., Vanderbilt University
- Pamela Smith**, Assistant Professor of Nursing, 2021; B.S., James Madison University; M.S.N., Carson-Newman University
- Michael J. Sobiech**, Associate Professor of English, 2014; B.S., Indiana University, Bloomington; M.A., Western Kentucky University; Ph.D., University of Louisville
- Brian K. Sohn**, Assistant Professor of Education, 2017; Ph.D., The University of Tennessee, Knoxville; M.A.T., Morehead State University; B.A., The Colorado College
- Noah P. Soltau**, Associate Professor of German and Linguistics, Director of Student Research, Creativity, and Performance Day, Director of Liberal Arts, 2015; B.A., University of Georgia; M.A., Ph.D., University of Tennessee, Knoxville
- Lana S. Spence**, Assistant Professor of Nursing, Dean of the School of Health Sciences; Director of RN-BSN, 2017; D.N.P., Frontier Nursing University; M.S.N., The University of Tennessee, Knoxville; B.S.N., Carson-Newman University
- Greg S. Stanley**, Associate Professor of Exercise Science, Chair of Exercise Science 2015; B.A., Maryville College; M.S., University of Tennessee, Knoxville; Ph.D., A.T. Still University
- Brett Alden Starnes**, Professor of Mathematics, 2001; B.A., Carson-Newman College; M.S. Virginia Polytechnic Institute and State University; M.S., University of Kentucky; Ph.D., Virginia Polytechnic Institute and State University
- Ryan Stokes**, Associate Professor of Biblical Studies, 2019; B.A., Western Kentucky University; M.A., Gordon-Conwell Theological Seminary; M.A., M.Phil., Ph.D., Yale University
- Kara E. Stooksbury**, Professor of Political Science, Chair of History, Political Science, and Sociology; 2006; B.S., Carson-Newman College; M.A., Ph.D., University of Tennessee, Knoxville
- W. Henry Suters**, Professor of Mathematics, 1994; B.A., Berea College; M.S., University of Tennessee, Knoxville, M.A., Ph.D., Duke University
- Anna Lora Taylor**, Assistant Professor of Counseling, 2020; B.S., East Tennessee State University; M.S. Austin Peay State University; Ph.D., University of Tennessee, Knoxville
- P. Mark Taylor**, Professor of Education, 2010, B. A., Westminster College; MST, Ph.D., University of Missouri
- Richard Thompson**, Associate Professor of Chemistry, 2016; B.S., Indiana University of Pennsylvania; Ph.D., Syracuse University
- Lori A. Thornton**, Associate Professor of Library Science, 1999; B.A., Mid-South Christian College; M.R.E., Cincinnati Bible Seminary; M.S.L.S., University of Kentucky
- W. Robert Trentham**, Professor of Biology, 1989; B.A., Carson-Newman College; M.S., Tennessee Technological University; Ph.D., University of Tennessee, Knoxville
- David T. Underwood**, Professor of Art, 1992; B.A., Carson-Newman College; M.F.A., Florida State University
- Mary Van Huss**, Assistant Professor of Management; B.A., M.B.A., King University, D.B.A, Walden University
- K. Elizabeth Vanlandingham**, Professor of History, James F. Ellis Professor of History, 1994; B.A., M.A., Emory University; Ph.D., University of Tennessee, Knoxville
- Courtney Y. Watson**, Assistant Professor of Nursing, 2018; B.S.N., Gardner-Webb University; D.N.P., M.S.N, Vanderbilt University
- Stephanie N. Welsh**, Associate Professor of Psychology, Director of Institutional Effectiveness, 2017; Ph.D., M.A., Florida Atlantic University; M.A., Northern Illinois University; B.S., Olivet Nazarene University
- Nathan B. West**, Assistant Professor of Counseling, 2019; M.S., B.A., Freed-Hardeman University; Ph.D., University of Tennessee
- Heather M. Whaley**, Professor of Family & Consumer Sciences, Chair of Family and Consumer Sciences, Dean of the School of Business and Family and Consumer Sciences, 2006; B.S., M.S., Ph.D., University of Tennessee, Knoxville
- L. Kip Wheeler**, Professor of English, 2003; B.A., M.A., West Texas A & M University; Ph.D., University of Oregon
- Matthew A. Wilkerson**, Associate Professor of Biology, Chair of Biology, 2006, B.A., Carson-Newman College; M.S., University of Tennessee, Knoxville; Ph.D., Northcentral University, Prescott Valley, Arizona
- Kelli Y. Williams**, Associate Professor of Library Science, 2016; B.A., Lincoln Memorial University; M.S., University of Tennessee, Knoxville
- Stephen Edward Wright**, Professor of Biology, 1991; B.S., University of Charleston; M.S., West Virginia University; Ph.D., Bowman Gray School of Medicine of Wake Forest University
- Jianfeng (Eric) Yao**, Assistant Professor of Economics, 2022; B.S., Nantong University, China; M.A., Central Michigan University; Ph.D., University of North Carolina, Chapel Hill
- Bonnie Young**, Associate Professor of Nursing, 2019; B.S.N., Indiana University East; M.S.N., Ball State University; D.N.P., Wilkes University
- Joshua T. Zink**, Assistant Professor of Music, 2017; D.M.A., University of Nebraska, Lincoln; M.M., University of Illinois; B.M., Bowling Green University

2023-2024 ADJUNCT FACULTY

Champaign Addison, *Business*, B.B.A., Berkeley College; B.S., Champlain College; M.S., Stoney Brook University; D.B.A., Keiser University

Hope Adkins, *CPS*, B.S., Carson-Newman University; M.S. Purdue University; Ph.D. (in progress), University of Tennessee, Knoxville

Jennifer Ankney, *Education*, B.S. Pennsylvania State University; M.Ed. & D.Ed., Carson-Newman University

Sheridan C. Barker, *Communication*, B.A., Carson-Newman College; M.S., Ed.D., University of Tennessee, Knoxville

Victoria L. Barker, *English*, B.A., Carson-Newman College; M.A., Ph.D., University of Tennessee, Knoxville

Taylor Anne Bates, *Business*, B.S., East Tennessee State University; M.B.A., Carson-Newman University

Sarah Billman, *Business*, B.A., Taylor University; M.B.A., Liberty University

Patricia L. Bivens, *Music*, B.A., West Virginia Wesleyan College; M.M.E., Texas Christian University

Randall Blevins, *Business*, B.S., Virginia Intermont College; M.B.A., Averett University; D.B.A., Argosy University

Jerry Boulter, *Education*, B.S., East Tennessee State University; M.S., University of Tennessee, Knoxville; Ed.S., Lincoln Memorial University

Amy Brackins, *Nursing*, B.S., University of Tennessee, Knoxville; M.S.N., Carson-Newman College

Barbara Bradley, *Education*, B.S., Ohio University; M.S., University of Dayton; Ed.S., Lincoln Memorial University

Vickie Bragg, *Education*, B.S., Carson-Newman College; graduate work, East Tennessee State University, Texas Technological University, Cumberland University

Daniele Brock, *Academic Skills Enhancement*, B.M., Carson-Newman College; M.S., Troy State University; Ed.S., Valdosta State University

Ashley Bryant Cheney, *Liberal Arts*, B.A., Carson-Newman University; M.A., Eastern Kentucky University

Andrew Bryenton, *Music*, B.A., Hartt School of Music, University of Hartford; M.M., University of Massachusetts, Amherst.

Stacy Burt, *Education*, B.S., M.Ed., D. Ed., University of South Alabama

Gregory Byrd, *History*, B.A., Carson-Newman University; M.A.T., M.A., East Tennessee State University

Vicki Carter, *Nursing*, M.S.N., B.S.N., University of Tennessee, Knoxville

Tommy Clapp, *Physical Education*, B.A., Berea College; M.S.C., Carson-Newman University

Beverly Clark, *Nursing*, A.A.S., North Arkansas College; B.S.N., Chamberlain University; M.S.N., South University; D.N.P., University of North Florida

Mary Coleman, *Nursing*, B.S.N., Carson-Newman University; M.S.N., Duke University

Glenn Cragwell, *Communications*, B.S., Middle State University; M.A., Southwestern Baptist Theological Seminary

Cynthia Culbertson, *Education*, B.S. & M.S., Carson-Newman College; Ed.S., Lincoln Memorial University

Janet Dalton, *Education*, B.M., Carson-Newman College; M.Ed., Ed.S., Lincoln Memorial University; D.Ed., East Tennessee State University

Dominique Davis, *Education*, B.A., M.S., University of Tennessee,

Knoxville; M.Ed., Ed.S., Lincoln Memorial University

Kieren Davis, *Physical Education*, B.S. & M.Ed., Carson-Newman University

Ryan Davis, *Nursing*, B.S.N., Carson-Newman University; M.S.N., University of Tennessee; D.N.P., (in progress), John Hopkins University

Stacy Dube, *Nursing*, A.A., R.N., Walters State Community College; B.S.N., M.S.N., King University

Claudia Duncan, *Nursing*, B.S.N., M.S.N., University of Tennessee Health Science Center, Memphis

Julie Jenee Einhardt, *Nursing*, B.S., Lipscomb University; M.S.N., Vanderbilt University

Betty Jo Ellington, *Nursing*, B.S.N., University of Tennessee, Chattanooga; M.S.N., Vanderbilt University; D.N.P., University of Tennessee, Memphis

Andrea Elliot, *Nursing*, B.S.N., Carson-Newman University

James Fox, *Education*, B.S., University of Tennessee Knoxville; M.S., University of Tennessee, Knoxville; Ph.D., University of Tennessee, Knoxville

Jenna M. Frost, *Nursing*, B.S.N., M.S.N., Lincoln Memorial University

Retha Gentry, *Nursing*, A.A.S., Southwest Virginia Community College; B.S.N., King University; D.N.P., East Tennessee State University

Trista Godbey, *Academic Skills Enhancement*, B.A., Emory and Henry College; M.A., East Tennessee State University

Jennifer Goins, *Nursing*, L.P.N., Appalachian Regional Nursing Program; A.S.N., Mississippi State Community College; B.S.N., King University; M.S.N., Lincoln University

Beckey Buck Greene, *Nursing*, B.S., University of Tennessee; B.S.N., M.S.N., Lincoln Memorial University

Courtney Hall, *Business*, J.D., Cumberland School of Law, Samford University; B.A., University of Tennessee, Knoxville

Rebecca Hawkins, *Nursing*, B.S.N., M.S.N., King University

Frankie J. Helton, *Academic Skills Enhancement*, B.S., M.S., East Tennessee State University

Ryan Henry, *Exercise Science*, B.S., University of Tennessee, Knoxville; M.B.A., Carson-Newman University

Terron Hillsman, *Business*, B.S., Tennessee State University; M.A., Tusculum College; Ph.D., University of Tennessee, Knoxville

Samuel Hollingshead, *Education*, B.A., M.Ed., Carson - Newman University; D.Ed., East Tennessee State University

Alfred Huffaker, *Physical Education and Exercise Science*, B.S., M.S., University of Tennessee, Knoxville

Peggy Hypes, *Education*, B.A., Maryville College; M.A., George Washington University; Ed.D., University of Tennessee, Knoxville

Ray Ishak, *Mathematics*, B.Sc., Al-Mustansiriyyah University-Baghdad, Iraq; M.S., University of South Florida

Susan C. Jessee, *Nursing*, B.S.N., Carson-Newman College

Elissa Keck-Hodge, *Music*, B.M., Carson-Newman College; M.M., University of Tennessee, Knoxville

Melinda Kerr, *Education*, B.S., University of Tennessee, Knoxville

David Kitts *Biblical & Theological Studies*, B.A., Carson-Newman University; Ph.D., M.Div., M.Th., Southern Baptist Theological Seminary

Lonnie Knight, *Education*, B.M., Carson-Newman College; M.S., University of Tennessee

Gretchen Long, *Art*, B.A. & M.E.D., Carson-Newman University

Phillipa Maas, *Nursing*, Diploma of Nursing Studies, Nightingale Institute, London; B.S., M.S., The Royal College of Nursing,

London; Postgraduate Certificate in Nursing, University of Derby, England

Mickey McBride, *Nursing*, B.S., College of St. Francis; M.S.N., Tennessee Technological University

Laura McClellan, *Education*, B.M., University of North Carolina, Greensboro; M.S., University of Tennessee, Knoxville

Andrew McCoy, *Music*, B.M., Belmont University; M.M., University of Tennessee, Knoxville

Alice McCurry, *Nursing*, B.S.N., Berea College; M.S.N., University of Tennessee, Knoxville; Ph.D., University of Tennessee, Knoxville

David McNeely, *Biblical & Theological Studies*, B.A., Carson-Newman University; M.Div., Baptist Theological Seminary at Richmond

Andrew McNeil, *Biology*, B.S., Campbellsville University; M.B.Ch.B., University of Auckland

Mary Meighan, *Nursing*, B.S.N., East Tennessee State University; M.S.N., University of Tennessee, Knoxville; Ph.D., University of Tennessee, Knoxville

George Miller, *Biblical & Theological Studies*, B.A., Carson-Newman University; M.A., Emmanuel School of Religion; M. Div., Southeastern Baptist Theological Seminary

Christopher Morelock, *English*, B.A., Carson-Newman College; M.A., University of Tennessee, Knoxville

David Mulkey, *Nursing*, B.S.N., Pensacola Christian College; M.S.N., D.N.P., University of South Alabama

David Needs, *Physical Education and Exercise Science*, B.A., Carson-Newman College; M.A.T., Carson-Newman College

Helen Michelle Nix, *Psychology*, B.A., University of Tennessee; M.A., Carson-Newman University

Joseph North, *Music*, B.M. & M.M., University of Tennessee, Knoxville

Guy Osborne, *Psychology*, B.A., Clemson University; M.A., Ph.D., Vanderbilt University

Ashley Paul, *Education* B.S. University of Tennessee, Knoxville; M.S. University of Tennessee, Knoxville

Warren (Dale) Pearson, *Business*, A.S., Tennessee Institute of Electronics; B.S. & M.B.A., University of Tennessee, Knoxville; J.D., Duncan School of Law

Frederick Pinkerton, *Chemistry, Mathematics, Physics*, B.S., Montana State University, Billings; Ph.D., Montana State University, Bozeman

Anya Piotrowski, *History*, B.A., University of Tampa; M.A., University of Wisconsin

Scott Porter, *Education*, B.A., Maryville College; M.S., University of Tennessee, Knoxville; Ed.S., Lincoln Memorial University Ed.D., Lincoln Memorial University

Meredith Price, *Nursing*, B.S., University of Tennessee; B.S.N., University of Memphis; M.S.N., Carson-Newman University

Cecelia Gail Rice, *Education*, A.A., Gulf Coast Community College; B.A., University of West Florida; M.Ed., East Tennessee State University

Jennifer Riseden, *Nursing*, B.S.N., Carson-Newman College; M.S.N., Carson-Newman College

Anthony Runyan, *Business*, B.S., Carson-Newman University; M.B.A., University of Tennessee, Knoxville

Tara Scruggs, *Music*, M.M., B.A., Western Illinois University; D.M., Florida State University

Jacob See, *Music*, B.M., Carson-Newman College, M.M., University of Tennessee

Betzaida Shands, *Business*, B.L., National University of Honduras; B.A., M.B.A., Carson-Newman University

Adrienne Sharp, *Family and Consumer Sciences*, B.S., M.Ed., Carson-Newman University

Shannon Shelley, *Nursing*, B.S.N., Carson-Newman College; M.S., State University of New York at Stony Brook

Candice Short, *Nursing*, A.A.S., Southwest Virginia Community College; B.S.N., King University; D.N.P., East Tennessee State University

Tracy Smith, *Nursing*, B.S.N., Messiah College

Patty Starnes, *Education*; B.S., Lincoln Memorial University

Valerie Stephens, *Business*, B.S., Empire State College; M.B.A., Alfred University

Barbara Sterrenberg, *Nursing*, L.P.N., Vance-Granville Community College; A.D.N., Pitt Community College; M.S.N., Walden University; D.N.P., Grand Canyon University

Eric Thorson, *Music*, 1981; A.A., Iowa Central Community College; B.A., Buena Vista College; M.M., Ed.D., Arizona State University

Joel Tillman, *Music*, B.S., Tennessee Tech University; M.S.T., University of Wisconsin-Whitewater

Michael Turner, *Music*, B.M., Carson-Newman University; M.C.M., Lee University

Tanya Turner, *Physical Education and Exercise Science*, B.A., M.Ed., Carson-Newman University

Teresa Vest, *Academic Skills Enhancement*, B.S., Carson-Newman University; M.Ed., Ed.S., University of Tennessee, Knoxville

Kathleen Villars, *Business*, B.B.A., University of Wisconsin, Oshkosh; M.B.A., Marquette University

Matthew Weyer, *Music*, B.M., University of Tennessee, Knoxville; M.M., University of Georgia

Jeffrey Whaley, *Music*, B.S., Tennessee Technological University; M.A., Wichita State University

Kathy Wilkinson, *Nursing*, B.S.N., M.S.N., Radford University

Jessica Willings, *Education*, A.S., Walters State Community College; B.S., & M.A., Tusculum College

Jerry Wood, *Business*, B.B.A., Marshall University; M.B.A., King College; D.B.A., Argosy University

Jeanette Woods, *Education*, B.S., Carson-Newman College; M.S., University of Tennessee, Knoxville

Lee Workman, *Academic Skills Enhancement*, B.S., University of Tennessee, Knoxville

Mark Workman, *Interdisciplinary Studies*, B.S., M.S., University of Tennessee, Knoxville

Billie Yardley, *Education*, B.S., University of Tennessee, Knoxville; M.S., University of Tennessee, Knoxville

Phillip Young, *Biblical & Theological Studies*, B.A., University of Tennessee, Knoxville; M.Div. & D.M., Southwestern Baptist Theological Seminary

RECIPIENTS OF THE DISTINGUISHED FACULTY AWARD

Richard C. Pettigrew	1968
Robert M. Burts	1969
Sherman B. Vanaman	1970
William L. Blevins	1971
Ben E. Philbeck	1972
Joe A. Chapman	1973
Walter B. Shurden	1974

Howard Chitwood	1975
R. R. Turner	1976
Ben L. Sloan	1977
Martha B. Wilson	1978
Jeff Daniel Marion	1979
Paul D. Brewer	1980
Charles H. Jones	1981
Verner T. Hansen	1982
Louis O. Ball	1983
Carolyn D. Blevins	1984
Carey R. Herring	1985
Joe W. Sloan	1986
David W. Garner	1987
Truett C. Patterson	1988
M. B. Fletcher	1989
Frank H. Pinkerton	1990
James L. Baumgarner	1991
Don H. Olive	1992
Gerald C. Wood	1993
John Lee Welton	1994
Kitty R. Coffey	1995
Robert M. Shurden	1996
Ellen M. Millsaps	1997
Edward T. Freels, Jr.	1998
Charles G. Moffat	1999
Patsy W. Boyce	2000
James A. Coppock	2001
Sharon T. Teets	2002
Eric A. Thorson	2003
Mark A. Heinrich	2004
Thomas B. Milligan, Jr.	2005
Phyllis N. Driver	2006
Ernest D. Lee	2007
D. Ann Jones	2008
Stephen R. Karr	2009
G. Laurence Osborne	2010
Ross Brummett	2011
D. Brian Austin	2012
K. Elizabeth Vanlandingham	2013
Margaret A. (Pegg) Hypes	2014
W. Robert Trentham	2015
David E. Crutchley	2016
Jennifer W. Hall	2017
Heather M. Whaley	2018
Bruce G. Kocour	2019
D. Clark Measels	2020
Kara E. Stooksbury	2021
Christine N. Dalton	2022
Susan O. Underwood	2023

EMERITI

The second date in parentheses indicates the year of retirement from the university.

Sheridan C. Barker, Professor Emeritus of Communication (1980-2020)

Victoria B. Barker, Professor Emerita of English (1984-2018)

Carolyn Blevins, Associate Professor Emerita of Religion (1977-2006)

William L. Blevins, Professor Emeritus of Counseling (1966-2011)

Imogene B. Brewer, Associate Professor Emerita of Library Services, Catalog Librarian (1965-1993)

Bernard Bull, Professor Emeritus of Education (1972-2007)

Ross Brummett, Professor Emeritus of Religion (1987-2020)

Michael L. Bundy, Professor Emeritus of Counseling (2008-2018)

John W. Burton, Professor Emeritus of Physics (1964-2002)

Catherine Norris Bush, Associate Professor Emerita of Family and Consumer Sciences (1989-2015)

Diana D. Carroll, Professor Emerita of Family and Consumer Sciences (1977-2014)

Maria B. Clark, Professor Emerita of Spanish (1991-2018)

R. Earl Cleveland, Professor Emeritus of Art (1964-1994)

Kitty Coffey, Professor Emerita of Family and Consumer Sciences (1977-2019)

Jim Coppock, Associate Professor Emeritus of Management (1961-1964 and 1969-2006)

W. Glenn Cragwall, Professor Emeritus of Communication (1988-2002, 2006-2018)

Jim Coppock, Associate Professor Emeritus of Management (1961-1964 and 1969-2006)

Ray Dalton, Professor Emeritus of Sociology (1990-2019)

Phyllis Driver, Associate Professor Emerita of Accounting (1978-2007)

Lynda M. Dunn, Associate Professor Emerita of Music (1994-2008)

M. B. Fletcher, Professor Emeritus of Psychology (1971-1994)

Donald W. Garner, Professor Emeritus of Religion (1980-2020)

Mark A. Heinrich, Professor Emeritus of Psychology (1980-2007)

Carey R. Herring, Professor Emeritus of Mathematics (1967-2011)

William C. Houston, Associate Professor Emeritus of Art (1987-2014)

Margret (Peggy) Hypes, Professor Emeritus of Education (1977-2020)

Dorothy Ann Jones, Professor Emerita of Music (1967-2017)

Ernest D. Lee, Jr., Professor Emeritus of English (1988-2013)

Jeff Daniel Marion, Associate Professor Emeritus of English (1966-1968, 1969-2002)

Alice H. McCurry, Associate Professor Emerita of Nursing (1987-2014)

Linda B. McGoldrick, Assistant Professor Emerita of Family and Consumer Sciences (1991-2012)

Mary Meighan, Assistant Professor Emerita of Nursing (1996-2004)

Ronald G. Midkiff, Professor Emeritus of International Education (1977-2000)

Karen L. Milligan, Professor Emerita of Education (1996-2017)

Thomas B. Milligan, Jr., Professor Emeritus of Music (1978-2017)

Ellen M. Millsaps, Professor Emerita of English (1979-2011)

Charles Moffat, Professor Emeritus of History (1969-2010)

Kenneth C. Morton, Professor Emeritus of Chemistry (1985-2014)

Thomas N. O'Neal, Professor Emeritus of Physics (1967-2004)

Guy Laurence Osborne, Professor Emeritus of Psychology (1979-2014)/**Truett C. Patterson**, Professor Emeritus of Chemistry (1964-2002)

James L. Pethel, Associate Professor Emeritus of Music (1962-1999)

Frank H. Pinkerton, Professor Emeritus of Chemistry (1978-2011)

Tippie A. Pollard, Professor Emerita of Nursing (1983-2003)

Dorothy Scott Seymour, Professor Emerita of Nursing (1986-1994)

Robert M. Shurden, Professor Emeritus of Religion (1979-2000)

Joe Bill Sloan, Professor Emeritus of Political Science (1969-2010)

Louise D. Snodderly, Assistant Professor Emerita of Library Services (1967-1990)

W. Sue Swilley, Professor Emerita of Music (1965-2004)

Millicent M. Taylor, Professor Emerita of Business (1995-2011)

Sharon T. Teets, Professor Emerita of Education (1980-2017)

John Lee Welton, Professor Emeritus of Communication Arts (1960-1997)

Gerald C. Wood, Professor Emeritus of English (1971-2011)
